NEW MISSIONARIES TO FRANCE

Introducing John Mark and Judy Hatcher. At this time they are in France on a fact-finding tour, seeking the will of God concerning where He would have them begin to work. They will then return to the States to finish up things they need to do here before moving to France. During this time they will be available to visit supporting churches and churches interested in Baptist Faith Missions. They can be reached at 1-812-867-7066.

JOHN MARK'S TESTIMONY AS TO HIS SALVATION: I received Christ as Savior in November of 1959 in the home of my parents. Having been under the conviction of the Holy Spirit for several months, I inquired of my mother if she thought I would ever be saved. It seemed out of reach to me. She kindly and clearly explained God's provision and offer from John 3 including the illustration of our Lord Jesus from the serpent in the desert. I joyfully and tearfully received Christ as Lord and Savior as the provision for my sins and sinfulness and immediately found relief.

The day of my conversion was a Sunday afternoon, and that evening I publicly professed my faith in Christ before the Tabernacle Baptist Church of Manaus, Brazil. I was baptized a few months later into the fellowship of this church by Pastor Francisco Santiago, who was the first convert of Joseph Brandon in Brazil.

JUDY'S TESTIMONY AS TO HER SALVATION: On April 11, 1953, I was born to James and Pansy Foster. My parents were active and faithful to the Lord's work at First Baptist Church, South Shore, Kentucky. They were consistent and diligent to teach me the ways of God. From birth I heard the message of the Bible. However, as I became aware of my personal need to trust Christ, I decided that I would come to God my way. I remember planning and scheming "my" way. On the inside, I was a miserable little girl. On a Sunday morning service at our church I remember only one sentence spoken by our Pastor, Ed Lawson. He posed the question, "When you stand before God and He asks you, 'Why did you reject my Son,' what are you going to say?" At that moment I knew I had no answer. At the invitation I went forward and my Pastor, Ed Lawson, explained to me the good news of Jesus, using John 3:16. That day I stopped planning "my" way and trusted Jesus as the only way and accepted His payment for my sins. I was baptized about 3 weeks later in November, 1963, by Pastor Ed Lawson into the First Baptist Church, South Shore, Kentucky.

Objectives And Plans For France

Our purpose for ministry in France is to fulfill the Great Commission by:

1. Seeking ways to build bridges to the unsaved. We have a number of ideas for these, but will have to wait until we are more familiar with the culture and region to know exactly what means we will use.
2. Share the gospel primarily through relationships that develop, but also through any means available. The most effective way that we have used with adults is Bible Studies. These have been very effective in our ministry in Evansville over the past 14 years.
3. Develop ministries that reach to children, such as clubs.
4. Baptize those who profess faith.
5. Train through personal tutoring and public ministry those who get saved so that they become adept at studying and applying the Word of God to their own lives.
6. Teach and show those who are saved how to use natural bridges to reach their friends and families with the Gospel.
7. Teach and show those who are saved how to build relationships for the purpose of sharing the gospel.
8. Organize believers who are disciplined into churches.
9. Develop teams of leaders for each church.
10. Develop teams of leaders to become missionaries.

At the present, we are planning on settling in the city of Toulouse in Southern France for the first stage of our ministry. The first order of business will be to complete our study of the French Language in order to speak as well as possible. We are hoping to team up with veteran Independent Baptist missionaries, Robert and Debbie Lugar. They have been instrumental in starting 3 churches in northern, western and southern France. We believe that we could learn much from them as we learn the language.

It is our understanding that in order to get a visa to live in France we will need a guarantee of support from the U. S. This would need to be provided by Baptist Faith Missions if I am accepted to go out with you. Also, a religious organization from within France needs to invite us to serve with them. Dr. Lugar indicated that they can arrange for this.

JOHN MARK TELLS OF HIS CALL TO THE MISSION FIELD

In college I began preparing to be a medical doctor. I did not sense any call to special ministry, but had a desire to see folks saved and thought that as a doctor I would have a great opportunity to witness either in the US or abroad. I had often told the Lord that I would be glad to serve in any capacity in which He placed me, including as a pastor or missionary.

During my junior year, while in a prayer meeting, the Spirit of God spoke to my heart something like this, "You know that I do not want you pursuing medicine, but preaching the Gospel." Praying about this led me to conclude that I should make a change of direction and I publicly shared with the church where I was a member that I was "called to preach."

I changed majors and received a B.A. from U.K. in Secondary Education with a Major in Biological Sciences and a Minor in Chemistry. At the conclusion of my studies, my home church in Brazil asked me to serve as interim pastor for a year. Judy and I moved back to Manaus where we lived and served for a year and four months.

As I anticipated the conclusion of our ministry at Tabernacle Baptist Church, it had been my desire to return to the U. S. and have an itinerant ministry to youth. I wanted to use my knowledge of the Bible and Science to bolster their faith and encourage them to witness for the Lord. However, as this interim pastorate came to a close, the Lord impressed upon me that it was His will for me pastor in the U.S. A couple of months later, to my surprise, my brother, Paul Hatcher resigned from Morgan Ave. Baptist Church (now called Emmanuel due to relocation) to serve as a church planting missionary in Brazil. When I received this news, the Lord impressed upon me that this church would call me and that He wanted me to serve there. The call came and I accepted.

When I came to Morgan Ave., I viewed my ministry as that of a "Timothy." The goal that God laid on my heart was to get the church on a firm grounding and leave established leaders in place. I knew that when this task was accomplished, I would move on to build up another weak church or to evangelize and plant a new church. What I thought would be 3 or 4 years stretched into 24.5. God molded my life as well as the church. We learned to seek His wisdom and strength in order to evangelize, disciple and train leaders.

At the beginning of Dec. 1997, the Lord convicted me through His Word that I was ignoring His plan to place leaders from within the church in place, and I immediately began praying on how to implement this. By May of 1998, the Lord brought me to two other convictions: (1) in order for other pastors to take their position in the

church, I must leave; and (2) my ministry here was over. This raised the question, "Now where do you want me to serve?"

For years I had considered several areas as fields of service, including Brazil, Romania, Spain, Mozambique and Angola. The Lord had not given the green light to any of these. During the past 3 years, the Lord placed me in France twice. I had not started out planning to be there either time and had no particular love or attraction for the country of France, the French people or its language. However, God divinely ruled to bring me into contact with these people and impressed upon me their lostness. There are only 6,000 Baptists of any kind in all of France, which has a population of over 57 million. That is a ratio of 1 Baptist per 8,630 Frenchmen. Contrast this to the United States where this ratio is 1 Baptist per 10 Americans. Only 0.6% of the population is "evangelical," this includes all charismatics, Pentecostals, etc. Only 1.7% of the population belongs to any kind of non-Catholic "Christian" denomination. Nearly 20% of the population are irreligious and 5 million are Moslems. France is one of the most needy countries in the World.

Although France is reputedly one of the coldest countries of the world toward the gospel, it is for these spiritually blinded peoples that God has given us a passionate burden. We believe that He has been preparing us for this ministry all of our lives. Emmanuel Baptist Church has enthusiastically, though mournfully, set us apart to serve as proclaimers of the gospel to France. By God's grace, we plan to move to this field at the end of the summer of 1999.

The Lord has prepared us in many ways for this ministry. We have had the privilege of serving in Brazil and the U.S. with good results for 26 years. We have been used in the salvation of scores of folks and worked to disciple them in Brazil and especially here in Evansville. Emmanuel Baptist Church now has about 180 members even though the church has a policy of removing non-active members and just recently organized a new church out of this church. There are several pastors serving who were disciplined under our ministry here, including Philip Hatcher at Emmanuel Baptist Fellowship (new church on the West side of Evansville), John E. Newland, Tom Fallwell, and John D. Newland at Hitchins Baptist Church. Several others are in preparation at this time. Over 70% of the church membership have made professions of faith here and were baptized into this church rather than joining by transfer. At the beginning of our ministry the church had a membership of 30 including 5 men, 8 women and 17 children. Its annual

giving was about \$8,600.00. During the past several years the annual giving has averaged \$167,000.00 per year including an average of \$62,000 to missions each year. The present facilities on 10 acres are debt free. Emmanuel Baptist Fellowship, recently organized out Emmanuel Baptist Church, is self-supporting. Members disciplined through our ministry here serve in a number of regular evangelistic outreach efforts. Services are held in nursing homes. Children's clubs meet weekly at five different locations. These reach about 100 children outside of our church families. Thirteen home Bible studies meet in homes each week. We believe that God has done great things and taught us much about making disciples, and we believe that we are still in school and have much more to learn.

We have completed the equivalent of 2 college years of French through personal study and at the University of Southern Indiana.

President's Comments . . .

In the early 1940's, Missionary Joe Brandon, who had gone to Brazil in 1922, found himself without a base of support. He went to Wheaton, Illinois, where he met with Brother H. H. Overbey and Z. E. Clark to pray and talk with them concerning the future of the work in Brazil. After much praying these brethren entered into an agreement that if Brother Brandon would return to Brazil Brother Overbey and Brother Clark would do what they could to raise his support. Brother Brandon was to write a letter each month to Brother Overbey who would make copies of it and mail it to interested churches and individuals. Brother Clark would serve as treasurer of all funds sent for the work. Thus it was that Baptist Faith Missions had its humble beginning. These three men have long since gone to glory, but the vision they had of missions in Brazil and other places of the world has been a reality for over fifty years. Although it has never grown as large as we would like to see it, its growth has been steady and many thousands of souls have been saved, hundreds of churches and several schools organized. The work has spread until missionaries have been sent not only to Brazil, but also to Peru, Korea, Honduras, the Philippines, Korea, Kenya, and we will soon be sending our first missionary to Europe, as John Mark and Judy Hatcher will be leaving for France.

Each year, in memory of the three men who were the nucleus of B.F.M., we designate June as Founder's Month and ask that our supporters give a special offering in their memory. While this offering has never been as large as we hope for, it is showing a steady growth each year. Summer months usually put a drain on our treasury as the offerings are usually down, but not the expenses. Again this year we need a special offering to help us through the summer. Will you pray about giving a special offering in June in memory of the three men who over fifty years ago felt led of God to do what they could to get the gospel to those in other lands? If every supporter would give even a small special offering, it would greatly help.

As stated last month, in order to do a better job in our work for Baptist Faith Missions, we would be moving to be more centrally located. PLEASE NOTE OUR NEW ADDRESS ABOVE. We are moved in, settled down, and ready to get back to work.

Pastor Bobby Greene and his wife Sandra were very helpful in our search for a house to rent. Bobby drove my car as Sandra sat in the back seat with her cell phone telling him where to go and how to get there, (back seat driver, normal for women), but it got the job done. After looking at only four places, we rented what we think is just perfect for us, just about one half mile from I-75. On our second Sunday in Richmond, Betty and I joined the Calvary Baptist Church where Brother Greene is Pastor. This church will sponsor our work with Baptist Faith Missions and we will work under their authority.

Pastor Ed Massey of the First Baptist Church of Science Hill, Kentucky, was on his way with his family and moving van to move us from Florida, but just south of Atlanta they blew the engine in their truck. I rented a U-Haul; they came on to Florida in their Grand Cherokee pulling their camper and moved us to Kentucky. We want to thank the Greene's and the Massey's for their great help.

Brother John Hatcher and I are to go to the Atlanta area this Thursday to meet with Mission Pastor Chris Holdorf of a large church in that area. We hope Baptist Faith Missions can be a big asset to their work and they to ours.

Pray for us that we might follow the leadership of the Holy Spirit to do His will, and that the Lord would bless our ministry to be fruitful.

In His Service,
Bobby D. Creiglow

Dear friends,

April 26, 1999

Greetings from Kenya once again! We hope you are enjoying the Spring weather.

Last Sunday, Pam had about 80 children and teenagers in her Sunday School class. She does a great job preparing and teaching. The youth love her, especially with the different assortment of games she has them play to review the Bible lessons. I teach the adult class. We have to meet outside, because we only have one room in our church. Last Sunday, we had 21 people in our class. In church, I am preaching a series on the Ten Commandments. This past Sunday, I preached on the second commandment, about not having idols. Thank the Lord, three people came forward to receive Christ as their personal Saviour. The Lord is so good to bless our church. We had 104 people in the morning worship service.

After church, we and the church leaders had to deal with a lady in our church concerning gossip. She wrote a letter in the church's name, and told this other lady that she and her family were not invited to our church. This was, of course, not true! We found out that the lady that gossiped had had a dispute with the other lady. Thank the Lord we were able to work things out between them, at least for now.

Also, we had a talk with a pastor on Sunday afternoon, who is in the same group that our former pastor, Hesbon, is in. He wants to work things out between us. I told him that we would talk with Hesbon, only if he will drop his suit against us, and not try to take us to court. So pray that this pastor will help us to bring our problems with Hesbon to an end.

This past week, we had a lady in our church (she is our Swahili teacher) who had a baby. Pam was there with her during the delivery. The baby boy was premature by 2 months. Here in Kenya, they do not have much equipment to keep a baby like this alive. They had to use hot water bottles to keep the baby warm during the night. Unfortunately, the next day, the baby died. So, I had to take this baby and his mother way out into the bush to bury the baby at her mother-in-law's house. The Lord helped me to do the funeral. I am really doing a lot of things that a pastor in the States would do, and then some that only missionaries do.

Pam and I plan to move into a new house here in Kitale this week. Our mailing address will not change but we will have a new phone number: 011-254-325-31765. Pam and I would love to hear from you when you get a chance.

Take care and God bless you.

Love in Christ,
Mike and Pam

Dear Friends,

April 29, 1999

While Alta is washing, packing and getting ready for another trip, I am resting, reviewing and getting a note off to you. April was a wonderful month. The Spring Missionary Conference at Thompson Road Baptist Church was a spiritual blessing for all attending. We were encouraged to keep on in the harvest that is white, blessed by the fellowship with those of a kindred spirit, inspired by the messages we heard, and our hearts were filled with thanksgiving to God for John and Judy Hatcher who are going as missionaries to France.

Thank you Tim Doss and South Lexington Baptist Church, and thank you Dave Parks and Thompson Road Baptist Church for the love and hospitality shown to all of us. All of you, men and women, treated us as kings. We thank you and love you.

NEWS FROM BRAZIL - Letters and e-mail from Brazil tells us that the work is going well. Several have been saved and two have been baptized. Sunday School attendance is up to about 70 and the youth meeting on Saturdays is averaging 35.

PLEASE PRAY for Gessy Stefano. This lady is the mother of three children who are faithful in the Lord's work. She is not saved. She has had her stomach and gall bladder removed (cancer) and has a growth on her backbone. Pray God will have mercy and save her.

Friends, here are the names of the four preachers in our church at Cornelio Procopio. They are godly men and fully dedicated to His work. They have given all and are faithful in their ministries. They do have needs. If you would feel touched by God's Spirit to help, financially, any one of them or all of them, you can send it designated to John Hatcher's work in Brazil for preachers. If you send it for all, it will be divided equally. If you send it by name, it will all go to that person. Their names are: Marcos, Silvio, Everson, and Valdir.

REACHING THE OTHER STATES - Baptist Faith Missions has started work in nine of the 26 States of Brazil. We are praying that God will help us begin a work in every State. We have men that can go, but financially we are incapacitated. "How shall they preach except they be sent?" As at all times during our 44 years in Brazil we need your help.

FAITH DOES PRODUCE - Are you not thrilled when you read about the marvelous happenings in the Acre where Mike Creiglow is missionary? That work was started 75 years ago by a missionary, J. F. Brandon, who is practically unknown today. The result of the planting by one, the watering by others and now the reaping is a thrilling result to the praise and honor of God.

Wouldn't you like to see that happen in many States of Brazil? It can never happen if the seed is not planted. It will happen if by faith we plant. Will you decide to help us plant?

Love,
John and Alta Hatcher

Dear Friends,

May 3, 1999

Only two more weeks and I'll be done with my studies for this semester. God has taught so many things since we've been here that we will be able to use in our ministry in Brazil. We can hardly wait to get back to begin.

We got a call from Eder, one of our Brazilian Pastors, last week. He told us that the lay leaders all want further training for ministry. They are excited about starting new works, but they want to be as prepared as possible. Last month I wrote and told about the entire youth group making a commitment to learn to play a musical instrument. Well, in less than one month two of the young ladies learned a song well enough to play in the worship service at church. Their real goal is to use the acquired skills to do outreach ministries. Plus, as we begin new churches we will need musicians for each of them. We are thrilled with the decision and vision that our young people demonstrate.

We have really enjoyed the privilege of meeting some of you at the conferences and in your churches. We are sorry that we weren't able to visit all of you, but the time has run out and we will be returning to Brazil on June 30. We had a very useful year in studies and seeing God use it to minister to others. We also had the opportunity to be ministered to by so many of you, and we are thankful.

Charlene wants to share some of the things that God has taught her:

This furlough has been very enlightening and productive. I had the opportunity to take three courses also at the Seminary Wives Institute. One of the courses that I took was "The Ministry of Hospitality." Through this class I was made aware of just how important hospitality can be as a ministry. This is especially true as a missionary. I also learned some principles on how to use this ministry more effectively. Of course, living in another culture I will have to make some practical adjustments. My prayer is that God will use our home and our witness to reach many others for Christ.

Please pray for us as we make final preparations back to Brazil. We will be in Florida for the last few weeks visiting family and friends. Thank you all for your support and prayers.

In Christ's service,
Bobby and Charlene Wacaser

Dear Friends,

This letter is a little early this month because I am leaving for a ten day trip. Pastor Carlos Gonzales of our mission work in Huaral was placed in the hospital yesterday. I'm traveling there first to check on him and then on to the northern jungle town of Iquitos for four days of classes with the brethren there. It is my largest class with over sixty enrolled. The course will be on personal evangelism. From Iquitos I fly to Pucallpa to take care of some legal matters and also to conduct a weekend seminar for the churches out there. Then it will be home on May 3rd after an eleven hour bus ride. Since the construction here in

Dear Brethren,

Greetings again from Brazil. We are busy as usual. I preached at the Faith Baptist in Varzea Grande to a packed house and a 12 year old boy was saved. I preached at the Boa Esperanca church in a special Thanksgiving service acknowledging the graduation of two of our pastors from college. This helps them be able to get better jobs to supplement their church income. I just got back from the church in Novo Diamantino where they had their 10th Anniversary service that the church has been organized. We had the honor to participate in that along with Bobby and Mike Creiglow. It sure doesn't seem like 10 years have passed since that took place.

The work at Primavera is being blessed. Brother Jairo, the Pastor, is really growing in the ministry. The Lord has blessed us with some good Brazilian pastors who love the Lord and the truth. All have their strong points and some weak ones just like the rest of us, but all are dedicated and consecrated. We praise the Lord for that. The work here at Altos do Coxipo has 2 growing. Both of them work in business that demand much of their time, but they are faithful to the work of the church. One in particular is really growing in the work and the word.

We will be leaving the work in the hands of one of our ordained men, Brother Agostinho, while we come to the States. He will especially be here on Sundays. The young preachers will take care of Wednesday nights, etc. We only have one month before we leave for the States. After the 15th of May, please send all mail to the following address: Harold M. Draper, Route 1, Box 257-C, Bardwell, Ky. 40203. Our phone number will be Area Code 502-694-3311. Also we will be off the E-mail until further notice after the 30th of May. We hope to see many of you while in the States. Pray for us as we make preparations for the trip.

Yours in Him, Harold Draper & Family

P.S. - We had a young 18-year-old boy saved this passed Sunday night!

God Is Blessing . . . Satan Is Fighting . . . Many Souls Saved & Lives Changed . . .

By A. J. Hensley
Caixa Postal 182
Garca Sao Paulo 17400
ajbarb@iname.com

Brothers and Sisters,

Here in Garca Brazil we are experiencing a very warm autumn. The heat makes it hard to get much done because it is very draining. But we are enjoying our time here very much. It will be hard to come home to the States and leave our kids here.

Speaking of the kids, we have 60 today and like the weather in Kentucky, if you stick around, this too will change. There are always children who need our help and there is always one more on the street. We here at the Alpha and Omega Children's Home are saying daily there must be something big going to happen because there is always something going wrong. You know how it is in your lives; when God is doing great things with you the Devil is trying to tear you down.

Here are the reasons I think we are under attack by Satan; our visitation program is going so great I need to pinch myself to make sure I am not dreaming. We continue to have decisions made for Christ; to date we have seen 349 people snatched from the Devil, and he is not happy with this. Our Church is growing by leaps and bounds and our people are getting excited about God's work. When we left here last year we were building benches for the Church because of the growth, and now we are in need of more benches. Isn't God great in his blessings? I can hardly believe God will use someone like me for His work. Our Tuesday night youth meetings are preparing to go to other cities to do mission work and we hope to be able to take them to the States next year. They are working on a presentation of song, drama, and other things to demonstrate God's love to others. Pray for them as most of them are our kids here at the Home and it will be difficult for them to get money to make their trips. First we are getting them prepared spiritually to make this kind of commitment, then we will worry about the monetary part of the journey. We are conducting discipleship classes for those who are new Christians, and also on Thursday nights we have Bible studies in one of the homes of our Church members. In these meetings we have seen souls saved and the interest of the people is great. The pictures we have included are of the Saturday visitation groups. This is not the entire group, but one group has Glenn Tolson as its leader and the other I am leading. The two men accepted Christ as their Savior; their names are Aginaldo de Jesus Souza and Reinaldo Aparecido de Sousa. Both are 23 years old. Please pray for them in their new walk with Christ. This week we visited in the home of one of our kid's relatives and presented the Gospel to them and they accepted Christ as their Savior. Afterwards we found out that these ladies were a big part of the witchcraft in our town. All of these are reasons for the attacks we are having on our work here, so every time we come to your mind please pray for us.

The auction we were expecting to have the first part of April was postponed because it was scheduled on a holiday. Now it looks like they might auction all the property at one time. There is still a need for financial help in this matter, and if you can help, please send your contributions to BFM designated to the Alpha and Omega purchase. We know if God is in it we will get the money to purchase the property, and because of this we are without worry. But we also know that no one can give if they do not know there is a need.

We always want everyone who reads this letter to know how great it is here in Brazil, but sometimes the only way you can know something is to experience it first hand. So here again is your invitation to come on down and see us, ya hear.

Five Day Trip Into The Interior . . . Preaching And Teaching . . . To Organize New Church . . .

Dear Brethren:

April 1999

What a busy but blessed month! The first five days of the month of April found us in the Amazon interior town of Codajas. I was the speaker for the Association of Baptist Churches of the Solimoes River region. There were 10 churches represented by over 300 members. It started Thursday night and finished Saturday night at the Convention Center with over 1,500 people present at the evangelistic service. I spoke four times and there were several professions of faith. On Sunday the Codajas Church celebrated its 81st anniversary. This work was started by E. A. Nelson and then organized by Missionary J. F. Brandon. I preached at both services and there were 17 professions of faith.

The next Sunday the 11th of April, I had the privilege of baptizing 12 new converts and the church received another 13 members by letter and restoration. We also celebrated the Lord's Supper, with over 400 present. Another highlight of this month was the 1st Seminar Baptist Doctrine that was held at the Gerizim Baptist Church here in town, on Saturday the 24th. There were over 120 that spent the entire day studying Baptist Doctrine and History. I was the final speaker and taught the Trail of Blood, among other subjects.

Do continue to pray for us and the work here during the month of May, as I have two short river trips planned, and the 29th we plan to organize the work at Amajari into a Baptist Church, the Lord willing. Also pray for us as we prepare to come to the States for a short furlough in June. If you would like to have us come to your church, we will be glad to try and work it out. You can contact us through Brother Orrick or Brother Art Donley at (618) 252-3913. The family is fine except for several cold and coughing spells. Until next month.

By His Grace,
The Asa Mark Bratcher Family
