BIBLES FOR INDIA

By Ruth Rossman

My father, Louis Maple's, life long desire was to see that the Word be proclaimed to the ends of the earth. During the majority of his ministry, he had a print shop in the basement of the old East Maine Church building. He published a paper called, "The Baptist Message," that communicated the gospel. It was customized so that churches all over the United States could use it as their own, with their church and pastor's picture and time of services. This was a principal ministry of his in addition to serving as pastor of the East Maine Baptist Church. Churches received this personalized paper for less money than it took for him to print and distribute it. He labored tenaciously alongside my mother, never taking even a single penny for their own labor.

It felt as if I grew up in the basement of the old church building, working alongside him and my mother. I would help in any various degree that I could. As a child, I helped with simple things, like helping make boxes for shipment time when the churches would receive their bundle, or with distribution of the paper in our own area of the suburbs of Chicago, Illinois. When I married, my husband joined me and we would labor together.

As I would work with my father, he would share with me one of his favorite verses. It was Psalms 68:11, "The Lord gave the Word; great was the company of those that published it." I felt it as a privilege to be working along side with him in publishing the Word. He would share with me his desire to see that the Word was spread not only to those in the U.S., but also to countries everywhere that had not yet received it in their own language.

I always admired his life-long commitment to serving Him. He received no earthly fame, acclamations, or riches, but strived only for the rewards that would be his in Christ. When he died, it grieved me not only because I missed him so much, but also because I felt there was yet work left undone.

Almost a decade after his death, the Louis A. Maple Foundation was legally organized in an effort to continue his unfinished work. We wish to thank those that have contributed towards Bibles for India in the memory of Louis Maple, through Baptist Faith Missions. We have seen 60,000 Bibles, printed in the Telegu language, distributed through the Save India Crusades. Every Bible that has been printed has had on the inside cover printed the words, "Louis A. Maple Foundation," in his memory.

Dan Williams, Founder and Director of the Save India Crusades, has shared a living illustration of the effect of this endeavor. This past year, a friend's son had gone into the interior part of India and upon entering the abode of a family, he immediately eyed a Bible sitting on a table. Surprised to see a Bible in such an obscure village, he opened it to the front cover, to which he had

Maple Foundation. home had been to family from it telli blood was shed for their sins. As a result, the entire family converted from Hinduism to Jesus Christ as their Lord and Savior. There have been countless stories which are similar to this, of entire families that denounced their religion of Hinduism, threw out all the idols in their home, and committed to Christ. I can't tell you how much joy it is for me to hear of reports like these.

It is my prayer that the Louis A. Maple Foundation will see many more Bibles published and distributed, not only in the Telegu language, but in all languages, and to truly see my father's life long desire be fulfilled by the Word being proclaimed to all the ends of the earth.

Thank you for co-laboring with us.

Year Passing Quickly ... CHE Projects ... God Is Blessing ...

Dear Special Friends,

June 4, 2006

We hope that this finds each of you well and enjoying the blessings from our Lord. This year is passing so quickly that it seems we can't keep up. God has been really blessing, but Satan is angry and has been showing his ugly head. Nathan and Carrie are going to Bethel Baptist now, our newest church. They give us reports of how things are going, although I regularly meet with Jared, the pastor. Pam and I have had to go back to Imani Baptist to restart it. Many people have left, so there is much to do. Laban left in April to go full-time with the street children's ministry and he has started another church. He left us because we gave him a choice. He had been working with the street children for over two years. He could not be a good pastor and work full-time with the street children. That ministry was demanding so much of his time that he did not have time to make visits to the members of the church or even study well for his messages. So, when we gave him a choice between us and the street children, he chose the street children. Recently, we found out that he is still with the street children and has started another church! He is inviting our people that he pastored when he was with us to join him in this new endeavor. So, it is another trial, but we are pressing on. Many of our former members from Imani have gone with him to his new church. He has no authority to start a church, as his church did not come out from our church, as Bethel came out from Imani. So, we will see. We have no ill feelings toward Laban, but wish to move on past this and work for our Lord. There is so much to do now because our remaining members are very few.

Pam teaching the youth in Sunday School

However, on the brighter side, one of our Bible Institute students, Fred Simiyu, feels that God has called him to preach. He and another student had been preaching at Imani since Laban left. Then, the church voted two weeks ago to call Fred as pastor. Fred is married with three children and has been a student in our Bible Institute for sometime now. He seems to be very committed to our Lord and His Word. I have been spending time with him discipling him and Pam and I are pleased with his enthusiasm to serve the Lord. Please do pray for Imani, as we want to see it strong again. Also, there is a young man interested in working with the youth, so we need to get out into the community and find some youth who are interested. Right now, the youth we had have all left to join Laban.

In spite of these trials, God is blessing us here as we attempt to do His work. Last week we were in a community doing a project with Community Health Evangelism (CHE). This is an inappropriate topic to talk about in the States, but it is a familiar problem here for everyone. We did a de-worming clinic which helped the people to get rid of these parasites who can do so much damage to them and their children. After we have gone into a community and done de-worming this allows us to go back for follow-up. Then we can teach the people how to prevent worms and other health-related issues that they face everyday. Each lesson has a spiritual application, so while we are teaching health issues, we are using the Bible as a way to help them spiritually. Yesterday we had our first opportunity to do a Bible club in that community with the children and thirty-one children came for the teaching. We just started this CHE program last month and already we have another opportunity to start a Bible study with the adults this Thursday for an hour, so we are pleased with the progress in this community. This area is not too far from Bethel Baptist. Also, we hope to soon do a CHE program in the community around a school near Imani Baptist. Dennis, our oldest orphan who works with us, teaches a Bible club there in the school twice a week. Fred, the new pastor, will be working with Dennis to get to know the people in the community so that we can start a CHE program near Imani Baptist.

SPRING CONFERENCE "THANK YOU"

By Dave Parks

Many of you have sent notes and emails to thank us for the enjoyment and spiritual benefit you received from attending the Spring Missions Conference. Some of you even said you thought it was the best Conference you had ever attended. We are humbled and grateful the Lord used us to minister that grace to you. But, WE want to extend OUR thanks to you as well.

THANK YOU FOR ATTENDING! Attendance matters. ATTENDANCE is counted by persons who are present to participate in the fellowship of missions. We wouldn't have a Conference at all if you didn't attend. We could have prepared the facilities and the program and the services — but it would have all been in vain if you didn't come to participate in it. So, THANK YOU for coming to bless us with your presence. YOU make the Conference what it is. YOU are the ones who created the personal and spiritual atmosphere and environment which is so encouraging to us all. Our attendance is never what we would like it to be, but the attendance at both the day services and night services was a little above the recent average attendance figures. We are still aiming at having every supporting church present through your pastor and other interested members. YOU are the Friends of BFM who make everything work.

THANK YOU TO ALL OUR FAITHFUL PREACHERS OF GOD'S WORD! You thrilled our hearts and challenged our level of commitment and obedience to the call of Jesus Christ to follow Him into world-wide missions. Wallace York, Glenn Archer, Mark Campbell, Paul Hatcher, Raul Bergerman, Harold Draper, John Lybrook, Michael Richardson, George Sledd, Mark Reed, Steve Wainright — each of you confronted us with the truth, authority, and power of the words of Christ and called us to obedience and action. The Holy Spirit convicted us, taught us, and inspired us through your messages. Your messages are still ringing in our ears and stirring our consciences.

THANK YOU, GIVING FRIENDS! We designated our Spring Conference offering to the BFM General Fund to supply our missionaries' essential, basic needs. The total offering was: \$2237.00. \$852.00 of that was given in cash; the remainder was in checks written to BFM by churches or individual contributors. Those offerings will be posted in the June issue of the Mission Sheets as "Spring Conference Offerings."

We are continuing to promote the on-going needs in our General Fund. In fact, the theme of our Conference was "YOU... FOLLOW ME!" Of course, those are the words of the Lord of the Harvest, Jesus Christ to each of us to follow Him into missions. Our purpose was to inspire and encourage personal interest, investment, and involvement in world-wide missions. We will continue to present those needs to give you an opportunity to respond as God enables you and gives you something to share.

Busy Furlough ... Preparing To Return To Brazil ... "New Bus" Fund ...

Dear friends,

June 6, 2006

This month leaves me with not a lot to tell about our ministry since we are here in the States. Sometimes we feel self-important and the Lord lets us see He is in charge and He is only letting us be a part of His ministry. For example, the first week that Barbara and I were back here in the States, our native pastor called and told us that on Sunday night after our departure four people had accepted Christ - How AWESOME He is!!!!

The first two weeks back in the States we were on the road making new friends and preaching in some new churches and visiting old friends. The next two weeks we have taken a two week vacation—first in over ten years. Sometimes we need a reason for a vacation and mine is simply this—June 4th Barbara and I have been married for forty years and we celebrated by taking a vacation. Because of some very wonderful people we were able to have a vacation of a lifetime. We visited Europe!!! We started in Vienna and visited six different countries and went through the Alps. I don't see how anyone can see these magnificent, beautiful mountains and not realize just how AWESOME is the God we serve. In Italy we visited Venice. Here we also saw some beautiful buildings and magnificent church buildings. In this city it is very different; to catch a taxi you had to go on the water as their streets are waterways. And yes, we took a gondola ride! Quite an experience and yes, we were sung to on the gondola ride.

We had a great time driving around the countries thanks to new friends Ken and Judy Brockman. He works in the UN there in Vienna and they loaned us their car to tour in. The car had a G.P.S. system and because of this wonderful instrument we were able to go wherever we wished without any problem. We did not worry about being lost or making wrong turns. We have many wonderful pictures of the trip and if you would like to see them just hop the next plane to Brazil and give us a visit. The door is always open and we love to have visitors coming to visit the mission work and see how God is working in other areas of the world.

Well, my physicals are all completed and I have one more pill to add to my daily regime and I also have a new machine to use to aid my sleeping (and also this will help Barbara to sleep better). I have just one more thing to get done before going back to Brazil and that is the eye exam. So this week I will be done with the prodding and poking and go back to Brazil a new man. Barbara's check-ups went well except for one and she has to come back to the States in eight months for one more test. Pray for this test and trip for her.

Our next week and a half is devoted to packing and preparing to return to Brazil. We are packing many duffle bags with needed things for the ministry. Also we are helping our daughter pack and plan her departure for Brazil in September.

I almost forgot to mention a very special need our ministry has at this time. Our Sunday School ministry has grown tremendously and we are bussing around 180 children on Sunday mornings. The problem is this; one of our busses died!! We are unable, because of the age of the bus, to get parts for it. This is causing a problem because the one bus that is left has to do double duty. The biggest problem this is creating is that while one load is being taken home the other has to wait at the church and can you imagine the trouble 60 to 80 kids can get into in about 45 minutes. Our challenge is to keep them occupied for this period. Please pray for us about this and if you want to help financially please send your donations to B.F.M. designated for "new bus."

Remember us in your prayers as we return home to Brazil to get back to work. And don't forget that the bed is turned down and the beans and rice are on the stove so "come on down."

In His service,
Aj and Barbara

Elections In Peru ... Visited The Reinhardt's ... Next Institute Class Starts Soon ...

Dear Friends,

June 1, 2006

This Sunday, June 4, Peru will elect its new president in a runoff election. Peruvian presidents serve five year terms. The outcome of the election will be a pivotal point in the history of this country. I will not bore you with details of who the candidates are or what platforms they are running on. Suffice it to say this country needs your prayers!

The first of the month we took a few days and traveled to the southern city of Arequipa to visit the Reinhardt's and see the twins, Kathy and Carol. It was such a joy to be able to see the girls again and to see what great parents Jason and Rebecca have proved to be. They love them so much and are doing a great job! We thank God for His great manifestation of His grace in putting the girls and the Reinhardts together.

Anita and I have been very busy in our offices this month trying to get materials ready for the next Institute class starting the 13th of June here in Huanuco. We've only seen two trust Christ as Savior during the month of May, but a lot of spiritual growth and maturity have been evidenced by the saints at the Acomayo Mission and also here in Huanuco. Anita works hard at preparing lessons for the children in Acomayo and they respond with such enthusiasm and gratitude.

Next month I will be able to write with the outcome of the presidential elections here and also give a report of the Institute classes both here in Huanuco and in Iquitos. Until next month.

Sheridan and Anita Stanton

Furlough Going Well ... Please Pray For Ursula ...

Dear Brothers & Sisters in Christ,

June 8, 2006

This past month was an interesting one. We visited and preached in only three churches due to the visit we had from Ursula's sister and brother-in-law in Germany. We did a little vacationing and saw a few sights here in Kentucky and in Missouri and Illinois. All of it was pretty close to home since we live in this area where the states border the great Mississippi River basin. It was the first time our three daughters saw any of their relatives from Ursula's side of the family.

They didn't have the habit of saying grace at meal time and the brother-in-law made a negative comment on it the first time I did it.

Her sister grew up with Christian parents but says she is not sure she is ready to face eternity. After a few days he showed signs of acknowledgment that our God had really blessed us. He even broke down as he explained how surprised he was that we treated them so well even though we had different habits and opinions about some things. They went to hear me preach on the last Sunday here at a church close to home. I preached a message explaining the true Gospel. They listened very intently. She understands quite a bit of English and he a little. We pray that the Lord will take this seed and cause it to find lodging in their souls.

Ursula is going to her doctors right now getting check-ups and we start to make plans for our return to Brazil. She has another appointment on the 22nd of June. After that we will make our reservations. We are traveling out of state until the 16th of July visiting churches. I'm sorry we cannot visit every church that has invited us. Our time is just running out and we need to get back to Brazil.

We thank all of you for your faithful support and interest in our work in Brazil. May the Lord bless all of you.

Yours in Him, Harold & Ursula Draper

Wonderful Time In Manaus ... Visit The School They Founded Forty-Five Years Ago ...

Dear Friends,

May 13, 2006

Please forgive me for not getting a letter in the Mission Sheet for a couple of months. Let me assure you that it was not because Alta and I were busy bathing at one of the lovely beaches of Brazil or visiting the cool climate of the mountains. In January we had our annual camp; in February seminary classes began; and in March we spent twelve days in

Manaus at the invitation of the Tabernacle Baptist Church and the Batista das Americas school. What a joy it is to get to visit once in a great while with Paul and Wanda. "Paul and Wanda, thank you for all your love and hospitality. Everything was marvelous, the air conditioned room delightful, the cuisine was superb and our time together unforgettable." To make things even better, Judson and Raquel and our great granddaughter Sarah were also at Paul and Wanda's. Also, visits with David and Pennie made it a little preview of heaven. The School paid our passages and gave us a love offering.

At our prayer meeting last Wednesday evening Guilherme (William) prayed, "Dear Lord, I thank you for the man who invited me and took me to camp where I came to realize my need for being saved, and I pray dear Lord, that You will help my mother to hear and believe when she comes home next week and I tell her how to be saved." William is fourteen years old and was born about one year after we moved to Urai. He lives four houses away on the same street. His mother is working in Portugal. He does not know his father. I have never seen a boy this young with the burden for souls that he has. His friends have nicknamed him "preacher." Diego is also fourteen and lived on our street until a couple of months ago. Three weeks ago he trusted the Lord as Savior.

Marcio and Carol have their first baby, a boy, named Gabriel. He is one month old and is growing fast. Marcio and Carol have a real love for the young people and have special Bible studies in their home for them as well as preaching in Urai, in Susumo Mission and Rancho Alegre Mission.

The plane trip to Manaus and return was long and tiresome but the blessings of the visit overshadowed the weariness of the travel. Tabernacle Church was having a one month mission emphasis and I was invited to preach the two Sunday nights we were there. Two services are held each night. The first Sunday night several came trusting Christ as Saviour. One was a psychologist who was invited to come by Fred, a former student, and his family.

There were forty persons who came dedicating their lives as missionaries including a young girl who was about nine. Also, there were many who publicly indicated they were going to accept the responsibility of giving to send.

On the second Sunday morning we visited the Chapada Baptist Church and had lunch with David and Pennie. Only the Lord knows the joy we feel to see the blessing and growth He has given to these two churches where Paul and David are pastors. Added to this joy is to have Judson and Raquel back in the Tabernacle Baptist Church with total dedication to training workers and sending them to other countries.

BATISTA DAS AMERICAS CELEBRATES FORTY-FIVE YEARS. The school that Alta and I founded while in Manaus is celebrating its forty-fifth year of service. They have over 1,000 students. Alta and I visited the grade school classes, the High school classes and were received like heroes, which we are not. God has done it all. I remember one year while we were still there, 165 students made professions of faith. Many are still faithful in different churches. We visited with the pupils in the dining room during lunch and recess. There are several third generation students. All the students hear the Bible, memorize scriptures and are taught Christian principals for living.

One of the most touching moments for me was when a handsome boy about ten came up to me in the lunch room and said, "My grandfather was a German soldier during WWII and he fought against your side." He was 11 years old. I asked him, "Have you trusted Jesus as your Savior?" "Yes," he replied. "Then we are brothers in Jesus." "Yes," He said and he hugged for a long moment. Oh, glorious Grace!

Pray for us. Pray for God to give us physical energy and spiritual discernment to do His will. Sometimes we feel like we would like to stop and rest (quit) but when we remember Him, we cannot because He did not rest until He gave His life. Daily, we say, "Lord, we are yours, You bought us body and soul, use us today as You will."

Our love to you all and our thanks for your prayers and gifts.

John and Alta Hatcher

DON'T FORGET ...

ANDERSON

(From Page One)

We appreciate your interest in our new church, Bethel Baptist. We are excited about Jared, the pastor, and the people who are coming. Some of them are the ones who help us with the community health project. One leader is a former prisoner, Moses, who was saved under Nathan's ministry. He had been a leader in going into the communities to meet the leaders there and set up these CHE projects. He was also very active with our youth, so was a blessing to us. However, something has come up, and Moses needs prayer. He is a new Christian, so we need to really encourage him as he is a prime target for Satan.

We are starting this week to lay the foundation for the building that will house the church at Bethel, but will also be our Bible Institute and youth club center. We also hope to use it for CHE projects in the future. We deeply appreciate the churches and individuals who have helped to fund this project. Several of our Bible Institute students are volunteering their time and labor so that this will be a church project. It will be great to finally have a building for the people to meet in, since now they are meeting in Jared's living room.

June and July will be busy with visitors. Bethany Rawley, a daughter of a dear friend of ours, is arriving tonight to spend two weeks with us. After she leaves, a team from our home church, Calvary Baptist in Hurricane, W. Va., will be here. Some of them will be staying for a month. Then, my niece and nephew are coming, so our summer will be busy. We are glad to have visitors so that we can show them what God is doing here.

Thank so much for all of your interest and prayers for us. Your prayers and encouragement means more than you know. Please keep in touch with us and may our Lord bless your labors for Him.

Your servants in Kenya, Mike and Pam

Unconverted Religious Leaders ... Holding Two Evening Services ... God Is Doing Wonderful Things ...

Dear Friends

June 3, 2006

Modern technology has dramatically changed many aspects of society since the days that Jesus walked physically on this earth, but there is one thing that it hasn't changed; the heart of unconverted religious leaders. As we take the gospel from town to town, we are almost always welcomed by the larger population of citizenry, but many times the leaders of pseudo-Christian religions go out of their way to impede our

outreach. A couple of weeks ago we were in the city of Prudentópolis to share the gospel in the public parks and schools. When the local priests and clergymen found out what our intentions were they began to call for a list of their parishioner's signatures to bar us from public gospel presentations in their town. We were forced to take our motorhome, Alpha, to the outskirts of the city to setup for our preaching and gospel drama presentations. God blessed despite the opposition and many individuals surrendered their lives to Jesus as Lord and Savior.

We made the jump to hold two evening services because of over-crowding in attendance. We are sad that not all the church can be together at one time now, but we had to do something to keep from turning people away. We trust that soon we'll be able to locate larger facilities to accommodate the increased attendance. And it does continue to increase. Just last Sunday we baptized six new converts and we have several more that are prepared to be baptized at the next opportunity. We will be meeting with the parent/teachers association of a nearby public school about the possibility of either using or renting the school's facilities for our services on weekends. We seek God's guidance in this venture so that we may know if it will be beneficial to spiritual and numerical growth. Pray with us as you remember us concerning this request, please.

God is doing wonderful things in my own heart. He is teaching me through His word to prize Him above any and everything else. He pours out His grace and love and I am finding that time spent with Him is so sweet. I am also discovering that it is a battle to find and hold on to that precious privilege. So many activities cry out to be attended to, but I am learning that above all, I must guard my heart for intimacy with the Lord. I am so thankful to you who pray for me. God blesses these prayers and continually strengthens me for His glory.

May God richly bless you too.

In Jesus' love,

Bobby, Charlene, Jessie and Brennen Wacaser

Proclaiming The Good News ... Growth Of Young Believers ... Prayer Requests ...

Dear Brothers and Sisters in Christ,

June 2, 2006

We thank the Lord for the opportunity to proclaim the good news of Jesus Christ here in France and for your faithful support. "You really do me a service." These were the words of one of the teachers in whose class Judy teaches English. This lady is usually pretty stressed and when Judy teaches, not only do the kids learn English, the teacher gets relief. This lady asks Judy many questions about what we do here in France. She seems to be impressed by the

fact that Judy willingly donates her time to help. We are praying for the Lord to touch her heart.

A couple of weeks ago the undercover agent who lives across the street invited us to his 45th birthday party. During the course of the evening we were asked what we did in France. This opened the door for us to share the gospel. We love getting these opportunities to proclaim the Good News.

The week of Vacation Bible School went very well. We had several children come this year who did not come last year and who had never been to Sunday School. Some have returned with their families on Sunday and another family is still planning on coming. Some of the children who came last year came bringing back the things they had received last year. We try to have things that the children can take home that will serve as a constant witness to them and their parents. This year's study was "Creation." The Gospel songs and verses that they learn also serve as a constant witness. We would like to have another week in late summer for older children. You can pray for God to help us get this together. We are also praying about the possibility of having special midweek activities for children next school year. Amanda (our daughter-in-law) has made friends with a number of the mothers of children who are her children's classmates. We think that some of these families would be open to bringing their children to these special activities.

We are encouraged by the growth of the young believers and their desire to serve. Philip, Amanda and their children will be in the United States for a few weeks and Angela and Joachim have volunteered to help us with the Sunday School classes. We continue to have several come who are not saved. The Bible studies are going well.

We pray daily that God will bless you and give you opportunities to reach people where you are. May the Lord bless you and multiply your fruit during the coming months. Please remember us and the people of France in your prayers.

Serving Christ in France,
John and Judy Hatcher

Pray For Prison Permit ... Prison Report ... Carrie Adjusting To Kenya ...

Dear praying friends,

June 5, 2006

We are now halfway into the year 2006 and the time continues to pass so quickly. I am challenged more than ever to "redeem the time" that I have been given by God (Ephesians 5:16). May we each be committed to using our lives wisely, for the glory of God, with the time that God gives us on this earth to serve Him.

Last month I mentioned the need for the new permit to be granted for the prison ministry. This is an important prayer request that I have been sharing recently. Without this permit, the ministry cannot continue, so it is of utmost importance. To date, I have not been given the permit, but I have been assured by the main office in Nairobi that it will be provided this week or the following week. This has been a concern and I have repeatedly brought it before the Lord, trusting Him to provide it in His time and plan. When we read in Hebrews 11:1, we are told that, "Faith is the substance of things hoped for, the evidence of things not seen." In Psalms 27:14, David says, "Wait on the Lord: be of good courage, and He shall strengthen thy heart: wait, I say, on the Lord." Romans 8:25 says, "But if we hope for that we see not, then do we with patience wait for it." Each of these verses has encouraged me to remain in prayer, trust the Lord, and wait for Him to provide the answer in His time. By faith, I believe that this permit will be granted in the near future so that the work of God may continue in the Kitale main prison. I would appreciate your prayers for this request and believe that God will act soon to grant this need in the ministry.

The Bible school in the prison continues to do well. Each of the prisoners are responding well to the teaching and I believe are growing strong in their faith. One of my main goals in the school is to teach the truth, stand with the truth, and trust God to change hearts and lives through His Word. The Word of God will not return void and I believe that the prisoners are receiving a firm foundation in their faith as they receive the theological teaching. We have just finished thirteen of the prominent doctrines of the faith and the students are now preparing for their exams to measure their level of learning. Please pray for each student, for their continued spiritual growth, and for success on the exams in the near future.

Our team from Michigan left this past month and I believe that God used each of them in a special way to minister to the people of Kenya. Please pray for this ministry from the University of Michigan and for the possibility of future trips to Kenya. We also have two more groups of visitors coming this month, so it will be very busy. I will be sure to inform you of their time here next month.

My wife is continuing to do well in her adjustment to Kenya. There are so many challenges, but she has met each challenge and done so well in her first year here. She is continuing to learn the language of Swahili, which is an exhausting task, so please pray for her in regards to her language learning. She has done so well here and is a great blessing to me and the ministry here.

That is all for this month. Please continue to pray for us, for the ministry here, for continued health, and for the financial support we need for the work God has called us to.

In Kenya,

Nathan and Carrie Radford

Brother Creiglow's Report ...

Dear Brethren:

June 5, 2006

As most of you know Betty and I are not able to travel to visit the churches as we would like to, but I do try to stay busy here in our home church. I have taught a couple of classes this month and preached both services last Sunday. I will also be preaching both services next Sunday while our pastor and his family will be away on vacation.

I would like to have some video work to do, so is any of you have anything along this line, I would be more than happy to do it, if it is within my capabilities. Also if any one wants any of the videos that I have made, I would be more than happy to supply them, either in VHS or DVD.

Please do not forget your offering for "FOUNDERS MONTH."

The Summer Conference will be hosted by Pastor Ed Massey and First Baptist Church in Science Hill, Kentucky August 21 through 25; we hope you are planning to be with us. I hope to have more information for you in next month's issue.

In His Name, Bobby D. Creiglow
