Dear Friends,

November 3, 2001

Terezinha is a mother of three. She has one 21 year old son, and two teenage girls. She has a third grade education and she and her 7 brothers and sisters have known poverty nearly all their lives. We had the opportunity to lead her to the Lord about six years ago when we hired her husband to remodel our house. She has been a very faithful church member ever since. Just recently she developed a strong desire to know God's word better. She asked me if I could suggest a way for her to improve her daily Christian walk. I gave her a little devotional Bible study book and she and her youngest daughter started studying together. Terezinha's reading ability is limited by her poor education, but her desire to know the Lord better keeps her motivated and she applies herself with determination. The excitement she feels as she grows closer to the Lord has started overflowing to those who are closest to her. She baby-sits her sister's little girl daily. Her sister saw the new spiritual enthusiasm in Terezinha and asked if she could study the Bible together with her. Terezinha asked me for another study book and they started studying together. After a few days her neighbor also wanted to "get in on" what was happening to Terezinha. She asked if she, too, could join them in the daily Bible study. Now another lady has joined them and they are meeting each evening to study God's word. We are so thrilled to see God work in ways that never cease to amaze us.

Last month we had a "spy" come check on some of our recent converts. Alceu and Regina are a wonderful young couple with two little girls. Alceu was an alcoholic until January of last year. His marriage was on the rocks and his wife and children were afraid that they would be without a husband and daddy anytime soon. One weekend, after a drunken binge that left him in a stupor for several days, Alceu passed by our church and felt that God was urging him to go in. He came in and God spoke to him through the preached message. He didn't come back again immediately, but after several weeks he returned to our services. Our folks received him warmly and he decided to come more regularly. After a few weeks he started bringing his nine year old daughter to Bible school. She and my daughter, Jessie, have birthdays one day apart and they became friends quickly. Not long after this we had a spiritual retreat, and I invited Alceu and his daughter. He attended and was moved by the attention and caring he received. He attended services regularly and soon accepted Jesus as his Lord and Savior. His wife was thrilled that his behavior had improved so dramatically, but was skeptical as to how long it would last. She is from a family that has very strong roots in religious tradition, but doesn't know what it means to live in fellowship with God. She was happy that Alceu had found a religion that got him away from alcoholism, but she wasn't ready for all the transformations that this would require of her. As she continued to see her husband's joy and knowledge increase, her interest grew also. Charlene and I made some friendly visits to their home. I asked Alceu if he and his daughter would like to start a discipleship Bible study in their home. He accepted and we met once a week. At first, his

wife, Regina, would continue to clean house or work close by while we studied, but soon she wanted to sit in with us. Not many weeks passed before she too was ready to trust Jesus as her Lord and Savior. Then the extended family found out that Regina had become a "believer." The family lives in another town five hours away and they felt that it was their

Good News From Judy's Check-up ... God Opens A Door ...

Dear Brothers and Sisters,

November 3, 2001

We just enjoyed one of our favorite monthly activities; reading the Missions Sheets. Reading about what God is doing through our missionaries in various countries of the world thrills us.

The month of October has been one of much thanksgiving for us. Let me share just a few of the blessings that have caused our hearts to rejoice in gratitude. First, Judy's follow-up mammograms and doctor visits revealed no cancer. We thank God for this and for the prayers of many on her behalf. Please, continue to pray.

While we are living in this world we want to use our lives to the fullest for Our Lord. One of our burdens has been to reach the children in our neighborhood. Each day as Judy and I pray together for our neighbors and the other matters that the Lord

Judy Hatcher with Martine, a friend who needs the Lord.

lays on our heart, we ask God to open our eyes to what He wants us to do. About 3 weeks ago, Claire, our neighbor across the street, came over to ask Judy if she would be interested in being a volunteer English teacher for her son's class. Judy said, "Yes." When Claire took Judy to meet the teacher, two more teachers asked if she would be willing to do this for their classes. Things then got complicated. The director said that she would have to get certified by the regional certification department. She received a letter with the appointment and met with the examiners. We have just received word she has been certified.

Why does giving your services for free make you rejoice, you may ask. First, the neighbor's request shows that she has confidence in Judy. This is significant in a country where people are terrified of "sects" (which interpreted means "any religion not Catholic"). Nearly every week there is a program on national TV showing the horror of these "sects". Although many French people are atheist and only about 3% attend church, there is a tremendous fear of religion. Of course, there is sufficient evidence from history and freedom robbing religions today to feed this fear. One of the most respected papers recently had a feature article on the "Trojan Horse of the Sects from the United States". Compare this to the paranoia that has developed in the US over Anthrax and you will be able to comprehend the barrier that this "Sect Paranoia" raises to the Gospel. Secondly, the volunteer teaching opens the doors to further contacts in our community and with the teachers. Thirdly, education is highly respected in France, and, therefore, teaching in the public school gives further credibility. This is made possible in part by your support. One of the questions Judy was asked during the certification process was, "Who is going to pay you?" Foreigners do not get hired as teachers in France because there are so many unemployed people with teaching certificates. Another blessing was to be invited to a group "Feijoada Carioca" dinner in the home of two of the kids that attend our Sunday night youth outreach. The mother is Brazilian and this dinner was the black bean specialty dish of Brazil. This opened the door to a number of families in our town.

Also, during the past month, our evangelistic Bible Study in the Gospel of John has been particularly fruitful. One lady who had not been coming has returned and shown great interest. One of the ladies appears to have received Christ recently. They are always anxious for the next meeting and make arrangements to work around scheduling impediments.

While in the US 12 days for Judy's check-up doctor appointments, I had the privilege to teach a class on Starting A Mission Work from Scratch in the classes offered at New Life Baptist Church where Steve Wainright is pastor. It was a joy to be with you folks and to witness

Busy In The Lord's Vineyard . . . No More Tears . . . Kathy Writes . . .

Odali and Kathy Barros

Dear folks, October 7, 2001

Greetings from the United States! I will be in the U.S. for a few days. For over a year I have been working on my naturalization. Normally this is done when someone lives in the United States. But since I have been a missionary sent out from America the years that I have been out have been counted as living here. The hard part of not living here is that every time they mark an interview you must be here. At the beginning of the year I was here in the States for the first interview and the English test. Now I came to the U.S. to do the test on American and government History. I passed the test. There were 10 questions asked out of 120 questions. I got 9 of the questions right. Thanks to

the Lord and some friends, I passed in flying colors. I want to thank Alice Casey and Tim Doss for their help. I am now waiting for the last interview which should take place in the next couple of weeks. The people at the immigration office said there was just one problem: the pictures I sent them weren't any good. Well, I took some more pictures and sent them, not that they were any better!

Well, while I am here I have visited our children and will be visiting some friends and churches. I would love to be able to visit all of you while I was here, but I would rather do that with my wife here with me. She is in Brazil taking care of the things so I can be here. Please pray for her! The home is doing fine. We have seen many changes in many of the kids. Continue to pray for them as they grow in the Lord. Pray for them to understand that God is always there ready to help them and to forgive them. Satan's greatest attack on them is to make them think that they can not be forgiven and that God will not use them because of their past. We have had many of our older kids that did not know how to read and write, learn. It is exciting to see what God has done. Sometimes they don't even believe it themselves. We had 10 baptized in the last few weeks. The mission points continue to grow. We are having services at several homes and also in community club house. We have had a full house on Sunday nights. We are running over 400 in attendance. A teacher that came to help teach at our school got saved. The kids would always ask him to go to church. Praise God he went. He and his son were baptized on the same day. Now here is a word from Kathy:

I always marvel at what God does in the lives of these children. The Bible shows us what God can do, but it is our lack of faith that keeps us from believing and acting. Our everyday live keep us so busy that so many times we miss out on seeing God at work. This week I have seen changes in many kids. I've seen God at work and also seen the enemy at work. I would like to tell you a little about one of the girls whose name is Diane. She is 15 years old. She came here because she was getting deeper and deeper into drugs. Her mother is drug addicted and is not married. Well, the daughter was going in the same path. Diane was involved with a guy that was older. This guy lived his life in witchcraft rituals. She became also involved in this. In one of these rituals a tattoo was made in her lower back. It is a strange design with an eye on it. When she got saved she asked me if one day she should take it off. I told her sure, but we would have to pray for God to provide the way. She has had a hard time forgetting her past. The guy she was involved with got out of jail and soon got killed. Probably from God. She was involved in many different things. One of them is called RPG (Real Play Games). This is very popular here now like it has been in the states. For those who do not know what that is, it is a game where demons do tricks and answer questions. Very dangerous!! She had been telling me that she wanted to get rid of the things that this guy had given to her. She just could not let go. One night last week she was in bed and started thinking about the guy and what they used to do together. All of a sudden she heard a voice that asked what she was thinking. She jumped and said who is there? It told her to shut up, that she was talking too much and that he would like to beat her, but said that he could not get close to her. He said there were too many people between him and her. She realized then that she needed to get rid of the things that linked her to her past. She gave me all the things that that guy gave her and we threw them away. We are called to be free. Pray for her. No one else in her family is saved. Moms and Dads, watch out for what your kids are dealing with at school. Satan has many attractive things out there. And not knowing is not an excuse. Our youngest daughter remembers when she was in junior high many kids playing games that asked the kids questions. One you might know is called the Ouija board. We need to ask God to open our eyes so that we can see the dangers our children encounter.

May God richly bless all of you. We thank you for your support and your prayers.

Dear Friends: October 22, 2001

Thanks you for your prayers in behalf of Alta. Praise the Lord she is almost back to perfectly normal. We thank you for your prayers and we thank Dr. Richardo Fujikawa who has made two trips to Brazil representing the Palmer University of Chiropractic. On both trips he has made stops in Londrina so he could treat Alta. We thank God for Ricardo's love and care.

This month our schedule had been the usual services and seminary classes. However, God has done some unusual things. Yesterday morning a woman came into our service just at the end of the message. She talked over the shoulder to one of the ladies sitting in front of her. In a moment the member walked up the aisle and quietly said, "There is someone who is dying and that lady has come to ask you to go to see the person."

I went to speak to the strange lady and told her I would go immediately. It was the Sunday School hour and there was no one to teach my class. Then I remembered that Alta had trained one of the boys in her class. He was going to give the lesson with flannelgraph.

"Couldn't Gustavo give the lesson for everyone?"

"Why not?" she answered.

As I walked out of the building to see the dying woman, the flannel board was moved to the front and young Gustavo (11 years old) directed his first service. This boy is an orphan and lives with a great aunt. He has been saved and baptized about two years. Pray God will call him to preach.

When I arrived at the home I encountered a sad situation. The family had been called. The children and grandchildren were there. The youngest of her children, with whom she lived, was in a state of shock and crying. I did not think the lady, Deolinda, would live through my visit. She had suffered three strokes. Her eyes were half open but she was not seeing. I knelt close to her and spoke into her ears. After much trying, she nodded slightly that she was hearing. Then I spoke to her of Jesus and she began to cry. I knew God's Word was getting through. I asked her to stop crying because when God forgives He never remembers our sins again. She stopped crying. I asked her to nod her head if she understood.

"Do you believe Jesus Christ died for your sins?" She nodded that she did.

Dear Friends,

October 31, 2001

Greetings to all, this time from Lexington, Kentucky. Anita and I left the capital city of Lima on Tuesday the 23rd. After a short layover in Houston we were met by our daughter, Leah, and my sister-in-law at the mission house here in Lexington that evening. We had good flights without any problems. We thank each of you for your prayers.

Please note our new e-mail address and phone number above. We are open for speaking engagements with our supporting churches. Anita and I are looking forward to being with each of you and sharing what great things our Lord has done.

Leaving Peru is always hard for us emotionally. The Central Baptist Church of Huanuco where I pastor gave us a big send off. They are some of the Lord's choicest saints. We miss them already. I baptized six the Sunday before we left. We ordained our co-pastor to the ministry, and the following day we ordained another deacon in the church. So we left the church in good hands and running smoothly before we left. It won't be smooth for long, it never is, so please remember to pray for Eli Poma, our co-pastor and the church there in Huanuco.

The three mission works out of Central Baptist in Huanuco are doing well. The works in Challana and Huariaca are also doing very well. It seemed that everyone was very encouraged in the work when we left. We pray it will be that way when we return in May of next year.

The mission work in Huaral (hour and a half north of Lima on the Pan American highway) is doing very well. Pastor Carlos Gonzales and his family were finally able to move into their new house we've been working on for the second floor until we return next year and help with the construction of a new church building.

Once again let me encourage each church to get in touch with us soon. Until next month.

Serving Jesus in Peru,
Sheridan and Anita Stanton

Dear Brethren:

October 30, 2001

As I mentioned last month, we were to attend the Mission Conference hosted by the Lake Road Baptist Church of Clio, Michigan where Brother Doug Armstrong is Pastor and Grace Baptist Church of Holly, Michigan where Brother Bob Hopkins is pastor; we did take part in this conference. As always the messages were great, the fellowship was excellent, and the meals were outstanding. These two churches have hosted this conference for many years now and they are always just great.

Betty and I also visited the Means Baptist Church in Means, Kentucky, where Brother Jeff Deel is pastor. I was happy to be invited to bring the evening message. Brother Jeff is doing a great job there, although he was a little disappointed because last year they had 19 additions and so far this year have had only six. This sounded pretty good to me for a small country church.

Last night we arrived home from Livermore, Kentucky, where we had the pleasure of participating in the Mission Conference of the Richland Baptist Church. The church was celebrating their ninety-eighth anniversary, and the pastor, Glenn Archer, was celebrating his sixtieth birthday. This was another great conference.

We want to thank all these brethren for letting us have a part in all this.

In His Name
Bobby D. Creiglow

"Will you trust Him to save you right now?" She nodded she would.

Her crying had stopped; she seemed to have peace. I prayed, gave my phone number and told them I would be back about three o'clock. The family was considering taking her back to the hospital and asked what I thought. "If she were my mother I would not," I answered.

At three o'clock I returned. I asked a granddaughter who was at the front of the house if they had taken her back to the hospital. She said they had not and that her grandmother was a little better. I thought she would be dead. She was far from it. As I walked into the house she was sitting in an armchair with children and grandchildren all around. I could not believe it. I stayed a few minutes, read some promises from the Bible, and told them I could come again tomorrow. As promised, I went there today. What I saw was one who was as if she had been resurrected. She sat there full of life and praise for God. I praised Him too, and tomorrow I will visit Deolinda again.

Our God is the One who works mightily, who is worthy of praise and to be feared.

We have 4 days left and look forward to being at our home church, Emmanuel Baptist, and getting to see my brother David who is in from Brazil for a few days.

Thanks for taking time to read and rejoice with us. Thanks for your prayers, thanks for your faithful support. May Jesus Christ be praised!

Dear Brothers and Sisters of the Savior:

October 11, 2001

During this Mission Sheet month (Sept. 9th to October 11th) I preached a total of 11 sermons. Ten of the eleven were delivered at the 24th of March Baptist Church where I am the pastor. On the 30th of September, I preached at the evening service at the Monte Siao Baptist Mission here in Manaus. The pastor there is Gibson Sergio S. Farias. He is one of my students in the Bible Class that I teach on Monday and Friday nights. The mission is three years old and they have a very good attendance and ministry under Brother Gibson's leadership.

The weather here is still hot and dry. Yesterday afternoon we had a wind and dust storm which covered the inside of the house and porch with a thick layer of yellow dust. Yesterday I returned for a visit or office call with my heart doctor. The report he gave, after a thorough examination, is about the same as last month. At least, I am not any worse.

I am to return on the 8th or 9th of November. The doctor is now thinking that the best solution for my heart condition is to have a pace maker installed. He will talk more about this in November, the Lord willing. They do not do this type of procedure here in Manaus, only in Sao Paulo and in the States. Pray with us as we decide what is the best thing to do. We do thank all of you readers for your prayers, cards, and letters. Also we thank each one of you who have called us from the States, suggesting that I come to the States for treatment. It is good to know that so many are praying for my health.

Last Saturday night, Marie and I attended the ordination service of Brother Enedson Lima. He was also installed as the new pastor of the Monte das Oliveiras Baptist Church. Asa Mark delivered a most inspiring message. He won Brother Enedson to the Lord over twenty years ago.

We are praying for the war situation in the States, also for the families of the many victims who lost their lives September 11th. May the Lord bless and comfort their hearts is our prayer. It is hard to pray for our enemies, but we remember the prayer of our Lord and Savior, Jesus Christ, as He prayed on the cross of Calvary, "Lord, forgive them as they know not what they do."

May the Lord bless each one of you is our prayer.

Dear Brothers and Sisters in Christ,

October 30, 2001

Greetings from Brazil once again this side of eternity. I say it that way I guess because on the news and in the streets of my city I see many people going out into eternity daily. May we all live our lives with eternity's values in view. The only thing we will take with us are the good works that the Master approves of.

We have moved into an apartment as I mentioned last month. Above I have listed our new phone number. Our address and E-mail stayed the same. We are working hard to open up our newest work in Jardim Fortaleza by the first part of December. We are a little bit behind on this, but the Lord has provided the funds for it to be concluded. Next week we will start back up that construction. We only lack basically the flooring and making some small tables etc., for Sunday School. We are getting

excited about it. It won't be an easy place, but if Jesus carries we are sure that that church will have a tremendous impact on that community as all of the ones we have opened have. We praise the Lord and thank all of you who make this possible.

Last week I and six more of our ordained preachers went to Novo Diamantino and ordained the new Pastor into the Gospel Ministry. That makes three in the last three years. We praise the Lord for that. We rented a bus from Pastor Jairo in Varzea Grande, and were able to have about sixty people from Cuiaba there. That is quite a feat when you consider the distance and bad roads. I only got two hours rest that night since I had to preach three times the following day here in Cuiaba. I am thankful the Lord has given me the health to hold up under this pace. I have lost 30 pounds since coming back from furlough. I feel better, but the extreme heat at this time of year is giving me weak spells and dizziness at times. It is getting up close to 115 degrees some days. We are waiting for the rain to come to help alleviate the situation. Ursula is really suffering this time of year. Pray for her. She has recovered very well from this last surgery. She has to go the States the last of December for a check-up at the Hospital where she had colon surgery last year. Some churches and friends are making it possible for Michelle and I to go also. We will only be there for about 4 weeks and will not be able to travel much, but we plan to come home on furlough the first part of 2003 for a more extended furlough time. Michelle will be finishing High School and we will need to bring her and get her settled in there. May the Lord bless all of you. Until next month.

Yours in Christ, Harold Draper & Family

Dear Prayer Partners,

November 3, 2001

Greetings from Paducah, Kentucky. Well, we are out on the road again in meetings. Pam and I feel that we have a responsibility to report to our friends and supporters concerning our ministry in Kenya. The Lord has really blessed in our meetings. Since we came back to the States in mid-July, we have been in 30 different churches. We have been to churches in Ohio, Michigan, Kentucky, Tennessee, Missouri, South Carolina, and West Virginia. So, we have really been on the move, and very busy. We have enjoyed seeing old friends, and also, making many new friends. We thank the Lord for the interest people have shown towards the Lord's work in Kenya.

As we approach the time of year when we celebrate Thanksgiving, we are mindful of so many ways that God has blessed us. We are so thankful to be from the U.S.A., and to be Americans. God has blessed us with His salvation, travelling mercies, a great family, good friends, and blessings that are too numerous to count. How humble we feel as we are very unworthy of so many of His blessings. Let each of us remember the numerous ways that God has blessed us, and strive to serve Him more each day.

Recently, we were in a mission conference in Livermore, Kentucky. Pastor Glenn Archer, and the members at Richland, did a great job in hosting this mission conference. It was great seeing Sheridan and Anita Stanton, missionary friends in Peru again. The fellowship at the conference was great. We are looking forward to seeing many of you at the BFM Thanksgiving conference in Michigan in a couple of weeks.

Presently, Pam and I are visiting with missionary friends from Kitale. Lloyd and Doris Banes were some of our good friends in Kenya. Please pray for them, because they will be retiring from their mission next May and both of them have had health problems.

Since we have been back in the States, we have put on a lot of weight. Our friends that we have visited have taken care of us very well, too well. Everyone seems to want to fatten us up, but the problem is, we don't need the extra weight! So, Pam and I have been trying to walk to shed some unnecessary pounds. Wherever we are we try to walk an hour a day. The other day we were walking, and someone called us on our cell phone. It was a lady from one of the churches where we had a meeting. The Lord burdened her about supporting our orphans in Kenya, and she was calling us to let us know. Praise the Lord! Cellular phones have been great for us, because otherwise, it is difficult for people to get in touch with us. Also, we use our cellular phone when we have a problem on the road, or need directions from a pastor to his church.

The Lord is blessing our family, too. One of the greatest thrills for parents is to see your children go into Christian work. Our daughter, Sara, and her husband, Graig, have been raising support to work in a college ministry at the University of Michigan. They started their support raising last January. As of this date, they reported to us that they now have 88% of their needed support! So, God is good!

Also, our son, Nathan, was approved by our mission board to work in Kenya with us. Nathan will be a big help to us, as he will be heading up our youth and outreach ministry. He has been sharing his future ministry in Kenya with many different churches. During his presentation in churches, he has been using his ventriloquism. So, he has been using his vent figure, Judson, to help present the needs in Kenya. They do a cute skit called, "Please don't send me to Africa." We are hoping that Nathan will be able to raise all his support, so that he will be able to return to Kenya with us early next year, Lord willing. Nathan has been ac-

tively raising his support since August. The Lord has really blessed his efforts, because he has reported to us today that he has 50% of the needed support pledged from friends and churches. Also, on October 21st, Nathan celebrated a milestone in his life as he turned 25 years of age. Please pray for Graig, Sara and Nathan as they prepare for the Lord's work.

Well, we have meetings this weekend, and then we have to get home to West Virginia. Pam's mom will be having surgery this Monday. So, we really need to get back. Please pray for Mrs. Harris that the operation will be a success and alleviate the problem of pain in her legs.

Continue to pray for Pam and I, that the Lord will bless in our home assignment ministry while we are in the States. Pray that the Lord will give us His strength and safety while we travel on the roads.

Thanks again for all that you have done to help us along the way. We deeply appreciate your prayers for us and our children. To God be the glory!

Love in Christ, Mike and Pam Anderson

ones would be involved in all kinds of bizarre religious behavior. What Juliana discovered was that her aunt and uncle were the happiest, most sane couple she had ever been around. In fact, while she was with them she wanted to participate in their weekly Bible study and she attended church services with them. When she returned to her family a few weeks later she told them all that if anyone said anything negative about her aunt and uncle's religion that they would have a fight on their hands. That wasn't our intention, but we are thrilled that she had such a positive impression of Alceu and Regina's new walk with the Lord.

Have you ever had a sense of intense spiritual expectation? I am nearly overcome by just such a sense lately. Most of those involved in our leadership training have shared a similar sentiment. We have been praying together about how the Lord would better use us to advance His kingdom and we trust that this great expectation comes from His working in our hearts. We can hardly wait to see how this will work itself out in practical ways and we are studying and planning regularly together to be equipped to do what He wants to do through us. I believe that we will soon see a great harvest of people turning to Christ as their Savior. Our team workers are diligently praying and working to be equipped to reach lost folks for God's glory. I'm looking forward to sharing with you all the news of how God will answer these prayers of expectation for His glory. Please remember to pray for us.

Joyful in Christ's service, Bobby, Charlene, Jessie and Brennen Wacaser
