Grandparents!... Report On Twins ... Visitors . . .

Anita and I are now officially GRANDPARENTS!!!! On Thursday the 30th of June, Caroline Paige Stanton entered this world at 11:00 A.M. in Tucson, Arizona. She is nineteen inches long and weighs 7 lbs. Our son Joshua and our daughter-in-law, Cheri, are the proud parents. Caroline and Cheri are both doing well after a normal delivery. We hope to visit them in October, the Lord willing. We thank you for your prayers.

Here in Huanuco, Peru, the twins, Kathy and Carol, continue to grow quickly. They turned ten months old on the 14th of June. They can now sit up and crawl by themselves and love to stand up for long periods of time. When we got them from the hospital they were six months old and could not even lift their heads up. They had been bound in blankets and laid on their backs for six months. The backs of their heads were completely bald where they had been laying for so long. To see their progress has truly been a blessing of God. They now laugh and smile all the time; when we first brought them home they would only give a blank stare. So many of you have written us and offered your support and prayers. Thank you so much.

A mission team from Tri-Cities Baptist Church of Gray, Tennessee, were down during the

onth of June. They came to Huanuco and helped three of our churches here in street evangelism and they gave funds so that Zion Baptist Church could build the second floor of their building. One day they traveled up to one of our mountain works and helped put benches together. They ministered to Anita, the twins and me also. Three of the group, Lisa Cross, Jim Miller and his daughter Trina, stayed one week extra so that Trina could paint a wall mural for the Grace Baptist Church. If any church in the States needs a Baptistery scene painted, I highly recommend Trina. She is a very talented artist that desires to use her talent for the Lord's work. Anita and I are thankful for each member of the team that came down. You all were such a blessing to us and to our churches here in Huanuco; souls were saved and the churches were strengthened. Thank you all.

Another group is coming down the 6th of July from the First Baptist Church of Alexandria, Kentucky. Ron Duty has the privilege of pastoring this mission minded church. They will be here for ten days and will be involved in evangelism through sports and Tract distribution. We are anticipating

Youth Outreach Growing... Growing Pains . . .

Many of you must be praying for us. God has blessed us and the ministries here in ways that we could not even imagine. We thank Him for his grace and you for praying for us. We love what's happening, so please keep it up.

In less than three months our youth outreach has tripled. Our leaders, Anderson and Janayna, are very dedicated and their teaching and example are having a marvelous impact on those youth that are being reached. At

every weekly youth meeting there is at least one new person present. Two encouraging facts about these visitors are that they come as a result of a friend excitedly telling them about how God is changing their life through our church and that they are coming from a non-Christian background.

I get excited about growth among the youth for several reasons, but especially because it is from this group that most of our missionaries to new works will arise. We developed our theological training program specifically to equip lay leaders and God-called ministers to take the gospel that they have heard and accepted on to those hundreds of cities in our region where there is no gospel witness. Charlene and I often have the opportunity to share with these folks the joy and spiritual reward we have received by following Jesus in reaching the lost. We want them to see in our lives and in their own experiences that surrender to Christ and his service is not a sacrifice, but is gain.

Last month I thought I had temporarily resolved a seating problem we were having. I bought as many new chairs as we could fit into our auditorium. That attempt turned out to be VERY temporary. Within three weeks those new chairs were full and now we have no space to put more. These are the kinds of "problems" that I love to deal with. We are praying for God's guidance in what should be our next step. In the meantime, we are looking for a larger piece of property nearby. Please remember us in your prayers. Thank you for your faithful support

In Christ's love, Bobby, Charlene, Jessie and Brennen Wacaser

great blessings as a result of God working through them. Please be in prayer for them as they minister to the souls of men and women here in Peru.

Anita and I ask that you continue to hold us up before the Lord in your prayers. The normal routine of the mission field with the added time invested in the twins is exhausting, especially for Anita. Please pray that God will continue to give us strength, stamina and wisdom to be good stewards for HIM here in this part of the world. Thank you all so much for your love and prayers.

Faithful Brother Dies . . . Problems With Mail... John & Alta Hatcher Visit... Dear Brothers and Sisters of the Savior: June 30, 2005 Our prayer for each one of you is that the Lord will be merciful to

you and bless you and cause His face to shine upon you so that you will help and do all you can do that the Lord's way will be known on earth and His salvation among all nations. Read Psalm 67. This Mission Sheets month is the month of June

During this month I heard ten sermons preached and I preached a total of ten sermons. Nine of the ten were delivered at the 24th of March Baptist Church where I serve as pastor. One of the eight was a funeral

ssage with the body of a brother in Christ - Raimundo Sena Fragoso, present. I baptized Brother Raimundo in the Buzzard river on September 12, 1965. He became a member of the 24th of March Baptist Church on the 5th of December 1999. As a member he had his ups and downs. During this year he suffered loss of memory. He leaves behind two sons and three daughters and his widow, Aurea Belem Fragoso, a faithful member of the church. The next day, Monday the 20th, I was honored by having the opportunity to bring a message about my life. My message, in which I honored my Savior Jesus Christ,

was delivered in the chapel service of the Ida Nelson Baptist School and was heard by an estimated 100 people composed of several pastors and students of the Bible School. This past Saturday the 25th, I preached to some twenty-seven people in the home of Joana Rodrigues Braz, celebrating her 75th birthday.

We are grateful to all of you who pray for us and contribute to the regular fund and or designated funds. The following is a note from Marie.

We are having problems with our letters getting through. It has been months since we have heard from some of our faithful writers. We have heard that there has been a lot of corruption and stealing in the post offices here and throughout Brazil. I answer every letter we receive but have not received very many lately. Some friends say they have written three or four times during one month's time, which we have not received. We are sorry because we do miss the news and keeping in touch. One Monday morning recently in June, we enjoyed the short visit of fellow missionaries. Brother John and Alta Hatcher. They were visiting their sons here in Manaus and visited us for an hour the day they left to return to their home. We four enjoyed some catching up news

Alpha and Omega . . . July 4, 2005 It's hard to believe that it is almost July. It seems as though we were

Good Report From

just planning Christmas the other day. We are all doing great, and we hope that each one of you is doing fine also. The last few months, we have gotten to see many of our friends

from the states here at the Alpha and Omega home. We have also had the privilege to make many new friends. The groups that have been here have been a blessing to us and to the home. Each group that has come has donated time and money to make the home look nicer and make it a more comfortable, better place to be. Rooms and hallways are being painted, roofs are being replaced, bathrooms are being remodeled; things are looking www.AlphaOmegaBrazil.com
nicer. We want to thank many people who have given to these projects,
and also thank those who have given for many things which we use daily, such as: silverware, aprons,

window screens, and kitchen hair nets. The groups that have come here have done lots of evangelism in many schools and at many mission points. In addition to visiting the mission point churches, school programs give us the opportunity to reach many more people. This has really been great! In the city of Alvorada do Sul, some wonderful things happened. The group had presentations in two schools, and one in a public plaza. One principal and two teachers made professions of faith. This is great for the mission work there. We are planning on building a new building for the church in that city.

School is out for a fifteen day break. Many of the kids have done very well this semester. Since we

have a lot of new children here at the home, there are always some challenges from school. This is because most of them come with little desire to study. Some of the most problematic kids are actually some of our smartest kids. It keeps us busy trying to keep their minds busy and out of trouble. To close the sem we had a full day of special activities and presentations.

This month will be a little different from normal because Amelia and Kathy will be going to the states

the birth of the first grandbaby. Kathy Lee and Dan will have their first baby at the end of July.

Once again we want to thank everyone for their prayer and support, and we ask that you continue to pray for God's wisdom in this ministry, and for the children as their lives are being changed.

In Christ, Odali and Kathy Barros

Many Saved ... Work On Vocational Building... Build House For A Poor Family...

It seems as though we were just waiting for the group from Virginia Beach to come down for a visit and now they have come and gone. We had a GREAT week with the thirty-six visitors from Atlantic Shores Baptist Church. We entered into nine public schools and three parks and presented the gospel to many young people and praise God over 500 accepted Christ as personal Savior. We now have the great task of follow-up and discipleship. Pray for our church members as they undertake this task.

Speaking of discipleship, our semester in the seminary is about over and the students are about ready to take their test in my discipleship class. I am expecting great things from this class. They will be the principle part of this follow-up. Pray for them as they prepare for their test.

The walls for the vocational school are up and the floor is poured in the carpenter shop area. We blanning for a working in the next two weeks to put on the roof and install the electricity into the building. I went today to order the wood for the trusses and in only four or five weeks the price for the wood had doubled. What can you say, you just pay the price and go on with the work. We need our prayer for the people who will be working on this project because it will be hard physical work. Pray that we can get this completed this month.

One of our members here is a school teacher and she made a home visit and while she was there she shared the gospel with the mother of her student. The mother accepted Christ and started to come to church. We saw the need for help for the family, and when we went to take a food basket we will never forget the conditions we saw. The family is seven in number and they live in a house that is 5 ft. by 7ft. They have one half bed and several foam mattresses and several pieces of plastic that they use when they lay the foam mattresses out at night. You see they have to lay the mattresses outside because there is not room inside the house and they use the plastic to protect them from the rain and dew. This house is not theirs, so our church decided to help them by building a house on a piece of land that they own. Their new house will be two rooms, living room and the kitchen and the bathroom on the side of the house; the total size of the house is 9' by 18.' They are so excited about their new house, each time you see them they are smiling and telling everybody about what they now have. The mother told us that when the teacher came to visit her she was so depressed with her situation that she wanted to kill herself. She did not know where to turn and then the teacher told her about Jesus and His love for her and she now has all the reasons in the world to live

The new mission point had it's first meeting two weeks ago and there were four people in attendance. We went there for one day with the group and now the town people are seeing the pastor in town and calling him Pastor Luis. We had 172 people accept Christ in this town. So they have their work cut out for them there. Pray for them as the reason there has not ever had a Baptist Church there in this town is that the Catholic Church has a strangle hold on the town. So pray for Luiz and

If you want to see God work in marvelous ways come down and visit us here in Caraguatatuba and we will show you how your mission dollars are working. Our doors are always open and the food is good, so come on down!!!!

Baptism ... To Preach In Scout Camp... Bible Study Growing ...

July 1, 2005 This month has been one of blessings. I'm sure that this is true

for each month, but sometimes it is more obvious than others. Last Sunday, we had our first baptism. Several unsaved people that were invited came. This gave us the opportunity to communicate the gospel to them as well to teach about baptism. Joachim, who was baptized, had asked to give a few words of testimony. He did an excellent job telling about how the Lord had worked in his life after the salvation

of his wife, Angela, and through the witness of her life. He also explained how the fear of surrendering to the Lord, which had held him back, was replaced by joy when he received Christ as Lord of his life.

Judy, Amanda and Angela are working hard to prepare for Summer Bible Club which is to take place next week. About a dozen children should be coming, brought by their parents. Judy, Amanda and Angela have invited the mothers to stay. This will give them the opportunity to witness to the mothers as well as their children. The task of preparing for the club has been quite a joy. It had also been a time of cataloging and organizing the large amount of craft materials sent to us by the ladies of Emmanuel Baptist Church.

Faithful In Tribulation . . . Work Moving Forward . . .

Greetings from the cool country of Kenya. Ou getting much cooler as we approach our wintertime. We understand that the weather in the States is very hot and humid. That is the kind of weather that we have here in December, January, and February. In the Southern Hemisphere, the seasons are reversed, so it is very different from what we are used to this time of year..

June was a month of trials for us here, but we saw prayers answered, and God was faithful. To date, there have been four defaming newspaper articles written about us in two different papers from some dissatisfied people from our Calvary Church. Actually, there have been only two articles, as the other two articles are

repeats of the first ones, only in different papers. These newspapers are not recognized by the government, and are like the National Enquirer in the States. The two main newspapers in Kenya which are recognized by the government are called the Daily Nation, and the Standard. Some of our members from Imani, plus myself, spoke with reporters from these papers, and they were not interested in doing a story on us, as they realized that what was being said about us was lies.

We have had a lot of problems with some members in our first church who have rebelled against the leadership of the church. These people have run off many of our good church members, and they have even run off our church leadership. Last year, our neighbors complained that we were on their land. We didn't think so, but upon further investigation, we discovered that we were on their land by 15 meters, or over 25 feet! We asked for a survey to be done then, but it was not done until March of this year by a government official. So, we lost the SS buildings, and the survey went into about 1/3 of the church building. These buildings were put up a few years ago as temporary anyway, as we hoped to build permanent buildings later as we got the money to do so. So, we took the buildings down last month, and are in the process of building a new fence around the property. In Kenya, it is necessary to have fences around property to show ownership. If there is no fence, then it is public property. We told the members that we wanted to comply with the government, and since we were situated on land that did not belong to us, that we wanted to rectify the situation. The rebel members were not happy. Several of them went to the police, government officials, and even the newspapers to tell them how bad that we are, instead of dealing with the problem in a Biblical way in the church

What is hurtful is that these are the same people who Pam and I have helped many, many times with school fees, paying doctor bills, getting them jobs with other missionaries, etc. We know that God is in control, and has allowed these trials to come for our good. Romans 8:28. We learned so much when we went through this before, and were taken to court. We are at peace, because when we read I Peter 4:12-19, and also Matthew 5:11-12, we know that this will happen, but God is sovereign. We are praying for those who accuse us, and have left. Please help us to pray that we will be good testimonies for our Lord, and that we will not fight those who oppose us, but will show the lo Christ to them and to others.

We are taking several of the good people from Calvary, our first church, to Imani Baptist, our second church, on Sunday for services. The people there have really welcomed them, and are using them during the service to pray, etc. Laban, the pastor, is doing a great job preaching, and it has been a good experience for everyone. This month, I plan to start teaching the Baptist catechism in Sunday School in order to ground our people strong in the faith. In a few months, as things settle down and are stable again, we plan to regroup with the Calvary people and start meeting in homes to worship, and later, build a permanent church on the property. Our desire is to start again on a firm foundation with a Kenyan pastor.

I am teaching our Bible Institute so am staying very busy. We have a good group of people in it. Most of the men are from Imani, with only one from Calvary. These men have good attitudes and are servants who are actively serving our Lord in evangelism, teaching Sunday school, etc. The pastor of the next church will come from the Bible Institute

The prison ministry is going well. Noah, the prisoner who Nathan trained, is doing a great job, and several more men have been saved and are being discipled. Lord willing, Nathan and Carrie will return in October to continue on with this ministry. Carrie is very interested in orphans, so she will be a big help to Andrea. We are praying about getting some land to farm and be able to take in more orphans and street children, as the need is overwhelming. Andrea was in court several times last month working with the Children's Officer here to place more children in our Christian homes. She and her workers have a very good reputation with the Children's Officer. They have even been asked to inspect existing orphanages and street children's' ministries here in Kitale.

Thanks so much for the many E-mails that we have received encouraging us, and for all of your prayers. God is good, and we thank Him for these opportunities to prove His faithfulness to us Please continue to pray for us for wisdom, and to be a good testimony for Christ. Galatians 6:9 We appreciate each of you, and your faithfulness to missions

Blessings, Mike and Pam

Last month I mentioned the decision of Tonja, our neighbor from across the street, to not return to France from Germany. We have prayed that God would use the events in this family to draw them to Christ. Last Saturday, Raphael, her husband, told us that he was going to Hamburg to see Tonja and the children for two weeks. He then asked if he could take the German Bible to her that they used in services. When Judy mentioned this to Angela (who is also German) she said that she was baptized in a Baptist church in Hamburg. We had thought that she had heard the gospel and been baptized in Hanover. This week one of the Baptist leaders in Germany came through this area and she asked him about finding a church that we could recommend to Tonja and that would follow up with her. Perhaps, as in the case with Onesimus, this departure will lead to Tonja's salvation.

The week after next we will have the first of three opportunities to witness at scout camps. The ations for these are about four hours from here. The Lord willing we will be doing these on July 13,19 and 22. These are three different camps and should touch the lives of about eighty children and twenty adult leaders. We would like to see this as one of the first steps leading to the establishment of a church, or churches, in this central part of France where there are not churches proclaiming the Gospel of Jesus Christ.

The new Bible study that we began last month in the city of Mazere is going well. We had already had four people besides us attend. Douceline, the young lady in whose apartment we are holding the Bible studies, called yesterday and said that two more people were planning on coming to the next one. This Bible study is in a city about one hour by car from our home

Thanks for your participation in the work of the Lord here. Keep up the good work where you are. May God's richest blessings be evident to you.

Rejoicing in the Lord, John and Judy Hatcher

Brother Creiglow's Report ...

Bobby and Betty Creigl P. O. Box 3 Science Hill, KY 42553 (606) 423-1073 bob4bfm@aol.com

Dear Brethren:

July 6, 2005

Up until this morning I had forgotten about writing a Missions Sheet Letter, and I should have done it several days ago, but hope it will not be too late to get to the printer.

A group of nine from our church went with Randy and Barbara Jones and Mission Adventure team to Brazil. Among these were our pastor and his family, so with the pastor being gone it has been my pleasure to fill the pulpit. I have thoroughly enjoyed myself while they are gone, but I along with the church will be happy to have them back. We have had regular reports and pictures of their activities, and it appears they are having a great experience. They have visited some of the works that Betty and I were involved in, and when our Pastor, Brother Ed Massey called me relating some of their experiences they had with some that were blessed by our ministry, it caused great emotions to swell up in my heart, and I praised the Lord.

Betty and I are doing just fine, and are very happy here in Science Hill, Kentucky. I am also busy making plans for our third Annual Missions Conference to be here at First Baptist Church on October 3-4-5-6. We hope to have with us, John and Alta Hatcher, Paul and Wanda Hatcher, and Mike and Beverly Creiglow. Sheridan and Anita Stanton have also been invited.
Whenever Randy and Barbara take the next

Mission Adventure group, to which ever country they might select, why don't you plan to go with them? It will change your life for the better, for

In His Name, Bobby D. Creiglow

A Month Of Special Blessings . . .

Dear Friends. June 30, 2005

This past month was a real special kind for two servants of the Lord, whom He has blessed beyond their imagination. In Nashville our oldest child Lynn, and her husband, Ross, along with members of their family and many volunteers planned and realized the STONE SOUP FESTIVAL, a special event for families of children with special needs and their siblings. The event was held at the Nashville Convention Center. One thousand persons attended the Festival during the day.

e-mail: jhatcher@onda.com.hr Center. One thousand persons attended the Festival during the day.

Alta and I went to Manaus to visit our sons, Paul and David and their wives. While there, we visited our dear friends Harold and Marie Bratcher. After 47 years in Brazil still going strong in spite of some health problems. Paul and Wanda live at the same place where we reared our children. We were with them the first half of our trip. Visiting the School Alta and I founded a long time ago was a real thrill and heart warmer. They had prepared a special program for us and presented us with a beautiful plaque with these words: "To Our Brother John and Sister Alta Hatcher. Our honor and gratitude for the dream of and creation of this School that has blessed many lives. We praise God for your lives, still full of vigor, flowering and fruitful in the work of our Lord Jesus Christ. We see in your ministry the fulfillment of the Word that says: "Love the Lord your God with all your heart, all your soul, and all your understanding and with all your strength," as well as "Love your neighbor as yourself (Mark 30:30-31). May many more souls be reached through the testimony of your lives. With Love, from the faculty and students of the Baptist School of the Americas. Manaus, June 2,2005."

Some students said to us; "My grandmother or grandfather studied here." Well, it was a great day and we will remember it for a long time.

Now, I am going to skip to France and then I will come back to our visit to Manaus. No, I am not having a senior moment, I am keeping the lives of our children in order. We rejoice in the Lord and praise Him for the victory in France where John Mark, our third child, and Judy, his wife, serve God. The world is a God hating and rejecting place but some spots are more difficult than others. Our hearts praised God for Jochim whom God saved and is the first person to be baptized by John Mark in France. After learning the language and many Bible studies in many places, God gave a real victory; many more will come.

Coming back to Manaus, Brazil we visited with David and Pennie who are missionaries there and support their ministry by their Language School. After a week of Wanda's cooking plus a week of Pennies's cooking, I was beginning to need special reducing exercises so there was no alternative-I had to go to the tennis court and play David for three or four mornings. No, I did not win all the games nor did I lose all. Just to be able to play at eighty was a great win.

At the Sunday evening services the church gave Alta and I a plaque which reads: CERTIFICATE OF HONOR to Pastor John and Alta Hatcher for their 50 years of missionary work in Brazil and for the 45 years of the founding of the Chapada Baptist Church. God be Praised! Chapada Baptist Church." Our other great treasure is Kathy, who along with Odali, her husband, care for over 130 children from broken homes and street kids. Can you imagine being mother to 130 needy children from one to eighteen years of age?

No one has been blessed more than Alta and I. With our children and the children God has given us through the work of the Gospel, we are the richest persons on the earth-what treasures God has given! "Lo, children are an heritage of the Lord: and the fruit of the womb is his reward. As arrows in the hand of a mighty man; so are children of the youth. Happy is the man that hath his quiver full of them: they shall not be ashamed, but they shall speak with the enemies in the gate" Psalm 127:3-5. "Thy wife shall be as a fruitful vine: thy children like olive plants round about thy table" Psalm 128:3.

Dear Friends, you who have supported us through the years with your gifts and prayers share these treasures and blessings with us. Let us press on with joy and dedication to reach the lost for whom Jesus died.

In Christian love, John and Alta Hatcher

Faith Baptist Church in Marilia. This work was started many years ago with services held each Sunday afternoon in the Rolling Chapel bus. Today the Sunday School here has reached about 150 persons. This is the work of the Baptist Church in Garca and the pastor is Gilberto Stefano who was saved and baptized in Cornelio Procopio many years ago. But the proncipal servant in the development of this work has been Maria da Silva. She was saved in Manaus in 1958 in the Calvary Baptist Church.

Another Letter From Bro. Wacaser . . .

(Due to e-mail problems Brother Wacaser's June letter did not make the Mission Sheets

so we are including it here).

Dear Friends lune 2, 200

I hope the following news encourages and warms your heart as much as it does for me to be able to share it with you. During the month of May we were privileged to present the gospel in the public schools in our metropolitan area to over 6,000 students! Many of these students publicly professed Jesus Christ as their Savior. More than 1/3 of these students are above the age of 18. Our evangelistic team. Project Lite, was very busy this month cutting hair, taking blood pressure readings and giving gospel presentations through drama and art.

One of our most effective means of sharing the gospel is through one-on-one counseling during our all-day outreach efforts. We had a tent made especially for attending to those individuals who felt that they needed someone to help them more fully understand what it means to surrender to Christ. In this tent, we explain God's plan of salvation and let the folks share with us where they are in their knowledge of Jesus Christ. We are able to address issues like false teaching they have received from various religions and other stumbling blocks to their faith. A very high percentage of these individuals accept Jesus as their personal Lord and Savior right there in the tent. We are thankful that God has blessed us with this ministry.

The level of dedication and growth among those involved in our training center is quite motivating to us. This semester we have 24 lay-leaders enrolled. The program is for four years, but we have practical ministry involved in every course along the way. We strive to avoid a strictly institutional approach and

Mission Adventures Team ... Enjoy Visit To Germany ...

Hello fellow saints in Christ,

July 2, 2005

We greet you once again from Brazil. This past week we had the great privilege to have a group from the Mission Adventures Group led by Brother Randall Jones and his dear wife Barbara. The members of the group besides these two were Devon Brook from Elmridge Baptist Church in E. Peoria, IL; Judson Hatcher from Virginia; Brother Ed Massey, pastor of the First Baptist Church of Science Hill, KY with his wife Patricia and their three precious daughters, Amanda, Heather and Megan. Also from their church came Shawn Dobbs, Jeffery Wesley, Andrew Oakes and Jason Robinson. All of these were very powerful ambassadors for Christ and showed Christian

love to our Brazilian people here. The folks here loved them and felt loved by them. I might mention that Brother and Sister Jones are members of the Storms Creek Baptist Church of Ironton, OH. Every year they take time off from their jobs to take a group of young people to the mission field. I don't believe these young people who were just here will soon forget their experience here and God only knows how much their presence was a blessing to the work here in Mato Grosso. We want to thank the Lord and the churches and friends who made this trip possible. They are presently in Manaus for the next week where they will be greatly used without a doubt as they were here in Central Brazil.

Many continue to ask about our recent trip to Germany. It was wonderful to be able for Ursula to see her siblings and relatives as well as some childhood friends. We spent a week in Berlin where we participated in a family reunion which enabled us to meet almost all of the extended family. Ursula's family took good care of us and took us to see many things while there. We went into Poland one day. We went to both the North Sea and Baltic Sea. We went aboard a U-boat at a

The man with the hat is a Baptist and the regional Distributor of Shell Oil. He contributed a generous sum for this group going to Brazil with Mission Adventure Team. The three on the right are his office employees.

Military museum as well as to a secret Missile base that Hitler had at the end of the war. I went to a concentration camp also. We were able to go to one Baptist church and to some Evangelical churches where we could see that there is a very liberal and weak presentation of God's word. I came away determined to learn German well enough to at least teach the true gospel to Ursula's family. My goal is to learn it well enough in two years in my spare time to go back and do that.

Right now I have my hands full working with the work here in Mato Grosso. Ursula is still in the States taking physical therapy due to an injury she suffered in a car accident. She has two bulging discs and must continue her treatment at least until the end of July.

We appreciate so much once again all who gave that we might make that trip to Germany. Pray for us and our work in Central Brazil.

Yours in Christ, Harold & Ursula Draper

Ursula Draper (on the left) with her sister Karin, brothers Gerhart and Heinz in Germany

require that our trainees be involved directly with outreach, even in courses such as Baptist History and studies in the Revelation.

At a recent youth camp we were excited to see 100% of our 20 participating teenagers memorize their devotional texts each day. More encouraging than that was the change in attitudes that we have seen in them since that camp. Two of the teens had been dating girls who were not Christians. They decided to break off these relationships and to wait on God to show them whom He would have them to date. They realize that true faith in the Lord means to obey Him and trust that He knows if, when and with whom a follower of Christ should commit oneself. I know that this is a tremendous area of struggle for them, but I also know that God will truly bless them for trusting in Him.

Charlene and I celebrated two memorable events recently; our 25th wedding anniversary and the 20th anniversary of our arrival in Brazil. We are extremely happy about both and especially thankful for God's grace to have reached these landmarks. I'm looking forward to double that number in both, if the Lord sees fit. We pray that He'll use us for his glory through the daily living of both our marriage and ministry. Your prayers are an extremely important part in how God does that, so please pray for us regularly.

In Christ's love,

Bobby, Charlene, Jessie and Brennen Wacaser
