On the Move . . . To Make Quick Trip to Brazil . . . Open Dates . . .

Dear Brothers and Sisters in Christ, March 29, 2003 I will be brief this month; I hope. I am getting ready to leave for Springfield, III in a few minutes. Last month I was in several churches and was blessed. I also had one Sunday off and got to be preached to. I need a lot of that. In April I have two revivals and two mission Conferences to participate in. It will be both a challenge and a blessing. I like to stay busy.

Ursula's health is better. She is in the middle of some much needed dental work right now. The doctor wants her to be careful and pace herself. Her blood pressure and chloresterol still are not under control to the satisfaction of the doctor. I don't know how much she

will be able to travel with me this month yet. Michelle is adapting better in the English language and American culture it seems. She is still a little homesick for Brazil. So am I at times

I am planning a trip to visit the works in Central Brazil during the month of June. A dear saint has graciously offered to pay most of the trip. I am scheduled to leave on June 5th and return on the 27th into St. Louis. I want to visit the new work that has been started in the past three months and a couple of the churches that are having some minor difficulties. They have requested that I meet with them in an advisory capacity. Pray for this trip. By the time you read this I will be packing my bags to go if not

I still have some dates in July, August and September open Please contact me or write if you would like for us to come to your church. Please note that I have a new E-mail address above. I can still receive mail on the old one also, but am trying to slowly switch everything over to the new one.

The new E- mail is: hmdubdbr@wk.net

I will sign off for this month. We thank all of you for your faithful support. God bless and keep America as we go through this conflict in Iraq.

Yours in Him,

Harold & Ursula Draper

New Bible Study Class . . . Judy . . . an Answer to Prayer . . .

Dear Co-laborers, We hope this finds you enjoying the Lord's blessings. We nope this finds you enjoying the Louis oressings. Your prayers, financial support and words of encouragement are a great source of blessings to us. During the past month we have had the blessing of beginning a new Bible Study which is progressing quite well. The other Bible studies, Sunday worship and youth meetings continue in an encouraging fashion.

To celebrate our 30th wedding anniversary, Judy and I took a five-day trip to London England. We thoroughly en-

took a five-day trip to London, England. We thoroughly en-joyed visiting many historical sites. At the British National Library we were able to see a copy of the Guttenberg Bible

and many old copies of the Scriptures. There was one copy from the Gospel of John on papyrus from around 250 A. D. We also saw the Metropolitan Tabernacle where Charles H. Spurgeon preached.

What a joy it has been to have Judy as a teammate as well as a spouse for all of the years of our marriage. When I was living at home, my parents encouraged all of their children to pray for God to give them the spouse that He wanted us to have, if indeed, He wanted us to be married. The Lord has wonderfully answered that prayer for me. I would encourage all Christian young people reading this to pray seriously considering this

During this month we also had the privilege of filling in for a Baptist missionary in the city of Montpelier. This is possible without interrupting our own work because Philip, our son, and his wife work with us. They, also, are sent out by Emmanuel Baptist Church of Evansville, IN. Philip works as a programming engineer for Motorola. In addition to meeting the needs of his family, this job also allows him to build relationships in which he can witness for the Lord. Working as a team enables us to have Sunday School classes, good music and contacts on many different fronts.

Keep up the good work where you are and continue praying for us.

Witnessing for Christ in France,

John and Judy Hatcher

Back in Brazil . . . Rent Large House . . . Getting Back to Work . . .

This has been a busy month; we arrived here in Brazil on the 4th of the month and we have been busy ever since. When we left the States we were pretty confident as to the city where we were going to begin the new work. But upon our arrival God gave us two more locations that were possibilities. So we began traveling again. We had thought that we would come home to Brazil and settle down and

not have to travel like we had in the States but God had another idea. We visited the locations and met many good people with hearts for God and for children like we have. But in the end, God made it abundantly clear that our first choice was the right choice. He was just testing our faith in Him and our willingness to follow Him and not our desires.

Now it is the end of the month and we have rented a large house; it has five bedrooms, so we can use it not only for us to live but also to start the school. We have reserved our

A. J. and Barbara with a group they minister to.

telephone line and are in the process of changing the electricity into our sounds like simple things to you there in the States but here it is no simple task. This can take up to two or three weeks. But we serve an AWESOME God and He is moving things along at an unreal pace. By Wednesday we will have the rental com-pleted and will start the cleaning. Then Friday cleaning. Then Friday our furniture will be brought and we will move into our new home

This coming Sunday I will be speaking at the New Life Baptist Church in Caraguatatuba where we will be members. The pastor of this church is

the brother of BFM's missionary Odali Barros. The Church and members are on fire for the Lord and we are excited about working with them. We have already picked out the next place to start a new mission.

As this new work is starting, we ask for your continual prayers for us as we are seeking and doing Gods will here in Brazil.

Again we want to thank everyone for their prayers and financial support while we

were in the States. And for your continued support while we are here in Brazil.

As always we want to extend an invitation to each and every one of you to come down to Brazil and see how your mission dollars are being spent. We will have so many things for you to do that you will have to go home to rest (ha). See you here in Brazil. Please note our new address here in Brazil and send us a card now and again. Also note

that our e-mail address is the same.

In His service. Aj and Barbara

Wind Damage . . . Child Abuse . . . Lessons on Aids . . . New e-mail Address . . .

Dear Special Friends,

March 31,2003

Time is going by so quickly, and true to it's name, March was a stormy month for us here in terms of trials and testing, but we also had some good blessings. On^ March 5th, we received a phone call from a fellow missionary friend who was driving by our church property as a hurricane-like wind was blowing the roof off of our Sunday School

building, and was blowing down some of our other buildings. Our church is located on a main highway coming into Kitale, and we have 2.2 acres of flat land with no trees on it. Before we bought the property, it was used as a big field to grow corn, so all of the trees had been removed. We built a church building, an outside toilet, and a long building that is divided into three rooms. One room houses our night watchman, and the other two rooms are for Sunday School classes. We built them all out of aluminum, as they are temporary buildings, until we can afford to put permanent buildings on the property.

Anyway, this wind took off the roof of the outside toilet, and the roof did damage to the back of the church building as it was coming down. The toilet collapsed, as did the long building divided into three rooms. The only building that is usable is the church, so our SS classes have been meeting outside. Thankfully, we did have insurance on the property, but the damage has been assessed, and we will only get less than half of the money that we had put into it. So, after we receive the insurance money, we plan to start to rebuild, and these buildings will be built stronger. We have a well-known builder who has recently started attending our church, so we have asked him to do the rebuilding. This is a test of our faith. We were discouraged when we saw the extensive damage, but God was so faithful, and no one was hurt, so we thank Him for all things, even the hard times. I Corinthians 10:13.

Also this month, two teenage girls in our church ran away from their stepmother, while their father was away working in Nairobi. He has two wives, and the girls live with their father and stepmother who three have children of their own. We were so worried when we learned that they had run away. After five days of praying and looking everywhere for them, they showed up at our door after dark, and we took them in, allowed them to take a shower, fed and clothed them, and they stayed two days with us. They had run off, and were staying with friends from school. Their father found out that they had come to our house and wanted them returned to him and his wife (the stepmother). The girls refused and started to cry, as the stepmother had been denying them food and had threatened to beat them. Our assistant pastor had told us about the problem, and we had secretly given him money to buy food and clothes for the girls, and he and his wife invited them to their home several times to eat with them. I had a meeting with the girls and the rest of their family (uncles, aunts, friends, and grandparents). Their father refused to meet with them when he returned from Nairobi, and he had continued to refuse to hear the girls' story, and the abuse that they have suffered. Finally, after much persuasion from his family, the girls were allowed to go to stay with their real mother. The problem with their real mother is that although she loves them, the girls' father does not support her at all, and she lives in a small mud house that is very cold in cold weather. She only has a part-time job to support their older brother who goes to school, to pay his school fees, and now she has two more to feed. Currently, they are living way out in the country, and the road there is very bad, and it is rainy season, so we have not been able to visit

Yesterday in church, I preached on the family, and their father came forward to ask for prayer for his family. Hopefully, we will have a meeting with him this week. He has told us that he wants to bring the girls back to this area, so that they can be in school. They have not been in school at all this year, as the school year started in January. Please pray for Mary and Juliana, that they will have enough food, will not get sick, and most of all, that their dad will care about them, and support them. Pam and I love them. They are saved, and are really good girls, and are very active in our church. We miss them, and want them to come back, but most of all, we are praying for a good solution to this problem.

We have prayed many times about the medical ministry, and finally, it looks like the helicopter has been fixed. There was a big problem with the motor, and after that was fixed, the electrical system went bad, so Satan has really tried to hinder this ministry. The pilots and mechanics have been working hard to get it ready to fly, so Lord willing, maybe Pam can go up for a trial run sometime next month. Dr. Dean Harkniss from Ohio, is here,

torested in dainer

al work with the very primitive people in the rument to see what is necessary for him to be an a doctor, he is also a mechanic and pilot, so well. He and his wife really want to serve the that sometime soon, Pam and he can work in a I will go along to present the gospel to these heard of Jesus. After they hear the gospel, then y with us about this new endeavor, that God will dered.

prison here with our assistant, pastor. They go two I, and then disciple the new believers. The prison has re only working with two groups at a time, with 7-10 is so that they can personally give each one the attention ake a long time to get around to presenting the Gospel to every out Nathan feels that this is the most effective way. Just this week, prisoners to trust Christ as Savior after the Gospel was preached. The excited about the discipleship classes and take notes and write down all of the

Bible verses, and study them during the week. Even the guards are taking notes and asking questions. Some of the leaders of these groups, who are prisoners, too, have taken this teaching and are teaching other prisoners what they have learned, so it is really multiplying. Many of these men are guilty of murder and other violent crimes, but God is saving them, and they are changing.

Nathan is also teaching a class to our church members on evangelism, and we have fifteen who are faithfully coming each week for the class. It is called "Sharing Jesus without Fear." He used this approach when he went to church in Michigan before coming here to work with us. It is a very interactive program, and our people really like it. Already, Emmanuel, the 14 year old in the class, has led one lady to the Lord, and Nathan was there to help him, and said that he did a great job. We have three teenagers in the class, and they are excited about sharing their faith.

Lord willing, we will be grandparents soon. Our daughter, Sara, is due next Sunday, and her body has begun the process of preparing for birth. Lord willing, we will be in the States for a month to see this little one and to spend some time with our family, too. I have been asked to speak at the Spring BFM Conference, so we are really looking forward to that. We are just so thankful for this new life that is about to be born.

Pam and I are teaching a Friday night Bible study in the homes of our members on the subject of God's Answer to Aids. It is from Walk Thru the Bible, and is so needed in this culture where Aids is rampant. Our people seems to really like the study and are learning much about what takes place in their bodies when they have Aids, how it is contracted, about forgiveness of those who have given them Aids, how to keep from getting Aids, (be faithful to your spouse if married, and abstain if not married), how to have compassion on those with Aids, and how to have hope if you do have Aids. It is a great study and has so much Scripture intertwined in it. Nathan is thinking of using this study in the prison ministry as well.

Our Bible Institute is going well. We have six students now, and I am teaching a class on marriage, another on New Testament survey, and a third class on Baptist beliefs. We are seeking to prepare our students to be good Sunday School teachers, and pastors. They seem very interested in the classes, and we hope to use them to further the Word of God in this area of our world.

We have a new e-mail address, so please make note of it. Our former server was in Nairobi, so each call to access was long distance. Our contract time was finished the middle of this month, and a new server came to Kitale, so we are trying this out, and it is working well. Now, it is a local call to access, so we are pleased. If you contact us, please use this new address.

We are saddened at the news of the war with Iraq. All of us really need to pray for our president that he will have the wisdom of God to know what to do in this uncertain time. The news coverage is limited here, but we try to listen to the news on the radio and keep up with what is going on. These are uncertain days, and it is our duty to pray for our president, as well as our military who are in the battle. God is in control, and we are praying that this war will end quickly, and that the forces of darkness will be defeated swiftly and completely.

Thanks again for all of your thoughts of us and interest in the Lord's work here in Kenya. May each one of us strive to serve our Lord more diligently as we see the coming of our Lord drawing nigh. We are so thankful to be a part of BFM and to have the opportunity to serve our Lord in this part of the world. We would love to hear from you God bless each of you as you labor for Him there.

Your servants in Kenya, Mike and Pam

Creiglows Move . . . Note New Address and Phone Number . . .

Dear Brethren:

There isn't much activity to report this month, other than we have spent most of the month moving. We are now living in Science Hill, Kentucky, just about seven miles north of Somerset on state route 27. We will continue to work as we can with Baptist Faith Missions visiting churches along with the video work, and at the same time will serve

in First Baptist Church of Science Hill. Brother Ed Massey is our pastor, and we are looking forward to trying to be a blessing to him as well as all the people of the community.

By the time you receive this Mission Sheet the Spring Missions Conference in behalf of Baptist Faith Missions will be over, and we are looking forward to a time of fellowship there, so the next big event will be "Founders Month." I know June sounds a long way off, but it is not too early for each church to start receiving a special offering for that great need Baptist Faith Missions has each year. When vacation time rolls around the regular fund offerings are less, but the expenses of the mission work goes on, and the missionaries are counting on us to do our part.

Our new address and Phone number are as follows:

Traning Others to Witness . . . Report on Prison Ministry . . . Learning Swahili . . .

Greetings from Kitale, Kenya. We are now in the fourth month of the year 2003. The year has been going so quickly, and it has been very exciting to be involved with what God is doing in Kitale. I will now give you an update of the ministry here, as well as prayer requests for

I have now finished teaching the final week of "Sharing Jesus without fear," the evangelism program from the States which I taught last month. I was very encouraged with the attendance at each of the seminars, as we had an average of 15 people each week. I was very busy translating all of the materials

into the national language of Swahili, as well as teaching in Swahili. It was much work, but I was pleased to be able to see progress in the language. I have a long way to go, and have just started, but I am trying to teach more and more in the language so that I will be able to more effectively communicate with the people in their own language. I was especially encouraged with the progress of three of the youths who the evangelism training. They were very active in the seminars, and were really understanding and applying the materials. Each student will be required to do an in-depth exam next week of the materials that we covered together. Please pray for each student, that they will do well and progress well with this course. I was encouraged as one of the youth in our church and myself went to visit a family that had been to our church. The husband was saved through the evangelism of one of our church members that I was able to disciple before leaving for Tanzania. However, he mentioned that his wife was not saved and needed to be reached with the gospel. The youth that accompanied me proceeded to use the outline that we studied together in our class and went through all the diagnostic questions with her, and she expressed a desire to receive Christ as Savior. It was such a blessing to see God using a youth that is only fourteen years of age to reach another soul for the kingdom. God is truly faithful to bless when we are obedient to the commands of the Scriptures.

The prison ministry continues to go well. This past week, I was able to start with two new groups of prisoners. On the first week with the first new group, I presented the gospel. After I presented the gospel, four trusted Christ as Savior. At the beginning of this week, I was able to share with the other new group, and three trusted Christ as Savior. It is truly exciting to be a part of the ministry here in Kitale and to see God bless His Word and His ministry. I have received many letters from the prisoners who have expressed appreciation for the ministry outreach that we have in the prison. There are many needs that the prisoners have expressed, and it is challenging to attempt to reach the needs that have been presented. I would appreciate your prayers for wisdom as I continue with this ministry. Thank you so much to each one that has been praying for this ministry and who have sent me letters of encouragement. May God richly bless you.

Concerning prayer requests, please pray for a continued growth in the language of Swahili. Another language is a major challenge, and many times it becomes tiring and overwhelming. I would appreciate prayers for continued development in Swahili, as it is very important to be able to communicate with the people in their own language. Also, please pray for my health as it is now the rainy season and there are many changes in the climate. It is important to stay healthy so that the ministry can continue and develop Also, I am praying about purchasing a vehicle in the near future. My parents and I have been sharing a car, and it is now a necessity to have my own vehicle so that we can expand and go to other areas of Kitale. I am praying about the funding for this vehicle, as cars here are shipped from other countries and are quite expensive. If you would be interested in helping with this need, please email me at: naterad@yahoo.com and I will be sure to give you more information. Please pray for this important need as well. Thank you so much to each person who has been so faithful to write and encourage me with the ministries here in Kenya. May God bless you richly.

Sincerely, Nathan Radford

Good News from Brazil . . . **Enjoy Visit at Bible Baptist...**

Dear Friends, April 3, 2003
I know that you'll want to rejoice with us over the latest news from the works in Brazil. I spoke with Pastor Oseias, one of my ministry partners in Curitiba, this past week. He shared with me the news that 39 persons accepted Jesus as their Lord and Savior at a recent outdoor evangelistic meeting. Paulo, from our Project Life ministry, was the main speaker. We also learned that five folks rededicated their lives to Christ at the same meeting. This meeting was

sponsored by a new church that was planted just south of the Parana state line in the neighboring state of anta Catarina. The church there is growing very well under the leadership of a young dedicated team. The Project Life team will be working in and around Curitiba during the months of April and May, helping the local churches better evangelize their communities. They will also be letting some new volunteers work with them to acquire more experience in reaching folks for Christ.

I have been quite busy with studies during the last month or so. I have a deadline to submit several theological papers in a couple of weeks and I am pressed for time to get all the work done. The studies themselves are rewarding, but the deadlines are putting a little stress on me. And you ladies know how husbands are when they are stressed. Charlene and the kids are being patient with me, but they would like to see me a little more than they are at present.

We did have the marvelous opportunity to get a relaxing visit in with the pastor and members of Bible Baptist Church of Harrisburg, Illinois. We thank Bro. Art Donley, and the church for their hospitality to us during our visit. We are always happy to meet personally those folks who faithfully pray and support us. We would be glad to hear from others who would be interested in meeting my family and me, personally. You may contact us at the address and phone number above. We are looking forward to seeing many of you at the Spring Missionary Conference in Lexington, Kentucky, later this month. Continue to remember us in your prayers.

In Christ' love, Bobby, Charlene, Jessie and Brennen Wacaser

Here in Peru, the month of March was business as usual, busy! Many of you have been praying for Danitza a young girl from our church here in Huanuco that had open heart surgery on the 20th of February
Danitza, her family and Anita and I thank you for your prayers and donations that made the operation possible. The operation was a success, yet more complicated than expected. After three weeks of recuperation in Lima, f was able to bring Danitza home on the 11th of March. We had to return by plane because the bus trip over the mountains takes you up to over 1 5,000 feet above sea level. It was the first time Dany had ever been in an airplane. It was quite an experience for her. Her recovery has been remarkable and the twelve inch incision is not near as noticeable as she feared it would be. She is regaining some of the weight she lost and has had no problems Thank you all so much for your love and concern manifested in your help for Danitza. help for Danitza.

Our mission works are all reporting good services, souls being saved and several baptisms. I baptized eleven this month for our church here in Huanuco. The Central Baptist church of Huanuco celebrated 31 years this month. We had three days of special

Baptist church of Huanuco celebrated 31 years this month. We had three days of special services.

Last week I held another Institute class here in Huanuco for the Peruvian Baptist pastors. It was the best attended class I've had here, with 54 preachers and pastors present. The course I taught was "Christian Apologetics." We had good participation and a great spirit among these great men of God. I will be traveling out to the North Jungle town of Iquitos the first week of April to teach the same class to the Baptist preachers in that region. I usually have around 80 to 100 in that class.

Anita and I are anticipating a wonderful time with the "BFM Missions Adventure Team" that will be coming in July to help in the construction of a meeting house for our mission work in Huariaca. This town is about 9500 feet above sea level and about 1.5 hours drive from Huanuco. The work is a few years old and has matured and now has a full time missionary from our church here in Huanuco. It is time to invest in property and construction. Thanks to all of you who have given to the Stanton Building Fund. This is the fund that makes all these building projects a reality. Please remember the General Fund of BFM also. This is the fund that pays the insurance, work expenses, travel expenses and the standard monthly support. Anita and I are very grateful to the Lord for all the churches, pastors, directors, and men and women that help make it possible for us to serve the Lord here in Peru. Thank you and may our heavenly Fattier continue to bless each of you as you remain faithful to HIM.

Serving Jesus in Peru,
Sheridan and Anita Stanton
