## 2010-11 THANKSGIVING OFFERING GOAL: \$100,000.00

We encourage every one of our missionaries' friends to be a "GIVING FRIEND" to the Thanksgiving Offering. Even if your church gives an offering from your church's treasury, we hope you will increase it by your personal contributions to the cause of world-wide Gospel missions.

We will continue also to encourage and appeal to you to help us meet our \$50,000 goal for our Monthly General Fund Offerings; but when we don't reach that monthly threshold, then the Thanksgiving Offering will help us cover those monthly shortfalls. But, we haven't increased our missionaries' very modest salaries or ministry expense accounts in years because we continue to struggle just to maintain our status quos.

So, PLEASE GIVE AS GOD HAS GIVEN TO YOU. Pray and ask the Lord what He wants you to give. "YOUR KINGDOM COME, YOUR WILL BE DONE ON EARTH AS IT IS IN HEAVEN." Financial times are tough for everyone. But, we don't live in a "closed system." Our God is still King of the whole world and He can give us what He wants us to give to Him. (2 Corinthians 9:8-11)

## SPECIAL OFFERING "IN HONOR OF EDWARD OVERBEY"

You may have noticed in last month's General Fund offerings [October issue], there were several offerings totaling \$1,725.00 designated "IN HONOR OF EDWARD OVERBEY." These offerings were given by members and friends of Heritage Baptist Church here in Lexington, Kentucky, where Brother Overbey is a member and where he has served as an Associate Pastor for the past several years.

Brother Overbey found it necessary to retire from the active ministry he has been performing at Heritage because of health reasons. His friends there hosted a reception in his honor. They also wanted to give him some kind of significant gift which would express, at least in part, the respect, appreciation, and affection they have for him.

But, the only gift Brother Overbey wanted was an offering to Baptist Faith Missions. So, they gave their gifts to him as designated offerings to BFM "IN HONOR OF EDWARD OVERBEY."

This is so like Brother Overbey. He contributed to the very first offering that

started Baptist Faith Missions back in 1942. His father was BFM's founder, Hafford Overbey, and when the elder Brother Overbey asked for the very first offering to support Joseph Brandon in Brazil, Edward Overbey gave to that offering. He doesn't remember now whether it was \$.50 or a whole dollar - but it was a significant offering for a young teenager. And, Brother Overbey has been giving personal offerings to missions in general, and Baptist Faith Missions in particular, ever since.

He has also given his lifetime of ministry and service to Baptist Faith Missions. He served as a Director of Baptist Faith Missions for over forty years and succeeded his father, Hafford Overbey, as Executive Secretary and served in that office for fourteen years (1982-1996). He resigned also from active service as Director of BFM this past April. But, we know he will continue to love Baptist Faith Missions and serve our missionaries any and every way he can as long as he lives.

Hello Friends, November 11, 2010

And the work goes on! What an AWESOME God we have. It is just great how things come together. With our new work it seems there is a never ending list of "things-to-do," but it's a wonderful problem to have. We have just about got the interior of our building habitable and having the appearance of a church. We have completed the pulpit and painted the walls, tiled the floor, arranged a sound-control area, put our name on the front of the building, we are fixing a kitchen, and next week we will install our permanent entrance doors. And along with all this you can imagine the mess that goes with "on-going" construction and renovation. Hey, I'm not complaining, I'm rejoicing! Continue to pray with us as the new work progresses.

Dear Brethren, November 2, 2010

Upon my move to Lexington, it seems there has been no end to the contacting, and the paper work to take care of all of the transitions with banks, insurances, utilities, etc. I think I have contacted most of them and am now in the followup process to make sure that all has been taken care of. Today I was able to acquire the services of a doctor and my first appointment will be next week on November 10th.

Before leaving Science Hill many months ago, I planned and set in motion the Seventh Annual Missions Conference for First Baptist Church, where Brother Ed Massey is pastor. The conference was held from Monday through Thursday during the last week of October and in my opinion every thing went very well with very good preaching from Missionary Ernest Lawson, Missionary Judson Hatcher, Pastor David Pitman and Pastor David Parks.

I will be on the road traveling during the month of November visiting Seventh Street Baptist Church, Cannelton, Indiana, Bible Baptist, Harrisburg, Illinois, Faith Baptist, Kirksville, Missouri, the Thanksgiving Conference, New Hope Baptist, and visiting family in Ohio before returning home. After that I do not plan to make other long trips, but will always be available to serve wherever the Lord would be pleased to use me.

In His Name, Bobby D. Creiglow

Dear Friends, November 8, 2010  
This has been a great month spiritually, but not so great physically for me. Alta, also, has some dental and gum problems. Praise the Lord they have been solved and she is feeling better.

On the 13<sup>th</sup> of September, we flew to Manaus to be with our sons and their families for a few days and to attend the Workers Conference at the Chapada Baptist Church. This Conference was held as part of the festivities celebrating fifty years of existence as a church.

Our son, David, and his wife, Pennie, are the spiritual leaders. This church was the first one we had the privilege to begin in Brazil. The church

has had several good pastors and the Lord has blessed through the years.

The church has just built a new building which will seat about four thousand people.

From September 22nd to 26th, the Chapada Church held a Conference for training workers in different areas. There were one hundred pastors who attended from eighteen States of Brazil. On the 50<sup>th</sup> Anniversary of the church, there were more than four thousand people present.

We praise God for His blessings on His work through the years. The Chapada Church has fourteen churches and missions in Manaus and other States. Our hearts were filled to overflowing with praise for our Lord.

**Will you take a moment now to praise Him for goodness and blessings? It is your work, also.**

Continue to pray for the new building at Assai. The builder of the prefabricated structure is dragging his feet. Pray that he will complete the structure soon.

Old age is not just creeping up; it has got us. But, we are still telling people that Jesus saves and trying to get a work started in the needy city of Assai. We need your prayers.

In His Love and Grace, John and Alta Hatcher

## B.F.M. - Our Purpose and Mission

Baptist Faith Missions assists Baptist churches to send God-called missionaries to fulfill church-planting missions in the nations of the world.

We believe that "essential Great Commission missions" is to preach the Gospel, evangelize, baptize disciples, establish Baptist churches, and train the disciples to obey everything that our Lord Jesus Christ has commanded.

While we believe that all other outreach ministries and services may accomplish good works and meet worthwhile social and spiritual needs, we believe that our purpose, scope, and focus should concentrate on essential Great Commission Gospel missions.

Dear Friends, November 11, 2010

There is a little saying that I use quite often when speaking to people of the circumstances in which they or we find ourselves: "If you're not dead or in hell, then you have reason to give thanks." I know that I am constantly receiving God's grace, but as the holiday of Thanksgiving comes around this year, I am all the more conscious of just how gracious the Lord is to us. Our health is great. My children know and love the Lord. My wife and I are happily married and have been for thirty years. We are privileged to be a part of one of the most godly and biblical mission organizations in the world. We are blessed to have been called of the Lord to serve Him fulltime in evangelism and church planting in maybe the most receptive nation in the world. With the advance of the internet, we have been able to connect with and share the gospel with old friends that we haven't seen or heard from in over thirty years.

Was there ever a generation or individuals as blessed as we? Yes, Lord, I am giving Thanks! You deserve it and so much more.

Our new church planting team met again this past Monday to discuss our next practical steps for launching our new work. Each team member (or married couple) is working at trying to meet new friends in the neighborhood and getting them interested in beginning a home Bible study until we have a facility (house or building) large enough to hold a congregation. Charlene and I were at the home of a family last night and we were very well received. They show a lot of interest and we pray that they will be the first to come to Christ in this new work. The other team members have said that they are meeting with folks also and they are hopeful that some will soon become followers of Christ.

Projeto Vida, our itinerant missions ministry, is out in full force into three different states and won't return until just before Christmas. One team is working in the public schools of some of the roughest neighborhoods of Rio de Janeiro. Rio has some very beautiful natural attractions such as its beaches and mountains, but at the same time, it has some of the saddest and dangerous living conditions in the world. Our team there is in constant need of prayer and God's provisions. We are so thankful that the Lord has given us the privilege of seeing hundreds of Rio's citizens come to saving faith in Jesus Christ and made a part of a local Baptist church there.

I spoke with Guilherme, the child prodigy, this past week about our plans to have him visit and learn at the Creation Research institutions this coming winter. We are trying to get all the needed arrangements made so that he and his mother (he will be fifteen years old when he travels) will not run into any major hindrances. They must get Visas, airline tickets, land travel and lodging and eating funds. Please consider giving so that this young man may have the opportunity to be exposed to in-depth science based on Biblical principles and return to Brazil where he will certainly be instrumental in shaping what is taught to this generation of youth. Guilherme's intelligence has been recognized nationwide and I believe his profound command of true science from a Biblical worldview would greatly help support the spread of the gospel in Brazil. If you feel so led to give, please label your offering "Wacaser/Guilherme."

Our next report should come out around the time that our daughter, Jessie, will be arriving from Florida to visit with us here in Curitiba, Brazil. We are so proud of her. It has been nearly two years since she left home to go study in the USA, and we have heard and seen how she has grown in Christ and remained faithful in her walk with Him without daddy and mama's oversight. She has also led several of her new friends to Christ and in true discipleship. Thank you, Lord! Nothing could make our heart more glad.

God bless you who pray and give so that we may live and serve in this corner of the harvest field.

In Christ's love,  
Bobby, Charlene and Brennen Wacaser

## Next Letter Will Be From The States ... Why Can's And Can'ts Are Important ...

Roger and Julie Tate  
P. O. Box 4150  
Kitale, Kenya 30200  
rojuta@gmail.com

Dear Brothers and Sisters in Christ,  
Greetings from East Africa: November 8, 2010

This will be the last letter I write to you from Africa for a while. The next one that I write to you I will be somewhere in the United States, although I don't know exactly where I will be at that time. My wife and children have already successfully and safely made the trek 8,000 miles west and are awaiting my return later. The main reasons I am staying on longer are: 1) To shut things down around here until we are able to return; and 2) So that I could head out off the map once again and visit the Pokot people northeast of Kitale. This trip will be much farther out than the last Pokot trip I made. This time I reckon the drive to be eight to ten hours out into the bush. I will be going with a friend of mine who was a former missionary to Kenya. We will be sharing with the Pokot people about church planting and starting churches in a Biblical way according to the book of Acts. I am looking forward to

the trip and am nervous over only one thing. By this time of year it is usually heading into the hot and dry season but we have had a lot of rain in Kitale and the roads are very muddy. I am praying right now for the roads on the way to Pokot to be traversable and not cause us many problems along the way. Of course, I am also praying that the Pokot people would hear and receive the message that we will be sharing with them.

Since this is the last letter I will write from Kenya for a few months, I thought I would share some important things the churches and I have learned over the past couple of years. I will briefly mention some things in this letter and then I plan on elaborating on them over the next couple of months while I am in the States. I will update you on how things are going in the States, but I gather that Stateside updates can be rather boring so I will also take those opportunities to expand my discussions on the things I've learned and the approach I will take when I return to Kenya. Thus, here are some things I've learned the hard way since leaving the States in January of 2008: 1) I CAN'T transport people back and forth from church services or other ministry events; 2) I CAN'T help (financially) everybody from the churches who asks me for help; 3) I CAN'T make all the decisions for the churches; 4) I CAN'T buy property and

## Make A Visit To Porto Walter ... Start New Work In Luzeiro ...

Michael and Beverly Creiglow  
Caixa Postal 24 69980-000  
Cruzeiro do Sul, Acre Brazil  
e-mail: mdcreig@hotmail.com

Dear Brethren, November 3, 2010

There wasn't room to report on one of my trips up river so here is that report and then some. In the middle of September I made a visit to Porto Walter. This town is about one hundred miles up the Jurua River. Last year we moved a new missionary couple there to take over the work. Alexandre and Rejane had three months of extra training here at First Baptist before we moved them. The work is finally taking off. Getting there this time was very difficult. The river is still very low and for that reason I had to go by myself. It took three hours longer than normal. Almost twice as long. It worked out though and the visit was great. We had good crowds in all services. In fact on Friday night the building was full. On Sunday morning I baptized fifteen people.

Then just a couple of weeks ago I went back to help them celebrate the sixteen years that we were finally able to get in there with the gospel. The trip this time was much easier as the river had come up three or four feet. That makes a huge difference. It only took me four and a half hours this time. Still more than normal, but lots better than almost eight hours! The first night it was raining and the lights were out for most of the service. In fact, the electricity went off just as I got to the pulpit and came back just as I finished. I had to preach using just my flashlight and swarms of big flying ants had come out because of the rain. There were hundreds of them crawling all over me, including my face and in my mouth. I have a ton of these stories to go into my memoirs, so let's just go on with the narrative. The next three services we were back to the

## HENSLEY

(From Page One)

We have already had our second baptism and are planning a date for our next one. How blessed we have been with growth. We are averaging in the high seventies and low eighties. We are praying about buying more chairs as we only have a hundred and have space for over 200.

You know I just love bragging on the Lord and how He works in our lives and the life of our church. Not only is all this work going on in the church building, but we have started a house church on Tuesday nights. This work is going AWESOMELY. We have met in this neighborhood for four weeks and have had in attendance the first week twenty plus; second week twenty plus; third week forty-four, and fourth week thirty-one. And just this past week we started a children's bible study on Saturday afternoon. We had around twenty-five in attendance. It is just great to see the children's interest in learning more about the Bible and hearing God's word. During the week we have discipleship two nights in our home. Other members are doing the same in their homes.

I've been talking a lot about the new work but let's not forget our training school. I have been working with four young men (boys) in the school. We are doing some woodworking and working in the key shop. The boys working with wood are anxious to have class every day, but I can only have class two days per week. The locksmith training is every day of the week for half the day. Lots of young boys here are interested in learning a trade and we are able to make a difference in a few young

twenty-first century. We had the building full for two of these services. On Sunday morning I baptized another ten people.

We are trying to get the church at Lagoinha to come back into closer fellowship with the other churches in the area. They had called their former pastor from an interdenominational seminary down in south Brazil. He had completely isolated them and stopped all mission work. Although I sent many invitations for him to come to our preachers meetings, he never showed. I never even got to meet him before he fell into adultery and was gone. Now they have called one of our local guys. He and some of my guys got together and started planning a service at the village centered around the government land office a few miles past the church location. They asked me to do the preaching. Our two churches worked together to set up equipment and do all the visitation/invitations. The service was on a Friday night. Bev was able to go with me. It rained big time just before services. We still had over one hundred fifty people present. Hopefully this will be the spark that will get the church there excited about missions again. We hope that they will establish a permanent preaching point at the Sede (pronounced "seh"- "gee"), as the village is called.

Some of our men have opened a new work at a place up river called Luzeiro. It is a village between two of our other works. For years there were just a couple of houses. Since a dirt road has been put in and electricity, the place has grown to a full fledged village. During the summer they have been going there on motorcycles. In a few more days they will have to fall back on boats. There have been several professions of faith already and the attendance has averaged seventy.

Things are going great at First Baptist, too. The last two Sundays we had seven saved and several requests for baptism. Last two Sundays the building have been packed in the 8 o'clock service. This past Sunday we did not have our 6:00 PM service because of the presidential election. The

(Please See Creiglow Page Four)

lives. One of our four boys just was suspended from our school because of behavioral problems in regular school. Not only are we teaching life skills but they are learning other things such as attitudes, church attendance, to have good grades at regular school, respect for others and other disciplines. These young men need to be a productive member at church at home and in the community. I am working with two of the young men and they are really opening up about their lives and family problems.

With all of this going on what are some of our more urgent prayer requests? First off we need a bus! Here a good used bus runs about \$30,000.00. Also we are holding Sunday School classes outside and this means that we need more class rooms. We are trying to keep all of this in prospective as this building is rented. We need property for our future so we can build our own church building. And as we are looking to that end we have been looking for lots. We have had a petroleum company move into our town so that means that prices have gone up on many things but not the salaries of our people. But that means that the price of land has sky rocketed. So you can see that purchasing land is a dream (a great prayer request), but nothing is impossible for our God.

Well I will hush for now but will just say "U-all come!" Come on down and see and experience a new work start, see the love and excitement, and how the Lord is working in such an AWESOME manner. Continue to pray for us. THANKS for your financial support and prayers. Without your help this work would not have this success.

In His service, A. J. and Barbara Hensley

## Children's Day A Complete Success ... Teacher Comes To Teach Kids Music ...

Dear Brother and Sisters, November 6, 2010

We are doing great and hope that all of you are also being blessed of the Lord. Joy comes through serving our Savior and not in how we feel. Knowing that God is faithful to us each day should bring joy to all of us. If God were to give up on us for just a few seconds we would be in total despair. What a wonderful God we have the privilege to serve.

Here in Brazil there is a day dedicated for the children like there is for Father's and Mother's Day. It is on October the 12th. We had a special day for the kids Sunday afternoon from noon to 6 p.m. We had one hundred and fifty kids under thirteen years old. There were about sixty more people fourteen years and older. We put ribbons with their names on all the kids thirteen and under. Also we wrote their names on labels that were later put on bags with treats for the scavenger hunt. At the end of the day the kids had to hunt for the bag with their own name on it and not take any one else's. What a challenge! Well actually that went pretty well. I believe there were only three or four that we did not find. We had many parents that came with their children. We had two mothers that came and asked me if they could come to church with their kids. I told them that not only could they come but that they actually should come with their children. That coming to church as a family was very important. We had all kinds of activities. Our church has lots of young adults. The games that we used were made by the youth. Every one put effort in their work and the results were great.

We had hot dogs, popcorn, cotton candy and fresh juice for every one. Of course that always goes over well. Eating is everyone's favorite hobby. Before the hunt we gathered every one to give the instructions on how the hunt was going to be. But before we did that, we sang some songs and then the youth did a drama of the prodigal son and I shared the gospel with all those there.

The very first day of class

Kid's corner

Children's Day

Good time clowning around

On that day we had several adults to come with their children. After all that was finished those from church and those who live here with us at Alpha and Omega played some ball and just had a great time of fellowship. It was a great day and God gave us an absolutely gorgeous day. The weather could have not been better. Enjoy the pictures. I even got dressed as a clown.

We have had three mothers that have been coming with their children since that Sunday. Our desire is that we can get more and more parents to come with their children. Most of these people are Catholics because they were born in those families. So they have no beliefs at all, they just live life as it comes and strive for material and earthly gain. This coming week is Memorial Day here. We have planned a special dinner. Each member of the church must bring at least one visitor. Two weeks ago I asked each member in church to write the name of at least one person that they were going to try to bring to the dinner. Each person invited is going to have their name at the table setting along with the person who invited them. We are anxious to see what is going to happen. It seems as though most every one is working hard to get their visitor to come. The goal is to bring new people that have not been to any of your church's services and dinners.

Something exciting is happening in our church. Here in Brazil music is not taught in school like it is in the U.S., so there are very few people that play instruments. A pastor friend of ours told us about a teacher that went to his church and was teaching the kids at his church. We contacted him and he said he would come to our church also. WOW! He just asked for money to pay for his gas. We could not ask for anything more. We have some studying piano, guitar, bass, drums and voice lessons. He is a great teacher and has everyone really excited about learning. We praise God for this opportunity that he has given the members of our church. Our three boys are also studying. Our son, Gabriel, who already plays drums in church, is learning how to read music also. Tito is taking guitar lessons and Jonas drums. The oldest student is Mrs. Fatima and she is learning bass. We were totally surprised when she asked to take bass lessons, especially since she is very quiet. Thanks for your prayers and support. May God bless each of you and your families.

In Christ,

Odali and Kathy Barros

CREIGLOW

(From Page Three)

polls closed at 6:00 PM and many of our members and others had to work.

By the way, our new president is a former non repentant communist terrorist. Back in 1969 she participated in the kidnapping of the American ambassador to Brazil! She is also proabortion, for gay marriage, anti-American, free press and is still a strong socialist, with all the economic baggage that goes along with that. Many of you probably suspect that the US government is leaning toward socialism, but you are still several miles "right" of us here in Brazil. I'll pray for you if you'll pray for me! Thanks for all of your prayers and support. God bless you as much as He has us.

In Christ, Mike Creiglow

## Wonderful To Be Back In The States ... Please Continue To Pray For Rafiki ...

Nathan and Carrie Radford  
315 College Street  
Youngsville, PA 16371  
email: naterad@yahoo.com

Dear praying friends, November 10, 2010

Another month has come and passed so quickly, and we are now near the end of the year 2010. It seems that time goes so quickly, and Lord willing, soon we will be in the year 2011. May we ever be mindful of the opportunities that the Lord gives us to serve Him and to be mindful of the time we have to give our lives in service to Him. This prayer letter will give a current ministry update, a family update, as well as share prayer requests.

It is great to be back in our home country of the United States of America. Although we miss the people of Kenya and the ministries there, we are also happy to be home and get to spend valuable time with friends and family, as well as those who pray for us and sacrificially give to support us. Each of you are such an important part of the ministry in Kenya and we thank the Lord for you. We could not do it without your help. The Lord has provided a place for us to stay in West Virginia beginning in January, as well as a vehicle and the majority of the furnishings. We wish to thank each of you for your assistance, as it has really helped us in the transition back to our home country and getting settled in for our furlough. May God bless each of you who have assisted us in any way with our furlough needs. Thank you for being so mindful of the needs of missionaries. Philippians 4:19 says, "But my God shall supply all your need according to his riches in glory by Christ Jesus." What a precious promise from the Word of God this is, that we can trust Him to provide for our needs.

Please continue to pray for the ministries in Kenya in our absence. The ministry in Rafiki is continuing presently through a Kenyan that was trained in the Bible Institute and who had gone repeatedly to Rafiki to minister there, so we ask you to pray for him and the people there. They are continuing independently of me in any way, and I am sure this is a test of faith for them, so we ask you to

pray for them, that they would be indigenous and stand on their own in my absence. This is a challenge, as the country is dependent, but prayer would be much appreciated for this ministry as I am now in the States for an extended period of time.

Also, please continue to pray for the other ministries, both the annex prison and the hospital ministry, in our absence. We wish to thank anyone who has come personally to see these ministries firsthand, sent supplies to be given to the ministries, prayed for or financially supported the works. May God bless each of you so much. We will keep you updated.

Please also continue to pray for Carrie and the pregnancy, as she is due the second week of February 2011. So far, all is progressing well, for which we thank the Lord. What a blessing children are and we ask you to pray that this new one would also continue to develop well in the womb. 1 Samuel 1:27 states, "For this child I prayed; and the LORD hath given me my petition which I asked of him." We thank each of you for continuing to remember the new little one in prayer as well as for Carrie and her health during the pregnancy.

Please also pray for us and our health as we have both individuals and churches to visit while we are home. Please also pray for the vehicle, that it would do well traveling and not have any major maintenance issues.

Please also pray for me as I begin to contact churches and pastors, that the Lord would lead and guide us in these endeavors. I plan to send a dvd of our ministry out soon, so please also pray that these will all arrive well without any problems where they are designated to go.

In closing, during this Thanksgiving season, may we ever be mindful to be thankful of the many blessings that God has given us. There are so many things to be thankful for, such as family, health, the Lord's provisions, and opportunities that He gives us to serve Him. 1 Thessalonians 5:18 says, "In every thing give thanks: for this is the will of God in Christ Jesus concerning you." We wish each of you a great Thanksgiving holiday as well as Christmas holiday next month. May God bless each of you. Please note our new address in the States.

Serving in Kenya,  
Nathan and Carrie Radford

## TATE

(From Page Two)

build buildings for new churches; 5) I CAN'T pay the pastors of any of the churches; 6) I CAN'T help the pastors with income generating projects; 7) I CAN'T provide everything that is necessary for a ministry to run; and 8) I CAN'T allow the churches to look to me for their continued sustenance. Those are the negatives. Here are the positives: 1) I CAN train a new church for action and not just doctrine; 2) I CAN train leaders to take responsibility of their churches; 3) I CAN train churches for reproduction; 4) I CAN train churches to be independent and self-sufficient; 5) I CAN eliminate all non-reproducible elements; and 6) I CAN continually point to God's word.

If you don't fully understand why all these can's and can't's are important, stay tuned. I'll try and explain them more fully while I am writing boring Stateside updates in the following months.

Until next month, beloved. May God's peace and joy be with you.

Dear Brothers and Sisters, Nov. 10, 2010  
Greetings in the Name of our Lord. We Hope the the Thanksgiving Conference has proved a blessing to all who attended. We appreciate New Hope Baptist Church for their hosting of this annual conference.

The Lord continues to bless the work here. One of the main events of the past month was Vacation Bible School. Though the attendance was not as high as we have had in the past because some families were out of town, the fourteen children who came did not miss a day. This made it possible to have good continuity. Four of the children who attended had never been in Sunday School or Vacation Bible School in the past. The mother of two of these new children came with her children two days and showed quite an interest. She said that she plans on coming to Sunday Services.

The theme for the Bible Study this year was "Jesus said, I am the Bread of Life, Resurrection and the Life, Good Shepherd, and Light of the World." The missionary story was a history of missions in the Amazon. This revolved around Francisco Santiago the first believer under the ministry of Joseph F. Brandon, the first missionary with Baptist Faith Missions. Francisco Santiago was the pastor who baptized me. The children were enthralled by the pictures of the Amazon.

We want to again express our thankfulness to the young folks of Concord Baptist Church who gave part of their Vacation Bible School offering for the support of the Vacation Bible School here in France. It is important for children to realize that they can serve the Lord.

The five Bible studies and the children's club are going well as are the Sunday services. There is a new couple that has been coming regularly on Sundays who were just blessed with the birth of their first child. The mother professes to be a believer but not the father. However, this young man expresses an interest and we hope that he will soon trust the Lord.

Thank you for your faithful support. May the Lord richly bless your service where you are as well.

Your servants for Christ sake,  
John and Judy Hatcher
