# Bible Study In Kenyan Home . . . Ministeries Growing . . . Excited About Nathan And Carrie Coming . . .

Dear Beloved Friends, September 3,

Greetings from Kitale, Kenya. This is Labor Day weekend in the States as I write this. Even though we are very saddened at the report of all of the devastation from the recent hurricane in the South, God has blessed America. As you celebrate Labor Day, you need to be thankful for the jobs that you have. There is unemployment in the States, but unemployment here in Kenya is about 40%. You have nice, comfortable homes with running water

and electricity, while here in Kenya, very few of our members enjoy these things. Pam was attending the weekly ladies Bible study at the home of one of our Imani Baptist members last night, and she was telling me about the mud house where she met with the ladies to study God's Word. During the course of the teaching, there was a fight between a rooster and a chicken going on in the living room where the ladies were meeting. Also, there was so much noise from the baby chickens that wandered in and out during the study, that it was difficult for Pam to hear the lesson. Many times, Pam teaches the ladies, but she is also training some of the capable women to teach, so that they can carry on when we start another church. These ladies have so little. They cook on a charcoal stove outside which only has one burner, their homes and outside toilet are made of mud and sticks, they have to go several times a day to the river to get water to wash their clothes and bathe, and many live in one room with their whole family. However, they are happy and rejoice in what God has done in their lives, so they are an example to us of thanking God for our many blessings.

Lord is blessing His work here, and we give Him the praise. We are transporting over thirty people each Sunday from our first church to our second one, and this has worked out very well. It means that I have to make several trips, but it is a good problem to have. The members from our first church seem to really enjoy being at Imani Baptist, our second church. Pam and I are teaching a Baptist catechism class to ground our people in the fundamentals of our faith. The Sunday School classes where we are teaching the catechism are growing. Pam is teaching the youth ages 8-18, and I am teaching the adults. After the teachings each week, we are dividing the people into small groups to let them practice the questions and answers, and to learn the memory verses associated with each question. Also, we are teaching them the books of the Bible, as very few know the order of the books. Our people are really enjoying the competition between the groups in learning this material, and they are even coming on time. In Kenya, this is very rare. Nothing here starts on time, whether it is a church service, government function, marriage, funeral, or any type of meeting. So, for our people to arrive within fifteen to thirty minutes after Sunday School starts is a real feat. In most cases, people come 30 to 60 minutes late, and sometimes an hour and a half late, since most of them walk. This is one of the adjustments that must be made in living here. We start Sunday School at 9AM, and most people are in class by 9:15 or 9:30 AM, so this is considered on time here. This really makes us happy, as we are trying hard to make the catechism interesting, and something that they want to learn. It is so very important to ground them in the fundamentals, as there are so many churches here that are very emotional. The people trust their good works to get them into heaven, and also they do not believe in the eternal security of the believer. We see this happening many, many times as we go on soul winning evangelism each week. Pentecostalism and

Lord willing, after we finish teaching the catechism, we will be starting our first church again with the members who have been going with us to Imani Baptist. We plan to start with Bible studies in the homes of members until we can afford to build another building. We have a caretaker's house built now on the property of our first church, and a proper fence around it within the correct boundaries.

Our Bible Institute will start again next week, so I am studying to get ready to teach. There has

Our Bible Institute will start again next week, so I am studying to get ready to teach. There has been some more interest, and so, we may be getting a new student. This prospective student is a man that we met while we were on soul winning visitation last Sunday. Pam had gone out witnessing with one of our teens who has been trained in evangelism, and they visited the house of this man and his wife. He is saved, and had heard of our Bible Institute. Pam and Kevin, the teen who went with her, explained about the school, and he came to church last Sunday. The pastor and I visited him during the evangelism time, and he is very interested in coming and learning more about God's Word. Kevin is our second orphan, and is one of the three boys that we have been earing for the past five years. Dennis, the oldest, is the head of our evangelism team, and Edwin, the youngest, is also involved. It is a blessing to see our teenagers living their lives for Christ. Half of our evangelism team who go out each Sunday after church are teenagers!

The pilot of the helicopter is back from a short furlough in Germany, so Pam hopes to be able to fly with him, along with two visitors who are coming at the end of the month. Dr. Shawn Lawrence and her sister, Robin Carlton, are coming to see the medical ministry, and hopefully, do some clinics with Pam. Shawn is a family physician in Nebraska, and Robin is a nurse who is a member of Zion Missionary Baptist Church in Michigan. We want to use these clinics as a way of sharing the Gospel with those who have never heard of Christ, and also, to be able to help the tribal people physically.

Mike and Pam Anderson with the evangelism team.

#### THANKS FOR SPECIAL GIFT

Dave Parks, Executive Secretary

God works in mysterious ways His wonders to perform, and He has certainly done so in an extraordinary gift that one of our most faithful churches has given to BFM. The South Lexington Baptist Church, in Lexington, Kentucky, voted to dissolve in February of this year. However, as their last business transaction, they voted to deed their property over to Baptist Faith Missions to sell and receive the proceeds from the sale for use in our mission work.

It was significantly appropriate that they would do this because when the church was organized in 1968 under the pastoral leadership of Edward Overbey, their first act of missions giving was an offering to BFM, and they continued faithfully to support our missionaries throughout the years of their ministry. The church members who remained with the church until its end knew Pastor Overbey's heart for BFM and wanted in this way to honor him and his influence which he invested in the church.

Although we deeply regret their need to dissolve, we are extremely thankful to God and to them for their splendid liberality toward missions and the needs of Baptist Faith Missions in particular. To the last remaining members of South Lexington Baptist Church who transacted this gift, we say "Thank You! and thank God for His grace toward us which He put into your hearts."

The building and property was sold to another Baptist congregation, and the work of the Gospel continues to go on from that site. The proceeds from the sale of the property will be designated for use among all the needs of our ministries.

In six weeks, Nathan and Carrie, our son and daughter-in-law, will arrive in Kenya, Lord willing. We are very excited about their return, as we have not seen them for almost a year. Nathan is very anxious to continue the prison ministry that he started before he left to get married. Carrie is interested in orphans, so we hope to expand this ministry, and are praying about buying the acre of land beside of our Imani Baptist Church. Please help us to pray about this need, as there are so many who have been orphaned because of the AIDS epidemic, and we would like to be able to help some of these little ones as a ministry of Imani Baptist.

Thank each of you who write to us, E-mail us, and pray for us. We could not be out here without

Thank each of you who write to us, E-mail us, and pray for us. We could not be out here without your assistance. Truly, the Lord's work here is an extension of your efforts for Christ there. May our Lord bless each of you, and let us all work more diligently for our Savior and thank Him for our many blessings.

With gratefulness for you and our Lord, Mike and Pam Anderson I Corinthians 15:58

### **HEADED FOR KENYA**

Nathan and Carrie Radford will be leaving for Kenya, East Africa, in October. They will be working with Nathan's step-father and mother, Mike and Pam Anderson. Read Nathan's letter in this month's Mission Sheet about their going. Remember to pray for, and write to, this young couple.

## Getting Ready For Conference . . .

Bobby & Betty Creiglow P. O. Box 3 Science Hill, KY 42553 (606) 423-1073 bob4bfm@aol.com

Dear Brethren:

September 1, 2005

It has been my duty as Director of Missions here at First Baptist Church for the past three years to organize our Missions Conference. It always is held after our homecoming on the first Sunday of October. The conference runs from Monday through Thursday. I have been busy for the past two months getting ready for this one that will begin on October 31st. We are looking for a great time in the Lord with all of our speakers being missionaries, and they are, John Hatcher, Paul Hatcher, Mike Creiglow, and Jerry Chandler. Brother Chandler is a missionary to Romania. David Parks will be presenting the work of Baptist Faith Missions for the church to better understand how BFM functions.

Our pastor was out of town one Wednesday night, so I had the privilege of preaching while he was gone, and then Last Sunday morning, just out of the blue, the pastor told two of us preachers present to get ready within five minutes to preach a ten minute message from the scriptures that he assigned to us. He assigned Romans 1:26-27. I enjoyed my ten minutes, as well as the ten assigned to the other preacher.

Betty and I are doing just fine and are enjoying the blessings of the Lord here at First Baptist. The people here are very good and kind to us, and we thank the Lord for them.

In His Name, Bobby D. Creiglow

### Visit From Family . . . New Church Organized, Others Planned . . . Enjoy Mission Adventures Team . . . Gift From Mt. Calvary Church . . .

Dear friends. Triends,
August 5, 2005
July was a busy month. We have many reasons to be joyful and thankful. Wanda and I held our granddaughter, Sarah, for the first time. We had a great time being grandparents. We had an additional blessing as all the children and spouses were home for two weeks. The window of opportunity to have the family together is rare due to the distance of living in different countries. We had a wonderful time, and rejoice for the family God has given us. We are especially glad for the vision and commitment they have for God's mission in their lives. Leigh, our oldest, is married to Michael Samples; they live in Virginia Beach, VA. He is pastor of the Genesis Baptist Church; a church for Portuguese-speaking people. Our son, Judson, and his wife, Raquel, along with four-month-old Sarah, also live in Virginia Beach, where Raquel is studying. Both families hope to soon be back in Brazil to help in the training of leaders and starting new churches in each state. Michelle, our youngest, is in medical school in Sao Paulo, Brazil. Alan, our three-year-old foster grandson, was here also. He lives at the Alpha and Omega childrens home in Sao Paulo.

Michelle gives him special attention. We appreciate your prayers for our family.

A new mission church was started this month in the subdivision of Alvorada (means sunrise) in Manaus. The missionaries working there will be going to other states to start new churches in about five weeks. These are the missionaries: Gilvani and Helen, Girlan and Lea with their children Gabriel and Gabriel. Guestowa and Attention and Administration of the start o Gabriela, Guedryan and Artemizia, and singles Maria, Eder, Lane and Emerson. This is their second church plant, and some of them have been involved in three. They are also training the pastor and team that will continue with the work at Alvorada when they all move to northeastern Brazil to the city of Natal in the state of Rio Grande do Norte and to the city of Joao Pessoa in the state of Paraiba. Mid-August, Girlan, with his family and Lane, who is a civil engineer, will be the first to move to Natal and remodel the building for church services (it was built for usage as a restaurant). This is nearly three thousand kilometers from Manaus. There are no connecting roads. The move is a thousand miles down the Amazon River to the city of Belem, and then, on by truck or plane. As soon as remodeling is complete, the rest of the team will move, hopefully, by the first of September. As soon as the church is started in Natal, we will begin remodeling the ilding in Joao Pessoa. This building will need quite a bit more work done on it. We hope that by the first of October the church services will begin there.

We were very happy to receive Mission Adventures here in Manaus this month. They helped with some of the final painting of the building in Alvorada and were involved in the visitation, along with translators, for the first service at the mission church. They also did street visitation at another mission point, where Brother Massey spoke. He also spoke at our 57th anniversary service at Tabernacle Baptist Church. We enjoyed the fellowship and appreciate their work here in the new mission. We express our gratitude in name of the missionaries at Alvorada for the sound system bought with the investment of the Mission Adventures team. That team was formed of Randy and Barbara Jones, coordinators; Pastor Ed Massey, his wife Pat, and daughters, Amanda, Heather and Meagan, and Andrew Oaks, Jason Robinson, Jeffrey Wesley and Shawn Dobbs, all from First Baptist Church, Science Hill, Ky.; Devin Brooks, from Elmridge Baptist Church, East Peoria, II.; and our son, Judson.

We rejoice in the Lord for the Mount Calvary Baptist Church in Charleston, West Virginia, that is partnering in the investment with the Brazilian church to start the new work in Natal; the purchase of the building and the support of the missionaries for the first year. This is an answer to prayer. The missionaries, pastor David Mitchell and Mount Calvary Baptist Church, and myself and Tabernacle Baptist Church are excited about this great opportunity to start a church that, hopefully, will be a seed factory to start many other churches in the State of Rio Grande do Norte. Pray for all of us on behalf of this new church plant,

We are praying for other partnering churches for the church plants in the cities of Joao Pessoa and Recife. If you or your church feel led of the Lord to join in these new church starts, please contact me at hatcher@argo.com.br or 1-757-271-1025.

God has opened the door for the school to expand to college level. We are starting with degrees in Education, Business, Foreign Trade, Industrial Management and post-graduate classes in the field of education. We had almost given up on this longtime project because of the bureaucracy to get accreditation. The Lord made it happen in a way we never expected. Classes start on the 8th of August; nearly four hundred passed the entrance exams. Praise the Lord for the opportunity to influence the higher education system in Brazil with the gospel.

In the midst of all this, Wanda spent four days in the Tropical Hospital (for infectious disease) with malaria and some other complications. The Lord surrounded her with Christian doctors, nurses and lab specialists, mostly from our own church. After a couple of weeks of rest, she was back to health and normal activities

September 3, 2005 update: After six weeks, the new work in Alvorada was passed on to the leadership. During that time there were 35 new converts being followed up on, getting involved in Bible study. Eleven of these have already been baptized. They are receiving a few over a hundred youth on arday evening and a few over a hundred in the family service on Sunday evening. Praise the Lord.

The ten Brazilian missionaries who started the work at Alvorada have all now arrived in Natal and Josio Pessoa to start new works in those two northeastern costal cities. The remodeling of the building in Natal is well under way; they expect to be ready to start services in another two weeks. The remodeling in JoSo Pessoa is just getting started; they expect it to take a month. They have made many new friends already who are anxious for the missions to get started.

Continue to pray for this endeavor of starting churches in the capitol city of each state. Our love, Paul & Wanda

#### GETTING READY TO GO TO KENYA

Dear praying friends

This past month has passed so quickly, and there are many important items of information to give you an update about. My wife and I are very excited, as we leave in a little over five weeks for Kenya, but there is also so much to do before this important time comes. I will discuss each item of informati is important to us and the ministry in Kenya, East Africa.

First of all, please pray for our health, as there is still so much to do, yet so little time to get everything accomplished. The last few weeks before making a major, long-term move are always stressful, and we are right in the middle of this important time. There are so many details to take care of, and it can be very overwhelming at times. I am reminded of when those in the Scriptures needed to get away and rest, and used this important time to refresh their body and their spirit. We have two very important deadlines that we must meet this month. The first is getting a full shipment of supplies to Pearl River, NY by September 23rd. The office of Africa Inland Mission is in New York, and we are now very pressed to meet this deadline. Also, we must completely move out by the end of this month. So, these

must get done this month, and I would appreciate your prayers for us on our behalf.

Please pray for us, as we will both be going through a major life change in the next five weeks, as we prepare ourselves mentally, physically, and spiritually for this event that God has called us to. Nothing can truly prepare you to go and live in a third-world country, as it is so different from America. There are so many changes, such as culture, customs, language, modern conveniences here that we take for granted, and the list goes on and on. We will have been married right around one year when we make this move, which is one major reason I announced I would be staying in the States for an additional amount of time than I had previously announced. There were just too many things to be adjusting to this past year, and we feel we have now had the appropriate amount of time for our marriage, and are ready to pursue what God has called us to do. Please pray for us during this important time, as there are so many changes to be made within the next few weeks. I have been out of the country for nearly a year and a half, as I was rais support and working on our marriage, so I also will have many changes to go through. We really need to rely on the Lord and depend on Him more than ever at this time in our lives. It is very exciting to return to do missionary work, but there are also many cultural changes to be overcome. We would appreciate your prayers as we seek to obey the Lord in what He has asked of us to do, to take His "good news" to the nost parts of the world. (Mark 16:15) What a privilege to be able to fulfill His great commission in Kitale, Kenya.

If you would like more information about this work, or feel God burdening you to assist us financially or through prayer, please contact us at the information below. God bless you and thank you for your interest in the work in Kitale, Kenya.

#### DON'T FORGET THE WORKHORSE FUND

This is the General Fund. Out of it comes the missionaries' salaries, expenses, travel, medical, cars, etc. It has not kept pace with rising costs. It needs to increase so that our missionaries might have what they need.

Please Consider Increasing Your Offerings

#### PLEASE NOTE

All correspondence cincerning BFM or any of the missionaries should be sent to: Dave Parks, Executive Secretary, 3985 Boston Road, Lexington, Kentucky 40514.

All offerings should be sent to: BFM, c/o George Sledd, P. O. Box 471280, Lake Monroe Florida 32747-1280

If it is for a specific missionary or project, it should be so marked. The greatest need each month is for the General Fund.

All correspondence concerning the Mission Sheets should be sent to: Jim Orrick, 1727 Phillip Street, Ironton, Ohio 45638

All requests for videos should be sent to: Bobby Creiglow, P. O. Box 3, Science Hill. Kentucky 42533. Videos are free for the asking. Brother Creiglow is also available to visit churches to present the work of BFM.

#### B.F.M. - Our Purpose and Mission

Baptist Faith Missions assists Baptist churches to send God-called missionaries to fulfill church-planting missions in the nations of the world.

We believe that "essential Great Commission missions" is to preach the Gospel, evangelize, baptize disciples, establish Baptist churches, and train the disciples to obey everything that our Lord Jesus Christ has commanded.

While we believe that all other outreach ministries and services may accomplish good works and meet worthwhile social and spiritual needs. we believe that our purpose, scope, and focus should concentrate on essential Great Commission Gospel missions.

#### **BFM Mission Adventures**

#### 2005 Brazil Trip Complete - 2006 Peru Trip Being Planned

Mission Adventures completed their fourth international visit to the mission field June 24° - July 9°, 2005. This trip was to Brazil, South America. Participants from First Baptist Church of Science Hill, Kentucky, included Pat & Ed Massey; their three daughters: Amanda, Heather, Megan; Jeff Wesley, Shawn Dobbs, Andrew Oakes and Jason Robinson. Additional members of the Mission Adventures team were Devon Brook from the Elmridge Southern Missionary Baptist Church, East Peoria, Illinois, and Judson Hatcher from Virginia Beach who joined coordinators of the trip, Randy and Barbara Jones. We were fortunate to have our own interpreter of the Portuguese language, Judson Hatcher. Judson as so on of Paul and Wanda Hatcher. Judson and his wife, Raquel, are proud new parents of a beautiful baby girl, Sara. We thank Judson for his unselfish commitment and enabling us to experience an unforgettable trip.

The first part of the trip the team visited missionary Harold Draper. Brother Draper has faithfully served the Lord in Brazil for many years and is approaching his last stay on the field. Brother Draper was a gracious host even though his wife, Ursula, is in Kentucky due to illness. The team enjoyed visiting

many churches established in Cuiba under faithful Baptist Faith missionaries and met precious brothers and sisters in Christ who despite the language barrier communicated international Christian love. We met a dear elderly couple who became believers in their eighties. They own a tropical plantation where we enjoyed fresh sugar cane, bananas, oranges and papaya. We discovered in Brazil you can get multiple kinds and types of bananas. We met pastors and church members who

Mission Adventures Group - Opera House in Manuas

passionately serve Christ. The second part of our trip we visited missionaries Paul and Wanda Hatcher who have faithfully served the Lord for many years in Manaus. Paul and Wanda fulfill pastorate as well as administrative duties in a church-sponsored school and seminary. Through the efforts of Tabernacle Baptist Church, countless numbers of seed churches have been started and the gospel is being preached in densely populated as well as remote areas of Brazil. Church members are trained as teams to go out as missionaries and establish churches that must be self-supporting within two years. Again, we met many Christians who passionately serve Christ in sometimes desperate situations. We visited a branch of the

Tabernacle Baptist Church - Work Project

Alpha and Omega orphanage in Manaus where children are being cared for by a couple who provide physical and spiritual needs on a shoe string budget. We encourage churches who want to know their donations will be put to good use to give money to the Alpha and Omega branch in Manaus. We met a church established in an area where three street gangs compete for power and children play in extreme conditions of poverty. Their pastor is a former gang member who has earned respect and protection from the gangs.

BFM Mission Adventures - PERU 2006 - Plans are underway for a trip to visit Sheridan and Anita Stanton from July 21st to August 5st 2006. The trip will involve ministry

efforts, a work project, and a 3 to 5 day adventure trip to Machu Picchu. If you or your church would be interested in participating in this mission adventure, please contact the BFM Mission Adventure coordinator: Randall Jones at (606) 739-4833 or by email: jones5053@juno.com. # Scattering The Seed In France . . . Finish Six Years In France . . .

Dear Brothers and Sisters,

September 1, 2005

We hope that this finds you enjoying the Lord's blessings. We are getting along well. Judy has been back a week after spending most of August with her father who is quite ill with cancer and her sister who is caring for him. Our attendance has been down because many were away on vacation.

One of the ladies who has been coming to services with her two sons from the time we started them is moving away. She was concerned for others and brought them with her to services. Her husband, who earlier claimed to be an atheist, came with Ruth several times before

they moved. Ruth was saved and baptized before we met her but had been out of church for some time. She began coming intermittently to our first Bible study and as she grew in the Lord became very faithful. We will miss her.

During the month, I had weekly Bible studies about 65 miles from here in the Pyrenees Mountains. These proved to be very profitable. While there I became acquainted with some folks from the Toulouse area that may be good contacts for the future here.

A couple of weeks ago I had the privilege of sharing clearly what we believed with our neighbors across the street. This past Sunday the lady was telling Judy how they appreciated our discussions and then said that shortly afterwards they saw a special on Brad Pitt that told about him being raised in a Baptist family. Well, that was news to me. This month has given me that opportunity to become better acquainted with several folks in our area and we are looking forward to what God has in store through each of the contacts.

So, after six years in France we continue to proclaim the Good News. We are thankful for the blessing of being able to bring the Gospel to this country that is so spiritually needy. We are thankful for the doors that God has opened in several areas of the country. We look forward the day when churches in many towns and cities exist because God has multiplied the seed that has been planted. We thank God for you because He uses your participation to meet our needs. To Jesus Christ be all the glory.

Serving with you, John and Judy Hatcher

#### ON FURLOUGH ...

John and Alta Hatcher are now in the states for a few months furlough. Any church wishing to have them visit can contact them at (859) 277-3716 or by calling Dave Parks at (859) 223-8374.

# Busy Month Of Building . . . Growing Pains . . .

Dear friends, September 2, 200

As I am writing this letter we have been watching glimpses of the international news and our hearts go out to the families in the hurricane areas of the U.S. What a tragedy! We would like to help in some way but time and distance prevents our active participation. But there is one way that we can participate and that is through PRAYER and we and our Church people are certainly doing just that.

Isn't it wonderful to have the privilege to talk to our Heavenly Father whenever we want to? It seems as though we forget to use this privilege until something drastic happens. What we need is MORE

PRAYER. Here in Caraguatatuba it has been a very active month with construction on the Vocational School. This upcoming month I am going to concentrate on the gate project. I have a gate that I am remodeling and as you know the price of metal is equal to or exceeds that of wood. When the gate is completed and installed it will secure the property. This gate is five meters long and three meters tall and will move on a track and will serve as the only entrance to the property. We are also planning to install an electric fence on top of the walls around the property for more security when we get the tools and put them on the property. So as you can see the progress on the School is going but still slowly. Everything about this project depends on the offerings that we receive per month. So "THANKS" in advance for your help on this project.

The main Church is exploding, and we have had to do some wonderful things: Our Sunday School program is growing out of its limits. This past week we had 247 in attendance, this is greatly straining our resources. What I mean is this, our auditorium will hold 250 to 300 children and adults but our capacity for Sunday School rooms is about half of that number. So one way that we are solving this problem is this: our pastor and family lived in an apartment attached to the Church, so this week we moved him and his wife to an apartment away from the Church. We are now painting and getting the apartment ready to be used for Sunday School rooms. We have shared with you the need to split some of the existing classes and this will help in this area. One class that is in desperate need has 39 students that are ages 9 and 10 years old with only two teachers. But we are not complaining we are just sharing with you our needs and explaining why and giving thanks to our Lord for this kind of problem. Our needs at this present time with this growth is for you to pray for us and if God is blessing you financially pass on some of that blessing to us for us to buy benches or chairs for these children to have a place to sit when they are being taught Gods word. We need more teachers and we need more teaching aids. Barbara is now teaching here at the main Church as well as at the mission point.

Our new mission in Salisopolis is showing signs of growth as well. We had 13 people in attendance last week in the night service. This is a great victory!! Remembering that this town is very traditional and habits are hard to overcome. One thing that is helping is that we have a pastor in place there. Our Church supports them full time and they are busy at the Fathers work. "Thank you" to those that are contributing to their support through our local Church.

You know sometimes we receive blessings unexpectedly-well this week we received one of those blessings. Last week we started a new preaching point in a believers home and thirty people were present. This week there were nineteen present and five of those accepted Christ as their Savior. This is an AWESOME blessing!!!!

Here again we are in somewhat of a problem; we have more new converts that need discipleship than we are able to nurture and grow. We are going to try group discipleship because our workers are few. Here is but one more thing for you to join us in prayer about.

They say that growth hurts but I will be the last one to complain. But with these new works and the expansion in our Sunday School program we have a desperate need for those chairs or benches. Last month Barbara and I bought fifty new chairs but this month the need more than tripled. Here in Caraguatatuba lumber is extremely expensive so building benches or buying chairs amounts to about the same price. Our Church is trying but our resources are limited as our people are middle class or below so their salaries are meager-but their hearts are BIG.

When I was a new convert and a missionary would visit our Church and he would tell of the work and the needs, I would think "Oh boy, another special offering." I can say that I know that God has a sense of humor because He now has me out here and I am telling you about our needs and asking for your offerings. How AWESOME is the God we serve!! It is amazing how He uses people even though He does not need us. It is also amazing who He chooses, have you thought about how you could serve in a mission work? Maybe He does not want you to go but He definitely wants you to send. But if He wants you to go are you ready and willing? Come down and visit and see what God wants in your life.

In His service, Aj and Barbara

# New Pastor ... Pray About Adoption ...

Dear Friends, September 2, 2005

After all the travel and visitors from April through July, August was a rather quiet month for us here in Huanuco. I used the time to get caught up on my correspondence and other work that had been put aside. I also officially resigned as pastor of the Central Baptist Church; my commitment to them had been fulfilled. A few years ago they asked me to be their pastor and I agreed on the condition that it would only be until they could get a national Peruvian as their pastor. Brother Eli Poma came as my Co-pastor four years ago but he had no ministerial experience. He is a great man of God and the Lord has

sestantonperu@terra.com.pe no ministerial experience. He is a great man of God and the Lord has molded him into a first rate pastor over the past four years. My time at the church was finished and it was a joy to turn it over completely to Eli.

We are praying about the possibility of starting a new work soon in the small town of Acomayo about twenty minutes from Huanuco. We also feel the Lord leading us to get another church started here in Huanuco sometime next year. Anita and I hope to be able to travel to the States for two months in October and November to be able to see our grand daughter, Caroline, in Tucson. This will not be a furlough trip but we will be visiting some churches in the areas where we have family. This trip depends on whether the adoption for the twins, Kathy and Carol, will be allowed by the judge for Jason and Rebecca Reinhardt. The girls turned one year old on the 14th of August.

The Reinhardts are a young, Baptist missionary couple working in Arequipa. They have only been in the country for five months and have spent the last three weeks with Anita, me and the twins. I put them in touch with some friends in Lima that are helping them get their visas and resident cards so they can officially live in Peru. We have been waiting for the paper work to run its course. Hopefully it will be within a week or so. Once they have their resident cards we will go to see the judge and pray that she will allow the Reinhardts to have legal custody, like Anita and I have now, to be finalized into an adoption in a year or two. We really need everyone praying for this situation. As much as Anita and I love these children (and have gotten so attached to them) it will be much better for them to have younger parents. If it works as we hope then we will be able to see the girls often and we will convert from being parents to "special" grandparents for the girls. We have really grown to love and appreciate Jason and Rebecca in the short time they have been with us. They are sound in the faith and come from a good church, Twin Brook Hills Baptist in Hamilton, Ohio. I have arranged for Jason to have somewhere to preach every week. He has been a blessing to us all. Anita has been giving Rebecca tips for living and cooking in Peru. I will write and let each one know about the adoption decision just as soon as we know. We know so many of you are praying for us. May God bless you all.

Serving Jesus in Peru, Sheridan and Anita Stanton
