Dear Friends,

October 16, 1998

This has been an exciting month. One event was the visit of Dr. Mark Miller and his friend Dr. Rick. When we met, Dr. Miller said: "I have been looking at some pictures of you and your work when you were in your Heyday. I was disappointed because I had the impression that I am in my heyday. And believe me I am. Heyday means the time of greatest vigor, prime, success. Read about my heyday.

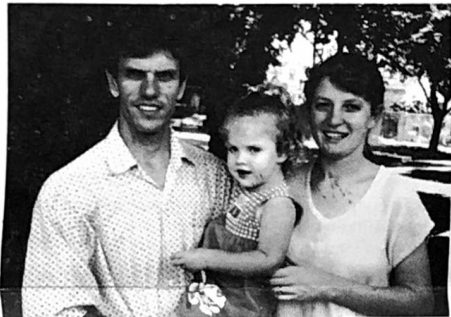

Hey! I need your prayers. Hey! I need your help. Hey! I need your offerings. Hey! I need help to finish three buildings under construction. Hey! I need money to pay off two small houses being bought at two missions. Hey! I need your help to buy lots in two other cities. Hey! I need you to pray for more preachers. Hey! We need missionaries with vision and dedication. Hey! The doors are wide open to 165 million people here in Brazil. Hey! I am getting old. Hey! Where are the new missionaries? Hey! Can you increase your giving? Hey! Would you sincerely ask God what He wants you to do in regards to our new works? Hey! Today if you hear His voice telling you to help us, do not harden your heart. Hey! Our work really depends on your help. Hey! We do love and appreciate you. Hey! Let's make all of this "our heyday." Hey! Let us work while it is day for the night is coming when no man can work. Hey! God bless you. Hey! Dr. Miller and Dr. Rick, thanks for coming and being a blessing. Won't you agree that we are in our "heyday?"

Sincerely,

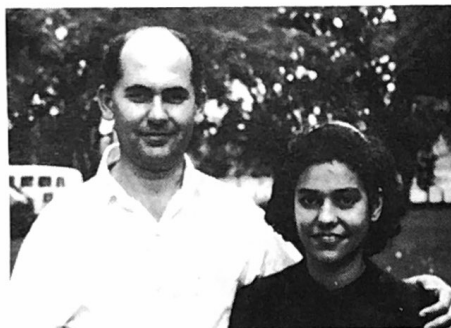

John and Alta Hatcher (Please read on . . .)

Five Preachers From Church In Cornelio Procopio - Praise God! . . .

Five servant families. This is the story of five great servant families that God has given from the work in Cornelio Procopio. All of these have received small monthly offerings from our church, averaging about \$80. They are great servants and their families are servant families. May God be pleased to bless them and to give more like them for harvest.

Gilbert Stefano with daughter and wife, Lara and Valerie. Gilberto left a job with the Federal Vocational School, that today would be paying more than \$700 a month, to pastor the church in Galia. God has blessed his ministry. He was the first to be called in Cornelio and he lived with Alta and I for four years while he studied at the Seminary in Garca.

Valdir and Sonia have two daughters, Amanda, five years old and Gabriela, who is three. After being saved, he took liquor out of his store, then he took tobacco out. On the 30th of March he closed his store to dedicate his life to serving the Lord. God has provided in ways they did not imagine. He pastors the work in the city of Leopoldo, and in the village of Primavera and assists in the building. He takes no money for this.

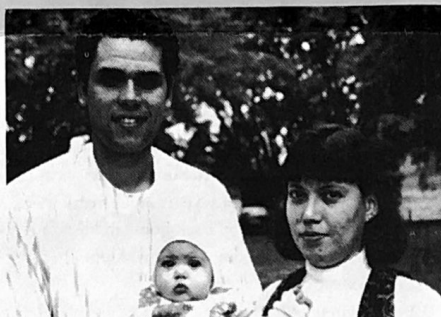

Everson and Marcia with their two boys, Caio and Alan. The most energetic couple I know. He is the pastor of Santa Terezinha, has a mission point in Vila America and they have begun a new work in the city of Santa Mariana. They have about twenty adolescents in their work in Santa Terezinha.

WINTER CONFERENCE

Plan now to attend the Winter Conference at the Park Ridge Baptist Church, Gotha, Florida. The dates of the conference are January 18 - 20. The conference program, as well as other information, will be in next month's Mission Sheet.

Narcos, with wife Silvia, and son, Junior. Marcos and Silvia felt the Lord wanted them to live by faith and serve Him full time. He left a solid job that paid \$500 a month (great salary here) and moved to Nova Fatima. He sells eggs from house to house to pay expenses. He has started having services in another city. They are surrendered to His will.

Silvio, his wife, Kelly and baby, Isabel. Silvio sells eggs from door to door to make expenses so that he can have his time for the Lord's work. Isabel was recently hospitalized for eight days with bronchitis, whooping cough and pneumonia. Yes, she had taken the vaccinations.

Dear Brethren,

October 14, 1998

In my last letter I related to you our tentative itinerary for the following month. I will now tell you how that trip went.

Our first stop was to be with the Light House Baptist Church of Antioch, Tennessee, to represent Baptist Faith Missions in their annual missions conference. We, along with about twenty other mission groups were permitted to set up our display for all to see. We were invited to stay in the home of Chuck, Terri and Trystan Roberts who made us feel right at home.

The next few days were spent just resting, fellowshiping, and preaching with Pastor Art Donley and the Bible Baptist Church.

The following weekend was spent with the Faith Baptist Church in Rapids, Wisconsin. Brother Stephen Steinmetz is the Pastor of this great church. I was invited to present our

Kicked Out of Brazil . . . Living In California . . . Hope To Visit Churches . . .

Dear Friends,

October 20, 1998

Hello from sunny southern California . . . yes . . . California! We're home on furlough, though not by choice. The government of Brazil kicked Brenda out, again. As most of you already know, we all have permanent visas to live in Brazil . . . all of us except Brenda. When our opportunity to receive permanent visas came due in 1994, Brenda was here in the states for medical reasons and could not sign for her visa. Because she is an adult the Brazilian government would not allow me to sign for her so she lost all rights to live in Brazil and had to return as a tourist. Since 1995 we have applied for her visa 4 times but it has been rejected every time. In June of this year she became an "illegal alien," again, and the Federal Police told her she would have to leave the country. We continued to pay fines to keep her there until the middle of August, then she and our children left the country. I stayed until the 18th of last month to finish up a discipleship class I was teaching and to hold an evangelism camp and then I joined my family here in California.

Brenda cannot go back to Brazil until 1999 and then she can only stay six months and she will have to leave again. So we are trying to get the Brazilian Consulate in Los Angeles to help us obtain a visa for Brenda. Please pray that they will cooperate with us.

We have enrolled the kids in a Christian school and will be staying here in southern California for at least the next 2 months while we work on Brenda's visa, then we hope to travel back to Kentucky. If you would be interested in having us in your church while we are here you can reach me at the above address and phone number. I would love to come tell you about our work in Brazil and/or speak to your youth group. Please continue to pray for our ministry in Brazil and for Brenda's visa situation. We will keep you updated on the progress of both.

In His service,
Paul D. Creiglow

new video of our work, and by the comments that were made, we think there was a good impression left with the pastor and the church. August and Julia Knoll, who are members of this church and attend our home church here in Winter Haven, Florida, during the winter months, welcomed us to stay in their home and we had a great time of fellowship with them. We thank the Knolls, the church and Pastor Steinmetz for having us.

Through Brother Steve Blake I was introduced to Pastor Randy King and the Wyldwood Baptist Church of Oshkosh, Wisconsin, where we spent Wednesday afternoon and evening. This is a large church where their entire congregation is focused on world missions. Although this church did not know us, they treated us like royalty, and brought us on our way with a very generous love offering, as well as feeding us and putting us up in a motel. We do want to thank them. Some told us after the evening service they enjoy giving, and everything they give, the Lord gives back to them double. I wish all of us could have that attitude.

From Oshkosh we traveled to Clio and Mt. Morris, Michigan, to take part in the cosponsored annual missions conference of Lake Road Baptist Church and the Grace Baptist Church. I had the privilege of speaking twice at the conference and at both Sunday services at Lake Road. These churches have been a great blessing to me for many years and I thank them.

After three weeks and over four thousand miles we are now back home in Florida, very happy to have made this trip. We want to thank all with whom we fellowshiped.

Dear Friends,

November 3, 1998

Our time in the States continues to go by quickly. Pam and I have been very busy during our furlough time. We have been in over 40 churches, in 7 different states, and traveled over 14,000 miles, sharing what God is doing through us in the land of Kenya. We thank all the churches and people who have given us the opportunity to be in their churches for meetings.

This past Sunday night, we had a meeting in our first Afro-American church since we have been back in the States. We had a wonderful time with Pastor Larry Wilson and the members of Bethel Baptist Church in Lexington, Kentucky. Pam and I are thankful for their gracious hospitality, and for their desire to support the work in Kenya.

We are also thankful for another church in Lexington. After the service, the church voted to give \$1,000 towards our Kenyan church building fund. Praise the Lord! Please pray that others would give to this special project. Presently, our church meets in a one room rented building near a bar. Lord willing, we would like to move to our own place, when the Lord provides, in His time.

Pam and I plan to continue traveling through the month of November visiting other churches. We are hoping to see many of you during the Thanksgiving Conference in Michigan, Lord willing.

Thank you so much for your interest in us and the Lord's work in Kenya. Pam and I are very grateful to be co-labourers with you in fulfilling our Lord's "Great Commission."

May our Lord greatly bless you.

Love in Christ,
Mike and Pam Anderson

Brother Bratcher's Report . . .

Dear Brethren,

November 2, 1998

In last month's Mission Sheet Letter I related that I had preached 5 sermons and heard 17. During this month's, September 29 to November 2, I preached 10 and heard 33. A record I dare say!

October 2 - I, after spending the night at the home of Pastor and Mrs. Bob Hopkins of Holly, Michigan and riding with them and Pastor and Mrs. Art Donley, to Lake Road Baptist Church, Clio, Michigan, brought the second message at the annual Mission Conference, Doug Armstrong, Pastor.

October 3 - At Grace Baptist Church, Bob Hopkins, Pastor, I preached first at the second day of the Mission Conference.

October 4 - At Grace I preached this morning and tonight.

October 7 - Marie and I attended prayer meeting (I preached) at the Clarksville Baptist Church, Richmond, Kentucky, where Bradley Johns is Pastor.

October 18 - This morning and afternoon-Marie present-I preached (homecoming) at Elk Lick Baptist Church, Booneville, Kentucky. Charley Wilson is the Pastor.

October 21 - Tonight at the home of Andreino Cardoso, here in Richmond, I preached to 4, besides myself, not in English, but in Portuguese. This family is Angolans (Africa)-having spent some years in Portugal, Europe. This is the first sermon preached in Portuguese since July 27, 1997.

October 25 - Tonight I preached at Fellowship Baptist Church here in Richmond, Kentucky, where James Dargavell is the Pastor.

November 1 - Tonight I preached (Marie present) at Faith Decision Baptist Church, near Berea, Kentucky, where Larry Jones is the Pastor. Congratulations to Brother and Mrs. Jones on the birth of their first child-Aaron, who today is 4 days old. He slept during my sermon!

Thus concludes the report of the 10 sermons preached. Now the miscellaneous section of this letter.

1. October 20 - Once again, Marie and I are grateful to Pastor and Mrs. Bobby Greene for the senior citizens dinner held at the Calvary Baptist Church here in Richmond.

2. October 28 - John Mark Hatcher, Pastor of Emmanuel Baptist Church, Evansville, Indiana, wrote us an encouraging letter and sent us an offering. Thank you John and Judy. Pray for this couple as they feel the Lord is calling them to be missionaries in France, Europe.

Thanksgiving Offering

Thanksgiving is a special holiday that means different things to different people. No doubt we all have special memories of family get togethers and big dinners complete with turkey with all the trimmings and grandmother's pumpkin pie as only she could bake it. For the supporters of Baptist Faith Missions it means something else as well. It means that we give a special offering to the work of our missionaries to help them throughout the year. Most months we do not receive enough offerings to meet our expenses. Each year we depend upon a good Thanksgiving offering to help us throughout the coming year. Will you help this year? Whether big or small, all would be greatly appreciated. Perhaps you have said we are going to do it sometime. **Why not begin this year???** We have never had 100% participation of our supporters, but we would like to have it this year. The offerings are greatly needed. Please pray that God would enable and then Give!

Ministering To Both Physical & Spiritual Needs . . . Need For Boat and Motor . . .

Dear Brethren,

October 30, 1998

As many of you know, every year we take a group of doctors, dentists and nurses on a mission trip that begins at the Peruvian border. The regular month for this trip is May. This year I was in the States in May and the folks down south who work with us on this project were not ready at that time, so the trip was postponed until October.

This was the best trip ever. We have been doing this for 4 years running. The best part is always seeing more people saved. Next to that, is knowing that we have also helped them with their health needs. For me, the guy that has to have the vision and do the planning of this kind of project, there were a number of added blessings, though.

First, we were able to take a doctor, dentist and nurse from our home church. The first 3 years all the professionals came from other churches in south Brazil. We take 2 doctors, 2 dentists and 2 nurses every year to work these clinics. This year half of the team came out of our church! The Missionary Aviation Fellowship (MAF) pilot, Paul Backman, who does the flying for us, also attends our church, along with his wife Beth and 3 children. The clinics that we do here have been such a success and so well organized that ours has become the standard and model for those conducted all over Brazil. That's not me bragging. The president of MAF told me this last Wednesday! Praise God!

There are many hardships on these trips. There are bone chilling rains and searing sunny days. There are muddy river banks up and down which we must carry heavy loads of medicine and equipment. Insects in unbelievable quantities and variety, many of them of the

Good News From Brazil . . . Charlene Has Foot Surgery . . . Excited About Conference . . .

Dear Friends,

November 2, 1998

I just got off the phone with our people down in Curitiba, Brazil. The report that they gave is really motivating! Let me share the highlights with you. There have been some new faces in the services and several have begun to attend regularly. I was especially happy to hear how much the leaders have taken upon themselves to do without asking or expecting to get advice from me as to how they should implement new ministries. I am looking forward to the fellowship that we will have when we return, but as a fellow-laborer and not as their pastor. I plan to start some new mission points in different neighborhoods and I believe that several of those workers will be joining me as we reach out to establish new churches together.

Our resident professional soccer player is back for the off-season. He has finished his first year on an adult league team and is now back at our church. The little soccer school that he and I founded last year to reach unchurched kids in our city is still in operation and he will return to coach there until he receives word about future playing opportunities. To be honest, I hope that he isn't drafted to a top contending team next year. That way he'll be staying in our church year round. But I have learned that, like one's children, it is best to let them face their own decisions once they've grown. I trust that God will show him the right way. If he doesn't follow God's guidance the Lord knows how to discipline better than I do. The evangelism through that ministry is so exciting because those 30 boys would not be attending church through conventional means. Remember to pray for Edinei and Fernando as they lead that ministry.

I have been studying at Southern Seminary in Louisville, Kentucky, since August and boy has it been challenging! I hope that the difficulties are because of the heavy load that I'm taking and not because of an aging mind. I never imagined that I would have to spend so many hours to keep up with the assignments, but I believe the benefits will be worth it. Most of the professors are very gifted and have a passion for God and those who are lost. I was certain of the Lord's guidance in my decision to come study here, and I can already see much of what He wanted me to learn. As a result of what I'm learning we hope to be more effective in ministry upon our return to Brazil.

Charlene is recuperating from foot surgery a week ago. She had been suffering for several months thinking that she had a bunion. After the pain got continually worse, she knew that it was not something that was going to get better by itself. The x-rays showed that the big toe was dislocated and fractured. The surgery went well, but she will be limited in her activities for several months. Pray for her because she has to depend on me to help around the house and make sure she doesn't go hungry.

I am really excited about the upcoming Thanksgiving Conference! Plan to be there and take as many youth as you can. I'm praying that God will be working in a special way to stir our young people to serve in missions. I trust that He will give the speakers messages blessed by the Holy Spirit to touch hearts and to burden pastors, youth layleaders to participate in missions and evangelism like we have never seen. I have been blessed to hear and speak to missionaries who are seeing God do a marvelous work in many parts of the world. Our Baptist Faith Missionaries are included. It is evident that God is accomplishing a work that far exceeds anything that we could have imagined only ten years ago. I want to be on the cutting edge of what He is doing. One of the greatest truths of the Bible is to learn that God has decreed to include us, His people, in His plan to bring others to know Him. He could have done it any way that He chose, and He did! I'm thankful and want to be useful as He desires me to be. Please make an effort to be at the conference. Encourage your pastor and youth to go also. I trust that you'll be blessed there.

Thank you all for your prayers and loving support.

In Christ's love,

Bobby, Charlene, Jessie and Brennen Wacaser

BRATCHER

(From Page Two)

3. Tomorrow Mrs. Flossie Moore, Marie's mother, will complete 93 years of age. We thank the Lord!

4. Today in Manaus is the "day of the dead," when multitudes visited the cemeteries of the city to pray and burn candles at the grave of their departed loved ones. I trust that services will be held by Pastor Aurindo Oliveira Follia and others at Joel Harold Bratcher's grave in the John The Baptist Cemetery. Oh, how I long to be there! Please permit me to compare myself to King Hezekiah (see Isaiah 38:1-22). Pray with me that the Lord will hear my prayer and see my tears!

Once again we thank you readers of the "Mission Sheets," especially you who pray and contribute to Baptist Faith Missions! We are praying that many will respond to the plea on Page 2, October Mission Sheets, to participate in the Thanksgiving offering.

Yours in the service of the Saviour,

Harold and Marie Bratcher

MICHAEL CREIGLOW

(From Page Two)

biting/stinging kind. Food, not exactly your average southern home cooking. Drinking water? Trips in a small plane over miles of virgin jungle, amidst clouds of a menacing nature. Landings into dirt strips that are definitely not Dallas-Fort Worth. Long, long river trips-rain or shine-mostly both, this time of year.

It is just great though, when you see people lining up to see a doctor or dentist, after months with no access at all to such things as a real live loving Christian doctor and free medicine. The wooden school house is a hospital during the day. At night it becomes a church building. With just the light of the open flame of a kerosene lamp I play and sing hymns with the same people. I preach Christ to them. The children sit on the floor in rows right at my feet. The adults sit at the school desks. This was our third year at Foz do Breu (mouth of the Breu River) on the Peruvian border.

The first night I told them the story of the Phillipian jailor. As I tell the part about the earthquake, I shake the table where my Bible and flashlight sit. The flashlight crashes to the floor and I blow out the light. Do you suppose that they get taken up by the story? Later at the close I ask, "What must I do to be saved?" They know the answer. As one, all those children and many adults respond, "Believe on the Lord Jesus Christ and you will be saved."

The next night is John 3:14 and I tell them the story about the snakes in the desert. Two little girls (about 10 or 11 years old) will never forget this sad and frightening Bible story. As I describe the snakes coming out of the sand and slithering into the tents, my hand and arm becomes a snake. It bends and twists slowly toward one of them. She shudders involuntarily. I figure the snake better not bite her. It turns suddenly and bites the arm of the one next to her. Believe me, it may not have been less real than if it had been a real snake. She knew it was coming, but couldn't help the shock. The comparison is carried to the New Testament and Christ being lifted up to take away the venom of our sin today.

Six more people were saved at Foz do Breu.

The clinics continued as we made our way down river. A shuttle flight was made between Breu and Thaumaturgo. Some of us went to Pedra Pintada one afternoon, just down river from Breu. I also took the canoe leg with 3 other team members from Foz do Breu to Thaumaturgo. It took us 9 and a half hours. The same trip with an outboard motor takes just 2 hours. It takes 15 minutes by plane. Of course if you go by plane you can't quite carry as big a load and can't stop anywhere in between. I really do need that boat and motor that I have been talking about for the past months. Pray and please give a special offering.

This year we also got an invitation to visit the Ashaninka Indian tribe in the Amônia River. They asked us to bring the dentists, but said they didn't need our doctors. They have their own kind of doctors! Only the chief and his family speak Portuguese. He listened closely to the presentation of the Gospel. He said that most people that visit his tribe have other motives that are not always clear. He thanked us for our frankness. The doctor on this leg of the trip was born a Buddhist in China, later saved during med school in Brazil. Oh, yes, we did go ahead and take in a doctor-just in case. The racial similarity between the South American Indians and Orientals seemed to help. Doctor Shiu took care of 55 patients that same day. We now have a standing invitation to return.

Well I could go on and on, but must stop somewhere or the editor might not be able to print this. Rejoice with us. Pray for us. Be used by God to supply our needs.

In Christ,

Mike Creiglow

Exciting News From The Interior . . . National Brethren Hard At Work . . .

Dear Brethren,

September 10, 1998

Things are back to normal around here. Last month I was still trying to get the Jeep and other equipment back to good running conditions. Just about everything is working again. Bev's microwave gave up the ghost, but the Lord's work will probably survive without it.

I was able to visit a few churches and congregations in the interior this month. The first visit was to the church at Lagoinha (near camp). They are doing well and have reactivated the mission at Campinas. They are getting ready to rebuild. We also had a preacher's meeting there a few weeks ago. We had a really good turnout: over 40 preachers and workers.

My next visit was to our congregation at Santa Rosa. During the next few months I will be going there to do some teaching. We are praying about organizing the church there. The congregation has grown and made a good impact on the community. Four of our men from First Baptist Church have been working there for the past five or more years. These men and their families will probably be charter members when we organize. We have an agreement that they will go on down the road to São Pedro and start a new mission. They have also offered to help strengthen the work at Rodrigues Alves. We already have a full time missionary there - Edson Lopes. He needs the boost that these more experienced men can give. Anyway I am teaching about the origin, nature, function and responsibility of the church. We had over 60 present for the first lesson.

Finally, I visited our church at Colônia São Francisco - Calvary Baptist. Brother João de Deus (John of God is his nickname) is pastor there. The crowds are growing. We had over 100 people on a Sunday evening. I helped them with a baptism. Five more were added to the church. One of these was an elderly man who had persecuted for years. He said he wanted me to perform his baptism, so I was honored.

I have resumed the recording of the TV program. Pastor João Vicente had taken care of this while I was in the States.

We have continued to have small numbers of folks saved each week. Crowds at some services are down though. The country is in an uproar that leads up to general elections. This and World Cup soccer always hurt our attendance. Both occur back to back every four years.

Summer is almost over and it will soon be time to get back to river travel. I still don't have a boat and motor. Pastor, please lead your church to give a special offering. Church member, ask your pastor when your church will be taking up the special offering for the motor and boat. The last boat you helped me buy lasted for 16 years. This may be the last time I ever ask you to do this. I am now 50 years old. If the new boat lasts as long as the other one, then I would be 66! By God's grace, it is conceivable that I would still be out running up and down the river at 66.

Thanks for all of your prayer and support. God bless.

In Christ,

Mike Creiglow

Livermore, KY 42352

DON'T FORGET THE WORK HORSE FUND

This is the General Fund.
Out of it comes the missionaries' salaries, expenses, travel, medical, cars, etc. It has not kept pace with rising costs. It needs to increase so that our missionaries might have what they need.

Please consider increasing your offerings.
