"For you know the grace of our Lord Jesus Christ, that though He was rich, yet for your s He became poor, that you through His poverty might become rich" 2 Corinthians 8:9

I have shown you in every way, by laboring like this, that you must support the weak. And remember the words of the Lord Jesus, that He said, 'It is more blessed to give than to receive" Acts 20:35

Our Conference Theme: "A LIFESTYLE OF GIVING" will continue to promote the ministry of individual personal giving to missions which we introduced in November of 2003, "EVERY FRIEND A GIVING FRIEND" is the commitment we want every friend of BFM to make.

The Lord blessed our missionaries through your increased generosity during 2004. Our total monthly offerings to the General Fund increased by \$38,000 during 2004. The 2004 Thanksgiving Offering was \$77,347.00. That was a \$15,000.00 increase over the average Thanksgiving Offerings we have given for the past 8 years! God be thanked! He provided GRACE according to His promise, and you responded by giving to our missionaries.

But, we need to be sure this increase is not just a "bump." We need more than a "bump"; we need

a sustained LIFESTYLE OF GIVING among all the Friends of BFM. We are asking for long-term, lifelong commitments. Our needs for increased offerings are on-going — we have the same needs year after year. And, if we have any hopes of maintaining or increasing the services we have committed to our missionaries, we must commit ourselves to A LIFESTYLE OF GIVING.

Our Lord Jesus lived A UFESTYLE OF GIVING. "For you know the grace of our Lord Jesus Christ, that though He was rich, yet for your sakes He became poor, that you through His poverty might become

And, He taught us by His own example and commandment that WE SHOULD GIVE AS HE GAVE. "I have shown you in every way, by laboring like this, that you must support the weak. And remember the words of the Lord Jesus, that He said, 'It is more blessed to give than to receive" Acts 20:35. So, we are issuing the challenge to every one of us TO ADOPT THE PERSONAL MINISTRY OF REGULAR GIVING TO MISSIONS. "But as you abound in everything - in faith, in speech, in kno

REGULAR GIVING TO MISSIONS. "But as you abound in everything - in faith, in speech, in knowledge, in all diligence, and in your love for us - see that you abound in this grace also." 2 Corinthians 8:7.

We will present methods by which each of us can establish *LIFESTILES OF GIVING*, and especially how our missionaries will benefit from our commitments. We will also provide testimonles of how God has blessed others TO GIVE...and THROUGH THEIR GIVING.

PLEASE PLAN TO ATTEND! We can't encourage and inspire anyone who is not here! We would love to have every supporting church represented at our Conferences. We encourage every church to send at least your pastor and pay his traveling and motel expenses to come. We preach and promote missions and give full reports and presentations of the ministries of our missionaries. There is no better way to learn about Baptist Faith Missions, cultivate friendships and fellowship, and be inspired for personal commitment, service, and involvement in missions than by personal attendance at our Conferences.

Baptist Faith Missions - First In Peru

By Jim Orrick

In May, 1935, Brother Richard Patrick Hallum, his wife Mary Frances, and their teenage da Marguerite, left Louisiana where they had lived for some time working in a Spanish Church to familiarize themselves with Spanish. They then traveled by train to Norfolk, Virginia where they took passage on a freighter that took them to Belen, Brazil at the mouth of the Amazon River. Here they took a riverboat that took them up the Amazon to Manaus, Brazil. They remained there for about two days while the boat was unloaded of much of its cargo.

While they were there, word spread that there was an American missionary on board the boat. They were soon visited by a son of pioneer missionary Eric Nelson, bearing an invitation for them to come to the Nelson home for fellowship and refreshments. Brother Nelson was away on a mission trip, but Sister Nelson entertained them royally. Mrs. Nelson helped support the Nelson family by baking and selling bread. Marguerite always remembered the delicious cinnamon rolls that Mrs. Nelson served them. Pioneer missionary Joseph Brandon was also there, recovering from malaria. After the layover in Manaus, the Hallums were soon back on the boat, headed for Iquitos, Peru which would serve as their

headquarters for the next twenty years. It took them thirty-nine days to make the trip from Louisiana to Iquitos. Brother and Sister Hallum were both almost fifty years old when they arrived in Peru.

It was in Iquitos, on February 2,1939 that Brother Hallum organized the first Baptist Church in all of Peru. The membership consisted of eleven charter members, four men and seven women. The church was organized in the Hallum living room and continued to meet there for approximately two years until a church building could be built. Brother Hallum planed solid cedar boards to make the first church pews. On church days the living room furniture was carried out of the living room and the pews carried in. When the service was over, the pews were carried out and the furniture back in. Years later, these pews are still in use by the Baptist Church at Tamshiyacu, which is about the hours up the Amazon from Iquitos.

When the Hallums went to Peru they w supported \$100.00 a month with funds from AMAZON VALLEY BAPTIST FAITH MISSIONS

that had been started by H. Boyce Taylor. Brother

Taylor died in 1932 and the church he pastored soon lost interest in the mission work. When the Hallums went to Peru, it was agreed that they would be supported out of the money in the treasury until it was used up. With A.V.B.F.M. no longer receiving offerings, it would only be a matter of time until it would become necessary for the Hallums to find other means of support. Brother Hallum wrote in the July 1956 MISSION SHEET that while he was home on furlough in 1946, he was invited to preach at the First Baptist Church, Russell, Kentucky and that while there, he told the pastor that he

have offered us a special rate of \$39.95 + local taxes per night / continental breakfast. Be sure to ask for 'Thompson Road Baptist Church' event rates. If there is any question about the room rate, ask for Margie.

SPECIAL ANNOUNCEMENT CONCERNING THE SPRING CONFERENCE OFFERING: We designate the Spring Conference Offerings every year to a pressing need in the BFM family and ministries. This year, we at the host church are especially impressed to designate the Conference Offering as a Memorial Gift to Wanda Turner in memory of our brother, pastor, and missionary Richard Turner and their 16 years of faithful service in Brazil.

Brother Richard's protracted sickness, hospitalizations, treatments, and funeral services accrued significant expenses and much of it is still outstanding. We encourage you to prepare and bring a generous gift with you to the Conference...ask your church to make a generous offering also - and, if you cannot attend the Conference, then send it to our Treasurer, George Sledd, and it will be added to the offering we will give Sister Turner. Be sure to designate your offerings you send Brother Sledd "Turner Memorial Offering."

Videos Available . . . **Getting Ready For** Thanksgiving ...

After the Winter Conference in Park Ridge Baptist Church in Gotha, Florida, Pastor Danny King contacted me asking for materials to help in their Wednesday night prayer service. Pastor Danny informed me that each Wednesday night one page of the Mission Sheet is read publicly to promote giving prayerfully and financially

to missions, but since there are only three pages of the Missions Sheet devoted to the mission work, it leaves one Wednesday night per month with nothing to read. Pastor Danny requested copies of some videos that he could present to the church on these fourth nights. The church offered to pay for these videos, but of course there would be no cost to them, and I would send them either on VHS cassettes or DVD. I sent them VHS videos that if they show just one per night will take them through several weeks of study. I want to thank Brother Danny for the request, and at the same time make this offer to any church that might like to keep missions before the church. I am now equipped to offer these on videos discs.

The Spring Conference at Thompson Road Baptist Church will soon be here and we hope to see many of you there. Pastors, come and bring your members with you for a great time of fellowship. Here at First Baptist Church in Science Hill, Kentucky We had our first Thanksgiving offering for missions with a goal to raise \$5,000.00, and in just two months were able to raise a little more than that, so this month we have started working on this year's offering with a goal of \$15,000.00, and believe we will exceed that. We also have a group from our church going to Brazil with Randy and Barbara Jones and Mission Adventure team in June. We are encouraged and we praise the Lord.

Churches Moving Forward... **Looking Forward To Mission** Adventure Team ... Countdown To Germany . . .

March 8, 2005

Greetings once again from Central Brazil. We trust all are enjoying the blessings of the Lord. Here in Mato Grosso we are being blessed greatly, but not without difficulties. The biggest hardship right now is the extreme hot weather. We don't mean to complain about it but it is ne: 011-55-65-661-6131 a reality that has to be taken into account here.

All nine of our works here are steady. Our newest family who arrived from Minas Gerais has quickly adapted and are being used in a great way at the Altos do Coxipo Baptist Church. This makes it easier for me to support the missions that are just starting up. The Boa Esperanga Baptist Church called a pastor this past Sunday. They are awaiting his answer. I believe he will accept. He is a good man who has worked with us in the past in this area before moving back to the State of Sao Paulo. Our mission in Primavera do Leste is having some difficulty. The worker there is very dissatisfied and is not putting much into the work. The mother church, Boa Esperanga, is preparing to ask him to resign. We pray this can be done without any conflict. I am constantly being asked by the churches for advice and I have to remind them that only the church itself can make the final decision on any church matter. It seems I am constantly pleading to the Lord for grace and wisdom. I just returned from Novo Diamantino where a storm tore the roof off our worker's house. We have the roof back on and are in the process of painting and fixing up the house. The work itself is going great under the leadership of Brother Edvan

We are looking forward to the visit the end of June by the Missions Adventure group. Our people are getting excited about it already. Next month I will be going with Ursula to Germany the Lord willing to be reunited with her family after 44 years. We want to thank all who have given that this trip can be made. She is counting the days and her family there is counting the hours. Pray for Ursula. She is going today to the doctor with bad swelling in her feet.

I must close and take a church member to the hospital to have surgery. God bless all of you there. We thank you for your prayers and faithful support.
Yours in Christ, Harold & Ursula Draper

would be willing to go back to Peru as a missionary out of First Baptist Church. He wrote that the pastor advised him against it and encouraged him to seek to work with BAPTIST FAITH MISSIONS (Which can be thought of as an outgrowth of A.V. B.F.M.). Brother Hallum followed the pastor's advice, and that is how Baptist Faith Missions came to have works in Peru. Brother Hallum's letters in the MISSION SHEET were short and to the point. Brother H. H. Overbey referred to him as a work horse and not a show horse saying, "He doesn't prance around a lot, but you can see where he has

Others such as the Lewises, Lauermans, Crains, Kissels, Gibbs, Gasques, Mayfields, and Stantons have also served with B.F.M. in Peru. Today there are over two-hundred churches and missions that have been started through the work of B.F.M in Peru. Today the Stantons are the only missionary family that we have in Peru. Is there anyone reading this who feels that God would have you go to Peru

After twenty years in Peru, due to failing health, Brother Hallum, realizing that he could no longer do the work, retired in 1955. Marguerite served with her parents all of this time, visiting and teaching women and children. They probably could not have remained on the mission field as long as they did had it not been for the help she was to them. Returning to the states, Brother and Sister Hallum continued to be active locally as their health permitted.

Brother Hallum was called home in July, 1964. He was eighty years old. Sister Hallum passed way in August 1969. She was eighty-three years old. They are buried in Green Lawn Cemetery in Hammond, Louisiana. The great work that they did lives on in Peru as a monument to their hard work and devotion. Marguerite Hallum lives at 608 North Pine Street, Hammond Louisiana, 70401, the last living charter member of the very first Baptist Church established in the country of Peru

Sharing The Gospel With Those From Other Countries . . .

February 28, 2005

The month seems to have gone by swiftly. As you read this, the time for the Baptist Faith Missions Spring Conference will be near. We hope that you will be able to attend. It is a great encouragement to us to have churches and individuals who support us regularly and to have those who give of their time to serve us in receiving and disbursing the offerings, editing the Mission Sheets and posting our news online. We are grateful for the contribution of each one and thank God for providing through you.

We have had good services and Bible studies this month. Sunday we had a house full. There were some first time visitors present as well as some who do not come too frequently. I was preaching for another church in the city of Toulouse whose pastor is traveling. It was a blessing to meet a number of believers there for the first time. One lady that was a new Christian is a Persian from Iran. Her husband is still not saved. This would be a good time to pray for all those who are followers of Islam. It would also be a good time to look around in your own community and ask God how you might be able to build relationships with outsiders that God brings to live in America. He may have brought them there so that you could witness to them.

You may remember Shantha, whom we have mentioned in past letters. He is from Sri Lanka and married to a French lady. He has shown a great interest. His wife, Nathalie, however, had not shown much interest. The Lord has rearranged their schedules so that we have had more opportunities to see them together. Recently, she volunteered that she had tried reading Shantha's Bible but had difficulty understanding the English. We gave her a French Bible and marked it for her to begin reading the Gospel. Pray that God would open her eyes and give her a hunger and thirst for righteousness.

Last month we mentioned Aude in our letter. She was saved while studying in the US and is now

living back in Central France in an area that does not have a church. She would have to drive over an hour to go to the nearest church. This is a major difficulty. She has been able to find only mi employment. She does not have the money to buy a car or pay the expenses (very high in France - \$5.50/gallon of gas) of operating one. She was very discouraged living back in France and had no desire to stay here. But, France needs people just like her, those who are French and saved. There are very, very few saved. Of those who are saved in France, a good number, probably most, are of foreign origin and the French tend to chalk up their religion as a cultural thing. Last week, Aude called to say that she knew that God wanted her to stay and be a missionary in France. This is a major matter in her life. She has had a number of opportunities to witness. Pray for Aude. Pray for us to know how God wants us to help her and be an encouragement to her. We would love to see a church started in her region. It is a four hour drive for us.

Nathan's Vision For The Future . . .

March 5, 2005

It is already the third month of 2005, as the time has passed so quickly. My wife and I appreciate the ails of encouragement from many of you, and also for the letters sent to us directly. Each of you are a big blessing to us, and we thank God for you. We read each email and letter with appreciation, and thank you for your interest in the ministry.

This prayer letter is an extension of last month's prayer letter, where I described my missionary call and also was able to discuss the ministries that were conducted in Kenya. Although things done in the past are very important, it is also essential to look to the future and have a vision for where God is leading. In Proverbs it states, "Where there is no vision, the people perish." May we always be looking to the future and prepare to serve the Lord in even greater ways than before. Below are several of the future items that I will pursue upon my return to Kenya, Lord willing. Also, there is a section for where my wife will assist

me in the ministry, as so many have asked about her and where she desires to be used overseas as well.

Future ministries in Kitale, Kenya: 1. Church plant: There has been a possibility for months within the Kitale main prison to start a church. Not only have prisoners been interested, but also guards and high ranking officials. Many new believers through the evangelism ministry have desired to be baptized, but there have been some government barriers to this. Although there have been obstacles, the Lord is continuing to open this door for a church plant and I continue to be in fervent prayer about it. I continue to trust Him and look forward to how He will work in this new area of ministry. This is a very exciting

possibility and I would like to pursue this upon return into the country again.

2. Evangelism/Discipleship: I would like to further increase and expand this ministry not only in the prison but also in the churches. I feel that many of the Christians in Kitale were not interested in this inistry, yet God was working on them to be more available to be used in evangelizing to others. I would like to get other Kenyans involved in this ministry who were not previously involved, not only to challenge them, but to give them practical experience in reaching others for the kingdom of God. The goal of a successful missionary is multiplication, and this ministry is essential to reach this goal effectively.

Prison ministry: There were many prisoners/guards who wanted me to expand the works even further. There were possibilities of an AIDS awareness class, more Biblical theology, other Bible school branches, and other opportunities with the women's prison. There is also a need to move our ministry into a bigger location to be able to reach more prisoners within a shorter amount of time. Chairs and pews are being built presently and hopefully we can move into a larger location upon my return, thereby reaching more and training/equipping more prisoners. There is also possibility of expanding the work into branches, with two other prisons interested in the Bible teaching, one prison with over 1,000 prisoners and the other with over 300 prisoners. Many exciting opportunities exist in this area. The Lord has opened so many doors for these ministries, and many of you have asked about them. Several of the prisoners have visited the churches upon their departure and many are interested in also being trained in our Bible school in theology. This is very exciting, so please continue to be in prayer about this as well.

4. Orphanage: The premier desire for ministry of my future wife is to work with orphans. She has

been called to missions since 9th grade and originally wanted to work in China with orphanage work. When she came to Kenya in August of 2003, she saw the need to work with the orphans and has been burdened in this area for quite some time. My mother works part - time presently in an established orphanage to get experience and see how a professional orphanage is run and conducted. Carrie could go with my mother to get valuable experience in this area as well, until we could get the funds and staff necessary to carry on an orphanage of our own. There are around 1,000 orphans in Kitale, so there is a huge need for this area of ministry. Many missionaries have pursued ministries with orphans, as we think of the great missionary George Mueller, who established several orphanages. The possibilities with working with orphans in Kitale are endless, so pray that the Lord would give us wisdom for how to set up this type of ministry during our second term.

These are the future ministries that we hope to pursue upon our return. As you can see, we have many goals and also many opportunities that we are pursuing. We invite you to come and personally see the ministries after we return to the country. As several from my home church came to Kenya last year, their lives were radically and forever changed. This will certainly be the case for you as well, as it is truly a life-changing experience that you will never forget. The Lord may even call you to be a missionary and

reach these areas of the world, so pray about your involvement with a personal trip to Kenya.

We are trusting the Lord completely for our needs. For present supporters, please cont faithfully send your funds, as we depend on this assistance heavily each month and have many expenses here. We are also saving for further expenses upon our return to Kenya, as there will be many. If the Lord would burden you to begin supporting this work, please send your assistance to the address listed below.

God bless you.

The Problem Of Aids . . . Pray About Church Problems . . . Not All Bad News . . .

Dear Praying Friends March 4, 2005

Another month has passed into eternity, and it brings us closer to the return of our dear Lord and Savior.

February was a busy month for us, as my brother-in-law, Dr. Jim Wade, visited us for a few days, and we were able to get away for some personal time with him, which we all enjoyed. Pam and I attended an HIV/AIDS conference in Nairobi after Jim left, and we learned so much that we hope to pass on to our churches, and others that need this important information. Africa leads the world by far in

the problem of AIDS, with up to 6,000 new infections each day, and one death from AIDS every 17 seconds. This has caused multiple problems with many children being orphaned, and lack of food, poverty escalating, many single parent families, or older children being the parents of younger ones, etc. It behooves Pam and me to do what little we can with taking care of orphans, street kids, and teaching in our churches, as well as in the bush ministry, about the horrors of AIDS, and how to prevent it. If anyone reading this would like to come to help us in this endeavor, you are welcome to come. It is a monumental task

We continue to have major problems with our first church, Calvary Baptist. Upon our return to Kenya, we were approached by the pastor who preached for us while we were gone about a gift to help him. We were glad to do this to show our appreciation, but we made it clear that this would be our final gift to him. He took the gift of 10,000 shillings, which is about \$150, but wanted more money to put his oldest son, Emmanuel, in school. Secondary public schools are not free in Kenya. We gave him the \$150, but refused to give more for Emmanuel's education, as we told him that we are being supported to help in ministry, and not pay individual school fees. Emmanuel is the young man that we have talked

Group of ladies at Pam's Bible study

about many times, as he says that he is, called to preach, and we have supported him for several years now. To make a long story short, Emmanuel's dad got very angry, and told us that he was resigning as pastor and deacon. This man has forgotten that we helped him to get three jobs, have helped with his rent numerous times, have paid medical bills for his family, and have bought food for them when they were hungry. So, Mattayo, Emmanuel's dad, has joined Moses, our former pastor who had left us to start another church, and has taken so many of our members. He and Moses are causing much trouble for us among the members who are left, and now, they want the church building and plot. Pam and I had also helped Moses many, many times during the five years that we worked with him. So, there is now a group of dissatisfied church members bent on seeing our ruin. This is so much like the situations that many of the faithful men of the Scriptures faced, as well as Jesus Himself. We, like them, are trusting God to prevail, and we know that He will. We would ask for your prayers for wisdom, and for us to be Christ-like when dealing with those who are so ungrateful. Thanks so much for your prayers.

The government of Kenya is becoming more corrupt, and this is now involving missionaries who live here. The government officials are wanting to vote themselves a raise of 1.5 million shillings when they retire. This is over \$25,000 dollars, in addition to the 700,000 shillings (about \$10,000) that they are receiving each month. Along with this, they want to tax missionaries 30% of their total monthly income. Pam and 1 are paying taxes to the government now, but it is not nearly this much. We don't mind to pay reasonable taxes, but to tax the people who are here to help, and have left their homes and families to bring the love of Christ to many here who have never heard, we think, is very unfair. There are groups of independent Baptist missionaries who are using honest lawyers to help them to present their case against this unfair taxation. We have talked with some of them, and they are praying, as are we, that God will prevail. It is another attack from the Evil One, and we would ask for your prayers on

There is good news, too. God is really blessing the street children's ministry, and Andrea and her workers are meeting with over 110 kids each week, exposing them to the gospel, and feeding them. During the week, the workers play soccer with them, and are going to the streets daily to help them with counseling, and meeting medical, as well as spiritual needs. Many of these kids come from parents who have died with AIDS, and they are living on the streets trying to survive. They are desperate, and need so much in the form of love and concern. This is such a worthy ministry, and we deeply appreciate those of you who help us to make this possible.

The helicopter is being repaired after getting the engine back just a few days ago. Pam is anxious to fly again into the bush. We continue to pray that God will raise up some to help us to be able to have our own ministry there, whereby we can go into the bush and stay for a few days. During this time, we hope to do teaching, especially about AIDS and other health issues, vaccinate those who need it, and do follow-up with those who come, in order to help them physically and spiritually. We want to start

A Mother In Desperate Need . . . Great Church Camp Problems . . .

March 3, 2005

Pray for Tanya, twenty nine year old, single mother of a seven year old, two year old and twin girls, six months old. She came to talk with my wife, Anita, and me about giving the twin girls up for adoption. Tanya lives in a small town about twenty minutes from Huanuco, where she lives with her children in a small room about ten feet by eight feet with no electricity or bathroom. She has no job, no skills and she's desperate. The father of the two older children turned out to be married (he had lied to her) and when she broke the relationship

off with him he got drunk, raped her, and the twins are the result. Tanya made a profession of faith two years ago while we were on furlough, but then she just disappeared. Our church had heard from time to time she needed help and we sent food and clothes, but we were never aware of the real scriousness of her situation until today. We are trying to help her find a Christian family to look after the babies until the Lord guides us as to how best

Red Tape Over Containers And Trees . . . Reaching Out To Others ...

This month has been a special one for me. My brother Ralph and his

wife Dianna and a special couple, Riley and Norma Whitaker from Paris, Kentucky, came to visit Brazil. We were with them for ten days, and as they came to see Brazil, they took us with them as translators. We got to visit with Paul and Wanda Hatcher while we were in Manaus.

As we were preparing for this visit my containers arrived. The ones that I told you about that I am going to use for storage and for the walls for the woodworking shop. Well they arrived, and I thought that all would be

right in the middle of where I want these containers to sit. No problem you say, well think again. I had to go to the city to get permission to cut these trees and it will take at least fourteen days for them to decide if I can cut the trees. But the containers are here, and so we had to just set them off in the middle of the lot and wait until we get the word to cut the trees. I had to pay the crane to take off the containers, and then when I get to cut the trees I will have to pay for him to come again and set the containers where they need to be. The one thing that I tend to forget is that things don't move as fast here as they do in the States.

Barbara with some of her co-workers.

I know that you are having a hard time visualizing how I am going to use these containers. Well lots of people are watching to see the end results. I will keep you informed and try to get you pictures so you won't have to guess what it will look like. But believe me, it will cut down on cost

pictures so you won't have to guess what it will look like. But believe me, it will cut down on cost of building and that is what we strive for here.

Well, not all things are on hold. Our seminary has started (second year) and we have completed our first three weeks. We are really excited about the response we are having with the seminary. This will provide the leaders and pastors we will be needing in a very short period of time. I say this because our Church now has three mission points and two preaching points in the homes of our members. Only one of these points has their own building, the others are rented or in the homes of members. We are beginning negotiations this month for a lot in one of these neighborhoods because the home where we are gathering is getting to small for the meetings. The asking price is 10,000 Reals; we have the first 2000 and the owner is willing to parcel out the remaining 8,000 in four payments of 2,000. We covet 2,000 and the owner is willing to parcel out the remaining 8,000 in four payments of 2,000. We covet your prayers and your financial help in this matter.

Since our Church is in a growth phase, our one bus is not sufficient for both sides of town and

we are in need of another bus. Is that not a great problem to have? AWESOME!!! We have bought a bus from Odali Barros in Garca and this bus is one that Pastor John Hatcher bought back many many years ago to start a bus ministry there in Garca. So this bus has a history that we hope to continue in Caraguatatuba. Pray that we will be able to continue with the work that has started here. We have voted to begin a mission in the city about one hour from here. God has sent us a pastor

for the work. We will be looking for a place for this pastor and wife to live and maybe use their place for the work in the beginning. This pastor was trained in the seminar in Garca where Pastor John Hatcher started a seminary and Pastor Odali Barros today continues the work. So we are confidant about his beliefs

and doctrines. One more thing for you to take to the Lord for us.

Humanly speaking, it is impossible to accomplish these things, but we know that through God all things are possible. It is marvelous to be here and get to see first hand how God works in the lives of the people here. I know that you too would love to see this first hand, so why don't you come on down!!

Thanks for your support, prayerfully and financially. And thanks to B.F.M. for being the constant supporter of missionaries. We are here because of you.

In His service, Aj and Barbara

to help her and these two precious little ones. We gave her food, and paid for the seven year old to get into public school (she could not even afford that). We will continue to look after her. We are not asking for any help only your prayers. I will try to keep you up to date from time to time as to how the Lord is working in her life. Thanks

Well, Baptist Youth Camp 2005, was a great success. Even though we didn't reach the number of campers were expecting, we still saw four saved and Around fifteen young men surrendering to the ministry and at least a third of all the campers made commitments to use their talents and gifts for the Lord's work in their respective churches. It was a glorious week as well as exhausting. Anita was in the kitchen from seven in the morn nine at night, non stop. No one got sick during the week (a first for youth camp!) and all the campers said the food was great and a few declared it was the "highlight" of their

week (teenage boys of course!). All in all it was a real blessing and we are already making plans for Baptist Youth Camp 2006! Thanks to each of you for your prayers and for your help in purchasing the tents.

Two of our three mission works are suffering at this time. In Huariaca two of the key families moved to the capital city of Lima for work purposes, leaving our missionary worker, Jonel Quijano, with two new families that we had recently baptized. Jonel became sick and then discouraged, but he is doing much better now that he found out his wife, Judy, is expecting their first child. We ask for your prayers for Jonel and Judy, and the Huariaca Baptist

Mission. Thank you.

The work higher up in the Andes mountains is about to close down. Do you remember two years ago I wrote about dealing with a case of incest? Well, it involved some

members of the Chasqui Baptist Mission and they have never gotten over it. It has gone from bad to worse. The mission work has a bad reputation in the farming community there as a result of the incest situation. We are seeking the Lord's leadership. Be assured my friends, Satan, is alive and well and working hard in Peru!! We need

Here at Central Baptist Church in Huanuco the work is going very well. We have a full house at every service with folks responding to the preaching of God's Word. The church is solid and growing. We are preparing for our thirty-third anniversary service next with one of our Peruvian missionaries, Roosevelt Hermitano. We are praying for a great harvest.

We are looking forward to a visit from Pastor Darrell Messer and a group from his church, Emmanuel Baptist in Bellbrook, Ohio the 4th through the 14th of April. Pastor Messer is a good friend and we plan on having a great time. Remember all the mission works in your prayers. Until next month.
