Dear Brothers, Sisters and Friends of Baptist Faith Missions, March 4, 2014

It is a great blessing for an old man to be able to write another letter to dear Friends like you. Alta and I are eighty-eight years old and you have been our dear supporting and praying partners for over fifty-five years for our ministry here in Brazil. It is a very emotional moment for me.

As I was preparing to write, the phone rang. Sebastian Oliveira, a blind person from birth, was calling from two thousand miles away to greet Alta and me and to thank us for the blessing we had been to him. Sebastian was saved in the interior village of Mira Aua, about 1960, when we lived in Manaus and traveled to the interiors on the launch you dear friends helped to build. He has been a Baptist pastor for over thirty-five years.

The Conference program is posted on our website: www.baptistfaithmissions.org
Please mark these dates and plan to join us for times of refreshing from the Presence of the Lord, challenges from His Word, and opportunities for commitment and participation in taking Christ's Gospel to the nations of the world!

This Gospel promise and command is so much more than just a stirring evangelistic message. It is that for sure – but this message is from Jesus Christ Himself, pressing and urging us to proclaim His saving Grace to all the nations of the earth. This 'time of acceptance' and 'day of salvation' is NOW...TODAY...in this New Testament Gospel era.

In fact, in order to understand the full impact of this message, you must read it as it was originally prophetically given to Jesus Christ in Isaiah 49.8.

Thus saith the LORD, "In an acceptable time [time of acceptance] have I heard Thee, and in a day of salvation have I helped Thee: and I will preserve Thee, and give Thee for a covenant of the people, to establish [raise up] the earth, to cause to inherit the desolate places..."

The promise of this 'time of acceptance' and 'day of salvation' was FIRST given to Messiah Himself from His Father to assure Him that His saving mission and death on His Cross would be accomplished! The Father promised to 'help' The Christ, to 'preserve' Him, and give Him 'for a covenant of the people.'

That 'Day of Salvation' is NOW...TODAY!
This is where we are...this is what we are doing!

Jesus Christ Himself is speaking prophetically in Isaiah 49 about His own Gospel mission. He is relating to us the salvation mission and message He, Himself, has received from His own Father, "The LORD," to bring to the world when He came.

* Verse 1. He is prophesying His own birth and coming into our world 'when the fullness of the time' would come [Galatians 4.4].

* Verse 3. He promises He will 'be glorified,' just as the Father promised to glorify Him on His Cross [John 12.28].

* Verse 6. The Father promises Christ that He will gather not only 'the preserved of Israel,' but also that He will give Him 'for a light to the Gentiles,' that He will be God's Salvation 'unto the end of the earth' [Luke 2.30-32]. His Gospel is the power of God for salvation to everyone who believes – to the Jew first and also to all the Gentiles [Romans 1.16].

* Verse 7. When Messiah [Christ] comes, He will be despised by men and abhorred by His own nation as He certainly was [John 1.9-13 and Isaiah 53.3], but He will satisfactorily, sufficiently, and success-

fully save His people from their sins [Matthew 1.21].

Jesus Christ Himself is 'The Day of Salvation' – and that Day is NOW...TODAY!

So, what does that mean for us? It means that His mission is our mission! His purpose is our purpose! His message is our message! And, when we commit and give ourselves to this message of Gospel missions, God will help us, too!

We need the help of God – lots of His help – to complete the mission and assignment He has given us.

But, the very reason Paul reiterates this Messianic covenant promise to the Corinthian church was to remind them – and all of us churches – that, in our Gospel 'Day of Salvation,' we are God's co-workers ['workers together with Him'], and He will give us the Grace we need to faithfully and effectively carry our Great Commission mission to His purposed result.

But, we must not receive the Grace of God 'in vain' – meaning, we must fulfill our responsibilities to 'preach the Gospel to every creature.' And, with the help God promises us – we will!

But, the day and time to be involved in the mission of preaching the Gospel of Jesus Christ to every nation and person in the world is NOW...TODAY!

"NOW...TODAY" is the day of God's acceptance and salvation until He completes it.

"NOW...TODAY" is a time and era when the grace of God is actively and effectively working. We are still 'workers together with Him.'

"NOW...TODAY" is the day when God is fulfilling His covenant purposes in Christ. God is still saving sinners. That's what Christ came to do – and died and resurrected to accomplish!

"NOW...TODAY" is still a time of great responsibility and pressing urgency. The Great Commission is still Jesus Christ's mandate for His churches.

"NOW...TODAY" is the time Christ has assigned to us, and every day draws us one more day closer to the end of our opportunities. We don't know when that day will be – but the day is coming soon when there will be no more "NOW...TODAY" – and everyone will know it. Until then, we will continue to proclaim His Grace.

We are asking you to come, and partner with us, and help us...NOW...TODAY!

First Revival Service For Indians ... Several Prayer Requests ...

Dear Friends and Family, March 11, 2014

Well, with our church only a little over one year old, we have had our 1st revival. It was lead by Pastor Mike Dorough from 2nd Baptist Church in Warner Robbins, Georgia. Even being a young mission, we had many re-dedications and commitments. While he was here, we had a baptism, the second of the year, and now we are planning another on the 16th of March. How AWESOME is the Lord we serve.

While Pr. Mike was here, his church sponsored many food baskets. First, we were able to minister to the people in our church and then to the Indians in Parati. Many of our church family have physical needs, needs for food and clothing, and also spiritual needs. We are located in a very populated area. The city government has constructed many houses and are planning more. These are for the families that couldn't afford to buy a home for themselves. They, the government, are planning more, and this is good for the residents as this is one of their greatest needs. This reminds me of the 70's and 80's when in the States when the government built the 235 homes. We are hoping that many of our members will be selected to receive one of these homes. But we are also looking forward to being able to evangelize in these new neighborhoods.

Now for an up date on the Indians in Parati - we don't realize what poverty really is until we make a visit to these Indians. There we see profound poverty. After a visit to these people, we, as a Church, realize that we can and are making a difference in the lives of these people. We always take something when we visit. Sometimes it is food, clothing, and other times we take Bibles and Bible studies. But as you have heard me say many times, we can't help with their spiritual need until we help with their physical need. This month we took some of our youth and they came home with a different outlook. They realized that they are truly blessed. And they were encouraged to do more for the Lord.

HATCHER

(From Page One)

Our first church plant was in an area called Chapada. It was in the boonies. It was begun through the Tabernacle Baptist Church where we were members. It was started with 24 members. Among the 24 were four future mothers of pastors; there were five future Baptist pastors, including Paul, John Mark, and David Hatcher. The mothers of Baptist preachers were Alta, Guilermína, our daughters, Lynn (now in heaven) and Kathy. We praise God for His promises and unfailing faithfulness.

God touched the Chapada plant in a special way with its pastors and work. On February 23, 2014, there were 5,000 persons in morning services and 6,300 persons in evening services. In the evening services there were over 300 decisions. Praise the Lord for the ministry of church planting!

Our praises to the Lord for His blessings to our family. Alta and I thank Him for

Now for the rest of the story about this particular visit. On the way to visit these Indians, Barbara was sitting with one of the youth and was witnessing to her about our Lord and Savior, and this young lady accepted Christ as her personal savior. AWE-SOME!!! How great is our Lord!!! And just to think that this happened when we were going to visit with a people group that serve many gods. Our God is alive!! So, as you pray for our work here in Caraguatatuba, don't forget to pray for these people. And pray for the missionaries that work with them. Their labor is hard as they have seen maybe only six come to know the Lord.

These Indians are not the only group here who need our prayers. We work and minister with a group that are in recuperation from drugs and alcohol. They are really special for me as they are wanting to change their lives. And in this group, the only medicine they receive is Jesus Christ. We pick some of them up on Wed. night and take them to Church. This is the ones that want to go, and there are about 15 to 23. When they go, they are our responsibility. There in the recuperation center, they live under a very strict routine. While at Church, we have to monitor them so that they don't leave the building. But all that is worth it when you hear them praising the Lord in song.

This week we had a going home party for one of men. We served cake and ice cream, and we presented him with a study Bible. This was a gift from our Church as he has been one of the faithful ones. He broke down and cried. He also gave his testimony and it was AWESOME.

We have been doing lots of work on the Vocational School this month also. The dorm house and the shop where lots of training will happen. The group in re-hab are anxious to start classes here. This week they volunteered to clean and maintain this property.

We have been working on the papers to make our school and our church legal in the eyes of the government. We are jumping through many hoops. Pray as we are submitting our paperwork this week. We know that God is in control, but He loves to hear from His servants, so PRAY.

It would take lots of paper to tell you everything that God is doing here in Caragua. So it would be a good idea to come on down and experience the many blessings and miracles we get to experience on a daily basis. We are not saying we do not cry sometimes or that we do not experience problems--that is just a part of life--but seeing lives changed--that is what it is all about.

Find out where God is working and get involved. Keep us and our work in your prayers.

In His service, Aj and Barbara Hensley

our parents and homes who taught us the fear of the Lord and the power of His Word. God has blessed our dear children: three sons are Baptist pastors, two daughters are wives of pastors and mothers of pastors. We have fifteen grandchildren, all of whom are serving the Lord with their partners in definite church planting projects. We have 26 great grandchildren, and eight of those have trusted the Lord as Savior.

WORKS GOING WELL - The mission points are going well here. There are congregations in Assai, Urai, Sussumo, and Rancho Alegre. There are several faithful young pastors. Some are not married; please pray for God to give them the right partners.

The Lord willing, we hope to be at the Spring Missionary Conference in Lexington. Our son, Paul, is planning our trip with him and Wanda. We may be in the States by the time this letter gets to you.

God bless you each one. We love you in the Lord,

Praising God For Family Time ... Pray For Permit For Hospital Ministry ...

Dear praying friends, March 4, 2014

Another month has come and passed, and it is hard to believe it is already the month of March. We have enjoyed so much our time of furlough and getting to spend time with friends, family, and supporters. Each of you are so special to us, and it is always good to get back home to get refreshed. This reminds me of a verse that I remind myself of often, and is an encouragement. It is Matthew 11:28, which says, "Come unto me, all ye that labour and are heavy laden, and I will give you rest." How we need to come to the Lord when we feel overwhelmed, discouraged, or need refreshed. What a great promise from the Scriptures.

Please pray for the various ministries as they continue along while we are home. One major prayer request we have currently is for the hospital ministry. As some of you may not be aware, the government has now made it mandatory for my wife to get a work permit to continue along with this ministry. Previously, she worked under my work permit, but now things have changed and she needs her own. Of course, we trust the Lord

for this, and we plan to get working on the permit immediately upon our return in June, Lord willing. We know the Lord will keep the door open there as long as He wants her there. A verse that has been a comfort is Psalm 62:8, which says "Trust in him at all times; ye people, pour out your heart before him: God is a refuge for us. Selah." How we need to trust in the Lord all through our lives, and realize He is our refuge. Thanks so much to each one who sends supplies for this ministry, prays for my wife, or sends finances sacrificially. Each of you are a blessing. We will keep you updated.

Our daughter Camille turned three years old last month. That is hard to believe. It was so good that we got to celebrate her birthday together as a family. McKenna will turn six years old next month, Lord willing. Parenting is a privilege, and we thank the Lord for both of our daughters. If you are a parent, it would be wise to cherish the times that you have together, as time passes so quickly and before you know it, the children are all grown up. Please continue to pray for both of them as they grow and progress along in their young lives.

Please also pray for our vehicle as we have had to travel many miles while we have been home. Please pray that it will do well along all the miles, through all the snow and roads of this rough winter, and that it would not have any major repairs. So far, it has done well, but there is still much traveling ahead.

God bless each of you. We will keep you updated.

Dear Brothers and Sisters, March 2, 2014

Tomorrow Judy and I celebrate our 41st wedding anniversary. What an exciting life it has been. Six weeks after getting married we moved to Manaus, Brazil. I would not advise any man to begin marriage the way I did. On arrival in Manaus, I began pastoring a church and a mission, preached 14 times each week, taught thirty-five classes. The first class started at 7 am and the last ended at 11 pm. Judy was seriously neglected but took it like a champ. She learned Portuguese taught English classes, gave piano lessons and, among many other activities, learned to cook starting with meat hacked off a beef quarter with a large butcher knife. A bit of advice to all grooms or newly married men. DON'T DO WHAT I DID!

However, God's grace is sufficient for His daughters who are married to stupid men. For this I will be eternally thankful. Judy hung in there with me as I grew (a little) in wisdom and has been a great team mate, lover, spouse and mother as we have served God together on three different continents. It has been a wonderful life!

Thank you for your prayers and faithful support. Though you may live at a distance, you are an essential part of what God has called us to do in France. We thank God for what He has done during the past month. We have witnessed to those who need Christ. We have spent time in one on one counseling and discipleship, Bible

studies, youth meeting, Sunday school classes, prayer, outreach to lost. Sometimes we are encouraged, sometimes we are frustrated. We would like to see more disciples and quicker growth in some we work with, but God enables us to continue. You are a part of the gracious process God is using to bring others to Himself.

One thing Judy and I have learned in our wonderful life of service together is that God has many wonderful surprises in store for us. We want to be faithful and become more like Christ as we serve Him here.

John and Judy Hatcher

Dear Friends, March 9, 2014

It is good to hear someone say, "God is good, all the time." It is a needy reminder to me to reflect on the fact that God isn't good only when we get a surprise financial gift, or some good health report. He is always good, even when we are struggling financially or when we are suffering terribly some sickness. I'm as human as anyone else, so it's easier to recognize God's blessings when they relieve some lack, or ailment we have been enduring. My concern is that by saying that God is good only when these improvements in our situation come is that we dishonor Him before a world that is watching how we Christians live to determine if they are interested in what we have. But with this kind of gratitude and praise only when the extra benefits come, even they would be grateful then. It is when we praise Him for being good while we are still in the middle of our struggles that really magnify how strong our Lord is, in whom we place our faith. So I say it now, God is good, all the time!

That being said, it has been great to enjoy the goodness of the Lord recently in the saving of two more people through our work. Next week will be baptizing a man and his teenage son who professed Jesus as their Lord and Savior. On the same weekend that these two men professed Christ, I had the opportunity to share the gospel with a young man who has been suffering with deep depression for about seven years. He came to offer to help as a translator for a team of youth from the U.S. who are spending their spring break evangelizing in the public schools in our city. His name is Eduardo. The friend who brought him told me that he was in a separate room crying and that he often would just start crying for apparently no reason. I sat with Eduardo and began to ask him what he thought made him sad and he said that he didn't know, but that his depression began shortly after a severe auto accident when he lost the hearing in one of his ears. I had supposed that

he was a Christian by his coming to volunteer to translate the sharing of the gospel, but in my conversation with him I learned that he had never surrendered his life to Christ. I used that information to let him know that he could not know true joy or overcome his sadness until he given his life to Christ. It was a simple thing for his friend to bring him to participate in our spring break evangelism, but the amazing thing that the Lord did was to send us a translator to hear the gospel when his interest was only in improving his emotional state of being. He had imagined that he could be happy if he could just get his hearing back, but the Lord helped me to show him that what he truly needed is a relationship with his Creator.

That team of youth who are here on their spring break brought us two very special presents, our kids, Jessie and Brennen! Jessie is the coordinator for the interaction between the American youth and the Brazilian translators who volunteer to help us each year. Brennen just moved to the U.S. this past December, so it was a treat to us for him to return again so shortly after leaving home. God is good, all the time! He showed His goodness again by allowing us the privilege of working together for a week with our kids in sharing the gospel to a people we love about a God we adore. We still have 6 days to work together with them side-by-side and this is truly a blessing to us.

Yesterday we took the group of youth with their translators to a large and busy park to share the gospel. We started out by handing out cups of water to the joggers, bike riders and walkers. Along with the water, we also gave out tracts that contained a clear presentation of the gospel. It was very encouraging to see some positive reception to our attempts. We saw several people who had accepted both the water and the tract still have the tract in their hand on their next lap around the park, even though they had finished their water and had thrown the cup away. The youth also shared the gospel through skits and testimonies on an improvised stage in the middle of the park to an audience of over 300. It was a great start to an exciting week. We will be in many public schools during the rest of the week where we'll be able to talk to over 4000 students and teachers about the love of Jesus Christ.

Thank you for keeping us in your prayers.

In Christ's love,
Bobby and Charlene Wacaser

YOUR FEBRUARY GENERAL FUND OFFERINGS

When you review the Contributions page in this issue, you will note that the monthly General Fund Offerings total given in February is \$22,976.47. First, we thank God and commend every one of you gives to the monthly General Fund. Without your faithful and sacrificial giving, our missionaries would not be receiving month-by-month what we are able to provide for them.

However, that being said, our total monthly commitments to our missionary families – which must be supplied from the monthly General Fund – amount to \$43,300.54. Every month, that same amount must be disbursed just for their essential maintenance. If each of us will remember that number as we give to the monthly General Fund - \$43,300.00 – it will help remind us of the gigantic financial responsibility just to 'keep them on the field,' 'keep the lights on,' and supply their essential living and ministry expenses.

The way we were able to NOT reduce their deposits this month is because in January, the Lord supplied us with an extraordi-

narily generous monthly General Fund offering. (These were offerings given in December 2013 and disbursed in January 2014.) So, with the 'surplus' we received that month, we carried it over to supply deficits in future months – February and March being two of them.

However, the surplus we have left in those funds will not be enough to make up for a deficit like we have had in February and March.

When those 'surplus' balances are depleted, if the monthly General Fund Offering doesn't increase to meet the disbursement threshold [\$43,300.00], then we will do what we've had to do before – we will reduce the amount of disbursements to our missionary families by the proportionate amount we did not receive in General Fund offerings.

Please help your missionaries by increasing your offerings to the monthly General Fund.

You can give online by going to our website: baptistfaithmissions.org and click on the 'Donate/Support' tab. Designate your offering for 'General Fund'. Thank you on behalf of our missionaries!

Praise God For Safe Travels During Furlough ... Pray For Us As We Return To Kenya ...

Roger and Julie Tate
P. O. Box 96

March 4, 2014

Dear Brothers and Sisters in Christ,

I can hardly believe that this furlough is coming to an end and that this is the month that we return to Kenya (minus Emily). I can't believe how quickly it has passed and how much I will miss you all once we return. But, since we are gearing up to return to Kitale, let me do two things in this newsletter. First, let me quickly recap this furlough time and, second, I would like to summarize again what we would like to see happen in this upcoming term in Kenya.

So, first, how has this furlough gone? Well, it certainly has been rough at times but in all I think we have managed it the best we could. There are two things that make furlough tough. The first is instability. When you don't have a firm, permanent place to stay, life tends to be a bit unhinged. Jumping from one place to another is volatile and erratic. Next time we will want to find a "permanent" place to stay from as soon as we arrive in the States. The second problem with furlough is travel. Every weekend takes us on the road again. Most of the churches I visit are centrally located in states surrounding Ohio but most still require at least a three hour drive to reach. If I travel alone it takes me away from my family. If I travel with the family, that brings its own challenges. Among many other things, instability and travel especially make furlough tough. The other difficulty with this particular furlough has been weather. We have received a considerable amount of snow and ice this winter, as you know. It hasn't prevented me from traveling much, but it has

prevented me from attending services at our home church. It seems that every weekend I wasn't traveling and had an opportunity to be spiritually fed at our home church, the weather would turn sour and all the worship services for the weekend would be cancelled. This happened often enough that I began predicting weekend weather. If it was a weekend in which I would be at home I would predict a large amount of snow and ice for Saturday night and, sure enough, the snow would inevitably come Saturday night and Sunday morning and all worship services for the day would be cancelled. I'm not sure why God wanted this to happen for me but it sure seemed to happen every time. I enjoyed the snow, I just wish I had been able to spend more time at our home church. I have, however, been able to enjoy some pizza, big macs, donuts, and the endless cereal aisle at Walmart so now I am trying to take off the weight I have gained this furlough. I guess I need to get back to the Kenyan beans and rice.

Next, let me briefly summarize what I envision for our ministry in Kenya for our third term. Once we return to Kenya I will be searching for two important ingredients. First, I will be searching for a house to rent in order to start training faithful Kenyan men our model of independent, self-reliant, reproducible church planting. Remember, I want this house to look just like the houses the men who will be trained are living in so that it resembles their own houses. They need to know they can do in their own home what I have been modeling for them in a house just like their own home. The second component I will be searching for is, of course, faithful men to teach. We want to teach them how to reach their own people with the gospel and how to start, organize and maintain New Testament Baptist churches. Definitely something you all can be praying about with us.

Until next month, beloved. May God's peace and joy be with you.

For the glory of God in East Africa,
Roger, Julie, Emily, Amy, and Josiah Tate

Dear Brothers and Sisters, March 15, 2014

Time flies by so fast that it is hard to believe that it is March 1st. We are getting adjusted to our home and getting repairs done. The Lord willing we will get the tile put done this week. The floors are just concrete floors. Our children have also started school and are adjusting well.

We have a van that we have purchased to use in the ministry. It needs some work done on it and we have bought new tires for it. We have changed the parts on the sliding door and need to change the rubber around the doors. The van is for sixteen passengers, a good size to use for having services in the new communities. There is room for taking instruments, chairs and some helpers also.

This week we are having a camp here at our place. There is a pastor of a church in

Manaus that works in a poor area of town, who needed a place to have camp. They could not afford to rent a place so we let them use our place. We are glad that we can be of help to them and their church. We had a great time with them here. There church we attend came over on the last day to have fellowship with the other. The time together was wonderful.

The church that we are working with, which we mentioned in our last letter is coming along great. Since then we have put on the roof, poured the concrete on the floors and stucco the walls. Every one is excited to get down so we can move into the new building. We are already making plans to start new works in four different places at the same time. We have four different teams that will be working in these places. We will be working with each team.

Pray for us in these projects, that God leads us each step of the way. The area that we will be directly involved in will be a challenge. The village is known for drugs and homosexuals. But we know that God changes lives. We already have one family that lives there and that wants to get involved. Praise God!

CONFERENCE

(From Page One)

MOTEL ACCOMMODATIONS INFORMATION

We are still recommending the Quality Inn Northwest / 750 NEWTOWN COURT / LEXINGTON KY 40511 / 859.233.0561. Ask the desk attendant for Thompson Road Baptist Church event rates. Mike Clark said that if there is any question about these arrangements, ask for him personally.

ONE QUEEN BED room is \$55.00 + taxes. TWO DOUBLE BEDS room is \$62.00 + taxes. They offer continental breakfast on the premises, in-room coffeemaker, hairdryer, iron and ironing board, and high-speed internet access.

WE ENCOURAGE CHURCHES TO PAY YOUR PASTOR'S [AND HIS WIFE] TRAVEL EXPENSES TO ATTEND THIS CONFERENCE. It will give them the opportunity to enjoy what is always a much-needed physical and spiritual re-charging for your church's ministry. We use these Conference occasions to highlight and update our missions partners concerning our missionaries' ministries and also stir up all of us to greater interest, investment, and involvement in our mutual missions endeavors. He will come back to you with a greater burden, zeal, and enthusiasm for missions. Will you take the lead to ask your church to do this for your pastor, our missionaries, and your church?

SPECIAL NEEDS ACCOMMODATIONS

The Lord has blessed our church over the past couple of years to make some much-needed upgrades and improvements to our facility to accommodate our own members and guests who suffer from physical mobility impairments. We have installed an elevator-life to transport persons from one level to the other, and also we have completely renovated or constructed new restrooms [both male and female] to make them wheelchair accessible. These improvements will make all of our activities much more comfortable and accessible.

CHILDREN'S MISSIONS CONFERENCE SESSIONS

Every year we conduct sessions for the children [age 4 through grade 5] who attend our Conference services. My wife, Debbie, conducts these learning and activity sessions. Each year, we focus on a particular nation of the world, highlighting its culture and customs along with their need for the Gospel and opportunities to take the Gospel to those peoples. This year's theme nation is RUSSIA.

Our Children's Center is always set up with crafts and activities which engage the children's attention and interests in the missions lessons.

CONFERENCE OFFERING: DESIGNATED FOR OUR 'GENERAL FUND'

Our greatest need continues to be increased supplies for our GENERAL FUND. Our GENERAL FUND offerings provide for all the commitments we have made to our missionaries. For example, every month, we disburse AT LEAST \$43,300.54 from the GENERAL FUND just for the Essential Maintenance Transactions which supply the essential and basic 'living expenses' commitments we have made to our missionaries. These include their salaries, standard ministry expense allowances, hospitalization premiums, and the publication of their newsletters we print and send to you each month to report on their ministry activities.

And, that is not including also the expenses paid for from the GENERAL FUND which finance the other commitments and benefits they receive each month or periodically through the year as they need them.

WE DO NOT ASK THEM TO 'RAISE' THESE SUPPORT FUNDS FOR THEMSELVES. But, if GENERAL FUND offerings are not sufficient to cover those disbursements, then we have no choice but to NOT GIVE THEM those same monthly commitments. That is why we are always emphasizing THE GENERAL FUND offerings.

So, we are asking you to give as generously as you can to our Conference Offerings which we will use to replenish their GENERAL FUND supplies.

If you cannot attend the Conference, but still want to give a gift, send it to our Treasurer: Pastor George Sledd | PO Box 471280 | Lake Monroe FL 32747-1280.

Or, you can contribute online either by check/debit or by credit card. Go to our website: www.baptistfaithmissions.org and click on the DONATE/SUPPORT page. Enter your designation for SPRING CONFERENCE OFFERING.

Praise God For Thousands That Heard Gospel ... Many Receive Dental and Medical Attention ...

Michael and Beverly Creiglow
Caixa Postal 24 69980-000
Cruzeiro do Sul, Acre Brazil
e-mail: mdcreig@hotmail.com

Dear Brethren,

March 8, 2014

The state of Acre has twenty-two "county seats" (municipalities). First Baptist Church has planted churches in six of those, including the two largest - Rio Branco (347,000) and Cruzeiro do Sul (80,000). Most of the others have some kind of Baptist church, so we have not done much to get into those cities. There are still two of these cities that do not have a Baptist church. They are Jordão on the upper Tarauacá River and Santa Rosa do Purús on the upper Purús River and right on the Peruvian border.

We have taken the gospel to most of the cities through Projeto Ide (Project Go). This year we took Ide to the city of Jordão. Usually we take as many as seventy people. Since Jordão is so remote and hard to get to, we only took thirty-five people.

Projeto Ide gives medical and dental assistance to the local population, with free medicine. We also have haircuts, hygiene classes and dental hygiene classes. There are arts & crafts classes, as well as culinary classes. Sometimes we distribute used clothing and have a soup kitchen. There are activities for the kids. We do door to door evangelism and hold services every night.

Jordão is a LONG way from anywhere. Thirteen of our team went by truck to

Tarauacá. That is 150 miles from Cruzeiro do Sul. Then they took all the supplies and went up the Tarauacá River for another 215 miles in a big flat bottom boat. It took them four days. Hudson and I trailered one of my small boats with 25HP outboard to Tarauacá where we spent the night. The next morning we left early and it took us ten and a half hours to Jordão. The next day we flew twenty more team members in on 4 MAF flights.

After all arrived and setup finished we started work. 800 people received medical and dental attention over three days. We had big crowds for all the activities. The gospel was shared in every home. Our members had to wade some major mud to reach some of the houses. There were 157 professions of faith. Thirty-four of those were made publicly during evening services.

The total population of Jordão is 7,147. Over half of these are Kaxinauá Indians. The need for a church there is great. At the close of our final service, after my message, Zico (our missions director) asked for a show of hands of those who wanted us to plant a church there. Every hand went up. Then a surprising thing happened. The crowd broke in to spontaneous applause. I think they want a church!

Last night we presented our report to almost 400 people during our prayer meeting. The church is excited about sending a missionary there. It was one great service. We are praying and fasting that God will give us the right folks to send.

The trip was hard on me and the equipment. I had to order \$958.51 of parts for the outboard. A new prop shaft, props and seals. Ouch! It is worth the effort though. Thousands heard the gospel and 157 saved.

Thanks for all of your prayers and support. God bless you as much as He has us.

In Christ, Mike Creiglow

First service held by a Baptist church in the town of Jordão, Acre.

2013-2014 THANKSGIVING OFFERING - \$48,938.41

We have received three months' Thanksgiving Offerings: November 2013, \$17,036.91; December 2013, \$26,701.50; January 2014, \$4,900.00; and February 2014, \$300.00. That brings us to a total of \$48,938.41. Just to give you a little comparison perspective – the 2012-13 Thanksgiving Offering was \$52,348.17 and we ran out of those funds before 2013 was completed. This year's offering so far – where it stands now – is still below last year's total amount.

So, will you please help us with your continued offerings to the Thanksgiving Offering? We use the funds we receive from the Thanksgiving Offering to supply the other services, benefits, and commitments we make to our missionaries which are not supplied from the Monthly General Fund Offering.

When we don't receive sufficient Thanksgiving Offering funds, we cannot grant the missionaries' requests for those benefits we otherwise would give them to help relieve that additional financial burden on them.

2014 is shaping up to be a demanding year for those needs – so please help your missionaries all you can!

We must receive a very generous Thanksgiving Offering to give our missionaries the services and benefits we have com-

mitted to give them "as the Lord provides". The Lord provides through our sharing of the Grace He has given us.

NOTE: the Thanksgiving Offering is always open any time for your contributions. Just designate your offering 'Thanksgiving Offering', and it will be applied and included.

"I speak not be commandment, but by occasion of the forwardness of others, and to prove the sincerity of your love." [2 Corinthians 8.8].

"For the administration of this service not only supplieth the want of the saints, but is abundant also by many thanksgivings unto God; while by the experiment of this ministration they glorify God for your professed subjection unto the Gospel of Christ, and for your liberal distribution unto them, and unto all men; and by their prayer for you, which long after you for the exceeding Grace of God in you." [2 Corinthians 9.12-14].

You can also contribute online at baptistfaithmissions.org on the 'Donate/Support' tab. Designate your offering for 'Thanksgiving Offering'. Thank You! on behalf of our missionaries!

Dear friends, March 8, 2014

Construction continues at a steady pace on the Calvary Baptist Church building here in Huánuco, Peru. Counseling and construction has consumed most of my time during the month of February. The concrete roof is still drying for the second floor, and we have most of the exterior walls finished on the third floor. The ceiling support braces will be removed on Monday and the cement plastering of the brick walls will commence the same day. Our men have one week to finish the plastering until our drywall instructor from the States comes on the 18th. Please continue to pray that all goes according to schedule without delays or accidents. The folks of Calvary Baptist are excited about getting into the new building. We have been in and out of temporary rental buildings for several years, but through it all, the members have been constant and faithful in giving and attendance. The Lord willing we will organize this work around the end of the year. Thanks for your prayers and please continue to give if you feel lead so we can finish the building completely.

Counseling is an everyday part of my ministry. It seems the Lord keeps opening this door wider and wider each month. I have been counseling with two people in Spain by way of the internet using Skype. Not as good as face-to-face counseling but it is a new alternative. One the counselees in Spain has asked me to ask all of you to pray for her. She is a 43 year old single, Christian woman that is severely depressed and has begun to have doubts about God and salvation. There are very few Evangelical Christians in Spain and those that are there are spiritually starving for fellowship. Dear friends never take for granted the blessing of fellowship you have in your local church. Many Christians around the world are isolated and discouraged; please say a prayer for them once in a while.

A young 21 year old mother of a three year old was referred to me by a local psychologist here in Huánuco. The girl was chronically depressed and suicidal with no family support. She has a history of trauma and sexual abuse but after taking her history and listening to her pain and desperation I presented her with the gospel and she trusted Christ as her Savior. She comes to sessions now with a smile on her face and hope in her heart. There are still a lot of issues to work through but she is faithful in what I call "discipleship therapy" and she even comes on time (not a common practice in Peru!). Confidentiality prohibits me from giving you her name, but please pray for this young mother also. Thanks.

I am actively working with four other counselees besides the two I've mentioned. Three of them have also manifested suicidal ideations. I'm not sure why, but it appears this is the field of counseling the Lord has called me to for now. Seeing people at their very worst, day after day, and listening to some of the most horrendous stories of abuse takes a toll on me too. Please continue to pray for me to have wisdom and compassion to work with them and that my life would manifest the love of Jesus to them. The Holy Spirit of God is the real counselor and I continue to be amazed each time I see HIM work in the lives of these desperate souls by turning them to trust and joy in Jesus.

Anita is doing a wonderful job with her Women's Bible Study each week. She puts a lot of time into preparation and the women are very faithful in their attendance. One of the ladies comes periodically for counseling and told me Anita's Bible class was the highlight of her week! Please remember Anita in your prayers also, her knees continue to cause her a lot of pain. Other than that we both continue to be in pretty good health, just getting older like the rest of you!

I traveled to the Central Jungle town of Pucallpa the third week of February for an anniversary meeting with the Liberty Baptist Church. It was a good meeting but spiritually difficult.

The work here in Peru is the Lord's work and HE uses you all to keep it going. God continues to bless here and Anita and I thank HIM every day for the calling HE has given us to work in this beautiful country. Thanks again for all of your prayers and support.

Thank you and may God continue to bless you all. Until next month.

Being "In Christ" by God's grace,

Sheridan and Anita Stanton

BFM BROCHURES

We now have TWO very attractive and informative professionally-produced brochures. We want you to help us get these promotional messages into the hands of anyone and everyone who is interested in the mission work the Lord is accomplishing through the missionaries who are supported by your offerings through BFM.

(1) The first of these brochures is one that will introduce you to BFM and inform you about the basic principles by which BFM functions.

(2) The second brochure is just now 'hot off the press.' This one is entitled "Caring for those who care for the world," and is designed to inform and explain just how essential the monthly General Fund is to the daily living and ministry needs of our missionaries.

Both of them are full-color, either 6 or 8 pages 8 1/2 x 11 format, pictorial, and informa-

tive. Will you please help us distribute these brochures as widely as you can?

If you will send your name and mailing address to: Dave Parks, 3985 Boston Road, Lexington KY 40514, email: daveparks@twc.com, phone: 859.223.8374 - and tell us how many sets of these brochures you want - we will get them back to you by return shipping.

For now, you can access an electronic flip-through version of the new brochure by going to our website and clicking on the brochure cover. http://baptistfaithmissions.org/BFM_Blog/index.php

Again, please serve as ambassadors for your missionaries by helping us get either single-copy sets to interested persons or bundles to distribute in our churches. The brochures will 'speak for themselves' - for our missionaries.
