Celebrate 37th Anniversary ... Dedication Ceremony For New Boat And Motor ... Take Trip To Barao For Preacher's Meeting ...

Dear Brethren,

June 12, 2007

Today, Beverly and I celebrate our thirty-seventh anniversary. Also today, I am running around among three building projects. At the end of the day I will have a meeting with several of our ministry leaders. After all that is done, if we're "lucky," we will go out to dinner at a really nice restaurant. Well forget the really nice restaurant part. That is still a few generations in the future in Cruzeiro do Sul. We are still having fun after these short thirty-seven years.

Michael and Beverly Creiglow

Cruzeiro do Sul, Acre Brazil
e-mail: mdcraig@hotmail.com

My trips this month were to Assis Brazil, Barao and Parana dos Mouras e Porto Valter. The visit to Assis, Brazil was to teach a practical lesson on how to do local missions. While there the church asked me to do a dedication ceremony for their new boat and motor. Andrew built their boat and sold them their new Mercury outboard. They have already made two mission trips with it since the dedication. One of our missionaries went with them on both trips. The last trip was part of our 2007 mission project and they went to the Liberdade River. They witnessed house to house to over 2,000 people. There were 217 professions of faith. This was our first ever trip to this river and that would explain the large amount of professions of faith.

My trip to Barao was for our regular preacher's meeting. Although Barao is about two hours by pickup truck out of town we still had just under fifty preachers present. The church there has just finished her new brick building. This village has now been turned back over to the Indians. The pastor there, Brother Amos, is full Poyanau Indian. Way back at the end of the 19th century, the founding father of Cruzeiro do Sul enslaved the Indians to work his rubber plantation. We have had a work there for many years, but for most of that time the family heirs would not allow us to put up a building. The church met in homes. Now that the federal government has returned the land to the Indians our church has its very own nice building. The village has grown at a surprising rate. They have a good school, health center, running water and electricity. Many of the homes have concrete bathrooms.

My last trip was to Porto Valter. I took one of our young preachers with me. This was Benjamin's (that is how it is spelled in Portuguese) first trip with me. Most of our preachers, old and young, dream about an invitation from me to go on a mission trip. The river has gone down a lot and the only motor that I have running while the river is at this stage is the 15HP Merc. It was a little slow going, but it was fun. We stopped and visited the work at the mouth of the Parana dos Mouras River. Brother Jean and Dos Santos take care of this work that was started by Faith Baptist Church. We had a pretty long walk with our gear across the beach, then a stretch of mud. The river has just gone down and it rained most of the day, so it was pretty messy. Although this visit was unannounced, the congregation wanted to have a service. There were almost fifty present. The lesson was about the security of the believer.

We got up the next morning to continue our trip to Porto Valter. It was raining again though, so I decided to wait until it let up. We got away at about 7:30. The visit there was good, but I am concerned about our missionary Mario. His wife and kids are getting out of hand. It looks like we are going to have to ask him to step down. We don't have anybody to take over, so please help us in prayer. These are the tough decisions and times that are not at all pleasant.

Thanks to all who have contributed toward the equipment and gasoline. It is coming together slowly. I will keep you posted and send pictures as soon as it happens. God bless and THANKS.

In Christ, Mike Creiglow

The almost fifty preacher's that attended the meeting at Barao.

Brother Creiglow's Report ...

Dear Brethren,

July 2, 2007

I did not write a letter last month due to the fact that our phone and internet service was down, and the phone service still does not function. I am having to rely on my cell phone, but hope to have the problem solved in the near future. My AOL internet still functions and I also have another address, bob4bfm@newwavecomm.net.

Our twin daughters Arlene and Arlete along with one each of their children plan to return to Brazil next month to visit their biological relatives, as well as with Mike and his family. Both of the girls parents live in Manaus and are in very poor health, and we are

told it may be a very great shock for them to see the girls. We hope it will turn out to be a great blessing for all concerned. The paper work is well under way and they are so excited that some of them are having a hard time sleeping at night. They are to leave on August 13th and return on the 28th. They will spend most of the time with Mike and his family.

Enjoy Visitors From States ... Adoption Denied ...

Dear praying friends,

July 3, 2007

Another month has come and passed so quickly and we thank the Lord for good health, ministry opportunities, and the ability to serve the Lord here in Kenya. This update will share current ministries that we are involved in as well as prayer requests for the future.

Currently, there is a team here led by my uncle and aunt, Randy and Barbara Jones. They have had many exciting ministry opportunities including finishing the building project for the women's prison, visiting the men's prison, giving the gospel to the women prisoners, participating in the hospital ministry with the babies, and also doing many other ministry opportunities.

This team has people from West Virginia, Ohio, and Kentucky, and it is so nice to have those from around the area that we come from to get updates of how things are continuing in the States with the various ministries represented. We thank the Lord for this team, for their spirit of servant-hood, and for truly serving the people of Kenya. I have seen true discipleship and servant-hood displayed from each team member, and my wife and I hope and pray that this will be a life-changing trip for those who came. (Matthew 16:24, 25).

So many have written about the abandoned baby named Isaiah and have wondered what our steps are to care for him. This past month was such a blessing, as we have been able to truly care for a Kenyan child who was completely abandoned by his parents. My wife and I were so moved by Isaiah, that we went to Nairobi to seek what we would need to do in order to be able to keep him

Nathan and Carrie in front of the new prison building.

further, even to possibly pursue an adoption. After praying about it we felt that this was our responsibility to him and truly the Bible supports this. (Matthew 25:35-41).

Unfortunately, the Kenyan government would not allow any of our requests, even to bring him with us to the States on furlough, as the law has changed within the past two years. It has become much more difficult to adopt an abandoned baby, as the government requires the baby be placed in a registered home with the government and also requires much paperwork which we were not able to get for him. We contacted many homes which are registered to see if we could place him in one of them. None of the homes had the room necessary for him as they are overcrowded.

We were very discouraged by this, but we continued to pray for Isaiah and we know that God has a plan for his life. The Lord truly answers prayer, as we found another home for abandoned babies very near to our house, which is run by a British Christian lady. This home is not registered with the Kenyan government which makes it impossible for us to pursue an adoption. However, this is an answer to prayer as he will be taken care of, provided for, and loved. The home is very near to us in Kitale which allows us to visit him as often as we desire and also to have a spiritual impact on his life. It is our plan to visit him several times per week and see his progress. What an answer to prayer this is even though it was not our first desire.

Please pray for Isaiah, and us, as this is a very difficult transition time. The team which is here now has truly cared for us, prayed for us, and supported us through this experience. Although we don't completely understand, we know and claim Romans 8:28, which says, "And we know that all things work together for good to them that love God, to them who are the called according to His purpose."

We want to thank each of you for your prayers, encouragement, and support as we serve the Lord here. We could not do this work without you. We will be sure to keep you updated of the ministries here.

In Kenya, Nathan and Carrie Radford

Hindered By Strikes ... God's Ways Are Best ... Need Funds For Building ...

Dear friends,

July 2, 2007

The months of May and June have been months of national unrest in Peru. When union groups here go on strike their custom is to block the highways so no one can travel. This forces the government into action, either entering into negotiations or sending in the troops. We have seen both types of reactions the past two months. Though it does not put the public in any immediate danger, it does halt the transport of goods and supplies to the different towns and villages along the highway. I tried twice to travel to Lima (in route to Iquitos) and strikers were blocking the roads. This cost me two airplane tickets that the airlines would not reimburse because it was "not their fault" that I could not make it to Lima in order to make the flight. Life does not always appear to be "orderly" on the mission field, but our heavenly Father is always in control and it is all for our good. (Rom 8:28).

I did finally make it to Iquitos (three weeks late) and the Lord blessed the time there with one lady trusting Christ as Savior. She was visiting that night so I could then see why the Lord had me delayed. That woman's soul is valued at the price of the shed blood of Christ and the cost of two lost plane tickets does not even compare to that! Yes, the Lord's ways are always better than our ways!

I also had the opportunity to travel up into the northern mountains to the city of Cajamarca. I helped the First Baptist Church of Cajamarca with their 17th anniversary. This work was started by missionary Paul Mulling, now retired. On the second day of the meeting we ordained Brother Samuel Yopla to the Gospel Ministry. He responded well to all the questions. Please pray for this young man. He is married with a small baby and is looking to start a new mission work about four hours out of Cajamarca. During the three-day meeting several came forward rededicating their lives to the Lord, three came trusting Christ as Savior, two came for baptism, and one former excluded member came repenting and asking to be reinstated. All in all it was a very good meeting.

A few months ago I mentioned a new ministry Anita, my wife, is preparing for; a literacy program for adults. The illiteracy rate here in the Andes Mountains is high especially among the women and so many want to be able to read their Bibles. Due to strikes in the country this past month, the training classes had to be postponed until the end of July. Please keep this project in your prayers. Anita continues to work on Sunday School literature for children and also Bible studies for the ladies. She has been such a blessing to so many here.

The new mission work in Oxapampa is doing well. This is the work Brother Carlos Gonzales started several months ago. About the same time they arrived in Oxapampa they discovered that his wife, Maria, had stomach cancer. I mentioned this in one of my letters a few months ago. She has gotten progressively worse and at this time is bedfast. She knows the Lord and is ready to go, but please continue to remember them in your prayers. At present I am renting a building for them to meet in, but Carlos has found a nice piece of property for nine thousand dollars (\$9000.00). Perhaps some of you would be interested in taking this on as a mission project. I will be traveling to Oxapampa the first week of August and try to take a picture of the property.

Speaking of traveling, I am curtailing a lot of my traveling to the works until more funds come in. Anita and I are the only missionaries in Peru with Baptist Faith Mission and I have to travel a lot to keep the works encouraged and help out where ever I can. There is still plenty to do and we always stay busy but I do hate to see some aspects of the ministry suffer in this way. Please pray for us that the Lord will supply these needs.

The Monday night Bible classes that I conduct each week are doing well. It is always a joy to see the interest in learning more about God's Word by His children. My first class is for the Baptist Pastor's from the province of Huanuco and they have been very faithful to attend. At present we are studying through a book I wrote on The Administration of a Baptist Church. My second class is open to all the members of our Baptist churches in the area. I am in the midst of teaching a "panorama of Christianity" at this time. It is proving to be very fruitful. There is so much more I could write about but this letter is getting to long. Until next month.

Enjoy Mission Adventures Team ... Baptize Ten ...

Dear Praying Friends,

July 1, 2007

Greetings from Kitale, Kenya. Our summer is speeding by. In June we had two sets of visitors. Our daughter, son-in-law, granddaughter, and their team of eight from the University of Michigan were with us for six weeks, and now the BFM team is here. Pam's sister, brother-in-law, and their team of nine have really encouraged us. It has been so great seeing our family and being able to spend time with them, as well as meeting new friends who are interested in the Lord's work here in Kenya. How we praise God for the encouragement of these who have come to be a blessing to us and our people. As well as family, my mentor, Hollis Walter and his wife,

Mary Jo, our very good friend, Pastor Brian May, and new friends are with us. They have taught in our Bible Institute, and in a Bible club, the ladies have taught the women in the community close to our newest church, and most have been involved in our evangelism ministry visiting door to door in homes. The three preachers on the team preached on their last Sunday here when we combined our churches for a special service. We thank God so much for the many who love, support, and encourage us.

On June 2nd, I preformed the wedding ceremony for six couples from our churches that had never had a church wedding. Since poverty is rampant here, many of our people cannot afford a church wedding due to the necessity of paying a dowry for the wife before they can be wed. Pam and I wanted our pastors and church leaders to be have a scriptural wedding in a New Testament Church. Our son-in-law's team helped us by providing dresses that they had worn. They made the cake and we had a service combining all three churches. What a blessing it was to us and our pastors and church leaders to be officially married before God and many witnesses.

On June 10th, I baptized ten from our churches. Five who were baptized were from our newest church, Wananchi Baptist. Among those baptized were five young men who are being disciplined by Fred, the pastor of our Imani church, and Evans, the pastor of Wananchi Baptist. We are very interested in discipling young people who can catch a vision for their generation and help our pastors to visit, witness, and be involved in our Bible clubs and bringing their friends to Christ.

Lord willing, we will be coming back on furlough for six months in August. We want to do a video presentation of our work and spend time with our friends and family, so we will be available to visit churches from September 1st until January 15th. If you would like for us to present the work here to your church, please contact us soon, as we are trying to make a schedule and would love to show you what God is doing here. Our contacts are on the top of this page. May our Lord bless each of you and thank you so much for your love, support, encouragement and prayers. We could not be here without you interceding for us and the ministry here in Kenya.

Your missionaries in Kitale, Kenya, Mike and Pam

Minister At Neighborhood Dinner ... How God Works ...

Dear Brothers and Sisters in Christ,

June 27, 2007

Bonjour again from France. It has been just a little over three weeks since I wrote last, but this month has been particularly encouraging so I wanted to let you know about what is happening here. This past Sunday we had the highest attendance that we have ever had at our services here in Tournefeuille. This included five first time visitors and several that were back after a long absence. Among those who were here for the first time was Mireille, our neighbor, who lives across the street. We asked you to pray for her and her family in our letter last month. Even though she professes to not believe in God, it is obvious that God is at work in her heart. Saturday, she asked me to again explain what we believe. You may remember from last month's letter that Jean-Luc and Mireille's youngest son, Remain, had asked me for a Bible. This past Sunday he informed me that he has now read through Genesis. Jean-Luc told me a week ago that he needed to come and talk to me. Please, continue to keep praying for this family.

On the Saturday before last we had another annual neighborhood dinner. This gave us the opportunity to renew acquaintances with many and to make friends with others. At these gatherings we often get the opportunity to give a few words of witness to those who ask us what we are doing here in France. We thank God that Marc and Valerie, who live near us, have made this annual dinner a project of theirs. Some time ago Marc enquired about our Bible studies but has never come. However, the door is still definitely open there. When they came by to go over the final arrangements for the neighborhood dinner, they invited us to go to a monthly gathering that they participate in for the purpose of practicing English. At this gathering people explain what they do in English and then the floor is open for the others to ask questions in English. Can you see where this could lead?

Among those who were in service Sunday, after a long absence, was Tonia and her three children. She used to live across the street. But, nearly two years ago, she left her husband and moved back to Germany. We have prayed often for God to work in her life even though we no longer had contact with her. Before she moved away the entire family came regularly for Sunday services and Sunday school. I must confess that I had pretty much given up on her. Judy's faith was stronger on this matter and she told me recently that she didn't think God was through with them yet. Well, Saturday, a week ago, she called to say that she was coming back. Three days later she was here. She asked us if we were still having Sunday School when we spoke to her the first time after her return. No one in this family is saved. Please pray for the Balesteros family.

A couple of weeks ago we kept our grandchildren for a few days while Philip and Amanda spent a few days in the volcanic region of central France in celebration of their anniversary. We took the children back over to their house to get their bikes. A young couple who lives a couple doors away from them were watching their children play and asked us in for a bit. As we talked, they asked us about what brought us to France. We told them that it was the spiritual need of French people that brought us here and this opened the door to a discussion about the Lord. They are irreligious as they saw nothing worthwhile in the religion of their parents. This past Saturday night they invited Philip and Amanda over and in the course of the conversation they asked why Philip has looked for a job in France. Philip explained that they came to work with us.

On the same Saturday night that this was taking place, Judy went to a "sales party" that Amelia, a lady from our congregation, was holding. Judy had hardly set down when Joelle, a thirty-eight-year-old co-worker of Amelia's joined her and struck up a conversation. When she found out who Judy was, she said that Amelia had invited her to church and prayed for her. She mentioned that she was widowed. She showed a great interest and volunteered that she would definitely come to a Sunday service. Miriam, another lady from our congregation, went with Judy to this home sales "party." Judy noticed that she was very forward to invite to Sunday services the ladies to whom she spoke. She informed them that her eighteen-year-old son loved to come of his own volition.

This is how God works. He works in people and through his children's behavior to give people a hunger and thirst for Him. He gives us the opportunity to share the "Water and Bread of life." Are you praying for your neighbors, acquaintances and coworkers?

Thanks for praying for us and for faithfully giving to allow us the opportunity to invite people living in France to God's "Banqueting Table."

Until next month, John and Judy Hatcher

Funds Needed For "New Installations" ... Project Life Ministry Going Well ...

Dear Friends,

July 3, 2007

We have been focusing on what it means for us, individually and as a church, to live each day by faith. This focus has led us to see that we must not be content within our comfort zone, but must seek God's honor by joyfully and boldly increasing our sphere for sharing the gospel. Plainly stated for our church, to get out of small comfy "paid for" installations and move into larger, more effective and more costly accommodations.

The average monthly family income for our area is approximately \$600. Totalling the tithes and offerings of our congregation the church receives \$1400 per month. The new installations that we are considering renting will cost around \$2370 a month. We have prayed for many months for God's leadership and direction and have sensed that we must move forward in order to see Him at work, blessing our faith in Him. We have examined our motivation for the course of action we're contemplating and are certain that it is not fleshly or rash. In fact, on a really human level, we would prefer to remain where and like we are, not changing any of the comfortable situation; no risks, no stretching of our faith or budgets. But, since it is impossible to please God without faith, we know that we must move forward trusting Him.

I have encouraged our church to realize that we must discover our greater happiness in pleasing God and embracing the challenge to our faith. I sense a willing spirit and hear words of eagerness on the part of most, and even the small elements of hesitation among them do not reveal objections to moving onward by faith. Rather, they offer suggestions which they feel may ease the impact of taking on the challenges.

Our ministries encompass a variety of forms of evangelistic outreach and church planting. The move to larger facilities will be a major factor in our ability to even more fully expand those mission efforts. A larger mother church will serve both as a pool of leadership and a training ground for the types of leaders we desire to produce.

Our present facilities offer only 1,100 square feet of floor space. When we attempt to hold special evangelistic meetings, we have to ask our church members to remain standing or wait outside in order to offer room and seating for our visitors. We offer double services on Sundays to allow space for more people, but we still are not able to resolve the problem of limited classrooms and parking.

We have considered as many options as we can think of, but none seem to meet our needs as well as the above mentioned rental situation. In the case that we definitely get into that contractual

(Please See Wacaser Page Four)

CREIGLOW

(From Page One)

Betty and I are getting along about the same as we were since I last wrote. I take her to the mall each morning where I push her in a wheelchair for about thirty minutes for me to get my exercise. She sleeps a lot during the day, as well as sleeping well at night. She still knows who I am most of the time and when she doesn't, we just work through it.

I have had several opportunities to teach and preach here at First Baptist over the past few months while the pastor was away, or sick. This is about all the ministry I can take care of at this time. I still do what I can to promote Baptist Faith Missions.

In His Love, Bobby D. Creiglow

Preach In Schools . . . Many Decisions . . .

Hi to all,

July 7, 2007

It has been an absolute AWESOME month. We have been praying and preparing for an intensive week of evangelism in our area. Also in the two mission points that we have outside of the city. Our prayers were that the group from Atlantic Shores Baptist Church in Virginia Beach would be the start for this. They have a program of gymnastics, acrobatics, drama and singing and they present the gospel through each of these. This prepares the people that are watching to hear more about Jesus. When they complete their presentation one of our pastors preaches and gives an invitation for whomever would like to accept Christ as their personal savior. I think that I get sad when we have such liberties here in Brazil to go into our public schools and colleges to present the Gospel and there in the States it is so closed to the same presentation. I am glad that here we are still able to be open in all places to present Jesus Christ and Him crucified.

The first day that the group was here we were with pastor Luis and his wife Dani in Salesopolis at our mission point there. This mission has been open about two years now and is growing slowly. Our first meeting there we had four people in attendance and today we are having on average thirty-seven. The group arrived early Monday morning and were tired from the plane ride, but we put them straight to work. They did three presentations and we had 117 people make commitments for the Lord. That just goes to show how God blesses our efforts even when we feel like laying down and sleeping. How AWESOME is the Lord we serve? This town has approximately twenty thousand inhabitants and we have many open doors for the pastor to enter and tell about our Lord.

The next three days are almost a blur as we were in nine schools and over 400 people made commitments for Christ. One of the schools during these three days was a university. Yes, we were invited to speak in a university. At this point I brought the message and seventeen people accepted Christ. Another good thing that came out of this university is that I now have invitations to go into two more universities to preach. Isn't God AWESOME? Everyone was tired but was grateful that we were able to reach 592 people IN FIVE DAYS for the Lord. We have cataloged all of these names and will be following up on each of these people to do discipleship with them.

We have two types of schools here in our area: State Schools and City Schools and they are governed by two different groups. The city schools are very reluctant to let us come to their schools because for the most part they are governed by Catholic principles. But, this year we had a teacher in this one school that talked the principle into letting us come and the response was overwhelming. We were invited to the morning and the afternoon sessions and also to have lunch with the teachers. It was AWESOME. In the morning session we had such a great response to the invitation that we could not talk to each individually so we got into groups and each group reiterated the message

The group that was here this month presenting their program and the gospel and the children interacting.

again. The same thing happened in the afternoon session and we did a repeat of the morning getting into groups and sharing the gospel again. Needless to say, we did not get names in these two sessions, but we know that God had many victories in those two school periods.

Our last day was given to our other mission point in Natividade da Serra with Pastor George and his wife Alta. The mayor in this town was so excited about us coming that he was advertising on the radio about our coming and he gave us the city Activity Center. He has also committed to helping our mission point in any way that he can. This is an exciting thing in a town of mostly Catholics.

What we are doing now is praising the Lord for all that He has done and all that He is going to do here in Caraguatatuba.

During this time we also had two individual visitors from the United States, Craig and Emily. They were a great help with the group and in various other areas of our work here. If you would like to come and spend some time with us and see the mission work first hand and participate in all areas, please contact us and we will set up something for you.

Our greatest request is that you keep praying—it is working.

In His service, A. J. and Barbara Hensley

WACASER

(From Page Two)

agreement, we must meet the monthly obligation of \$2370 which is \$970 above our present church receipts, not to mention that the larger facilities and increased ministries will also present greater operational costs. We do expect the church membership to grow and plan to disciple the new members to be faithful and generous givers, but that is a gradual process and the needs will be immediate.

Our church is an evangelistic church. We have very few members who come by way of transfer from other churches. We focus on winning the lost of our community. Most of these individuals come from pagan or irreligious backgrounds. We have been blessed by God to see several of our converts trained and sent out as missionaries and evangelists to the interior of Brazil and beyond. We sense that this is our calling and we want to be faithful to continue to do this and more.

God has blessed some financially more than others that they may use those funds to increase His kingdom. Some of you have read our ministry reports in the past and have responded generously. We thank God for you and your love for Him and the spread of His word. I would not want some to be burdened beyond what you are able to give, but I believe that the Lord would have me share this opportunity for investing in His vineyard so that others may have the privilege of being a blessing and to bless. Prayerfully consider this need. If you sense that God would have you participate, please designate your offerings to Bobby Wacaser's, "New Installations."

Our pioneer evangelistic teams, Project Life, worked in several interior cities this past month. The opportunities of sharing the gospel in the public parks and schools was tremendous. Between the two motorhomes and their respective teams, the gospel was shared with over 12,000 people and several dozens publicly professed Christ as their Savior. We thank you who continue to give faithfully that this ministry may continue to reach the lost.

In Christ's service, Bobby, Charlene, Jessie and Brennen Wacaser

Ursula Draper with preacher Eliseal Morales, a faithful friend, servant and messenger of the Word. He is a building contractor and has done most of the building for the past twenty years. "Fruit to your account."

Staying Very Busy . . . Respiratory Problems Abound . . . Family Terrorized By Robbers . . .

Dear Fellow-servants,

July 9, 2007

I have let the time get away and am only now getting out this month's letter. I hope it is not too late to make the Mission Sheet for this coming month. We have been so busy lately here in Brazil. We have had car trouble and just now have gotten our car running after almost two weeks. We have had to ride the city buses some. They are very dangerous here. I just saw in the news today that 430 robberies have taken place on the buses in our city already this year. Our God is our protector!

We are now in the dry season here in Central Brazil. It is so dusty with very low humidity. Everyone is getting sick with respiratory problems. Our family in Novo Dimantino has been especially hard hit lately. The preacher there has been down with malaria. He is better, but his little four-year-old daughter has almost died with a bad infection from scabies which got into her blood. We have sent her and her mother down to Sao Paulo and she is responding to treatment. Last week the worker's bicycle shop was robbed and they took all of his parts he uses to fix bikes with. It came to over \$700 worth and only half of them were paid for. It seems to be testing time for them.

We were able to help them with the "As Needed" Funds some of you so graciously give. Another preacher here in town and his family went through an awful experience this past month also. When they got home from the Boa Esperanca Church on Sunday night two men were in their house and put guns on them. The whole family was tied up and beaten repeatedly all night. Then at daylight the robbers took everything of value in the house and put it all in the family pickup truck and left. The seven-year-old daughter was able to get loose and untied her mom who called for help. The father and son spent time in the hospital and the police were able to get the truck and arrest the robbers a few hours later before they could cross the border into Bolivia.

Why does the Lord let things like this happen to His people? He has a purpose. We are thankful they did not harm the women and did not kill the two men of the family. We live in a dangerous world. Surely our Redeemer's return is near. The Muslims have their Messiah who they believe will soon come back. The Jews are looking for Jesus to come the first time. Are we really looking for His return?

We thank all of you who support our work here. We have much to get done by September of next year before our furlough time. Pray for us and all of your missionaries and give as you feel led of the Lord.

I am writing this after midnight and can hardly see due to fatigue. I hope it makes sense and doesn't have too many mistakes. God bless all of you.

Yours in Him, Harold and Ursula Draper

Projects Being Completed . . . Swimming Pool Finished And Wall Coming Up . . .

Dear Brothers and Sisters,

July 1, 2007

Well, we are excited! Lost of things have happened here at the home thanks to many friends who have prayed and given to make things possible. We have had several people and groups come to visit. Each of them have done and given to several projects. They have helped with the new floor for the basketball court. Money was donated for this project by West Hill Baptist. They also painted one of our long halls inside the building. It all looks great!!!

Our plans for the basketball court is to eventually have it covered. It will really be nice to have a covered area big enough to hold all the kids at the same time and have room to play. There was enough money left to make a smaller outdoor court for volleyball and tennis. Since we have the school here at the home the space can be well used. Also, our bleachers on the field got a much needed coat of paint on them. With all the help we have had from all of you things are really looking nice. A very special treat, at least to us, is the sweet corn that our West Hill friends planted. There is no sweet corn in Brazil. It is coming up and looking great. We can't wait to eat it!!!!

WOW!!! The kids could hardly wait to see the pool finished. After a long period of cold weather we finally got some warm weather so the pool could be tested. It was a success and a big hit, of course. Well, we the parents really like it because it wears the kids out and when night arrives they sleep like angels!!!! Our thanks to those who provided the funds for the pool. God bless you!! Our thanks to all of you who helped in these projects. May God bless each of you.

The projects on our agenda for July: Rebuilding the older girls bathroom; build the volleyball and tennis court; trip to mission point in Alvorada do Sul; and purchase the new bus. Thanks for all your prayers and giving.

In Christ, Odali and Kathy Barros
