JOHN AND JUDY SHARE BLESSINGS AND GOALS

Because of His Great Love, by Judy Hatcher

"Great and marvelous are your deeds, Lord God Almighty. Just and true are your ways, King of the Ages . . . All nations will come and worship before you, for your righteous acts have been revealed" (Rev 15:34). The acts and deeds of Our Heavenly Father are wonderful and have the purpose of bringing people from every nation to Himself. He has chosen to empower His Children to carry out His plan. How or why do we get such an honor? Only because of His great love for us does He give us the privilege of carrying His Name to the world. John and I are honored yet humbled by the fact that God has entrusted us to tell the Gospel in Southern France. Do things always go as we planned? Of course not, but then whose plan are we supposed to be following, anyway?? As I sit here looking into our backyard, I want to share with you some of "our plans gone wrong" and how they are really "God's marvelous deeds."

Plan number one: language learning. Wow! Has that been a trip! John being bilingual with English and Portuguese and I having learned a decent amount of Portuguese, I thought that French would be a breeze, well at least as easy as falling off a log! Falling off the log is more what I have done! While John has progressed well with the language, it seems that learning, retaining and using any French word for me has been a major struggle. How could God use me to talk to anyone if I can't speak? However, through my inadequacy God has brought Yolande into our lives. In exchange for John tutoring her son English, Yolande listens as I read the Bible in French, and then we discuss what it says. The first day that we read in the book of Mark, she said, "Do you believe that?" I said, "Yes, I believe that the Scriptures are God's Words and therefore true." She replied, "Well, that is fine if you want to believe that, but you know that everyone doesn't have to think that way." Each week brings about new questions, but God, through HIS WORD is softening her heart and making her tender toward Him. We praise Him and are praying for Yolande to understand the Love of God.

Plan number two: Surgery! We had certainly not planned on two cancer surgeries in one year! How could it be? We were where we believed God wanted us and this happens! Through the process, God has given me affirmation that this is where He wants me. He is the one who will make that a possibility, not I. Sharing this part of our lives has allowed us to sympathize with those who hurt and opened many doors of conversations.

Plan number three: Children's Clubs. John and I have a great burden to share the Gospel with the many children that are in our neighborhood, but how should we start a Children's Bible Club? "In France," one French man told us last week, "if you are religious, you are either Catholic, Protestant (meaning the reform church) or a cult." While our neighbors are friendly, we felt that they would not trust their children to someone that may fall into the third category. After all, people in "cults" abuse children, don't they? We prayed earnestly about what to do to give us credibility and the opportunity to tell of Jesus. One day our neighbor across the street came over and asked if I would be interested in teaching English at the public elementary school her son attends. To make a long story short, I teach 75 children English for 30 minutes each week. Whenever I am out in the community, children will speak and introduce me to their parents as the "Prof d'Anglais." God is providing credibility! We are eagerly awaiting the next step God will have us take.

These are only a sampling of the way God has worked in our lives. Many are the marvelous deeds of Our Father, so many that all the books or computers could not contain them. Do you want to be a part of the work of The Everlasting Kingdom? Surrender your plans to the Father and hang on for the ride of your life!

Making Disciples in France, by John Hatcher

"What do you do?" It is a good question and one that is often addressed to us by French and American people, Christians and non-believers. In the "Technical Mission World" we are called Church Planting Missionaries. We prefer the Lord's own terminology, "Disciple Makers or Fishers of Men." What follows is a summary of how this is working in our lives as we serve the Lord in France.

The first order of business was to learn the language. It is impossible to communicate the gospel and teach disciples if there is not a language common to the hearer and speaker. We began studying French in the US and continued after arriving in France. Though we are now able to speak, teach, preach and converse in French, we are continuing to work with tutors toward the goal of communicating well to native French speakers. We are thankful, nonetheless, that God uses our weakness as a tool toward fruitfulness. Many opportunities to witness have come in the language learning process. Judy shares just one of many in her article.

The important decision of where to begin had to be addressed early. "Ask and you will receive" has and continues to be a guiding invitation to us in the entire process. Many of you have prayed with us about this and other important decisions and our Heavenly Father has answered unmistakably. He has placed us in Tournefeuille, a city of 25,000 where there is no Baptist, protestant or evangelical church. There are thousands of similar cities throughout France.

The next obvious next question is, "Now what do we do?" When we arrived here, we did not know of one believer or interested person in Tournefeuille. It may seem sophomoric, but the Spirit reminds us in the book of James, "Ye have not because ye ask not." So, we asked

One of the weekly Bible studies.

and God answered. He brought the fish to the net (where have you read that before?). Contrary to custom, the people in our neighborhood came to us, and God, Who goes before us, enabled us to meet our entire neighborhood the second evening we lived here.

During this neighborhood block party, the word spread that I was a pastor and someone asked if they could study the Bible with us! The first Bible study started, not with one, but with five individuals, three from our town and two from another. In similar fashion, the

Activity at weekly youth outreach.

Lord has enabled us to have regular Bible studies in various locations and more are on the horizon! We pray for God to give people spiritual hunger and then we study the Bible with them so that they can know God for themselves. When people find "the Messiah," they, like the woman of Sychar, call others to "come and see".

Besides the regular Bible studies we have had many opportunities to share the Gospel in our home and the home of others. These usually develop in the context of a shared meal. Only the Lord can save, but the "Word of God" is the "Sword of the Spirit." The Good News of Jesus Christ delivered by those whose lives have been changed is God's chosen method to bring the lost to Himself. The joy of seeing God change lives is one of the greatest blessings that we have.

Those whose lives have been changed can worship God in spirit and in Truth. Our first Sunday worship time had just five people, Judy, John, Philip, Amanda and Abigail. God sent Philip, our son, and his family to work with us. Called by the Lord, Philip took a job here in France in order to proclaim the Gospel. It is a great encouragement to have fellow laborers in the service of the Lord. At our second Sunday meeting, we had five besides our families! It looks like we will have several others next Sunday.

Churches don't get planted. Instead, the Gospel is given, the Spirit gives life to individuals, these follow the Lord in baptism and as we teach and train, God puts together a church. God has called us to follow His plan, not to make our own. God calls us to follow Him and pray. Things don't always go the way we may have envisioned, but God, using our obedience, builds His church.

France needs the Good News; few countries have fewer born again believers. Perhaps it is the long term relationship between America and France that has caused us to overlook the spiritual need of the French people. Other than England, France is the country most often visited by Americans. Yet, percentage wise, France has 1/20 as many believers as England. For every Baptist church in France, there are about 360 communities that need a church. The evidence of the spiritual needs of the French people can be seen in their high use of medications. Because of wide spread depression, France leads the world in volume of antidepressant usage.

After trusting Christ as Saviour, Amelia prayed, "Thank you Lord for taking me out of darkness and into your light." Many other people living in France need the Light of Jesus! Thank you for serving with us!

◆ On June 11th, Timothy Sims, son of James and Elizabeth Sims, was killed in an automobile accident. He served the Lord as a Navy Chaplain Commander. Besides his parents, he is survived by his wife and four children. May they find God's grace to be sufficient during this time.

◆ As noted in Brother Stanton's letter, Sister Joanne White has gone to be with the Lord. She, along with her husband, Kenneth, made several visits to the mission field. They always helped the missionaries any way they could.

◆ Sometimes mistakes are made in mailing the Mission Sheets, resulting in a church receiving only one Mission Sheet instead of their usual bundle. When this happens, please notify us and we will send you additional copies.

◆ We will soon be updating our mailing list. Those receiving bundles of papers will receive a letter and a self-addressed post card to help us with this update. Please mark your post card and return it to us as soon as possible. This will help us be good stewards of the Lord's money.

Dear Special Friends,

July 2, 2002

Half of the year 2002 has now passed into eternity, and there is still so much to be done for our Lord. We have just returned from a short vacation to the coast of Kenya where we were able to relax and enjoy seeing God's creation, away from the cares of our work in Kitale. It was a time of refreshment and we really enjoyed the time away, as we had not had a real vacation in over two years. It is important to get away with the Lord from time to time to get refreshed and renewed in order to gain a better perspective on the ministry, to be still, so that one can hear from the Lord.

We also had the opportunity to visit with my brother-in-law and his medical team of fourteen people who accompanied him this past weekend. For the past seven years, Dr. Jim Wade, my brother-in-law who is an Ear, Nose, and Throat physician from Virginia, has brought a medical team to Kenya to do surgeries on Kenyan children with cleft lip and palate problems. They do

the surgeries at a mission hospital near Nairobi, and it is always a real treat to spend some time with them when they have finished their two weeks here in Kenya. This year, they were able to do sixty-four surgeries and have helped make life much easier for many children. They are a blessing to us as they exhibit Christ in their lives, with their humility and desire to serve.

Pam continues to stay busy in Eldoret, which is the nearest large city to Kitale. She is living there during the week in order to get experience in community health nursing, as the nursing board requires for her registration in Kenya. She returns to Kitale on the weekends to prepare meals for Nathan and me and to attend church. I take her back early Monday morning for another week. Eldoret is one-and-a-half hours from Kitale, but due to the bad road conditions, it is too far to travel everyday, so she stays in a guest house during the week. At the end of June, she had completed six weeks in community health and has six more to go. Then, she will be required to work for another six weeks in the E.R. of a teaching hospital in Eldoret. Although she is not particularly fond of being the only white person every place that she goes, the food is different, and the language she hears and speaks is Swahili all day long, she has really learned from this experience. She knows that she will benefit greatly from this time. She has learned about many new medications that are used here, learned about immunizations of Kenyan children, how to teach family planning, diagnose conditions, and prescribe medications for tropical diseases which are common here, and most importantly, how to improvise when the conditions are less than adequate. All of these experiences will greatly help her when she finishes this time of learning, in whatever she feels that God is leading her to do in the field of nursing.

Nathan is preparing to leave for language school in Tanzania, which will start on July 22nd. We will really miss him while he is gone, as he has added a new dimension to our ministry with the concentrated emphasis on evangelism and discipleship, and teaching a Bible club in the public schools. He plans to start a ministry in the prisons after he completes the four months of language study.

Unfortunately, we continue to have many problems in the church and outside of the church. We had thought that our court case that started three-and-a-half years ago was finished, as we had not heard anything else about the court case. However, about three weeks ago, we received a summons from our lawyer that stated that we are to return to court on July 25th. Our judge has been transferred to another city, so we will be assigned to a new judge to hear the case. I have never wanted this case to be in court, and I am trying to settle this out of court by means of a settlement, if we can get our lawyer, Hesbon (the man who is suing us), and his lawyer, to agree to a reasonable amount. This case has gone on for too long and has cost a great deal of money to go to court, plus the vast amount of time spent preparing for the case. Our ministry has suffered from all of the time we have had to spend on it. We have only completed the prosecution and have not even started the defense, and it has taken three-and-a-half years! What a waste this has been of the Lord's money and time spent away from the ministry to solve a simple problem that should have been settled in the church.

We are also continuing to have problems with some of those who have been in leadership of the church. Major sin has been discovered in the lives of some of our deacons, and instead of repenting, one former deacon is talking of a court case to solve his problems with another deacon who has exposed his sin. I am continuing to teach our other deacons how to handle problems Biblically, and we have disciplined these two deacons from the church. One has left, but the other continues to cause problems. Please pray for us, for wisdom in handling all of these problems, and for repentance from sin, as I preach God's Word to our people.

We are encouraged with our new believers and their spiritual growth. Lord willing, we hope to have a baptismal service this month to baptize many of them. Also, we have two young men whom God has called to preach, and it is exciting to watch them grow spiritually. We have given them opportunity to preach from time to time and to be involved in evangelism, discipleship, Youth Sundays, and to help Nathan in the school ministry. They are both excited about serving our Lord and are willing to be involved in whatever we ask them to do. This gives us much encouragement and hope for the church, as I see them take on more responsibility in leadership. God is good.

As always, we thank you for your prayers for us and for your faithful financial support. Even though Satan is active, we know that many of you are praying for us, and that we are advancing God's kingdom in Kenya or we would not have these problems. Please continue to bring our names before our Lord. Write or E-mail us, and let us know how we might pray for you there in your areas of ministry. May we all seek to serve our Lord faithfully as the days grow closer for His glorious return. Until next month...

Many Blessings to You,
Mike and Pam, I Corinthians 15:58

Today is a gorgeous day outside! You could almost say that it is a perfect day. We pray that all of you are doing well and that our Savior has blessed your life. God has been wonderful to us. Sometimes when our troubles seem to be great, we tend to forget that God is always faithful and His timing is always perfect. When it seems like we have no where else to run to, God uses His people to fulfill His promises. A few days ago, a man came to sell his part of shares on this building. He did not have all of his documents and said that he would be back some other time. That was a good thing because we had no money and were struggling to pay for our every day bills. Thanks to many friends who gave special offerings and gifts, we have been able to get our bills paid up to date. Well, the old man showed back up again with all his papers ready. This time God had supplied

Dear Friends,

July 1, 2002

We continue to receive calls from folks who participated in our evangelistic Marriage Workshop last month. Just today I got a call from a lady who wanted to know when we would be holding regularly scheduled meetings. Her husband told me that they want to obtain copies of the material that was used in the workshop to pass on to some of their friends who are having difficulties in their marriage. We have also heard from Baptist churches in other parts of town that have had some growth as a direct result of our workshop. The name "Baptist" appeared on our advertisement and folks assumed that they would get the same type of content at any Baptist church. Thankfully, that is true in some cases, but regrettably, not in others. We do trust that many will be led to Christ and that was our goal.

We also are happy to report that a new work will be inaugurated on October 12th. A young Brazilian pastor, named Oseias, and I have been working together on several projects recently and he shared with me how interested he was in getting a new church planted in the neighborhood Diadema. Many of you may remember that I have been praying and asking for designated offerings toward a new church in that neighborhood for a couple of years. When we had nearly received enough funds to purchase property, we seemed to run into several "roadblocks." No kind of deal would go through. We would set up a meeting with a land owner and they would establish their price. We would put together enough money to close the deal, and then they would either renege or raise the price at the last minute. We didn't quite understand what God was trying to tell us, but we didn't lose our confidence that we were to get a church started in Diadema. There are over 35,000 folks who live there and not one Baptist Church. What is worse is that there are dozens of churches that preach false doctrines sprouting up constantly. As Oseias shared with me about his interest in getting a work started there, I mentioned how strongly we, too, wanted to get a church in Diadema. He then told me that a group of Baptists from the U.S. would be coming to Brazil in October to mount a pre-fabricated church structure if a local church here had the property to put it on. In faith that this is from the Lord, we assured them that we will have the property ready before they arrive. The U.S. group would pay for the building (approximately \$15,000). The church I pastor here in Curitiba is working together with Oseias's church to purchase this property before October. Two years back, it would have cost us more than double the amount that we are now going to spend to be able to have a church work planted in Diadema. We didn't know why God was having us wait back then (I'm sure I still don't know all the reasons), but we can see that He was at work the whole time, and now we can see some of the pieces falling into place. We never cease to be amazed at how limitless God is in His workings. Oseias and I are preparing a leadership team from both of our churches to head up the ministries in that new work in Diadema. We are looking forward to seeing many many folks come to know Jesus as their Lord and Savior as a result of this new church plant. If you'd like to help in the purchase of the property, you may label your special offering "New work/Diadema".

Charlene is doing very well in her work with the ladies and children. Our children's ministry is growing steadily. On one hand, our group has increased by new babies coming along. We have several new infants. We are certainly happy about this, but we are also experiencing growth by new families coming into our fellowship. Our church property and facilities are small, so we have never encouraged folks to come in from other Baptist churches. We feel our calling is to reach out to win those folks who have never known Jesus. The most exciting news is that this growth that we are experiencing is the influx of those folks who were not church attendees before. Charlene's quality work with and among the children has gained a great reputation and folks are interested in bringing their children where they will be cared for and valued. Pray for her to sense God's strength daily in her ministries.

My whole family thanks you all for your faithful love and prayers for us. We know that many of you pray regularly for us and we want you to know that God is answering those prayers. We experience great health, numerous victories against temptations and trials, and we see God's kingdom increasing on a daily basis. All of this is certainly fruit of your faithful prayers on our behalf. Please continue to do so.

In Jesus' love,
Bobby, Charlene, Jessie and Brennen Wacaser

enough money for us to buy his part. We are learning to trust Him more and more each day.

We are having the privilege of Pastor Steve Wainright and his family and three teens from his church visiting us. Steve has been a long time friend and supporter of our ministry. It is really great to have him here. We are getting ready to have VBS at our church here in Garca. The schools are on break during the month of July. We pray that we can reach several kids to the Lord.

The home is doing really well. We have had five new kids come in the last two months. We now have 104 kids, which is about as full as we can get! There are several of our workers out on vacation, which keeps everybody else busy and doubled up on their chores.

The ministry team that my wife works with that represents the Alpha and Omega Home has started back going into schools. Last week they were in a school, and five teenagers accepted Jesus Christ as their Savior. This school is in a city where we have one of our mission points. We took the Pastor from this mission point with us so the people could meet him. The names of those who were saved were given to him to follow up on. In the cities where we have mission points, and where we do presentations, we always try to take the Pastors to meet the people. This has been a great blessing.

We are especially glad this summer to have our daughter Kathy Lee back with us, even though it is just a short time. She is always a blessing to have with us. Pray for her this next month as she returns back to school.

A word from Kathy: Last Sunday night in church, one of my girls wrote me a note which said: "Mom, I need to go downstairs to talk to you now." I told her that it wouldn't be very good to get up in the middle of the service because the preaching had already been started. I wrote her a note and told her to come back and sit by me. When she came back, I wrote on the piece of paper, "What's wrong?" She answered by writing me a note that said, "Mom, I can't stand it anymore. The thought of dying terrifies me." I asked her if she had been saved, and she told me no. I wrote a small plan of salvation on the piece of paper and told her all she needed to do is believe, ask God to forgive her and accept Him as her Savior and if she wanted, to do that now. She said yes, and we bowed our heads and softly prayed. That is so wonderful, but it is sad to think that there are millions outside just like her, terrified of dying. May God make us more sensitive to other people's needs, and make our hearts more willing to obey Him.

We want to thank all of you for your prayers and support. Without your help it would be very difficult to be able to minister. May God richly bless you and your loved ones.

Love,
Odali, Kathy, and family

Dear Friends,
July 1, 2002
Anita and I have had a month of joyful blessings and also extreme sadness. Let's start with the blessings. Brother Geider, a young man here in Huanuco, has been faithfully attending church and serving the Lord for many years. He was always asking for prayer that the Lord would save his wife, father, and his other brothers and sisters. Well, the Lord answered those prayers within the past two months! His father and brother trusted Christ last month, and last week during the invitation his wife came forward making a public profession of her faith in Christ Jesus as her Savior. Needless to say, Geider is a very happy man.

Last night (June 30th), I preached on baptism and what it symbolized. At the invitation, five grown men and one young college girl all came forward making a public profession of faith in Christ and asking for baptism. Most of the men that came forward are husbands of some of our church ladies. While I was home on furlough I mentioned in a lot of the churches we visited how that our church here in Huanuco was full of dysfunctional families. It appears the Lord is changing that by saving the men (husbands) of many of these homes. I thank all of you for your prayers on our behalf. Our Lord is still on His throne and continues to do amazing things in the lives of his children!

Our mission work in Chasqui is going very well. Attendance and interest continue to climb steadily. The mission work in Challana is holding its own in attendance. However, I have seen a lot of spiritual growth there. I believe we will be organizing this work in the not too distant future. The work in Huariaca is not doing so well. Attendance is down and the few left are discouraged. We are praying the Lord will raise up a couple to go and live there and take charge of the work. Please pray with us about this.

Kenneth and Joanne White on one of their mission trips to Peru.

We will be organizing the Faith Baptist Mission of Huaral into a church on Saturday, the 13th of July. Huaral is located on the Pacific coast about one-and-a-half hours north of the Capital city of Lima, on the Pan American Highway. This work is five years old and has shown steady growth, numerically and spiritually, since it's inception. However, we still have the great need to help them with the construction of a suitable building to meet in. We have the lots and we have dug the footers; now we need to build. Pray and ask the Lord's leadership in this matter, and if you would like to help out, then designate your offering to the STANTON BUILDING FUND. Thanks.

Now the sad news: a dear friend of ours, Sister Joanne White, passed away from heart problems this past week. She is survived by her husband, Kenneth, and three daughters, Kathy, Charlotte, and Brenda, and many grandchildren and great-grandchildren. They have been faithful supporters of ours and of Baptist Faith Missions for many years. For those of you that have had the privilege to know Kenneth and Joanne, you know what a model they have been to all of us as honest, faithful, loving Christian friends. They have been very close friends to Anita and me and we will certainly miss Sister Jo very much. She is gracing the Lord's presence now and not ours. We do appreciate your prayers especially for Brother Kenneth. They had been married for 52 years and you hardly ever saw one without the other. May God grant understanding and peace of heart to the family.

And so that's life for another month; souls being saved, the Lord's work going forward in most places, having difficulties in other places and when we least expect it, HE calls some of HIS choicest saints home to heaven. Are you ready to meet the Lord? Are you serving HIM with all your heart? Are you helping to reach the World for Jesus Christ by supporting missions? Why not take time now to give a special offering to the GENERAL FUND of Baptist Faith Missions. This is the fund that supplies the bulk of the missionaries' monthly income, buys the cars, pays the health insurance and travel expenses, etc. May our Lord continue to bless each of you as you remain faithful to HIM. Until next month.

Serving Jesus in Peru

Dear Brothers & Sisters in Christ,
June 28, 2002
This month has gone by so fast. We are in our so-called winter season here, but you wouldn't know it. The dry, dusty conditions have made it difficult for many. Ursula is having some serious trouble with her neck, but it appears it is not from her surgery. Her arthritis seems to be the major culprit. Michelle is very busy finishing up her first semester in her last year of High School at the Brazilian school. We are proud of the way she has caught on and made it up to now.

Our co-worker Pastor Joao Candido, is making a recovery after being given up as a terminal case. We are so thankful. We are now getting up to start up the construction project in Primavera do Leste. We are having a lot of trouble with vandalism and the theft at our two new works here in town. We are building up the walls and are putting four strands of barbed wire around one of them. We have built a small dwelling behind the other one to have someone live there to watch after the property. It seems we never get finished with one thing until the next one starts up. But we like to stay busy. I am now planning to take a couple of weeks off from building before starting up again.

We will be baptizing four tomorrow night into the membership of the Alvor do Cuiaba Baptist Church. We excluded eight last week. It is sometimes necessary to do this when people fall into blatant sin or abandon the church. We don't like to have to do this and only do it after all else fails.

We want to express our appreciation to all of you who support our work. In three more days we will complete twenty-five years as Missionaries to Brazil. The Lord has used us for which we are thankful. We are so undeserving and He is so gracious.

We will sign off until next month.
In His grace,
The Harold Draper Family

Dear Friends,
Give thanks, for the Lord is good and His mercy endures forever. What love the Lord has shown upon us that we should be called His sons. Pious of God and good sons with Jesus Christ. What incentive we have for being faithful to Him and giving our all to be used for His glory.

The first semester of 2002 Sunday classes will finish next week. We have had a good semester, especially in the Greek class. Three new teachers from among our graduates have taught as we are preparing persons to carry on the teaching ministry. In mission work it is vital to have trained workers, and we have found that they are trained more effectively in the area where they are working. This has been true in each place where we have worked: Maricao, Garca and Cornelio Procopio.

In Urai our attendance continues to be low, but we do have some young people who are faithful. These are being trained for Sunday School teachers so when the attendance begins to increase we will have a structure for teaching.

Alta is teaching three young people to play the piano. She is also teaching four, two boys and two girls, how to prepare lessons and present them to a class. Each week one of those young people comes to the house to learn the Bible lesson and practice on the presentation of it.

Among the properties where the missions function, there are two we are buying with monthly payments. This month we were finally able to pay one of those off, and the deed is now being processed and registered in the church's name. Another in the city of Rancho Alegre is being bought in the same manner. We are praying that in a few weeks we will be able to pay off and get the deed of this property, also.

To our delight, a religious group came to us and offered a building on a beautiful corner lot. We were able to purchase this property and lot for \$5,000. As soon as the papers are all in order we will make the payment. If you would like to have a part, and live to send your offering to J. Hatcher, New Works.

Alta and I praise the Lord for the return to Brazil of Marie and Harold Bratcher who, after treatment of their health in the States, folks, we love you and thank the Lord for you.

Sincerely,
John and Alta Hatcher
