A NEW TESTAMENT BAPTIST FAITH MISSION WORK, JUST LIKE THE LORD JESUS COMMISSIONED HIS CHURCHES TO DO

VOL. NO. 71

NOVEMBER 2011

NO. 11

2011-12 THANKSGIVING OFFERING | GOAL: \$100,000.00

PLEASE GIVE AS GENEROUS AN OFFERING AS THE LORD ENABLES YOU TO GIVE. PRAY - PURPOSE - PLAN - PREPARE - PERFORM
(Please read 2 Corinthians, chapters 8-9).

We started emphasizing our need to stabilize our monthly General Fund giving back during the 2008 Spring Conference. We called it MONTHLY GENERAL FUND SOLVENCY. Our goal was - and is - to increase our monthly General Fund giving to supply at least the \$44,000.00 we need each month just to provide our missionaries with their salaries, standard expense accounts, hospitalization premiums, and Mission Sheets correspondence with you, their faithful supporters. We call those commitments ESSENTIAL MAINTENANCE TRANSACTIONS, [EMT, for short], or TIER 1 disbursements.

We knew when we introduced that emphasis that it might jeopardize some of our giving to the Thanksgiving Offering. We hoped and prayed it would not, but we knew that possibility existed. We still continue to pray to God - and appeal to you - that we maintain equal and simultaneous focus on both our MONTHLY GENERAL FUND SOLVENCY and our THANKSGIVING OFFERING.

We also need a very generous Thanksgiving Offering to supply all the other "TIER 2" disbursements we have committed to our missionaries from the General Fund. Those disbursements amount to an additional monthly average of \$5000-6000 per month.

I have just received and processed our offerings from October. Our giving to the General Fund during October was down significantly. I have just done the preliminary calculations for our missionaries' monthly deposits. I will need to make an additional deduction of \$10,545.55 from what I would ordinarily deposit to their accounts. I will

do that by deducting an amount that is proportionate to the offerings they receive designated to them by name.

We deeply regret having to do this - but the funds to supply the commitments we have made to them are not in the checking account. We will barely make it through the next two months with the few dollars we have remaining from last year's Thanksgiving Offering.

WE KNOW THAT YOU ARE GIVING WHAT IS BEING GIVEN - and we bless and thank God for each one of you and for each one of your offerings. We know that we are appealing to the same ones who are doing the present giving, and, we also know that many of you are struggling to make all your own ends meet...and not too successfully either. We pray for you - that our God will provide all your needs according to His riches in Glory by Christ Jesus.

• PLEASE CONTINUE TO PRAY TO GOD TO GIVE YOU SOMETHING TO GIVE. Review "AN APPEAL TO PRAY IN CONCERT" from the September issue of the Mission Sheets - or on our website: www.baptistfaithmissions.org on the Faith Works page, September archives.

• PLEASE CONTINUE TO REMEMBER THAT, HUMANLY SPEAKING, WE ARE ALL OUR MISSIONARIES HAVE TO SUPPORT THEM. Every missionary needs a committed and faithful support base. There are many good, Godly, and faithful missionaries serving our Lord all around the world - and every one of them needs sufficient support. THE MISSIONARIES SERVING IN PARTNERSHIP WITH BFM HAVE NO OTHER SUPPORTERS BUT US. We must be faithful to them.

• PLEASE CONTINUE TO GIVE TO THE GLORY OF GOD. Keep your focus on God's Glory and pleasure! God is glorified when His Gospel is preached to all the nations and peoples of the world. Jesus Christ receives love, worship, and honor when sinners are saved and brought to God. God is pleased when we share His heart to tell everyone in the world about His Glory. God's pleasure and joy is, "Oh, let the nations be glad and sing for joy!" [Psalm 67.4].

\$50,000.00 MONTHLY GENERAL FUND GOAL

Please continue to concentrate your giving to the General Fund which supplies the monthly commitments we have made to our missionaries. Without sufficient General Fund offerings, the base support for our missionaries' essential needs is deficient.

"HOW CAN I GIVE TO THE THANKSGIVING OFFERING?"

We encourage every Giving Friend to make a personal offering to the Thanksgiving Offering. IT IS NEVER TOO LATE - we keep our Thanksgiving Offering open all year long. NO OFFERING IS INSIGNIFICANT. All of our offerings together - of whatever amount - make up the total and make it work.

• SOME CHURCHES DESIGNATE AN AMOUNT TO BE GIVEN FROM THEIR CHURCH TREASURY. Of course, these gifts come from the offerings the church members have given.

• SOME CHURCHES ALSO GIVE THEIR MEMBERS THE OPPORTUNITY TO ADD PERSONAL OFFERINGS TO WHAT THEY HAVE CHOSEN TO GIVE FROM THEIR TREASURY - increasing their church's total offering by those gifts.

• IF YOU ARE ALREADY GIVING A PERSONAL GIFT TO THE THANKSGIVING OFFERING PLEASE GIVE AS GENEROUS AN OFFERING AS YOU CAN. Many of you already give hundreds and even thousands of dollars in personal gifts to the Thanksgiving Offering - either directly to BFM or through your church's offering. It would not be what it is without your gift.

• IF YOU ARE NOT PRESENTLY GIVING A PERSONAL OFFERING TO THE THANKSGIVING OFFERING WOULD YOU COMMIT TO BEGIN? Pray and ask the Lord how He wants you to purpose in your own heart. Then follow His prompting. Can you give the equivalent of \$1 a day for the year? Can you give the equivalent of \$1 per week for the year? The important step is TO BEGIN GIVING.

Dear Friends, November 9, 2011

We are thankful every day of the year for all of God's mercies and gifts, but the month of November reminds us doubly of all that He has gifted us with. We are truly amazed at how mighty He is and how gracious to give us the privilege of living for Him and serving Him in this calling.

I had a lot of fun since our last report. At our new church construction site I worked with a visiting volunteer from another state of Brazil. He is more of the computer type than he is the physical labor type, but he was game enough to accept an invitation to help prepare our floors for pouring concrete. We had to do some digging in some hard packed rock littered red clay for several hours. Then we had to haul a dumptruck load of sand from one location to another by wheelbarrow. Then we had to level and packdown the floors for final preparation. By the end of one day, our visitor said he couldn't even hold a shovel tight enough to lift it up. He had to spend a couple of days off so that he could use the keyboard again to help us prepare to record a soundtrack for an evangelistic skit we're working on.

We have found a way to get our concrete for our floor much cheaper. It will require some awful working hours and will make it difficult to find available workers, but we can hardly pass up the savings. The concrete company often has a few extra cubic yards of concrete left over at the end of the day. Rather than return to their factory and pour the excess material on the ground to harden and take up space, they prefer to have customers who will accept this material at the end of the day for a fraction of the retail cost. We will have to begin to pour quickly-hardening concrete after 6:00 pm and haul it by wheelbarrow loads to the desired spots because the company only dumps it all at one time in a convenient spot for them to get rid of their load and get back to the company to clean up their trucks.

The savings for us will be tremendous, though, so pray for us to have the strength reserves to go long days at strenuous work.

I want to reiterate my earlier request for football players who would be willing to use the athletic skills for sharing the gospel. I will be meeting with the chaplain for the Tampa Bay Buccaneers tomorrow, November 10th, to discuss the details on how we can have professional and amateur players and coaches use football as a platform to take God's word through their testimonies and attitudes to the fledgling Brazilian Football League. If you know of any young men who might be interested in such an opportunity, please contact me at the numbers above.

Our Project Life evangelistic teams will be out on the highways and into several

THEME: "...the Lord has called us for to preach the Gospel unto them" Acts 16.10

We encourage each church to pay the travel and motel expenses for at least your pastor and his wife to attend our Conferences - and also others if they can come. Attendance and participation in our Conferences is essential to increasing our mutual interest, investment, and involvement in our missionaries'

ministries. We use the occasions of our Conferences to inspire and encourage one another from the Word of God and also to provide the latest updates and reports relating to our missionaries' activities and needs. We all need this mutual stirring up of one another to this love and good works. Please come and join us.

We pray generally for all of you who support us and personally for those that we know have special needs or who request that we pray for them. If you have special needs and would like for us to pray for you, feel free to contact us. Our email and regular addresses are given in the heading.

Last week we held Vacation Bible School here in our home. We were very encouraged by a good attendance. The children were very attentive. One mother from the neighborhood came each day and sat in on the stories. We have found that the activities for children are often a venue to share the Good News with the parents. We always invite the parents to stay if they would like.

We hope that the Thanksgiving Conference will be a blessing to all who attend. Thanks New Hope Baptist Church for your

Dear friends and family, November 2, 2011

I thought some of you would enjoy seeing a current picture of our son and daughter, Joshua and Leah. Most of our supporters still remember them as young kids, but they are now in their mid-thirties, each married with "young kids" of their own! This picture was taken in

July while they attended my father's funeral service in Tennessee.

We had two young women place their trust in Jesus Christ as their Savior over the past two months at the Calvary Baptist Mission Church here in the Andes Mountains of Huanuco, Peru. Looking over my records it appears the median age for someone trusting Christ at this work has been between eighteen and twenty-five years of age. This mission work has an excellent group of young folks that are hungry to learn more of God's Word.

Recently I began a Discipleship class on Saturday afternoon at their request. Four young men and four young women attend

and eagerly participate as I teach them how to disciple others in the truths of God's Word. When I told them they would receive a Certificate in Discipleship from the Baptist Institute of Biblical Studies they got excited; until I told them what their final test would be - they had to disciple me! A few of the girls looked petrified but they all rose to the challenge and are working hard. Please pray for this enthusiastic group of young Christians that they will continue to devote themselves to their studies. They are the future of this work.

Anita and I have always been involved in planting new churches during our twenty-nine years here in Peru. Over the years, we have seen numerous churches in the States as well as some here in Peru flourish for a time, only to split, die or cripple themselves in legalism. I attribute this to pastors assuming that their congregations are sound in doctrine because they have taught

sound doctrine from the pulpit. A fatal assumption for sure! I read somewhere years ago that only fifteen percent of the people are actually tuned in and listening at any one moment during the preaching service. Folks can be looking right at you and be thinking about lunch, football, the naughty child behind them, their aching feet or any number of other distractions. There is a tendency for the human mind to drift in and out while being taught, whether at school or at church. Nothing can properly replace the true learning experience of personal instruction where dialogue and questioning are part of the process. Testing, whether formal or informal, is necessary to insure that knowledge of Biblical truth has been retained. Interactive Sunday School classes, small study groups, or other special teaching venues are crucial for a church to insure its preservation and future growth. In Acts 20:20 the Apostle Paul said he not only taught publicly but also from house to house; he kept back nothing that would have been profitable for their spiritual growth. Teaching and working with small groups of believers week after week may not be as flashy or as fun as big Bible conferences or weekend retreats, but it will insure the lasting and solid spiritual growth of a church.

Enough sermonizing! Anita has begun a cooking class after church service on Sunday afternoons. She uses this venue to

teach them about personal hygiene and the importance of washing the fruits and vegetables and using only treated or boiled water. Most of these poor saints always seem to be sick and know very little about these matters. The bonus is they also have learned how to make cornbread! You southerners will be glad to know that now, in this part of Peru, cornbread is becoming commonplace on the table! Next week she is going to teach them how to make homemade strawberry jam to go with the cornbread. She is a marvel and loved by all, especially me!

One of our buses suffered an accident early on the trip and had to continue the rest of the trip without a windshield on the passenger's side. PERSONAL NOTE OF APPEAL

From Giving Friends Who Wish To Remain Anonymous

To All Churches & BFM Contributors:

The Lord has laid this burden on our heart. We appreciate all the support the churches and individuals do for the missions. But we are asking each church and individual to go \$1.00 farther—that is—on a weekly basis add this \$1.00 more to your mission contribution. If a church with fifty members would do this, it would mean \$200.00 more per month and \$2,400.00 more per year.

Imagine what this would mean to the General Fund if sixty, seventy, eighty or one hundred members added the extra \$1.00 each week: **OUR GENERAL FUND COULD GROW BY \$120,000!**

Please pray and try to meet this goal over what you now contribute. If we each sacrifice something small, then God can do something mighty.

Dear Friends, November 1, 2011

Some things change differently in our parts of the world. Our summer will soon begin and there you will soon have winter. Other things do not change. The need for people to hear the Gospel and be saved, the need for God's people to be faithful in sowing unto the ends of the earth do not change. And, praise the Lord—Heaven and earth will pass away but His Word will not pass nor change. This is a great foundation for our faith.

Another great change is the one that happens in the lives of men and women and boys and girls who believe that Jesus died on the cross for their sins. The marvelous change we have seen in lives during fifty-six years in Brazil is like a continuation of the book of Acts. How blessed we have been to have the joy of telling the old, old Story of Jesus and His love.

PROGRESS ON THE BUILDING IN ASSAI: This week the builder of the prefab parts put the roof on the building. Now we can make arrangements with a builder to finish the building. Finishing means the walls, windows, doors, bathrooms and floor.

PRAY FOR ASSAI: This city has about twenty-five thousand inhabitants. Close to seventy per cent are Japanese descent. The

name Assai means sunrise in Japanese. After six (seems like ten) years of work here there is one baptized believer. Another family of five were saved and baptized, but moved to another city. One day the work will grow and extend to other parts of the world. There are two girls waiting to be baptized in the next week or two.

WORKS DOING WELL IN URAI: Two adult couples have been saved and baptized recently in the Urai Church. Both of the men are called to preach and are studying in our Seminary in Cornelio Procopio. There are seven seminary students from Urai. The mission points in Susumo and Rancho Alegre are going well. Assai is thirty-five miles from Urai, Susumo is another section of town and Rancho Alegre is twenty miles away.

RARE JOYS: Kathy and one of her adopted sons spent two days with us last week. If all goes well David is planning a visit of four days next week. We praise the Father for our wonderful children who are serving Him.

YEARLY CAMP: Our camp is sponsored by the Cornelio Procopio Baptist Church each first week in January. Families attend from our churches in the State of San Paulo and Parana. Pray for the Camp. It is time of spiritual learning and growth.

Pray for Alta and me. Life does not get easier at eighty-six. Alta's eyes are great after the two cataract surgeries. We love you and thank you who have been our supporting helpers for many years.

Sincerely in His Name,

Have Temporary Custody of Kenyan Boy... Please Pray For Us...

Roger and Julie Tate

November 5, 2011

Dear Brothers and Sisters in Christ,

Something quite extraordinary has occurred to our family this month that I would like to share with you all in this newsletter because I think it will be of interest to you. We have had a temporary addition to our family and, no, it isn't a cat, dog, parrot, monkey or any other kind of animal you could get here. And, no, Julie didn't have a baby. Actually, the addition has come in the form of a ten year old Kenyan boy named Philip.

Here is how and why we have temporarily acquired Philip. Philip is from the Turkana tribe here in Kenya and has been living with his sick mother and two year old sister in a small town near the Uganda border. He had never known his father, and his mother was dying of AIDS. His two year old sister, Esther, is also HIV positive. While his mother was in the hospital here in Kitale, Philip was her caregiver in the hospital, and also the sole-provider for his one year old sister during the same time. Can you imagine having this kind of responsibility as a nine year old kid? Well, a year ago, as you can probably guess, Philip's mother died and he was left alone with Esther. Not knowing what to do, he hauled Esther onto his back and carried her twenty miles to the village where his grandmother was supposed to be. He found her and informed her of her daughter's death, and she was going to let them live with her, but then she disappeared; she just abandoned them. This left Philip and Esther alone in the village to fend for themselves for a whole year. The two were finally picked up by Kenyan Children's Services one week ago, and Esther was sent to a wonderful orphanage that is run by missionary friends of ours here in Kitale. In this orphanage she will be well taken care of and loved. But Philip was sent to a center for street children - a very hard and difficult place to live; a place where life will be very difficult and where horrible things can happen. When Julie heard about Philip (which, by the way is a typical kind of story for kids here in Kenya), she was grieved in her heart and after talking to me about his predicament we decided to do what we could to help him. She started calling other friends here in town who run orphanages and found out

he was being committed to another lovely orphanage run by lovely Christian people, but that their newest orphan house wasn't complete yet. We decided to take him in until that house is complete. So, Julie drove to the center for street boys, found Philip, took him (this was legal because she was with the directors orphanage who would eventually care for him), bought him a mattress, clothes, toothbrush, etc., and brought him to our home where he will stay with us until his future home is prepared and ready.

Philip is a lovely and delightful little boy who was very dirty, sick, and anemic when Julie brought him home (you should have seen the water in the bathtub after he was finished with his first bath!). It has been a joy to have Philip in our house and to give him the care and love that he would never find out on the streets. He has had to learn how to use a toilet, brush his teeth and play like a child. These are all "firsts" that he has never done before. He is learning to adjust to living with our family and he is adjusting well and likes to throw the football with Josiah and work on jigsaw puzzles with the kids. He is also recovering from malaria and typhoid and hopefully is getting stronger. We enjoy praying together with all the kids and singing songs about Jesus in English and Swahili before bed (Philip speaks only Swahili, not a word of English, but somehow the kids manage even though they cannot communicate well). He still doesn't speak much but he does now smile a lot. I am saddened when I think of the different lives this nine year old boy and my ten year old son have lived. Just this morning I was thinking about this example: My ten year old son, Josiah, can add, subtract, do long multiplication and long division problems; add, subtract, multiply and divide fractions; understands equivalent fractions; can find areas and perimeters of objects; knows how to read story problems and figure out how to solve them; etc. Philip, on the other hand, can count to ten but has never been taught any other math skills whatsoever. He can't even recognize numbers on a page. However, I think God loves this little boy, is caring for him even now, and has brought him to us for a purpose. I am humbled that he is allowing us to care for him and love him until he can go to a more permanent place where he will also receive love and care. We would ask that you join with us in praying for this little boy, for his care and for his relationship with the Lord Jesus Christ.

Until next month, beloved. May God's peace and joy be with you.

For the glory of God in East Africa,

Roger, Julie, Emily, Amy, and Josiah Tate

Host Team Of Visitors Last Month ... All Works Still Going Well ...

Nathan and Carrie Radford
P. O. Box 4150
Kitale, Kenya, East Africa 30200
email: naterad@yahoo.com

Dear praying friends, November 4, 2011

Another month has come and passed so quickly and we thank the Lord for His faithfulness, protection, provision, and guidance over the past year. What a mighty God we serve! God is so faithful, wherever the Lord has called us to serve Him. A favorite verse of mine is 1 Thessalonians 5:24 which states, "Faithful is he that calleth you, who also will do it." We can certainly trust Him throughout our lives as He is faithful. This update will share prayer requests as well as ministry updates.

This past month we had a team of visitors come to visit Kitale for a few days. We appreciated so much their heart to serve the Lord and their good spirit. What a blessing they were not only to us, but also to the people of Kenya.

We have now been in Kenya for a few weeks and we are still adjusting to the culture, customs, language differences, and all the other changes that come with living in a different country. We are doing well, but we would covet your continued prayers for us as we continue through the various changes of living in Africa. We miss our country, friends, family, supporters, etc., so much, but this is where God has called us to serve Him and we desire to be faithful. Please continue to pray for our safety, health, perseverance, and our general challenges that we face here. God is so good and faithful to take care of us and we trust Him as we serve Him here.

My wife has returned to the hospital ministry at Kitale District Hospital and the staff have received her back warmly. My wife enjoys this ministry so much and has been able to help so many. She appreciates

each of you and your assistance so much as she is able to help both the abandoned babies, small children, and mothers. A favorite verse of ours for this ministry is Psalm 82:3, which says, "Defend the poor and fatherless: do justice to the afflicted and needy." Thanks to each one who assists in this ministry, whether sacrificial giving, prayer, or encouragement. You are such a blessing.

The Annex prison is still open for which I thank the Lord. Many have been released since I was there this past term, but the staff and chaplaincy have welcomed me back and allowed me to continue with this ministry, which is a blessing. So many of the prisoners feel forgotten by friends, family, and society, and this is a way to remember them, by bringing them the Gospel message, and teaching and training the new believers from the clear teaching of the Word of God. What a blessing it is to see the Lord change lives. We will keep you updated of this ministry.

Please pray for myself and my good friend Roger Tate, as we will be beginning soon to start in church planting in Kitale. We have had several meetings together and come to a lot of the same conclusions in regards to the challenges to church planting here and the direction we feel the Lord leading us to proceed. We really need a lot of prayer right now for wisdom, guidance, direction, and leading from the Lord. We plan to start soon and will keep you updated of the status of this ministry. It is certainly a step of faith and we must walk by faith, trusting the Lord. 2 Corinthians 5:7 says, "For we walk by faith, not by sight." We covet your prayers for us as we walk by faith in this area of church planting and we will keep you updated.

We miss each of you so much and you are all such a blessing. Please keep us in your prayers and know that we think of you often and love to get your emails and letters, as they are such an encouragement to us. May God bless each of you so much.

Until next month,

Nathan and Carrie Radford

WILL YOU GIVE AT LEAST \$1.00 A DAY FOR WORLDWIDE MISSIONS?

I know that many of you are giving much more than that - but if you are not giving a personal offering each month to our GENERAL FUND to help maintain our missionaries' essential needs, will you ask the

Lord to supply you with a regular monthly offering of \$30 to our GENERAL FUND? Together we can provide them with the funds by which they can continue their daily ministries.

PRAY FOR YOUR MISSIONARIES...

Brother Creiglow's Report ...

Dear Brethren,

November 2, 2011

Several months ago Brother Archer invited me to supply for him while he and Judy would go on a two week vacation. It was understood that they would already be gone before I would arrive in Kirksville, Missouri, and I would be leaving Kirksville before they returned. It is about a nine hour drive from Lexington, so to make the trip a little easier, I visited my good friends Art and Rhodie Donley, in Harrisburg, Illinois. I preached to The Bible Baptist Church on Wednesday night before moving on, on Thursday.

While in Kirksville, I stayed in the Archer's home and spent the first two days finding my way around the city with the help of my GPS. Glenn had left a long list of information and instructions, but one of the first things I told the congregation on Sunday morning was, things would not get done, as Brother Archer did them, but that they would get done and for the two weeks that followed they did get done.

It was not the first time for me to visit Faith Baptist Church in Kirksville, so it was my pleasure to meet friends from the past and to make some new ones. I very much enjoyed ministering to them and they at least made me believe that they enjoyed having me there.

On the way back to Lexington, I stopped to spend another night with the Donleys. I am now back to working on the Mission Sheet project that Brother Messer and I started several months ago. I hope to finish the project this week.

In His Name,

Bobby D. Creiglow

"THANK YOU! THANK YOU!" GIVING FRIENDS

Never a month goes by without our thanking God for all our faithful Giving Friends who contribute so regularly and sacrificially to our General Fund offerings. Also, hardly a month goes by without my speaking personally with some of you and having the opportunity to thank you personally for your participation in this missions ministry.

I was speaking with one of our dear supporters recently [you shall remain anonymous - but you know who you are]. She is a widow of very modest means, but she

continues to live modestly on purpose so she can continue to give to missions.

And, when I thanked her for her long-time financial support for BFM, she told me, "I'll do without something else before I will NOT give to Baptist Faith Missions." May God increase her tribe!

God has blessed her - and God will bless her. And I pray also that God will use her example and testimony to challenge all of us to follow suit.

1 Samuel 25.17 Now, therefore, KNOW and CONSIDER WHAT YOU WILL DO.

B.F.M. - Our Purpose and Mission

Baptist Faith Missions assists Baptist churches to send God-called missionaries to fulfill church-planting missions in the nations of the world.

We believe that "essential Great Commission missions" is to preach the Gospel, evangelize, baptize disciples, establish Baptist churches, and train the disciples to obey everything that our Lord Jesus Christ has commanded.

While we believe that all other outreach ministries and services

may accomplish good works and meet worthwhile social and spiritual needs, we believe that our purpose, scope, and focus should concentrate on essential Great Commission Gospel missions.

PRAY FOR YOUR BAPTIST FAITH MISSIONS COUNCIL OF DIRECTORS AND ALL OF YOUR BAPTIST FAITH MISSIONS MISSIONARIES.

DON'T FORGET THE WORKHORSE FUND

This is the General Fund. Out of it comes the missionaries' salaries, expenses, travel, medical, cars, etc. It has not kept pace with rising costs.

Please Consider Increasing Your Offerings

YOU CAN NOW CONTRIBUTE TO BFM VIA CREDIT CARD

Go to our website www.baptistfaithmissions.org and click on "Donate/Support" and use this added feature. Some of you have already begun to give this way, and we thank you!
