MONTHLY GENERAL FUND SOLVENCY

THANK YOU! THANK YOU, GIVING
FRIENDS! Our January offerings to the
Monthly General Fund totaled \$40,343.05
[see the Offerings Report printed in this
issue]. So many of you have responded
graciously to our appeals to you to increase
your long-term commitments to give to the
Monthly General Fund. We all bless God
and thank you for your response.

Here is a sample of the kind of response
you have made. This note came to us from
one of our long-time faithful supporting
churches. "The Calvary Baptist Church
of Uniontown, Kentucky, has voted to
increase its 'gifts' to BFM from 7% to 10%.
The Calvary Baptist Church is not a large
church; nor are we rich. Actually, we are
just able to stay above water ourselves.
Many are unemployed. However, due to
BFM's need and our blessings, we are
increasing our missions giving. Perhaps
others will do likewise. Grace and Peace,
Harold Greenfield, Pastor."

I think you will find a Scriptural
precedent for this exhortation in 2
Corinthians 8:1-5. I hope you will accept their
encouragement and respond with them.

"Now, therefore, KNOW and
CONSIDER WHAT YOU WILL DO."

WE ENCOURAGE EACH CHURCH TO OFFER TO PAY AT LEAST YOUR
PASTOR'S TRAVEL AND ACCOMMODATION EXPENSES TO OUR
CONFERENCES. He, and your church, will not only be better informed about the
function and ministries of our missionaries, but your church will also benefit from
the revival of missions enthusiasm he will bring back to your church.

MOTEL ACCOMMODATIONS:

You may choose to use your own travel / accommodations program or discounts...or do
your own research to find a better deal. We are still recommending the Quality Inn Northwest/
750 NEWTOWN COURT / LEXINGTON KY 40511 / 859.233.0561. ONE QUEEN BEDROOM
is \$49.95. TWO DOUBLE BEDS BEDROOM is \$59.95. They also offer continental breakfast on
the premises, in-room coffeemaker, hairdryer, iron and ironing board, and high-speed internet
access. Ask the desk for "Thompson Road Baptist Church Event" rates. It would be best to
make your reservation by March 31st. If you choose to stay at Quality Inn, then follow the
second set of directions below and Quality Inn will be on your left behind the Shell station
just before you get to the New Circle Road interchange [1 mile from 64/75].

TRAVEL DIRECTIONS:

The physical address of the church site is: 320 Thompson Road, Lexington KY 40508 if you
need this information for your GPS. FROM SOUTH ON I-75: Get off at Exit 104 (Athens-
Boonesborough). Turn west toward town. You will be on Athens-Boonesborough Road
/ Richmond Road Extension. As you approach Lexington, the road will become Richmond
Road around Jacobson Park. Continue straight into Lexington. Richmond Road will
become Main Street. You will pass the Rupp Arena / Lexington Convention Center on
your left. Turn left at the next traffic light. This is Jefferson Street. Turn right in the
middle of the overpass bridge onto Manchester. About one mile down Manchester,
turn right on Thompson Road and come to the top of the hill.

FROM NORTH ON I-75 OR EAST / WEST ON I-64: I-75 and I-64 merge for a few miles on
the north/northeast side of Lexington. Come to Exit 115 on 64/75. This is Newtown Pike
(State Route 922). Turn south toward Lexington. Follow Newtown Pike until you come to
Main Street. Go straight across Main Street. This short street is Cox Street. Follow Cox Street
to the dead-end. Turn right on Manchester / Old Frankfort Pike. Follow Manchester about one
mile. Turn right on Thompson Road and come to the top of the hill.

For the lack of anything to report, I did
not write a letter last month, and am not
sure that there is much more this month.

I have had the opportunity to
preach several times since I last wrote
and I always appreciate those times.
Due to my emotional condition I had
stopped teaching the book of
Revelation some time before Betty died,
but will resume that teaching this next
coming Sunday night.

It had been three or four years since I
had attended the Winter Conference in
Florida at the Park Ridge Baptist Church, so

I went with Dave Parks this past month. We
flew down on Monday and came back on
Thursday. I and my family were used of the
Lord to organize that church over fifty years
ago. In fact the church celebrated their
anniversary last October while I was in Brazil.
It was a real joy for me to be with them during
the conference and to listen to some very
good preaching. Brother Ben Glover was
recently ordained by the church and is now
their new pastor, and my congratulations go
out to him and the members.

After returning from Brazil last
November, Brother Parks has asked me to
work with him, and I have agreed to do
that taking some of the work load off of
him. I will try to not get in his way.

In His Name, Bobby D. Creiglow

Friends, February 13, 2010

My! How time marches on. It seems as though there is more and more to do and less and less time to get the things done.

We have several widows in our church with housing needs. The most pressing need at this time is the widow we call "granny." There are structural problems with her house, there are cracks in her walls and they are leaning. Also when it rains her house floods. So it was decided that we would build another wall inside of the house to prevent the walls from falling in on her. This however did not help with the water problem as we had hoped it would. Her house was one of the first homes that was built in her neighborhood and after the road was built her house was lower than the road and all of the other homes. So naturally when it rains the run off from everyone goes to her house. Can you imagine an eighty-two year old woman and her grandson bailing out the house every time it rains? Well that is what was happening. So now we are moving Granny to our house with her grandson and we will be raising the floor level above the outside elevation. Simply put we will fill her house with dirt, pour a new cement floor, raise the doors and windows, remove the roof, raise the walls and replace the roof, tile the floor, clean up, put back the furniture that survived the flooding, buy new groceries and move her back in. The work and materials will take about \$3,000 and take about six weeks to get done. Thanks to several Americans we have the money to do the work, but if you would like to help replace the furniture that was ruined with all the water you can donate to the "Granny Fund."

The other widow that we are helping has six kids and was evicted from a home that she thought was hers, but when her

Children catching the bus for church services.

husband died she found out that it was not. So she has been working at building her and her children a home ever since. With

the help of the church here and several groups this year she is getting closer to finishing. Last week we put the roof on the house and this week she has an electrician putting in the electricity and a brick layer putting in the doors and windows. So she and the children are getting really excited about the prospect of being in their own home soon.

The work on both these projects are going surprisingly well. Pray for us as we endeavor to lend a helping hand to those in need. The Lord is just so AWESOME in supplying the help for these widows and their children. Pray with us that God will continue to supply these types of needs here in Brazil.

Things are changing here in the home church. We have decided to change one of the mission points to a full time mission work. It will have a full time pastor, full time services and full time. We will lose some of the members from the home church and about one-half of our Sunday School program as the children have been being bussed in on Sunday mornings and will now have a mission point in their neighborhood where they can have the same teaching and preaching. AWESOME! It's great when you can say losing is growing.

Pray for this full time work as they are building for the Kingdom. This work will be lead by our son-in-law, Walmir, and our daughter, Mary Katherine, and their daughter, Chelsea. Pray for them as they take on a new endeavor for the Lord.

Feed the Children Program at the main church.

So now we will have three full time missions with full time pastors. Olareia, Salesopolis and Natividade da Serrah along with our central church and three house churches. Pray for these works and us as we minister in these endeavors for the Kingdom.

And as always the invitation to come see what God is doing in Caraguatutuba is open. The dollars you send are helping in the work here and you really need to see how far a dollar can go in Brazil.

The lights are on on the porch and the bed is turned down so come on down.

Dear Brothers and Sisters,

We hope this finds you enjoying the blessings from the Lord. I realized last night that I had not written a letter to you for this month's Mission Sheets. The past few days have been very busy but enjoyable. Some things that have to be done are not things I enjoy doing. One of these is the annual process of renewing the documents that give us permission to stay in France. First of all, there is the gathering of the various documents, pictures and items that we think they will want. We then go to city hall, get the new forms, bring them home, carefully fill them out and then take them back with the attachments and submit them. We then wait for weeks or months for the first response from the regional prefecture (office of the national government). The folks at city hall have the responsibility of receiving our paper work and forwarding it to the central government, but nothing to do with the decisions. Then we get the letter from city hall telling us to come and get our *recepisse* (good for ninety days) and they tell us what else we need to submit. Then we wait. If we have not received the permit in ninety days, (the usual case), we take more pictures to get a new *recepisse* (good for another ninety days). Sometimes we receive the new permit, (*carte de sejour*), just about the time it expires. Yes, it expires at the same time each year regardless of how late we receive it. That is just one of the paperwork things we have to do. This is

the part of the work that I don't like so much. So, last Friday, when I was dreading going down to get another ninety day extension, Judy said, "But they have never really hurt you, have they?" God knows what we need. I repented of my whining and asked for God to use me. In the three logistical things I had to do last Friday everyone returned my smile. I came home feeling great!

Now some of the enjoyable (in themselves) things we have gotten to do. The Sunday meetings and the Bible studies (I just finished one and Judy was at another) bring great joy to my heart. Seeing believers grow in their walk with God and witnessing to others is very encouraging. Getting to share the Good News and seeing God touch people's hearts is a thrill you never get over. Saturday, I had just such an opportunity at the choir practice (not a church choir...see my former letters). One of the members that I had not met personally asked me about whether I would be participating in a benefit concert and God moved the conversation in such a way that I was able to witness to her and she indicated that she planned on starting to attend our Sunday morning meetings. God is at work long before we arrive on the scene and it is sure great to get to participate with Him as He works in us!

I have also been spending some days helping a couple from our congregation who are completing the building of their home. Friday, I will be helping several others in moving Douceline to her new place. She is moving from the apartment where we have been having Bible studies in Mazere for several years to a little house that the Lord has provided for her. These work situations are good for me physically and open many opportunities to encourage and witness.

Well, this letter has been a little different, but will give you some insight to help you pray for us. Thanks for your prayers and faithful support. We know that your days are often filled with difficult tasks as well. But, we can all do whatever God wants us to do through the strength He provides. Keep up the good work!

Until next month, John and Judy Hatcher

More Folks Saved And Baptized ... Please Pray For More Workers ...

Michael and Beverly Creiglow

Cruzeiro do Sul, Acre Brazil

Dear Brethren, February 9, 2010

We have had a few more folks saved and baptized this month. Attendance has been good. Our Wednesday night crowd has had the greatest growth. We also held our homecoming service on January 10th. The electricity went off in the neighborhood, so I was running around getting a generator set up. It was still a great service with good results. Several people came back into fellowship and one person was saved.

Bev and I hosted another of our training retreats for nine couples. They spent three days with us. These nine couples will be starting prayer/study groups in the next few weeks.

I have been working closer with our congregation down at Guajara. This town is downstream in the state of Amazonas. We now have a road so that makes things easier. The missionary that we had there has moved into Cruzeiro do Sul. Fortunately we already had a team in place to take care of the congregation. This team actually took the shell of the parsonage (that was under construction) and converted it into a meeting place for the congregation. We already have the foundation in for the new building, but

won't be able to restart the construction until the dry season. The old wooden building had to be torn down, since it was already fragile and dangerous. We still need a missionary there to lead the work permanently.

We need you to help us pray for more workers. As a missionary I find myself asking you for financial help quite often. You already support us and assist us with our special projects. We really need you to help us in prayer, too. Right now we have Guajara and Sao Pedro without missionaries. These towns saw their missionaries leave on short notice. At the end of the year the same is going to happen at Rodrigues Alves. Our missionary there has said he will stay just to the end of the year. At the same time we have two more fields that we want to plant new missionaries this year. We have a field that needs a full time missionary up river and the same in one of the new areas down river. Next year we will need a couple to take on the lower Jurua river house to house evangelism project that we started last year. Also, one of our younger churches just lost their pastor. He moved with almost no warning. The church at Pe da Terra is now looking to us to help them find a new pastor. We need five new workers right now. Then we will need two more by the end of the year. Please make this a matter of daily prayer. Pastor Dauro (my son-in-law) and I are meeting with potential candidates almost daily. We have started training for one of them this morning.

Thanks for all of your prayers and support. God bless you as much as He has us.

In Christ, Mike Creiglow

Finished Discipleship Program ... Appreciate Prayers And Support ...

Dear praying friends, February 8, 2010
Another month has come and passed so quickly and we thank the Lord so much for each of you, for your prayers and encouragement to us. It is hard to believe that we are now in the year 2010 and may we make our lives count for the Lord and make the most of the opportunities that He gives us to serve Him. This update will share current ministry progress as well as prayer requests.

We appreciate your prayers so much for the ministry in Rafiki. We are now finished with the discipleship program and I am now teaching on the church and starting a preaching point. Please pray that the Word of God would truly make an impact upon those who come, and also for their spiritual growth and development. There are many promises in the Word of God and one of my favorites is Isaiah 55:11 which says: "So shall my word be that goeth forth out of my mouth: it shall not return unto me void, but it shall accomplish that which I please, and it shall prosper in the thing whereto I sent it." The Word of God is powerful and

will not return void. What a wonderful promise from the Word of God whether one ministers overseas or in the States.

The Annex prison ministry is doing well also. The men are so thankful to you as well and are really learning from the Word of God. We are continuing in our study of the course, "Firm Foundations - from Creation to Christ." We are nearly half through with the course and many are studying and learning from the Word of God. Please pray also for the application of the Word of God to their lives personally to be evident to them.

Carrie and McKenna are doing well. McKenna is now walking and really growing and developing in so many ways. What a privilege it is to be a parent, and although it is an awesome responsibility, both Carrie and I are thankful for the opportunity to train and lead a child in the ways of the Lord. Please be in prayer for us, that we would be the parents that God would have us to be and truly lead McKenna as she grows and develops.

Once again, thanks so much for your prayers, support, and encouragement. Many times it gets lonely and difficult on the mission field and we thank you each so much for your assistance in so many ways. May we each be faithful to the Lord, trusting in Him, even when the work for Him becomes difficult. I will leave you with the words of George Muller, who said: "The only way to learn strong faith is to endure great trials." May the Lord bless each of you.

Until next month,
Nathan and Carrie Radford

Currently On Furlough In The U.S. ... Six New Leaders In Training ...

Bobby and Charlene Wacaser

Dear Friends, February 4, 2010

There has been an abrupt change of plans in some of our ministry schedules. What had been intended as a short visit with our daughter, Jessie, in Florida, turned out to be a longer stay becoming a needed furlough. Most of our outreach ministries will continue through our trained personnel still in Brazil, but we will be available to accept invitations to present our ministries during the next several months. If you would be interested in having us come share our ministries with you, please contact us through the information above.

As I write, there are six new leaders in intensive training for the launching of new mission points in the southern states of Santa Catarina and Rio Grande do Sul. I mentioned in my last correspondence that we would be making an effort to establish new churches in this Gospel destitute region. We are extremely happy to have our brother and sister in ministry and friends, David and Pennie Hatcher, partnering with us through the Chapada Baptist Church in

Manaus. I will provide updates on the progress of this endeavor as it develops.

One of the benefits of a furlough is for us to allow the national church and its leaders to fully assume their roles. Each time we have done this in the past we have discovered new lessons, for ourselves, our people and how to improve our methods. We are certain that this furlough will offer more such learning experiences.

Since arriving in the United States, I have had the opportunity to talk with players and personnel of the NFL about plans to use football as a means to reach the Brazilian Football League with the Gospel. In previous reports, I have shared how the Lord has allowed us to be involved in the initiation of the Brazilian Football League. One of the teams' head coach has asked me to assist him as a sort of "team chaplain." The Brazilian players look with great respect upon the NFL players and we are praying that the Lord will use this as a door for sharing the Gospel to a group that might otherwise never hear of Jesus Christ. At least two Christian NFL players and one team chaplain have confirmed their participation in a mission trip to Brazil to hold a Football Workshop, which we will tailor to be a means of outreach.

We are really looking forward to the opportunity to meet many new friends personally during our stay in the U.S. and to renewing our bonds with old friends.

In Christ's love, Bobby, Charlene, Jessie and Brennen Wacaser

Meet Missionaries From Oregon ... Ordain Young Peruvian Missionary ...

February 8, 2010

I met a fellow from Oregon yesterday; he knocked on my door in the afternoon, here in Huanuco, Peru. He said he and his wife were missionaries to the world. They have been in the work for about as long as Anita and I have been in Peru and so far they have been in eleven countries. When I asked him to tell me of his work he proceeded to tell me he enlists local churches to plant trees in an effort for reforestation; kind of like a modern day "Johnny Appleseed." He was a very nice fellow and very knowledgeable concerning trees and reforestation; I learned from him. Reforestation is certainly a worthwhile effort and I have even been known to plant a tree or two in my day. To be fair to my Oregon friend he did say that his wife evangelizes while he works at tree planting. They had even started a church in Peru several years ago, but were a bit discouraged with it because they have never been able to find a pastor that would "stick" with the work. Nevertheless, planting trees has been a great success. I must admit that it bothered me somewhat when he told me how excited churches become, especially the teen/college age group, when they get involved with planting trees. As I said, I'm all for planting trees, but why are the Lord's people not excited about winning lost souls to Christ and planting churches?

Building schools, medical clinics and church buildings, providing for orphans and the needy, digging wells and even planting trees are all worthwhile efforts. Anita and I have participated in all of these ministries (except the tree planting!) because it brings us joy and we know that God's love is manifested in our actions. But may we never lose our way and forget that we are here in Peru to see men and women, boys and girls, come to know and love Jesus Christ as their Lord and Savior. Feeding a hungry child is a moral obligation of all men and a Biblical imperative for the Christian. When works of compassion are done in selfless love, they stir a great sense of satisfaction in our souls. However, having a part in the eternal salvation of a lost soul gives an eternal reward and an even greater feeling of satisfaction. I read an article this morning concerning the relief aid in Haiti. A pastor proclaimed that his church had been working in Haiti for years, digging wells, and teaching about soil erosion, then he said, "when we have time, we try to tell people about Jesus." May God have mercy when we get so involved in our methods that we forget the goal "to go into all the world and preach the Gospel to every creature"; fulfilling the great commandment (Mat 22:35-40), and the great commission (Mat, 28:19-20). One reason I have always enjoyed being

associated with Baptist Faith Missions is because of the fact that the missionaries, pastors, supporting churches, and directors have always been faithful at keeping the focus of the work on preaching the gospel and planting Bible believing New Testament Baptist Churches.

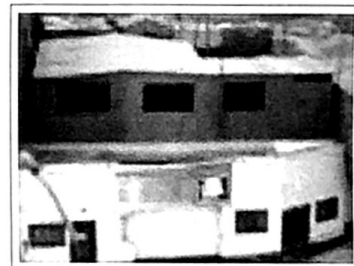

Anita and I traveled to the capital city of Lima the end of January for her routine cancer exam and blood work. Her tumor marker number was up a bit, but did not seem to alarm the doctor. We thank the Lord for His mercy and grace and for each of you that continue to pray for her health. She did tumble down some concrete steps while in Lima but did not break any bones; only bruised and banged up a bit. She's tough!

While in Lima I helped in the ordination of a young, Peruvian missionary, Daniel Matzuda. He will be starting a new work in the northern coastal town of Chiclayo, Peru. Daniel will be working under the supervision of our good friend, Missionary Rodney Spears, under the authority of the Southside Baptist Church of Winter

Haven, Florida. Anyone interested in helping to support this young man and his family can contact me or Brother Spears.

Sunday the 31st found us with the Jordan Baptist Church of Lima. The Lord blessed the preaching of His Word and one gentleman about my age (not too old!!) trusted Christ as his Savior and others made decisions to be more diligent in their work for the Lord. This church gave half of the money necessary to build Pastor Jorge Dianderas and his wife Elvira, a wooden house on top of the newly constructed church building. Anita and I gave the other half with funds donated by so many of you, our supporters. Our funds are exhausted and they still need about \$1000.00 to finish the floor, bathroom and windows. It would be a great joy for Anita and me and a great blessing to Pastor Jorge and his family if someone would feel lead to help out in this project. Jorge is one of the most faithful Peruvian

pastors I have had the privilege of working with over the years. He is worthy of the help.

This letter is getting too long. I must stop and get ready for my Monday night Pastor's Bible Study. We are studying through the book of Romans and while doing so, I have been teaching them outlining techniques, alliteration, etc. They have been very faithful in their weekly attendance. Until next month.

In HIM by HIS grace,
Sheridan and Anita Stanton

Experience Flooding From All The Rain... Youth Camp Very Successful...

John and Alta Hatcher
Caixa Postal 112
Uraí, PR, Brazil 86280-000
e-mail: jhatcher@uol.com.br

Dear Friends, February 2, 2010

If the entire year passes as quickly as January it will all be gone in about a week.

While thinking about what I would say to you in this letter the Scripture Romans 10:13-15 came to my mind. There is not much time left for me in my life here, and what the Spirit brings to mind is important. Let me give you an example. Last week we had days of rain like we never have here. The concrete covering over our garage leaked so much from the dilation cracks it was like a flood. Five buckets and seven towels could not take care of the problem. In my weakened condition, mentally and physically, I ask God to be my wisdom and strength. Many times through the day I save time and energy because He answers my prayer and gives me the "know how." He does have the "know how." I woke up during the night after the flood in our

Alta with our adopted daughter, Maria, a great servant of God.

garage. At that moment God gave me a solution to the leak problem. Then next morning I went to the building supply store and bought five sheets of narrow roof tile, brought them home in the pick-up and called a young man who was passing to come help me get them up on the roof. (I remember the mishap of Brother Jim Orrick and did not climb the ladder.) I went up stairs and instructed the boy, through the window, where to place the tile. It took about fifteen minutes to do the job. That afternoon and night torrential rains, thirty-five dollars of tile, a young man's help and following the idea God gave me, worked. Not one drop in the garage! After a week of rain, still not a drop in the garage!

Now to begin this letter again — While thinking about what I would say to you in this

letter the Scripture Romans 10:13-15 came to my mind. "For whosoever shall call upon the name of the Lord shall be saved. How shall they call on him in whom they have not believed? and how shall they believe in him of whom they have not heard? And how shall they hear without a preacher? And how shall they preach, except they be sent? As it is written, How beautiful are the feet of them that preach the gospel of peace, and bring glad tidings of good things! This is God's idea and instruction. God help us to hear and obey in order to stop the leaks in our cracked Christian life.

YOUTH CAMP IN JANUARY. It was a wonderful week with over 200 persons attending. The Bible studies were based on the life of David. Lives were touched and changed. It was a blessing to have our son, David, at the camp to bring the Bible studies each morning. Each night there were programs presented by the campers and messages brought by different pastors.

WORK AT ASSAI. The builder is in the process of making the plans and calculating the costs. While the process of building is happening, we are meeting at the home of Dona Maria who is a member of our church and lives two blocks from the new location. We have services each Sunday morning. The lot is paid for and the deed is in hand. We do need money for the structure. This could be my "last hurrah" and it would be a joy for you to get in on it. Surely God has blessed you and filled your hearts with joy knowing you had a material and spiritual part in the souls that have been saved. Thank you for your help and prayers through the years.

REMEMBER, THE SEED IS GOOD AND IT WILL GROW. All the new works have been difficult and begun small, but many of these little works through the years have reached hundreds and thousands for the glory of God.

Please give us unto the Lord and share in the eternal reward of having reached the lost with the Gospel of Jesus Christ for the glory of the Father. Please obey His instructions and stop the leaks in your Christian life.

Your servants in Christ for reaching the lost,
John and Alta Hatcher

Sorry To See Andersons Leaving... Need \$6,000 To Accomplish Goals...

Kitale, Kenya 30200

February 9, 2010

Dear Brothers and Sisters in Christ,

Greetings from East Africa. As most of you know by now, Mike and Pam Anderson will be leaving Kitale in March and will not be returning here as full time missionaries. We praise the Lord for the work that they did, but especially for the pastors who they will leave behind and who I will continue to work with. The Anderson's leaving, however, presents a problem to these pastors. These pastors have for the past few years received salaries from Mike because the churches here are not able to support their own pastors yet. When the Andersons leave in March that will leave the pastors without an income. The pastors asked me to pick up their salaries but I refused, not because I don't love them, but because I have been trying to break them of their dependency on the missionaries' money. And yet I know that they have a serious problem and I would like to help them solve it. So, after much thought, prayer, internal struggle, and even wrestling with God, I have come up with the following solution I would like to implement. There is much I would like to say here, but I will share it with you in brief.

My plan is to purchase a small motorcycle for each of the pastors. Motorcycle taxis are a very popular means of transportation for Kenyans, and the pastors can use the motorcycles as an occupation and as a means to make money as well as helping them in their ministries. However, what I have found is that you cannot "give" anything to a Kenyan because 1) It actually builds dependency on the missionary (something I'm trying to break), and 2) If they don't have to work for it they won't appreciate it and thus will not maintain it. So, knowing that I cannot "give" the pastors these motorcycles and also knowing that they would never in a hundred years be able to save enough money to buy one on their own, my plan is a rent-to-own option. It will go something like this: I will purchase the motorcycles and I will be the official owner who legally holds the title. The pastor will rent the motorcycle from me for a small amount each week. I will apply every shilling he pays in rent towards paying the price of the motorcycle. Once he has completely paid off the total price, he will own

outright the motorcycle and I will give it to him as well as the title. It will take each of them about two years to pay off. If they are faithful and responsible, when the two years are over, they will own a piece of capital that they otherwise would never be able to have and they will be able to use it to support their families independently of the missionary.

A few things to note concerning this plan:

1) I, the missionary, will not make one shilling on this venture. Every shilling they pay for rent will go directly towards paying off the motorcycle. 2) No money is being borrowed from the missionary by the Kenyans. They will not be in debt to me. They will rent, on contract, the motorcycle until they have paid for it and then they will own it. If they decide later that they don't want to follow through with this then they don't owe me anything. I will sell the motorcycle to recoup the costs that went into the program. 3) Out of necessity, we will draw up a legal contract describing the above stated plan which should reduce any possible future problems or liabilities to myself.

As well as providing an income and capital to these pastors there are a number of reasons why I have gone with this particular plan. 1) It is the best way to ultimately break their dependency on the missionary. 2) They will learn responsibility, perseverance, Biblical money management and accountability. Kenyans are very strong in many areas, but they tend to be very weak in these areas. 3) They will learn to plan for the future. 4) They will learn to maintain their investment.

I know that this plan is not without its problems. If I had space in this letter I could list many that I have already considered. However, I think it is the plan that has the best chance of success. There is much more I would like to say about this whole plan but, again, I have limited space here. Let me conclude briefly by saying the following. The total price for this plan including the motorcycles, driving school, insurance, etc., is nearly \$6000. I know this is a lot of money. I have some money already that I can apply toward this, but I don't have nearly the \$6000 that I need. I have written this letter so that you can know my thoughts and direction, but also so that if you would like to help make this plan work you would have the opportunity. If you would like to contribute towards this plan you can send offerings to the BFM treasurer and mark it for "Roger Tate's Pastor Motorcycle Plan." Also, if you have any questions at all about this plan you can email them to me at rojuta@gmail.com and I would be happy to answer each one. God bless each of you whether you are able to support this plan or not. May God's peace and joy be with you.

For the glory of God in East Africa,

PERSONAL NOTE OF APPEAL

*From Giving Friends Who Wish To Remain Anonymous
To All Churches and BFM Contributors:*

The Lord has laid this burden on our heart. We appreciate all the support the churches and individuals do for the missions. But we are asking each church and individual to go \$1.00 farther—that is—on a weekly basis add this \$1.00 more to your mission contribution. If a church with fifty members would do this, it would mean \$200.00 more per month and \$2,400.00 more per year.

Imagine what this would mean to the General Fund if sixty, seventy, eighty or one hundred members added the extra \$1.00 each week: **OUR GENERAL FUND COULD GROW BY \$120,000!**

Please pray and try to meet this goal over what you now contribute. If we each sacrifice something small, then God can do something mighty.

\$50,000.00 MONTHLY GENERAL FUND GOAL

Please continue to concentrate your giving to the General Fund which supplies the monthly commitments we have made to our missionaries. Without sufficient General Fund offerings, the base support for our missionaries' essential needs is deficient.
