YOUNG PASTOR LOVES BAPTIST FAITH MISSIONS

By John D. Newland, Pastor Hitchins Missionary Baptist Church 3237 South State Highway 1 Grayson, Kentucky 41143

I have been acquainted with Baptist Faith Missions for as long as I can remember. As a child, my parents and I were members of Thompson Road Baptist Church in Lexington, Kentucky and later we joined Emmanuel Baptist Church in Evansville, Indiana. Over the years, I suppose my parents have housed nearly every BFM missionary. I always loved sitting around the kitchen table and in our den, listening to the missionaries tell their stories of their work and the exotic places in which they ministered. I grew up longing to go to those places some day. They also planted a seed in my heart that I wanted to spend my life sharing the gospel. I am grateful to God for allowing me to visit the field in Brazil and calling me into the Gospel ministry.

Since becoming an adult and entering the pastoral ministry myself, I have been privileged to have several of the current BFM missionaries in my own home. While I am impressed with the system used to support the missionaries, I am more impressed with the missionaries themselves. Without quality, God-called missionaries, the best support system in the world will fail to produce disciples of Jesus Christ. I, for one, do not support a system. I support men and women of God who are doing the work of God.

I guess that I must confess I love BFM, because I love BFM missionaries. Ilove BFM missionaries because I know they love my

Lord. Their faces always light up as they tell me of the Lord and the work He is doing among them. I love BFM missionaries because I know they love the Word. They study it diligently and they preach it faithfully. I love BFM missionaries because they love the lost. They endure hardships and work hard to see that the gospel is clearly proclaimed in their area of service. I love BFM missionaries because I know they love the saints.

Each one is gentle, thoughtful and kind. I never walk away from one without being encouraged and edified and inspired to work harder to build our own church so that we might be better able to support them in the work they do with love and passion.

I suppose we all grow up with heroes, people we admire, respect and want to emulate. Apart from my father and grandfather, my heroes have always been my pastors (esp., James Hamilton and John M. Hatcher) and BFM missionaries. I cannot thank God enough for allowing me to grow up in a home and in churches that saw the value of having BFM missionaries around. Soon, the second of my two home pastors, John M. Hatcher and his wife Judy, will be joining the ranks of the BFM missionaries as a missionary to France. I suppose I will have to love BFM missionaries even more than I do

As a Christian, the Scriptures teach that I have been charged with a solemn duty to the cause of Christ around this globe. As long as God keeps me ministering within the boundaries of the United States, I am obligated to seek out missionaries who will go for me and extend the cause of Christ beyond the borders of my own country. BFM missionaries extend the ministry of God into places that I cannot presently go. Therefore, it is my job to pray for, give to, write to, visit with, encourage, edify, honor, help and love them in any way I can until Jesus returns or He sends me to be one of their number, whichever comes first. If you are a Christian Vicinia Vollage to the sends me to be considered to the constitution of th tian, YOU have that SAME responsibility. If we do less, we dishonor Christ. May we never dishonor Christ and may we always support those who go for us. In Him,

Several Souls Saved . . . Need For Property To Build On . . . New E-mail Address . . . Problems . . .

By Mike Anderson P.O. Box 4150 Kitale, Kenya, East Africa Phone: 011-254-325-31316 E-mail: manderson@net2000ke.com

Dear Friends,

March 31, 1999 We continue to be challenged in the ministry here. This past month, six people professed faith in Christ as a result of the preaching of the Word of God in our church services. Pam and I are teaching our only two Sunday School classes. Pam teaches all the children and I teach the adults.

We are now preparing for Youth Week (like Vacation Bible School in the States) coming up April 5-9. We plan to meet at a nearby public school because the place we rent now is too small. Lord willing, we hope to have about 120 children during the week. Please pray for our Youth Week that the Lord would be pleased to give us

many souls for Him. The Lord seems to be opening the door for us to purchase a choice piece of land for our church. It is located near where we meet for church now. Even with the funds we have raised from the gifts of our friends, we still need an additinal \$2000 just for the land. We, and

the church leaders, believe this is where the Lord would have us to build our church, so we are going to trust the Lord for the rest of the needed funds, in His time. Later, as the Lord

provides, we will build a church building.
Unfortunately, we have been having some problems with our computer. The phone lines here in Kenya fried our modem. So we hope to be back on line when we finally get a new modem card next week. Also, we have a request. We had a man fix our computer, but in the process, he deleted our address list in our empil program Also, we have a new house a per whom a program Also we have a per whom a per wh

in our e-mail program. Also, we have a new e-mail address. Please note this above. This address will allow us to have internet access although we will not use it much, as the phone lines here are bad. We would like to prione lines here are dad, we would like to receive an e-mail address from at least one person in each of our supporting churches, so that we can send updates more often. Also, if anyone would like to receive our email prayer letter, please send us your e-mail

Our former Pastor continues to cause us problems. Instead of responding properly to church discipline, he hired a lawyer, and he has tried to take us to court. Pray for us con-cerning this matter, because it has consumed a lot of our time.

Continue to pray for our church. This past month, Pam and I began teaching a men's and women's Bible study. I teach the men on Friday evening and Pam teaches the ladies every Saturday afternoon. We are both teaching on how to have a Christian home.

Pam and I can sense that many of you are praying faithfully for us and we really appreciate it. We could not do what we are doing for our Lord here in Kenya without your prayers and support. Thank each of you so very much for bringing us before the Throne of Grace. Throne of Grace

Faithfully yours in Christ,
Mike and Pam Anderson
P.S. We just received a letter from our former
pastor named Hesbon Isinga. He wants to sue us for over \$1000 in American money. Hesbon took this action after we disciplined him for problems he caused in the church while we were in the States. Please pray for us more than ever. We are claiming the verse, Greater is He that is in you, than he that is in the world.

Brother Creiglow's Report . . .

By Bobby Creiglow 44 Brandy Chase Blvd. • Winter Haven, FL 33880 Phone: (941) 291-4104 - E-mail: bob4bfm@aol.com

Dear Brethren,

Since the first of the year I have been tied up with my doctor with what I thought would be just a routine checkup. The doctor wanted to treat me for some skin cancers and after that he wanted me to have some other tests. That is now all behind me and he said I am in pretty good health, so perhaps I can now get back to work.

Last month I mentioned that we would be visiting Brother Elton Dunbar

and the Concord Baptist Church. Brother Dunbar is a prince of a fellow and he and the Church have been faithful supporters of Baptist Faith Missions for many, many years. We express our gratitude to all these brethren for their financial support and for their love expressed toward Betty and me. Last month I also told about plans to visit Brother Tom Solosi and the Ella Grove Baptist Church in Glennville, Georgia. This visit was also realized and I presented our video to the church. Brother Tom said he has seen five hundred presentations of mission works, but that was the best one of all. We had a glorious time with all of them and we give them thanks. and we give them thanks.

and we give them thanks.

I stated in a previous letter that living in Florida has not proved practical and that we thought it best to move to a place more centrally located. A few days ago we went to Richmond, Kentucky, where Bobby and Sandra Greene were so kind to take a day out of their busy schedule to help us house hunt. We rented one side of a duplex and plan to move on April 12th. Next month I will give you my new address along with our new phone number. I thank Pastor Greene and the Calvary Baptist Church for giving me the opportunity to preach both services last Sunday. We also thank them for their generous love offering.

Baptist Faith Missions is progressing and that means we need the churches that already support the work to consider increasing their monthly offerings. We are also soliciting support from new churches. Let us labor together for the advancement of the Kingdom of our Lord.

Yours in His service, Bobby D. Creiglow

Starting Mission In Belem ... School Enrollment Up... Twenty-Six Missions . . .

Presently, the focus of the work here is directed to the new mission that is being started in Belem, capital of the State of Para. The Church is sending two families to start the work. Missionary Carlos Chaves' family and José Souza's family are moving to Belem; and, by the time you read this, they shoud have already started the ministry there. Belem is a metropolitan area with a population of 2 million residents. This ocean-port city, situated where the Amazon River meets the Atlantic Ocean, receives ships from all over the world. Tabernacle Baptist Church is underwriting the support for these families and the rental of an auditorium for services. Join forces with us in prayer for this great opportunity. This is another step to organize churches in each state of Brazil. We're excited because we consider Belem the doorway to the northeast of Brazil which should be our next great thrust in missions.

The new school year is a blessing. The enrollment is up seventeen percent from the previous years. This is especially significant considering that many private and church schools

enrollment due to the financial crunch and record unemployment the nation is facing. We dream and pray for the growth and preparation of this genera-tion, grounded in the Scriptures and ready to reach Brazil with the gos-pel of Jesus Christ.

Wanda is doing fine. We were blessed with two special events this season. Judson, our middle child, was wed to Raquel Brito; they have known each other from high school days. Raquel's parents are Brazilian missionaries to the Amazon Indians with New Tribes Mission of Brazil. They were wed January 8th here at the Tabernacle. Raquel is a psychologist. They will be in the USA until they finish

Also, Mrs. McGary, Wanda's mother, visited us here in Brazil. It had been twenty-two
years since her parents had visited with us here in Brazil. We were delighted to have her with us even if for only a short stay. The church people here were most pleased to meet and

get to know Wanda's mom.

All the missions, twenty-six now, are growing and many being saved and baptized. Even with all the outreach and growth, it seems so little in sight of the millions who do not have the gospel. Please pray for the workers.

We are very grateful you have chosen to invest in missions, especially in Baptist Faith Missions. I thank you. I also request that you invest even more, so it can be added to your account in Heaven, where inflation cannot decrease it and disaster cannot take it away from

Report From Brazil . . . Seeking God's Leadership About A New Work . . .

By Bobby Wacaser 7508 S. Watterson Trail • Loiusville, Kentucky 40291 E-mail: bwacaser@msn.com Ph: (502) 231-6448

Dear Friends.

April 5, 1999 Charlene talked to one of the pastor's wife down in Curitiba this past week and got some excellent news. All of the workers have been progressing steadily in their individual responsibilities. They say that they are anxiously awaiting our arrival, but they are keeping up the work none-

The church voted to help one of the leaders pay for their course in music studies. Brazil is a very musically oreinted country and this ministry opens many doors of opportunity to reach people who wouldn't otherwise go to church. Another advantage of having musically trained leadership is that they can then train other team leaders in the churches to provide music for the new outreach ministries.

Maybe the most emcouraging young man is Eder. He is twenty-two years old, works a forty hour week on a secular job, co-pastors a church and pays for his own seminary studies of sixteen credit hours. This kind of dedication is not uncommon for our people and they are such a challenge and source of encouragement to us. I pray that we will be favored of the Lord to have others with this level of dedication to God.

I can hardly wait to get back with them and begin the new works. We are praying and seeking God's leadership about where to establish our preaching points. I have mentioned in previous letters the neighborhood of Diadema and our desire to set up a work there. There are no Baptist churches in this neighborhood of over 40,000. We have a team prepared to get started there and plan to do so in early July. I have spoken in several churches here in the U.S. and have mentioned our plan to place a couple in that community in a house adapted to hold large Bible studies. We have received some specially designated offerings toward that project for which we are very thankful. I want to personally thank Pastor Wayne and Sister Olena Brickner of the Calvary Baptist Church in Piqua, Ohio, for their generous gift toward this work. toward this work.

I still have one more month of studies at Southern Seminary to complete before we depart for my family's place down in Florida to begin packing and shipping. The studies have been very advantageous to me, and I believe we'll be able to do a more efficient job when we

Charlene and the children are all well and we are enjoying the springtime in Kentucky. We are also looking forward to the opportunity to see some of you in the near future at your churches. We are thankful for the hsopitality, offerings and prayers of those of you whom we have visited. May the Lord bless you for your kindness.

First Mission Trip In New Boat ... Thanks To All Who Helped ...

Cruzeiro do Sul, Acre BRAZIL

Dear Brethren Probably the most important, really new news is the "maiden voyage"

of the new boat and motor.

of the new boat and motor.

The new boat and motor finally arrived! It took me about a week to get all the steering, instruments, bilge pump, seats, floors, locker and all those other little things installed. I also had to make three different test runs to get all the kinks worked out.

Two weekends ago I took it up river on the first mission trip. One of my preachers, Claudomir, went with me to visit the work at Pucalpa. This was a perfect first trip for the new boat. Not too far away (I am still breaking in the engine), yet lots of good things to report.

new boat. Not too far away (I am still breaking in the engine), yet lots of good things to report.

We left early Saturday afternoon. The river was going down fast, so we had to back the trailer down to the edge of the mud, take the boat off and slide it over the mud to the water. Those of you who know the Jurua River know that there is not much difference between the mud and the river water. There is quite a difference when launching a boat. Getting it into the water was not much of a chore. Getting it out is another matter. Anyway, we arrived at Pucalpa in just one hour. Later that afternoon we had a major tropical storm. We dedicated the band new building that evening. The building was packed with well over 100 people.

The next day we had even more people for the morning service. I taught on baptism, then followed by baptizing 9 people. These were of all ages. One lady is quite old and it was interesting to try to get her down to the river and settled for the baptism through all the mud. Actually baptizing with mud up to my hips is very easy. Once the candidate is in place, he can't fall, slip or struggle to get away from you, as is the case sometimes in a baptistry!

The return trip was uneventful, but there is one more detail about the arrival that you might enjoy hearing about. Before departure on Saturday I had asked my secretary to round up some of the men from the church to help me get the boat out as soon as we got back to Cruzeiro. When we were about 10 miles from home, I whipped out my cell phone and called ahead to let them know about what time they should come to the port. That is sort of a new technological twist to the river ministry. Dad and my sons there in the States will probably get a chuckle out of that! Twelve men from church were there waiting and it was easy to pull the boat up through all that mud with that many men. It would have been a major operation if I had been by myself. Thank God for faithful and willing help.

Thanks to all of you, churches and individuals, who have sent in offerings for the new boat and motor. It is a real blessing. Did I mention that it burns 50% less gas than the same size 2 cycle motor I had before? Thanks so much.

If you didn't get in on this project, don't despair. I still have 2 payments to make on the boat, a jet drive to buy for the motor and a few other accessories to buy. The stainless steel prop that is needed will cost \$350.00. Go ahead and send that offering anyway! Mark your offering Mike Creiglow Boat Fund. Fortunately, the boat is here and in use, but I still need your help.

Tomorrow evening early I leave on the first long mission trip in the new boat. I will be between the first long mission trip in the new boat. I will be between the first long mission trip in the new boat. I will be between the first long mission trip in the new boat. I will be

Tomorrow evening early I leave on the first long mission trip in the new boat. I will be taking a young missionary candidate to see the field at Foz do Breu on the Peruvian border. This trip will take us over 300 miles up the Jurua River into the jungle, to the last village in Brazil. Pray with us. We are hoping that this is God's man for our little mission point there. Thanks for all of your prayer and support. May God bless you.

In Christ,

Excited About Institute Class... Satan Attacking On Many Fronts . . . Good Reports From Church . . .

ear Friends, April 1, 1999 Thanks for your prayers! My wife, Anita, is back home and life is start-Dear Friends, ing to get back to normal for us. Of course normal is the beating and banging of construction noise we have lived with for the past year. A few more weeks and it should be over. This place is really looking nice. I'm very excited about having the Institute classes in our new facilities. The next class starts in two weeks. Pastors from all over Peru will be attending. The

theme of this class will be personal evangelism. I've worked hard and long hours preparing the materials for this course and Satan has fought me each step of the way. I've experienced hard drive crashes, power failures, lost files, you name it. But everything is just about ready. I feel Satan has fought the preparation of this material so hard because he knows the impact it's going to have on cities all over Peru. Please pray for this next class that the pastors that will attend will catch the vision and be able to use the training they will receive. May Jesus be lifted up and expliced all over Peru, se His geoppl presses is sent forth with powered. be lifted up and exalted all over Peru as His gospel message is sent forth with power and conviction. Thanks for your prayers.

I baptized three this morning into the fellowship of the Fifth Baptist Church of Huánuco. This is the church where Anita and I work each Sunday morning here in Huánuco. This week is called "Holy Week" here in Peru. It's Easter time in the States. Most of the stores are closed down for a few days and most of the Baptist Churches traditionally have special services each night of the week. The Fifth Church has a church outing today and invited me to baptize for them. The work is growing steadily there.

The Ebenezer Mission in the capital city of Lima is finishing up the second floor of their rental property. I sent them enough money this past month to finish the roof. I haven't been to check on the work for the past two months, but Pastor Carlos Estabridis keeps me informed of the progress. I hope to get there the end of this month.

The Faith Mission in Huaral is also reporting good services with new visitors in almost each service. Pastor Carlos Gonzales is doing a good work there.

As you can see, the Lord continues to bless us here in Peru, South America. Remember to

give to the General Fund of Baptist Faith Missions and also the Stanton Building Fund. May God continue to bless each of you. Until next month.

By Harold Bratcher Caixa Postal 227 69.100 Manaus, Amazonas Brazil, South America, Brasil, America do Sul Tel: 011-5592-611-2331

Dear Brethren,
Once again, I am serving the Lord and my brethren in the Beloved as Pastor and professor. Read on to learn more details please.
March 6 - Tonight I preached to some 40 people at the Manancial Baptist Church where Paulo Moises Correa de Melo is the Pastor.
March 7 - This a.m. I preached to 32 at the 29th of March Baptist Mission. Tonight I preached to 47 at the Vessel of Blessing Baptist Mission where Manoel do Carmen Lima Bezzera is the lay preacher.

March 8 - Tonight I preached at the Beautiful Garden Baptist Church to some 50 people. The church was celebrating her 30th anniversary and gave me an offering to send to Baptist Faith Missions (U.S.A.). Adilson Miranda is the Pastor.

March 14 - I preached at both services at the 29th of March Baptist Mission.

March 20 - Marie and I attended tonight a special service at the Compensa II Baptist Church.

Fransisco Barbosa de Freitas is the Pastor there. I preached to several couples on the family at the altar of God.

When we returned to the house at around 21:30 we discovered that we had some unwanted and undesirable visitors - robbers! They left the house looking as if "someone" had been searching for jewels and money. They pulled out drawers and opened doors scattering everything on the floor. The worst shock we received was the white paint all over the floors. They had poured out nearly a gallon of white paint at the door they broke into, then they stepped in it and came into the house. One of the robbers left his old tennis shoes in our bedroom and left Harold's tennis shoes on top of our bed. They found about a hundred dollars in Brazilian money and took three tie clasps that were given to Harold shortly before we left Richmond. They also found two rings - not gold - of mine and other little things. We are thankful no clothes were taken except a pair of sandals I wore in the house and in the yard. Now we are in the process of having new doors made and some others reinforced. We thank the 14th of December Baptist Church for the special offering they gave us to help with the expenses. We hope we will not have to go through with anything like this again in the near future. Any of you who have gone through this know how we feel. Due to many being out of work because of the recession, there are now more cases of violence and robberies during the day as well as night. We request your prayers for us and for the Missionaries world-wide. (This paragraph written by Marie Bratcher).

March 21 - This morning Marie and I attended and I preached two sermons this a.m. at the 29th. Tonight I preached to an estimated 175 people at the Mount of Olives Baptist Church where Osvaldo Rodrigues is the Pastor.

March 24 - Our son, Asa Mark, and Lucianilda and Lucy Marie, took Marie and me to a restaurant to celebrate my 72nd birthday. Marcia, our oldest granddaughter, had to attend school. Thank you Asa Mark and family and thank

Baptist believer.

March 25 - Tonight I led a special service with 17 of us present at the 29th.

March 27 - This afternoon, the Women's Missionary Society celebrated with Marie's birthday early and mine 3 days afterwards. Tonight the 29th was organized as the 24th of March Baptist Church

March 28 - I preached to some 50 at the 24th of March Baptist Church where Harold Bratcher is Pastor. Tonight I heard Pastor Ediberto Ribeiro da Silva preach. He will continue to help me there.

Thus, brethren, we have shared with you the happenings to us here in Manuas. Our message to you from Manaus is that we still need your prayers and your financial support. Please continue to give to the regular fund and as the Lord leads to us personally. We receive many, many pleas from needy persons. May the Lord bless you is our prayer. Yours in the service of the Saviour, Harold and Marie Bratcher

P.S. Thank you Miss Marcia L. Bratcher for typing this out for your grandfather.

Dear Brethren,

This has been a good month. We have had a spiritual awakening at the Altos do Coxipo Church after a period of some discouragement because of some unfaithful members. It is gratifying to see how some people grow in the Lord. It doesn't happen over night but in a slow constant pace. As we look back on the lives of most of the members as to how they were when they came to us and how they changed over the past two years, it is a marring.

The Boa Esperanca Church has about 20 awaiting baptism. The other 4 churches in the area are all doing well.

We are beginning to think about our furlough time in June. We must install a pastor in our absence. We have a young preacher of the church that will take care of the work on Wednesdays and will teach the adult Sunday school. We have asked the Assistant Pastor of the Primavera Church to preach here on Sundays while we are gone. When we are away we are able to see how prepared the preachers are to take over.

On Friday I will go up to Novo Diamantino and preach a 3 day meeting. The new pastor there is very dedicated, makes some mistakes in dealing with the flock, (is dictorial as most preachers are at their first church), but is doing a good job over all. We have reserved a flight to the States for the 3rd of June. Ursula will try and have her surgery the end of June. Next month I will give our temporary address and phone number in West Kentucky. God bless all of you.

Many Decisions At Bible Camp ... Two Missions To Be Organized Into Churches . . .

Dear Brethren,
March 29, 1999
The highlight of this month was the Christian camps that we attended

The highlight of this month was the Christian camps that we attended and spoke at during the Carnaval (Feast of the Flesh) season. Late Friday afternoon, February the 12th, the family and I traveled by car for about 4 hours to the Christ the Redeemer Baptist Camp. There were over 400 people present from around 18 churches, mainly from the interior. I spoke four times (Saturday and Sunday, morning and evening), from the book of Jonah. The Lord blessed with a great spirit and over 110 decisions, 35 of those being professions of faith. Then early Monday morning we left to return to Manuas, stop by the house and then travel-to-our church's camp where we stayed until-Wednesday afternoon, ministering to our young people.

We have been having good services at the church with several decisions and some 10 that have come by letter from other churches. We are working to get everything ready to organize our mission point at the Mutirao into a church next month. Then in the month of April we plan to be in the interior for almost a week, and in May we hope to organize our mission point in the village of Amatari on the Amazon River. Do continue to pray and give so that we may be able to do all this before our short furlough in June. Details of these activities will follow in the next MS letters. Until next time.

Visa Problems . . . Alarming Information . . .

By Paul Creiglow 355 K Street Brawley, CA 92227 (760) 344-2537

March 29, 1999

I wish I had some good news to tell you about Brenda's visa situation, but unfortunately, that's not the case. We submitted all the paperwork requested only to be told this month that there had been some changes and we needed more documents. When the documents were ready we went to the consulate to pay the necessary fees and were told that there are now income requirements for everyone requesting permanent visas. Are you sitting down? They say we need \$2000.00 per month for husband and wife, and \$2,000.00 for each child. For our family that's a monthly income of \$12,000.00

per month! You need to understand something; this goes far beyond our situation. If Brazil sticks to these guidelines BFM will never send another missionary "family" to Brazil, only

single adults or couples without children. We've submitted the paperwork, now all we can do is wait. Needless to say, we need all of you to join in prayer concerning this matter. We serve a miracle working God and we're asking God to work a miracle for us.

The news from Cruzeiro do Sul is very encouraging. The youth ministry is continuing to grow and the teen leaders are doing a fantastic job. They have just completed our 12 week discipleship course "Impacto" with another group of teens and, from what I understand, they have another group signed up and ready to start. They are preparing for camp in February, so please keep them in your prayers. We are so proud of them for their dedication to the Lord's work and their willingness and desire to reach the youth of Cruzeiro do Sul.

DON'T FORGET THE **WORK HORSE FUND**

This is the General Fund. Out of it comes the missionaries' salaries, expenses, travel, medical, cars, etc. It has not kept pace with rising costs. It needs to increase so that our missionaries might have what they need.

Please consider increasing your offerings.
