On Furlough ... Good News From Brazil ... Ursula Reunited With Her Family ...

Dear Brothers and Sisters,
April 6, 2006
We are in the middle of our furlough and are on the road quite a lot right now. We are thankful for the many opportunities we are having to visit churches and attend conferences. I will not attempt to name everywhere we have been, but we were in five states in March. We will plan to return to Brazil in July. We still have a few openings if any church would like us to come. Ursula sometimes is able to travel and sometimes not. We are now getting ready to go to the Spring Mission Conference at the Thompson Road Baptist Church in Lexington, Kentucky. We will be in two other churches while there. Ursula is packing to go even though she is in a lot of pain with her arthritis.

The news from Brazil is generally good. One of our preachers is terminally ill with cancer. He is in much pain but secure in the Lord. The rainfall has been much more than normal this year in Central Brazil. It has caused many farm workers to be unemployed. We have two churches that are in these communities and it causes many people to move away. Pray for these works and for the workers.

On Sunday evening at 9 pm., Ursula's sister and brother-in-law are to arrive at the airport in St. Louis. As you know, Ursula was able to be reunited with her family in Germany last year after 45 years without having seen them. Now some of her family is actually coming to see her. To us it is a miracle! We had lost all hope of seeing her family again. The Lord is so good. We appreciate all who made that trip to Germany possible. We also thank all of you who support our mission work in Brazil as well as the other missionaries. God bless you all.

Shared Gospel With Thousands ... Project Life Motor Home ... Adding Second Worship Service ...

Dear Friends,
March 30, 2006
In a period of six days we had the opportunity to share the gospel to more than 7,000 persons this month. I spoke with many of them personally and heard some of them share with tears how happy they were that Jesus Christ had paid their sin debt. The youth group from Brandon, Florida, who came to spend their Spring break witnessing and sharing the gospel, worked together with our evangelism team, Project Life and my team of translators, including my daughter, Jessie, and my son, Brennen. God made His power and love very evident in the way He broke hearts over sin and gave joy to those who were repentant. The church services which followed the week of public meetings were packed and several of those present came as a result of the public outreach efforts. We are grateful to God for His mercy and grace.

In past letters I have shared with you our desire to get a second motor home equipped to increase our pioneer evangelism capacity. Motor home number one, we now call, Alpha, and our second and newest addition named, Logos were instrumental in our being able to reach the large number mentioned above. With the help of some generous brothers and sisters in Christ, we purchased the material that was needed to equip the Logos motor home before the arrival of the volunteer youth group from Florida. The Alpha motor home will be going into the interior part of the next state north of us this week. That motor home is fully equipped. The Logos motor home will continue to aid us in and around our base city until we get the kitchen and bathroom installed. You can have a part in this by sending your offerings designated Project Life Motor Home.

As a result of the increased church growth we will begin double services this month. We continue to search for larger facilities, but the most immediate solution is to offer a second worship service for our increased attendance. Yesterday I was visiting in the home of one of our members and she said that she arrived a few minutes late for worship and couldn't find a place to sit. We thank God for this kind of a problem, but we don't want it to hinder further growth. Pray that God will provide us with larger facilities and for wisdom for us to know how to use the resources with which He has already blessed us.

Thank you for your prayers, concern and support.

In Jesus' love,

Bobby, Charlene, Jessie and Brennen Wacaser

Needing a larger facility due to increased church attendance.

Bethel Baptist Started ... Visit Bush Area By Helicopter ... Many Trials Here In Kenya ...

Dear Special Friends,
April 3, 2006
We are always so thankful for this time of year as we remember our Savior's death and resurrection and for all that He has done when He saved us. This is why we are here in Kenya, so that we can tell many others about our Lord's sacrifice for His people. So, with grateful hearts, we remember all that Christ gave up when He came to earth to save us and thank Him for the opportunity to tell others here about His saving grace.

Bethel Baptist was started on March 5th with over fifty in attendance at our first service. We are meeting in the pastor's living room, as he and his wife live on the church property as caretakers. Jared, the pastor, is one of our Bible Institute students that we have been working with for some time now, and he has really taken his new responsibility seriously. Most of the members came from the people that we were transporting to Imani Baptist for eight months. However, several have come back who used to go to Calvary Baptist before we had to take the former church building down last June due to the boundary dispute around the property. So, we have restarted and are pleased with the services on Sunday as well as the Wednesday evening Bible study and Sunday School for

Over fifty people were in attendance at the new Bethel Baptist started on March 5th.

children, teens and adults. Attendance each week has stayed between forty to fifty, so our biggest concern is how to get everyone together under one roof with the rains coming. Currently we can fit five pews inside the living room, but three pews are outside in the sun and later on will be in the rain. So we want to build a temporary structure where we can seat everyone together until we can afford to build a permanent church. Later we will use this building for church activities. However, we don't even have the money for a temporary structure, so we are praying that God will burden some to help us. We need to get this done as soon as possible before the rains come every day.

Our Bible Institute is going well with eight students who are coming and are interested in serving our Lord. One of our newest students is a former prisoner who was saved while he was in prison under Nathan's ministry there. He was released in January and has been very faithful to come to church and participate in the Bible studies and Sunday School. Moses has told us that he wants to give his life to Christ to be used by Him in gratitude for all that Christ did when He saved him.

Tomorrow, Lord willing, we are taking leaders from both of our churches to attend a conference on Community Health Evangelism. Some of these leaders had taken part in a similar seminar in January, so this seminar will reinforce what they learned then as well as making the teachings more applicable to Kenya and the culture here. In the seminar we will be learning how to begin a simple, low cost community program where the Gospel is integrated into the health teaching. We will also be dealing with sustainability issues as well as issues related to motivating people to change. We have seen this program in action and how that communities have been helped to learn what their problems are and how they can help themselves to solve their problems. While helping the people in the communities close to our churches we will be integrating the Gospel. Each one of the health issues that is addressed also has spiritual applications so the people and their families are helped to learn what they can do to improve their lives and health as well as learning about God's Word. We want our Lord's churches here to be different as we show practically how much that we care and want people to come to Christ.

We were very excited when we were able to go by helicopter into the bush last month to do medical clinics. We flew to a new area and this was the first

Heavy Rains In March ... Minix To Begin New Work ... Risograph Repaired ...

Dear Friends, April 2, 2006
The month of March in the mountains of Peru have been a month of heavy rain! This has been the most unusual rainy season we have ever experienced. The streets of Huanuco do not have storm drains so when it rains hard the street in front of our house becomes a fast flowing river at times. So far it has not come into the building.

Anita and I were very saddened to hear of the passing of Brother Carl Sadler this past month also. He and his dear wife were such an encouragement to us when I was a young preacher starting my ministry. He has always been a source of ministerial wisdom for me. He will be greatly missed by all, but we know that he is certainly happier now to be in the presence of the Lord. We also were shocked to hear about Brother Jim Orrick falling off the roof of his house and breaking numerous bones. He is still recovering at this time. May God give him grace to mend as quickly as possible.

Brother Jayson Minix and his wife Andrea, are moving to Huanuco and we have been busy helping them acquire a house and get it fixed up so they can get here soon and get into the work. We hope to be able to help the Minix's get a new work going in about four months. They are still learning the Spanish language at this time. Please be in prayer for them.

Our work in Aconayo was down some this morning, (Sunday, April 2). The good news about this work is that Brother Cesar Apolinario went before the church and announced officially his calling to the ministry and his desire to be pastor of the mission. This is wonderful news because up until now I have been working with Cesar as a lay preacher and we have been praying for God to raise up a man to pastor this mission. God never fails! Please remember to pray for Cesar, his wife Susanna, and his three children, that the Lord will keep them strengthened and encouraged in the work.

Last month I reported cancelling my Institute class because our Risograph printer broke down. Well, I was able to ship it to Lima and get it repaired. It is now back in Huanuco and working once again. Thanks for your prayers.

Many have called and written asking about Anita's hands. She is doing better; the right hand is almost normal again but the left one still continues to bother her. We still appreciate your prayers for her. God has been so good to us these past twenty-three years in Peru. Anita and I praise the Lord for all of you that have faithfully prayed and supported over the years. Keep it up! Until next month.

Serving Jesus in Peru,
Sheridan and Anita Stanton

ANDERSON

(From Page One)

clinic there. There were over 150 people who came to be examined under the tree where we chose to do the clinic. I preached the Gospel to these, many who had never heard a good Gospel presentation. Pam and another missionary nurse then examined and treated as many as they could, but the needs were so great. Many of the children were malnourished, and there were others with worm infestations, children with burns from getting too close to cooking fires, respiratory infections, malaria, anemia, etc. This is an area that has been heavily hit by drought and so a lot of the cattle, goats, and chickens that these people depend on for food and their sustainability have died. These tribal people have no clean water so they use urine to clean their dishes, bathe, etc. Obviously, sanitation is very poor so these areas are ravaged by disease. These tribal people are steeped in ancestor worship, witchcraft, animism, etc. They put beaded bands around their children's arms, legs, necks, and abdomens to protect them from evil spirits. The need for the Gospel is overwhelming, so we are praying for more opportunities to go on a regular basis to share the Good News with these whom God loves there, as well as teach them how to prevent many of the diseases that Pam sees on each visit. Thanks to so many of you who support us financially and in prayer as we go to the regions beyond to bring hope and Christ's love to these unreached people.

Our daughter, Sara, son-in-law, Graig, granddaughter, Melia, and a team of former students from the University of Michigan, will be coming here for a month on April 18th. We are so excited to see our family again as well as the enthusiasm that these former students who are missionaries themselves have for sharing the Gospel with the people here. These former students were saved while they were in college at the University of Michigan, and most of them had no spiritual background at all before coming to college. As a stateside missionary on the campus, Graig goes into the dorms to reach the students for Christ and then does follow-up one-on-one discipleship with those who have made professions. So, these former students are an outreach of his ministry and are on fire to serve our Lord as missionaries now, too. They really ministered to our people last year and they want to use their education and talents to reach others with the Gospel as well as helping them to improve their lives, so we are excited to see all of them again.

As with any ministry Satan is not happy when people are being reached with the Gospel so he goes out to destroy and deceive. We have undergone many trials this past month and it has been a time of drawing closer to our Lord to help us and to give us wisdom. There are some unspoken prayer requests that we have and we deeply appreciate your prayers for us during this time. As we remember what Christ did for us on the cross, and His resurrection, let us strive to reach our communities and neighbors for our Lord while the opportunity is still there. Thanks again for "holding the ropes" there so that we can minister here.

With grateful hearts to our Lord and for you, Mike and Pam

Pastor's Meetings Motivate Workers ... Proposal For Joint Mission Project ... Two Trips On The Jurua River ...

Dear Brethren, March 2006
For over a year now I have been making an effort to try to get the other churches in our region more involved in missions. Some of the churches make sporadic mission trips close to home, but most have not really caught the vision for world missions. My goal is to get as many of the churches working on common mission projects that will then spill over into an overall mission effort that will include foreign missions.

My first step was to get our pastor's meeting on a more regular basis. We have regional preachers meetings every two or three months. These meetings have been good and have served to get churches fellowshiping and to motivate the workers. We have been doing this since 1987. Over the past year we have been getting the pastors together during the off months and sometimes every month.

The next step was to crack down on a few of the pastors who were just into missions for the competition and consequently using unethical practices. One of these had even gone as far as starting new missions in villages that already had works up and running. Those of you who know me know how much I hate that kind of thing. Needless to say, this step has been very painful. Hopefully, most of these problems have been solved for now. It has taken a lot of grace.

About seven or eight months ago I got some of our more cooperative pastors working with me to get maps and statistics together to be able to present what has been done, show where all the churches have works, and map out all that still needs to be done here close to home.

In December I presented a proposal (a little suggestion) for a joint mission project at our last preachers meeting of 2005. The idea is to take the gospel to every home on every tributary of the Jurua River between Cruzeiro do Sul and the Peruvian border. I left it up to them to decide which churches would

Brother Creiglow Writes About Founder's Month ...

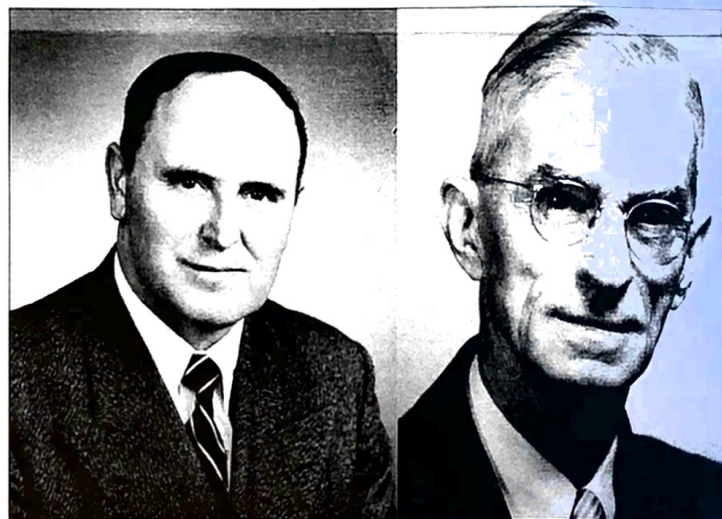

Dear Brethren, April 4, 2006
Brother Joseph Brandon, Baptist Faith Missions' first missionary, went to Brazil in 1923 serving the Lord faithfully, but in 1942 after having lost his financial support, entered into agreement with Brethren Hafford Overbey and Z.E. Clark to form Baptist Faith Missions. Brother Brandon and his family were to return to Brazil to continue the work he had started, and Overbey and Clark assumed the responsibility to raise his financial support. To fulfill this responsibility, The Mission Sheet came into being, and it has served very well these many years.

As the work of Baptist Faith Missions' missionaries continues to grow so does the need for more funds continue to grow, and it seems that when vacation time comes around, mission giving seems to take second place. June is Founders Month, so each year we try to encourage each church to receive and give a special offering so that none of the work suffers from lack of funds. I know June is still a couple of months away, but now is a good time to start on that special offering.

Brandon, Overbey and Clark have gone on to be with the Lord, so in memory of them and the great work they did while here on this earth, let us honor our Lord Jesus Christ with a very special Founders Month offering to the general fund of Baptist Faith Missions.

Next week Betty and I plan to attend the Spring Conference hosted by Thompson Road Baptist Church, knowing by the time you read this it will be over. We are doing pretty well for old folks.

In His Love,
Bobby D. Creiglow

Hafford Overbey and Z. E. Clark, co-founders of BFM

pick which rivers. It was also suggested that they pool resources (human and material) for as many of these trips as possible. They have prayed and have gotten really excited about it. We have banded together to reach every household on over twenty rivers and streams by the end of 2006. All the churches have finished their planning and some have already made the first trips. Results are already starting to roll in.

Our church has already made two trips on two unworked sections of the Jurua River. We invited a pastor from a sister church to go on the last trip. On the lower section between Sao Geraldo and Parana dos Mouras, over 150 homes were visited and there were over fifty professions of faith. On the middle section of the river between Triunfo and Campo de Santana there were over two hundred homes visited and ninety-four professions of faith.

At least three other churches have also made trips, but I don't know what they have to report yet. I will keep you posted.

Our trips were made in an aluminum canoe that Andrew made in his boat factory. He has still not turned a profit yet because he is still investing everything in the business. He hopes to be able to support himself and his family this way soon. He has built and sold over forty boats in the past two years and has orders for another forty-nine already. Three young men from our church now work for Andrew. He will be employing more people soon. The churches and local missionaries here are finally starting to see the advantages of the aluminum canoes over the old dugouts. The churches are pooling funds and have ordered two canoes for two of our full time missionaries. These will be furnished at cost and is part of Andrew's ministry, too. In time we hope to have all of our missionaries in these boats. Wanna help? We will let ya! Just ask how.

Next year's major mission project is already in the oven. I can't wait to spring it on them! God bless you and thanks for all the faithful prayer and support.

In Christ,
Mike Creiglow

Moving or Getting A New Address?

You can help keep our cost down and assure that you do not miss any issue of the "Mission Sheet" if you will notify us of any change of address. When writing please include your old and new address.

AVOID CAPITAL GAINS TAXES

If you would like to help BFM through donations of appreciated real estate, stocks, bonds, mutual funds and avoid capital gains taxes, please call BFM for detailed information.

Many Worship For The First Time ... Bible Studies Going Well ... Vacation Bible School In May ...

Dear Brothers and Sisters,

April 3, 2006

This morning's news announced tornadoes in Missouri, Illinois and Tennessee. We hope that you were spared. The chaotic weather is emblematic of the chaotic condition of our world. The political climate here in France is chaotic. The Muslim world is in chaos. Christians are being persecuted in various parts of our world. Yet, I am glad to be alive in these times because we have the privilege of announcing the Good News of Jesus Christ to a world that is in desperate need of Him.

We were heartened by the news through Glenn Archer that Jim Orrick is recovering and we pray the Lord will give him strength and hasten his recovery. We are thankful for each of you who give so faithfully and for the directors who give of themselves enthusiastically and tirelessly to help us in the proclamation of the Gospel.

We are very encouraged by what God is doing here. Yesterday we had several who met with us for Sunday worship for the first time. Claire Bouquillon was here with her five children. This is her third time to attend in about a month's time. Claire and her husband were the first people we met when we first moved to Tournefeuille. They have since moved to a small community further west and we have had little contact with them. Their five children are six to twelve years old. Nathalie, who used to live in the neighborhood and who attends regularly, encouraged Claire to come. Yesterday she brought her children for the first time. Before this family moved away three years ago, we invested much time in them for Jesus' sake without seeing visible results. So, it reminds all of us to heed the Word of the Lord through Paul, "Let us not become weary in doing good, for at the proper time we will reap a harvest if we do not give up."

Another couple was here yesterday for the second time. A friend of Angela's knew that this couple was moving to the area and put Angela in contact with them. They seem committed to coming on a regular basis. They also have a young child. With all of the children, both of our children's classes are full as well as the adult class. We are thankful that the weather is getting warmer as this allows us to have the older children's class on the front porch where we have more room than in the kitchen where they usually meet.

It is also very encouraging to see those that have made professions of faith growing in the Lord and taking ownership of the responsibilities. The six Bible studies are going well and those participating are growing in the Lord.

The ladies of the church are planning a Vacation Bible School to take place the first week of May. The children here have two weeks vacation from school at that time before going back to school until the end of June. Pray with us for the outreach to children and their mothers. We hope that the Spring Missionary Conference next week is a great blessing to all who attend and that many attend. Thanks again for your faithful support.

For Jesus' sake in France,
John and Judy Hatcher

Prayer Requests ... Students Coming For Visit ... Bible School Going Well ...

Dear praying friends,

April 4, 2006

Another month has come and passed so quickly and the Lord continues to do much work here in East Africa. My wife and I thank the Lord for good health and for the strength that He provides to us each day to continue with the ministry in this needy area of the world. This update will give current ministry opportunities and also provide the prayer requests that many ask to be made aware of.

This month is a very important month for the prison ministry. Each year the government of Kenya requires me to get a permit from the capital city of Nairobi which allows me to continue with the work in the Kitale main prison. Without this permit, you are literally considered a visitor and your work can be cancelled immediately by the government. Please pray with us this month as my permit is due for renewal. The head chaplain of Kitale's main prison is going to Nairobi this next week to assist with the matter, so please pray that the permit would be granted quickly and that there would be no problems. There have been some recent changes in the government, so please pray that these officials would allow this work to continue for this next year. We know that the Lord is in control and is completely sovereign (Isaiah 55:8-9). We are praying to Him to grant us help and assistance in our time of need and completely trust Him to work out this situation in His time.

The Bible school continues to go well. We are continuing to provide the best materials that we can to the prisoners to assist them with their spiritual growth. This is perhaps the best class I have had in my three years at the prison, as each student is very serious and digs very deep for the truths of the Word of God. I am seeking to train faithful men who will train others also, (2 Tim 2:2), so please pray that these men will leave to become "lights" in their communities for Christ. We believe and pray that the theological training they are receiving is providing a strong foundation for them in their Christian walk.

In the middle of this month we welcome my brother-in-law, Graig, my sister, Sara, and their daughter, Melia. They live in Michigan and work in a church that is located at the University of Michigan. They are bringing a team of sold-out students for God to Kenya, so please pray for these students as many of them have never left the United States and certainly have never lived in a cross-cultural setting. They will be here for around a month, so please pray for this time and the impact that it will have upon these students. I will later give an update about their trip. We love visitors and this year is the busiest year as we have several different groups/teams coming. If you would ever be interested in visiting Kenya and seeing what God is doing, our contact information is above.

In closing, please pray for my wife and me as we are still going through many changes on the mission field. Life on the mission field is not easy, but it is where God has called us and we desire to be faithful to His call. We believe that the Lord will reward the missionaries that have been faithful to His call across the world, although the cost is great (Mark 10:29-30). Thank you so much to those who have written and asked how we are doing and how to pray for us. Our main request is for continued strength for the day-to-day challenges and for God's help as we continue to pass through significant cross-cultural changes. God is our refuge and strength and we trust Him for all of our daily needs (Psalm 46:1).

God bless you and thank you for your interest in this area of the world. May we continue to be God's "vessels" through which He can work great and mighty things. "Expect great things from God - Attempt great things for God." This should be our motto as we continue to serve Him wherever He has called us. God bless you.

In Kenya,
Nathan and Carrie Radford

New Building In Congoinhas ...

Dear Friends and Supporters,

April 3, 2006

Below you will see pictures of the new church building in Congoinhas. The building still needs a paint job, but it is quite lovely. God gave us a great location on a corner lot. We found a nice house in the Susumo mission for sale and I plan to make an offer for the property of \$7,500 and we will let you know what happens.

We are still praying for Brother Summers and Brother Orrick and hope that God comforts them as only He knows how.

We had a great trip to Manaus and have seen God blessing there. Judson got his furniture and has been working like a machine ever since he arrived. Paul never stops; he does the work of ten.

In Christ's love,
John and Alta Hatcher

Outside of new building in Congoinhas

PLEASE REMEMBER THESE...

Jim Orrick (who is a BFM Director and also Editor/Distributor of the Missions Sheets you receive each month) suffered a fall from his roof on March 10th and broke several bones, including his collarbone, ribs, and crushed his hip. He is now recovering at home, so please pray that the Lord will give him a complete recovery. His email address is: bfmorricks@bright.net

Marvin Summers is also one of our BFM Directors. He has recently suffered kidney failure and is receiving dialysis three times a week. Please ask the Lord to strengthen, sustain, and encourage him also. His cell phone number is: 931.622.6024.

Homer Crane is one of our former missionaries who served in Peru. He has been in declining health for several months, and is in a nursing home in Alabama. Please pray for him and Elizabeth.
