Dear Special Friends and Family, January 2, 200
It is with much excitement that we face this new year. Go

It is with much excitement that we face this new year. God richly blessed us during 2001, as we started a Bible Institute in Kenya to train our national church leaders who feel that God is calling them to preach; started a Bible club in a public school; built a temporary church on our church property; baptized many new believers into our local church; trained several more of our members in methods of reaching people for our Lord; hosted two visiting mission groups from the United States and helped some of our people to get jobs. We returned to the States for furlough in July, and have had traveling mercies to be in over 45 churches, and to travel over 20,000 miles during this time without any accidents. Although we did experience car problems several times, the Lord helped us in each situation and we

thank Him for His bountiful goodness. Truly, 2001 was a good year.

But we are getting excited about returning to Kenya in February to begin a new phase of ministry there. While we have been here in the States, we have reflected on the ministry in Kenya and want to establish some goals in order to allow us to do a better job of serving our Lord there. Nathan, our son, will return to Kenya with us, Lord willing. Currently, he is visiting churches to raise support to come to Kenya to minister with us, and he has raised 67% of the money that he will need each month. He is praising God for how He has blessed him with good meetings, many churches and people interested in his work there, and traveling mercies. Nathan will be giving a report on what he wants to do in Kenya later in this

him with good meetings, many churches and people interested in his work diete, and daveling mercies. Nathan will be giving a report on what he wants to do in Kenya later in this article. Please pray for him that he will get all of the financial support that he needs soon.

Andrea, the German lady who will be joining us in Kenya later this year, has returned to Germany to prepare for her ministry with us in Kenya. She is currently doing an orientation with her mission board to prepare her for mission life overseas. Lord willing, Andrea will be working with our orphanage as it grows, and will be assisting Pam in her ministry of nursing. Andrea is a Registered Nurse and will be taking classes in tropical medicine in Germany to prepare her for her work in nursing. She has a servant's heart and a real willingness to do whatever needs to be done, so will be a big asset to us. We are excited to think of the possibilities of adding Andrea to our team and how much that she will be able to benefit the ministry there.

We have prayed about many goals that we want to see accomplished during this year. I hope to get more involved with the students of the Bible Institute in discipling them as they prepare for the ministries that God is calling them to do. We have four young men who feel that God is calling them into the ministry, so they will need much of my time and attention as I supervise and advise them in their various ministries. Also, with Nathan's help, we hope to extend the Bible Institute to all day classes instead of only having classes for half a day, as we do currently. With Nathan's degree in Bible, he can assist me in teaching so we can extend the classes to last all day. Much of my time will be devoted to study in preparation for teaching the classes, too, as we ground our people in the fundamentals of the Word of God.

Another goal is to establish another Baptist church in an area that has no churches at this time. For over a year, we have been holding a Bible club in a public school in our area that has no churches in the vicinity. We, along with our Kenyans who assist us in this club, have been getting to know the students of this school so that when we return, we hope to visit in the students' homes and get to know their families in the hopes of starting another local Baptist church.

Lord willing, we plan to expand the orphanage that we began in 2000 to include other children as the Lord provides. Because of the Aids epidemic, millions of children are left without parents in Africa each year and we want to do what we can to help in this area. This will probably involve getting a larger piece of land and building a facility, but we will wait on God to see what will happen.

A permanent church will need to be built on the church property this year to facilitate the Bible Institute and our growing church. Before we left Kenya we built a temporary church that our people have been meeting in while we have been in the States, but they need a more permanent building as we expand in size and programs.

Before I close, and Pam and Nathan give a report of their goals for this new year, we want to make you aware of some prayer requests that we have. Please pray for safe passage, and a smooth transition back to Kenya for us. While we have been in the States, we have purchased many supplies to be used in the medical ministry and in the Bible Institute, and we need to ship these to Kenya. This is expensive, so we need help to cover the expense of getting these needed supplies over there.

#### Remembering BFM In Your Will ...

Sister Ethel Stewart of Winter Haven, Florida, a member of Southside Baptist Church went home to be with the Lord in 2001. She was almost 101 years old. She loved missions and the missionaries of BFM. As can be seen on the financial page, she left a good gift to BFM. We thank God for those who remember BFM in their wills.

#### <mark>- SPECIAL</mark> REQUEST –

Marie Bratcher had to be admitted to the hospital on Christmas Eve with severe chest pains. She spent two days in intensive care then several days in a regular room. She is now home but must undergo further tests. Brother Bratcher has been told that he needs a pacemaker to regulate his heart. Please remember to pray for Brother and Sister Bratcher.

Mike and Pam Anderson with their son, Nathan

Also, please pray for unity among the church member, and for wisdom for us as we try to settle problems in a different culture. Pray for a quick resolution to our court case as it will soon be 3 years that we have been dealing with this case, and we want to go on with the ministry that God has called us to instead of spending the Lord's time and money on this court case.

Thanks to so many of you who pray for us daily and write to encourage us. We hope that many of you will come to see us in Kenya this year and be involved in what God is doing there. May God richly bless each of you as you labor for Him in your harvest field.

Serving together, Mike and Pam

#### PAM WRITES ...

I am excited as I think of returning to Kenya soon. Lord willing, I will be returning to the medical profession of nursing when I return. In March, I plan to take a course in tropical medicine in Nairobi. A team from Baylor University in Texas will be coming to Nairobi to teach a class in tropical medicine, and I have signed up to take the class. Last year, the administrator of a hospital in Kitale approached me about helping him a day or two per week training his staff, and going out into the very remote areas to do clinics with some of his staff. This administrator is a Christian, and will allow us (Mike and I), to do this as a way of presenting the gospel to people who have never heard. We have known this administrator for some time, and he has a real love for our Lord and wants to use his hospital as a means of helping people physically as well as spiritually. Mike could preach to the people before they see the doctor, and I will assist the doctor, as well as some of the other staff in doing the medical work. Pray for this new opportunity that we have that God will bless this venture, and that many will be reached with the good news of Jesus Christ.

Lord willing, I will be assisting Mike in starting a new church, as I will begin by teaching

Lord willing, I will be assisting Mike in starting a new church, as I will begin by teaching Sunday School, and then teaching others how to teach, as well as starting a ladies Bible study in homes. We will be busy visiting and assisting the Kenyan leadership as we start this new church. It is such a great privilege to be a

missionary and to use our talents to serve Him who gave so much for us.

Thanks to many of you who have written to us, and for your many prayers on our behalf. We could not do what we do without your help. Please do keep in touch through E-mails, or by letter, and know that we love you and appreciate all that you do for us. Happy 2002!

#### NATHAN WRITES:

I am excited about returning to Kenya in a little over a month. It has been very encouraging to hear the response from those interested in the ministry from the churches I have visited, as well as others who have expressed interest in coming over to Kenya to see the ministry firsthand. One of my goals upon returning to Kenya is to develop a good recruiting program so we can more effectively meet the needs of those interested in coming to see the ministry. Other areas of ministry will be leading the evangelism program, project management, youth ministry, teaching in the Bible Institute, and developing a strong public school ministry in Kitale

Please pray that God would provide the rest of my support. It has been exciting to see how God has provided so far, and I am trusting Him to provide the rest in His time.

It has been also exciting to be involved in various ministries within my church and other churches in the area. God has opened doors for me to assist and to gain experience in areas that will help me upon my return to Kenya.

I would love to hear from any of you that would be interested in writing. My e-mail address is: naterad@yahoo.com Have a happy New Year, and let's make 2002 count for eternity. God bless you.

Sincerely, Nathan Radford, Proverbs 3:5,6

## ANOTHER DIMENSION ADDED TO BAPTIST FAITH MISSIONS OUTREACH

#### Important Information As To Support Workers

BFM has added another dimension to our missionary outreach assistance. We are seeking to help SUPPORT WORKERS who want to volunteer to go help our missionaries with sup port services. These SUPPORT WORKERS are usually young people who have previously visited our missionaries' ministries, and the Lord has burdened them to go back for an extended time to serve the missionaries in any way they can.

We want to encourage anyone who will volunteer to go and help our missionaries. We especially want to help and encourage young people who are seeking God's will and direc-

especially want to help and encourage young people who are seeking Good's will and direction for their lives concerning missionary service.

SUPPORT WORKERS who are approved for recommendation must receive a specific and personal invitation from the missionary to come to the field of service. We examine and interview prospective SUPPORT WORKERS the same way we do missionary randidates. We review their salvation experience, their interest in missionary service, and their specific values for what they intend to do so half the missionaries. They must agree with our Doctriplans for what they intend to do to help the missionaries. They must agree with our Doctri-nal Statement and agree to conduct their activities consistently with our beliefs, distinctives, and practices. We provide them with contact information to our supporting churches and recommend the supporting churches to consider them for whatever designated support ofyou can give them

BFM COMMITS NO FUNDS TO SUPPORT WORKERS. They must raise their own funds for travel to and from the missionary's field of service and for whatever living and maintenance expenses they will need while with the missionary. They should not be a financial burden to the missionary while they are helping there. ALL FUNDS THEY RECEIVE MUST BE DESIGNATED FOR THEM BY THE CONTRIBUTORS. We will, however, receive the funds that are designated for them and forward those funds to them on the field through the

One of these approved SUPPORT WORKERS is Nathan Radford. Many of you have already met him or have had him visit in your churches. He is planning to return to Kenya with Mike and Pam Anderson to help them in a variety of roles and ministries. We introduced and featured him in the May issue of the Mission Sheets.

We want to introduce to you Stephanie Parker also. She visited with Odali and Kathy Barros this past summer after graduating from Liberty University. As she helped them in the ministries of the Central Baptist Church and the Alpha and Omega Children's Home, the

Lord burdened her with a strong desire to go back there to help in their ministry.

Here is Odali's recommendation and her testimony. We encourage you to consider her for designated offerings to help her go back to Garca to serve the Lord there. Contact her by e-mail or phone. Talk with her. Ask her to come to speak to your ladies groups, Missionary Circles, or to your church's Missionary support committee

#### Odali's Recommendation of Stephanie Parker . . .

Dear Friends of Baptist Faith Missions

We want you to meet Stephanie Parker and prayerfully consider helping her financially to come back to Garca and help us in the ministry of Central Baptist Church and the Alpha and Omega Children's Home. She came here this past summer and worked with us for about two months. She believes the Lord is leading her back here to help us for an indefinite period of time

The reason that we fully recommend that you help Stephanie is because she deserves it. We are not just doing her an empty favor. She is the most dedicated young lady I have ever met. With the kind of work that we do, you can really find out who truly serves and loves

the Lord, and those that are just doing their job.

Stephanie always goes beyond what we ask her to do. She always showed her love for the children and spent lots of time with them. The kids really loved her. Of all the people that have been here to do summer work, she is only the second one that I fully recommend.

While she was here, everyone could see the light of God shine through her life. I believe that God blessed her because she had such a desire to share the gospel with lost souls that she learned Portuguese at a tremendous rate. In the little more than 2 months that she was here, she was able to go out and witness to people in their homes. She would go out with a group of kids from the home every day to visit in the neighborhoods. She taught them and helped them to witness. They all had a wonderful time.

Kathy and I look forward to having her back here with us. She is a young lady with a vision and a burning desire to witness and tell others about Jesus!

For all the churches or individuals that read this letter, I fully recommend Stephanie Parker for your prayer and support. She is worth every dollar you invest in her.

We want to thank you for asking Stephanie to come and talk to you, and for your interest in helping her with offerings for her living expenses and supplies for witnessing projects

If you do make it possible for her to be here with us, Kathy and I will greatly appreciate your help. She will live here with us and work through the Central Baptist Church under my leadership, and we will do all we can for her.

In Christ, Odali

December 28, 2001

Well, here it is the end of the year and time to look back and see what we have accomplished for God. To see if we could have done more or if we could have done things differently and have done things better. I don't think there would be any one of us that would say that we could not have done more or that we could not have done it better. But what God wants from us is that we have done all for the honor and glory of Him. As you know we are in Portuguese classes and God has given us a unique opportunity. Our Portuguese teacher also teaches English and one of his students is from Israel. As our teacher is a Christian he was concerned about this student and asked us if he could bring him out to the farm to get to know us for us to

E-mail: ajbarb@iname.com be able to eventually witness to him. You see, though he grew up in Israel with Jewish parents, he is a professed atheist. So we invited the two of them to spend one Saturday with us here on the farm. We tried to show a Godly example and pave the way to eventually talk to him about our Lord and Savior and his need for this Savior in his life. What we need from you there in the States is much prayer because this will be a hard task. He is a learned man and the Devil has a strong hold on him. He enjoyed our American

#### Stephanie Parker's Letter of Introduction . . .

Greetings in the Name of our Lord! I'm so grateful for this opportunity to share with you

what God is doing in my life. Thank you for taking your time to read this.

MY TESTIMONY: First of all, I praise the Lord with all my heart that God saved me when I was a little girl. When I was around four years old, the Holy Spirit convicted me that I was a sinner and that I needed God's forgiveness, which is only available through faith in His Son, Jesus Christ. I believed that Jesus died on the cross for all my sins and rose again, and I asked Him to come into my life and be my Savior. Praise God that the Bible says salvation is a free gift of God by His grace through faith in Jesus Christ alone "...not by works lest any

man should boast" (Ephesians 2:8,9). I'm so thankful for my godly parents and brother who love Jesus Christ with all their hearts and who have greatly helped me grow in the Lord. Since I was a child, I've rededicated my life to Christ many times. Praise God that through His Word and my godly family and Christian teachers and friends, God has deepened my understanding of Himself, His awesome salvation, and my desperate need of Him in every way. I know that apart from Him, I can do nothing (John 15:5).

FIVE WEEKS AT ALPHA AND OMEGA: Thanks to the Lord and the help of my family, this past May I graduated from Liberty University with a RS in Religion, with a focus on

this past May I graduated from Liberty University with a B.S. in Religion, with a focus on Biblical Studies. This past June, God worked it out for me to go to Alpha & Omega Children's Home in Garca, Brazil, with my old youth group from Atlantic Shores Baptist Church. I can't speak highly enough of Pastor Odali and Kathy Barros and the tremendous work that God is doing through them and the faithful workers at Alpha & Omega.

During the five weeks I was living at Alpha & Omega, God gave me the opportunity to openly share the gospel and pass out Bibles and hundreds of tracts with my youth group and workers from A & O in eight or so local schools. Praise God that He saved many Brazilian students. We passed out hundreds of gospel bracelets, which were so helpful in explain-

God has put a deep love in my heart for the precious children and workers at Alpha & Omega. It was so enjoyable to live with the children at Alpha & Omega and read the Bible, pray, share the gospel, and play games with some of the children, as well as help out with various chores

It was such a blessing from the Lord to regularly go out to neighborhoods and the streets with some of the children from A & O to pass out tracts, share the gospel, and invite people to Central Baptist Church and the mission churches, which are led by workers from Alpha &

Omega, in nearby cities. I'll never forget Evandro, a young boy from A & O, leading an elderly man named Franchisco to Christ right on the street.

I firmly believe that God can and is using children who know Him as Savior to do incredible things for His Kingdom. In fact, in Matthew 19:14, Jesus says "...the kingdom of heaven belongs to such as these." It is important that we give children the resources, such as tracts, Bibles and tening the little in the little street.

Bibles, and training they need to be the most effective witnesses they can be for Christ.

FUTURE GOALS: God has deeply burdened my heart with the tremendous need of reaching abandoned children with the gospel of Christ, helping them experience God's love, training them in the Word of God, and helping them be involved in evangelism, church planting, and other missionary work. Praise God that this is the ministry of A & O.

The secretability of A & O.

I'm so grateful that Pastor Odali and Kathy have invited me to come back to A & O and be involved in the same type of ministry I was involved in this past summer. As the Lord leads and provides, I plan to return this summer as a support worker to Pastor Odali and Kathy and live on Flaudemere and Maria Jose's hall at A & O.

My primary focus will be on evangelism and discipleship and loving the children of A & O, who are already so dear to my heart. Pastor Odali has told me he wants me to help out in their ministries and to go out witnessing regularly with the children from A & O. My hour is

their ministries and to go out witnessing regularly with the children from A & O. My heart is to assist Central Baptist Church and the other mission churches from Central Baptist in the nearby cities, as well as the children of A & O, in passing out thousands of Bibles, tracts, gospel bracelets, church invitations and Christian literature, to schools, neighborhoods, and the streets of Brazil. My heart is also to connect the people from these outreaches to Central Baptist Church and/or the mission churches which have come out of Central Baptist.

PRAYER REQUESTS: Please pray for Pastor Odali and Kathy and the ministry of Central Baptist Church and Alpha and Omega.

Please pray that God will provide the support I need to live there as a missionary and that God would use me to fulfill the purpose to which He is bringing me to A & O.

Please pray that God will provide the money for ministry resources, such as Christian

books and tapes, for the children of Alpha & Omega.

Please pray that God will provide the money for the ministry resources such as Bibles, gospel tracts, gospel bracelets, and Christian literature, so the workers and the children and I can pass them out in the churches, schools, hospitals, neighborhoods, etc...

If you want to join me as a prayer partner, please let me know. I really need your prayers

and appreciate them with all my heart.
In Christ, Stephanie Parker, 5915 Essex St., Millington, TN 38053, (901) 873-3003

hospitality and food and I think we have an open door to have him in our home again. So please keep this in your prayers. He is working in the next town and he has hardly any immediate friends. So I think God is opening an opportunity for us in this area.

The work here is going well but the pace of the paper work is extremely slow. But we are learning the saying "everything in its time." However, this pace is giving us time to study the language and work more with the neighborhood people. The mission is going well. We have baptized four and there are three more waiting baptism. How AWESOME is the God we serve. Also this week, our young people came to us and asked if we could begin a youth ministry here at the Mission. We were elated that they took the initiative to start this work. We will begin with seven young people but we think that is great because we remember our work with the youth there in Garca. It began with only eight young people and grew to more than fifty. So this is another opportunity to serve God. We are enjoying the Holidays more this year because God has permitted us to have our daughter Mary Katherine here with us this year. Here in a foreign country you value family and friends much more because of the distance that separates you from them.

Speaking of friends and family, Barbara and I would like to take this opportunity to thank everyone for their love and support of us here in Brazil. We are only here in Brazil serving as missionaries because of the support you give to Baptist Faith Missions. Without this support we would not be able to stay here and work for the Lord. You will know the harvest that was reaped here, because of you, only when we get to heaven. We are looking forward to the challenges of the New Year and looking back at the accomplishments of the old year and thanking God for the blessings He has bestowed and the blessings He is going to bestow. With the thought of the New Year we would like to wish you and yours health, happiness, and a prosperous New Year for the Lord.

In His service, A. I. and Barbara

## **Entering Open Doors...** Judy Reaching Children By Teaching English . . .

January 2, 2002

Dear Brothers and Sisters, January 2, 2007 A middle school girl who comes to our Sunday night out reach is not expected to reach adulthood. Though she is a little small for her age, you probably would not guess that she has a fatal condition. She had been coming to the meetings for some time before we learned of her condition. A lady, who works with us in this outreach, said, "It really makes you realize how important every thing we do and say is." How true!

This reality was confirmed recently to us through a blessing Allow me to share it with you. About a year and a half ago, a believer from the church we attend in a neighboring city asked us if we could help a friend of hers who was in a difficult situation. Marie, the friend in need, had two children and an alcoholic husband who had become very violent. We received this believing lady and her children into our home for a few days.

After a lengthy time of difficulty, she and her husband were able to reestablish their home together. They moved to a city some distance from here where there were believers to help them and none of his old set of alcoholic friends.

When Marie called to let us know she was moving out of our area, she also asked if we were still holding evangelistic Bible studies. Marie mentioned that she had a friend, Cathy, who had many questions about the Lord. She asked us to pray for Cathy and told us that she would recommend that Cathy come to our Bible studies. That was last June. Just recently, six months later, Cathy Claverie called. She explained who she was and asked if we were still having Bible studies. She came to the very next one and afterwards asked where we went to church. The following Sunday, we met her at the subway and took her to church. The following Sunday she came on her own. She also has returned to the Bible Study.

Cathy lives in the city of Muret, south of Toulouse. She rides a bus and the subway to get to church and two buses and the subway to get to our Bible studies. It seems that God has placed a hunger in her heart for Him. Would you pray for her now? And, don't forget, you never know which event of your life may be a door to bringing some one to the Saviour.

Judy is donating her time to teach English in 3 first grade classes in public school of our town. This is a direct answer to prayer. We had been asking the Lord to show us how we could get a better entrance into the homes of our neighborhood. We were especially concerned about all of the children who live near us. On our block alone there are at least 30 school age children. We did not feel at peace about pursuing some of the ideas that came to our mind. So, we asked the Lord to clearly show us what He would have us do. Shortly after we began asking the Lord about this, the neighbor across the street came and asked Judy if she would be interested in teaching English to her son's first grade class. When Judy went to talk to the teacher, the other two first grade teachers were also interested, but the principal said that that she would have to be certified. In short order, the Lord took care of this and Judy was certified. We are delighted with the way the Lord is using this. Not only does Judy have the boy across the street in one of her classes; she also has the twin girls who recently moved in a couple doors down the street. One of them is in the second class Judy teaches and the other is in the third.

Isn't it delightful how the Lord works things out? Through all of this Judy has become somewhat of a celebrity in our neighborhood. The kids come out to greet her when we walk around the neighborhood. Ask God to enable us to use these open doors to the fullest.

We thank God for His faithfulness and yours during the past year and much longer. May the Lord richly bless you during the coming year and until He returns.

Praying, watching and serving in France,

John and Judy Hatcher

Happy New Year to all our family, friends, and supporters Though 2001 will probably always be remembered for the horrendous terrorist attack of September 11, it also had many, many blessings. Souls saved and churches organized and new mission works started could be a good way to sum up the Lord's work in Peru this past year. Our son, Joshua, graduated from Berea College in December and is now on his way to the Air Force in mid January. Anita and I are here in Kentucky for several months to visit our supporting churches and share personally with you what God did these past several years. We have a short video of the work in Peru to share with you and we are looking forward to being with you in person. We have an awesome God that has done so many wonderful things in Peru these past few years and Anita and I believe HE has even greater things planned for these next several years. We thank you for your love and

prayers. As each of you continue to give for the Lord's work in Peru, you continue to help Anita and me share God's love to the beautiful people of Peru that we have grown to love so deeply. Thank you again for making it possible for us to share God's love in Peru through the preaching of the Gospel of Jesus Christ. The message of the Gospel is just as powerful

## Alta's Health Improved . . . Twelve Graduate From Seminary . . .

Thank you for your cards and letters at the holiday season.

Your expression of love and support are a great encouragement

Alta is almost one hundred percent healed from her knee and leg problem. She is still battling against the terrible cough. It is almost like whooping cough. She does show some improve-ment after almost three months. Tests show that she does not have any problem in the throat nor in the lungs. But, she still coughs. Due to allergies to medicines she cannot take any cough syrups. Please pray for her.

The year 2001 has not been one of great numerical growth. All of the different missions continue with regular services as

well as special Bible schools at vacation time.

SEMINARY GRADUATION: On December 15th, at ten o'clock the CENTER OF THEO-LOGICAL STUDY AND EVANGELISM had the graduation exercises for twelve students who received the Bachelor of Theology degree. Seven of these were from the branch in Garca and five were from Cornelio Procopio. All of these are active in the ministry and some care for two and three congregations. There are new students planning to study in 2002. Among them is a doctor and his wife. Dr. Renato and his wife, Gabriela, are new Christians and zealous in their new found faith.

PRAY FOR LABORERS. The fields are white unto harvest. Many doors are open. We need more laborers. Pray for us that God will give us wisdom and physical ability to complete the race in the will of God.

Fatigue is my greatest battle and there is no let up. Next month I hope to send you some photos of the Graduation Exercises. God bless you and thank you for your prayers and support.

John and Alta Hatcher

December 28, 2001

After the Thanksgiving conference I went to visit my brother Ralph who was in the final stages of lung cancer. His wife Ruby was not physically able to take care of him and since they never had any children, I was the logical one to take care of him. The Hospice care was just great, but he needed someone to be with him twenty-four hours a day. Although Ralph had not attended church for a long time he assured me that he was saved and was looking forward to going home to be with the Lord. On December 20, 2001, he did go home to be with the Lord, and I

preached his funeral on December 24. After the Funeral we stopped by my sister Anna Marie's house just long enough to pick up our clothes, and then returned home to Richmond. Lam still very, very tired, but am ready to get back to my job as Field Representative of Baptist Faith Mis-

sions. If I can be of any service to you or your church, please contact me
