2009 BFM WINTER MISSIONS CONFERENCE

January 18-22 • Park Ridge Baptist Church • Gotha, FL

- MARK THESE DATES AND PLAN TO ATTEND! -

"THANK YOU, GIVING FRIENDS!"

"THANK YOU, GIVING FRIENDS!" We don't say that often enough, but we want to be sure you know how much we appreciate your faithful support for our missionaries. AND ESPECIALLY TO ALL OF YOU WHO FAITHFULLY AND CONSISTENTLY GIVE TO THE GENERAL FUND - THANK YOU! We need and appreciate ALL your offerings to our missionaries...but your offerings to the General Fund keep our missionaries on their fields of ministry. Our General Fund offerings supply our missionaries' "DAILY BREAD" - "BREAD & BUTTER" - "SIMPLE BARE NECESSITIES" - "KEEP THE LIGHTS ON" - how else can we say it to emphasize how fundamentally essential it is to supply the GENERAL FUND with sufficient offerings to meet our missionaries' essential living and ministry expenses.

GENERAL FUND MONTHLY SOLVENCY: \$50,000.00

WE STILL NEED INCREASED OFFERINGS TO OUR MONTHLY GENERAL FUND. We disburse \$50,000.00 each month in standard commitments we have made to our missionaries. EVERY MONTH - MONTH AFTER MONTH - OUR MISSIONARIES EXPECT US TO PROVIDE THESE COMMITMENTS WE HAVE PROMISED THEM. We struggle every day of every month to "pay the bills" and meet the basic, essential commitments of salaries, expense accounts, and all the other standard benefits, and support services we have told them we will provide for them.

WE ARE NOT RECEIVING SUFFICIENT MATCHING OFFERINGS FOR THE STANDARD MONTHLY DISBURSEMENTS WE MAKE EACH MONTH. We need every one of our missionaries' Giving Friends to make a *personal, proportionate, perpetual commitment* to give to the GENERAL FUND each month.

WE CAN MAKE OUR MONTHLY STANDARD GENERAL FUND DISBURSEMENTS SOLVENT IF EVERY ONE OF US DOES A PART. You can check our progress with us simply by looking at the Contributions page in this and every issue of the Mission Sheets. Look for the total given to the GENERAL FUND. That is what we have to work with to provide for our missionaries' essential, basic, daily needs.

WE ARE ALL OUR MISSIONARIES HAVE TO PROVIDE FOR THEIR MAINTENANCE AND SUPPORT - as the Lord Himself works through us by His own Grace, of course.

\$100,000.00 THANKSGIVING OFFERING GOAL

Again, "THANK YOU!" to every one of you who has given to our Thanksgiving Offering over the years of our BFM history - and who are giving your offerings again this year. We have come this far BY FAITH - BY THE GRACE OF GOD - AND BY YOUR FAITHFUL COMMITMENT AND GENEROSITY!

Ordinarily, the bulk of our Thanksgiving Offering is given during the months of November and December. ASK THE LORD TO GIVE YOU A GENEROUS HELPING OF GRACE TO GIVE TO OUR MISSIONARIES.

Make a PERSONAL, PROPORTIONATE contribution to our Thanksgiving Offering. [See 2 Corinthians 8:12-14]. IF YOU SEE THAT WE ARE NOT REACHING OUR GOAL, WE NEED TO GIVE, THEN GIVE AGAIN SO WE CAN FULFILL THE COMMITMENTS WE HAVE MADE TO OUR MISSIONARIES. The Thanksgiving Offering giving opportunity is open as long as you are giving.

2009 Needs: We will need the Thanksgiving Offering funds to help us meet our monthly deficits as 2009 unfolds. IF WE DON'T MEET OUR MONTHLY GENERAL FUND SOLVENCY GOAL.

Pending Disbursements: Also, we still have several thousands of dollars in benefits commitments we have made to our missionaries - but which are still pending and unpaid because we didn't have the funds during the year to pay them. So, the missionaries are still carrying that personal expense themselves. WE NEED TO FULFILL THAT COMMITMENT WE MADE TO THEM AND REIMBURSE THEM.

The standard commitments we make to our missionaries are still, at the very best we are doing, only very modest disbursements. All of our services and benefits should be increased, but we can't even think about increasing them if we are not meeting the commitments we have already made.

We are praying and asking the Lord to burden each of our hearts to join this worthy giving ministry - *so our missionaries' needs will be met...so they can fund their daily ministry activities...so the Gospel of Christ can be proclaimed in all the nations of the world...so more people will be saved from their sins and disciplined to follow Jesus Christ...and so THE GLORY OF CHRIST WILL COVER THE EARTH AS THE WATERS COVER THE SEA! Now, therefore, KNOW...and CONSIDER WHAT YOU WILL DO! 1 Samuel 25:17. Grace - including Giving Grace - be with you all!*

Friendship Supper... Several Trips Planned...

Dear Friends,

November 5, 2008

Every other week we have a supper here at the Alpha and Omega home. The sole purpose of these suppers is to get members from our church to bring lost people to meet people from church. Before the supper, we sing and a testimony and scripture is read. This helps give our visitors a fill for what our church is like. So many people here are still very skeptical about Christians. The last

three suppers we have had over one hundred people who have attended.

We have several things that we are planning for the end of the year and the beginning of next year. We are going on a bus trip to Bahia, where we have a missionary we help. It is a four-day trip. This is one of the poorest areas of Brazil. They have very little commodities. If you would like to be a part of this mission trip you can help by giving towards this trip.

We are going to take clothes and food to give to these people as we visit their home to tell them about the Lord. Also we are planning on having a sports camp with teens from the mission points that we have to help reach new kids in those communities.

We are really excited about having our daughter, KathyLee, and her husband, Dan Vincent, and their children, Julia and Daniel, here with us. Their experience will be of great help to the ministry here.

Thanks for your support and your prayers. We deeply appreciate all of you that have become a part of this ministry. God bless you!

Dear Brethren,

November 3, 2008

As soon as I can get everything prepared, I am to start teaching a class during the Sunday night worship service. I want to have several lessons prepared in advance before we start the course, so that if I get tied up with what I have to do here at home, I will at least have the lessons ready.

At the present time I get to attend one or two church services a week.

Our Missions Conference went very well and was pretty well attended, but only the Lord knows whether anyone was moved to do more for missions. I do know the preaching was very good.

Last Friday I took Betty to the doctor for a urinary infection, had a long talk with him, and we came to the conclusion that it was time to suspend most of her medication and to let nature take its course. She is now on only three medicines. I now grind her food and hand feed her. I bought a lift chair that helps get her from the chair to the wheelchair with help. She can walk from the wheelchair to the bathroom or the bed. From time to time there are flashbacks that she knows there is some connection between us, but has no idea what that connection is. The doctor and I also talked about the possibility of her going into a nursing home, but I still intend to take care of her here at home as long as I am able.

In His Name, Bobby D. Creiglow

Happy Thanksgiving . . . Helping Those Less Fortunate . . .

Dear Special Friends, November 7, 2008
Happy Thanksgiving! By the time that you receive this, we will be into the Christmas season. We are so very thankful for this time of year when we can thank our sovereign Lord for His goodness to us during 2008. What a blessing it is to be a part of His kingdom, in that God sent His only Son to be our Savior, and we can freely celebrate His birth this time of year. May we all reflect on our Lord and the priceless gift of His only Son who lived a perfect life, and died for us, so that we can spend eternity with Him. What a privilege that God allowed us to hear the good news, when millions have never heard the wonderful story.

October went by quickly for us. Pam and I have become involved in our home church's food pantry that gives out food to those less fortunate. There are forms that the people coming need to fill out, and the people are asked on the forms if they would be interested in learning more about the church. There has been no one to follow up with those who want a visit, because those in charge of this ministry work full-time and have no opportunity to follow up. I asked those in charge for the names of the people interested in having a visit. About two weeks ago, I began to go out with a few of our church members to visit these people in their homes. God has blessed and there have been two professions of faith! This is a needed ministry, so I am thankful for the opportunity to go and to be used.

Pam teaching about home-based care for those with AIDS in the community.

Pam has had some minor health problems and is seeing a doctor. She is hoping to get the Botox injections for her eyes sometime this month, and has been having pain on her right side and in her abdomen. Tests with our family doctor have been negative, so she is waiting to see a specialist. We appreciate your prayers for us, especially Pam's health problems.

We are encouraged with the reports that we are receiving from Kenya. Roger and Julie are faithful to e-mail us with news about the ministry there. Roger preached his first sermon in Swahili without notes last month! This is a huge accomplishment and we are so proud of him. Also, Roger is teaching the Bible Institute and the visitation has begun with our members visiting homes of those affected with AIDS. So, God is good, and we are so thankful for the ministry continuing on in our absence. We miss Kenya and our people so much, but know that God has us here for a time, so we will be content where we are.

Thank each of you who have been supporting us during this time that we are stateside for a sabbatical. This has been a time of personal healing away from some of the stresses of the mission field, and it has helped us to relax and spend more time with our Lord. We know that it can be a financial struggle to support missions, especially in light of all that has happened economically in our government last month. The future seems uncertain at times when we see our leadership change, and know that new policies will be coming that may be hurtful to the cause of Christ. However, we also know that we have a sovereign Lord and He is in control. He will never leave or forsake us and will be with us though all of our trials. (1 Peter 4:12-19) As the times get darker, we need to shine brighter, as surely the coming of our Lord is near. May our Lord richly bless you as you continue to remember us and the missionaries of BFM. Let us all be witnesses in a dark world and let us remember the many blessings that God has bestowed upon us throughout this year. Happy Thanksgiving!

Finally In New Home . . . Planning Furlough For February . . .

Dear Friends, November 8, 2008
We have finally gotten into our new home, but there are lots of boxes and things spread all over the place. The worst thing is that we are without a phone and e-mail, so we are a little bit cut off from the outside world. We are having to do this letter at a LAN house.

But in all this we serve an AWESOME God. Our second granddaughter has arrived, even though it was a little early, and all is well. Mary's blood pressure went up pretty high and the doctor decided to do a cesarean. So, Chelsea Isabell Hensley Quaresma arrived on the 30th of October weighing nine pounds and one ounce. Mother and dad and baby are doing fine and back at home at this writing. She is our second granddaughter as Bryan and Jill gave us Briley Elaine in January, and you know what everyone says is true, being a grandpa is wonderful!

This month we have continued the work on the dorm at the school property. Progress is a little slow as we are making the block for the building. We had some block that the Heritage Church group made, but those are all used, so we are making more as we need them. This helps in the outlay for the building and also teaches another profession. The walls are up to shoulder height and now we must take a week off the construction to make the next batch of block.

With the school and the tools and equipment we have on site it has made the construction possible. Without those resources this building would have been cost prohibitive. It's AWESOME how the Lord provides and sustains.

Cultural Change Is Challenging . . . Visit Area Of Kibera . . .

Dear praying friends, November 3, 2008
Another month has come and passed so quickly and we thank the Lord so much for His faithfulness to us here in Kenya. Please continue to pray for us that the Lord would give us the grace, strength, and direction we need for each day in the ministry.

We are now in the process of many cultural adjustments, but we are taking one day at a time and doing our best to adjust to living in Kenya, as it is much different from America. Cultural change is one of the hardest aspects of being a missionary and we would appreciate your prayers. We know the Lord will help us in this area. Psalm 121:1-2 says, "I will lift up mine eyes unto the hills, from whence cometh my help. My help cometh from the LORD, which made heaven and earth." Please pray for us in the ministry here in Kenya and also for our cultural adjustments. Please also continue to pray for the health of McKenna, as she is only around six months old and still will need additional immunizations, etc. We will keep you updated on the ministries here each month.

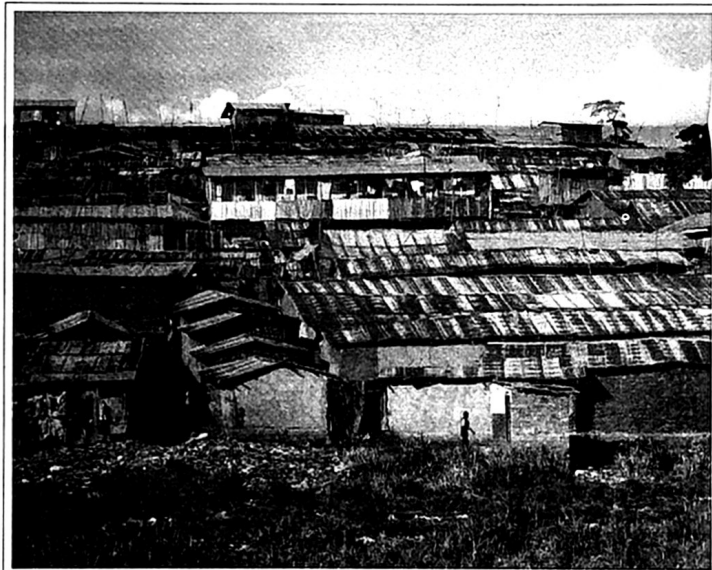

As Thanksgiving is approaching, I recently had an experience that truly made me thankful and to dwell on the blessings of the Lord. Psalm 103:2 says, "Bless the LORD, O my soul, and forget not all His benefits." This past month, I was able to visit Kibera, a world famous slum area in Nairobi. Many famous people have visited the slum, including former President Carter and Bill Gates. A visit to this area would make anyone more grateful for what the Lord has given and provided. Here is some general information about this area.

Kibera is considered one of the biggest slums in the world (around 1 million people). I have been told it is the second largest slum on the continent of Africa. Ten percent of people are shack owners and many of these people own many other shacks and sublet them. The average size of a shack in this area is twelve feet by twelve feet built with mud walls, screened with concrete, a corrugated tin roof, dirt or concrete floor. The cost for rent is about Ksh 700 per month, (around 10 US dollars). These shacks often house up to eight or more, with many sleeping on the floor. Only about twenty percent of Kibera has electricity. There are over 50,000 orphans in Kibera.

I have attached a photo that I took of Kibera this past month. I left Kibera with a greater awareness of God's goodness to me and His provision. Psalm 68:19a says, "Blessed be the Lord, Who daily loadeth us with benefits..." May we ever be mindful of how much the Lord has blessed us and how much we have to be thankful for. As we enter this month of the holiday of Thanksgiving, may we truly remember to thank the Lord for all He has done for us.

Please pray for us, as the elections in the United States is tomorrow. We know the Lord is in control of all things and we trust Him to keep us very safe. Please pray for the other missionaries and their safety as well, as the outcome is very near. God bless you all and have a great upcoming holiday with your families.

In Kenya, Nathan and Carrie Radford

Kibera village where more than 50,000 children are orphans.

The family that is living with us waiting their visa to go to the States are in the second step of the progress. They are waiting for the interview in Rio for them to receive their approval. Pray with us and them that all goes well.

Yes, we have moved into the new house, but there is still lots to be done. The inside is about eighty-five percent done and the outside is about forty percent done. But here in Brazil the biggest part of homes are not finished on the outside so we just blend right in.

The rain has been a factor, but not a stopping party, we simply work around it. And with a mention of the weather this is not really our rainy season, but the past six weeks we have had lots of rain. But in spite of it all, we are going forward with the two projects.

We have been having workings on Saturdays for one of the widows of our church. She was evicted from her home and is now trying to build. The house is about one-third complete and the members are helping with labor and some supplies. I did not say that she has six children from the age of four years to sixteen years of age. She also has some medical issues, so this would be one of our great requests for prayer: Gloria and her children and the construction of their home.

We made another one of our town evangelistic trips this month to the mission point in Natividade da Serra. The van was full of our church members and they had a hot day of door to door evangelism. It is always good to see God working in our members as well as those folks there in another town. The pastor there is George and his wife is Alda. Remember them and their work in your prayers also.

We are planning to come to the States in February for a couple of months to do some visiting and see our family there. So if you would like to hear about the work here face to face please contact us and we will try to get to your church to give you a report about how God is using your faithful giving. We solicit your help and prayers as always and want to thank everyone for their support for B.F.M. and us personally. This work, (our ministry), is here because of YOU.

As always our door is open and we would like to show you our beautiful Brazil. So when are you coming???

U.S. Facing Tough Situations . . . The Worth Of A Soul . . .

Dear Friends,

October 28, 2008

As I wrote the heading to this letter the phone rang and we heard it all the way across the Atlantic from France. It is always a thrill to hear the voices of our loved ones who live so far away; (they all do). We lived twenty years in Manaus without a phone, but we had our children with us most of those years. This week we had the joy of Kathy coming from Garca and spending the weekend with us. Thank you, Lord.

Dear friends, during this past week God has touched my heart to mention something that, usually, is not my subject of conversation. However, the financial situation of the United States and the world is not something that happens by accident; it is the logical end of a line of action. "It is more blessed to give than to receive," is not an idle tale. It is a truth, that if followed, will guarantee a safe and prosperous future. We have enjoyed two generations of continued prosperity and for the most part we have spent it on ourselves, satisfying our desires and lusts. Now we are in a predicament where all could be lost. Let us remember what happened in 1926-1928. If you have to have money and possessions to be rich you are very poor.

In their time of prosperity one man and wife in Texas had given money to build a women's dormitory in a Baptist Seminary. The crash came. They lost all. They met the Director of the Seminary in the street one day and he thanked them again for the gift and told them what a blessing the dorm was. "It is all we saved," was their reply.

The Christians in Jerusalem gave their best and most, some selling properties and giving their money to the apostles for the spread of the Gospel. In the year 70 A.D., the Roman armies under Tito leveled Jerusalem. All was lost, except what the Christians had given for the cause of Christ. If we lost it all tomorrow, what would we have saved? Only that which we had given for the cause of our Lord. The cause of Jesus is our cause. Can we give anything less than our all knowing He gave His all to save sinners like us?

WHAT IS THE WORTH OF A SOUL? An old gentleman of Japanese descent in Assai asked me four weeks ago if I thought it was worth the expense to maintain a rented building and services with such small results. This man is a Pentecostal preacher and is eighty-nine years old. He is hard of hearing and his wife is not as old, but very fragile. They have been attending services for a year and at times his comments lead me to believe they are trusting in their works. Yesterday, they were the only ones present. Since he hears nothing, I have to write or draw on the board. I taught how God gives eternal life and used John 10 to show that no lamb is plucked from the Father's Hand. I drew a hand and showed, by illustration, the truth of eternal security.

Amanda, her two friends, Renan and Carlos, ages five and seven and the lady Maria who brings her granddaughter are the only, almost regular, attenders after two full years. Amanda was the only one who came the day she trusted Christ. Her dedication and devotion to Jesus is worth all the cost and much more.

Sebastian de Amoreira: I wrote about this city last month where Alta talked to a group of thirty women. One of the two ladies where we have a Bible Study every Thursday is a member of that church. Her pastor very strongly warned her not to attend that Bible Study again, because Mr. John comes from another line of doctrine. Result: Alta did not get another invitation to speak to the thirty ladies, but the two women who come to the Bible Study are looking for a building we can rent for permanent services. God works and no man can hinder, so it looks like a Baptist Church is about to be founded in that city very soon. Another blessing: one of these ladies has family in the city of Santa Cecilia de Pavan. We have been there two or three times and now we have a contact and starting place for another work. Praise the Lord.

Rejoice with us as you pray and give. Remember, a person who dies rich has probably lived poorly in his relation to God. "Were the whole realm of nature mine, that were a gift far too small: Love so amazing, so divine. Demands my life, my soul, my all." In God's investments there are no recessions.

In His Love, John and Alta Hatcher

Marcio, wife Carol, and son, Gabriel. Marcio is pastor of the Urai Baptist Church.

Visit Work At Tipisca . . . Thankful For All Who Give . . .

Dear Brethren,

November 8, 2008

A few days ago Hudson and I arrived from our last long trip up the Jurua River. The river was at its lowest. Days before we left I kept getting questions from our missionaries in the field wanting to know how I was going to get through. One even said, "Don't come yet. You won't get through." I just kept telling them, "Don't worry. We will be there." Thanks to your offerings I was able to buy the right equipment for the season.

During and shortly after my last furlough several churches and individuals gave generous gifts to help us get the boat and motor we need for the dry season. This year I built an aluminum boat, specially designed for very shallow water. I then bought a jet drive to put on my outboard motor. It is slow and burns a little more gas, but we were able to go the 570 miles to the border and back without hitting one sandbar or log. This boat also has comfortable seats, a top and windshield to keep us out of the extreme sun and rain. Thank you so much!

On our way to Peru we made these visits. We held two services at a village called Sao Salvador. There were over fifty people in each. There is already a good group of believers in this place. Next stop was to visit the church at Thaumaturgo. We were with them for one service with over three hundred present. Three teens were saved. Our next destination was Foz do Breu on the Peruvian border. We made this our base for the other trips further into the jungle. We stayed with Vando and Claudia who are our missionaries in that village. Jose Maia, and family, who work miles up in the Breu River with the Caxinaua Indians, were there waiting for us, too.

Hudson, Jose Maia, Vando and I went on into Peru to visit the work at Tipisca. Tito and Idelia are our people who work there. They now have another new baby girl (less than a month old) named Cielo, which means "heaven." We pitched our tents in the new building which is now framed up, floored and roofed. Services are still held in Tito's home though. We were pleased to have forty-two people in services that night.

Tito reported that he has continued the work further up river that we started among the Ashaninka Indians. He recently visited Dulce Gloria and also two of the four villages on the Huacapistea River. I plan to go with him on a visit to all of these villages early next year. We also plan to visit a new village that was started just last year further up the Jurua.

We returned to Foz do Breu and met with the congregation there again. Then we took our two aluminum canoes and went up the Breu River to visit Jose Maia's work with the Caxinauas. This village is thirty-two more miles east into the jungle. The river is the border, so all the way Peru is on one bank and Brazil on the other.

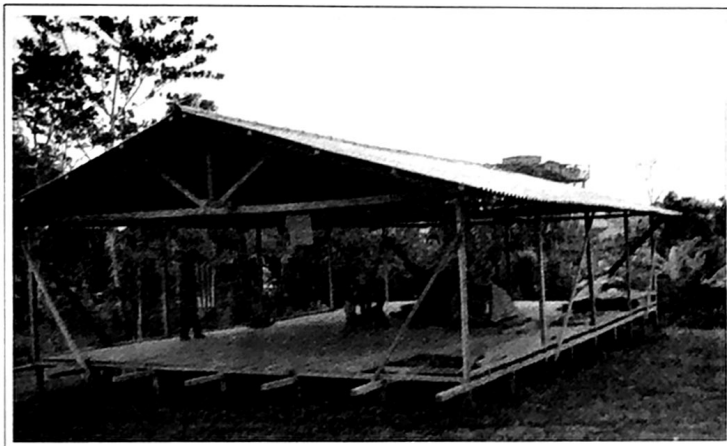

He still hasn't finished his house yet. He has a floor, thatched roof and two little rooms for the couple and their three kids. The rest of the house is wide open. That is where we set up camp. The Indians are in and out all day long, so they have definitely made many friends already. I was able to visit a couple of the main families in their homes. Had some of their grub, too. You don't want me to describe that, so...anyway. Maia has helped them build the first school building among the Caxinauas. They invited him to go there to teach them Portuguese, so they can defend themselves from the many Brazilians who take advantage of them.

They worship a boa constrictor. They have a kind of corral with a podium at one end, in the middle of the village, where they hold their religious services. We could hear them chanting as we held our family devotion that night. It is going to be a long process. Pray for Jose Maia and these pagans.

After returning to the village at the mouth of the Breu River we met one last time with folks there. We ended up having a really big crowd for that service. The school kids from Tipisca, Peru had come to play soccer and volleyball with their Brazilian counterparts that morning and afternoon. We invited all the teachers and students to services that night. They added about thirty to our crowd. It is always hard to gauge how much Spanish speaking people understand sermons in Portuguese. I preached Acts 4:12. Several of the students and teachers talked to me afterward. One of the teachers said, "I understood. There is only one Savior."

Well Hudson and I are back home now. The cost for gasoline for this trip was over \$650.00. I did give some of it to our missionaries. Thanks to all of you who give extra each month toward these trips. God bless you.

In Christ, Mike Creiglow

Workers Give Good Reports ... Continue To Pray For Anita ...

Dear Friends, November 6, 2008
October went by rather quickly for Anita and me. I started the month off preaching in a Missions Conference in Michigan. I spoke five times during the twenty-third annual mission's conference hosted jointly by the Lake Road Baptist Church of Clio and the Grace Baptist Church of Holly. Chapel Hill Baptist Church of Nicholasville, Kentucky, invited me for their services on Sunday the 12th. The 26th Anita was able to go with me to Ohio and visit the Grace Baptist Church of Fairborn and the Morning Star Baptist Church of Westchester.

We thank all of these churches for their gracious hospitality manifested to us.

Anita had another birthday on the 13th and then started her radiation treatments on the 20th. She now has a radiation treatment every Monday through Friday for six weeks. As I write this letter she has completed two and a half weeks and has three and half more to go. She seems to be coping with these treatments very well. Her sense of humor has not diminished! The main side effects of the radiation are fatigue and skin irritation in the radiated area. The Lord willing we should be done with the radiation around the end of November. We thank all of you for your continued prayers, letters and cards.

Most of the workers from Peru keep in touch each month and each of them has given a good report. We are still trying to help the new work in Oxapampa with funds to purchase some property where they can build a permanent meeting house. Of the \$9000.00 needed we have received \$1500.00, leaving us a balance of \$7500.00 still to fund. Brother Carlos Gonzales is the pastor of this new work and is doing an outstanding job. If any of you would like to help with this project, please mark your donations as "Stanton-Oxapampa Project." May God bless you for your love and concern for the lost souls of Peru. Until next month.

In Him by His grace, Sheridan and Anita Stanton

Share Gospel With Over 4,000 ... Amazing Thirteen-Year Old ...

Dear Friends, October 31, 2008
By the time you read this letter you will already know the results of the November 4th elections. It is four days before those elections as I write, but one thing is certain; God will still be God despite the election results and His plan and purpose will still be on schedule. Our goal and work is to follow His plan to take His word of grace and salvation to this lost world in which we live. And that is what we are doing by His grace.

In the beginning of October we had a tremendous opportunity to share the gospel in Manaus, Brazil to over 4000 people. Brother David Hatcher, Brother Paul Hatcher and I worked together with Project Life and evangelist, Ken Hartley of Chattanooga, Tennessee, in six different neighborhoods. Actually, I didn't have too much to do besides a little translating, since Brother David Hatcher and his leadership teams took care of most of the groundwork. We were thrilled to learn that over two hundred people made professions of faith and now seek discipleship training. It was a tremendous privilege for me to be back in Manaus and fellowship and work with the Hatchers, even if for only a weekend.

The dorm construction project for the Project Life teams is nearing completion. Our teams are looking forward to being able to "inhabit" the dorms as soon as they are finished. The cramped and less-than-desirable-conditions of the rooms where they now stay will be renovated also after they've been vacated. Our hope and plan is to develop at least one team for each of the twenty-six Brazilian states. Some of these teams will need to be based in their respective states, but most certainly, there will always be an overflow of missionaries needing a place to stay while in training here at the home base.

We are still praying and working toward the date when the Department of Urban Development will put the property we want up for auction. Our mayoral elections have recently taken place and, from what we understand, those elections were the reason why the auction was postponed for several months. We will keep informed so that we're ready to act when the opportunity does arise. In the meantime, our main service has people standing in the back for lack of space and seating.

We have a unique privilege among our church membership. Guilherme, a boy of 13 years of age is recognized by specialists to be "super gifted." Other terms used are "child genius" or "child prodigy." No matter what term is used, it is evident that Guilherme is blessed amazingly of the Lord. At age 13, he will be graduating with honors from high school in December. This month he will be taking his university entrance exams. Guilherme has accepted Jesus Christ as his Lord and Savior and wants to be used for God's glory. In fact, earlier this month, he preached his first sermon to our congregation. And he did a superb job.

Visit Several Churches ... Pray For Elected Officials ...

Dear Brothers and Sisters of the Blessed Lord and Savior, Jesus Christ: November 8, 2008

This Mission Sheets month began October 7th and ends today, November 8th. During this period, I preached two sermons: Sunday morning, the 19th, we attended and I preached at Clarksville Baptist Church, Richmond, Kentucky, Bradley Johns, pastor; that night I preached at David's Fork Baptist Church, Pastor Mickey Hyder.

During the same period, we heard seven sermons preached - One at a Richmond, Kentucky, Funeral Home where we attended the funeral service for Earl Ray Howard, twenty-two years old. Sunday morning, the 12th at David's Fork Baptist Church, and that night at New Life Baptist Church, Steve Wainright, pastor.

Sunday morning, the 26th of October, we, Marie and I, and Steve Blake, attended from 10:00 am till 2:00 pm the worship service at the Historic Pleasant Green Baptist Church, Lexington, Kentucky, Rev. Dr. Thomas H. Peoples, Jr., pastor. The church was celebrating the 218th Anniversary of the church's organization. The preacher was the Rev. Dr. Frank Houston, pastor of First Baptist Church, Georgetown, Kentucky, with three hundred people present. We stayed for dinner and very good food was served. That night, we attended the Devondale Baptist Church, Bobby Aldridge, pastor. Prayer was offered during the service for Mrs. Bea Curd's healing.

Sunday morning, November 2nd, we attended Heritage Baptist Church, Dr. Greg Waltermire, pastor. That night, Thompson Road Baptist Church, where Dave Parks is pastor.

Besides those sermons heard, we attended the Prayer Meeting each Wednesday night at Lexington Trinity Baptist Church, Dr. Jay David Robinson, pastor.

On the 7th of October, Mrs. Evelyn Smith and the Heritage Sunday School Class were a blessing to us, paying for a pair of winter shoes and a pair of winter boots. Thank you dear sisters of the Lord!

We were blessed by attending a first time special service November 2nd at Heritage Baptist Church - "Room At the Inn" - where Heritage was the Inn and twenty homeless men of Lexington were the guests. The men were served a bountiful supper and a bed to sleep in and breakfast the next morning.

On the morning of November 4th, Marie and I voted. Let us pray for the President-elect Barak Obama and Senator Joe Biden, Vice-President-elect.

Pray, please, for my right eye to be healed and for the operation I need on my left eye. We thank all of you for your prayers and support and humbly ask that you continue to do so.

In Him, Harold and Marie Bratcher

This young lady has to be carried and placed on one of the church benches and can only speak a few words.

I have been burdened by the fact that, at the secular university, his faith and beliefs will be attacked constantly. He appears to be gifted in all academic areas, but his interest is in the scientific fields. I have been thinking of what a help it would be for Guilherme to be more prepared for these assaults if he could be exposed to the scientists who are Christians at the Creation Museum, near Cincinnati, Ohio, or the Institute for Creation Research in Dallas, Texas, early in his educational life. I can envision Guilherme being equipped to teach and defend the truths of God's Word both from a theological and from a scientific point of view if he gets the appropriate education. This boy comes from a family of very modest means. His father drives a delivery van for a construction supply company and his mother works as a house cleaner. The family's combined income is less than \$900 per month. Guilherme has taught himself English so he would be able to understand what he could learn from his meetings with creation scientists. If you would like to have a part in providing this educational opportunity for Guilherme and to possibly contribute to preparing one of the next great creation scientists, please contact me.

In Christ's love, Bobby, Charlene, Jessie and Brennen Wacaser
