Dear Friends:

Busy, busy, busy! Anita and I continue to travel the country "keeping the roads hot!" What a blessing it's been to visit with the churches and renew old acquaintances and make so many new ones. We have meetings scheduled for every weekend except for three until our return to Peru the end of February. It is possible that we can extend our stay into March but it depends on how many more Pastors call. The purpose of furlough is to visit our supporting churches, and prospective new ones, and report on what the Lord is doing with us in Peru. We have been overwhelmed at the amount of invitations that we have received in such a short time! We try to visit two churches every Sunday, so pastors if you want us to come, try to think of a sister church near you where we could also share the Lord's work in Peru. Thanks.

In each church we've visited most of the pastors have asked if we have any special projects or needs. The answer is YES! THE STANTON BUILDING FUND. Anita and I have no personal request for ourselves, but we have four building projects in Peru that need urgent attention. Before I go on let me tell you about my fourteen years of missionary experience in raising funds for building projects.

It is well documented in the New Testament that the first churches usually started out meeting in the homes of the believers. However, I've noticed that these days its easier to raise funds for a building project when the missionary desires to go into a new area and before he has the first convert. There is a "mind set" that is generated from the excitement of "being there at the beginning or getting in on the ground floor." I've seen missionaries from other groups spend thousands of dollars in building projects for the purpose of starting new mission works but only to end up with empty buildings! I've seen those same properties and buildings sold off years later because the Lord was never in those works. (You don't usually hear about those!). Churches are NOT buildings. You know that!

Brother Stanton and Brother Sledd participating in the panel discussion at the Youth Camp in Huanuco, Peru, February, 1996. Huanuco is situated in the beautiful Andes Mountains.

I believe the method we practice in Peru is closer to the Biblical model and is a more efficient use of the building funds we are entrusted with. When we feel led of the Lord to go into a new area the first thing is to preach the gospel and see if the Lord begins to save souls. This is done in "open air" meetings and door to door evangelism. After we have a few converts we try to arrange to meet in one of their homes. If that's not possible then we look

## CONFERENCE AT WAVERLY ROAD BAPTIST CHURCH

Waverly Road Baptist Church, Huntington, West Virginia, will host a Mission Conference in the interest of Baptist Faith Missions, November 14th and 15th. Services begin Friday night with dinner in the church fellowship room at 5:00 p.m. Brother Sidney Fisher, Ashland, Kentucky, and Brother Kevin Mitchell, Gotha, Florida, will speak at the Friday night service which begins at 7:00 p.m.

Saturday services are at 10:00 a.m. and 2:00 p.m. Saturday speakers are Millard Mitchell, Hurricane, West Virginia, Willie Lazwell, Nicholasville, Kentucky, Sheridan Stanton, Peru, South America and Jim Orrick, Ironton, Ohio. Lunch and dinner will be served at the church.

Pastor Charles Lybrook and the Waverly Road Baptist Church invite all who can to attend these services. Waverly Road Baptist Church is located at 4412 Waverly Road, Huntington, West Virginia 25704. Pastor Lybrook's phone number is (304) 429-4046.

to rent a place with a short term lease to see how the work will progress. After the work begins to grow and it's obvious the Lord is in it, then it's time to build a building! However, the problem is that there seems to be another "mind set" in our churches today. Many say, "That work has been there for awhile, let them build their own building!" The very same churches that will help a missionary build a building in a new area, without even the first convert, will not help another missionary build a much needed building in a work that the Lord is obviously blessing! Many of our churches here in the States have gone through the "Experiencing God" series. One of the seven principles is to "find where God is working and join with Him there." Oh, that the churches could apply this to mission work today!

The majority of folks we deal with in Peru are very poor. Over half the country is unemployed and for those that do have jobs the average monthly salary is around \$150.00 per month. I teach the new converts that their first financial responsibility is to take care of their pastor and his family. Most of the new works can't do that adequately let alone save funds to build a building with. The "man of God" must come before a building and taking care of him is the job of the local congregation. But they do need help later to build their own meeting house. Usually they have the necessary skills to build their own buildings, if not we try to get folks from the States to come down and help. But as I've stated, they do not have the funds to buy the property and the building materials. I trust I've presented my case clearly. Will you help? Now, let me tell you about the four building projects I mentioned earlier.

Dear Friends

Sorry I missed you for a couple of Mission Sheets. If I were to tell you that the reason was to busy and overly tired you would not believe it so I won't say it. I remember several years ago hearing a brother say, "I don't mind being old. (He was seventy.) People say, 'Here, I'll get that... Let me carry your suitcase... Don't worry about that, I'll do it.'" I thought, "Hey, that's pretty good, I'll look forward to that."

I arrived at seventy, then, seventy-one, seventy-two, and now on the way to seventy-three. And believe it or not people do say things to me. They say, "Brother John, can you come a drill some holes in the wall for me?... Can you make these invitations for me?... Will you make some invitations for me like you made for Everson and Marcos e Valdir?... Can you preach for our outdoor evangelistic campaign?... When can you go with me to see that lot?... When can you take the benches?..."

What happen to the philosophy of the seventy year old brother who thought life was fun because others assisted? Then I discovered—When you are seventy and strong as an ox people expect more of you that when you were young. The other brother had had a stroke and was partially disabled.

At this point you may be wondering if I am complaining or bragging. Neither, but I am giving glory to God for the health and strength we have, both Alta, and I. But, we do work without stopping and, at times, fatigue does catch me. We need your prayers, and to be very honest, we need your serious financial help for the new missions.

Let me give you an idea of what our week is like. On Saturday, in Urai, we have a Bible hour for children at three in the afternoon. Service, in Cornelio at eight PM. Sunday, morning services in Cornelio, in Urai at three-thirty and in Cornelio at eight PM. Monday is spent preparing material for six classes that I teach on Tuesday and Thursday nights in Cornelio: Theology, Baptist History, Basic music, Introduction Biblical of Old Testament, Acts and Romans and Christian Philosophy. Every Wednesday morning I spend three hours visiting in the city of Rancho Alegre where two persons have made professions of faith. Wednesday night we have services in Urai. Alta's schedule is just as busy. She prepares all the work for Children's Hour. She reserves two afternoons each week to visit in Urai. With the exception of the Seminary classes she is busy in all of the other services. She not only plays, she has taught several to play the organ.

So, remember, when our letter misses you in the Mission Sheet, just say, "Lord, help me to help brother John and Alta carry their bags; help me to lift the load for them."

In Christian love,  
John and Alta

Every Sunday morning these children and others attend Sunday School led by Silvio (center) and Kelly (right). They meet in a garage that Luis, the owner, and not a believer, graciously lets them use. The attendance ranges from 20 - 30. This is the place where we were put out of the community hall and the benches and materials for Sunday School and services were broken and thrown out. Silvio and Kelly are expecting their first child in December. This couple are serious in their commitment to the Lord. We are trying to buy a house in this area where the price range is about \$4,500 plus monthly payments for several years. This past week I went to see two houses and hopefully we will be able to buy one. Maybe you would like to have a part.

## LBC GROUP - TERRIFIC

One of the nicest things to happen here in Brazil was the arrival of a terrific group of young people from Lexington Baptist College who had one purpose in mind and heart—to glorify the Lord. In every-one of our new missions where they presented their songs, testimonies and mimes, they were excellent. Most of all they were exemplar in their conduct and cooperation in spite of a very busy and tiresome schedule.

They were an inspiration to our workers and believers, young and old. Our workers have applied what they learned by example with success. The people who met them and saw them are asking: "When are they coming back?" To those churches and individuals who helped finance the passages and expenses of this group you can be sure you invested well; if the opportunity arises again, do not miss it.

Tim Parsons, and each of you in the LBC Group, Alta, I, and our people want to thank you for coming. It was a joy and a blessing to have you minister to us and to have each of you in our home. Come back soon.

## THE TIE THAT BINDS

Last Sunday I was taking a little nap before the afternoon service in Urai. The phone rang, I grabbed the receiver, still dazed, and a vibrant voice said, "Its Nicacio, we are here in Londrina. Talk with the taxi driver and tell him how to get to your house." Sounded too good to be true. But it was.

Nicacio studied in the same grade at our school in Manaus with our son, John Mark; His wife, Elenir, was a classmate of Paul. Nicacio was saved in the classroom one day long ago (30 years ago) when John Mark was telling him how to be saved. Elenir was saved while studying at our school, also. I baptized them; later I had the privilege of marrying them in the Tabernacle Baptist Church in Manaus.

What lovely people they are! As we were waiting to begin the service at three-thirty, they arrived. I took advantage of the occasion and had Nicacio preach. Then on Tuesday night we had a special service so our people in Cornelio could meet them and hear him preach.

Their lives are the testimony of God's grace. To me the life of Nicacio is just as marvelous as that of Daniel. Nicacio was a very poor boy. Not only was he poor; he was so afflicted with osteomyelitis we did not expect him to live to finish High School. To make a great story too short, he has served during the terms of four governors of the State of Amazonas in the Department of Finances, and for a lone time was the legal representative of the Secretary of Finances for the State at the Federal Capitol. The story of Elenir is equally marvelous. She is the mother of five children and is the head of the Education Department at the University of Amazonas.

For you who have invested in missions please thank God for the lives of Nicacio and Elenir. They are two of many who have stories which could not be told if Christ had not changed their lives. During their visit it was like having two of our own children at home. We laughed, we wept, we remembered, we worshipped together, we praised God and we enjoyed being together.

Left to right: Alta Hatcher, former Latin and English teacher and two great pupils, Elenir and Ricardo Nicacio.

## SOLD OUT TO THE LORD

Marcia and Everson are a couple of dedicated Christians who were saved in their adolescent years, baptized in the Tabernacle Baptist Church in Cornelio and married there and later, Everson was called to preach. For them to live is Christ. Two years ago when we went on a short leave to the States, the Seminary students began works where they felt it was the Lord's will.

Everson and Marcia started a Sunday School under a tree, in the poorest part of our city. To start off they had an evangelistic campaign in the open under a street light. The high attendance was 70, with seminary students helping and preaching. Following this effort they began having Sunday School on Sunday afternoons. To do this they walked one and one-half miles across town carrying their two small children, visited from house to house and gathered the children together under a tree. Twenty to thirty children attended each time.

Both Everson and Marcia work to provide for their family. After one year of hard work with Sunday School under the shade of a tree our church rented a house. The house was repaired painted and prepared for services. It was inaugurated with a week's meeting. There was an average attendance of 50 and 17 persons made professions of faith. Several were baptized.

Two day after we started the meeting the owner, a charismatic catholic, got an order for us to vacate the house, alleging that he did not know it was going to be used for services. Two days later we were able to buy an old house right next door. They have the largest number of adolescents baptized in any of our works. (See the photo.) There attendance has averaged 40 in Sunday School and about 30 in the other services. We are now in the process of constructing a building, 30 ft. x 39 ft., on the back of the lot. Due to the incline of the lot, strong walls have to be built and this increases the cost.

Some months ago Everson was able to buy a motor bike, on which he carried his wife, their two sons and a keyboard. Every time we saw them or thought about them we prayed, "Father, protect and give them safer transportation." Recently, they bought a dilapidated VW van. Two weeks ago the brakes went out on a steep street. Everson said, "We are going to die." Marcia, wrapped a blanket around the little boy and bailed out of that Van. Minor scratches, nothing more. Two days later the motor went out. Tomorrow, another brother, the one who led Everson to the Lord, is mounting the overhauled motor.

Alta taught Marcia the basics of piano playing in four intensive lessons. She practiced 2-3 hours daily and in a few weeks was playing for their services. They have a choral of 15 young people (see Picture). All have been saved and baptized in this new work. About two months ago the Lord impressed on Everson the need in another part of the city. They took their young people and visited on Sunday afternoons. He asked me to preach in a weekend evangelistic effort—in a kale city square. Every night 40 to 50 persons attended in cold weather. There were 15 professions of faith. Every night the young people presented mimes and music. What dedication this couple have for their people! And the youth love them. This couple is "seed" falling into the earth and dying for the Lord and the people they love. They are literally giving their lives for their people.

There is a great need in this new area for a building. They have Sunday School every Sunday in the little square with an attendance of 45. Remember this couple and their young people. Mark a time each day and bring them before the Throne of God in prayer. Pray about what God would have you to do to help them. One day you will have the pleasure of meeting them in Heaven. You will be glad you prayed and gave.

Youth choral from the Santa Terezinha mission where Everson and Marcia work. All of these have been saved since the mission was begun. Here they are singing in the Wednesday night service at Urai.

Dear Brethren,

Today is my birthday. I made it to 55. Last night the church where I presently pastor had a surprise cake for me after the service. Today I worked like any other day. I am presently doing documentation on part of the church property. That takes a lot of time here. The old van also broke down taking a sick brother to the doctor and I just got it going. It is 10 o'clock at night. We are having 110 degree heat here right now. It takes your energy. I am hoping you will be able to understand my scattered thoughts. I'm already two days behind in getting this out, so I don't want to wait another day to get it in the mail.

I preached at the anniversary service at the Primavera Mission and 6 were saved and one came for baptism. I made a trip to the work in Diamantino and preached on Saturday night and Sunday morning, then rushed back to Cuiaba to preach at the church here. A lady in her 50's was saved that night. It has been a good month.

All of us have our aches and pains but are doing okay. The Lord is much better to us than we deserve. I must apologize because I did not get the pictures developed I had promised for this month. We'll do our best to have some next month.

We thank each one of you who pray for us and help make ours and the other missionaries ministries possible. God bless each one.

Yours in Him,  
Harold M. Draper

## Thankful For Visitors . . . Studying & Ministering In Swahili . . .

Dear Friends,

It was so nice having so many visitors this past Summer. Nathan, our son, left in the first part of September. We feel the emptiness now, but we are so glad that he had a great ministry experience while he was here. The Lord richly blessed his internship with Life Ministry. He had the opportunity to minister in many different areas. He really had many life changing experiences while he was here in Kenya. But now, he is back in the States, and he is starting his senior year at Cedarville College. Please pray with him, because he is earnestly seeking God's will for his life.

Sara, our daughter, is beginning her second year of teaching at Calvary Baptist Academy (the Christian school of our home church). We got some good news from Sara recently. She is now engaged to a fine young man named Graig Austin, who she met while she was in college. Graig is studying for the ministry. They plan to get married next June, Lord willing.

Pam and I recently set aside some time to get away by ourselves to pray and to study the Word of God. We are earnestly seeking God's will and wisdom concerning the future direction of our ministry here. Please pray with us as we seek to do God's will.

A couple of weeks ago, we had a pastors' meeting. We had to discipline one of our pastors who had been causing us a lot of trouble, and he also had some personal family problems. Please pray for this pastor and his family.

We are continuing to study the Swahili language, so that we can become more fluent in speaking and understanding the official language of Kenya. Each of us has a Kenyan tutor to help us in our studies.

Pam and I have had several opportunities this month to minister in some of our churches. We are trying to use more and more Swahili as we share the wonderful 'Good News' of the Word of God. This past Saturday, Pam taught a group of ladies on how to teach Sunday School. One of the big needs in Kenya is to teach and to preach to people concerning how to live by the Bible. I thank the Lord for the opportunities I have had to preach the Word of God and to counsel our Kenyan pastors.

As always, we are always grateful to our friends and supporters on the home front. Your faithful prayers and support is vital to the work of the Lord here.

May our Lord richly bless you.

In His service,  
Mike and Pam Anderson  
Phil. 1:6

Nathan, our son, performed with our ventriloquist figure named Rafiki (Swahili for "friend"). Nathan did a short Bible story, and Pam, his Mother, translated for him in Swahili in one of our churches. The Pastor, Brother David Wekesa, is the Kenyan on the right.

Dear Brethren:

This "Mission Sheet Month" begins September 7, and ends today, October 2.

Sunday, September 7 - I preached at both services at the Calvary Baptist Church of Richmond, Kentucky. Bobby Green is the pastor.

Wednesday, September 10 - I preached tonight at the Fellowship Baptist Church, Richmond, Kentucky, where James Dargavell is the pastor.

Sunday - September 14 - I preached at both services at the Bible Baptist Church, Pastor Art Donley, Harrisburg, Illinois. Pastor and Mrs. Art Donley treated us (Marie and I) very good during our visit with them.

Wednesday - September 17 - I drove alone (Marie had to stay to care for her elderly mother) from Richmond, Kentucky to Livermore and tonight I preached at the Richland Baptist Church where Glen Archer is the pastor. I preached two more nights and arrived back in Richmond Saturday.

Sunday - September 21 - I preached at both services at the Faith Decision Missionary Baptist Church, Berea, Kentucky. While the church is without a pastor, Bro. Jack Abel is serving the church as pastor.

Wednesday - September 24 - Tonight, with Marie, we drove the 12 miles from Richmond to the Valley View Baptist Church where I preached. The church is without a pastor.

Sunday - September 28 - This morning and afternoon Marie and I attended and I preached the homecoming messages at the Beech Grove Baptist Church, Lancaster, Kentucky, where Wayne Howard is the pastor.

We are grateful to the churches and pastors we have already written about in this letter - grateful to God for the opportunity to preach concerning our missionary responsibilities.

Also, we are grateful to Pastor and Professor Herschel York and family for their hospitality shown to me during the three days we were in their home in Louisville.

Pray for us and note our furlough address and telephone number. Write us or call us if we can be of any service to you. Continue to pray for the work of the Lord in Brazil. Pray for Pastor Asa Mark Bratcher and all the members and the six missions of the 14th of December Baptist Church.

May the Lord continue to supply through us the needs of Baptist Faith Missions. The hymn writer tells us "Give to you shall be given - Christ - His beloved son gave."

Yours in the Service of the Saviour,  
Harold and Marie Bratcher

## STANTON

(From page One)

First, is the Ebenezer Baptist Mission, south of the Capital City of Lima. Pastor Carlos Estabridis and I started the work last year in September. Read a portion of a letter that just arrived: "... We had our first anniversary service the 25th of September. There were some decisions with almost 60 in attendance. Last month we baptized 4 and plan to baptize 3 or 4 more in Huascar on the 8th of October. ... We have run out of room in the place we are now meeting, average attendance is about 50, so we had to buy more chairs. We are looking for another place to meet because of space. ... Brother Carlos Estabridis. In the Capital of Lima, property is high. I calculate at least \$15,000.00 to buy a lot and start a building for this new mission work.

Second, is the Faith Baptist Mission in Huaral. This is a drive of about one and a half hours north of Lima. Just a few months ago, Anita and I were with Pastor Carlos Gonzales for the first service of this new mission. We had forty in attendance the first day and he reports that the work is growing and some have been baptized. We were able to give him enough money to buy some poles and straw mats so that he could use them for a temporary roof and wall at the back of a piece of property loaned to him. To build there will require around \$7,000.00.

Third, is the Jordan Baptist Church of Lima. This is the work we organized in February of last year. They continue strong with an average of around 100 at this time. They support their pastor, Jorge Dianderas, full time, but they have few funds with which to build. They own the property they are on (we bought this lot three years ago), but they need to build. At least \$20,000.00 for a suitable building there.

Fourth, is the new Sunday School rooms for the Faith Baptist Church in Huanaco. They are presently using some of the rooms on the second floor that were originally built for an institute and that we will need for the Bible Institute we have for the training of national pastors. We need to build them a new building at the back of the property for Sunday School rooms. The cost is calculated at \$12,000.00. We need to start on this building when we return at the end of February. The list could go on. We are always helping the different churches and missions with money for a new roof, windows, pews, etc.

As you can see, we're talking about a lot of money! Not many churches could write a check for thousands of dollars, but if many of you would be willing to give a special offering now and then, agree to give to the STANTON BUILDING FUND on a regular basis, then we would have the funds to build when we go back. Please pray about this! Giving to this fund should not in any way effect your giving to the General Fund of Baptist Faith Mission. We're praying that many of you will be attending the Thanksgiving Conference in Detroit and bringing a large Thanksgiving Offering for the General Fund. As you increase your giving to the General Fund of BFM, please consider giving to the Stanton Building Fund! Hope to be with you in your church soon, if I haven't already. Until next month.

Missionaries in Peru,  
Sheridan and Anita Stanton
