Unbelievable! The New Year has barely begun and two months are already

Happy faces at the Alpha and Omega Home

By the time you read this almost 3 month will have passed. We hope that all of you are doing well and being blessed by our Lord and Savior. We are all doing well. Many things have happened since we got back from our short trip to the States in October.

Here at the Home we are in full swing. Well it is kind of hard not to be in full swing with 110 kids around. The kids are just getting used to going to school again. We have changed many things in our curriculum to fit the kids' specific needs. So many of them are behind. A good number of them are 3 and 4 years behind. We pray that things will go well until the

We are really happy with some of the changes that we have seen in many of the kids' lives. It seems like they have finally seen the light. They are growing in stature and wisdom, that is what our work is all about. This is what makes us keep going, even when

things get tough and discouraging.

We have had a lot persecution. Basically ,there is one man who has decided to make things hard on us. He has gotten in contact with every one that he thinks can hurt us or be against us. The only ones he didn't contact were the prosecutors and the juvenile court judges but this man accused them of covering up for us. Needless to say, that did not make them very happy. The Bible does say that when we don't control our anger it destroys us. Well our enemy is really getting himself in quite a bit of trouble. Vengeance is mine says the Lord. So all we have to do is be kind to the inspectors that come to the home. Trust me, that is not always easy. "And he opened not his mouth." Pray for us to be strong when things get rough and that we will have wisdom when we need to talk.

We have an unusual situation here at the home at this moment. We were asked by the Judge to keep a young lady that is 15 years old. There is nothing unusual about that except she is 8 months pregnant. That in itself is sad. But she is here because the baby's father is the girl's father. Until the father is proven guilty the authorities wanted her far away from the father. Pray for her that while she is here she will come to know the Lord as her Savior.

The church in Garca is doing great. We have started more visitation groups. Different teams go out on Saturday afternoon and visit in different areas of town. We have had many new people coming. Several have been baptized. Many of them have been children that live with us. Also we had one of our boy's mothers to get saved and baptized. What a blessing!! There are several other parents that are coming to church. If they get saved it will make a difference in their relationships with their kids. Also, the judge has sent a man here to do some work to pay his dues. He got saved last week at church. Praise God! This is Carnival weekend and he was at church last night.It was a test because before he was saved he had a pretty liberal life. Pray for him. Marcos is his name. We thank you for all your love and support. Your prayers are much needed.

May God richly bless you. Tito, Ionas & Gabriel

## THOMPSON ROAD BAPTIST CHURCH

Lexington, Kentucky

Pastor Dave Parks (859) 223-8374 grace2u@aol.com Conference Theme: "BRETHREN, PRAY FOR US!" 2 Thessalonians 3:1-5

PRAYING IS OUR MISSION — OUR MISSION IS TO PRAY The PURPOSE . . . PRIMACY . . . and POWER OF PRAYING in our MISSION

#### For more details, visit: www.baptistfaithmissions.org

The Word of the Lord runs and is carried where God sends it and where He commands us to take it AS WE PRAY. One of the first expressions of the Great Commission is 'PRAY TO THE LORD OF THE HARVEST that He will send laborers into His harvest" (Matthew 9:37-38). In John 14:16, the Lord Jesus explained the dynamics of how our mission would work...and how we would do the "greater Works" He sent us to do. HOW? "And WHATEVER YOU ASK IN MY NAME, that will I do, that the Father may be glorified in the Son. IF YOU ASK ANYTHING IN MY NAME, I will do it." (14:13-14). We bear fruit and reap

the harvest as we ASK THE FATHER IN JESUS' NAME to give it to us (15:16).

In Ephesians 6:18-20 and Colossians 4:26, Paul passionately stated that PRAYING OPENS
THE DOOR OF OPPORTUNITY and EMPOWERS THE WITNESS OF THE WORD OF

We have no mission without PRAYING. The mission goes nowhere without Praying. Therefore, while we witness and give, 'BRETHREN, PRAY FOR US THAT THE WORD OF THE LORD MAY RUN!"

Come and share this time of exhortation and encouragement with us!

Pastor Dave Parks and the Thompson Road Baptist Church, Lexington, Kentucky invite you to come to this time of feasting and fellowship around the Word of God. Meals will be served by the host church beginning with Dinner on Monday at 5:00 p.m. Churchs are encouraged to pay the expense for their pastor and his wife to attend the Conference.

Dear Special Friends, March 3, 2003 Another month has gone by so quickly, and it seems hard to believe that two months of 2003 are history. We started the month by preparing for the wedding of our assistant pastor on February 8th. It was a typical Kenya wedding that started 3 hours late, with me having to help with so many of the preparations, since only two other people in our church have cars. My day stated at 6:30 A.M. that morning with me picking up many of our church women to take them to the church to begin cooking for the day's events. Later, I went to pickup the bridal party and bride at her home, which is the custom here, and as also is the custom, she and her party were not ready, so I waited for almost an hour before bringing them to the wedding. There was so much excitement among our women as she arrived at the church, and they encircled the car, and began sing-

ing and banging on the car to welcome her, and her attendants. I performed the ceremony, and was so surprised at the number of people who attended, many from the community. Over 600 people came, and 200-300 had to stand during the cermany from the community. Over 600 people came, and 200-300 had to stand during the ceremony, as church is small, and cannot accommodate that many people. All in all, it was a great day with much celebrating, giving of gifts, and eating, and we rejoiced at how well that our people worked together to make this a special day for Moses and Maureen. As with our previous wedding of one of our deacons, our church united together to provide and prepare the food, took up money to give them a nice gift, and make it a special day. I returned home after helping with returning extra chairs and taking the bridal party back to their home, after dark, tired but thankful for the blessings of the day. Moses seems happily married and he and Maureen have begun to become involved in ministry together, which is good to see.

We started a new program to teach our people how to witness, and reach people for our Lord. It is called "Sharing Jesus Without Fear", and Nathan studied and worked in this program for over a year when he was in a Baptist church in Michigan before coming to work for us, He began to teach our people yesterday after church, and we had 15 in the class, so we are

us, He began to teach our people yesterday after church, and we had 15 in the class, so we are thankful for the interest. Another blessing for us are the three teenage boys from our church who are in the class. Emmanuel is 14 years old, and Benson is 16 years old. Both feel that God is calling them to preach, and Benson has even started teaching some unchurched youth in his is calling them to breach, and benson has even started teaching some unchurched youth in his neighborhood about Jesus, as well as starting a Bible club of 23 students in his public school. He has told us that the students meet during their lunch break. Dennis is the other teen, and is one of our orphans. He is 16 years old, too, and is very active in our church in Sunday School, our Bible club on Saturdays, and is one of the leaders selected by our teens to be a leader. Emmanuel has preached at the church several times during our Youth Sundays, and all of these boys are a blessing, and want to learn how to reach their friends and unsaved neighbors for Christ, so they are taking this class. We are excited to see the interest among our church members for evangelism, and are expecting many blessings as new people are reached for our Lord.

Our Bible Institute started this week with 6 students. I am teaching one class Our bible institute started this week with 6 students. I am teaching one class on Baptist distinctives, and another on Old Testament Survey. Nathan is teaching "Experiencing God" and a discipleship class, and the students are working hard to learn as much as they can about these subjects. It is our desire to prepare those whom God has called, for the leadership in Baptist churches, and three students feel that God is calling them to preach. The prison ministry that Nathan started in January is going well. There are over 1,300 prisoners in this prison, and Nathan has started by doing evangelism, and several have received Christ as their personal Savior. He has divided them into two small groups of 6-8, and is doing a discipleship program with them. He hopes to eventually reach all of the prisoners.

is doing a discipleship program with them. He hopes to eventually reach all of the prisoners, but he wants to go slowly, so that he can personally disciple them, and be involved in their lives. Several have expressed gratitude for him coming each week, and are meeting in the evenings to discuss what they were taught that day. Even the guards who are guarding the prisoners while they attend his class, are taking notes and wanting more information about he

Pam is anxious to start her medical work by going out into the bush where there are no medical facilities. She will be Traveling by helicopter, as there are no roads to these areas. The Lord has sent a medical doctor and his family to Kitale where we live, from the state of Ohio. He is also interested in using his skills in the bush as well, but the engine of the helicopter is currently being repaired. This has been a long process, as parts have to come from South Africa, and the wrong parts were sent the last time, so it still has to be repaired. We know that God's timing is perfect, but Pam is anxious to get started in this important ministry.

We are Pleased with the new president that was elected here in Kenya in December. He has really started to crack down on corruption, and is making some good changes. There was an

February 26,2003

Lots of good things have happened this past month. Not the least of these is that Alta and I have enjoyed God's blessing in our health.

Our Vacation Bible School was held January 27-29. Valdir and Sonha from, the Cornelio church directed it. There was a total of 73 who attend and hopefully, who will be blessed in their lives even though there was no visible increase in our Sunday School attendance. Best of all, our new members are learning to serve the Lord in teaching and leadership.

A new mission was begun in the city of Sertaneja on February 13, 14, 15. This is where we bought a building recently. There was growth in attendance each night and several adults are learning show real interest in serveing the Lord in teach ing and leadership.

We are in the process of buying the house and lot next to the Casa da Familia mission. As soon as the purchase is completed and documents are hand we plan to start building. This added lot will be a great blessing since the lots are not very large.

The Lord willing, Alta and I plan to attend the Spring Missionary Conference at Thompson Road, April 28-30. That will by a nice way to celebrate my birthday. It has been a long time since we were at a Conference and we are looking forward to seeing many of you and fellow shipping with you one more time here on earth. Our arrival in the States should be the last of March so we can visit family and friends.

Pray for us and the work In Him, John and Alta Hatcher

portant it is that we carry out plesus' commission to his church to share the good news of salvation from our sins. There are still so many who do not know Christ and many who have never even heard of Him. It is a marvelous privilege to be used of the Loud to bring folks to an etemal relationship with the Father.

I was speaking with Paulo and Edinei concerning the works in southern Brazil and they gave reat reports. Paulo is back out into the interior with the most home ministry where they are sharing the gospel in public schools and parks. They will spend theme sharing the gospel in public schools and parks. They will spend there straight weeks on the road who have never even sharing the gospel in public schools and parks. They will spend there straight weeks on the road will be some new volunteers going out with him mext month who will also be seeking to gain experience that can be used in establishing a better clocal evangelistic ministry for their church. Charlene and I are partnering with the Bible Baptist Church in Curtiba to support this work. Once again, I encourage you to take part in a ministry that God is truly blessing to bring folks to know Jesus Christ. That ministry is called Project Life and you may designate your contributions accordingly.

Edinei and his new bride, Debora, are doing a fine job, having assumed the leadership at Bible Baptist Church. I received word that they recently held an evangelistic campaign at their church, and had two folks profess Christ as their Lord and Savior. We were also thrilled to hear that he successfully handled a "sitcky" little problem with a disgruntled church member. This is Edinei's first pastorate, but we are confident that God will supply the wisdom needed to serve the Lord faithfully in that capacity.

Charlene and the kids are doing a fine job of adjusting to our Stateside living situation. We are living in Louisville, Kentucky, I a

## Helping the Poor . . . Door to Door Evangelism . . . New Missionary Couple . . .

January 28, 2003 About a year and a haff ago a group of our members started a new project. They call it social assistance. Their goal is to promote events to collect food and clothing for the needy. At each even there is lots of Christian music and a gospel message. "Tickets" to the events are bought with food and clothing. They have already helped hundreds of people who are jobless, orphans, widows, lost

At about the same time another group sprang up in the church doing another form of social work. They call themselves "IDE" or "GO". They take dental higiene, haircuts, baths, toothpaste, toothbrushes, soap. Bible stories and other little things to small towns out in the integer. The

other little things to small towns out in the interior. They travel once a month. We now haveg)dentist in our church and a lady doctor has just been saved. I baptized her and her daughter last month. This project was a spontaneous offshoot of our medical mission trips, which have been a huge success. We have sent 3 young women away to nursing school, one last year and 2 more just this month.

Then about 6 months ago 2 couple From our church asked to start special team to do door to door evangelism in the outer neighborhoods of town. They were trained by my son-inJaw Dauro, who is also one of our pastors here at First Baptist Church. Luis works for the National Health Foundation (Federal government) and has a college degree He was saved in an Assembly of God church, but when he moved to Cruzeiro do Sul started affending our services. When he heard and understood the security of the believer he dumr-ed the Pentec.ostal heresies Then he met Alcinete here at church They gathered and trained a group

Pentec.ostal heresies Then he met Alcinete here at church They gathered and trained a group of young ,r.~nle to work with them in house to house evangelism. On one weekend recently they were in 16 homes, witnessed to over 50 people and 7 were saved.

Two months ago I dropped a hint to the leaders of the 3 groups I just described in the 3 paragraphs above. My hint was as follows "What if we were to take all 3 teams into a poor section of town, take the gospel door to door (evangelism team), bring the heighborhood to our chapel to take care of their teeth, hair etc. plus more gospel (IDE team), then close the day with a service and soup for the whole neighborhood (Social Assistance team)?" What do you know, they took my hint seriously! We held the first joint project at Cruzeirinho on December 21, 2002. This section of town is very poor, drug ridden and overRowing with little kids. Well it was one fun day It was a challenge trying to "preach" to over 200 little children sitting around me on the concrete floor. There were over 100 adults present, too. We children sitting around me on the concrete floor. There were over 100 adults present, too. We plan to try to do this in a different section of town at least once a month.

This month I have been to Thaumaturgo and the upper Tejo River. We have a new missionary couple at Thaumaturgo: Emerson and Flavia. The former mssionary who we sent there 9 years ago is now in seminary in southem Brazil. He, Jose Maia, plans to work with indians and needs special training. Emerson has already done a great job and it is pleasing to see a young couple that has been trained directly in our home church going about the work just as they have been trained. I went to the upper Tejo to look otr another location for an air strip. All the terrain up there is so hilly that we have not quite found the ideal spot yet.

Andrew also has made two river trips. He went to Thaumaturgo last month for the anniversary meeting. I was unable to go because the event I described earlier in my letter. While there, he and 2 of our other workers went up to the mouth of the Tejo River where they visited and witnessed in every house. We do not have a work in that village. There were 23 professions of faith. Seven more were saved during the conference at Thaumaturgo. His other trip was with Pastor Emesto to another village that we don't yet have a work. There

#### Note New Phone Number. . . Good News About Danitza... Start Construction at Huaral...

ridan and Anita Stant Apartado Postal 140 Huanuco, Peru South America Ph. 011-5162-51-4570 E-mail: sestantonperu@terra.com.pe

Dear Friends Please note the phone number. The country has changed

all of its area codes and we are now 62 instead of 64. Hope to hear from all of you!!

Last month I reported about a 16 year old girl from our church named Danitza. She had her open heart surgery on the 20th of February and she is to come out of the ICU unit tomorrow. The three hour surgery we expected turned into nine! They found more problems with her heart and were able to repair them. This is why her recovery is taking longer than expected.

Anita and I thank each of you that had a part in helping financially and with your prayers. The Lord always knows what He is doing. The figure I stated we needed for surgery has more than doubled due to the complications and extra hospital stay. But you gave almost twice as much as I said we needed. This just proves again how the Lord leads and directs in our lives. After the doctor

found the other problem in her heart he had to close the wound with latex (Gotyrx) patch. It so happened that the patch they used was the only one they had in their supplies of donated things from the United States. The doctor told me you can't get them here in -Peru. The patch was also the perfect size and thickness for the doctor's purposes. If he had not had the patch we would have lost Danitza! She will be in the hospital for about one more week and then to a hotel here in Lima for about another week after that, and then, hopefully, back to Huanuco to be with her twin sister, Sofia, and her mother and brothers. Again, thank you all for your prayers for Danitza. I want to give special thanks to brother Jim Miller who made an all out effort to help on raising the funds for the operation.

Many individuals and several churches responded also. Thanks to each of you.

I traveled north to Huaral the other day and finally got the construction under way there for their new physical server have been along time waiting on plans and other and traveled.

for their new church building. It has been a long time waiting on plans and other red tape.

But the Lord has His own timetable. I also managed to make a trip out to Pucallpa over the week end to preach a meeting for the Liberty Baptist Church. We had several saved and a few getting right with the Lord (or at least I hope so!). In Huanuco I have been preaching a series of messages on the Family and we have seen some very positive results. The Lord is healing families and strengthening relationships. Thanks to all of you for your prayers and financial support May God continue to bless you as you remain faithful to Him

election for mayors of various cities in Kenya just last month, and one of our members was elected as mayor of Kitale. Maurice Ngambo, our new mayor, was lead to Christ by our assistant pastor when we were in the States on furlough over a year ago, and baptized him in November. Pam and I went to his office last week to offer our congratulations, and were privileged to meet many of the city council members, too. We think that he will be a blessing to the citizens of Kitale, as well as to us.

Thank you so much for your prayers on our behalf. We could not minister for our Lord here unless the Lord's people were holding us up in prayer. Thank you so much for your interest in the ministry here, and for your faithfulness to give and pray, so that we might make a difference. Let us all pray for our president during these trying days of possible war with Iraq, and let us work more fervently for our Lord as the time of His return draws near.

### Anti-Americanism . . . God Answers Prayers ... Thrilled by Letters from Youth ...

John and Judy Hatcher 4, rue d'Aspin 31170 Tournefeuille, France Phone: 011-335-3451-7539 expressed repeatedly her thankfuln

Dear Brothers and Sisters, February 27, 2003
Thank you for your continued prayers. Several friends have enquired about anti-Americanism here in the face of the current events. For the present there have not been any significant changes in our relationships. There is, as there has been, a minority of people who blame America for everything that goes wrong, from unemployment to over marketing on the "Americanization" of society. But, God is at work and we attempt not to get entangled and sidetracked. We are thankful that God uses those in authority as His instruments and we try to remember to pray for them. We have many things for which we are thank-Among these, protection from injury of one of the girls (7 Years old) who comes to Sunday school. Was hit by a car while roller blading. Despite being thrown about 25 feet, she suffered no broken bones. The mother has ulness for God's intervention and protection. God knows

how to make His word effective. Benedicte, one of the ladies who is a regular attendee at Bible studies gives evidence of the Spirit of God at work. She is reading more of the Bible on her own and asking for

counsel on how to handle circumstances in her life.

One of the outstanding blessings is that Judy and I will be celebrating 30 years of marriage on March 3. What a joy it has been to serve the Lord together for these many years. The Sunday worship services continue to be a blessing to all those participating. Many

give evidence of spiritual growth. The Lord has opened the doors for a third weekly Bible study. The Sunday evening youth meetings are also going well.

We were thrilled to receive the letters from the Youth Group of the Rosemont Baptist Church in Winston-Salem, NC and cards from the Missionary Club of Emmanuel Baptist Church in Evansville, IN. It is never too early to encourage young people to serve the Lord and to be concerned for those who need to hear the Gospel. May God bless each of you who

are engaged in service to these fine Christian young people.

Thanks for your faithful giving and praying on our behalf.

Encouraged in Christ,

John and Judy Hatcher

Dear Brothers and Sisters of the Savior.

Hope all is well with the readers of the B.F.M mission sheets during this mission sheet month- January 27 to February 25,2003. I preached 8 sermons and had the pleasure of hearing five sermons. I preached at the 24th of March Baptist Church where I am the pastor and one at the Communion Baptist Church in the absence of the pastor, Asa Mark Bratcher. We were blessed with 3 professions of faith. A young teenage girl and two junior girls. Marie and I enjoyed the fellowship and communion with this church

At the 24th of March Baptist Church, we received a lady by statement as she was a member of a Baptist Church years ago. Now she has returned to the Lord and attends in spite of the hardships of having a Catholic husband.

In September of last year, she gave birth to twins, Anderson and Amanda. She also has two other girls, 11 and 8 years old. So she has her hands full with the twins. The ladies of the church try to help her with the babies. Her catholic husband has never attended our services, but we are praying for him.

Brothers and Sisters, tomorrow I am to return to my heart doctor, after an absence of

about 3 months as he dismissed me until the end of February.

He wants to give me another check-up. Marie and I are thankful for the attention our

heart doctors give us. Her doctor is on vacation and will not return until about the middle of

We heard about the recent snow and ice storm there. Makes us thankful that we escaped, even though it gets real hot here, sometimes over one hundred degrees. The weather has been more pleasant the last two days after a heavy rain. We are thankful for the Lord's blessings upon us, and we thank each one of you for your prayers and support. May the Lord richly bless each one.

Yours in Christ, Harold and Marie Bratcher

are over 50 families at Tracoa, but they are pretty scattered. There were 85 in services thoughand a few profession of faith. The guys went up river in my boat for 2 hours then hiked inland for almost 2 more hours to the location where they held services.

Thanks to all that support the work here with your funds and prayers. God bless all of
