Dear Co-laborers, November 28, 2009

We hope this finds you enjoying the Lord's blessings. The Lord continues to bless the work here. This past weekend we had as guests in our home some friends from the middle of France, Jacques and Anne-Marie de la Salle. They are not believers, but we have had the opportunity to witness to them. We met them through their daughter, who trusted Christ while studying in the States. We have been in their home several times, but this is the first time they have come to visit us. It was also the first time they have ever been in a church service besides the Catholic church.

I forgot to mention in last month's letter that we had a good Vacation Bible School. On the closing day the children put on a program. As usual, we had parents for the closing program that do not attend services or Bible studies. It is another way to proclaim the gospel.

The new Bible Club in the city of L'Union is going well. It has also been a good opportunity to get to know the parents. The lady who hosts the club in her home always provides a snack for the children before the club starts. Judy and Wendy visit with mothers during this time. We hope that this will open their hearts to the gospel. The children have shown a genuine interest in the Bible teaching they are receiving.

A couple of weeks ago, Amelia, the first person to trust the Lord here, announced that she and her husband were going to be moving to Barcelona, Spain, in the months to come. She suggested the

possibility of starting a church there. Only the Lord knows the plans He has for us!

Another blessing this month is that Paulette, one of the saved ladies who has been very faithful, began helping in one of the Sunday School classes. She loves children and they love her, so, Wendy asked her if she would be interested in helping with her class. She quickly responded that she was interested but that she had never worked with kids and had no idea how to teach them. Sunday marked the third week that Paulette has assisted Wendy in teaching the four to six year old children. We are not here just to lead people to Christ, but to lead them in following Christ in service.

This week was Thanksgiving and we thought about and prayed for the Thanksgiving Conference hosted by New Hope Baptist Church. We, however, had Thanksgiving dinner three times! Thanksgiving intrigues French people. There is nothing similar to it in France. We have found that it is a great opportunity for sharing the gospel. The first Thanksgiving dinner we had was at Wendy's house. Wendy hosts a bi-monthly "English Night" for people who are interested in practicing English. The purpose is to share the gospel. There were eleven guests and Wendy asked me to share the story behind Thanksgiving. Where there is no faith, there is not much Thanksgiving. What a privilege to share our faith and them have a public prayer of Thanksgiving. The second Thanksgiving dinner was with the La Salle family that I mentioned in the opening of this letter; another time to tell the story. The third dinner was on Thanksgiving Day with Philip's family and Wendy. We are unable to properly express our gratitude to God for enabling us to be here to work together as a team in the service of the Lord.

We are very thankful that you also are a part of the team God has put together. Keep up the good work!

In France for Christ with thanksgiving,
John and Judy Hatcher

CONCERNING MISSIONARY MIKE ANDERSON . . .

With much regret and pain of heart, we have moved to withdraw and discontinue our administration of financial missionary support for Mike and Pam Anderson, missionaries to Kitale, Kenya.

We took this action because of practices which have been implemented in the churches in Kitale under Mike's missionary leadership which are contrary to and incompatible with the Doctrinal Statement of Beliefs and Practices to which all of us in our Baptist Faith Missions fellowship have committed our mutual agreement. These doctrinal distinctives are the core of our missionary principles, policies, and practices.

We also want to emphasize that these doctrinal differences do not pertain to any teachings of our essential evangelical faith, such as the virgin birth of Christ, His Deity, the substitutionary redemption of His death, or the inerrancy of the Scriptures. Rather, they related to the constitution and character of the churches, their organization and membership, and the administration of the churches' Gospel ordinances.

We wish to affirm our Christian love for Mike and Pam, and we commend them

for their whole-hearted service to Jesus Christ and the people of Kenya. We believe that all these transactions have been conducted in Christian love and with the Spirit of Christ. All our mutual relationships remain amicable.

We hope and pray that God will give them direction and provision as they continue to pursue God's will for their lives and their service to Him.

We will continue disbursing to them their monthly salary and pay their hospitalization premium for the next six months [December 2009 - May 2010] to assist them during this time of transition. We will also continue to forward to them any offerings designated to them through BFM for the same six-month period. Contributors who wish to continue supporting them with your offerings are encouraged to contact them concerning how they wish to receive them.

You will find their personal correspondence also printed in this issue of the Mission Sheets. You may correspond with them personally via the contact information they include in their letter.

Dear Friends, December 7, 2009

Merry Christmas and Happy New Year to all of you! Anita and I wish you a blessed, joyous and peaceful Holiday Season. We pray that the Lord will bless all of you and your ministries as you remain faithful to our Heavenly Father, the almighty sovereign Creator and King of the Universe. HE has been so good to Anita and me during this past year.

However, as another year is almost behind us, I have to admit that I am starting to "feel" the years; I must be getting old! My son, Joshua, turned thirty-one today! Happy birthday, Josh! HE serves our country as a pilot in the U.S. Air Force, holding the rank of Captain. He is married to a wonderful young woman and they have two precious little girls. Our daughter Leah turned thirty-two in August and she is married to a fine young man and they have one amazing little boy. I have discovered though, that being a "Papaw" seems to help me feel younger. Praise the Lord for grandkids! We miss being able to see them, but we are very thankful for the ability to web-cam from time to time.

Anita and I feel our calling to Peru as missionaries just as strong today as we did when we first surrendered to come and serve here. November was another busy month in the ministry here in this beautiful country. The middle of the month we traveled to the Capital City of Lima where we helped the Iglesia Bautista Jordan (Jordan Baptist Church) celebrate its nineteenth anniversary. We helped this church and worked with it for six years up to its organization. My good friend, Pastor Jorge Dianderas, asked me to bring a series of messages on Christian Stewardship. We had a wonderful time with them. The photos show Pastor Jorge and his wife, Elvira; the congregation; and two of the charter

members that were present with us at the very first church service we had at the beginning. It is always a blessed time when

Money Taken From Our Compound... Ministry In Rafiki Going Well...

Nathan and Carrie Radford
P. O. Box 4150
Kitale, Kenya, East Africa 30200
email: naterad@yahoo.com

Dear praying friends, December 8, 2009

We hope this update finds each of you doing well. It is hard to believe that we are at the end of the year 2009 and getting ready for another year ahead. Time goes so quickly and may we ever be mindful of using our time wisely in service for the Lord. We hope each of you had a great Thanksgiving holiday with your families and we wish each of you a great Christmas time with friends and family. This update will share current ministry progress as well as prayer requests.

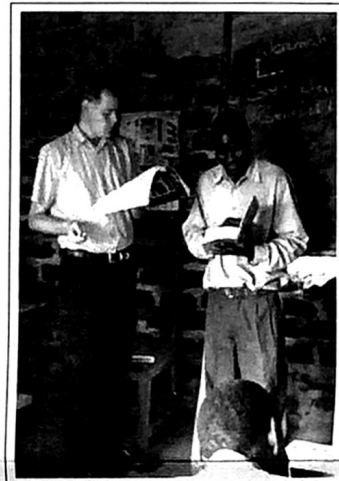

Before giving a ministry report, we wish to update you of a situation that happened at our home in Kitale recently. Unfortunately this past month, a significant amount of money was taken from our compound. The money was locked up securely in a small room. When I went to do a count of the money recently, I was surprised to discover a major discrepancy in the amount that I had left previously. This disturbed both my wife and I and we called all who we thought were involved into a meeting to discuss the incident. Unfortunately, all who we thought were involved denied any involvement. We filed a report at the police station, but this is as far as it went. It is very hard to get to the truth here, so please pray that those who are responsible for this would come forward, confess, repent, and seek reconciliation. Please pray for us, that the truth would come out, as it is a very difficult situation for us at this time.

In ministry news, we thank the Lord for the ministry in Rafiki. I am continuing in a short discipleship course which covers many of the fundamentals of the faith. I feel that this is very needed here and is still a major part of the foundational teaching for this ministry. In the near future I plan to teach the

people on the church and cover the major aspects of church ministry. Lord willing, a preaching point will be established. Please pray for the people who attend, for every step in this ministry, and for me, as I teach and preach to the people. I have attached a recent photo of this ministry to this update.

The annex prison is continuing well, for which I thank the Lord. We are continuing well in the course, "Firm Foundations - from Creation to Christ." The men seem to be getting much from the teaching and growing spiritually. Please pray for each of these men, especially this time of year when it is very difficult to be separated from friends and family.

The family is also doing well. McKenna continues to grow and develop quickly. She is now beginning to talk and express herself and become very interactive. These years are the formative years of her childhood and very important for her development. I thank the Lord for my wife and her love and care as a mother. Please pray for us both, that we would continue to mold and shape our daughter's life to truly follow the Lord.

We hope each of you have a great Christmas and a Happy New Year. Lord willing, at our next update, it will be 2010. May we dedicate this year to service to our Lord. God bless you all and we will keep you updated.
In Kenya, Nathan and Carrie Radford

we have the opportunity to visit and minister to the several churches that the Lord has used to start in years past.

The day after Thanksgiving, I traveled to the jungle village of Huayna Capac, a little place about four hours from Huanuco and one hour deeper into the jungle from Tingo Maria. It has been raining for weeks in the jungle and the small path to get to the village was just about washed out. It is only wide enough for one vehicle. I rejoiced again for having been blessed with the new 4x4

pick-up truck I received in June; it handled the road very well. There is no electricity in Huayna Capac so we used battery powered lights for the services. When you light up a church building in a village where there is no light, everyone attends! We had a great time with this small congregation and many decisions were made for the Lord.

Please remember Pastor Miguel Gargate and his family as they faithfully work in this village as well as two other mission works he has started even deeper into the jungle.

Most of the other national missionaries have reported good attendance for the month of November and the ones I have heard from reported souls saved and baptisms during the month. I was hoping to be able to launch our Bible Institute classes online this year but it looks like that will not be a reality until March. Please remember to pray for us about this. Having the classes online will allow us to reach out and help and train so many more of God's servants here in Peru. Happy Holidays! Until next year!

In HIM by HIS grace,
Sheridan and Anita Stanton

"I AM RESOLVED..."

There's nothing hokey or corny about making **RESOLUTIONS**. The only problems we have with resolutions is that: [1] We think about **RESOLUTIONS** only around New Year's time - it is not a lifestyle conduct; [2] We make **RESOLUTIONS** impulsively and whimsically - without any real commitment to keep them; [3] We don't make **RESOLUTIONS** out of spiritual conviction, and therefore we rely upon the energy and power of our flesh to keep them...and therefore, we don't; [4] We make our **RESOLUTIONS** about fleshly and material interests - and don't have any heart, interest, or passion for the Kingdom of God; [5] We ignore God and don't consult Him about our **RESOLUTIONS** - and therefore, when we don't ask Him, we don't receive from Him.

But, we can't follow Jesus Christ, and we can't grow in grace, and we can't make progress toward maturity in Christ without resolution. SO, WILL WE RESOLVE TO SEEK GOD'S KINGDOM IN 2010 BY GIVING MORE GENEROUSLY AND GRACIOUSLY TO THE MONTHLY GENERAL FUND?

I am going to include again this month a small suggestion I included in last month's update. I hope you will read it and act on it!

HERE'S WHAT EACH ONE OF US CAN DO! I DON'T KNOW HOW MANY OF US THERE ARE OUT THERE - I'm talking about all of us **GIVING FRIENDS** in our Baptist Faith Missions fellowship. Let's just play with some numbers. Let's say there are one hundred of us churches who are committed to helping our missionaries. Let's say that in each of these one hundred churches there are thirty **GIVING FRIENDS**. [In some churches, there will be more...in others, fewer- but, let's begin here.] That would be 3,000 **GIVING FRIENDS**.

Let's say each of us 3,000 **GIVING FRIENDS** gave an extra \$5.00 per month during 2010 toward the General Fund offering - THAT ADDITIONAL \$15,000 PER MONTH WOULD GO A LONG WAY TOWARD ASSURING THAT OUR MISSIONARIES' NEEDS WOULD BE MET! **Some of us can give more. Our missionaries need all the help we can give them.**

This is only one small, simple, do-able plan that every one of us can resolve to do! **IF YOU ARE MAKING THIS RESOLUTION - OR HAVE A SIMILAR OR BETTER SUGGESTION - LET US KNOW HOW WE ALL CAN MUTUALLY PROVOKE AND ENCOURAGE ONE ANOTHER TO GOOD WORKS!**

Dear Brothers and Sisters in Christ,
December 8, 2009

This letter is really a continuation of last month's report that became too long. It was like a sermon that I preached at New Life Baptist Church while home. I preached for one hour and ten minutes and only finished the introduction. I stopped. Brother Wainright later invited me to preach again so I could finish the message. Well, here goes.

On our return home we spent two weeks with Paul and Wanda and David and Pennie and their families in Manaus. We thank God and praise Him for how He has used our sons

anniversary. This service was in their new building. There were 2,500 present. What a difference from the time of the wood slab buildings and twenty-four members. The Gospel has a great influence on this tropical city and State.

RETURN HOME AND WORK IN ASSAI: Everything was in great shape when we arrived home. The mother and daughters who take care of our house had done a great job as always. During the first days home friends called and advised us of the death of the old Japanese man who attended our services in Assai. He was a retired pharmacist and evangelical preacher. We miss him.

The family of five that was baptized the Sunday before our trip has moved about one hundred-fifty miles west. We have seen them once and they have found a Baptist church and are faithful there.

TWO OLD MISSIONARIES NEED YOUR HELP: No, it is not help for us personally. We have rented a building in Assai for three years. By all human standards the work has been a failure. But,

Held Training Meeting At Assis... Weathering Economic Crisis...

Michael and Beverly Creiglow

e-mail: mdcreig@hotmail.com

Dear Brethren,
December 6, 2009
Greetings from fair and pleasant Cruzeiro do Sul. I'm afraid that this month's report is going to be a bit boring to you. Things are progressing though. I have been out and around so much this year that it was time to settle down, spend some more time close to home and get caught up. Thanks for your patience with me.

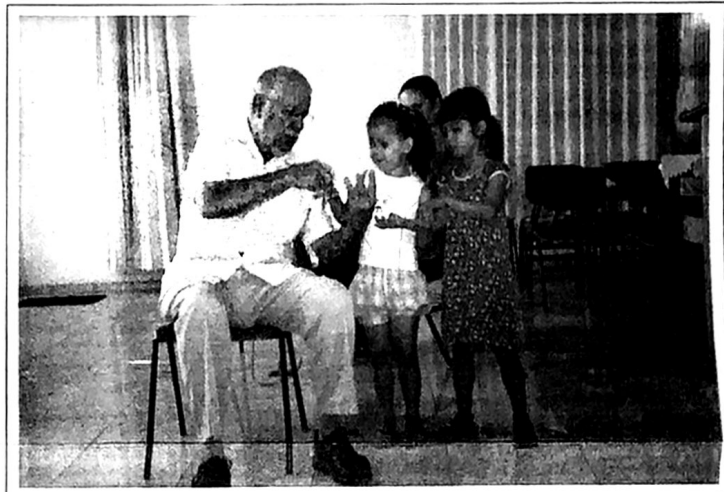

I have met with six of our missionaries over the past three weeks to hear their reports and also their needs. We have construction projects going on in three villages. These are moving along at a fair pace. One of these works is the village of Triunfo. One of Emerson Moreno's men started and takes care of the congregation there. They have over fifty in all services and have just about finished their building. The village is about thirty miles downriver from Thaumaturgo. Fredson bought one of

full for every class. On Sunday night there was a standing room crowd. There were over five hundred present.

We have had training retreats and ministry meetings all month. All services have been well attended, but not really huge crowds. Nevertheless, we have had some more folks saved and I baptized twenty-six in November.

Our afternoon and night services on Sunday are used to preach the gospel even when I teach on some specific subject or doctrine. After forty-three years in the ministry I did something that I had never done or even considered doing. Before you get all worked up and worried that I am going off the deep end, hear me out. I taught **TITHING** on Sunday night! For a long time I had been noticing that the per capita giving on Sunday night is lower than any of our other services. So after a lot of prayer I decided to teach on tithing and tie that into the Gospel; how Christ gave His all even though He only asks us for ten percent of the things that He gives us. Imagine my joy when at the close of the service five people made professions of faith. Four of these are adults. One of them an older man, about my age. That is very unusual.

Here is another strange twist. Brazil has weathered the international economic crisis better than most. Inflation has still been high for us here in Cruzeiro do Sul and the dollar is extremely weak, but we are glad

Brother Hatcher singing a song with three children in Assai.

and families for His honor in this giant city, Manaus. The city had about 60,000 population when we lived there from 1955-1975. Today, it has about two million and is one of the most modern cities in Brazil. Needless to say, every moment with them was a joy and blessing. I preached at the two evening services at the Tabernacle Baptist Church where Paul is pastor. It was also a joy to speak to the group of young preachers, at this church, who Judson, our grandson, teaches and helps.

I brought one of the messages at the Chapada Baptist Church on their 49th

the birth of an Isaac is not judged by human standards. We are buying a lot in Assai at the cost of eleven thousand dollars. We have the amount needed for this. Our plan is to give up the large rented building at the end of December, meet in the home of one of the members, and build a small building as soon as possible. It will probably be our last endeavor of this nature. We hope to build a building that will seat 150-200 persons. If the Lord leads you to do so, we ask your help. Assai has a population of twenty thousand.

Sincerely and gratefully,
John and Alta Hatcher

Dear Fellowsaints, December 7, 2009

We are being blessed in so many ways. I'm sure all of you can say the same if you are saved and on your way to glory. In the month of November we preached in ten churches in four states. What a blessing it is to be able to visit the Lord's churches and His people. I am encouraged to see how many churches and pastors are reaching out in their church fields with the gospel. We must sow the good seed if we expect to reap a harvest.

As you saw in last month's Mission Sheets we have made the decision to end

our aluminum boats for his trips. The church there helped him. The villagers bought and built their own building. The church building follows a basic plan and style that we use throughout the region. This gives you an idea on how we work.

The middle of this month I held a training meeting for the church at Assis Brasil. They asked me to teach about church and personal finances. The building was

that our country is doing so well. We hear how bad things are in the States and we are praying that things will turn around for you guys. It is just very strange to see Brazil doing better than the U.S. I'm sure that this is the first time in history.

Thanks for all of your prayers and support. God bless you as much as He has us.

our ministry in Brazil after thirty-two and a half years. We are so thankful the Lord has given us the opportunity to serve him in that great country. We are planning to go back there for two or three weeks in August to see the works and visit the precious saints there. For the next eight months we plan to visit churches and preach revivals in what we call our "transitional period." Then if the Lord so leads we will maybe settle into a church to pastor. There is a good church in Indiana right now who has contacted us about this and we are praying about being a help to them to find a good pastor, or if the Lord were to lead, maybe consider being their pastor later on. We really have no definite feelings about this. We plan to attend the winter conference in Florida in January.

Pray for Ursula as she prepares for a knee surgery the end of January. She is in a lot of pain. Pray for us. We are entering into a new phase of our ministry. We want to be used of the Lord to be a blessing to the Lord and to others.

Brother Creiglow's Report...

Dear Brethren, December 3, 2009

After spending two months in Brazil, I returned home on November 13, 2009. One purpose for my going to Brazil was to find out just what the Lord wanted me to do after the loss of my wife, Betty. Many of the brethren in Manaus, in Cruzeiro do Sul, and my family there wanted me to stay in Brazil, but after taking every thing into consideration, I came to the conclusion that this is not the will of the Lord for me, at least not at this time. If the Lord changes my mind, and desire, I will obey Him to go wherever He wants me to go.

After talking to Brother David Parks, and relating to him what I had decided, he ask me to be his helper, to take part of the load of caring for the operation of Baptist Faith Missions off of his shoulders and I have agreed to do whatever he asks me to do, within my abilities to do. At the present, I will continue to serve as associate pastor of First Baptist here in Science Hill, Kentucky, while at the same time, working with David in Lexington when needed.

For the first time in several years I was able to attend the Thanksgiving Conference, and what a joy it was for me to be able to fellowship with the brethren and to hear all of the great messages that were preached. As always after the conference I visited family for several days in Central Ohio. While in Ohio, I had the privilege of attending Gethsemane Baptist Church in Morengo, Ohio. Brother Anderson is their pastor.

If any pastor or church is interested in my services, I am also available for the promotion of Baptist Faith Missions, or speaking engagements.

In His Name, Bobby D. Creiglow

Dear Friends, December 10, 2009

Barbara and I would like to take this opportunity to wish you and yours a blessed Holiday as we look at the reason for the season, our Lord and Savior Jesus Christ. Here in Brazil this holiday is not as big as it is there in the States as the people here do not have the resources that we have there in the States. Their celebration is to have a big meal on the passing of the 24th to the 25th. To have their family together is the biggest pleasure. Rarely are there presents exchanged just love and togetherness. We will be having a service in the church commemorating the birth of our Lord and Savior on the night of the 25th with many activities and much singing and preaching.

I remember telling you about rain last month, and this month we are having a bit more of the same. And because of this rain we are discovering several leaks in the roof of our house. Here it is a little different and possibly a little more difficult as the roofs are made of tile and this makes it more difficult to fix. Due to this rain many areas are flooding and this brings big problems. One of the areas that is having this problem is at the home of a ninety-two year old widow in our church. Her little house has been built early on in the neighborhood and when the other homes were built they built them higher than hers. So now when it rains her house fills with water and there is no drain system because of the depth of the house. So this ninety-two year old grandmother and the fourteen year old young man that she is raising, have to bail

out all the water and sometimes they cannot keep up with the flow. So we are thinking of raising the floor of her house and then we will have to raise the roof also. This will cost about \$2,700.00. So when we have the money we can begin the work. Pray for the project and if God lays on your heart you can contribute in the name of the widow.

We continue to remodel and build here in the church and the different Mission points. In the church, thanks to several churches there in the States, we have done a major renovation in the kitchen and the nursery and the stairwell. In the kitchen we opened a wall and made a pantry that was much needed and will be a blessing for the women of the church when there are things going on in the church.

The carpentry shop, which is part of our vocational school, has been a blessing this month as we have been able to help several members of our church with wood projects needed in their homes.

Our newest Bible School in Morro do Algodao is progressing. One week we will have seven, the next week fifteen. There is no way to predict how many will show up. This is an area where we need to concentrate more because our bus route passes through this area. We are planning to do some extensive visiting here after the holidays. This will help our bus ministry in this area.

This has been a bad month for our truck. I have had to replace the whole front-end suspension and on top of that the fuel tank had to be removed and cleaned. This is due to unclean fuel and rust problems. As you know our roads are giving us a major challenge. And they are not the best friends to our vehicles.

Our church was in a pastoral search but our pastor decided to remain. We as a church were praying for the Lord's will, so we are now praying for the Lord's leadership and direction for His church and His work.

Again Barbara and I wish you all a Merry Christmas and a Happy New Year. And as we pray for all there, remember us here and pray for us. How AWESOME it is to serve here in Brazil. Come and see.

In His service, A. J. and Barbara Hensley

Dear Friends, December 5, 2009

I haven't meant to keep you in the dark so long on purpose. The past three months have been about as fruitful as any period in our twenty-four years in Brazil. One of the neatest things about this is how widely varied the types of blessings have been. I'll start on the more personal level and then share the ministerial blessings as well.

You may recall that we took our daughter, Jessie, earlier in the year to the U.S. She was starting life out on her own (well, living with my brother and sister-in-law, Gary and Helen). The purpose was for her to get into college and prepare herself for greater service to the Lord. She did and she is now working and studying fulltime. The blessing Charlene and I received is how many compliments we hear about her character and behavior. Nothing could cheer the heart of parents more than that. We thank God for her.

The Brown Spiders got crushed this year. That fact is a blessing, not referring to the death of dangerous arachnids, but because the local football team by the same name got beat as a result of being overly confident. They were the better team, but they were so sure of victory that they slacked off in the playoffs and were beaten by an inferior team. The good that comes from this is that we are now prepared to bring in some Christian coaches and players to use their humbled state of mind to be receptive to, not only tips on how to be winners in football, but to know and accept Jesus Christ so that they might be winners in true life. Ryan Nece, a Super Bowl champion in 2003, is a dedicated servant of the Lord and wants to use his sports influence for kingdom outreach. Pray for him and for us as we put together a "football workshop" as a means to gain a hearing among a group of men who would otherwise not be open to the gospel.

Edinei is thirty years old. I can hardly believe that my first contact with him was when

he was only eight. When he started attending our little Bible club in the carport behind our house, his family made life very hard for him. They would tell him that all kinds of bad things would happen to him if he got involved with our "cult." Since Edinei's early conversion he has sought to win his family to Christ. Last month he had the joy of seeing his sister and his brother-in-law make public professions of faith in Jesus as Lord of their lives. He has been instrumental in bringing several others of his family to Christ including his uncle, his youngest sister and his mother. He and his wife, Debora, have also brought several families to our church services and couples meetings. Edinei still struggles in his battle with melanoma cancer and I plead with you to pray for his healing. He is also the father of a beautiful three year old daughter, Melissa.

A couple of months ago I mentioned that I would be meeting with some other missionary brothers to pray and discuss church-planting strategy. We did meet and we believe the Lord gave us some effective plans. My brothers were already very fruitful in their implementation of much of this strategy, but through our meeting, the Lord added another piece to the plan that should make each one's efforts exponentially more fruitful. Each of the local churches will continue to train leaders that rise up from among their membership. These trained leaders will follow in the tracks of our frontline evangelistic ministry, Project Life, as they go into cities where there is no evangelical witness or church. Project Life has been blessed of the Lord to reach tens of thousands of hearers this year alone and many of them have surrendered their lives to Christ. The trained leaders will begin to assemble these new converts shortly after the evangelistic services and set up Bible study meetings and worship services. In many cities this will mean that as many as 200-300 new Christians will be in their first Biblical worship service ever. They will be "baptized and taught to observe" all that the Scriptures teach and be formed into new churches as the Lord gives the increase. It is tremendously exciting to be a part of what God is doing in His vineyard. We trust that He will honor His name and give us fruit for our labors.

We thank you so much for your prayers and support throughout this year of 2009. May the Lord continue to richly bless you.

In Christ's love,

Bobby, Charlene and Brennen Wacaser

Dear Friends, December 4, 2009

We hope that each one of you will have a wonderful Christmas season as we remember our Savior's birth. He truly is the "reason for the season." God gave us His best when He gave us His Son. (II Corinthians 9:15).

This is the hardest letter we have ever had to write. God has closed the door in Kenya for us and are grieving this tremendous loss. We made many mistakes while we were in Kenya and failed to apply the distinctives of BFM as related to church organization and practices of a New Testament Baptist Church. We have seen the errors of our ways and are truly sorry. God has used us to establish foundations for three churches, and Roger Tate is doing a wonderful job of establishing the Baptist distinctives in these churches. Even though we failed in some areas, God has used us to

start a work there, and we thank Him, as well as BFM and her directors for their love, encouragement and prayers for the twelve years that we were in Kenya. Our heartfelt thanks go to the directors of BFM for their patience with us, their kindness and encouragement, and their prayers. God has used them in a mighty way in our lives.

Lord willing, we are leaving on December 10th to return to Kenya to pack up our things and to attend the graduation services of the men graduating from our Bible Institute that I started a few years ago. We want to spend some time with them closing out on our lives there. We are also looking forward to spending the Christmas holidays with our children. Graig and Sara Austin are in Nairobi, and have just completed the adoption process for our newest granddaughter who is Kenyan. We are so excited about seeing Nathan, Carrie, and McKenna in Kitale, too. It will be great to visit with Roger and Julie Tate and their family as well.

Our plans are to return to West Virginia and to worship in our home church, Calvary Baptist of Hurricane. BFM has agreed to pay our salary through the end of May, as well as our hospitalization. We are so thankful for their generosity. Our hearts are heavy, as the people and ministries of Kenya will remain with us forever, but God has closed this door and we must move on.

\$50,000.00 MONTHLY GENERAL FUND GOAL

Please continue to concentrate your giving to the General Fund which supplies the monthly commitments we have made to our missionaries. Without sufficient General Fund offerings, the base support for our missionaries' essential needs is deficient.
