New Missionary Family In Porto Walter ... Hold Couple's Camp And Youth Camp ...

Brethren, September 9, 2009

Just two months ago we sent a new missionary family to work in Porto Walter. Brother Alexandra, his wife, Rejane, and their son, Joao Vitor, arrived from Cuiaba two months before that. They spent those two months in training at First Baptist Church. During that time we also bought their basic furnishings. Zico then took them to Porto Walter to get them started. In mid August I took Zico, Eliesio and Hudson with me to hold a special service to make their arrival "official." We had over one hundred-fifty present for that service. On Sunday morning we had a baptism service. There were over seventy present for the morning service and I baptized twelve. The little group of Christians are excited about their new worker. Alexandre and wife have made many friends in the community already. Many of the older members have come back, too. Since the river is at its lowest, we made this trip in the boat with 60HP jet drive. Worked great!

The last week of the month we held a couple's camp. We had thirty-five couples at Camp Salem. I taught about "Forgiveness" the three days that we were there.

Andrew and Dauro held a youth camp the following week. They had one hundred-forty teens. There were three saved and a number of other commitments to baptism, among others.

We are now into our summer attendance slump. Sunday School is down about one

hundred, which is not as bad as last year, but certainly not good. All other services have held up pretty good. There have still been people saved every week.

Even though we are supposed to be into summer, the rains have still not really quit. Several of us went up to camp to work. It rained the whole time and the sky looked just like it does in February. The road was a mess and there were trucks stuck here and there. We were able to get through with the S-10 pickup, but it was an adventure. My new Brazilian made four-wheel drive jeep type vehicle has been on order since March. It finally got to Manaus. Now we have another round of red tape and then have to get it on a barge to Porto Velho, Rondonia. The plan is to drive it to Cruzeiro do Sul, if the road is still open. Pray that we will be able to get the car soon. Just since arriving from the States two months ago. I have been stuck in sand or mud five times trying to get boats out of the water. Thanks to those who have given for us to be able to buy the new jeep. We saved, I built boats and you gave offerings for us to put a \$30,000.00 down payment. We are financing the rest, which is \$18,000.00. You can still help, if you like! Thanks for all your prayers and faithful support. God bless you for it.

In Christ, Mike Creiglow

Dear Brethren, September 4, 2009

Here at First Baptist Church in Science Hill, Kentucky, we have just finished our fifth or sixth annual Missions Conference, and once again we had an excellent lineup of speakers. Brother David got us started off with a tremendous message on Monday night, followed by Missionary Harold Draper on Tuesday. Wednesday, Brother Emmet Sexton brought a great lesson on Grace Giving. Missionary John A. Hatcher closed us out on Thursday, and he also was very good. This year we had some visitors from some churches outside the area and we appreciated their attendance and support.

In just one week from today I will be leaving for a visit to Brazil where I will have the opportunity to meet for the first time several great-grandchildren. I plan to be in Brazil for two months, spending most of the time in Cruzeiro do Sul, Acre. I will also spend some time in Manaus, and perhaps in Cuiaba where Betty and I served for many years.

I am sure most of you are aware that I have not been able to attend any mission conferences for the past several years, other than our own. I am looking forward to being at the Thanksgiving Conference in Dearborn Heights, Michigan, this year, at New Hope Baptist Church, where Brother Terry Adkins is pastor.

The Lord is still being very good to me, and I have resumed the teaching of the book of Revelation on Sunday nights. I will put this on hold, at least while I am in Brazil.

In His Name, Bobby D. Creiglow

2009 THANKSGIVING OFFERING

Pray, Plan, Prepare, and "Perform the doing of it" to give the most generous Thanksgiving Offering you can.

URGENT NEEDS AND APPEALS TO EVERY GIVING FRIEND OF BAPTIST FAITH MISSIONS MISSIONARIES

I must make an urgent appeal to you on behalf of our missionaries. Please read this carefully and prayerfully and respond immediately.

WE HAVE TWO URGENT NEEDS REQUIRING IMMEDIATE RESPONSE: [1] **INCREASED MONTHLY GENERAL FUND OFFERINGS** I have received the report of the August offerings and am processing our missionaries' monthly deposits as I write. **FOR THE SECOND MONTH IN A ROW [August and September], WE WILL BE REQUIRED TO MAKE SIGNIFICANT DEDUCTIONS FROM EACH OF THEIR SEPTEMBER DEPOSITS.**

I have detailed in the August issue of the Mission Sheets how we must balance our **Essential Maintenance Transactions** [EMT, or TIER 1] General Fund disbursements to our missionaries each month with our General Fund Offerings for that month.

If the General Fund Offerings for that month don't supply the Essential Maintenance Transactions disbursements for that month, then we must reduce the missionaries' total deposits for that month by the amount we lack.

Let me give you some 'bottom lines' for September's deposits: After I have calculated ALL the General Fund receipts from August's offerings [including offerings which are given to the missionaries by name designated 'salary' or 'support'] **THERE IS STILL A DEFICIT OF \$8,465.99 WHICH MUST BE MADE UP BY MAKING ADDITIONAL PROPORTIONAL DEDUCTIONS FROM EACH MISSIONARY'S TOTAL DEPOSIT FOR THAT MONTH.** This way, each missionary makes the same PROPORTIONAL contribution, but not the same AMOUNT of contribution.

So, just by using September as an example, IF WE - ALL OF US TOGETHER - HAD GIVEN AN ADDITIONAL \$8,500.00 TO THE GENERAL FUND DURING AUGUST, OUR MISSIONARIES WOULD HAVE RECEIVED THEIR STANDARD MODEST COMMITMENTS FROM THE GENERAL FUND.

THE OTHER COMMITMENTS WE HAVE MADE TO THEM [PRN or AS NEEDED/TIER 2 COMMITMENTS] ARE SUPPLIED FROM WHATEVER IS LEFT IN THE THANKSGIVING OFFERING FUNDS FROM THE PREVIOUS YEAR'S OFFERING.

This is the only way we can make it through the year with the funds we have to work with. I think we will make it through the next three months with what we have left in last year's Thanksgiving Offering, but we are having to deliberately 'stretch it out.'

[2] \$100,000.00 THANKSGIVING OFFERING: EACH OF OUR GIVING FRIENDS IN ALL OF OUR CHURCHES

MUST MAKE A COMMITMENT TO THE LORD AND OUR MISSIONARIES TO GIVE AN EXTRAORDINARILY GENEROUS THANKSGIVING OFFERING. If everyone of us will ask the Lord of the Harvest what portion He wants us to do and give - I am confident HE WILL SUPPLY THROUGH US WHAT HE WANTS OUR MISSIONARIES TO HAVE TO DO THE PORTION OF THE WORKS THEY ARE DOING.

We can do this by the Grace God will supply us - but each one of us must make the commitment to:

[1] **PARTICIPATE, 2 Cor 8.1-5, 12; 9.7.**
[2] **PRAY** to God to supply you with an offering, **2 Cor 9.8-15.** You can be sure that those who are receiving the benefit of your offerings are certainly praying on your behalf!

[3] **PLAN** how you will lay it aside, **1 Cor 16.1-2.**

[4] **PREPARE** your offerings according to your plan. In other words, 'PLAN your work and WORK your plan', **2 Cor 9.5.**

[5] **PERFORM THE DOING OF IT.** Follow through! **2 Cor 8.10-11.**

NIKE! You know the NIKE footwear's familiar sales slogan: **'JUST DO IT!'** That's what we need to do: **'JUST DO IT!'** By the way, NIKE is a Greek word that means VICTORY. This form of the word is found one time in the New Testament, in **1 John 5.4: 'And this is the VICTORY that has overcome the world - OUR FAITH!'** We can - and will - enjoy VICTORY over all these needs if we will JUST DO WHAT WE KNOW TO DO TO ACHIEVE THE VICTORY..TRUSTING GOD TO MAKE IT HAPPEN!

ONE MORE APPEAL FOR OUR GENERAL FUND MONTHLY SOLVENCY GOAL

Each one of us should either begin giving to the MONTHLY GENERAL FUND according to these same steps - or, if you are already a MONTHLY GIVING FRIEND, follow these steps to INCREASE YOUR MONTHLY GIVING TO THE GENERAL FUND.

THANK YOU! EVERY GIVING FRIEND!

And, **THANK YOU! GOD BLESS YOU!** to each of our GIVING FRIENDS who so faithfully, generously, and sacrificially gives so we can continue doing what we are doing now. We read your names in the Offerings Reports each month and thank God for you! This article is also posted at the BFM blog: <http://www.faith-works.blogspot.com>.

Dear Fellow Saints, September 9, 2009

This has been one of the busiest months I have ever spent in Brazil. We were able to sell the building where we had merged two of the churches. With the funds this generates we will be able to get two of our building projects about finished up by the end of the year. We still need As Needed Funds and New Work Funds to finish the repair and building on at the church in Novo Diamantino. We appreciate so much the support you have given to these funds.

I preached at almost all of our works in Central Brazil during the month of August. I preached the third Sunday night of the month in Novo Diamantino and five precious souls were saved. We are so thankful to see how our preachers have

grown in the word. We feel confident they can go it on their own without us being always there. The Lord has blessed so much our work, which is really not ours but His, in Central Brazil. None of this would have been possible without your prayers and support.

I am back in the States now to be with my sister who is not doing well. The doctors have not been able to give her the experimental treatment due to her getting pneumonia and having kidney failure. She continues to be in good spirits. Pray for her immediate and close family as we try to support her at this time. Ursula is having some struggles with her arthritis now. She was not able to go with me this past week to the Mission Conference in Science Hill, Kentucky. I was in two churches this past Sunday in Lexington, Kentucky. This coming weekend I plan to stay close to home. I have been invited to preach this coming Sunday morning at the Countryside Nursing Home which is near our house here in Bardwell, Kentucky. This is the Home where Brother Wilbur Johnson, Howard Wilson Jr., and Brother James Kissel's wife spent their last days.

I am available to speak at churches. I would like to see some of you who have helped us in our work in Brazil.. We still need some help at the Novo Diamantino work right now. God bless all of you.

In Him, Harold and Ursula Draper

Emily Is Now In Boarding School... Working Toward Independence Of Three Churches...

Dear Brothers and Sisters in Christ,
September 8, 2009

Greetings from East Africa. Things here are much the same, although we have not received as much rain in this rainy season as we need. Kitale is fortunate to have receiving somewhat. Other parts of Kenya are very dry and have not received any rain this rainy season. Some parts of the country are definitely in a drought. This country depends heavily on rainfall. When the rain doesn't come it effects most people. The farmers don't get a good enough crop and the herders don't get the milk and meat they need from their livestock. It makes life difficult for the people here.

Well, I have done what I never thought I would do. I dropped one of my children off at boarding school two weeks ago. Emily started her freshman year in high school at Rift Valley Academy about six hours from where we live in a village called Kijabe near Nairobi. Boarding school was the furthest

thing from our minds when we left the States to come to Africa, but God has completely changed our minds and led us in this direction. It was unbelievably difficult to leave Emily there. It became even more difficult over the next few days because she was in the process of adjusting and was clearly not enjoying her new home. Things have gotten better, however, and as she learns to enjoy school a little bit more mom and dad get a little bit happier too. Please pray for Emily as she continues to adjust and for Roger, Julie, Amy and Josiah as we adjust to not having Emily around.

In ministry news I have been working hard to get the three churches here independent and self-sufficient. I have had the pastors working on membership books and keeping membership roles. I have had a couple of them start writing constitutions and doctrinal statements for their churches. Their rough drafts were extremely rough and I have been trying to help them clean them up and make them better. This is difficult for them because membership roles and constitutions are new to them. I have been teaching the pastors about the need for financial independence and that the members of the churches need to take responsibility for supporting the ministry of their church. The two smaller churches average forty and ninety cents of offerings each week. The larger church averages about

Month Full Of Visitors ... Barb In The States Visiting Her Mom ...

Dear friends and family, September 11, 2009

We did not get a letter written last month because we had the month full of wonderful visitors. As a matter of fact the last three months have been full of adventure and meeting new friends. Each group was different and each one was special. We have had Virginia Beach and they did evangelism in the schools. The Doss family and they were used in many different areas. Georgia and they did work on the widows home and evangelism in the neighborhoods where we have an established mission point. And then Texas where my brother Fred is a member and they worked in the main church. And finally Kentucky who preached and taught in several mission points.

We are in the process of doing follow-up on all these groups, especially the school evangelism group. We have enough names and addresses to keep us busy for the rest of the year. What a great and AWESOME job left for us to do. I thank the Lord that even though the people here are of various religious persuasions they are still open to us presenting the gospel to them. Keep

The work process, even though a little bit antique, still gets done. And for this reason it is good to visit a mission work and see that process in action. All behind your PRAYERS, SUPPORT, and God's abundant blessings. Come see and help here in Brazil. Construction, evangelism, backyard bible schools and the ladies ministries, mix it all together and out comes lives changed, people transformed and people saved. How AWESOME is the Lord we serve!

We will try to include pictures, but therein lies another problem. Our telephones here are so unreliable and thus our computer also. It impedes us in our communication with you all. Even as we speak (or write) we are waiting for our phones to be fixed. Just another thorn in our side, and don't we all have these little problems.

Barb has been in the States for the last three weeks visiting her mom. Mrs. Reba had a birthday and Barbara was able to be with her for this day. It was a blessing for the both of them.

We are reestablishing the bus ministry and the children are anxious to get back to Sunday School. We would like to take this time to thank each one of you who have helped with the purchase of that bus. We will continue to make payments on the bus monthly and it is being a blessing. I took the van in for servicing after we got the bus and after two days and \$3,000, it was almost back in shape. Yes our roads and over sized loads that we put in the van caused many things to need repair. Now the S-10 needs to have the same thing done to it and I am a little bit scared about the cost. Even with preventative maintenance things wear out.

Saturday Bible School at Pereque

praying for our ministry with the schools and in the neighborhoods. Your prayers are being heard and they are very effective.

Construction is going good on the dorm. We now have the cement for the ceiling poured and this was a great challenge. We had fifteen men come to help. We started early on Monday morning and worked til late. Using the two concrete mixers for our mixing and they ran nonstop. Construction here is somewhat different to there in the States. We cannot just call the concrete company and get fifteen yards of cement delivered. I have to order the sand and the gravel and cement and mix it on site. But I am not complaining, because I have the two mixers and others don't have that. They have to mix theirs the old fashion way, with hoes and shovels only.

While Barbara was in the States, myself and the other two pastors went to a Pastor's Conference. We had three days of refreshing and rejuvenating. Pray for the church here in Caraguatatuba as our principal pastor is going to leave on the first day of the year to be a missionary himself. That means that we will be in search of a pastor for our church. We have two candidates for the position and all within our ministry. It is good that we have these available candidates here in our church. Pray for the Lord's will in this pastoral search.

And as usual, come on down, the bed is turned down and the mint is on the pillow. Come see what God is doing with your mission dollars!

In His Service, A. J. and Barbara Hensley

\$4.00. Obviously these amounts are not enough to sustain their ministry. The pastors have taken the initiative to start teaching their people about giving and the need to take responsibility for their churches. There is a long road ahead of them because the Kenyan mindset is to let the missionary pay for everything. I am trying to get them out of this mindset. This is a fight against the culture, though, and I appreciate your prayers.

May God's peace and joy be with you. For the glory of God in East Africa,

Dear Loved Ones in the Lord:
September 12, 2009

Once again we greet you from the land of Eternal Summer where it has been very hot and dry. The headlines yesterday in "A Critica" newspaper stated: "Drought, 29 days without rain. Manaus Punished!" It also states that it may not rain until the middle of October. We need and are praying for "showers of blessings" both physical and spiritual. This Mission Sheets month began August 11th. During this period, I preached five sermons and heard seven sermons preached by five different Baptist pastors. The five sermons I preached and Marie heard were at the 24th of March Baptist Church. One of the sermons we heard was at the Moria Baptist Church preached by Dr. Asa Mark Bratcher. The church was celebrating its 45th anniversary. Another sermon we heard

was at the 24th of March Baptist Church by a dear friend of ours of many years, Elizario Candido da Silva, home missionary to the State of Tocantins. On September 6th we celebrated Independence Day at the church. On September 7th, 1822, Brazil gained her independence from Portugal. Pastor Admirson Santos preached a message showing us the necessity of Brazil's spiritual salvation.

On the 17th of August 1971, our son Joel Harold Bratcher, six years old, accidentally drowned in the Amazon River. "Gone but not forgotten." This year I visited Salomao Moreira Nunes, our son Stephen's father-in-law in the hospital. He is now at home. Pray for him. On the 21st of August, after making a visit with Raimundo Braz, we got trapped in a traffic jam for almost two hours! Pray for Manaus, punished with extreme hot weather, chaotic traffic and even worse politicians! We (Marie and I, Asa Mark and Lucianilda), were blessed by a visit from Sister Ann Burris of Lexington, Kentucky, from August 30th to September 5th. She was a blessing to us and we hope we were a blessing to her. The Bratchers in Manaus always enjoy visitors from the States.

May the Lord bless all of you churches, pastors and contributors to Baptist Faith Missions. "God be with you, till we meet again."

Yours in the Service of the Savior,
Harold and Marie Bratcher

DON'T FORGET THE WORKHORSE FUND

This is the General Fund. Out of it comes the missionaries' salaries, expenses, travel, medical, cars, etc. It has not kept pace with rising costs.

Please Consider Increasing Your Offerings

PERSONAL NOTE OF APPEAL

From Giving Friends Who Wish To Remain Anonymous

To All Churches and BFM Contributors:

The Lord has laid this burden on our heart. We appreciate all the support the churches and individuals do for the missions. But we are asking each church and individual to go \$1.00 farther—that is—on a weekly basis add this \$1.00 more to your mission contribution. If a church with fifty members would do this, it would mean \$200.00 more per month and \$2,400.00 more per year.

Imagine what this would mean to the General Fund if sixty, seventy, eighty or one hundred members added the extra \$1.00 each week: **OUR GENERAL FUND COULD GROW BY \$120,000!**

Please pray and try to meet this goal over what you now contribute. If we each sacrifice something small, then God can do something mighty.

AVOID CAPITAL GAINS TAXES

If you would like to help BFM through donations of appreciated real estate, stocks, bonds, mutual funds and avoid capital gains taxes, please call BFM for detailed information.

Many First Time Visitors In Church ... Couple Gives Us A Home ...

Dear Bro. and Sis., September 2, 2009

We hope that all is well with each of you and that you are enjoying the blessings from our Lord and Savior. We are doing great! God has been so good to us and just shown His love and mercy each day.

The church is doing great. We have had many first time visitors morning and night. The month of August we had forty-nine first time visitors. What is interesting is that we have not even done any special visits and promotions.

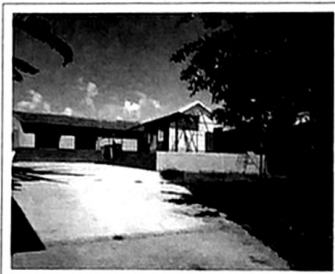

The church purchased a bus this last week. We are now running two buses on Sunday morning. Many of the ones coming are bringing others. That is what it is all about. One thing that we are doing is spending more time together. So about once a month we have lunch together. Next Sunday we are going to have home grown chicken stew and cooked corn bread (mush) with fresh lettuce salad grown here also. Sounds good!!!! It is good!!!! Better than the food is the fellowship that we have together. The church bus driver mentioned the other day that when the kids started coming that they screamed and cursed, but now they come singing the songs that they are learning in Sunday School. That was a big encouragement for the bus driver. Please continue to pray for the church that many will come and hear and be saved.

New rooms that can be used as bedrooms or classrooms.

Here at the home we are doing well also. We have two new teens. One is Odali's nephew from the city where Mike Creiglow lives. Pray that if he is not saved that he will come to know the Lord and Savior and grow each day. Also we have Gislaïne back with us. I will be requesting her guardianship this week. She is from Marilia. We talked to the prosecutor of that city about some kids that used to be here and how we could help them. He told us that he would give any guardianship that we wanted. All we had to do is ask our lawyer to request them. Pray about this with us. There are several kids that have contacted us that are asking for help.

We had a fantastic blessing that happened last month. We had a home given to us. There is a children's home in Marilia that was closed. The couple that owned the

Area with kitchen, dining room and bedrooms.

home contacted us to see if we would be interested in having the place. We had several kids that came to live with us that had stayed at their home. We have not fully decided what kind of work we will be doing there. One thing we do know is that we are going to start having services there on the weekends. We drove around the neighborhood and found no Christian churches. One of the projects that we have been studying about is working with retired folks that need a place to stay during the day. For those that still have good health and need to keep their minds and bodies moving. This is also a great opportunity for evangelism. Please pray for this new project that God will lead us each step of the way.

We want to thank all of you that pray for us faithfully and support the ministry. You are important to us. May God richly bless you and your families and churches!

Love in Christ,

Odali and Kathy Barros

Dear Friends, September 10, 2009

It is such a joy to write our monthly letters to you. I think the main reason is that it causes us to reflect on all that God has done in us, for us, and through us during the last month. We never cease to be amazed at how great and loving He is.

In early August our couples ministry team held a marriage seminar and we had the privilege of sharing the Word of God with Charlene's dentist, among others who were in attendance. Edinei and Debora are the couple who head up this ministry and they do a very good job. It is an encouragement to us to see them faithfully involved in this ministry since they both were unsaved children from non-Christian families when we first began to reach out to them many years ago.

Our frontline evangelistic ministry, Project Life, was very busy during the last

two months in public parks and schools. They had the tremendous opportunity to share the gospel with over 8,000 people in four different states of Brazil. The unique nature of this ministry has opened doors for us into public schools and even major factories. We were recently invited to return to the local Volkswagen/Audi plant to work among the more than 3,000 employees. We were very warmly received and many employees surrendered their lives to Christ.

When I share blessings like the above with you, it makes me reflect on what marvelous liberty we have and of our need to take advantage of this privilege while it's there.

In early October, I will be meeting with some wonderful men of God to further develop a strategy of planting new churches through the outreach results of Project Life in cities where there are no churches. We have begun several new works already through these means, but we want to hammer out a plan that is as efficient and as effective as we possibly can. In coming months I will share with you both the details of the plan and the results of its implementation.

Thank you for your faithful prayers and support.

In Christ's love,

Bobby, Charlene and Brennen Wacaser

Dear Brothers and Sisters in Christ,
September 6, 2009

It hardly seems possible that a month has passed since I last wrote you. School here is back in session. This means that we move into our normal school year schedule. "Normal" may be a misnomer, as we make changes each year to try to reach more people and more effectively disciple those who have been saved.

We have tentative plans to start a new Bible study in an area of western Toulouse where Jean-Francois now lives. He was saved a few years ago and has participated in the Bible study in Mazere for several years. We will be helping him start a Bible study in his home now. It is encouraging to see how he has grown over the past few years. As he regularly rode with us to the Bible study in Mazere, I have had a lot of time to disciple him; an hour each way every week.

Next week we will be having Sunday services in the home of Amelia who lives in Leguevin, a town northwest of here. Moving our services to another location is important for several reasons. First of all, it allows us to be a witness to others who need Christ. The unbelievers in the guest home get to hear the gospel and see the interaction between the believers. It also gives the host or hostess an opportunity to invite folks to their home for the special meeting who would not normally come to regular services. We always have a meal together after these services and it is a natural setting to share the gospel. It also gets believers used to the idea of using

their home as a location for meetings. Our goal is to see churches started in homes all over France (and anywhere else that God opens doors). This was primarily the means used in New Testament times.

We have had several interesting opportunities to share the gospel during the past month. I will mention a couple. One of our neighbors invited us to come to their house a couple of weeks ago for desert after Sunday dinner so that we could meet his wife's parents. We ended up being at their home for about five hours and had an excellent opportunity to share the Good News with all who were at the table.

Another opportunity was a wedding. Hear in France we do not officially marry people. This can only be done by the mayor of the town. But, people often have religious ceremonies in the Cathedrals after the civil ceremony. Since we do not have a church building, we use some alternate location. The ceremony that we did about ten days ago was done in a chateau built about 1150 AD. That's right. The house was nearly nine hundred years old! It was partially destroyed about one hundred years after it was built because it was owned by Cathars who at the time were being persecuted by the King of France. It was rebuilt and enlarged and then several hundred years later damaged during the French Revolution (1789), because it was the Castle of the Lord of the area.

This chateau is now owned by a friend of a family in our congregation. He and his family live in it and are restoring it. The ceremony gave us the opportunity to present the gospel to those present for the wedding and to discuss the truth of God's Word in detail with the family who owns the Chateau. Aymon, the owner of the place, told me that he wants to get together with us to discuss further about spiritual matters. So, there are a few tidbits of what God has been doing around us during the past month. We pray that you will use every opportunity God gives you.

Serving with you in Christ, John and Judy
