Arrive In States ... Wife To Have Surgery ... Travel Schedule ...

Dear Brethren,
We arrived here in the States on June 4th at 12:50 p.m. in Nashville, Tennessee. Our daughter Melody and family met us at the airport where we had a joyful and tearful reunion. We began almost immediately looking for a car; the Lord helped and we found one without too much money nor time spent. We then took Ursula to her doctor, and he decided to wait until July to do her surgery. She will have time to get rested up some by then. She will go on July 9th for preliminary tests and will schedule the surgery. I am trying to schedule my preaching appointments now. July is already booked up. I plan to be in the Michigan, Ohio area during August. I would like to be able to visit churches in West Virginia, North Carolina and South Carolina in September or October. We plan to be at the Thanksgiving Conference in Michigan again in November and end up back here in Western Kentucky and Southern Illinois the first half of December if possible.

We left our works in good shape and have received good reports since arriving here in the States. Do pray for our work there.

We opened up a new work shortly before coming. Our young preacher there is Marcio. It is in a rural and very poor area. Also, we found a property to open up another church if God so pleases. We need help in order to do this. Please give to the Harold Draper New Work Fund as the Lord leads.

God bless all. Hope to see as many of you as possible.

Yours in Christ,
Harold Draper

Minister In Public Schools ... Many Professions ... Report On Purchase Of Property ...

Greetings,

Things have really been happening here. We had a group from Atlantic Shores Baptist Church with us, and they had the opportunity to minister in 5 of our public schools. Yes--we are able to enter our public schools and present the gospel. This ministry team had great success in the schools--there were over 300 people who accepted Christ as their Savior. In this number were a principal and 5 teachers. Can you imagine the difference in those classrooms! Now our work really starts. Pray for us as we begin the follow-up and the discipleship for this new group of Christians. What a joy to see young people ministering to other young people.

Lots of repairs going on daily here at the Alpha and Omega. We are trying to repair and paint all the interior walls. Perhaps this is the time to invite some of you to come down and spend your vacation working with us. Yes I know that is not what the traditional vacation is, but just think of the blessings you could receive.

We are in the process of buying this property. I think all of you know by now that the auction for \$60,000 got stopped by the officials here. Well, we are going at getting the property another way. The best way I can explain it is like this. You know when you buy shares in a company? Well, what we are doing now is like buying shares in this property. The people who worked here have claims to the property by their back wages, and we are approaching each one individually and purchasing their share. Pray that the funds continue to come in for this purchasing process. To date we have purchased a little over 10% of the property. Praise God for this.

Continue to keep the Alpha and Omega in your prayers and Odali, Kathy, Barbara and me also. The 67 children are doing well and are beginning their winter break this upcoming week. We have many things planned to keep them busy. It is a full time job to do this. We are always busy being mother and father.

We continue in His service, AJ and Barbara

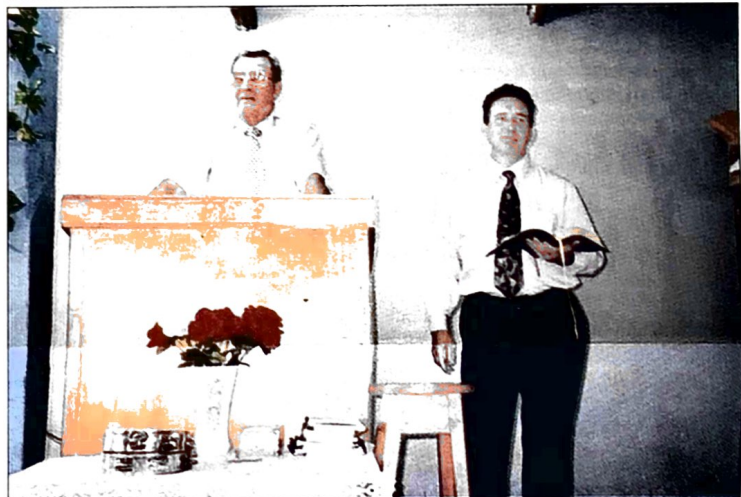

Purchase Much Needed Vehicle ... Visitors At The "Sheridan Inn" ... God Continues to Bless ...

Dear Friends,
Last month I wrote my letter a few days early because my wife, Anita, and I were going on a trip to southern Peru to purchase a four wheel drive vehicle for our use here in Huanuco. We had a great trip and we purchased a 1992 Nissan vanette, diesel and 4wd. This vehicle was purchased with funds given to us out of the General Fund of Baptist Faith Missions. Every few years we receive money for another vehicle. Just one of the many benefits the missionaries with BFM receive.

We were also celebrating our twenty-fifth wedding anniversary. We drove up the beautiful Pacific coast of Peru and really had a nice trip. We stayed three nights in a resort hotel and had a great time. Anita really liked having breakfast delivered by room service. I told her on our fiftieth anniversary I would give her a whole week at the place! Boy is she looking forward to that!

Brother Kenneth White preaching in Huanuco, Peru. Missionary Sheridan Stanton interpreting.

We made our way up the coast to the capital city of Lima and picked up Brother Kenneth White and his wife Joanne on the 9th of June. We are really enjoying the time with them. They will be returning to the states the 29th of June. Hope they'll come back soon. They've been a big help. We've taken them to many of the mission works and Churches that we work with. We leave tomorrow morning to drive back over the Andes mountains to the capital city of Lima; from there they will fly back to Miami.

I baptized one since returning to Huanuco. For the past three nights we've been having anniversary services for the Quinta Baptist Church here in Huanuco. They are celebrating their fourth anniversary since their organization.

Anita and I are doing well. The Lord continues to bless us with good health. Our children, Leah and Joshua, are working this summer in Berea, Kentucky until college classes start again around the first of September. Leah will be a senior this year and Joshua a junior. Please remember them in your prayers.

We have a lot more folks lined up to come down these next several months. We will have visitors each month until October. We love having people come to visit. The "Sheridan Inn" is always open to brothers and sisters in Christ wanting to visit and see the Lord's work in Peru. Just let us know when you want to come and we'll work you into the schedule!

We appreciate each of you, you're prayers and financial support. The Lord continues to bless in a great way the works all over Peru. We count it a privilege and honor to have a part in it. There are still a lot more buildings to build and tracts and books to print. The money given to the "Stanton Building Fund" goes to build benches, put on roofs, install doors and windows. Thank you, each one, for giving the way you do. We pray for the Lord's richest blessings on all of you. Until next month.

Serving Jesus in Peru,
Sheridan and Anita Stanton

Sharing Burden With Others ... Hope To Be In France By September ... Special Prayer Request ...

Dear Brothers and Sisters,
June 30, 1999
Isn't it wonderful to have the Lord as our shepherd Who is willing and able to meet all of our needs? God has been wonderful to us beyond our ability to describe, so we want to encourage you.

We have enjoyed being with the following churches to present our burden for France: Emmanuel Baptist Fellowship, Evansville, IN; Emmanuel Baptist Church, Evansville, IN; East Maine Baptist Church, Niles, IL; Addyston Baptist Church, Addyston, OH; Union Baptist Church, Dayton, OH; New Testament Baptist Church, Penntown, OH; Olive Branch Baptist Church, Linton, IN; South Lexington Baptist Church; East Keys Baptist Church, Springfield, OH; Grace Baptist Church, Cofeen, IL; First Baptist Church, Morrisonville, IL; Grace Baptist Church, Kirksville, MO.

We enjoyed wonderful fellowship with the pastors and members of each of these congregations. Our schedule is full for the time that we have remaining in the U.S. Other churches have shown an interest and we regret that we can not visit with all of those who would like to have us. We will try to use the space available in the Mission Sheets to effectively communicate what God is doing in and through us.

The Lord willing we would like to be in France by mid-September. The work is great and the time is short. Our first order of business upon arriving in France will be to continue studying the Language. We will also immediately attempt to begin building relationships with French people in order to share the gospel with them. Will you pray for us about the following matters?

1. Acquiring Long Term Residence Visas.
2. Learning French.
3. Meeting and getting to know people who need the Lord.
4. Sharing the Gospel clearly.
5. Encouraging churches and Christians here in the U.S. to serve the Lord.
6. What God would have you do in the work of making disciples of all nations.

If you would like to be placed on our email list to receive updates on what the Lord is doing, please email us with that request at JMHatcher@aol.com.

May the Lord richly bless you.

In Christ, John and Judy

Dear Brethren,
June 25, 1999
In my last letter I wrote about our plans to visit some churches in Indiana and Illinois. Pastor Robert Bybee and the Seventh Street Baptist Church in Cannelton, Indiana welcomed us the first weekend. This was my first visit to this church and to meet these brethren. The following Wednesday we were with Holts Prairie Baptist Church in Pickneyville, Illinois and were given the opportunity to present our work. There were several questions asked about BFM that I was happy to answer. Pastor Jerry Ross was

away, so I did not have the opportunity to meet him personally, but I have talked to him several times on the telephone.

The following Sunday we were with First Baptist Church in Niles, Illinois where Brother Roger McManus is the long-time pastor. On the next Wednesday night we were with the East Keys Baptist Church in Springfield, Illinois. Brother Cliff Presley is the pastor of this church and Brother Jim Hicks is Pastor Emeritus. At the close of the service the church voted to increase their offering by 5%. East Keys Baptist Church has supported BFM for many years, and we thank them for this increase.

On Sunday I preached both services for Pastor Art Donley and Bible Baptist Church in Harrisburg, Illinois. We often make this our home away from home. Betty and I would like to thank each of these churches for their love offering generosity to us personally. On Monday June 7 the Donleys, Betty and I went to the Evansville, Indiana airport to pick up Missionary Asa Bratcher and family arriving for furlough from Brazil. We took them back to Harrisburg, and Betty and I returned home.

Tomorrow we will leave again, visiting churches in Lima, Fairborn, Piqua and Marengo, Ohio. We will be gone about twelve days this time, and then after spending a few days at home we will travel to visit one church in Tennessee before going to Livermore, KY to attend the Missions Conference at the Richland Baptist Church. After the conference Missionary Harold Draper will accompany us to northern Ohio to visit the Mt. Pisgah Baptist Church in LaGrange. We ask the churches that already support BFM to consider increasing their offerings. New missionaries need support as well as the present missionaries need the increase. It is the best investment you will ever make.

Yours in His love,
Bobby D. Creiglow

Long Trip In New Boat ... To Send Out Another Missionary ... Church Observes 70th Anniversary ...

Dear Brethren,

May 29, 1999

In April I made the first really long trip in the new boat. The pastor of Faith Baptist Church, Brother Carlos, and the candidate to be missionary at Foz do Breu (Peruvian border village), Aesio went with me for the almost 300 mile ride up the Jurua River. Aesio wanted to take his wife along, but she is pregnant and I didn't think that this was the best trip for her.

The first day we went as far as Thaumaturgo. This leg took almost 8 hours. We had a good visit with our missionary family there. The congregation is growing and doing great. Brother Jose Maia did have some trouble from one member. This guy thought he should have our missionary's salary. It was good that I was there to help him through this mini crisis. All is well now. The guy has disappeared. Nobody knows where he is. The next day we went on to Foz do Breu, which literally means "mouth of the Pitch River". This river is actually the

Back In Brazil ... Getting Back To Work ... Special Thanks ...

By Bobby Wacaser

Dear Friends,
July 5, 1999
What a year! We just returned to Brazil after a marvelous year of studies and opportunities to visit our brothers and sisters in Christ. It was a true blessing for us to see how God is working in various churches and individuals' lives.

The kids, Jessie and Brennen, adapted so well to the turbulent lifestyle they had to live while in the U.S. and are already adapting well here in Brazil. We saw God working in so many ways as we made our way home. Both the kids slept almost the whole trip, which sure makes it easier on us in transit. Although we were bringing several volumes of baggage above the allowed amount, we were only charged for two. The agent in charge of excess baggage let us by with only a \$150.00 fee when the original amount would have been over \$1,000.00. When we met with our church people we discovered that they had been praying for us fervently that all would go well on the trip. We give thanks to God for answering those prayers. This was the easiest trip that we have experienced.

We attended our church for the first time since our arrival this past Sunday, and were thrilled with how strong and vibrant it is. There were several new faces, folks who had joined while we were in the U.S. It was immediately evident how well our folks had done in our absence. Their growth and experience are encouraging as we look to start new works in the very near future. We are confident that God has prepared them for some great ventures in spreading the gospel and planting churches in Curitiba and beyond.

Tomorrow I will start making rounds visiting the leaders individually to get their insights on what they learned during our year of absence. Based on prayer, Bible study and the results of these visits, we'll make plans as to how to approach the task of being more efficient in mission outreach. I will be sharing with them also some of the information that I gathered in my studies in seminary with the hope that we will all be encouraged and enlightened as to how to carry out Christ's commission to his church.

A special thanks goes to those who contributed to our work while we were in the U.S. We were able to purchase a much-needed computer with some of the funds, and are applying the designated funds to the purchase of property in an unchurched neighborhood. We trust God to give us fruit in this endeavor and we will share with you the results as they come in. Thanks for your generosity and may the Lord bless you.

Keep us in your prayers as we seek to be faithful to God in His harvest.

Yours in Christ's service,
Bobby, Charlene, Jessie and Brennen Wacaser

Quick Trip To States For Medical Treatment ... Back Home In Brazil ... God Greatly Blessing ...

By Michael D. Creiglow
Caixa Postal 24 69980
Cruzeiro do Sul, Acre Brazil
E-mail: mikec@nauanet.com.br

Dear Brethren,
June 30, 1999

Some of you may have heard that I was in the States for a short visit. Well now I am back home... where I belong. The reason for the trip was medical. Since furlough last year something popped up on my right temple that needed to be looked into. I took it to my dermatologist in Nashville. He actually wanted to treat me, then have me come back in 6 weeks. That was not going to happen, so he settled for having me come back in a year. He examined the rest of me and although my skin looks terrible, nothing else got his attention. Thanks to all of you who prayed. The Lord has a special way of taking care of us. The doctor did not charge me for the treatment and even gave me all the medication! Baptist Faith Missions most graciously paid my ticket. (It's a great system, folks.) Thanks to all of you who contribute.

I have been home for a week now. There were a few more people saved while I was away. The services since my return have been just wonderful. Last Friday night at prayer meeting I introduced the subject that I was preparing for Sunday night: JOY. The Holy Spirit has really blessed these 2 messages. The response from the people was pretty surprising. I had originally planned for the Sunday night message to be 30 minutes. It ended up being almost 50 minutes. They were with me all the way. Just before the closing prayer I mentioned that the service had been longer than usual. That was the first time anyone remembered to look at a watch. At the close of the service we had one young woman come confessing worldliness, another coming back into fellowship with the church, a couple and their daughter who had been saved a few weeks ago requested baptism, and 5 other adults trusted Christ as Savior. The results continue to come in. On Monday night during a counseling session I found out that one young businessman, whom I won to Christ a few months ago, had an allergy attack (because of our old carpet) during the service, but refused to miss a word of the message. Result: he ended up in the hospital that night, but happy in the Lord! Last night at our couple's meeting Pastor Joao told me that another businessman who was there for the first time Sunday night, came to him and said he was convinced that he has to trust Christ and become a "crente" (believer, Christian). This man is a mason, but already has said that he knows that he has to get out of that. God's joy is matchless and priceless, and it is ours.

When I am in the States I have a struggle preaching. I always ask, "What do I say to these people? What is relevant to these Christians in America?" Frankly, I don't know. When I am here at home, though, God gives me just what His people need each and every time, according to where they are at that moment. He is always so surprising.

The best news from the interior is about construction. The new building at Santo Antonio is going up. Our guys have taken hold again and are replacing the old wooden building with a new brick structure. They have finally restarted the building process at Rodrigues Alves, too. Our missionary, Brother Edson, has been meeting in the parsonage for months. There were 4 professions of faith there a couple of weeks ago. We have not had a building there for a long time. A few years ago we tore down our building because the city needed our property to build a town square. They were supposed to give us new property next door, but then took forever to mark off our place. Consequently we ended up losing all of the materials from the old building. Now we have had to start from scratch. The new building will be all brick (27 feet by 40 feet). Our preachers have been working hard at it even while I was away in the States. One of the great things about the work here is that if I am here, fine and if I am away, fine. Things go on just as normal as rain, and let me tell you that rain is a very normal thing around here! Anyway, the foundation, slab, walls and reinforced concrete beam are all finished. The roofing is to start this coming weekend.

Sometime I want to tell you about the opportunity that I had to witness to the Achaninka Indian chief. That will take a whole letter though, and for now I needed to report the latest blessings from right here and now.

God bless you. Thanks to all of you who contribute to make our work go so smoothly.

In Christ, Mike Creiglow

border between Brazil and Peru. The river was really low, but we had a big rain during the night and that took care of the low river situation. This place is so far up river that any heavy rain brings the river raging up in a matter of minutes. It goes down just as fast.

The new motor is a real jewel. The fuel economy is staggering. I still can't get over it. The most I could ever get out of a 6 gallon tank of fuel with the 50HP 2 stroke engine was 1 hour and 30 minutes. I can get 3 hours at the same throttle setting and same speed with the Honda 50HP 4 stroke. You may not be too interested in this kind of stuff, but let me tell you, it is important. Right now gasoline is costing me \$2.90 a gallon! In my old boat this trip would have cost me \$330.00 in fuel and oil. This trip in the new boat cost just \$130.00. Thanks again to those of you who have helped buy this great piece of equipment.

The visit with the folks at Foz do Breu was a blessing. Eight of the villagers have volunteered to help Aesio build

the parsonage and church building. He and his wife are ready to go right now. Of course I am going to try to hold them back until the house is built and the baby is born. Pray that all will go well as we send out yet another full time missionary. He will need a diesel tail motor and large canoe for his mission work and as transportation to town occasionally. You might even want to help with that. First Baptist Church will be giving his salary, house and church building. The ladies of our church also collect a food pantry for all of our missionaries. We are looking forward to putting another family on the field.

On May the 12th our church celebrated her 70th anniversary. We held a 4-day meeting. My good buddy Sherman Smith was here to speak for us on Sunday and Monday. The church really enjoyed. I had to interpret, but it really went well. I know I had fun. Sherman promised that when he comes back the next time he will be speaking Portuguese. Then the last 2 nights of the meeting, Pastor Joao and Pastor Pedro, who pastors the church with me, were the featured

Preach Thirteen Sermons In June ... A Special Unspoken Prayer Request ...

Dear Brethren, June 29, 1999
During this month of June I preached 13 sermons. If you read on you will learn the date and the place.

June 5 - Tonight Edson Cordovil picked me up and after 30 minutes of driving, we arrived at the home of dear Brother Antonio de Sousa. There I preached to the 29 of us present. According to Antonio all present were children, grandchildren, etc. We honored him thus on his birthday.

June 7 - At 10 minutes after midnight, Marie and I left the house in the church van-Deacon Jairo driving--and Asa Mark, Licinilda, Marcia and Lucy already in the van. We drove to the airport and there bade farewell to Asa Mark and family. They arrived in Miami, Florida in a few hours for a two month furlough. Pray for them.

June 8 - Tonight I preached at the Chapel Service at the Faculdade Batista de Teologia do Amazonas. Pastor Aurindo Oliveira Folha is the Director.

June 12 - Tonight I preached at the Glory Regular Baptist Church here in Manaus. The church is celebrating her 43rd anniversary. The Pastor is Francisco Bazerra Silva.

June 13 - This morning I preached to close to 300 at the 14th of December Baptist Church in the absence of the Pastor, Asa Mark Bratcher. This afternoon I went with a group from the Church and we celebrated Brother Samuel Walkey's 85th birthday. Englishman Samuel was the organist at the church for many years. Pray for him as he is in bad health. Tonight, once again I preached at the Glory Church.

June 19 - Tonight I preached at the 23rd of July Baptist Church in the Raiz suburb where João Bosco Orasil de Sousa is the Pastor.

June 20 - At 9:00 this morning I preached at the 24th of March Baptist Church where I am the Pastor and then at 10:30 at the 14th Church. Tonight again at the 14th Church.

June 23 - Tonight I brought the message at Prayer Meeting (32 present) at the 24th Church.

June 27 - This morning and tonight Marie and I attended and I preached at both services at the 14th Church.

Therefore, my beloved brethren, be ye firm and faithful, and fruitful and free of folly and full of the fullness of the Father until the finish. Pray that Marie and Harold Bratcher will be that way.

May the Lord bless you as you continue to contribute to Baptist Faith Missions. We appreciate the offerings designated for our personal use. Marie and I have an unspoken request--a special need.

Next month's Mission Sheet letter will be of greatest length, the Lord willing.

Yours in the service of the Saviour,

Harold and Marie Bratcher

Taken in Uniontown, Kentucky, May 1998. Left to right: Robert Tucker, Minister of Visitation-Calvary Baptist Church, Uniontown, Kentucky; Missionary Harold Bratcher; and Jim Adams, Pastor. Both are faithful supporters of Baptist Faith Missions.

THE PARENTS OF JOHN MARK AND JUDY HATCHER: MISSIONARIES TO FRANCE

John and Alta Hatcher, parents of John Mark Hatcher

Pansy and Jim Foster, parents of Judy Forster Hatcher

Fifty-five years ago in the month of June 1944 Judy's father and John Mark's father went to France on another mission. Jim Foster served in the 1st Army under General Omar Bradley. Jim entered France at the Omaha beachhead a few days after D-Day and fought across Europe, through the Battle of the Bulge, and was present at the Buchenwald concentration camp where men had been tortured and put to death. John Hatcher served in the Merchant Marines and was part of the invasion of France from D-Day plus 1. God was merciful and preserved them to serve Him.

Now it's another time--55 years later;
Another War--invading the kingdom of darkness;
Another generation--son and daughter;
Another purpose--to free men from the slavery of sin.

Let us pray that God will protect John and Judy, that He will give them victory after victory and that we will give them the prayers and support that soldiers of the cross need and deserve.
