Dear Friends, August 6, 2014

July offered us some serious challenges, but the Lord was with us and gave us victories in every instance. After a night of training our children's ministry leaders we were returning home when three armed thugs raced into our yard and demanded that we go into our house and sit under gunpoint while two of the bandits went through our rooms, closets and wardrobes, taking what they wanted. After they had searched the house they took our wallets, computers and then locked us in a small room and got away with my car and the loot. We had two guest couples staying with us at the time and the thieves also made off with their wallets, cell phones and laptops. The Lord didn't allow them to do us any bodily harm and the police found my car intact the very next day. The incident served to teach us that satanic forces are at work against us because we are laboring in the realm of God's kingdom. It also served to show us that, no matter how much Satan seeks to harm us, he and his forces are limited by God's power and purposes. We and our guests were somewhat shaken, yes, but we also came out of the experience more resolved to serve God and continue sharing the gospel that transforms lives.

We helped to send off one of our missionaries to the jungle on the Brazil/French Guiana border to preach to the Tupi Indians. Alysson has been training for missions for two years and is a dedicated evangelist. We are looking forward to hearing a report from him after a two month trip where communication will be impossible. Please pray for his safety and success in sharing the gospel.

Our church has been experiencing exciting growth and this has forced us to find ways to accommodate the increased numbers and develop ministries and leaders to disciple the new members. There is nothing like volunteer group work days to unite the members of a church and to help them develop a sense of partnership in what God is doing in their community. We have been pouring the concrete floor for two new classrooms and many of the men have turned out on Saturday mornings to mix and spread the concrete while our ladies have prepared some delicious meals to fuel them with energy and strength. A couple of our volunteers have had the "privilege" of investing sweat and blood into this effort since they have carried sand and cement and have smashed a finger or two with tools in the process. I trust that, rather than be discouraged by these trials, they feel a greater sense of belonging and connection to the Lord's work.

Charlene and I are doing very well physically and we are grateful to all of you who pray for us faithfully. Thank you for your generous support also so that we may continue to share the gospel in our corner of the world.

In Christ's love,
Bobby and Charlene Wacaser

Hospital Ministry Permit Being Renewed ... Add Four-Legged Friend To Family ...

Dear praying friends, August 4, 2014

We are now in the month of August, and it is hard to believe we are more than halfway past the year 2014. Soon will be the time for holidays and other times of fellowship with friends, family, and others. What a blessing it is to be a part of where the Lord is working. I pray that we will be faithful to where He leads. As one has wisely said, "Follow where He leads, and you will not go wrong."

Thanks so much to each one who prayed for the hospital ministry permit. We greatly appreciate it. I am thankful to announce that the permit has processed successfully in Nairobi, the capital city, and my wife is official to continue along with that ministry.

We are thankful for answered prayer and for the Lord leading and directing her to serve here in Kitale. The permit is good for three years, after which at the end of this time, we will need to reapply for it. We are thankful to each of you who pray for this ministry, give sacrificially, or help in any way. Please pray for my wife as she plans to begin soon, Lord willing.

There was a government rally in Nairobi this past month, called "saba saba." In Swahili, the national language of Kenya, that

stands for "seven seven," or July 7th. People were concerned at this rally, as there were some grievances that were thought to be brought forth, which can lead to violence. There were thousands of police officers on duty and we thank the Lord that the rally passed along peacefully. God has answered a lot of prayer for safety, as even the last election went smoothly. Psalm 34:19 says "Many are the afflictions of the righteous: but the LORD delivereth him out of them all." How we need to trust the Lord each day, and not just at times such as these. It is wonderful to know that even if we do pass through trials or times of uncertainty, the Lord is there and will protect and help.

In family news, the girls are doing well. We recently bought them a small puppy to help them to have a friend to play with here. The Lord provided one close by in Kitale at a very reasonable price. McKenna named the puppy "Betsy" and has loved each day of being with her, except when she cries at night and keeps us awake! This is all part of having a puppy to play with, and I am sure she will do fine as we have her longer. She is just six weeks old now, and a really good family dog that is loyal. Although this does help them, please continue to pray with us that the Lord will provide other children in Kitale the age of our daughters, as most of the children are older and it is difficult to make good friends. We know the Lord will take care of this in His time and plan. His plan is best, and we trust Him.

God bless each of you and we will keep you updated. Thanks to each of you for your heart for missions.

Serving in Kitale,
Nathan and Carrie Radford

Dear Brethren, August 13, 2014

This month I spent two weeks on a motorcycle trip leaving Brazil and visiting Peru, Bolivia and Chile. This was for adventure, but the Kingdom is ever present. One of the things I wanted to do in Chile was buy a new computer at the Free Zone in Iquique. Baptist churches are not as prevalent or visible as in Brazil. The Andean culture is ancient and dominant. Very different from what I am used to here in Brazil. Nevertheless, while in Puno (city on the shores of Lake Titicaca) I met a great Baptist named Henry. He was saved at age twenty and is a member of a Baptist church of about two hundred members. He teaches a Bible class three times a week. He went to Copacabana, Bolivia with us. There are no more American missionaries in Bolivia, or so I was told. The president there hates all Americans. Henry says that many Bolivians are being saved in spite of the persecution by the president who he described as "tonto" or CRAZY! My good friend Sherman Smith was along for this trip and we almost got caught in "no man's land" for Americans on the border between Bolivia and Peru. It was tense. I won't be going back to Bolivia any time soon. Anyway we traveled 3,500 miles through the Andes. Much of the trip was at 15,000

feet. One mountain pass was 16,000 feet. The winds were violent. We were in temps at or below 0° much of the time. We stayed one night at a little town called Macusani which is almost 16,000 feet. There was no heat in the rooms and no water in the communal bathroom. Most of our guys were fainting, vomiting, dizzy and out of breath. I was fine. Like I said: adventure!

We had a good month here at church. There was another baptism with twenty-six new members. Last weekend we had three days of special services. The main feature was the tenth anniversary of our theatre group. Each night they presented a play which they created around a pirate theme. The message was about the true treasure of salvation in Christ. There were nine people saved just this weekend and five more requests for baptism.

The five pastors of First Baptist Church have been busy working with our chapels and chapel pastors. At the beginning of this year we allowed our chapels to have Sunday evening services. For a short time this put a dent in our attendance at the mother church. Now it looks like we have already grown back the ones who now attend the chapel services. Sunday night we were at capacity again. This past weekend the Catholic church had their biggest festivity of the year, but had no impact on our attendance.

Zico, our missions director, took Idevaldo and wife to visit the town of Jordão on the upper reaches of the Tarauacá River. They are our newest missionary couple and we will be sending them to the field later this year. The church has already approved them and put them on full time salary.

Thanks for all of your prayers and support. God bless you as much as He has us.

In Christ,
Mike Creiglow

Dear Friends and Brethren:

Jesus Christ, our Lord, was very clear in His words before He ascended to Heaven: "Go into all the world, preach the Gospel to every creature and baptize those who believe. And lo, I am with you."

In this short letter I would like to make a few observations concerning this command.

1. All men without the Lord Jesus are lost in sin and condemned to a hell of eternal fire.

2. God loved the world in such a great manner He gave His only begotten Son to die on the cross to redeem the lost.

3. Gratitude to God for His Grace in our lives should move us to faithfully tell the lost about how to be saved.

4. Every person we see or meet will spend eternity in Hell if they are not saved.

5. They cannot be saved unless they hear the Gospel.

6. If we do not tell them the Gospel their blood will be on our hands.

7. Remember the fate of people who die without Jesus.

8. Be constantly aware of how His Grace changed our lives forever from the moment we believed in Jesus as Savior.

9. Jesus has given us the greatest privilege and joy possible: To tell the lost how Jesus, by His death, burial and resurrection can save the vilest sinner.

10. Let us be faithful in telling the glorious story of His love.

Sincerely in Jesus Name,
John and Alta Hatcher

Sixty-Sixth Anniversary Of Tabernacle Baptist... Praise God For Always Providing...

Dear Friends, August 5, 2014

Praise God for all His wonderful blessings. We are half way through this year; and, God has been so marvelous in providing each need. First, He has given us hope of eternal life by His side, and even now, the presence of His indwelling spirit. He also provides the very smallest needs of each day as well as the monumental ones. God is awesome - always good, just, and true.

At the beginning of the month, I was in Brazil for ten days meeting with pastors and staff concerning the planning and follow-up of projects underway. One of the special moments was Tabernacle Baptist Church's celebration of our 66th homecoming. The church was organized July 4, 1948, under the leadership of Pastor Francisco Santiago (who also performed my baptism when I was a child). The church beginnings were very simple, in a small rented house, with backless, board benches, in a short alley called Beco Vila Mamão. The mother church was First Baptist Church of Cruzeiro do Sul, Acre,

that had been started by BFM's first missionary to the Amazon, Joe Brandon. Pastor Santiago had been the first convert and baptized believer under Bro. Brandon's ministry in Cruzeiro do Sul. By the way, Francisco Santiago's intent when he went to Bro. Brandon's street meeting was to interrupt and run him out of town. Upon hearing the word, he became motionless in his hiding place behind a bush and commented to a friend who had come along to help him, "This is not of the devil." The next night they came back to hear more and were saved! A few months later, a statue in the local catholic church fell and broke and the believers were blamed for it; an intense persecution began. Francisco Santiago, along with his family, fled for his life. That's how he wound up in Manaus, almost a thousand miles down river. Praise God; how marvelous indeed is our God. Sixty-six years later, children, grandchildren, great grandchildren and great-great grandchildren churches have spread in more than half of the states of Brazil. Aren't you glad to be a part of the great things God is doing through your giving and prayers? God is awesome!

God bless each of you. Thanks for your prayer and faithful support to the work of missions; may God be your great reward. We pray for you that your remembrance and knowledge of our Lord, the only true God, may abundantly increase, that your trust and faith in him may be steadfast in all things, and that the love of the Spirit may fill and overflow in your every word and action, with thanksgiving to God though Jesus Christ our only Lord and Life.

Love, Paul and Wanda Hatcher

Dear Brothers and Sisters, Aug. 5, 2014

We hope this finds you enjoying the Lord. What a privilege we have as God's children with continuous access to our Father and Saviour and with His Spirit united to ours. It is also a wonderful honor to represent the Eternal God, Creator of all things to the people who live around us.

Just after writing our last letter we participated in the annual outdoor dinner of our neighborhood which takes place in the street in front of our house. We made new friends and were able to reconnect with some people that we have not seen for a while.

During the past month we have spent part of our time reviewing the past year and making plans for the coming year. We discussed what we would teach in Sunday School, Vacation Bible School and Youth meetings. We determined changes that needed to be made in class groupings and how to effectively do what God has placed us here to do. We have also discussed ways

that we can connect with the people that we are here to reach.

One of the things that Judy and I are going to be doing this coming year is an English Club to help young children in our neighborhood get started learning English. This is a result of a request made by the parents of these children. Judy and Amanda did this for several years in Tournefeuille and Judy and Wendy had an English Bible Club in the city of L'Union for several years. These have given us many long term opportunities. Several of the young people who now come to our monthly youth meetings are from families that we served in this way in the past. We follow the example of Paul who said, "I made myself servant unto all, that I might gain the more." Judy also donated her time to teach English twice a week for several years in the past in one of our local public elementary schools.

English proficiency is required for anyone wanting to advance in white collar jobs and this is a need that opens doors for us. Parents are very interested in their children learning English to prepare them for the future. We want to serve them in this area to open the door to prepare them for eternity.

This is also a good time to remind you to pray for Philip, Amanda and their family, and Wendy who serve with us. Wendy is a single missionary who is supported by friends and churches in the US and Philip works as an engineer here to support his family while they serve with us. We thank God for your prayers and faithful support over many years.

Attendance in the services and Bible studies has been good and we see evidence of the Grace of God.

Serving with you for our Saviour in France,
John and Judy Hatcher

August 12, 2014

Dear Brothers and Sisters in Christ,

I want to write to you this month about a light in the darkness and a darkness in the light. Explanation of this cryptic sentence follows.

I had an opportunity this month to visit the Pokot region of Kenya where the Pokot people live. These people live north of Kitale. About a 40 minute drive north of Kitale, you drive down a long escarpment, go off the map, and enter a completely different world. You leave the cooler, green of Kitale for the hot and dust-filled land of the Pokot. You leave the "comfortable" and the "familiar" for the unknown, the desert. In a word, you leave "civilization" (some of you might not even consider Kitale to be civilization) for the world of National Geographic. You enter a land of small mud huts, goats and camels, no water or food, strange clothes, unknown language, sickness and blindness, thorns, mountains, dried up riverbeds, naked children, and even witch doctors. Our destination was a seven hour drive north to the Pokot villages of Konyau, Leyo, Alale, Nakali and other villages too small for a name. Our goal was to teach and preach the gospel and the salvation found in Jesus Christ. Of the many things I could write about concerning this trip, I basically want to summarize it by contrasting two of the small villages we visited, neither of which was big enough to have a name.

Village #1: A Light in the Darkness-We arrived in this village around 5:30pm, set up our tents outside the village, and got a fire burning so we could heat up some tea. We ate our evening meal of tea and peanut butter sandwiches without jam. We had plans of heading down to the village after dark for a time of worship with the villagers. At 9:00 we headed down to the village. It was already pitch dark. We arrived at the village where the only light came from a small campfire that was already burning. No one besides us missionaries had arrived at the worship site yet (the worship site being a cleared out area around the fire). While we waited for people to arrive we tried to call home and check in with our families, but we could not receive any cell coverage (surprisingly, you can get cell coverage just about everywhere in Kenya, even in the bush). We wandered away from the fire 200 to 300 yards looking for a place where we would find coverage. It was very dark. All I could see were the stars and the dark silhouettes of the nearby mountains. While I was out wandering around looking for a signal, drums from the village began to sound, signaling to the people to come to the fire for worship. If you've seen enough movies like I have, you may be able to figure out what I was thinking. Put yourself in my place. You're in the middle of the African bush. It's completely dark. You hear drums start to sound in the distance. If you're anything like me you begin to think that those drums are an ominous sign that the cannibals are about to come and get you. A little far-fetched, I know, but you might think the same thing if you had been in my position. It was menacing. It was threatening. It was gloomy. It was intimidating, hostile, sinister and foreboding. Anyway, as we began to walk back towards the village, the sound of the drums increased, becoming even more daunting. But soon the light from the fire appeared as well as the sound of singing

villagers. We arrived back in the village to the sounds of the drums, the people singing and dancing around the fire as the whole village had come out to worship and praise God together. They sang and praised God for over an hour in the Pokot language. They also sang some in Swahili so I was able to hear that they were indeed singing about Jesus, the cross, his grace, salvation and how much they loved him. The singing was followed by a time of teaching and preaching by the missionaries about the gospel, which was well received by all these people. As I sat there participating in all this I could not help but think that while the darkness of night had set in, and although the drums sounded menacing from a distance, this particular village was filled with the light of Christ and the gospel.

Village #2: A Darkness in the Light -The scenario surrounding the other village I will tell you about was completely different. This village we wanted to visit contained the witch doctor for the whole vicinity. Using divination he would tell people when and where to attack for cows, would tell the people what they needed to do for the rain to come, and performed other acts of "seeing". His powers, albeit from the devil, are very real. We wanted to go see him and share the gospel with him and his village. We got up in the morning, ate our breakfast, and took off for his village. We left on foot at about 10:00 in the morning, carrying water and food for our long hike into the mountains where his village was located (any resemblance of a road ended at the place where we had pitched out tents for the night). The sun was shining bright and hot. I covered my head with a hat and my neck with a scarf. I drank a lot of water as we hiked up and down hills, the bright sun illuminating our path while pounding us with radiation, light, and heat. We finally arrived in the small village. Some of the older women sat in shady areas with the small naked children. Most of these women looked blind, their eyes white and milky. We asked to see the old witch doctor. They refused to tell us where he was. They told us we were not welcome there and to go away. We told them we had words from God that he wanted them to hear. They would not look us in the eyes, they told us the words we had were not for them, that they did not want to hear them. We told we had walked far to see the old man and again asked if we could see him. Some of the teenage boys who were standing afar off tending the goats began to yell at us and threaten us. There was hostility in their voices and in their eyes. The resistance was great, not only to our message but also to our very presence. After about an hour, we had no choice but to leave the village. The old witch doctor never came out of his hut, and we never had a chance to see him. As we began our long walk back to our campsite, the sun continued to pound us with light and heat. I couldn't help thinking that the whole time we visited that village the sun brightly lit up the entire area, but the poor people of that village lived in complete and perpetual spiritual darkness. Later, back at the campsite, we worshipped with some Christian Pokot people. I encouraged them to be thinking and praying about how they themselves could be missionaries to their own people by taking the gospel back to the witch doctors' village in the hills.

I relate these contrasting stories to you so that you can see that while the gospel has made many inroads into far off places and is shining the light of the truth of Jesus in Satan's dark strongholds, there are still many places and people that are blinded to the light of Christ and need his love, grace and mercy in their lives. Please pray for the conversion of the Pokot people of north-west Kenya.

Until next month, beloved. May God's peace and joy be with you.

For the glory of God in East Africa,
Roger, Julie, Emily, Amy, and Josiah Tate

Dear friends and family, August 5, 2014

Here in Caragua we have had an AWESOME month! It has been very busy, tiresome, and the biggest blessing of all, very fruitful.

We have been blessed to have the group from Second Baptist Church in Warner Robbins, Georgia with us. Pastor Mike and the group were to say the least, AWESOME. While they were here, we visited a local school. This is a new city school near our church. It is a very large school, and is new.

The city closed several small schools and put them in this new facility, and it is going to be a model school for the area. We were able to enter this school because we knew the principal and one of the teachers. We did not know that the lady who is the principal there was one that we had met earlier with one of our groups. After renewing our friendship with her, we were able to go back to the school on the second day and also received an invitation to bring our groups whenever we wanted to. So we were able to talk with the English students (around 200). We also did craft projects with them, and with this craft project, we were able to witness to them. However, we were not able to give an open invitation, but we did plant many seeds of the Gospel. Several of the students came to Church on Wednesday night. We also got to know the Vice-Principal, and he and his daughter have been coming to our English class on Saturday nights at the Church. How AWESOME is the God we serve!!!!

And now to even better news - on our prison visit, we were able to witness to the boys there and give an invitation to them. At this visit, we had a man from the States who gave his testimony of how God saved him from a life of addiction. And God used this to bring 52 young men to know Him as their Savior. How much better can it get? These young men range in age from 13-18 years old. Yes, this is a prison for young men (boys). We now need more Bibles to give each one of them one.

We have been ministering in this prison for about two years and have already done a vocational class for them. We are unable to bring them to the vocational school at present because of our need for more legal paper work. Keep praying for our vocational school.

This month that we are entering will be our month of "mission awareness". Starting on the 10th on Sunday evening and the next four weeks, we will hear from five missionary works here in the state of Sao Paulo. The first will be the missionary to the Indian tribe that we are assisting in Patiti. This is a city about 2 - 1/2 hours from Caraguatatuba. Another missionary is from Sao Paulo city where he ministers to the Jews. The next is from Eufрата, the orphanage where we are helping. The next will be from the rehabilitation center here in our city where we work weekly with the people that are trying to get off alcohol and drugs.

Then to complete our month, we will be hearing from our friend in Sao Paulo city who is pastoring an inner-city church. He will be preaching on "Faith Promise" as a way for us to support missionaries. Pray that our Church will catch the vision for missionaries.

Well as you know, all news is not necessarily "glow" news, so here is the rest of the story. The devil really knows where to attack. So, today as Barbara was taking Edson (our Brazilian son) up the hill to the next city to enroll in a college closer to Caragua, her car quits. You guessed it, blown motor. What made it obvious was the trail of oil on the highway. I don't know why this little Chevy 2001 year model car with almost 300,000 miles lets us down. Now listen, this is the 3rd car in less than 8 months that has blown a motor. So I need to tell you that we really need your help financially. We will be trying to see where we can get the best price for the work that will need to be done, but without your help, we will not be able to get any work done.

Well this is not the end of the world - and there are so many good things that are happening. All we here can say is "THANK YOU, LORD!" for all that is happening! AMEN!

Like I have a tendency to say, if you would like to see what God is doing here in Caragua, just come on down. We will show you everything and put you to work. That way you can be a part of what He is doing here. But if you cannot come, send your offerings so that we can continue spreading the Word.

In his service,

\$50,000.00 MONTHLY GENERAL FUND GOAL

Please continue to concentrate your giving to the General Fund which supplies the monthly commitments we have made to our missionaries. Without sufficient General Fund offerings, the base support for our missionaries' essential needs is deficient.

BFM BROCHURES

We now have TWO very attractive and informative professionally-produced brochures. We want you to help us get these promotional messages into the hands of anyone and everyone who is interested in the mission work the Lord is accomplishing through the missionaries who are supported by your offerings through BFM.

(1) The first of these brochures is one that will introduce you to BFM and inform you about the basic principles by which BFM functions.

(2) The second brochure is just now 'hot off the press.' This one is entitled "Caring for those who care for the world," and is designed to inform and explain just how essential the monthly General Fund is to the daily living and ministry needs of our missionaries.

Both of them are full-color, either 6 or 8 pages 8 1/2 x 11 format, pictorial, and informa-

tive. Will you please help us distribute these brochures as widely as you can?

If you will send your name and mailing address to: Dave Parks, 3985 Boston Road, Lexington KY 40514, email: daveparks@twc.com, phone: 859.223.8374 – and tell us how many sets of these brochures you want – we will get them back to you by return shipping.

For now, you can access an electronic flip-through version of the new brochure by going to our website and clicking on the brochure cover. http://baptistfaithmissions.org/BFM_Blog/index.php

Again, please serve as ambassadors for your missionaries by helping us get either single-copy sets to interested persons or bundles to distribute in our churches. The brochures will 'speak for themselves' – for our missionaries.

MISSIONARIES ON FURLOUGH

Two of our longest-serving missionary families are on furlough in the States together at this time: John and Alta Hatcher and Paul and Wanda Hatcher. Paul has written in his Mission Sheets newsletter, "Wanda and I have been in Brazil for 40 years. During this period, we have taken only one full-year furlough." But, they all have come together to the States for a year's furlough. John and Alta Hatcher have been serving our Lord in partnership with Baptist Faith Missions for 60 years and wanted to come Stateside for this furlough. Paul and Wanda have come with them to accompany and help them. Also with them is Wanda's mom, Willa McGary. 'Miss Willa' and Wanda's deceased dad, Wilford, served as church-planting missionaries in Eastern Kentucky Appalachia for 35 years. Willa has also been living with Paul and Wanda

in Manaus since Wanda's only sibling, Ross McGary, went to be with the Lord in December 2013. But, living in Manaus was very difficult for 'Miss Willa' since she was away from her friends and in an all-Portuguese environment with different customs.

So, they are all living and traveling together. They plan to set up their residence in Florida during this time to give them better access to Brazil, especially for family and friends in Brazil to come and visit with them during this year.

Paul says: 'We will be available to speak and share missions. We can be contacted at: (239)227-6551 or rphatcher@gmail.com.' We encourage you to pray for them and correspond with them.

Their present address is: 615 Key West Avenue, Davenport FL 33897-3600 | Telephone: (863) 438-6922

FOUNDERS DAY OFFERINGS

You should have received last month your special Founders Day Offering issue of the Mission Sheets along with one of our new brochures: "Caring For Those Who Care For the World" which will explain the need and function of the General Fund to supply our missionaries' monthly needs.

The contributions we receive from your Founders Day Offering go toward supplementing the monthly General Fund offerings to supply the monthly commitments we make to your missionaries. These offerings provide for their essential living and ministry expenses. Every month, we must disburse at least \$43,300.00 just to maintain the standard essential commitments we have made to our 11 faithful, full-time missionary families.

When the monthly General Fund offerings do not cover those commitments, then we must reduce the amounts we disburse to the missionaries that month.

What it always comes down to is reducing the amounts we disburse to them for their modest salaries and personal/ministry expenses allowances.

To date, June's and July's offerings total \$14,280.00. The 2013 Founders Day Offering was \$23,176.00. We really need to at least match that offering – and better yet, exceed it. The Founders Day Offering last year enabled us to carry over supplies into the latter months of 2013 and prevented us from having to reduce the missionaries' monthly disbursements.

Please respond as generously as God enables you to give. Whether it is June, July, August – or whenever – just designate your offering "Founders Day Offering" and we will apply it to keeping your missionaries' proverbial heads above the proverbial financial water for that month! I promise you: they will need it!

**WILL YOU GIVE AT LEAST \$1 A DAY FOR WORLDWIDE MISSIONS?**

I know that many of you are giving much more than that - but if you are not giving a personal offering each month to our GENERAL FUND to help maintain our missionaries' essential needs, will you ask the Lord to supply you with a regular monthly offering of \$30 to our GENERAL FUND? Together we can provide them with the funds by which they can continue their daily ministries.

**JUNE IS FOUNDER'S DAY OFFERING MONTH
THE IMPORTANCE OF THE FOUNDERS DAY
OFFERING TO THE CONTINUING SUPPLY OF YOUR
MISSIONARIES' ON-GOING NEEDS**

We are appealing to you to give an extraordinary offering to our Founder's Day Offering to supply our missionaries' Essential Maintenance needs.

Seventy-two years ago, Hafford Overbey began appealing for and receiving offerings to assist in the support of a missionary who had returned to the Amazon Valley in Brazil. Baptist Faith Missions has been assisting Baptist churches in sending their missionaries to the nations of the world for the purpose of church-planting missions ever since.

We recognize that many of you do not remember Hafford Overbey or Z. E. Clark, the first Treasurer of Baptist Faith Missions. But, what you do need to remember is that your missionaries who are currently serving the Lord in the nations of the world are

carrying on with the same missionary vision and ministry that prompted the very first missions offering in 1942.

So, will you please help us? Last year [2013], it was the Founder's Day Offering that enabled us to NOT have to reduce our missionaries' monthly funds. We devote the Founder's Day Offering to supplying our missionaries' monthly Essential Maintenance Transactions. What that means is: we will supply any deficits in our Monthly General Fund Offerings with Founder's Day Offering funds.

So, by giving to the Founder's Day Offering, you are helping your missionaries receive the full commitments of monthly funds they must have to maintain their living and ministry needs.

**"THANK YOU! THANK YOU!"
GIVING FRIENDS**

Never a month goes by without our thanking God for all our faithful Giving Friends who contribute so regularly and sacrificially to our General Fund offerings. Also, hardly a month goes by without my speaking personally with some of you and having the opportunity to thank you personally for your participation in this missions ministry.

I was speaking with one of our dear supporters recently [you shall remain anonymous - but you know who you are]. She is a widow of very modest means, but she continues to live modestly on purpose so she can continue to give to missions.

And, when I thanked her for her long-time financial support for BFM, she told me, "I'll do without something else before I will NOT give to Baptist Faith Missions." May God increase her tribe!

God has blessed her - and God will bless her. And I pray also that God will use her example and testimony to challenge all of us to follow suit.

1 Samuel 25:17: Now, therefore, KNOW and CONSIDER WHAT YOU WILL DO.

PERSONAL NOTE OF APPEAL

From Giving Friends Who Wish To Remain Anonymous

To All Churches and BFM Contributors:

The Lord has laid this burden on our heart. We appreciate all the support the churches and individuals do for the missions. But we are asking each church and individual to go \$1.00 farther - that is - on a weekly basis add this \$1.00 more to your mission contribution. If a church with fifty members would do this, it would mean \$200.00 more per month and \$2,400.00 more per year.

Imagine what this would mean to the General Fund if sixty, seventy, eighty or one hundred members added the extra \$1.00 each week: **OUR GENERAL FUND COULD GROW BY \$120,000!**

Please pray and try to meet this goal over what you now contribute. If we each sacrifice something small, then God can do something mighty.
