Dear Friends,

May 6, 1999

We know that we are late in writing, but we are in the process of moving into another house here in Kitale. I just set up our computer last night, and thought that I would rush to get a letter off to you all. This past month of April was full of ministry for us. We still thank the Lord for the privilege and honor of serving Him here in Kenya. Many times it is not easy to live in a third-world country. Often times these people are neglected and forgotten by Christians in the West. But our Lord does not forget His people here. Pam and I are glad that we can be used by the Lord here.

The Lord has blessed, because we continue to see "fruit of lost souls" come to Christ. We also love to see our church members respond to the preaching of the Word of God, too. Many of the church members are growing and maturing in their Christian lives. We are encouraged to see the church leaders become stronger in their faith too.

I am enjoying preaching and teaching every week. Our little church continues to grow. We have new visitors coming every Sunday. Pam and I continue to teach Sunday School. Pam is now averaging 80 in her children and teenager class, age range from 2-15. I am teaching the adults, and we are running around 20. We hope to have more faithful adults in the future, Lord willing. The adult class continues to meet outside because the building we are renting only has one room. We are praying about buying land and building a church building as the Lord provides. We are thankful for those who have given to this project. However, it seems that we only have enough funds to purchase the land, for now.

One of our church members (who is our language helper) recently had a baby. Pam, being a nurse and a mother herself, was there to help encourage her during the delivery. There were many problems with the baby because it was premature. This small baby made it through the night with hot water bottles packed around it. Even though most African hospitals are not very well equipped, the personnel did the best they could, and showed a lot of care for the baby and the mother.

The next day the baby developed some respiratory problems and died in Pam's arms. I had to take the mother, this baby and part of her family out to her husband's home place to bury the baby. It took me over an hour to drive way out into the bush country to where they lived. I was glad that I could be there to encourage the family and to have the funeral.

Pam Writes About Life In Kenya . . .

Dear Friends,

June 3, 1999

Brother Orrick mentioned to us that at the last BFM Conference many people said that they would like to hear from the missionary wives, so I will try to write about African life from a wife's perspective.

Life in an African country is vastly different from the States. The first obstacle that I faced was that we were the only "wazungu" (white people) in our church. Everybody is black and comes from a totally different culture than mine. At first, everyone looked alike, but as we got to know and love them, they are different and unique just like us, with their own set of problems and joys.

Our people are very poor and many have large families. Most of our families live in one room (the whole family), which is divided in the middle by a rope, and a blanket or sheet separates the sleeping quarters from the table and chairs on the other side. All of the cooking is done outside on a small charcoal stove, and there is a community house for everyone in the neighborhood to use.

The average income is no more than \$500-\$600 a year, and 2/3 are unemployed. The Kenyans are very grateful for anything that they are given, and are very friendly and hospitable. Mike and I love to visit in the homes of our church people where we are treated so well. We are always offered chai (tea and milk) and buttered bread sandwiches. Occasionally we have mbuzi (goat) or kuku (chicken) with potatoes, rice, chapati (flat pancakes), etc.

(Please See Pam Page Two)

Pam teaching Sunday School in Swahili.

The Lord blessed during our Vacation Bible School. Our children and teenagers were on break from school in April, so we thought we would have a special week for them. Pam

Mike teaching the "Wordless Book" during Youth Week.

taught most of the young people on the life of Daniel. Pam's class made paper mache puppets and they performed a puppet play on "the three Hebrew boys in the fiery furnace." The teens performed a drama of "Daniel in the lions' den" for youth night on Sunday night in our church. The children also learned memory verses, and for their reward for the week we gave them toys and clothes that were donated by the members of Bethel Baptist Church in Lexington, Kentucky, where Brother Larry Wilson is the Pastor. Our Kenyan church thanks you all very much for your wonderful gifts.

It is unfortunate but we had to discipline by dismissing the Kenyan pastor that we had left in charge of the church while we were in the States. This pastor went before the church last February in a morning service and publicly resigned as the pastor, and then left, taking some of the people with him. The next day he hired a lawyer so he could take us to court and sue us. Since then, we have spent a lot of time trying to work out this problem without going to court. Please pray for us that this man will see what he is doing is unscriptural and not of the Lord.

Well, today is the National Day of Prayer. Hope you all will pray for us, not only on this day, but every day of the year. We love you all and thank the Lord for your faithful support. Pam and I would love to hear from you by way of e-mail or "snail mail."

Mike and Pam Anderson

Moving To France In September . . . Glad To Be With B.F.M. . . . Burdened For Souls . . .

Dear Brothers and Sisters,
Bonjour! To most of you we are not strangers. Thirteen of the first fifteen years of my life were spent with my parents on the mission field of Brazil. They have served with BFM for the past 44 years.
For the past 24 and a half years it was my privilege to pastor Emmanuel Baptist Church. This church has been an active supporter of Baptist Faith Missions. So, Judy and I feel blessed to be the first missionaries serving with Baptist Faith Missions on the Continent of Europe. The Lord willing, we will begin receiving support through Baptist Faith Missions in August and will move to Toulouse, France in September. Judy, Lydia (our youngest daughter) and I returned last week to Indiana after spending a month in France. The Lord brought to our attention a house that we can rent and move into immediately upon returning to Toulouse. It is furnished and we will be able to live in it for 10 months. This house is 900 square feet and we were able to rent it for only \$900.00 per month. Rent is high in France; however, we were blessed by not having to immediately pay \$4,000.00 up front which we would have to do if we were not sub-leasing it. In France, at the beginning of a rental contract one must pay an agent's fee, 3 months rent and a security deposit. In addition, whoever is living in the house on Jan. 1 pays the property taxes for the year. We will not have to meet this lump sum until we rent our next house in June of 2000.

We have experienced in our lives what God's Word clearly teaches in Matthew 6:33. We have confidence in the Lord that everything we need to carry on His work in France will be supplied. We praise the Lord for several churches that have already committed themselves to increase their support to Baptist Faith Missions or begin supporting Baptist Faith Missions' general fund or our special needs.

We encourage you to join the work of the Lord in France by beginning or increasing support to Baptist Faith Missions. The General Fund provides the following to each missionary per month: Salary - \$1,485.00; housing allowance - \$250.00; work funds - about \$500.00; health insurance. In addition, \$8000.00 is provided toward the purchase of an automobile at the beginning of the missionary's service and again every four years. Retirement is funded for those who serve 14 years or longer with Baptist Faith Missions (increasing with more years of service). Transportation to and from the field at the agreed times is paid. The general fund also provides for the printing of the Mission Sheets. There is not charge made to the missionaries for the handling of gifts designated to a specific missionary. We receive the entire sum as designated. Baptist Faith Missions is a cooperative work. All missionaries understand that if giving does not meet cost, then reductions are averaged among all the missionaries. All of the directors serve at their own expense, providing their own transportation, offices etc. Churches give without joining anything and may increase or withhold their support as they choose. It is indeed a work of LOVE as well as a work of faith.

The country of France has about 38,000 cities and villages. There are just over 100 Baptist churches in France. I think about this as I drive through communities in the USA and see one Baptist church after another. For each 8,700 people in France there is one Baptist. In the US, one out of ten is Baptist. Being Baptist doesn't get you to heaven, but we believe you are not truly Baptist unless you are first saved. Over 57 million people in France need salvation.

Our hearts are burning with a passion to share the message of salvation with these people. Will you help us?

On the way to France for Christ,
John M. and Judy Hatcher

(From Page One)

A usual day consists of boiling our water for 5 minutes and then putting it through a filter before drinking it, hand washing our clothes, bleaching vegetables and fruits before eating, dealing with water and electrical shortages, bad phone lines, dodging people, bicycles, cattle, sheep, and goats on the main roads, driving on roads that are dirt and full of ruts, waiting on people to come to a church meeting as much as an hour late and many other things too numerous to mention.

We struggle to converse in another language and have a tutor who works with us several times a week in language study. It is an ongoing battle to speak in a foreign language, but the people appreciate the effort so much. It was a tremendous joy the first time I led someone to the Lord completely in Swahili.

I enjoy teaching the Ladies Bible Study on Saturday afternoon as I teach them on the family, and the role of the husband and wife. They are hungering to learn what the Bible says about family life and they eagerly listen.

In Sunday School I teach an average of 80 children every Sunday. The ages vary from babies to age 15-16. It's quite a challenge to teach these various ages in one room, but the children listen well and have learned many Bible verses by heart.

The hardest thing for me is being separated from my family in the States. I missed being there for my mother's recent surgery, many birthdays and holidays, being able to sit down and console my son as he has struggled with living on his own and trying to find a job, and God's will for his life, not being able to be there to help my daughter to plan her wedding last year, my nephew's graduation, and many other opportunities. It has been really hard sometimes, but God has given grace and I thank Him for that.

It has been a huge challenge to adapt to this foreign culture, but God has really blessed us, and we count it a real privilege to bring the truth of God's Word and His sovereignty to another part of the world. What a tremendous privilege to be called to a country where people are hungry for the truth of God's Word and where God can use us as unworthy as we are. Thanks to each of you who pray for us, for allowing us the privilege to serve our Lord in this needy land. We are co-laborers together in God's harvest field of Kenya.

May God richly bless each of you for your prayers and support.

Servant for Christ,
Pam Anderson

P.S. Pam and I thank the Lord for the BFM support team back in the States. Without their help, we could not do what we are doing out on the field. We want to especially make mention of Brother Glenn Archer, Brother Dave Parks, and Brother Jim Orrick. They have all gone far beyond the call of duty to assist us. May our Lord richly bless their ministry to us.

Please continue to pray for Hesbon, our former pastor, because he still plans to take us to court and sue us. We tried to have a meeting with him this past week with our lawyer, but he refused to come. Pray that the Lord will work in Hesbon's heart so that he will resolve the problems outside of court. I told Hesbon that Christians should not take other Christians to court (I Cor. 6:1-8).

Busy Month In Brazil . . .

Coming Home For Summer Furlough . . .

By Asa Bratcher

Dear Brethren,
June 2, 1999
A most busy and blessed month! The first day of May found us attending the Family Program sponsored by the Ladies' Missionary Society of our Brazilian B.F.M. -- 10 churches were represented with around 150 attending. It was Labor Day here (Worker's Day) and the program was an all-day event at the 14th of December Baptist Church Camp.
The second Sunday, Mother's day was celebrated at the church with around 150 mothers attending with 400 in Sunday School.

The third Saturday of May found me concluding the 2nd Eschatology Clinic at the New Jerusalem Baptist Church at Parana da Eva. There were 66 registered. This was an all-day event and I preached Saturday night to over 90 present. The interest was tremendous! I caught the boat at 9 P.M. and arrived back in Manaus ~ Sunday morning. After breakfast and shower on to church for Sunday School and services. That night was Missions' Night and around 60 children sang dressed up representing various nations of the world.

The fourth Saturday found pastors interrogating Bro. Jose Ribamar Vicira. He has been called the pastor of the 17th of August Baptist Church. I was the moderator and led the questioning. He did a good job and was approved to be ordained this Friday, June 4th.

The fifth and final Saturday of May found around 110 of us from Manaus at the village of Amajari to dedicate the new building and organize the members there into a church. We left Manaus at 11:30 P.M. Friday night, arrived at Parana da Eva at 4 A.M., then after breakfast and lunch arrived at 3 P.M. at Amajari. The building there is so nice! We express our appreciation to all that had a part in the project. Practically the whole community was present, and there were more people on the outside than on the inside during the service. We left right after the service, arriving back in Manaus at 5 A.M., once again in time for breakfast and a shower before Sunday School (sound familiar?)

Pray for us as early Monday morning (the 7th), the Lord willing, we will be traveling to the States for a short Summer furlough. We hope to see many, many of you. We can be reached through Brother Dave Parks. Thanks to all who have in some way helped us during these last 4 years. Lucia, Marcia, and Lucy Marie send their love.

Great News From Front Line . . .

Returning To Brazil July 19th . . .

Dear Friends
May 28, 1999
This past month Alta and I have traveled in Kentucky, West Virginia and Tennessee. God granted us traveling mercy. Praise Him for His care. Every church we have visited and told about the work in Brazil has received us with open arms of Christian love. We thank every church, pastor and people, for their hospitality, kindness and generosity.

We do weary in our bodies and today is one of those weary-like days. But God always lifts our spirits and makes us to rejoice in Him. I have made my last visit to Doctor McGee and my surgery recovery is fine. Thank you, Dr. McGee.

GREAT NEWS FROM THE FRONT LINE

Special greetings were received from our dear friends in Brazil for my birthday on April 30th. The good news is that all of the mission points are almost doubled in attendance. Total attendance of all missions was averaging about 225 when we came home and the news received by phone two weeks ago shows that one week the total attendance was about 400. The best news is that there is an evident spiritual growth is those who have recently been saved and baptized.

RETURN TO BRAZIL JULY 19

This is our target date for returning to Brazil. We need your prayers concerning decisions about equipment and items that should be taken for the work. Thank you for your prayers and support.

In Christian love,
John and Alta Hatcher

Dear Brethren, June 2, 1999

May 1 - This morning I preached to an estimated 100 people at the 14th of December Baptist Church camp during a special program of the Women's Missionary Society - several churches were represented. Tonight I preached to the 25 people present at the São Lázaro Faith Baptist Church. The church is without a pastor.

Sunday, May 2 - This morning I preached at the 24th of March Baptist Church. Tonight some 35 people heard my message at the 24th of March;

the service tonight caused much joy to arrive in heaven because there were 8 decisions made - 5 professions of faith, one to be received by letter and two made rededications.

May 3 - This morning around 9 o'clock, Mrs. Ella J. Casey of Richmond, Kentucky, telephoned to inform us of Marie's mother's death. Mrs. Flossie Moore was born in Madison County on the 3rd of November of 1905. She died at the age of 93 years and six months. Yes, she is now asleep in Jesus in body but her spirit is with the Lord in heaven. Marie thanks all of you who telephoned, wrote, sent flowers, and all who attended the visitation and/or the funeral service. May the Lord bless you all. Let us all remember that "Tis just one life - it will soon be past - only what's done for Christ will last."

May 6 - Tonight I preached at the Chapel Service at the Regular Baptist Seminary. Missionary Robert Lankford is the director and an estimated 100 students were present.

May 8 - This morning at 10:40, Marie and I left Manaus on the bus - Manaus, Novo Remanso. We arrived there at 16:00. Tonight I preached to 30 at the Mission there. José Aírton Alves Bezerra is the Pastor of the Mission.

May 9 - This morning I preached again and then this p.m. baptized three young girls in the river after a short service at that church. Tonight I preached the last message of our visit to some 30 people.

May 15 - Tonight Marie and I were among the married couples present at a special service where I preached at the New Light Baptist Church in the Zumbi suburb where Quilson dos Santos is the Pastor.

May 16 - Today I preached at the 24th of March Baptist Church where I am the Pastor.

May 24 - This a.m., a little boy 9 years old--his name is Samuel--made a profession of faith after I preached at the 24th of March Baptist Church. Tonight a visiting preacher, Lauro Marques da Silva, brought the message and again the Lord blessed with a profession of faith, a 15 year old girl.

May 28 - At 23:30, Marie and I, with more than 100 other persons including Pastor Asa Mark Bratcher and 2 or 3 other pastors, left Manaus on a rented boat and journeyed to New Jerusalem Baptist Church, Paraná da Eva. There we were served breakfast and dinner and then we traveled on down river to Amajari where tonight Asa Mark led in the organization of the First Baptist Church of Amajari. João Portela Tuanama will continue as the evangelist. Pray that the Lord will give the new church a good pastor. The church, after I baptized a 17 year old boy Sunday morning, has 15 members. Pray for Dona Lita de Deus Martins who is awaiting baptism.

Please continue to pray for the family of Mrs. Flossie Moore that the Lord will bless and comfort all who grieve over her death, especially her daughter Mrs. Deane Cruse. May none of us grieve as those that have no hope. Also pray for Irmão Simão J. Cardoso, 70 years old, completely paralyzed and unable to speak or eat since February 14th. The Cardoso family live in Richmond, Kentucky. Please continue to pray also for us for we can say with the Apostle Paul: "For a great door and effectual is opened unto me, and there are many adversaries" (1 Corinthians 16:8).

As you give to Baptist Faith Missions, general fund and designated for us personally, remember: "But my God shall supply all your needs according to His riches in glory by Christ Jesus" (Philippians 4:19).

Yours in the service of the Saviour,
Harold and Marie Bratcher

Over 100 Men In Bible Institute . . . Expecting 2,000 At Conference . . . Twenty-Fifth Wedding Anniversary . . .

Dear Friends, May 31, 1999

Greetings from the Andean Mountain town of Huánuco, Peru. A lot has happened since my letter from last month. First, the Evangelism course for the Bible Institute out in the northern jungle town of Iquitos, was a great success. I had thirty-three new men show up, bringing the total to over one hundred men that now study! Some of the new men came as far away as the border of Brazil with Peru. One poor fellow showed up on

the last day of classes. It was his first time to study with us, and he had been traveling for three days to get there. He came from a village in the north central jungle near the town of Yurimaguas. He was worn out when he arrived, having come by boat the whole trip. He brought his family and several others from the mission work in his village. I really felt sorry for him since he arrived the day of the last class with the course almost over. I gave him a copy of all the books and materials anyway and encouraged him to come for the next course in September. He seemed to think just getting the materials was worth his trip! What a blessing!

After the class in Iquitos I traveled to Pucallpa to be the main speaker at a weekend retreat that was jointly sponsored by six of our churches out there. They will be hosting our Thanksgiving Conference in August of this year. We have been having an annual Thanksgiving Conference every year in Peru since 1979 when Missionary Art Gibbs started the first one here in Huánuco. The conference is held in a different city each year. Last year we had over twelve hundred in attendance in the city of Tingo Maria. We are expecting around two thousand this year in Pucallpa. This year will be the first time that several churches have joined forces to host a conference of this magnitude. The purpose of the retreat was to encourage them to work together and stay focused on their task. Please pray for them; they are working hard so the conference will be a success.

I got back to Huánuco after being gone for ten days. It's always good to get back home, isn't it? The following weekend I was up into the mountains helping the Church in Conohuyun with their Anniversary services. We had a great time with them and had four trust Christ as Savior with eleven repenting of hard hearts and getting back into the church. I just about tore up my little 1984 Mazda pick-up truck on that trip. It had been raining and the little truck "bottomed out" in several places in the road. Anita and I are thankful we will soon be able to get a newer vehicle.

Doctor-Dentist Preaching Trip . . . Minister To The Physical & Spiritual Needs . . . Invited to Indian Village . . .

By Michael D. Creiglow
Caixa Postal 24 69980
Cruzeiro do Sul, Acre Brazil
E-mail: mikedc@nauanet.com.br

Dear Brethren,

May 29, 1999

The best news this month is about a long mission trip up the Jurua River. This was our annual doctor/dentist/preaching trip. This time we stayed longer, reached more villages and treated and preached to many more people. Our 12 man team (much larger than last October) spent 10 days in 7 villages. Our transportation had to be beefed up this time to handle the extra people and supplies for such a trip. This time I sent ahead our missionary at Thaumaturgo, Jose Maia, with supplies, generator, compressor and part of the medicine. Three team members went with me in the new boat. The others were flown in. We use the Missionary Aviation Fellowship plane. The pilot, Paul Bachman, is an active member of our church. He, his wife Beth and their 3 children have been a real blessing to our church. The church really loves them.

This year we only had to bring in 2 team members from other places of Brazil. Actually a third member came, but we had to send him back, since he couldn't handle the food. Our church now has a wonderful team to work this kind of project. We have a medical doctor, a dentist and several nurses and nurses' aids. All of the medicine and dental supplies are provided by donations through a branch of MAF.

Jose Maia left Thaumaturgo in a large dugout and his 11HP tail motor on Monday. I left from Cruzeiro do Sul with my team on the same day. He arrived at Breu late that evening. I arrived at Thaumaturgo that afternoon. Early the next day we were at Breu and setting up all the equipment and pharmacy for the arrival of the doctor and dentists. They arrived in 2 flights Tuesday afternoon. Services are held each evening. Medical treatment is all day. I don't know how many people were treated at Foz do Breu this year, but I do know that fewer than former years. Gradually our work is paying off in better health for these folks.

Our next stop was just down river at Pedra Pintada. We worked there for only an afternoon last year. That was the goal for expansion last October. This year we spent a whole day there. Dr. Maulaz treated 95 people there. At 4:00 p.m. we finally got away to the next major village, Caipora. This place had been in my prayers and one of my goals for expansion of the clinics this year. I went ahead in the runabout with part of the team to make the first contacts. The school teacher had gotten my message and was glad to let us use the school house for services and medical work. The school is quite a way from the river, but the whole team worked hard and by sunset we were set for services.

All but 3 families came to the service that night. What a service! It had been 24 years since I had preached here, and there is a whole new generation living there now. I preached about who Jesus really is from John 18. Twenty-two people made professions of faith. Each of our team members took a small group aside after the close to carefully go through plan of salvation, security, Bible study and prayer life with each one. The 4 that I talked to were very sure of what had happened in their lives. What a party we had that night!

The next day the doctor and dentists worked until 10:30 a.m. Even though we had to pull away earlier than we would have liked, they still had time to treat 73 people. We then had to move on to Thaumaturgo. We went right past 6 more large villages, which need our help and desperately need the Gospel. It is painful to not have the time and resources to go into each and every village.

That night we held services at our mission in Thaumaturgo. The house was full. Jose Maia is doing a great job there.

The next morning found us all loaded into 2 big dugouts making our way slowly up the Amonea River to visit the Ashaninka Indians. It took us over 5 hours. The river was low and the sun was beating down. We are only allowed there because the Indians invited us. No outsiders are allowed onto the reservation without express permission from the tribe. Last year they told us that they wanted our dentists, but didn't need our doctors. They say they have their own doctors. You know what that means. They permitted the doctor to come along anyway. Guess what? In 2 days Dr. Maulaz took care of 115 patients! This was done through an Indian interpreter. This is major labor, let me tell you. The blood sucking gnats were swarming. I am used to them and even so my arms and legs are completely covered with tiny blood blisters. I never heard one serious complaint from any of the team members and I know they were really suffering.

The 2 ladies of our team, Esther and Eliana, sat all the kids down to teach them how to brush their teeth. They gave each one a brand new toothbrush. They were sitting on the floor in their hand woven "cusmans," dyed brown cotton robes that all of them wear, with their cute little round, red painted faces, brushing away and not understanding one word of anything that the girls were saying. Quite a sight!

I spent several hours talking to the chief, who speaks fluent Portuguese. I was able to witness to him through their beliefs and of course the Scripture. He came to our devotion that night. I think that next time he may permit us to hold an actual service. In the near future I want to write a letter telling you just about my talk with him. He opened up and gave me a wealth of info.

Well this letter just keeps getting longer and longer and there is so much more to tell. What I will tell you is that we had to cancel visits to 2 villages for lack of time and medicine. The needs are so great along the rivers. One other very large village on the Tejo river is in my sights. Next rainy season I plan to go there by boat to try to mobilize the locals to help us build an airstrip. The plane, although expensive, really saves travel time.

This last trip cost approximately \$1,200.00. This does not include the tickets for the team members that came from other cities. The medicine is all donated. It is expensive, but certainly worth it. It is crucial that you keep giving and even increase your giving. Remember that the \$1,200.00 was what we spent and did not come from the States! Think what all might be done with more help from you.

Must close. Please pray. There is so much to do and so little time, help and resources.

In Christ, Mike Creiglow

Last week I preached one night in the Anniversary services of the Central Baptist Church here in Huánuco. At the close of the service two came forward professing Christ as Savior and two others came asking for baptism by the church. The Lord's blessings just keep coming down!

I reported last month that I was going to visit Pastor Carlos Gonzales in the town of Hualar. He was to be operated on for gall stones. Well, he was operated on and they removed three stones the size of my thumb! He was in bad shape when I saw him but he is regaining his strength and is preaching some once again. However, they must operate again because they had to leave two other stones in him. He has a tube hanging out of him; I'll not go into details. I'm helping him with the medical bills. We ask that you please continue to pray for him and the work in Hualar.

The Ebenezer Mission in southern Lima is holding it's own. Pastor Carlos Estabridis reports that they are having continued services with the same folks coming but not many visitors. Please pray for their encouragement.

My wife, Anita, and I leave tomorrow, June 1, for a ten day trip to southern Peru. Baptist Faith Missions gives us eight thousand dollars every four years for a newer vehicle. This year is our turn. This is just one of the many extra things that are paid out of the General Fund of BFM. The city of Tacna, on the southern tip of Peru at the border with Chile, is where all vehicles are imported into the country. It is much cheaper to buy there. June 7 also marks our twenty-fifth wedding anniversary. So we are taking the time to go and look for a four wheel drive vehicle and spend some relaxing time together and celebrate our twenty-five years together, traveling to different cities up the coast of Peru. This letter is getting long. I'll write more next month. Mat God continue to bless each and every one of you.

Serving Jesus in Peru, Sheridan and Anita Stanton
