Brethren, May 8, 2010

Last month I finally managed to finish my new boat. For the past couple of months I had been working fourteen to sixteen hours every day. Of course not all of that time was spent on the boat as there are many jobs to keep up. During that same period I have been preaching all over, teaching, holding training retreats and writing materials.

The main trip this month was all the way up river and into Peru. Hudson is still recovering from surgery, so he stayed behind. I took Pastor Eliesio and Zico with me. The river was almost out of its banks when we left Cruzeiro do Sul, but by the time we got to Porto Walter it was only mid bank. That meant lots of mud to wade through and lots of extra insects. When we

the aluminum canoes that Andrew builds. Fortunately there are quite a few of these all over the region and we were able to get our hands on one to continue our trip up stream. It still took us another five hours to the border. In a regular dugout it would have taken ten or more hours. The whole ten days we had nothing but blue skies and scorching sun. This is not normal. Usually April is rain, rain and more rain. I had my river hat and lots of sunblock on, so no problem. With the aluminum canoe, no matter how low the river gets, we can still get through.

We visited our works at Porto Walter, the new work at Triunfo, Thaumaturgo,

Foz do Breu and Tipisca in Peru. All of them are doing very well.

Alexandre and Rejane have done wonders with the struggling work at Porto Walter. They have been there just one year, but have already gained the confidence of the congregation and the community. We had over seventy present for the prayer meeting. Eliesio did the preaching at Thaumaturgo. I had a group of ten men who did a training retreat with me over three days and nights.

At Foz do Breu we had the little building packed for all services. They already have all the lumber ready and waiting for us to put up the new building. I still have to get the roofing for them. Cruzeiro do Sul has been out of many things, including roofing. I should have some soon though. The next problem is getting it up there with the river so low. In the more remote and poorer locations I require that they saw their own lumber for their buildings. You and I provide the roofing. Thanks and continue to give.

Tito is doing pretty good at Tipisca, Peru. He has been away for months at a time, so I have had to put the word to him. Even so they still have an average of twenty-five in attendance.

The one new work we visited was at Triunfo. This village is about twenty miles downstream from Thaumaturgo and was started by one of their missionaries, Fredson. They are finishing a brand new building, following to the last detail the standard plans and design that we have been using all over the region. It is looking good. Their maximum attendance had been close to one hundred, but not quite. On the Saturday we were there they had one hundred fifty-five.

We did not have any professions of faith on this trip, but I was able to preach to many and also visited five congregations and six of our missionaries. Much was accomplished beyond what was reported here. The total cost for the trip was \$480.00 for gasoline. Thanks for providing most of this. I didn't ask for it, but our mayor donated eighty liters of gas for this trip.

Thanks for all of your prayers and support. God bless you as much as He has us.

In Christ, Mike Creiglow

## MONTHLY GENERAL FUND SOLVENCY

**WE CONTINUE TO NEED IMMEDIATE INCREASED OFFERINGS FOR OUR GENERAL FUND.** We really need to receive \$50,000 per month FOR THE GENERAL FUND in order to maintain our monthly commitments and other disbursements we make to our missionaries as they come up over the course of the year.

**For example: FURLOUGH EXPENSES:** We have four missionary families due for furloughs during 2010 and they are requesting transportation funds. Airfare expenses for furlough transportation could be as much as \$16,000+ before the year is over - and most of this will be one-way fares because it is next to impossible to purchase round-trip tickets when they can't set a precise date for their return next year.

**Also: HOSPITALIZATION PREMIUMS INCREASES:** We have received notice that beginning in June, our missionaries' hospitalization premiums will increase by 13%. We will be disbursing \$9,500 per month for their hospitalization premiums.

**\$43,000 per month needed for their Essential Maintenance Transactions:** There are four disbursements we make each month to our missionaries just to

maintain their essential support: [1] Salaries; [2] Standard Monthly Expense Allowances; [3] Hospitalization premiums; and [4] Mission Sheets printing and mailing. THESE ESSENTIAL MAINTENANCE TRANSACTIONS TOTAL MORE THAN \$43,000 EVERY MONTH.

First five months 2010 average GF Offerings: During April, we gave \$30,438 to the GENERAL FUND. Over the first five months of this year, we have averaged \$34,738 per month to the GENERAL FUND.

**BEA 'GIVING FRIEND'!** If we don't increase our monthly offerings for the GENERAL FUND, we will necessarily have to begin reductions from our missionaries' monthly deposits in order to make the remaining 2009 Thanksgiving Offering last until the end of 2010.

**THE ONLY WAY TO STABILIZE OUR BUDGETING TO ALLOW FOR ANY KIND OF GROWTH OR INCREASES FOR OUR MISSIONARIES' ESSENTIAL NEEDS IS TO INCREASE OUR MONTHLY GIVING TO OUR GENERAL FUND.**

**WILL YOU ASK THE LORD OF THE HARVEST WHAT YOU CAN DO - AND WHAT HE WILL ENABLE YOU TO DO?**

If you haven't been to our website lately, you need to go back, bookmark it, and go back often. It has been in a neglected and inactive condition for some time, and we apologize for that. But, it is being renovated and re-launched as we speak.

I am still making updates on our BFM blogsite, www.faith-works.blogspot.com, but I will move our Faith Works updates to the new website shortly. It is still under construction, so bear with us while we 'revive' it - but we want our website to become our Information Exchange Central.

### SPRING CONFERENCE REPORT

The Lord blessed our Spring Conference services with good fellowship, challenging messages from God's Word, and a continually increasing interest in the ministries of Baptist Faith Missions.

Pastors and members have gone back to their churches and either started supporting Baptist Faith Missions for the first time - or increased their giving, especially for our much-needed GENERAL FUND.

We heard these preachers faithfully proclaim 'FILLING THE EARTH WITH GOD'S GLORY' messages: David Pitman, Kenny Hurst, Doug King, Larry Wilson, Edward Overbey, Wayne Brickner, Terry Adkins, Ben Glover, and Bobby Creiglow. All of these brethren and all their messages had the Glory of God burning in their hearts and glowing on their lips as they called us all to partner together to take and send the Good News of God's Glory to everybody in the world.

There were forty-five pastors/preachers who attended our services over the course of the Conference. We want to thank everyone who attended - and we continue to pray that God will inspire us all together to FILL THE EARTH WITH GOD'S GLORY.

### SPRING CONFERENCE OFFERING

We designated the Spring Conference Offering to help Louie and Mary Carver with extraordinary medical expenses they have incurred especially since January. Brother and Sister Carver are veteran missionaries in partnership with Baptist Faith Missions. They served the Lord in Korea and Philippine Islands. Brother Carver also served as BFM's Field Representative and liaison between the missionaries and the churches for several years.

They relocated to South Carolina during 2009, and then on January 15th, Brother Carver suffered a massive heart attack. He underwent a five-bypass surgery, and then suffered pulmonary complications during his recovery. He spent several days in the ICU - and three weeks in the hospital. Then on the Friday [5 February] after being discharged home on the previous Tuesday, he suffered a stroke and was re-hospitalized. He is still rehabilitating from the effects of the stroke.

So, we wanted to help them with the mounting medical expenses they were incurring. The total Conference offering was \$3,030.54. Brother Carver has responded in an email: "Dear Brother Dave, Thank you so much for the generous offering. You truly have no idea at what a time it has come. God is so good." Of course, he is thanking all of you who gave the offering.

## All Four Pastors Start Taxi Business... Many Trials And Tribulations In Kenya...

Dear Brothers and Sisters in Christ,  
Greetings from East Africa: May 7, 2010

Rain and mud! That's what we are battling with right now, even though it's not the rainy season at all. In fact, it has rained nearly every day (for a short time) since the beginning of the year. Rainy season is supposed to start in June or July. Julie, for one, says she's tired of feeling cold. (Yes, when it rains here it does feel cold, a little).

There are other battles we face as well. Some are exterior and some are interior. The exterior battles we face are the same as when we first came. There is the exterior battle of dependency. This is my biggest exterior battle. It effects so many areas of life. Many Kenyans don't want to work because it is easier to beg. Many don't want to use their money wisely because it's easier to get money from the wazungu (white people). It's difficult to get the church members motivated to support their church because the missionary is supposed to do it all. I know I've written about all this before, but it really is such a big part of my life. I have to constantly teach, encourage and motivate the dear Kenyan people to take responsibility for their own lives and churches. I've been trying unsuccessfully for months to get the pastors to write a constitution for their churches. It's not that they are incapable of doing it. They are very intelligent, yet not always extremely motivated. So, last week I wrote what I called a "Church Administration Workshop" and last Saturday the pastors and I met together for the day long "workshop" where we work through the writing of the constitutions together. We might finish it in the next couple of Saturdays. The goal is that when we are finished with the

"workshop" that they will have a completed constitution for each church.

We also face interior battles daily. We've been in Africa for almost two and a half years now. We miss our friends, family and church home. Sometimes we get bored at night when there is nothing to do. We have different problems with our workers weekly. At times the situation with the churches seems hopeless. We struggle with "Christians" not acting at all like Christians. False gospels like health and wealth abound, making us wonder why people come to Christ, for Christ or for money. I'm not trying to be depressing in this letter, just realistic and honest. There are no super missionaries here! I think we are passing through some of the missionary phases. We've passed through Phase 1: "Everything is great and we love it here." We've passed through Phase 2: "Everything is terrible and we hate it here." I hope we are somewhere in Phase 3: "Some things are good, some things are bad, but with God's grace we will persevere and God will accomplish what he wants and get the glory." We still have to struggle through this phase before we get to the next phase which is, basically, at peace. I'm told that going home on furlough and coming back for our second term will help us hopefully get to the next phase. Pray for this grace in our lives beloved friends!

Finally, I want to give you an update on the motorcycle program for pastors. All of the four pastors have their motorcycles now and have begun using them for their taxi businesses. Business has been slow to start with, but we all hope that it will pick up as they gain faithful customers and learn how to run things. Pray for customers and for safety on the work. Driving in Kenya can be dangerous and one pastor has already had a small accident although it was not his fault. Someone pulled out in front of him, a common occurrence here. Pastor Kirui banged up his knee a little but was not badly hurt. So far the program is working. Please continue to pray that it will all work out. Until next month, beloved. May God's peace and joy be with you.

For the glory of God in East Africa,  
Roger, Julie, Emily, Amy and Josiah Tate

Dear Brethren, May 10, 2010

During the month of April it was my privilege of attending the Spring Conference, sponsored by the Thompson Road Baptist Church, where Brother David Parks serves as pastor. It was refreshing to me to get to see many brethren that I had not seen for several years. The preaching was very

good, and the spirit was excellent, and I was made aware of just how much I had missed by not being able to attend for the past several years. And as I remember of past years, this year also was well planned and carried out to perfection, from the kitchen to the pulpit.

For the past month I also have had the privilege of teaching here in First Baptist Church. I have been teaching twice on Sunday and also Wednesday nights, and at the same time working with Brother Parks, trying to be an encouragement to missionaries.

While at the conference I received invitations from some churches to visit them and I am looking forward to fulfilling these appointments over the next few months. I am staying busy and am happy in the Lord.

In His Name, Bobby D. Creiglow

Dear Brothers of the Blessed and Sisters of the Savior: May 11, 2010

Once again we greet you in the name of the Lord Jesus Christ. This Mission Sheets month began March 9<sup>th</sup>, and ends today, May 8<sup>th</sup>. During this period, we both celebrated our eighty-third birthday. I preached nine sermons at five different Baptist churches, four at the 24<sup>th</sup> of March Baptist Church where I am pastor.

On the 1<sup>st</sup> day of April, Marie and I left our home in Manaus and traveled for almost four hours, with Pastor Ediberto, his wife, and son to reach the home of Sister Eridan, Vila do Engenho, on the Amazonas River, some distance from Itacoatiara. There we spent four nights, returning to Manaus, the 5<sup>th</sup>, Marie's birthday. We were blessed each day while here. We were served delicious food, and it rained on us during the trip there so we received "showers of blessings," spiritually speaking also. Friday morning we attended a special Passover at

the New Jerusalem Baptist Church, where Ediberto is pastor. Saturday night we attended and I performed the wedding ceremony at the church, to an estimated three hundred present, of Emanuel Silva Ribeiro, youngest brother of Ediberto and Rubia Santos Feitosa, sixteen years old, and fourteen years younger than Emanuel. Pray for these newlyweds. Sunday morning I preached to one hundred twenty-eight. Sunday night we traveled to the town of Novo Remanso, where I preached to one hundred forty-four. During the trip each day we met people that we knew in the past.

During this Mission Sheets month I heard nine sermons preached. Five of those were delivered by four Baptist preachers. I was blessed by the Blessed Lord on my birthday, March 24<sup>th</sup>. Some ninety-four people were present to sing "Parabens," (congratulations), and eat and drink with us. On Saturday night the 27<sup>th</sup>, our church celebrated their eleventh anniversary. Dr. Asa Mark Bratcher, pastor of Communion Baptist Church, Manaus, delivered a most inspiring and challenging message heard by Marie, myself, and some one hundred fifty-one more people. From his church, there were almost sixty, with some thirty in the choir that sang.

Please continue to pray for us and give to the regular fund and our designated offerings. We depend on the Lord and the Lord depends on you. "Say, oh Spirit, brave and true that He may depend on you." We thank all of you. May the Lord Bless you is our prayer.

Yours in the Service of the Savior,  
Harold and Marie Bratcher

## PERSONAL NOTE OF APPEAL

*From Giving Friends Who Wish To Remain Anonymous*

To All Churches and BFM Contributors:

The Lord has laid this burden on our heart. We appreciate all the support the churches and individuals do for the missions. But we are asking each church and individual to go \$1.00 farther—that is—on a weekly basis add this \$1.00 more to your mission contribution. If a church with fifty members would do this, it would mean \$200.00 more per month and \$2,400.00 more per year.

Imagine what this would mean to the General Fund if sixty, seventy, eighty or one hundred members added the extra \$1.00 each week: **OUR GENERAL FUND COULD GROW BY \$120,000!**

Please pray and try to meet this goal over what you now contribute. If we each sacrifice something small, then God can do something mighty.

Dear Brothers and Sisters, May 10, 2010

We were glad to hear from some who were there that the Spring Conference was a blessing to all who attended. Thanks Thompson Road Baptist Church for your faithfulness in hosting this conference for so many years. I remember being there for the first time with my parents in 1964. It doesn't seem like so long ago.

We had a great visit with my parents, John A. and Alta Hatcher from the 3rd to the 13th of April. Dad spoke in our Sunday morning service and also at the Bible study that we have in Mazere. They were able to get out of the country and return to their work in Brazil just before the volcano eruption in Iceland shut down the airspace for several days. On April 30, Dad turned eighty-five. I am very thankful to have him as my father and for Mom and Dad's faithfulness to the Lord. Your support has enabled them to start a number of churches in Brazil.

Just a few days after Mom and Dad left, Judy's sister, Peggy Foster and a friend, Linda Wall, arrived to spend a couple of weeks with us. While they were here, we visited the site of the Invasion of Normandy. This is quite some distance from us, but each time that we visit, I am impressed with the sacrifice of those who gave their lives and the almighty power of God who controls history.

This cemetery contains the remains of 9,387 American military dead, most of whom were killed during the invasion of Normandy and ensuing military operations in World War II. Here is an interesting thought, there are three times

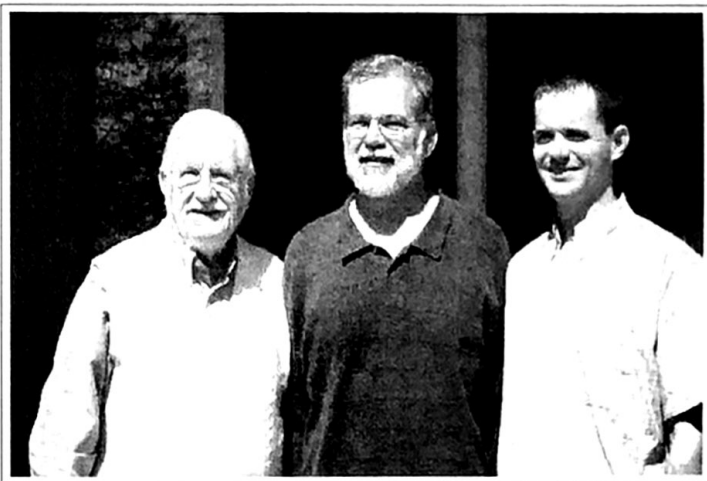

more Americans buried in this one cemetery than there are Baptist individuals living in all of France. Our job is far from over.

The Lord continues to bless here. The Bible studies are going well. The attendance at the Sunday services is good and most encouraging. A young lady asked to be baptized this month. This does not happen often, but it is encouraging when it does. Rita is actually from Siberia and came here to study for her masters. She was saved just before coming here and a missionary from Russia put us in contact with her. Her family are all atheist. She first came in contact with the Gospel when she was invited to a friends birthday party. At this party they prayed. This was the first step toward her coming to know and trust Christ. She is friendly and has brought many other students to outreach activities.

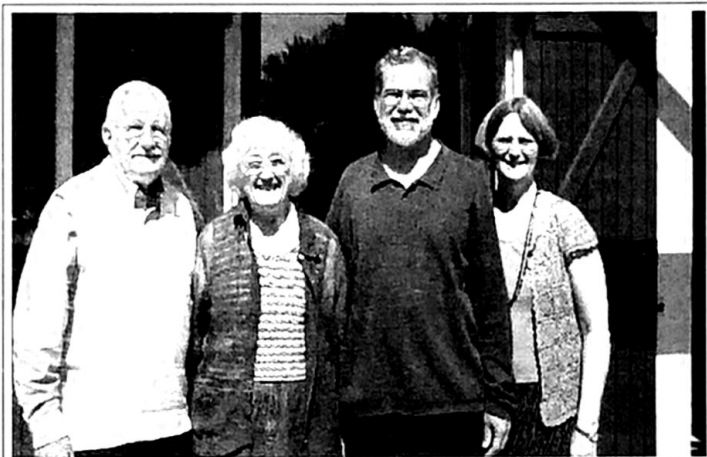

Another encouraging event was the attendance last week of three young men who had not been in services for a long time. Their mother is saved and attends regularly, but is separated from their father. We have been praying that the Lord would work in their lives. Not only were they here last Sunday, they participated in the Sunday study with great interest.

In closing, I would like to mention two men who have been used of the Lord and who are a blessing to me. First, Pastor Edward Overbey, who was my pastor for several years while I was in college and who helped me to develop proper exegesis of the Bible. He just recently stepped down as an active director of Baptist Faith Missions. He was one of the very first supporters of this work. Also, Harold Draper, who became our friend when he was preparing to go the Brazil with Baptist Faith Missions. He has served the Lord faithfully in Brazil for about thirty-three years, if I remember well. He is now pastoring the 7th Street Baptist Church in Cannelton, Indiana. This is not far from where I pastored for many years and we hope that he will have many more years of faithful service there. Keep on serving the Lord with gladness. Thanks for your faithful support.

Yours in Christ, John and Judy Hatcher

#### **EMERGENCY UPDATE**

On Tuesday [4 May], Mary passed out while driving and suffered a one-car accident and was rushed to Greenville Memorial Hospital. The Lord spared her from broken bones or other significant injuries. You can catch up on updates we have received by going to [www.faith-works.blogspot.com](http://www.faith-works.blogspot.com).

#### **ANOTHER MEDICAL**

##### **EMERGENCY: Harold Draper**

Harold and Ursula Draper have concluded thirty-three years of missionary service in Brazil and have transitioned to serving the Lord here in the States. Harold is the newly-called pastor of Seventh Street Baptist Church of Cannelton, Indiana. He was returning home Tuesday, [4 May], at 4:00 a.m. after driving all night and began suffering chest pains and tightness. He drove himself to the Paducah Hospital. They conducted stress tests and other exams and concluded that he had suffered a mild heart attack, but that his heart is sound. He was experiencing some arrhythmia, but the doctors believe that was due to his extreme exhaustion and fatigue.

They ordered him to get some extended rest for two to three weeks. Again, this report will be updated several times by the time you read this - but you can catch up by going to [www.faith-works.blogspot.com](http://www.faith-works.blogspot.com).

#### **PASTOR EDWARD OVERBEY RESIGNS AS DIRECTOR**

Brother Overbey has served as a Director of Baptist Faith Missions for probably forty-three years or more. Even he doesn't remember the year he became a Director. But, as the son of our founder, [Hafford Overbey], Brother Ed has supported BFM from its inception. Brother Overbey contributed to the very first offering given to support Brother Brandon back in 1942. Brother Overbey doesn't remember whether he gave 50 cents or \$1 - but the total offering was around \$15.00. He has been a true GIVING FRIEND ever since - from day one. He also served as our Executive Secretary from 1981-1995, after succeeding his father into that service. We wish to thank and commend Brother Edward Overbey for his lifetime of service to Gospel missions - and his forty plus years serving Baptist Faith Missions.

## Move Two Widows Back Into Homes... Works Going Very Well...

Dear friends and family, May 12, 2010

This month has been a real blessing in the respect that we have been able to move two of our widows back into their homes.

Allow me to talk about Granny. She and her grandson returned to their house at the first of the month. It was her house that flooded whenever it rained. We were able to keep her in our house for about three months while redoing her home. We raised her floor level two feet and after this it was a necessity to do the same to the roof. It all sounds simple but it turned into a very work intense job. She is now back in her home and all we lack is the porch. We will be doing that next month. Thanks to all who worked and prayed with us on this project. If you look up the word happy in the dictionary you will find a picture of Granny. She was so glad to be back in her home that you could hardly see her face for the smile.

The second lady is the widow with six children. She was displaced from her home when her husband died and though she thought they owned the home she did not. She was moved into her new home this week. Thank the Lord for some extra help. We have had my brother's pastor from Texas, Dr. Edge, and Brother

Ward visiting with us and they have been yokemen this week. Along with moving Ms. Gloria's house of furniture we have placed several tons of dirt in front of her house, and purchased her electric pole (thanks to the First Baptist Church in Bastrop, Texas). Also completed the ridge row on her roof and finished her plumbing. All this completed, she and her family spent their first night in their new home Friday night. And tonight we had the second meeting in her home and we had twenty-seven people in attendance. How AWESOME is the Lord we serve!!!

Lots of financial help from churches there in the States and people helping also and prayers have made these two miracles! I was just thinking back - about a year and one half ago - we were helping Gloria move out of the house where she and her family had lived for several years. I remember thinking, how are we going to be able to help this lady and her children. The Lord has His time and His people ready to accomplish blessings and miracles for Him.

We have been blessed this month to be able to start discipleship with five people. Two different families. These, too, are miracles. Why? Because they have accepted Christ as their personal Savior. We do their training on Monday and Tuesday nights. Isn't it AWESOME when we, along with you all, can be a part of Kingdom building.

We have also been doing work on the vocational school area and buildings. We are planning to start classes with two young men in two weeks. Their first exposure will be basic construction and introduction to key making. Pray for our school as we need to complete the dorm building. We have

been making blocks on the school property for the mission point at Olaria. We are planning to build a fence around the building there.

Continue to pray for us and the work here in Brazil. And come visit your work here. The bed is turned down and the light is on out front. In His service, A.J. and

Barbara Hensley

Tuesday special Bible School in Olaria

## Group From Brandon, Florida Visits... In U.S. For A Few More Months...

Dear Friends,

May 8, 2010

The outreach efforts and results went far beyond our expectations. The group from Brandon, Florida, who spent a week sharing the gospel with the help of our translators and the Project Life ministry teams reached over 8,300 people. We saw God touch many lives through those who participated. My own church experienced an immediate increase in attendance by those who heard the gospel preached in the open square. We also heard many share publicly that they had surrendered their life to Christ.

Several of those who participated as volunteers sensed the joy of being used greatly of the Lord in communicating the gospel and have already committed to sharing it more boldly back home and also to prepare to return to Brazil or another mission field next year. It was wonderful to have a young lady named Olivia come at the beginning of the year to partner with Project Life for three months prior to her church youth group's arrival in April. In that short span she learned to speak Portuguese very well and has developed a passion for

sharing the Word of God in full-time mission activities. This was Olivia's fourth visit to Brazil, but she has always stayed only a week during her Spring Breaks.

At a recent missions conference where I was speaking, I heard a prayer request for a young missionary in India. I rejoiced to hear the personal report that the young missionary gave of how the Lord was blessing. I wasn't even aware that the church hosting the conference even knew that young missionary. But what thrilled me was the knowledge that the same young missionary shared with Charlene and me a couple of years ago that it was while we were visiting her home church that she sensed God's call on her life to go into foreign missions. We are thrilled to know that in a small way God used us to touch someone else to surrender to His service and to hear how blessed that person is because of their obedience to His call. We are reminded that it is God's business of calling and that it is our business of sharing His Word of Grace.

We will still be in the USA for another couple of months or so. If you would like to meet us personally or renew our old fellowship, please feel free to contact me at the above number/address.

We thank all of those churches and individuals who have been faithful to pray for us and have given generously to us while we visited. May the Lord richly bless you.

In Christ's love,

Bobby and Charlene Wacaser
