WHY I SUPPORT THE MISSIONARIES OF B.F.M.

By Edward H. Overbey

I have been supporting B.F.M. from the beginning until now. I was 17 when I gave my first offering to B.F.M. on Sunday, December 7, 1941, Pearl Harbor Day. The first issue of the Mission Sheets came out in January of 1942 and my offering was listed among the first givers to B.F.M. I have continued through the years to support the work, generally through the church of which I was a member.

Why do I support B.F.M.? Briefly I support B.F.M. because it is doctrinally sound and it is run honestly and efficiently. This was emphasized when B.F.M. began. I gave my first offering because I believed it when I was 17 and I still know this to be true.

To be more specific, I support B.F.M. because:

1. All Money Received is Handled Honestly. Every giver is given a private receipt and a public receipt. The public receipt is given on the fourth page of the Mission Sheets each month. This is not a financial report, but a public receipt. This enables all to know how much in offerings came in each month, where they came from and what must be accounted for. A private receipt alone is not enough. There is a financial report given at the Spring Conference. It is printed and given to all who want it. It is explained in a meeting at the conference. Explanations are given of all money received and expenditures made during the year. Questions are answered. Business is carried on honestly and above board.

2. All Money is Used in a Very Efficient Way. All expenses are kept to a minimum so that every dime possible goes to the mission field to support our missionaries. Everything done is to help the missionary have more time to do mission work. The only overhead expenses are absolutely necessary overhead expenses. They are long distance phone calls for our missionaries, paper, envelopes, stamps, the Mission Sheets. These average about 3 pennies for every dollar that comes in. These are absolutely necessary expenses for the missionary to do his work. If the missionary did all this on his own, he would have to make necessary long distance phone calls, buy more stamps, envelopes,

paper, print his mission letter, mail it out, etc., to keep in contact with his supporters. The cost to him multiplied by the same number of missionaries B.F.M. has would figure out about the same amount it costs B.F.M., if they could do it as efficiently. Our overhead is necessary overhead and it is very low. If each missionary had to do this for himself, he would have less time to do his mission work.

3. All of Our Missionaries are Sound in the Faith. All of our missionaries stand for the whole Counsel of God. Each was sent as a Missionary on the authority of a Baptist Church. They are sound Baptists who desire to win people to Christ, baptize them, teach them to observe all things Jesus taught. They organize their converts into New Testament Baptist Churches. They not only have a desire to preach the Gospel to all and urge them to trust Christ, but they believe that God has an eternal plan and that all who do trust Christ as their Saviour were chosen by God before the foundation of the world to be saved for no reason other than the good pleasure of His will. The salvation of a soul is not an accident, but according to God's plan and God's plan is all of Grace.

All of our missionaries believe baptism is the immersion of a believer to picture what Christ has done for him and it is to be administered on the authority of a New Testament Baptist Church. They do not believe baptism saves or helps to save. They believe a New Testament church is a local and visible assembly of those who have trusted Christ as their personal Saviour and who are scripturally baptized. They do not believe the New Testament teaches an invisible universal church.

They believe Jesus started the first New Testament Church during His ministry and these kinds of churches have continued in history until now and will continue until Jesus comes again. They believe in the verbal inspiration of the Bible, the Deity of Christ, His virgin birth, His Substitutionary death on the cross, His literal resurrection from the dead and His second coming in power and great glory and much more. They believe in the whole Counsel of God.

ANNOUNCEMENTS

Brother Larry Robbins, a long time friend and supporter of B.F.M. passed away December 5th. At the time of his death he was assistant Pastor of Trinity Baptist Church, Richmond, Kentucky.

Brother Jack McGrew, another long time friend and supporter of B.F.M. passed away November 29th.

MEMORIAL OFFERINGS-A good way to remember your friends and loved ones is by making a memorial offering to them for missions. At most, flowers will last only a few days, but a soul saved will have everlasting life. Building can stand for generations, as places when the gospel of salvation can be preached to the lost and perishing. Please consider making memorial offerings.

When sending a change of address, please include your old address as well as your new. This will help us locate your old address and remove it from our file.

As an added feature of the Mission Sheet we would like to include a letter of testimony each month from some pastor who knows of this work and supports it. This month's letter is from Brother Edward Overbey who gave in the very first offering and has supported it ever since. Pastors, please take time to write! Your letter will be an encouragement to many.

AVOID CAPITAL GAINS TAXES

If you would like to help Baptist Faith Missions through donations of appreciated real estate, stocks, bonds, mutual funds and avoid the capital gains tax, please call Brother Jim Miller at 1-800-383-3902 for detailed information.

Moving or getting a new address? You can help keep our cost down, and assure that you do not miss any issue of the "Mission Sheet" if you will notify us of any change of address. When writing please include both your old and new address.

God Is Changing Lives At The Alpha And Omega Children's Home...

Greetings,

It is really great to be home and see our family and friends. Also to meet and make new friends as we travel from church to church. It is truly amazing that after only a week or so here in the States how we have started to miss our other home and our other family.

Speaking of our other home I would like to tell you about the Alpha and Omega Children's Home. Or perhaps more to the point about one or two of the children there. As you can tell by the name, Alpha and Omega Children's Home, we are not just a home for orphans but we are a home for children with problems. When I say problem children I mean children who are in trouble with the law, in trouble at home, or in trouble at school. One of the questions we hear most is "How do you get the children for your home?" Well we get them several ways, the Judge in our town sends them to us, the social workers send them, also Pastors in the towns around us, and parents, grandparents, and other family members bring them to us. Some even bring themselves! Two of those who have brought themselves are Edwardo and Caio. One of these young men just has no home life. He began by just coming and spending the day with us to play with our boys and have a good meal. Then he began to spend the night, then to stay longer and longer and to our amazement no one came looking for him. We checked at his home and no one seemed to care that he was not at home so we allowed him to stay. When his mother finally decided she wanted him home he did not want to go. By that time his grandparents had contacted us and offered to sign papers so we could keep him because they said the only reason the mother wanted him back was to get money on him at the first of the month and then she didn't care what happened to him after that. So Caio is now with us permanently. The other young man has a college education and a good home but he got mixed up with the wrong crowd and got involved with crack cocaine. One Sunday morning he showed up on our doorstep and told Odali that he needed help and he knew this was the place to come. I am happy to report that he is in full recovery and is a very productive member in our home. Not only does he work there at the Home he is very active in our Church with the Ministry Team, the Visitation teams and the band.

It is truly AWESOME what God can do in lives--if we will only submit to His will!!!

Come down and you too can see these things as they happen and be a part of what God is doing here in Brazil. As you can see from the photo there is no lack of space for visitors for God has given us much space and all that is lacking now is YOU!!!!

In His care,

AJ and Barbara Hensley

Finish First Semester . . . Good Report From Brazil . . . Vision For A New Work . . .

By Bobby Wacaser

Dear Friends,

January 4, 1999

I have successfully finished one semester at Seminary and will begin the second in about three weeks. The heavy study load was a challenge at times (a threat at others) and I gleaned some material that will be a big help to our work when we return. Charlene has had some great courses too, and even with her surgery interfering, kept her grades very high.

I spoke with our people down in Brazil and was thrilled to hear how well the ministries are progressing. Two weeks ago they held a special evangelistic meeting and had a large turnout of first time visitors. The workers gathered information and will be following up on the visitors to encourage them to keep returning. I was happy to hear that Fernando, one of our young ministers, did the invitations (flyers printed up by computer). I donated my computer to the church there when I received another one here. We will be starting new works when we return, and we wanted that church to have the tools to keep up the ministries. Fernando has been taking a computer course for a few months and should be able to help the church considerably as he learns to use it.

We have been in the U. S. for six months and the work has continually grown. It is clearly evident that it is time for us to begin new works. We have a neighborhood called Diaderma in mind that appears to be wide open. We surveyed this neighborhood a few months before we left Brazil and could not find a single Baptist Church although the population is over 40,000. The young ministers that we instructed at the Training Center will be working with us to start home Bible studies and evangelistic meetings. We don't have a building yet, but we believe that we can get started in someone's home first. One option that we are considering is to place one of our own people in a house within the neighborhood and use that as our starting point. This option gives us several advantages. One is that they will be able to witness to their neighbors daily and let them see their Christian walk in everyday life. Another is that less money is necessary to get a work started. As the work develops then we will be able to search for a suitable location to build a church building.

God has blessed us with some dynamic Christian workers and we are looking forward to a really productive term when we go back in June. The studies here at Southern Seminary have opened my eyes to some ways to improve our own approach to ministries and we've got a larger picture of what God is doing around the world. I, personally, have been guilty of thinking too small when He has no limits to what can be done when our ways are surrendered to Him. Pray for us to be better servants and to be bold in our faith.

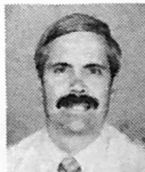

We are open to invitations to share our work personally with you. Call us or e-mail us at the above numbers.

Yours in Christ's service,
Bobby Wacaser and Family

Furlough Ending . . . Funds Needed For Building . . . Note Kenya Address . . .

By Mike Anderson

Dear Friends,

January 4, 1999

Well, we are in the process of "wrapping up" our first furlough with BFM. We have visited many churches while we have been in the States. We have three more churches yet to visit before we leave for Kenya on January 17th. Pam and I are so thankful for the many "open doors" to share the Lord's work in Kenya in churches. The pastors we have had meetings with have been very gracious and generous to us.

We are thankful for the funds that have already come in for our church building project. We should have enough now to purchase the land. We are trusting the Lord to provide the rest of the funds for the building in His time (Phil. 4:19).

Pam and I had a very busy month in December. I had the opportunity to share God's work in Kenya and also, I preached at "Jolly Seniors," which is a luncheon at Cross Lanes Christian School. There were approximately 200 senior citizens in attendance. It was a blessing to share and fellowship with these fine people.

Pam and I had a good Christmas with both of our families. Our children, Nathan, Sara and her new husband, Graig Austin, were able to be with us too. The Lord has been very good to us this past year.

Hopefully, next term we hope to build a church building, and start a Bible school, where we can train Julius and Moses to be leaders in our church. We would like to begin holding evangelistic meetings and establish Bible Clubs in the public schools. Also, we have a burden to reach "street children," too. There are a lot of orphaned children in our area, whose parents have died of malaria, Aids, or other causes, and many have no other relatives to take care of them. We would like to introduce these children to the Gospel.

This should be our last letter written from the States for a while. Pam and I are really looking forward to getting back to our church in Kitale. We have missed our Kenyan friends a lot. Above, you will find our address in Kenya and we hope many of you will communicate with us.

May the Lord bless you all in the New Year of 1999, as you seek to walk with the Lord and faithfully serve Him each day.

Servants for Christ,
Mike and Pam Anderson

Dear Brethren,

December 29, 1998

In last month's Mission Sheet Letter I related that I had preached 7 sermons and heard 27. During this month's, December 1 to December 29, I preached 5 and heard 12 either sermons or special services of some 8 churches.

Sunday morning, December 6 - I preached at the Knob Lick Baptist Church, Irvine, Kentucky, where Gilbert Sowers is the Pastor.

Sunday morning, December 13 - I preached the second sermon at the Grace Baptist Church, Frankfort, Kentucky, where Lonnie Bennett is the Pastor.

Sunday morning, December 20 - I preached at the Linden Street Baptist Church, Richmond, Kentucky, where Gene Smith is the Pastor.

Sunday morning, December 27 - I preached at the Corinth Christian Church, Richmond, Kentucky, where William Forquer is the Pastor. Tonight I preached at the Clarksville Baptist Church, where Bradley Johns is the Pastor.

We pray the Lord's comforting hand to be upon Mrs. Wanda Robbins whose husband, Larry Robbins, went to be with the Lord on the 5th of the month.

I thank the Lord Jesus Christ for my salvation and for my wife of 44 years. (We were married at Newby Baptist Church by Pastor Clarence Walker on December 27, 1954). I thank the Lord for Pastor Asa Mark Bratcher and the kindness of other members who telephoned us from the 14th of December Baptist Church in Manaus, Amazonas, Brazil, South America, and Pastor Stephen M. Bratcher of Ocala, Florida.

Our plans are, the Lord permitting, to leave Richmond on the 26th of January, 1999, to spend a few days in Florida visiting our son Stephen in Ocala, and Pastor George Sledd in Sanford, Florida, and then to fly out of Orlando, Florida, on the 1st day of February to arrive on the 2nd, the Lord willing.

We trust you are rejoicing with us and will continue to pray for us. "Permit me now to request your financial help as well. Don't forget the WORK HORSE FUND (this is the General Fund). Out of it comes the missionaries' salaries, expenses, travel, medical, cars, etc. After remembering the WORK HORSE FUND, remember the HAROLD BRATCHER FUND; we will need more money as we leave, and when we arrive there will be waiting for us needs for home repairs and to buy a car. We are 'trusting the Saviour and telling you the saved."

The following people have been a special blessing to us during this month of December:

Billy Ray Stone, Mrs. Ella J. Casey, Mrs. Nannie Edith Richardson, Allen and Wanda Whitaker, Pastor Bobby Greene (Pastor of Calvary Baptist Church, Richmond, Kentucky), Olive A. Hunter (Ocala, Florida), Mrs. Edna Mayberry (Uniontown, Kentucky), James, Virginia and Terry Sparks (Madison Indiana), Grace Baptist Church of Holly, Michigan (Bob Hopkins, Pastor), Steve and Eva Blake of Lexington, Kentucky, Mrs. Allie B. Curd of Lexington, Pastor David and Camilla Bratcher of Henderson, Kentucky, Deacon Charles and Reva Bratcher of Frankfort, Kentucky, Shirley and Billy Hyde of Cincinnati, Ohio, Pastor Mickey Hyde and the Glen's Creek Church family, Peter Santisteban (Pastor of Liberty Baptist Church of Burton, Michigan), Mrs. Nita Marsh Moore, Frankfort, Kentucky, Mrs. Dorothy Johns of Richmond who has for more than a year typed and faxed my Mission Sheet letter, and around 60 more of the USA and Brazil who sent Christmas cards.

Forgive us if we should have included your name in the list of those who we have thanked in this letter thus far. We love all of you in the Lord. Please note our Brazilian address. The Lord willing we'll write our January Mission Sheet while we are in Florida and we'll be expressing our thanks to others in that letter.

May the Lord bless you in our prayer.

Yours in the service of the Saviour,
Harold and Marie Bratcher

Dear Brethren,

January 4, 1999

It seems I did not get my Mission Sheet letter to the editor in time to get it printed last month, so for those churches that I visited I ask you to forgive me for not recognizing your kindness towards us. We certainly are grateful unto each and every one of you for permitting us to present the work of Baptist Faith Missions in your church. We also thank you for your love expressed toward us with your love offerings. We traveled just a little over four thousand miles on that trip and arrived home on the first day of December.

The month of December was spent just resting, getting caught up on correspondence, and serving the Lord in our home church. I have also been planning and working on a new presentation that I hope I will be able to get ready before we start traveling again. While working on this project I want to visit a good many churches here in central Florida.

The Winter Conference to be hosted by the Park Ridge Baptist Church of Ocoee, Florida, will start just two weeks from today. By the time you read this that will be history. This is always a great time of fellowship for us, because we always have a house full here at home.

We plan to restart our travels around the last of February, but until then we may make a few short trips to neighboring states.

If you would like for us to present the work of B.F.M. in your church, please contact me.

In His name,
Bobby D. Creiglow

Dear Brethren,
January 3, 1999
Another year has gone. We praise the Lord for His blessings and wish we had been able to accomplish more in His work. It is a time of reflection and hope. We had a great "Watch-night" service at the Altos do Coxipo Church with several of the brethren giving their testimonies of how the Lord saved them and has changed their lives. Most were hard cases just a year or two ago. It is amazing what the Lord can do.
We participated in a conference at the Faith Baptist of Primavera which celebrated its first anniversary on the 26th of December. I preached to a full house. Their new building is beautiful and was built mostly by their own financial efforts over a period of several years. This work is an example of how slow, determined effort can be blessed.
I baptized 5 precious souls into the membership of the Altos Coxipo Church on the 19th of December. Doesn't seem like a large number for a years work, but we are thankful that the Lord saw fit to save these and we continue to sow the good seed confident that the Lord will give the harvest.
The other churches all had good years with several additions. Our greatest joy has been the way the Novo Diamantino work has revived after a long period of stagnation.
Not all has been easy this year. Ursula has come close to being confined to a wheelchair but is somewhat better with her new treatment. Michelle has been struggling a bit at school but is making it pretty well. I have been blessed this year and have not been one single time to a doctor. It's been years since that happened.
We appreciate so much your faithful support to ours as well as the work of all the missionaries. May God bless you there.

In Christ,
Harold Draper

Several More People Saved Here ... Still Need Funds For Boat and Motor ... Charismatic Groups Trying To Oust Baptists ...

By Michael D. Creiglow
Caixa Postal 24 69980
Cruzeiro do Sul, Acre Brazil

Dear Brethren,
January 18, 1999
As promised last month I want to try to get you caught up on the "routine" things that have been going on here.
We just had an annual report from our missionary at large, Brother Raimundo Vieira. Last year he made 23 river trips and held 123 services. There was about one person saved per service over all. He also built 2 more buildings in 2 tributaries of the Juruá River.
Last month we had several more saved here at First Baptist and one of our best services was held on Christmas night. The building was packed. The Governor and his family were present for this service. There were 3 people saved that night. Our New Year's service was just as fantastic. We had 13 special songs by that many groups. We also took up an offering of \$3,000.00. The service was so fast paced (3 hours +) that I only had 25 minutes to preach.
Two days later I was in São Paulo with Odali Barros at their camp. Seeing and participating at their children's home was a real blessing. I taught each night to a group that averaged over 150. It rained the whole time I was there, so all the activities ended up being indoors. The meeting hall is a few yards removed from the rest of the complex, but fortunately the rains eased up every evening. I was also privileged to preach at the Garca Baptist Church on Saturday and Sunday. The people there are just great. The trip was actually a good rest for me, even though my cell phone was going constantly to Cruzeiro do Sul and Manaus, trying to keep things running. To get there was also quite a marathon. It took me over 30 hours each way. Still it was restful and refreshing to see the wonderful job that Odali, Kathy and their team is doing with over 50 street kids.
Several churches and individuals have already sent in offerings toward the boat and motor for our work. Thanks so much for each and every one. Hopefully by next month this time we will be able to get the boat. Several trips have been postponed and others are scheduled for the coming months, so please continue to pray and give. Thanks so much.
Let me share one more victory before I close. There is a huge charismatic group that originated here in Brazil that calls themselves the Universal Church of the Kingdom of God. They are of the faith movement, what we call prosperity theology. If you just have enough faith you will be beautiful, healthy and wealthy. This is very popular in third world nations, where people see themselves as uglier, sicker and poorer. This cult has spread all over Brazil like wildfire. They have a huge following in all the larger cities and even in several countries overseas. They do look first for places with easy money and that is what they are all about. For this last reason they took quite a while to come to Cruzeiro do Sul, but they did eventually come. The first move is to rent the biggest and best building in the middle of town. The next move is on the media. Cruzeiro do Sul was no different. After they got the building they bought time on TV and bumped the regular Baptists off of the radio. Their latest tactic is to get a building as close to a Baptist church as possible and get the Baptists off the air.
Well we have this little ongoing campaign of prayer against all the cults and false religions. Our whole church goes down a list every day asking God to shut them down. Guess what. We bumped them off the radio! Our daily program from 11:00 a.m. to 11:30 a.m. was expanded to 12:00. We took over their half hour. Our program goes out on AM, FM and medium wavelengths. We go by their building at "church" time every week and they are only having 5 or 6 people. God has been answering our prayers. Of course our people are also very busy witnessing to as many as they can. We just put up a tract rack a few weeks ago and we can't keep it stocked.
Time to go. Please continue to pray for us and participate in our work here. God bless all of you richly.

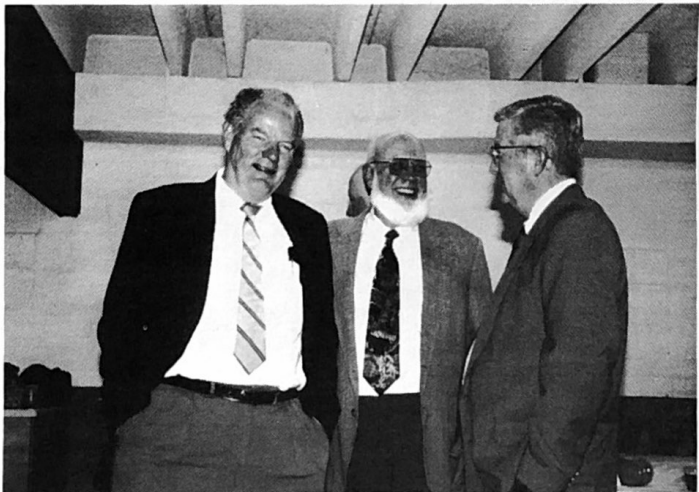

In Christ,
Mike Creiglow
