## Still On The Go ... Cemetery Service ... Report On Health ...

Dear Brothers and Sisters of the Savior:

November 22, 2001

Since my last mission sheet letter written Oct. 11th, I have preached a total of 11 sermons. Eight of the eleven were delivered at the 24th of March Baptist Church where I am the pastor. One Sunday night service I preached at the Nova Alianca Baptist Church where Brother Marivaldo Alves Natario is the pastor. Two young ladies came forward asking for baptism. This service was on the 14th of October, Sunday night. Then on the 27th of October I preached an evangelistic message in an open air service at the square close to the church building of the Armando Mendes Baptist Church. A fairly good crowd attended this service. On the 4th of November I brought the Sunday night message at the Comunhao Baptist Church where Asa Mark Bratcher is the pastor.

During this Mission Sheet month, three asked for baptism at the 24th of March Baptist Church. We already had three waiting for baptism. On November 2nd, a group met at our house around 4:30 p.m. and we went to the Saint John the Baptist Cemetery, where we were met by the others. We gave out gospel tracts to the multitudes who were burning candles for their deceased loved ones. Services were held at Joel Harold Bratcher's grave and at the Pioneer Missionary E.A. Nelson's grave. Then after services, there were around thirty people who were served hot dogs, cake, and soft drinks at our house. Since 1959, I have visited the cemetery on November 2nd every year I have been in Manaus.

Today Marie and I returned to my heart doctor for another office call and check up. After examining me he reported that there is no change. He did increase one of my medicines by half a pill every other day. He also said that a pace maker is the only solution to my problem. I have to return to him before the Christmas Holidays. He told us that there is a doctor

coming to Manaus soon and is experienced in installing a pace maker. The hospital already has the equipment necessary for this procedure, but, until now, no experienced doctor was available. It will be January before they will be able to get organized enough to begin this type of heart treatment. Again, we thank each one of you for your prayers, cards, letters, and words of encouragement. May God bless each one of you is our prayer. Continue to give to BFM and to pray for all of us.

Dear Brothers and Sisters,

November 30, 2001

Thanksgiving is over and we have much to be thankful for. As we come near the end of the year we start to think about what has happened in our lives and ministry, both good and not good. We remember Romans 8:28 and try to apply it to our own situation. It's always easier to apply it in the lives of others than in our own.

So much for that; the Lord continues to work in our midst.

We are not seeing

many saved, but

we are seeing some

grow a lot and others

grow a little.

Also, we see some

fall by the wayside

and wonder if they were wayside hearers or disobedient children. I'm thankful we're not responsible to determine that.

In two weeks we will officially open up our second work this year. We already are making visits and personal contacts in the neighborhood. Our Brazilian worker and his wife are making plans to start working there full time. They will be under the authority of the Altos do Coxipo Baptist Church which was started under the authority of the Chacara dos Pinheiros Baptist Church which was started under the authority of the Boa Esperanca Baptist Church which was started under the authority of the Tabernacle Baptist Church in Manaus. We have had the privilege to be involved in the ministry of four of these five churches. You dear brethren have been involved also in all of these works and still are. Isn't it a blessing to be able to be a part of God's work among men?

Dear Brethren:

November 28, 2001

The time has come once again to bring you the news of the past month whether it be much or little.

One night this month I had the privilege of teaching a class on missions at New Life Baptist Church where Brother Steve Wainright is pastor. My subject was, "Getting Started On The Missions Field." I tried to take them through the blessings and difficulties from the call to the mission field abroad to beyond the first year on the field. The people seemed to enjoy it as much as I did.

Each year for the past several years Betty and I have had the privilege of spending the weekend with Glenn and Judy Archer and the Richland Baptist Church just before Thanksgiving week. This is the weekend the church receives their special

Thanksgiving offering for Baptist Faith Missions. It is a time of fellowship and blessings for Betty and me as we try to be a blessing to them. We hope this tradition will continue for many years to come. After the Sunday afternoon service we leave the Richland Church, following the Archers to Michigan to participate in the annual Thanksgiving Conference in Dearborn Heights, Michigan.

The Thanksgiving Conference hosted by Brother Marvin Summers and the New Hope Baptist Church was better attended this year, and the speakers were at their very best. It is at this conference that churches are encouraged to give a special offering to Baptist Faith Missions. These offerings are needed and used to tide us over in the following year as enough is not received each month in the general fund to sustain the work. If you or your church has not given a special offering yet, it is not too late to do so and the Lord will bless you for it.

My Brother Ralph is very sick with terminal cancer and I am at this time staying here in Lancaster, Ohio, trying to take care of him. I plan to stay with him as long as I am needed. Ralph is saved and looking forward to being with Jesus.

I am still working with the video ministry of Baptist Faith Missions. Several tapes are already available and more are on the way. I would be happy to send these to anyone who requests them, or I would be glad to make the presentation with a video projector to any church upon request.

In His Name,  
Bobby D. Creiglow

Dear Praying Friends and Family,

December 4, 2001

Seeing the Christmas lights and being in the States for all of the festivities concerning Christmas has really been nice this year. In Kenya, there are very few decorations or festivities surrounding the Christmas season. This is due to the fact that Kenyans are so poor that there is no money for decorations, trees, lights, or gifts, as they desperately struggle to feed and provide for the other necessities of life for their families. However, they do respect the Christmas season for its true meaning, as they are aware so much more of the birth of Christ, and why we really celebrate Christmas. It is such a contrast here with seeing men dressed up like Santa Claus, the bustle of the shopping malls, decorated houses and stores, and people busy with all kinds of holiday activities. But all too often, the meaning of

why Christ was born as a newborn baby in the manger and grew up to die on the cross for our sins is lost in all of the activity. How we miss the simplicity of the Kenyan way of celebrating Christmas in its true meaning. It has been so good to see family members, and to spend time with our parents and other loved ones, but we do miss our church family in Kenya and the simple way of life there.

God was good to us this past month, in spite of the fact that we had many car problems. We used the mission car to travel back from the Thanksgiving Conference, but it began to malfunction after we had only been driving it for 2 hours. The head gasket blew, so I stayed back in Upper Sandusky, Ohio, where it broke down, to make sure that it was fixed correctly. Then, on our way to present our ministry at Thompson Road Baptist Church in Lexington, the engine crank from another car we borrowed, broke. We felt so bad about all of this, as we had used this same car on our last furlough. It was not worth fixing, due to the expense, so we had to have it taken to a junk yard. It was like burying an old friend, as we had traveled so many miles in the car. God really cared for us, though, as we have gone many thousands of miles and been in over 40 churches since we have been back, all without any accidents. He has provided so well for us, and we praise His name.

Our daughter, Sara, and her husband, Graig, are almost finished with raising support for their ministry on the campus of the University of Michigan. They are so excited, as currently, they are at 91% of the support that they need to go full-time in the ministry of evangelism and discipleship with the students on the campus of this big university. They are praying that the money will all come in before the end of the year so that Graig can begin ministering with the students when school starts again in January.

Nathan is at 60% of his support raising to return to Kenya with us in February. He has been to over 25 churches since he began visiting churches to raise support in August. He is getting excited as he prepares for his ministry by becoming involved in the youth ministry of our home church, Calvary Baptist, in Hurricane, W.Va., and also visiting public schools with a friend who is a youth pastor at Winfield Baptist. Pam is working with him in learning some Swahili before he goes on the field, and he is also studying some courses to teach in our Bible Institute when we return.

As we reflect on the goodness of God to us this past year, we are very thankful for all He has done to protect us while traveling, answer prayers on our behalf, work in the ministry that we left behind in Kenya, provide for all of our needs, and many of our wants, use us in spite of our sinfulness, and allow us the privilege of serving Him through a wonderful mis-

Dear Friends,

December 4, 2001

Last night we had a group in our home for an informal leadership meeting. It was exciting to see some folks that we reached 15 years ago when they were kids, and some folks that we reached just this year. There is a high level of motivation among them and we are working out the details for a new church plant just after the new year holidays.

As I was looking over our group of leaders it dawned on me that we now have more leaders than we had total church members just two years ago. We will have to begin double services in our home church very soon.

Our ministry through small groups meeting in folks' homes is really being blessed. We have visitors nearly every week. One of the neatest aspects is that those who visit would find it very difficult to go to a formal church meeting. These visitors are mostly neighbors or family of the host in whose home we are meeting. We rotate the location every two weeks so as not to overly burden one family with hosting the meetings. At each location different visitors show up. Some of these visitors have become regular attendees and show signs of being ready to accept Christ as their Savior and Lord. Last Sunday I baptized a lady who attended a house meeting for the first time because her husband asked that we hold the meetings in his home. Another lady who was recently baptized invited us to hold meetings in her home and we have had the opportunity to have her husband and sister-in-law attend along with two other neighbors. None of these folks have ever been to a formal Baptist church service and wouldn't likely ever do so. But through the relationships that they have established in the informal house meetings, attending one of our worship services is just a natural second step. God is blessing this ministry tremendously and we thank Him for it.

May God bless you all during this holiday season.

Joyful in Christ's service,  
Bobby, Charlene, Jessie and Brennen Wacaser

## Children Doing Well In School . . . A Dear Brother Called Home . . .

**Odali and Kathy Barros**

Dear Brothers and Sisters:

December 12, 2001

Greetings from the beautiful country side of Garca. Things are doing fine. It is good to be back home. I do believe my wife was more ready for me to get back.

The home is doing great. The end of the year is always hard financially for us. We are thankful for the friends and churches that have sent us offerings that will help us get through the difficult time. We live day by day depending on God and those that serve Him. We are thankful to God for those that He has used to help us. May God's richest blessing be on all of you.

Some kids that have reached 18 years of age are leaving. We have several that are 18. They will be leaving gradually. We try to make sure that they will be okay. The results in the school are really good. We had kids that had been in the 1st grade for 4 and 5 years. They now are going to be tested for the 4th and 5th grade. We are so excited for them. They are 13 and 15 years old. Can you imagine what it means for them to be able to read and write. We just really try to get them excited about studying. Pray for the teachers as we prepare for next school year. Our school year starts February 1st.

The church is doing great. We continue to have people saved and baptized. The mission points are doing great. The mission in Marilia will soon be organized. The Lord has provided a pastor that wants to work there full time. We are excited to see God working. We had a member from our church die while I was gone. It was one of the deacons. He was more than a friend to me. He was like a father. It was hard going to church and not seeing him there. He was a saved alcoholic. The first time he came to church he was so drunk he could not even stand up straight. Praise God for His mercy and wonderful work in our lives. He will be missed among us, but having a great time with the Lord and those loved ones of ours that have gone to be with the Lord. Please pray for his family. God has certainly given peace to their hearts. His mother-in-law is the oldest member in the church. She is just about to hit the 100 year old mark. I believe she is 97 years old. When the church bus doesn't go by she walks to church. To be old and strong is not bad. What do you think? She does some good cooking too.

May God bless all of you and keep you in His protection,

Love,  
Odali and Kathy

## DRAPER

(From Page One)

Michelle just finished her final exams today in a Brazilian High School. This year she changed over from English to a school where everything is in Portuguese. It has been difficult but it looks like she has passed in good shape. We are proud of her. Ursula contracted the Dengue fever this month and has been very ill, but is well on the road to recovery. I have visited or preached in four of our works this month. Nothing I enjoy equals the joy of having the opportunity to preach His precious word. I am presently teaching the Book of Revelations in Sunday School. I'm being more blessed than the students.

May the Lord bless all of you as the year comes to an end.

Yours in Him,  
Harold Draper & Family

sion board. Words cannot adequately express our appreciation to each of you who have prayed for us and given so that we can serve God in Kenya. It is such a high privilege to represent you and your churches in this foreign land, and we do not take the responsibility lightly. In the hustle and bustle of this busy season, let us not forget why we celebrate this time of year, and let us take time to honor Him who gave all He had for us, so that we can live eternally with Him after death. Let us celebrate His birth and His life by striving to serve Him more in 2002 than we did in 2001.

Hope you will keep in touch with us, as we love to hear from you and have a great holiday season, remembering the birth of our dear Savior.

Many Blessings to each of you,  
Mike and Pam

## Great Television Outreach . . . A Need For Your HELP . . .

Michael D. Creiglow  
Caixa Postal 24 69980  
Cruzeiro do Sul, Acre Brazil

Dear Brothers and Sisters,  
Grace and peace to you from God the Father and our Lord Jesus Christ.

September 6, 2001

If you could get into the homes of 100,000 people and tell them about Christ's free gift of salvation, would you want to do it? If they were willingly hearing your message, even though they might not ever want to come to your church, would you be excited about the opportunity to share Christ with them in their home? Sure you would! So would I and that is what I have been doing since 1990 through television broadcasts in Cruzeiro do Sul, Brazil.

For over 10 years, people in and around our town have been turning their TVs on every Saturday and Sunday morning to see and hear the clear presentation of the gospel. Many of these people have never been and will never come to hear the preaching at First Baptist Church. Some are afraid of what their priest or preacher will say or do to them. Some are merchants, politicians or other powerful people who listen closely, but would not invite me into their homes otherwise. Not long ago I discovered that even several priests and nuns also watch the programs. As is to be expected, some of the feedback is negative, but most of it is positive.

Brother Mike Creiglow baptizing at Rodrigues Alves.

One afternoon a few months ago as I was going through town, 3 merchants were standing and talking in front of their shops and called me over. One of them said, "Settle this argument we have been having." He went on to say, "This guy says he understood you to say on your last TV program that a man can be saved by Christ alone, without good works. Explain to him that that can't possibly be true." Needless to say, I had another wonderful opportunity to witness again to those 3 men.

The airtime is very inexpensive, at least by normal standards. We spend about \$300.00 a month for 8 one-half hour programs! On the other hand, the equipment necessary to produce an acceptable broadcast quality tape is not cheap. Much of our equipment is old or broken down altogether. It is time to get it all back to normal. To do this I need your help.

Those of you who know me, also know that I don't call on you often to help financially. The last time was 3 years ago when I needed to replace my boat and motor. You also know that I only call on you for high profile projects that can be done in one shot. These projects are always viable and produce great results.

Now I need your help to renew our studio equipment and keep the TV programs on the air. Would you pray and consider a generous one time gift toward the equipment? The basic equipment will cost \$14,000.00. If you would like to contribute monthly for the airtime, that would be more than welcome, too.

If God leads you to help, please send your offering to: Pastor George Sledd, P O Box 471280, Lake Monroe, FL 32747-1280. (Mark them: Mike Creiglow TV program)

Thank you for all your faithful prayers and support. May God bless you richly.

In Christ,  
Mike Creiglow

Dear Friends,  
November 30, 2001

News is good from Peru. All the works are going well. Anita and I are on furlough in Kentucky. We enjoyed participating in the Thanksgiving Conference in Detroit. Thanks to the New Hope Baptist Church for having us. It was good to see friends that we had not seen in years. We are looking forward to visiting many of our supporting churches in the months ahead. If you would like to have us, please give us a call soon so we can work you into the schedule. At this time we are working on some personal projects here at the house each day.

One of the projects we are working on is getting a work team together to come down to Peru in July and help with the construction of the church building for our mission work in Huaral.

Huaral is on the Pacific Coast of Peru about an hour north of the capital city of Lima, on the Pan American highway. We are working on details at this time and hope several will have interest in a project like this. Let us hear from you.

Not much more to report from here; just that God is so great and loves us so much and we miss the work in Peru. We love you all and thank the Lord for each and every one of you. Until next month.

On furlough in Kentucky,  
Sheridan and Anita Stanton

## When God Blesses, Satan Fights . . . Truck Problems . . . Souls Saved And Baptized . . .

Jacarei, Sao Paulo 12307-430  
E-mail: ajbarb@iname.com

Dear friends and loved ones,  
November 30, 2001  
Things are going well here in Jacarei. We are noticing that the days are going faster and faster. I don't know if that has anything to do with our age or our work. But after the events of the 11th of September we have to realize how important it is for everyone to hear about our Lord and Savior Jesus Christ.

Here on the farm we have been holding meetings and God has been blessing. And things are going well. How do I judge this? Because the Devil is doing all he can to interfere with this work. We are having average attendance of 22 persons. Also in the meetings we have had five people accept the Lord. Another one in the Wednesday ladies meetings. In our visitation there have been two more accept Christ and they were in our Thursday night Bible study. Of all these, four have been baptized and two others are waiting baptism. What a privilege it is to be serving the Lord as we await His return.

This past month my truck has had a very trying time. The road is so rough the tail pipe end muffler has broken and part of it fell off, so I had to replace all of it. Next the tires had to be balanced and lined and new pieces of the front-end had to be replaced. And because of the alignment I had to purchase two new tires. The air conditioner went out and we had to have a new pump installed. We were in town the other day and the windshield wipers quit working. The man said that it needed a new computer chip but he thought that he could solder the old one and make it work. Praise God it is as good as new. Also had to replace the shocks. Well, I have an almost new truck again and I thank God for those there in the States that are sending money for the truck repair. Talking about all of this reminds me of how I was reared. I lived on a gravel road for some time before the government decided to black-top the road. Here, this is not a gravel road, it is a dirt road. It makes me appreciate our roads back home.

Our Portuguese classes are going very well. Going to class 2-3 hours per day and homework about 4-5 hours when we get home. It is really hard to be a student again. But with the help of God we will learn this language and be used in His service. I guess our orphanage has not started because God knows that we need this time to study and give all of our attention to the learning of the language. The paperwork it seems to us is at a standstill. But you know how it is when you want something to hurry up, it seems to go even slower.

We had visitors from the States this month and it was a real pleasure for us. My brother and his wife from Texas and three others from his Church. They were a real blessing and we were able to witness our first baptism here on the property. How Great is the Lord we serve. Remember our new address and e-mail address. This is to remind everyone how great it is to get cards and letters from home. The information is not old news for us but a little piece of home.

Remember us and the work here in your prayers. And always remember this is happening because of your love for B.F.M. missionaries and your contributions to the works. Again, thanks and continue the good work.

In His service,  
AJ and Barbara
