### A TRIBUTE TO HOMER CRAIN

By Jim Orrick

Homer Crain was born at Summit, Boyd County, Kentucky, on a farm that is now occupied by a federal correction institution. Ever the joker, he liked to tell people that he was born on prison grounds. When he was a baby, one of his older sisters dropped him and he sustained an injury to one of his hips that resulted in his being crippled, but this never slowed him down or hindered him from an active life in God's service. He was saved at an early age and soon felt a call from God to preach His Word. To prepare himself for this work he attended Clear Creek Baptist School, Pineville, Kentucky.

Brother Crain always had a burden for missions and was used of God in starting several churches in Kentucky and Michigan. It was while he was pastor of a new work in Flint, Michigan, that he met and married his wife, Elizabeth. To this union were born eight children. For several years he was pastor of the South Irvine Baptist Church where he directed the mountain mission work of that church. He was also greatly used as an evangelist, preaching many revival meetings in different states.

God later called Brother Crain to Peru for mission work. A few years ago, I had the privilege of going to Peru to spend several days with the Stanton's and Homer. (Mrs. Crain was in the states at the time). The time spent with them was a blessing although very different. When we were with the Stanton's our days were planned out almost hourly. With Homer I don't think anything was planned, but every day was an adventure. I will always remember the van trip when he took us across the majestic Andes Mountains from Lima to Tingo Maria. Along the way we visited several places where B. F. M. missionaries had established works. On another trip he took us down the Amazon River to visit a church. That night we stayed in the only hotel in the village, the Mercedes. There was no air conditioning, but each room had a large screened window. I shared a room with Homer. It was a noisy night. Early the next morning Glenn Archer, who was also on the trip, came to our room and said, "Homer, your snoring can be heard all over this hotel. You are noisier than the eruption of Mt. Saint Helen." For the rest of the trip Homer was referred to as, "Mount Saint Homer."

When Brother Crain retired from the mission field he continued to preach whenever possible. It finally became expedient for Homer and Elizabeth to move close to some of their children. Later it was necessary that they move to a nursing home where they finished out their days.

Sister Crain passed away August 9, 2008, and Brother Crain followed her to heaven June 6, 2009. He was eighty-three years old.

What a day it must have been when he got home to be with his Elizabeth and the multitudes of saints gone on before that he had pointed to the Savior. Most of all, he saw his Savior and from Him, I am sure he heard the words: "WELL DONE GOOD AND FAITHFUL SERVANT. WELCOME HOME HOMER!"

Dear Brethren,

July 8, 2009

For a very long time many of you have prayed for Betty and me; many have sent cards, and some have sent offerings to Baptist Faith Missions in her memory. I would like to take this opportunity to thank each and every one of you and for those of you who have prayed so very long for us. I want you to know that the Lord heard and answered your prayers. The Lord abundantly blessed us both unto the very end and continues to bless me. I am at peace and searching to know what the Lord would have me do now.

Before Mike went back home to Brazil, he and I made a trip to southern Illinois to visit Bible Baptist Church in Harrisburg where Brother Art Donley is pastor, and from there to Kirksville, Missouri, to be with Faith Baptist Church where Brother Glenn Archer is pastor. These two pastors and their wives have been very dear friends of ours for many years, and it was so good to be with them once again.

### Fifty-Four Years In Brazil ... In The United States ...

Dear Friends,

July 5, 2009

Alta and I arrived in the States the last of May after spending a few days in Manaus with our sons and families. We arrived in Miami and John Mark met us at the airport and drove us to Orlando where we spent a few days with my sister and her husband, Jessie and Joe Sills. Thank you, Joe and Jessie for your love and hospitality. While there, Alta's sister, Marcela, came over from west Florida and visited for a couple of days. We enjoyed the time with John Mark whom we rarely see.

Brother Dave Parks met us at the airport in Louisville and drove us to Lexington, where we are presently living in the Mission House. The house has been remodeled and decorated. It is beautiful. Thank you who worked so hard to make it so lovely.

MAY 31 - HIGHLAND BAPTIST CHURCH CELEBRATES SIXTY YEARS: This was the first church planting activity in my ministry. What a joy to return and be with the church on that occasion and to see a few friends we knew when the work started. It was there at Shelbyville that God filled our hearts for the passion of evangelizing and planting churches.

FAMILY GATHERING: Ross McGary and family had planned a four-day gathering at Barkley Lake, June 18th to 21st. It was a marvelous time of fellowship and remembering the joy of our daughter, Lynn, who is in Heaven.

BETTY CREIGLOW GOES TO HEAVEN: After a long period of poor health our dear friend and missionary companion, Betty Creiglow, passed away. As we visited with Brother Creiglow and family it was a sad time and also, a glad time. A glad time because of what Jesus has done for us.

GRACIOUS FRIENDS: During our sixty plus years in ministry God has provided many gracious friends. Here I will mention only Steve and Eva Blake who have loaned us a car to drive. Thank you, Steve and Eva.

BRATCHERS - FIFTY YEARS IN BRAZIL: There was a special service at David's Fork Baptist Church on June 28th in recognition of Harold and Marie's fifty years of faithful missionary work in Brazil. It was an emotional hour.

For Alta and I there were added blessings when persons came up to us whom we did not recognize from the church in Beattyville. One man said, "I am Kenneth Issacs. You baptized me when I was a young boy." Then, I remembered and remembered well that young boy and his mother and father. He introduced me to his grandchildren that were with him.

Another came to me and said I am Sherman Estes's grandson. His grandfather lived on the mountain called the Pinnacle. We had a mission church there and my brother, Charles, came and helped build a block building there. What memories flooded my mind! Sherman Estes, was the home where his wife made the best corn bread and beans in the world. Thank you Lord for your goodness in our lives.

We thank each of you who have prayed for us and supported us during our fifty-four years in Brazil.

In Him, John and Alta Hatcher

Eight persons baptized: Six from Assai, one from Rancho Allegro and one from Urai Baptist Church.

## Summer Mission Team Visits ... Purchase New Truck ...

Dear Friends, July 9, 2009  
June was a wonderful month of great blessings from the Lord. In my last letter I spoke of Anita's and my anniversary of thirty-five years on the seventh. One week after our anniversary I traveled into Lima to meet our first summer mission team. This group was from the Berea Baptist Church of Hiddenite, North Carolina, and it was their second trip to Peru. There were nine of them and they worked really hard on the mission project of helping

the Grace Baptist Church of Huanuco build a security wall around the property. Digging ditches and then filling the ditches with concrete and rocks was exhausting work but they really seemed to enjoy it! After the work days we took them to Cusco and Machu Picchu.

While in Cusco they helped to paint the newly rented mission building for our Baptist Missionary friends Jason and Rebecca Reinhardt. The group was in Cusco on Sunday the 21<sup>st</sup> and during the night service I had the honor of translating for our good friend Jim Miller. At the close of the service three teenage girls accepted Christ as their Lord and Savior. What a blessing! That was better than the trip to Machu Picchu (which is considered one of the Seven Wonders of the World). After Cusco

we traveled on down to the coastal town of Paracas where the group traveled out to the Ballesta Islands to view some thirty thousand or more sea lions. From Paracas they traveled on down the coast to Ica, Peru, to the Huacachina oasis. This is where the sand dunes stretch for as far as the eye can see, and where they had an incredible time sand surfing and dune buggy riding. Anita and I certainly enjoyed having them with us and we thank the Lord for their love for the Lord's work here in Peru.

Another great blessing for the month was the purchase of our new double-cabin, four wheel drive truck! Thanks to the Statesville Baptist Bible Institute for their generous donation of half the cost. The other half came from the sale of my old car and the BFM car fund. It is a rugged vehicle and should do well for many years to help get up into the mountain and jungle works. Praise the Lord!

Last month we mentioned the passing of Brother Wallace York and Sister Betty Creiglow. This month we were saddened again to hear of the passing of our old friend, Brother Homer Crain. Brother Homer taught me a lot about mission work here in Peru. He loved his Lord and he loved to preach the gospel. He will be missed. Until next month  
In HIM by HIS grace, Sheridan and Anita Stanton

## PLEASE HELP US HONOR AND PRAY FOR MARGUERITE HALLUM

Marguerite Hallum is the unmarried daughter of the first missionaries BFM supported for missions in Peru. She served with them during all the years of their ministry in Peru, and then cared for them until their deaths after they returned to the States. They had been in Peru since 1935, and BFM assumed their support in 1946.

Marguerite lived and worked for several years in Louisiana, but for the past few years has been living in DeLand, Florida, in an assisted-living retirement center. Her niece, Teeter Mauldin, and her husband, Steve, brought her to DeLand so they can care for her just a few minutes from where they live - and they have done so faithfully and lovingly.

We had the opportunity to visit with Sister Marguerite during our BFM Winter Conference at Park Ridge Baptist Church in the Orlando-area back in January 2009, and she delighted us with her company, fellowship, and her many, many exciting stories of their ministry experiences in Peru.

On April 9th, Marguerite fell and broke her hip. She had surgery and is back in her retirement center undergoing rehab. She has been remarkable...her spirit is good, her humor is intact, and the prognosis is good. Please pray that she will be up on her feet and gardening again soon.

We encourage you to pray for Sister Marguerite and for Steve and Teeter Mauldin. The Mauldins' email address is: [steveandteeter@bellsouth.net](mailto:steveandteeter@bellsouth.net)

You may address written correspondences for Sister Marguerite to: Teeter Mauldin, 432 Rich Avenue, DeLand, Florida 32724-4315. Also posted at: <http://www.faith-works.blogspot.com>.

## Purchasing Church Bus ... Many Blessings And Miracles ...

Dear friends, July 9, 2009  
Well so much has gone on this month, I'm going to have to be careful not to write three letters in one. To begin, we are working on the dorm for the vocational school. We are ready to put on the ceiling and pour the roof. The walls are completed and we are putting everything in place to pour the concrete on the top. This makes the ceiling and with this dorm we are planning to put a second story sometime in the future.

Another awesome blessing is that we are about to take possession of the bus. Yes, we are going to purchase a church bus. With help from some people in the States, the sale of the old bus and projects the church people are doing to raise money. What we are doing is borrowing half of the purchase price and we have raised the other half. We will be making monthly payments for the next several years to complete the purchase price. The church has taken this financial responsibility. What a needed tool this is here in our city. It is just AWESOME how our Lord and Savior solves minor problems.

Now to some more AWESOME news, this time about evangelism. As I have mentioned we have had a church from Virginia Beach coming down to do some presentations in our public schools. This group was thirty-one strong and they came to evangelize. This was planned and in the making for about a full year. Yes, public schools, the miracles we saw were AWESOME to say the least. Now if you are interested in numbers, after eight days of ministry in the schools we collected over 1,000 commitment cards. Of these cards we had 435 decisions to accept Christ as their personal Lord and Savior. Yes, miracles still do happen!! Pray over these people and our next job to do the follow-up on these people. We will be putting the cards in the areas with the people that work in each area and they will begin the visitation. But the primary interest is that the 435 persons that filled out the cards will get a personal visit from someone at our church. This will open many doors for us to be able to share the Gospel message with many more people.

Here is one of the miracles that happened while this group was here: When we gave an invitation at one of the schools, one of the adult leaders in the group came to me and said that he had noticed a girl crying away from the crowd. I went to her and asked if I could help her or pray with her. She said she was a believer, but had not been glorifying God with her life. I prayed with her and she rededicated her life to Christ. While praying some other girls circled around us. When I finished I asked the others about their spiritual lives and these other three accepted Christ as their Savior with tears in their eyes. And now on top of these blessings two other girls that were with them began to enter the conversation and Patricia said that she would disciple these girls.—How much more AWESOME could a week be!!!!

We are having a glorious time with the visitors that are passing our way and watching what God is doing through each and every one that comes to visit. Would you like to be a part of what God is doing here? Well it is easy, just come on down. The bed is turned, there is a mint on the pillow and God is waiting to show you what He is doing here.

In His service, A. J. and Barbara Hensley

## Works Holding Steady ... Pray For Ursula ...

Dear Fellow-saints, July 9, 2009  
Greetings in the Name above every name. We trust all of you who read this are saved and enjoying the presence of the Lord in your lives. I can't imagine how I could live and cope in the present world without Him. I see those who do not know Him and remember that that could be me except for the grace and love of our great Redeemer and Heavenly Father.

Our work in Central Brazil is holding steady this month. The Good Hope Baptist Church is having a revival this week with good attendance. July is vacation month for the schools in Brazil and a good time to have meetings in the churches. One of our Baptist preacher brothers left this world to be with the Lord this month. He was under fifty years old. He has struggled with colon cancer for several years. That makes three preachers we have lost in the past five years to cancer. All of them were in their 40's. The two sisters-in Christ who have battled cancer for some time are showing improvement now. The one who is in her early 30's wasn't given much hope to make it, but is improving. Pray for her. Her name is Marlee.

We still are helping the Good Hope Baptist Church in their mission projects. We are helping them in the building and improvement of their church buildings. Your help is very important. We expect to have it all done to where they can carry on their own by the end of the year. We received word from Pastor Miqueas Santos that their work is going well also.

Ursula is about over her gall bladder surgery and continues on with her physical therapy for the arthritis and nerve damage in her neck and shoulders. The Lord is good to us. Continue to pray for my sister, Una Richards, who is struggling with leukemia. She seems to be responding better to the chemotherapy and still hopes to get the bone marrow transplant in a few weeks.

God bless all of you who are so faithful to support the mission work of Baptist Faith Missions.

Yours in Him, Harold M. Draper

## Brown Spiders of Curitiba... Great Attendance At Missions School...

Dear Friends,

July 10, 2009

The city where we live, Curitiba, is the capital of the state of Parana, Brazil. It has been called the capital of several different things, such as ecology, transportation, recycling and others. It is called the capital of one other thing that the inhabitants (including me) aren't that proud of or happy about and that is the "Brown Spider Capital." To give you an example of the reason it is called this, we found thirty-seven Brown Recluse spiders in our house in one month. We have been blessed of the Lord and no one in our family has ever been bitten by them. They are very poisonous and very plentiful in our city. A new ministry that we have begun involves outreach to the Brown Spiders. Let me clarify though. We are not trying to evangelize the little eight legged pests, but the local football team that goes by the same name.

In Brazil, the sport of soccer is called "football," and the sport that American's know as football is called "Football Americano," or "Bruteball." There is a growing interest in the sport in Brazil and they are developing a league along the lines of the NFL. The coach of the Brown Spiders of Curitiba is an American whom I have recently met who has settled in Brazil. Recently, we hosted a group of youth from the Tampa, Florida, and Houston, Texas, areas among who were five football players. The Brown Spiders team is made up of men from eighteen to thirty-eight years of age. They love the sport and were excited to have some "real" American football players practice with them. These youth from the U.S. came, practiced with the Brown Spiders and shared the gospel with them. The team was very receptive and has extended an open invitation to return at any time in the future. The coach, Dar Robinson, and I are working on plans to hold a football workshop where we will bring in Christian coaches and players to give tips and training in the sport and the Word of God for their eternal well-being. This is an amazing door of opportunity for us to share the gospel among the middle and upper class of our society. Pray that God's word and love will find receptive hearts among these players. And, if you are a player and/or coach and would like to use your expertise in this area to reach the lost with the gospel, contact me

Bobby Wacaser with one of the Brown Spider football players.

Bobby Wacaser translating the testimony of a Texas youth to the Brown Spider players.

to learn how. There are two other football teams in Curitiba and many more throughout Brazil. This outreach ministry is just beginning and we hope to see many people come to Christ through it.

We had very good attendance at our missions school this past month with students coming in from more than ten different cities. All of them will be participating as volunteers with our Project Life evangelistic teams during the month of July. In the classroom we teach the biblical basis of missions and, on the trips, we let them put into practice what is taught in the classroom. God continues to bless us with open doors. Earlier this month we got an invitation from the local Volkswagen plant to come give our presentations. Through dramatic skits, testimonies and preaching we shared the gospel with over 3,500 employees and managers. We realize that this is an amazing opportunity that may be available for a short time, so we are taking advantage of it while it lasts.

The family is all well. God has seen fit to give us all great health and we are extremely grateful. Thank you all for your prayers for us.

In Christ's love, Bobby, Charlene and Brennen Wacaser

## Appreciate Prayers... Ministries Going Well...

Dear praying friends,

July 5, 2009

Another month has come and passed quickly and we thank the Lord for the opportunities that He has given us to serve Him here in Kenya. We appreciate so much each person who prays for us and communicates with us. The mission field is very challenging and we thank you so much for your prayers for us. This update will share current ministry progress as well as prayer requests.

Thanks so much to each who donated to the building at the Annex prison. Soon, the men that have their own place to study the Word of God. Hebrews 13:3 says, "Remember them that are in bonds, as bound with them; and them which suffer adversity, as being yourselves also in the body." Thanks again so much for remembering the Annex prison.

Carrie and McKenna are doing well. We thank the Lord for McKenna and the progress we have seen with her. What an opportunity and blessing it is to be a parent. We ask that you would pray for us, that we would be the parents that God would have us to be. Please pray that we would be faithful to teach her the Word, as this is a big responsibility. 2 Timothy 3:15 says, "And that from a child thou hast known the holy scriptures, which are able to make thee wise unto salvation through faith which is in Christ Jesus."

The ministry in the village of Rafiki is also going well and we thank the Lord for this. Many of them have a real desire to know the Scriptures and are asking very good questions. I believe they are seeing the profit of the Scriptures in their life. 2 Timothy 3:16 states, "All scripture is given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness." Please pray that those in Rafiki would continue to study the Word and see the many benefits it has in their life. We are now past half of the course "Firm Foundations-From Creation to Christ." We have learned much together, and recently have been studying the Ten Commandments, the plagues of Egypt, and many other important topics. Lord willing, at the end of the course, a preaching point will be established. Please continue to pray for this work, and the spiritual progress of those that

## Preparing For A Busy Month... Purchase A Vehicle...

Dear Brothers and Sisters in Christ,

July 6, 2009

Greetings from East Africa. Most of you are well into the summer months and hot temperatures. We, on the other hand, are building fires in the fireplace each month for warmth and comfort. Yes, even near the equator it can get cool at night, especially where we are at 6,000 feet elevation.

I am currently in preparation for an upcoming, busy month.

I will be going to Nairobi on three different occasions in the next month. Once to attend a wedding. Once to bring a visitor to Kitale from the States, and a final time to return him to Ohio. The wedding is for two of our Muslim friends whom we would love to see come to know the Lord. It will be my first Muslim wedding and I am a little nervous. The Lord continues to broaden my horizons. Muslim people were the farthest from my mind when I planned to come to Kenya, but the Lord continues to bring them into our lives and our relationships are progressing. Please pray for our dear Muslim friends here in Kitale. The visitor is a young man named Lewis from Ohio. I have known him his entire life. He used to do much ministering with me when I was associate pastor back in Dayton. We are looking forward to his visit. I will update you on these two things in next month's newsletter.

I have finally purchased my own vehicle. Up till now I have been driving a vehicle borrowed from Mike and Pam Anderson. But this vehicle was getting a little older and I needed my own. I purchased the vehicle from the previous tenants of my house here in Kitale. It is a 1991 Toyota Land Cruiser. It will be of tremendous value to us in continuing the ministry here. We need this kind of 4-wheel drive vehicle to maneuver the bad roads, especially during the rainy season. Vehicles here are very expensive, even older vehicles. We are very thankful to BFM for providing \$8,000 toward this vehicle from the General Fund (automobile fund) which they try to give their missionaries every four years. I know \$8,000 being dispensed from the General Fund is a lot of money for BFM. I make a plea for all BFM supporters and especially my supporters to make donations to replenish the BFM General Fund. If you feel like this is a worthy account you can send support to the BFM treasurer and mark it for the General Fund. If you are wondering if this is worthy or not let me just say that without vehicles I'm sure that mission work around the world would grind to a halt. Thank you in advance for your support to the General Fund.

Finally, some additional ministry news. I am currently teaching Baptist History in the Bible Institute. I have found this to be actually a little easier than teaching Baptist History in the States. The reason for this is because most Kenyans haven't been taught any church/Christian history at all and they don't need to be untaught things like many Americans do. I think the pastors are enjoying these lessons. We are using the Bible to determine which historical examples we should be following. Also, I have a couple of Christian Swahili videos about the life of Christ that I would like to show around Kitale. First, I need to figure out what they are saying (it's still a struggle understanding Swahili, but it's mostly quoting Scripture so the content should be okay) and then I need to purchase a car battery and an inverter so that I can show them anywhere I want, even in places where there is no electricity (which is most places). Please be in much prayer for our Kenyan ministries and our dear Kenyan people.

May God's peace and joy be with you.

For the glory of God in East Africa, Roger, Julie, Emily, Amy and Josiah Tate

In closing, in regards to us personally, please pray that we would be strong in the Lord, as there are many challenges. Those that immediately challenge us are homesickness and forms of culture shock, as well as language challenges. Please pray that the Lord would help us in each of these areas, as they are real challenges to missionary living. God bless each of you. We will keep you updated.

## CREIGLOW

(From Page One)

The Summer Conference, here at First Baptist Church of Science Hill, Kentucky, will be held this year from August 31st through September 3rd, 7:00 p.m. each night. We have a good line up of speakers, and there will be special music also. Come and enjoy all we have to offer.

After the conference I plan to go to Brazil for a couple of months as I continue to search the will of the Lord for the rest of my life. Since we returned from Brazil in 1993 many have asked me how have I enjoyed retirement, and I responded by saying, "I have enjoyed it so much that I have already done it three times," but as we all know, preachers do not retire, they just shift to a lower gear and continue until the Lord calls them home.

In His Name, Bobby D. Creiglow

## Pray For Upcoming Hearings... New Couple Arrives To Help...

Dear Brothers and Sisters, June 30, 2009  
Hope all is well with each of you. Time is really going by so fast; it is hard to believe that July is here. We are all doing great here and enjoying God's peace and blessings. We have been enjoying some winter weather. Well not the kind of winter weather you would be expecting, but something like your spring. It just feels cold because we don't have heaters. It does not stay cold long enough to use heaters.

Many of you have written and asked about the court hearings. We have had two hearings. For now the judge is just hearing all the testimonies that the prosecutor put on against us. They are having a problem getting their testimonies to come out to court and some they can't even find. The judge said he was not going to hear any of our testimonies until he heard all the others. We just hope that it doesn't take too long to find all of them. We have another hearing on July the 26<sup>th</sup>. Please continue to pray that all will go well and not drag on too long.

We have a new couple that arrived here to help us. Edi lived with us when we lived in the city of Vera Cruz before we ever had the children's home. He always told us that one day he wanted to come back and help us to help others. He got married and came to help. He is a big help for he is a real handy man. His wife is sweet and getting to know all of us and how things work around here. She loves to work with young kids.

We still have the same families here with us. They are getting involved in church and the kids are learning new things and learning about the Lord. We have had many teens and adult new visitors at church. Our boys and others that live here have been bringing some of their school friends to church.

Even though we don't have many here now, we are still trying to keep the building up. We have the day by day expenses and there is always work to be done on the building. Painting is always one of those things that have to be done from time to time. There are still some of the roofs that have not been fixed or changed. Also one thing that we have not done is fix the concrete sidewalks around the home in the front and in the back. Since the building is thirty-five years old, from time to time, we have problems with water and gutter pipe lines. The water pipes are old and are galvanized pipes and cause leaks in the walls. We don't have lots of extra money, but are working hard on keeping up the building. We are working on the projects that we have on our mind. We want to do different things that will reach out to kids and their families.

We thank all of you for your prayers and support. Please continue to pray for us and that God will supply for the needs we have.

God bless all of you, Odali and Kathy Barros

Edi and Deborah, the couple that came to help.

## Back In Brazil... Teaching Baptist History...

Dear Brethren, July 8, 2009

Beverly and I are finally back in Cruzeiro do Sul. It was good to see a few of you and visit a few of our supporting churches while in the States. We would like to thank all of you who prayed and cared for Mom during her long illness. Thanks for all who have been so good to Dad during his extreme ordeal.

Since arriving home five days ago I have preached just once, but have been busy at church every single night. That will not let up too soon. On Sunday night I preached to a large crowd. At the close of the service we had four requests for baptism, one by letter and two more professions of faith.

Tonight I will be continuing a series that I just got started before leaving for the U.S. We are going through Baptist church history. At the same time I started these lessons, I also started writing a book. We really don't have anything in Portuguese that speaks about our true position in history. Unfortunately, most Baptists in Brazil consider themselves Protestants! Pray that I will be able to finish this and maybe even get it into print.

While I was away some of our men moved our new missionary family, Alexandre, up river to Porto Walter. We got word that things are already starting to pick up and five people have been saved.

Hudson and Eliesio were on a long mission trip down river while I was away, also. I still don't have all the numbers, but I know that several more people were saved.

I realize that this is not the kind of report that you are accustomed to getting from me. Hang in there though, because soon I will be back out there on the front, Lord willing.

Last month some of you gave some substantial offerings to our work. I still haven't identified you, but you know who you are. For now: THANKS. Hope to thank you in a more personal way soon.

Thanks for all of your prayers and support. God bless you as much as He has us.

In Christ, Mike Creiglow

## Thankful For Christian Heritage... Welcome A New Granddaughter...

Dear Praying Friends, July 6, 2009

Happy Birthday America! We are so thankful for our godly Christian heritage, in that our forefathers depended on God and the Bible for important decisions as our country was being formed. How saddened we are as we see a very different America emerging today; whose god is not our Lord. Godly principles are being rejected when important decisions are made, and God's people have little to no voice in the affairs of our nation. It behooves us all to confess our sins and seek revival with our Savior first and then pray that God will have mercy on our country and His people.

Pam had surgery last week for a minor female problem that she has had for quite some time now. She was supposed to go into the hospital in the morning, have surgery, and be released later that afternoon. However, she developed some complications, and had to stay two more nights as an inpatient in the hospital. She is recovering now and is getting stronger each day. God has been so good to us and we thank Him for His watchful care during this time.

God greatly blessed us in June with a new granddaughter from Kenya! Abigail Pendo Wanjiru Austin will be one year old this month, and is a very healthy, Kenyan girl. Our daughter, Sara, and son-in-law, Graig, have been in Nairobi, Kenya, since March for the adoption of Abby. Abby joins their other two daughters, Melia, age six, and Kailyn, who will be two in August. Graig and Sara are missionaries with Great Commission Ministries at the University of Michigan, and they must be in Kenya for many more months yet before the adoption is legalized. The whole family is enjoying their time there and we look forward to meeting Abby sometime soon in Kenya.

God has used this time in the States to conform us more to His image and we praise Him for this. We look forward to returning to Kenya soon to be used in a greater way than we have ever been used, as a result of His dealings with us while we have been here. We trust that your summer is going well and we deeply appreciate your financial support, love, encouragement, and prayers for us. Let us all labor to reach many for our Lord while we still have opportunity. We love and appreciate each of you.

Blessings, Mike and Pam Anderson

P.S. We are not able to send a picture of Abby at this time as the Kenyan government forbids it, since she is not legally adopted yet. Later after her adoption is finalized we will send a picture of her.

## Letter From Judson Hatcher...

Dear friends, July 2, 2009

Thank you for your prayers and support. We are truly grateful. We'd like to encourage you to visit us in Manaus and see what occurs. In the mean time, here is what the Lord has done and is doing here in Brazil.

**Family:** Raquel, Sarah, Laura and Benjamin are doing fine. Sarah had a fever for a period of twenty-four hours day before yesterday. She's back to normal activity now. Laura's birthday is July 20<sup>th</sup>, she will be three years old. Benjamin is fifteen months, and is a chatter box. We can't make out what he is saying yet, but he should be talking soon. Raquel stays busy, but always encouraged.

**Ministry Conference:** June 11<sup>th</sup> we had a conference with all of the local congregations. Pastors, pastors in training and congregation members, a total of 532 people were present. The theme was "Foundation." We started at 8:30 a.m. with worship. Each congregation had ten minutes for the pastor to speak, show pictures, or do a ministry presentation. We also had four workshop sessions, two in the morning and two in the afternoon. Each participant could select from a total of fifty-four workshops. The workshops included: public speaking, how to work with a leadership team, how to write a news article, amongst others. We also had the Amazon Theatre maestro to lead workshops on vocal/singing techniques. It was an exciting day of learning, ideas, networking and fellowship.

**Pastoral Team in Training:** There are currently three groups of men I've been mentoring for pastoral ministry. The first group is composed of nine men in their mid to late twenties. We've been together for a year and a half. The second group is composed of three men in their mid to late 40's. We've been together for eight months. The third group has four men in their early twenties. These are action based pastoral mentoring and training teams. They have all grown tremendously in their public speaking and hermeneutic abilities. Please, be in prayer for each one to be an effective church planter.

**Entrepreneur Conference:** Last month we began a new monthly series called "The Entrepreneur Conference" on Saturday afternoon. There are three purposes in having this series: 1) Encourage pastors and pastors in training to be visionary leaders, by exposing them to visionary Christian businessmen. 2) Encourage members at each congregation to start and successfully maintain their own business, and still do the work of the ministry. 3) To "bridge" unbelievers into the local church. Folks who normally don't come to a church service will come to hear a lecture on "Entrepreneurship." With their contact information we can follow-up with them.

**Canvassing & Evangelism:** The AdorArte ministry teams are on the go. We've been in five different locations within the last two months and have seen many decisions. With roughly thirty people to each team, we arrive at 3 p.m. at the congregation to start canvassing the neighborhood. In the evening, the Gospel is preached by one of the pastoral men in training. Each person is charged with the goal of witnessing to at least one person. Last week we were at the Tancredo Neves congregation celebrating their anniversary. Not sure how many were present, but there were people standing outside the building due to a full auditorium.

**"Bridging":** Beau Bristow is a musician and singer from Nashville. He will be with us July 6<sup>th</sup> until August 6<sup>th</sup>. We met him through my Uncle Ross McGary at Judson Baptist Church. On weekdays, we have him scheduled in the morning and afternoon in three different schools per week. On weekends, he will sing at open air events, including public parks. These events will bridge people to us through contact cards, filled out on site. We look forward to having him in Manaus.

In Christ, Judson, Raquel, Sarah, Laura and Benjamin Hatcher
