2010-11 THANKSGIVING OFFERING GOAL: \$100,000.00

Be preparing your Thanksgiving Offering NOW - and, in fact, we hope you have been planning your offerings since last year's offering [2 Corinthians 8.10-11]. And we hope you will be as generous and liberal as God enables you to be [2 Corinthians 9.8-11].

WE ENCOURAGE EVERY FRIEND OF OUR MISSIONARIES TO BE A 'GIVING FRIEND'. Whether you

contribute your personal offerings by giving to your church's collective offering -or by giving directly in your own name - we hope every one of us will be a generous, personal 'GIVING FRIEND.'

WE HEARTILY APPEAL TO YOU TO MAKE MONTHLY OFFERINGS TO OUR GENERAL FUND to provide for the monthly ministry expenses needed to provide our missionaries' salaries, ministry expense allowances, and the other support services and benefits we give them - as the Lord provides for their needs through you! Every month, we need approximately \$50,000.00 in GENERAL FUND SUPPLIES to meet the commitments we have made to our missionaries.

EVERY FRIEND SHOULD ALSO BE A 'GIVING FRIEND' TO OUR ANNUAL THANKSGIVING OFFERING. The Thanksgiving Offering supplies the extraordinary commitments we have made to our missionaries over the course of the year.

Please pray over 2 Corinthians 8 and 9 and Philippians 4:19 - and the many other exceedingly great and precious promises from our Provident God as you give!

GENERAL FUND: We praise the Lord that we have not been required to make any additional deductions from our missionaries' monthly deposits to meet the Essential Maintenance Transactions required to fulfill our basic monthly commitments to them. Your offerings to the General Fund over the past eight months have accrued to meet those monthly commitments augmented by some extraordinary General Fund gifts which you gave in especially critical opportunities. We referenced one such extraordinary gift last month - and there is another gift this month given in memory and honor of our FOUNDER'S MONTH. GOD USES EACH ONE OF YOU EVERY MONTH TO SUPPLY OUR MISSIONARIES' NEEDS. But, it is an EVERY-MONTH responsibility. We bless God for providing for our needs through you!

Driest Summer On Record . . . Celebrate Fifty Years In Brazil . . .

Dear Brethren, September 8, 2010

This has been the driest summer on record here in Cruzeiro do Sul. We went two whole months without a drop of rain here at the house. At camp it has been three months. This is good for traveling on the roads, which are mostly dirt. Not so good for traveling on the river. I have never seen the river this low.

A couple of weeks ago I went to visit our work at Porto Walter on the upper Juruá River. This town is "only" about one hundred miles up stream. Most of the time in the rainy season I make the trip in just over three hours. This time it took just under seven hours. That is nothing though. The boats that supply the village are taking as many as eight days. Since the river was so low I decided to go by myself. The extra weight of another body in the boat would have made the trip much longer, if not impossible. Even so I had to get out and pull my little aluminum boat with 20HP motor over sand bars a number of times. It was a little discouraging to look up ahead and see little dogs wading across the whole width of the river. There was also a lot of bouncing off of logs and stumps. The Lord guided me safely through it though and the trip was well worth the effort.

Since I was not sure that I would be able to get there I did not warn Alexandre (our missionary there) that I was coming. I really wanted to slip in, unannounced,

anyway, to see how things are going. They had a service planned for the evening I got in. I had just enough time to get a bath before services. There were almost one hundred and fifty present. Wow. What a turn around from just over a year ago. Alexandre and Rejane have been there just a year and a half and are doing a great job. On Sunday morning we had over seventy present, which is exceptional for the location. We had a baptism after the morning service. I baptized fifteen. With the exception of a couple of children, all the others were teens and adults.

The return trip was a little shorter and a little easier, as I had the slight current to help me just a tad. I put on my sun block, as usual, but the skies have been so hazy that I couldn't have gotten a sunburn even if I wanted one. It was a great trip.

On September the 3rd I celebrated fifty years since our family first arrived in Brazil. That first moment in the dimly lit, mosquito infested Manaus airport is still very vivid in my mind. It has been a great time though and how things have changed. Besides these fifty years of my sixty-two years of age, I can mention the forty-four years of ministry and thirty-two years as pastor of First Baptist Church. Add that all together and you get how old I feel at times: 188! Most of the time though I still feel thirtyish and act about thirteen. There is so much to thank Him for. Thank you guys, too. Thanks for all of your prayers and support. God bless you as much as He has us.

In Christ, Mike Creiglow

ADDRESS SERVICE REQUESTED

The Story Of Isabelle . . .

Judson and Raquel Hatcher
judsonhatcher@gmail.com

Dear Friends, August 31, 2010

In this letter I want to tell you a brief story of a couple and the struggle with their sick newborn daughter - Isabelle. I also want to express my gratitude for all the prayers and support of those who have loved on us during this first month back in the States and inform you of my availability to share about the ministry in Brazil at your church or home. Please, read on:

CERTAINLY GRATEFUL: We've been in the States now for a month and have visited as many churches as we could on Sundays and weekdays. I'd like to thank Brother Dave Parks and family, Brother Steve Wainright and family, Brother Donavan Stewart and family for being such great friends to us during our first month. We are grateful to Thompson Station Baptist Church, New Life Baptist Church, Bluegrass Baptist Church and Atlantic Shores Baptist Church. Darwin and Kathy Smith, Billie and Evelyn Mundy, Tim and Susan Parsons, Mr. and Mrs. Bowles and Bluegrass Baptist School for being a blessing in our lives. Thank you.

LET ME TELL YA: I am used to working long hours during the week and I'd like to stay busy while in the States too. I am available to visit churches and would love to come present the work we do in Brazil to you personally, to your church, your family or group of interested people. Please email me at judsonhatcher@gmail.com or call me on my cell phone at (859) 317-1192. So, please, come let me tell ya all about what God is doing in Brazil!

THE LOVE OF A MOTHER: I'd like to share with you the story of Iris and Dinho. I had counseling sessions with this engaged, soon to be wed couple on more than just a few occasions. Dinho was quiet and skinny, had always been a healthy man who worked long hours at a factory. He woke up early, six days a week, to catch the bus to work. Iris was a bright-eyed gal who had personally led many people to Christ, but struggled with Systemic Lupus Erythematosus (Lupus) since birth. The doctor had already warned: "If you have a baby, you are at a high risk and your baby will also have Lupus." They got married and moved into their newly built 250 square foot home beside an "igarape." An "igarape" is a small creek. Within city limits it serves as a sewage drainage for most neighborhood homes.

Over a year had passed and Iris and Dinho called excitedly, "We are having a baby!" They were well aware of the risks involved, but desperately wanted their own child. A few days later I found out she was riding public transportation to her doctor's appointments. I insisted they call me whenever she needed a ride. As you might imagine, it was risky for a pregnant woman to ride in a bouncing, sometimes overloaded bus with passengers in the hot sun for over an hour and still have to walk some. And, in her condition, a bus was not an option! For seven months I drove her to all of her doctors appointments. And, when I couldn't, I paid for a taxi. Usually, four to six visits per week amongst all the doctors. After the third month, Iris came out of a doctor's office crying frantically, "Pastor, the doctor just told me my baby has Hydrocephalus and the baby also has an open sore at the tailbone that will have to be operated on upon birth." Iris and Dinho cried for days,

as did I. Our hearts were broken. We read from Psalms and prayed a lot.

Iris was a "go-getter" and she managed to get an appointment with the best high-risk prenatal doctor in Northern Brazil through the public health system. A nurse told her before she went in for the appointment, "She is the best doctor, but she is also the rudest doctor. Prepare yourself for it." Iris came out of that appointment crying, upset, and with her heart wounded. The doctor's first words could not have been colder, "Your baby is going to die. You probably will too. Go talk to the nurse outside for the dates I have available to abort it." Iris insisted with the doctor she wanted her baby. "God has given me this child and I will take care of it." After eight months the baby Isabelle was born by Caesarean section.

Isabelle could not drink her mother's milk. The milk prescribed cost about 100 dollars for every 500 grams of canned milk that lasted two to three days. I purchased a few cans myself, and asked several other friends to help. A doctor managed to get some local politician to buy a stock of cans for several months. Isabelle was in the ICU for the first four months of her life. Iris and Dinho only had two hours a day to see their baby girl. At four and a half months and after several surgeries, Iris and Dinho got to take Isabelle home. They enjoyed having her to hold, but things worsened quickly. Little baby Isabelle was admitted back into the ICU after three weeks. Iris and Dinho had tried their best, but had no more strength and were desperate for a divine intervention. Isabelle remained in the ICU thereafter. She was about eight months old when I received a call around 11:00 p.m. one night. It was Iris, gasping for air as she cried, "Pastor, come tell the doctor that my daughter isn't dead. She's not dead. I saw her this afternoon and she smiled at me. She can't be dead. Please, come tell the doctor she is alive. She just needs help. Please, come! Please, come!"

Isabelle was born a month before our son Benjamin. Benjamin turned two years old on March 24, 2010. I had a chance to visit them five days before departing to come to the States on our furlough. Iris looked at me in the eyes and said, "Being a mother was one of my greatest joys in life. Losing Isabelle hurt a lot. I guess it wasn't God's will she be healed. But, my faith in Him is not shaken. I trust God now more than ever before. Jesus is still my Savior and I will see my baby girl in heaven someday. In the meantime I will love Him with all my heart and pray that He will someday still grant the desire of my heart: to be a mother again."

God's love for us is greater than a mother's love for a child. Thank you Jesus for dying on the cross and for granting Eternal life to those who will confess your name.

Greatful of God's grace,
Judson and Raquel Hatcher

Dear Brethren: September 7, 2010

This month has been really fastly passing. I don't know if this just happens when you start approaching the senior years or what.

The ministry has kept us really busy this month. A little over a month ago I was privileged to lead a man (fifty-five years) to the Lord. The reason I was in their home for this visit was the wife frequents our church and requested a visit to pray for and with her husband. Half way through my presentation he accepted the Lord and said I want this (LIFE ETERNAL) more than anything else. It was one of those times you really felt the Holy Spirit working. Then this month he enters the hospital and after two days he goes to be with the Lord.

I was able to do the funeral for the family and we spent around two days with the family comforting them in their loss, and exhibiting our love, "Christianity" to the family. During this time the church ladies and Barbara really did an awesome ministry-caring for the widow and immediate family. Also during the funeral (IN SAO PAULO CITY), I was able to witness to his extended family approximately one hundred plus people, tell them about where he was now, and present Jesus Christ to them also. How AWESOME is the God we serve.

In our Sunday School two weeks ago we had five children, twelve to fifteen years old, accept Christ. Our Lord is really working in a special way, opening doors and making it possible to reach many others. Pray for these young people.

It seems as though we have made lots of "sick visits" this month, but regardless of the circumstances for many visits, people are accepting Christ. Just in our home visits this month, with the Holy Spirit working we have had nine people accept Christ. How AWESOME He is whom we serve.

Our youth this past Friday and Saturday went to Sao Paulo for a youth rally. There were sixteen in all and they really came back "charged-up" to do even more for the Lord.

As I am writing this letter I am doing hospital visits for another man with cancer. Before he went into the hospital I visited with him and his family. He already knew Christ but wanted me to talk with his family to make sure they also had what he had in his heart.

Our vehicles have really given us a challenge this month. I had the "bicos" cleaned in my diesel S-10 and was also informed they needed to be replaced. The van's side door needs the rollers replaced and our list goes on. Lots of our repairs are from everyday use and our roads are always a challenge for our vehicles.

Construction work has been slower than slow. It has been raining almost every day and makes outside work very hard to accomplish.

Because of this incimate weather "raining," I have had to change our roof tiles between the rain drops. Barbara finally got tired of the buckets and I had to get to work.

Well, as always, our doors are open. Why not come down for a visit and see what the Lord is doing in Caragua, Brazil. Pray for us as we minister here in Brazil.

In His service, A. J. and Barbara Hensley

Excited About Trip To Pokot ... Already Planning Another Trip ...

Roger and Julie Tate
P. O. Box 4150

rojuta@gmail.com

Dear Brothers and Sisters in Christ,

Greetings from East Africa: Sept. 6, 2010

I was so excited about my trip to the Pokot that I am duplicating the message I sent in my newsletter I send to all my churches in this BFM newsletter. So, if you have already read my church newsletter, I apologize for repeating it here. However, I really want to tell you about my recent trip into the Pokot. Pokot is the name of a people group that live north of Kitale anywhere from a one to eight hour drive. While the gospel has reached into certain areas of the Pokot it is still a mostly unreached people group (the book Operation World lists them as 9% Christian but I think Operation World tends to be a little generous in its statistics because it lists the U.S. as 84% Christian). Some Pokot are still nomadic but the majority of them have settled down into villages. They have no running water and no electricity. They live in mud huts in extremely hot temperatures.

They have no amenities in life and absolutely no luxuries. Their diet consists mostly of goat meat and camel's milk with the addition on occasion of rare vegetables like carrots or corn. I went with some friends of mine here in Kitale on an evangelistic mission to some Pokot villages about a four hour drive northwest of Kitale. We loaded up the vehicle with drinking water, bananas, pasta and tents and headed out. We camped near one of the villages for three days. It was quite the adventure (not your RV camping in a nice, clean campground we like so much in the

States). While the scenery was beautiful our focus was on the precious Pokot people. We wanted to be able to spread the gospel in this area of the world. One of the main ways we did this was to show the "Jesus Film" in the Pokot language. I have battery powered equipment that enables us to show the film and so we took it along and showed it to all the villages we visited. Usually things shut down at night in a Pokot village and people go to bed because there is nothing else to do. At night it was so dark I couldn't find my way around even with a flashlight (although somehow they manage to walk miles from village to village at night in the complete dark and with no paths). But on the nights we showed the Jesus Film I think the entire village would come out. You can imagine the novelty of such a thing for people who haven't seen any type of electronic gadget their entire lives. They would all come out in the complete darkness, sit on the ground or rocks and watch as the film showed them the life and teaching of Jesus from the book of Luke.

One of the villages turned out to be my favorite one to visit. After we arrived they slaughtered a goat and we all ate together (I'm sparing you the pictures of that gruesome event). They roasted it over the fire and it turned out pretty good (as far as goat meat goes, which I've never had really good goat meat yet). Then later that night we showed the Jesus Film. This village was very animated and vocal. When Peter denied Jesus they laughed (a strange but common Kenyan reaction during this scene that I think happens because they don't know what else to do). But what was most exciting was they would cheer loudly and clap whenever Jesus would do something like heal someone, cast out a demon or calm the storm. They cheered especially loud when Jesus rose from the dead. In all, it was a good trip and I pray that the gospel will take effect in their lives for salvation. Another trip is planned to a different part of Pokot later this year in November.

Until next month, beloved. May God's peace and joy be with you.

Roger, Julie, Emily, Amy and Josiah Tate

Church Is Outgrowing Its Facility ... Four Evangelism Teams Go Out ...

Dear Friends, September 9, 2010

The leaders from our church met with me after the morning services on Sunday the 5th of September. The church I pastor here has grown, actually, outgrown its facilities. We have not been able to obtain property or larger facilities, but have needed to expand for a couple of years. In our meeting we discussed starting a new work by multiplying into two congregations. We plan to rent a place that fits our needs now and either buy or move to larger facilities as the new work grows. After our leaders met and prayed, we shared our plans with the congregation. They also felt that this was God's direction for us as a church and voted to support this new outreach ministry with their prayers and resources. Charlene and I will head up the leadership team of this new work, but continue to work hand-in-hand with my co-pastor who will stay to be the senior pastor of our sending church. We are very excited about this development. We are praying seeking the Lord's leadership as to location and team members to work with us. We want to work with those who are truly committed to doing their best, but we don't want to hurt the mother church by taking all the cream.

Three of our four evangelism teams were out on the highways this past month. They had the opportunity to share the Gospel in seventeen public schools in two different states. There were over 10,000 students who attended the rallies where the

Word of God was shared and several hundreds more attended the presentations that were done in the public square on the weekends. We never want to take for granted this wonderful open door of ministry that we have at present, especially in light of the fact that this privilege is becoming very rare in this world.

My son, Brennan, and I, went camping this past holiday weekend with another father and his three sons. We also took along another boy about their age. Our first night didn't go too well. We called ahead to check out the campground and were told that there would be just a few other campers and we already knew that the place was large enough for many. What we didn't know was that the campground owner's son's rock band would show up. Around 8:00 pm they started testing their sound equipment and the "music" didn't stop until 2:45 am. Worse, the band had set up their tents near ours. While they were playing hours on end, it had been raining. Someone in the band had left their tent flap open and it had rained inside for several hours. Evidently the leader of the group, one young man became furious and started cursing the others for what seemed to be an hour. Eventually, they found someplace else to spend the rest of the morning hours, but we had already lost most of the night's sleep by then. I politely complained to the proprietors the next day and they were very apologetic and gave us two nights of camping for free. That first one was wasted, but the beautiful day and night that followed and the band's leaving the next day turned the bad experience into a good one. We were able to teach our sons the lesson from Proverbs that a foolish son brings shame on his parents, and we also didn't have to pay for our camp. Leave it to the Lord to confirm Romans 8:28.

In Christ's love,

Bobby, Charlene and Brennan Wacaser

Dear Brethren, September 8, 2010

When I returned from my visit to Brazil last November, I shared with Brother David Parks that I had come to the conclusion that the Lord did not want me to work in that country any longer. At that time David invited me to work with him in the work of Baptist Faith Missions, and I asked if that would necessitate my moving to Lexington. For the past ten months I have been trying to get an answer from him, and of course he did not want to tell me what the will of the Lord is for my life. While having lunch with David and his family one day, plans were discussed, and we all came to the conclusion that the move was needed. I have rented a house and am in the process of packing, but do not know when the move will be made.

On August 22nd I met with my pastor, Brother Ed Massey, to inform him of my intentions and he gave me his approval, and cooperation. He also asked me to return from time to time to finish the study of the book of Revelation. He also left it up to me as to when I would advise the church of my intentions. Then on August 30th, I rented a house.

On the fifth Sunday of August I had the privilege of preaching the morning and afternoon service at Calvary Baptist Church, in Richmond, Kentucky, where Brother Bobby Greene is pastor, and where Betty and I were members before moving to Science Hill. It was very good for me and trust they also were blessed somewhat.

Last Saturday Brother Parks and I traveled to Springfield, Illinois, to attend and preach on the Labor Day Missions Conference. During the conference we also witnessed the transition of the change of pastors. Pastor Cliff Pressley had resigned due to health problems and Brother Dan Hillard was installed as the new pastor. The Labor Day Conference at East Keys Baptist Church is one that every pastor should attend.

Look for my new address in future issues of the Mission Sheets.

In His Name, Bobby D. Creiglow

ANITA

(From Page Six)

vomiting and nausea, taxis to and from the hospital, food and a place to stay while in Lima are completely out of reach for her family. The family is helping as much as possible. During her first treatment, she could not eat without vomiting. Her older brother was able to buy her a can of powdered Ensure. She has been able to keep that down. The Ensure cost \$28 a can and lasts only a few days. I am sure they will not be able to continue to buy all the Ensure she will need.

Dany's chemo treatments are given in rounds of five consecutive days, then three days of rest, another treatment, rest, another treatment, wait two days to do blood work to see if she can continue and then an appointment with the doctor. With this schedule she must stay in Lima.

God has been gracious to lead us to some apartments that are rented by the day, week or month. The owners have been so good to help us with the cost. The apartment for Dany is normally \$70 per day, but due to the circumstances, they are charging us \$35 per day. This doesn't seem like much, but when you multiply this by ninety, (the three months she will have to be in Lima), it really adds up. We have already covered \$1,500 of this amount. They are giving us a discount also.

Our cost is \$53 per day. With the upcoming expenses of my stay in Lima, it has become necessary to seek help for Dany. Her mother is staying with her, helping to get her to the hospital and seeing to her personal needs.

This letter is meant to be informative of Dany's situation. If you would like to help us with the expenses, it would be greatly appreciated.

Perhaps some of you are involved with Sunday School classes, Bible study groups or other groups who would like to help as a group project. We do not want to impose on anyone, simply give anyone who wishes a chance to help a very needy young lady. If you would like to help, it may be sent to the address below. Please note that it is help for Dany Luz.

Thank you for reading this. Whether or not you are able to be of financial help, please pray for Dany and her family. God has never failed to provide for our needs or those of anyone He has put in our path to help. We trust Him.

May God bless you richly, Anita Stanton

B.F.M. - Our Purpose and Mission

Baptist Faith Missions assists Baptist churches to send God-called missionaries to fulfill church-planting missions in the nations of the world.

We believe that "essential Great Commission missions" is to preach the Gospel, evangelize, baptize disciples, establish Baptist churches, and train the disciples to obey everything that our Lord Jesus Christ has commanded.

While we believe that all other outreach ministries and services may accomplish good works and meet worthwhile social and spiritual needs, we believe that our purpose, scope, and focus should concentrate on essential Great Commission Gospel missions.

Dear Fellow Laborers, September 6, 2010

We thank God for you daily and are glad to communicate with you what God has been doing in France through the ministry in which you participate through your giving and prayers. During the past month we have continued to see the Lord's blessings in a number of ways. We continue to have good attendance in the Sunday services. Along with those who regularly come we have also had visitors.

Rita, the young lady that was recently baptized, brought a co-worker last Sunday. Valerie was very attentive and indicated that she would be back the next time that she did not have to work on Sunday. It is good to see young disciples who are active in bringing others to Christ.

Saturday we had the first ever "youth meeting." There were ten young folks present. Three of these are semi-regular attenders, four we met for the first time and the others have come in the past. We were very encouraged. This is an age group that we have not had much success infiltrating up until now. We have a good ministry to younger children and the Lord has given us good opportunities with adults, but it is hard to reach an age group when you don't have others of that same age in the congregation. This is changing in our situation and we are grateful because in the early teens many young people are quite open

and are making important decisions in their lives. We are planning on having special meetings for them on a regular basis. The next one will take place about the time you read this letter. Would you pause for just a moment and pray for these young people?

This brings us to another problem: when can we schedule more meetings? Folks are much more willing to come if events are scheduled on non-school nights and these are at a premium. We do use Wednesday afternoons for children's ministries as there is no school here on Wednesday afternoon.

Philip and Amanda returned from their visit to the US the week before last. It is quite a blessing to have them working with us. Philip supports the family working as an engineer. They were sent out by our home church, Emmanuel Baptist Church of Evansville, Indiana.

When I finish this letter I will be answering an eighty year old lady, Nicole, whom I have never met, who lives in the Paris area (a long way from us). She was referred to me by a young French lady that we have mentioned in the past, Aude. Nicole has written me eleven legal size pages filled with questions about spiritual matters. Her daughter and husband both died of cancer a few years ago. She needs the Lord. Would you pray for her and our ministry to her?

Next week we will be leaving for Manaus, Brazil, where we will be for two weeks with the Chapada Baptist Church. This church of which I was a charter member along with most of our family is celebrating fifty years. They are having a four day conference to encourage outreach and will be having guests from many different parts of Brazil. The church has helped meet the expenses of many who are to be there. This church was the first church start by Dad during his early ministry with Baptist Faith Missions in Brazil. Some of you supported this endeavor which God has greatly blessed.

Gratefully in Christ,
John and Judy Hatcher

Anita Stanton's Letter . . .

As most of you have been suffering from the heat of summer, Sheridan and I were freezing in Lima! On August 3rd, we had the joy of receiving a group of nine wonderful people from Bradenton, Florida. They were with us in Huanuco until August 10th, when we traveled to Lima. Sheridan and the group continued on to Cuzco to see Machu Picchu, one of the Seven Wonders of the World and tour the city.

While they were in Cusco, I stayed in Lima to do my three month cancer checkup. For about six months my tumor marker has been climbing. When I had my blood work done on August 11th, it was even higher. This is an indication that something is going on. My oncologist ordered a series of tests and scans to try to begin to eliminate causes. He had told me that some people are very sensitive to the marker, which is good, because early detection can be obtained. He also told me that inflammations or infections can cause the marker to rise.

With this knowledge, we started the tests. After almost a two week stay in Lima, the tests proved to be negative for cancer. There was some inflammation in the sinus cavities so he sent me to an ENT doctor. After a miserable exam, (running a scope down each nostril and into the throat!!!), he found nothing that would be a cause for the tumor marker to rise. I also had an appointment with an orthopedic doctor. Knowing that my feet are always swollen and the problems with bunions, hammer toes and neuromas, we are considering that possibly this is a cause. I have had problems with my feet for years. Actually, when we came to the States in 2008, my intention was to have my feet operated on. I was diagnosed with cancer and that made me forget about the feet!

The orthopedic doctor ordered another long series of tests and scans. After getting the results of these, and seeing

how really bad my feet are, I have decided to have surgery. Being frugal, I thought since we had already more than covered our deductible for insurance for this year, I should take advantage of getting my feet back to normal.

I will have to stay in Lima for about three weeks per foot. We plan to do the first foot around September 15th. We will see how quickly I heal and am able to walk before setting a date for the second surgery. I am not looking forward to surgery, but I am certainly looking forward to walking without pain and being able to get my foot into an enclosed shoe!

The stays in Lima get very expensive, which brings me to the point of this letter. As some of you know, we are helping a twenty-three-year-old young woman with her cancer treatment. Dany is the girl many of you helped seven years ago with an open-heart surgery at the age of sixteen. She is now going through chemotherapy for ovarian cancer. We promised to help her financially, specifically with her stay in Lima.

It is our joy to help her, and my cancer treatment experience has helped in many ways to explain what is going to happen and how she will feel. About ten days ago, I was with her when she had to have her head shaved. It was very emotional for us both, but I told her that the shaving was the worst part! It seems that once it is done, the patient is more relieved and it is easier to accept. That was the case with Dany. We were able to get her a wig at the same place. She walked out looking like nothing had occurred! She is doing well in that area.

Dany's father abandoned the family many years ago. Her family is not poverty stricken, but they do not have much more than their daily needs. The tremendous costs of treatment, medicines to help with

Dear Friends, August 31, 2010

Since my last letter of July 6th, many things have happened; let me share.

Clara Jain Puckett, our granddaughter was born on July 22, weighing 7 lbs, 10 oz and 19 inches long. She had a lot of hair and looks just like her older brother, Jack (who looks just like his Papaw!). Our daughter, Leah, and the baby are both doing very well.

Anita and I hope to be able to travel next year to the States in order to see this precious little gift from God. Little Clara makes four grandkids for Anita and me, and all of them are healthy and growing up in Christian homes. We are blessed beyond measure.

On August 3rd, I traveled to Lima, the capital city of Peru, to receive a mission team from the Grace Baptist Church of Bradenton, Florida. Pastor Jim Burnham, his wife, and seven others came down to help clear some property for a new mission work in Acomayo, and also to take part in the organization of the Grace Baptist Church in Aucayacu on

expensive). But the results came back negative; no trace of cancer anywhere!!!! We rejoiced in the results and thanked our Heavenly Father for his goodness. However, something is making the number climb and the doctors have told us that any type of inflammation in the body could possibly affect the number. Anita has suffered for many years with arthritis, bunions, hammer toes, and Morton's neuromas in both of her feet, so we are planning on having her feet operated on as soon as financially possible. We thank everyone for your prayers concerning her health and we ask that you continue to pray. God is good, all the time!

Seven years ago many of you helped with the open-heart surgery for a young sixteen year old girl, Danitza Presentation. Well, Dany is now twenty-three and has ovarian cancer. She has already had one ovary removed, is in the midst of chemotherapy, and has lost her hair. Through all of this, she continues to trust the Lord.

My wife, Anita, has written a special letter (attached with this letter) explaining in more detail Danitza's situation and how you can pray and help.

Here in Huanuco, The Calvary Baptist Mission where I pastor continues to be blessed of the Lord. Since my last letter we have seen four saved and we will be baptizing them next week (pictures in next letter). Many decisions to repent and walk closer with the Jesus have been made also. Brother Teofilo Prudencio has been such a blessing to me and to the work since becoming my co-pastor. He is a wonderful man of God and the church folks love him and his wife very much.

August 7th. Aucayacu is the town where I first felt my call to be a missionary in August of 1973. It was such a joy to be able to help Peruvian missionary, Alberto Fabian, in the organization of this new church and to participate in the ordination of their new pastor, Franz Cobak. Franz is a fine young man with zeal to serve the Lord. Please remember to pray for him and his wife, Nayra.

After a week of mission work, the team from Florida went on to Cusco, the ancient capital of the Inca Empire, and then on to Machu Picchu, one of the seven wonders of the world. God blessed them with great

weather for the entire two weeks they were in Peru. The day after they left, it turned very cold once again in Lima.

Anita accompanied the group to Lima where she had a scheduled checkup with her oncologist. Blood work showed that her tumor markers had risen to a level for concern. Therefore, after the mission team left we stayed another ten days in Lima undergoing a battery of expensive, out of pocket, tests (Pet-Scan being the most

We are still seeking God's leadership in the purchase of a piece of property for the Calvary Mission. As I said in the last letter, property prices have gone crazy here in Huanuco. It reminds me of the situation in the States before the property "bubble" burst. However, we are confident that the Lord has a piece of ground waiting for us; we just need to keep looking and be patient. Several of you give each month for the property fund and we thank the Lord so much for your love and generosity.

My Monday night Bible class for the local pastors continues through the book of Romans. We have a good time each week and it is exciting to be used of the Lord as a catalyst for them to go deeper into the Word. The fourteen national Peruvian missionaries that Anita and I support monthly, all had good reports this month. Some need motorcycles, some help with construction projects, but all are active preaching and souls are being saved all over Peru! Please continue to pray for these men, their families, and all the different fields of labor that God has called them to throughout Peru.

Well, this letter is getting too long. We keep on keeping on (although a bit slower the older we get!) and our great God keeps on blessing. Thanks again for all of your prayers and giving. Do not forget to read Anita's letter. Until next time.

In HIM by HIS grace,
Sheridan and Anita Stanton
