Pray For Meaningful Contact With New People ... Begin Teaching Children English ...

Dear Brothers and Sisters, Oct. 6, 2014

The beginning of September in France is referred to as "la rentrée" which translates into English, "coming back into". It refers to the fact that everyone comes home for children to start school. It is also the time of the year when we restart most things that run on a weekly schedule. We are encouraged by the what has taken place this month.

Last Sunday we had a church dinner and the time of fellowship with God's people went very well. Individuals who normally do not come were here, as well. This makes it possible for them to get acquainted with people who are members of the church. Outsiders are more likely to return to a meeting where they know someone.

Making meaningful contact with people is an essential part of making disciples. This is a reality of our ministry that is underscored in the Scriptures: "Go ye therefore", "For the Son of man is come to seek and to save that which was lost." (Paul in Athens) "in the market daily with them that met with him." We pray for God to give us these contacts and we try to "walk circumspectly" (looking around) for those that God brings across our path.

Last week we had dinner with a couple of our neighbor families to discuss teaching English to the young children. The dinner allowed us to become better acquainted with these neighbors and we will be teaching their children simple English one afternoon each week. When you love and serve people they listen to what you have to say.

Wendy, the single missionary who works with us, hosts "English Night". Teenagers and adults come because they want to improve their English (and enjoy a meal). We help Wendy with this because we want tell them about Jesus. This past Saturday we had an excellent discussion with those who were there about the dysfunction of human beings without God and God's intervention to restore our ability to love and do right. Among those there was a young man in his mid-thirties who's father was 16 at the time of his birth, a young lady who recently failed in her studies to be an interior designer and is now working as an aide in a nursing home, and a social worker; individuals who need Christ.

Tonight our Bible study in Mazère about forty-five miles South of where we live was well attended. We began a study on the Sermon on the Mount. Douceline, who hosts this study in her home, meets with two ladies on other days for regular one-on-one Bible studies. There is evidence of God's grace in many ways in the lives of the people who participate in the Bible study including the spiritual growth of the hostess.

Your giving demonstrates your love for God, us and people who need Christ. Your giving enables us to minister in five different cities. Your prayers are answered as God empowers His Word.

Let us all not weary in well doing for in due season we will reap if we do not faint!

Dear Friends, October 2, 2014

Blessed be the one and only true God and our Lord Jesus Christ. Each new day we are richly blessed in Christ, therefore we rejoice and are glad in Him. Certainly the Lord has provided each and every need and that with much abundance.

I'm writing this letter seated in the airport in Panama, waiting for my flight connection to Manaus. The time in Manaus will be busy, speaking and encouraging the church and planning with the church leadership. Less exciting, but very necessary, will be looking after and caring for the legal responsibilities. God is always good and gracious, His mercies endure forever; so, I am expecting a very productive and encouraging time in Manaus.

On the third Sunday of September, we all - Dad, Mom, Willa, Wanda and I - were

privileged to be back at the Tabernacle Baptist Church in Mims, FL - Pastor David Humphreys. I am thankful for the opportunity I had to minister the word in the morning and evening worship times, filling in for Pastor David who was on a much needed and deserved vacation. We had dinner with several of the church families. The food was delicious and the fellowship wonderful. It is always a treat to be with God's people and hear and talk about the wonderful blessings our heavenly father graciously grants each day.

In Manaus, I am looking forward to seeing and spending some time with our children and their wonderful families. We certainly have missed being with them and enjoying all that God is doing in their lives. I guess you could say it will be catch-up time.

God bless each of you. Thanks for your prayers and generous support to the work of missions in Brazil; may God be your great reward. We pray for you that your remembrance and knowledge of our Lord, the only true God, may abundantly increase in wisdom and discernment, that your trust and faith in our Lord Jesus Christ may be steadfast always, and that the love of his Holy Spirit may fill and overflow in your every word and action, with thanksgiving to God through Jesus Christ our only Lord and Life.

Love, Paul and Wanda Hatcher

Holidays Near And Homesickness Begins ... Training Qualified Men To Start Churches ...

Dear praying friends, Oct. 5, 2014

We hope this update finds each of you doing well as you serve the Lord. We appreciate each of you so much, more than you know.

It is hard to believe we are only two months away from the end of 2014. As someone has wisely said, "Now is the time to invest in eternity."

We thank the Lord for each of you who have written to tell us you are praying for us, or sent cards, etc. Your thoughtfulness means so much and we thank God for you and your encouragement. We are upcoming on a difficult time of year, as the holidays are coming soon. Homesickness is one thing we really struggle with at times, and we rely on the Lord to help us through it. It comes and goes at different times and in different periods of intensity, yet the Lord is so faithful through it all.

Church planting is progressing along well, although there are major challenges. My friend and partner, Roger Tate, and I are doing our best to teach Kenyan men to rely on the Lord and not us. This is a challenge for many of the men, but something they definitely need to see from the Word of God

and apply to their lives. Psalm 34:8 says "O taste and see that the LORD is good: blessed is the man that trusteth in him." We will keep you updated on the progress of training qualified Kenyan men to go and reach their own people and start churches in the Kitale area.

I thank the Lord that He has kept the opportunity of ministry open to the Annex prison. The chaplain there was so nice and helpful and I really thank the Lord for that. Please pray for the men there, that the light of the Word of God would shine there and many would be saved. Acts 26:18 states "To open their eyes, and to turn them from darkness to light, and from the power of Satan unto God, that they may receive forgiveness of sins, and inheritance among them which are sanctified by faith that is in me."

The children are doing well and growing up too fast. McKenna has been in homeschooling for several weeks now and both McKenna and Mom seem to be doing well. Camille will be having her time to start schooling soon. This is definitely a new period in all of our lives and stretching for us. I am so thankful for my wife and her sacrificial spirit to work with each of our daughters each day. Not only is she a great teacher, but also mother and encourager to me. I am truly blessed. Please pray for this school year, that all will go well and much good knowledge will be learned and applied.

We thank the Lord for each one of you and your interest in missions. We will keep you updated. Have a wonderful upcoming holiday season.

Dear Brothers and Sisters in Christ,

Greetings, beloved, from the land of perpetual rain and blackouts. Well, OK, it's not that the rain never stops. It just seems that way sometimes. This week the rain was mixed with a good amount of hail. This occurs here about once a year. The hail covered the ground and it looked like the ground was covered with snow (which never occurs here). Josiah played in the storm until it became too painful to be pelted by small hailstones. And, of course, we don't have perpetual blackouts. In fact, the electricity is really on most of the time. However, it is off often enough to frustrate us. But right now the sun is shining brightly and the electricity is on, so I have nothing to complain about, right?

We were able to start up a new class at our church planting training center this month. It has pretty much gone the typical "Kenyan" way. Let me explain. The first day of class started with a nearly empty room. The room only contained two people - Nathan and me. We waited a long time by ourselves, waiting to see if any students would show up. An hour after the official starting time the students started trickling in. This is typical and to be expected in Kenya. A half hour later the room was filled with the students that had been recruited. We spent the first half of the class with introductions and getting to know these students better (It's best to know up front: Whether they have more than one wife, which is a show stopper for some; What their purpose for coming to the class is,

which for some is a free lunch; Whether or not they can give a good salvation testimony, which most Kenyan Christians do not know how to do; and etc.). They all seemed to be excited to study the Bible together, to learn to work for the expansion of the Kingdom of God, and to eventually learn how to start new churches of the Lord Jesus Christ. The second half of the class we began to lay out for the students what they should expect from us, the missionaries and teachers. We told them we would put great effort into teaching them from the Bible, into modeling for them how to do the work of the ministry, and into assisting them as much as possible in learning how to follow Christ, how to minister to God's people, and how to start new churches of the Lord Jesus Christ. The excitement level was still high. Next, we explained to them what they should NOT expect from us, the missionaries and teachers. We told them they should not expect a salary, gifts, school fees, a church building, musical instruments, lunch or other handouts. We also told them that while we would teach them extensively, our training center was to train men to go out and do the work of the Kingdom, not to simply get a diploma. Many think they cannot minister or work in the Kingdom without a diploma. Diplomas are also seen as a way to advance oneself in the business world here and so we would not be administering diplomas or certificates. At this point the excitement level dropped a bit. We were not mean or nasty. We were, in fact, gentle and meek with them. We wanted them to know up front what they should expect to get and what they should not expect to get. We wanted to be open and honest with them so that they would know what they were getting themselves into. The result? Well, over 80% of the class dropped out and never returned for the second session. This also is typical of Kenya and we have also come to expect this. We aren't

Pray For Monthly Pastors Meeting ... Need Prayer Many Health Issues ...

In this newsletter I'd like to share with you about the Evangelistic cookouts, the home prayer groups, new converts, pastoral mentoring, the monthly pastor's gathering, our revival conference, my health and how we can stay connected thru Facebook. I'd love for you to read further.

HEALTH ISSUES-I caught dengue fever a few weeks ago and it has been a rough three weeks. There is no medication for it; one must just wait until the virus finishes its course. Some of the symptoms are severe bodily pain, constant fever,

nosebleeds, burning eyes, muscle weakness, vomiting and dizziness. There is no cure. I have to make sure to stay hydrated and keep the temperature down. An awful experience.

A week before catching dengue fever though, I was enduring leg pain as a result of a childhood disease called "Legg-Perthes" (many of you may remember, I was eight years old at the time). The dengue fever intensified the anguish. Yet, I realize my Savior endured much greater pain. I sure am grateful for Him. I am currently 85% back into health. Still tire quickly and have occasional nosebleeds. Please, pray for my health.

EVANGELISTIC COOKOUT-Our latest Evangelistic cookout was a true success. Lots of first time visitors and many decisions throughout the following weeks. We had roughly 250 people in attendance. All of our adult guests and

their children had a blast. Our next Evangelistic event is set for October 12. Please, join us in prayer.

HOME PRAYER GROUP-Currently, "Ativa" has four home prayer groups meeting every week. The group that meets at our home on Wednesdays has rendered a lot of individual spiritual growth due to personal interaction. In the picture, you will see our people sitting around the dining room table.

NEW CONVERTS-The couple you see in the picture, accepted Christ this week. They have an interesting salvation story of how they realized the need for a Savior. They attended their first Evangelist cookout over a year ago and came again just recently. Since the last cookout, they have attended every service, and participated in the home prayer

group that meets on Fridays. They were devout Catholics and adverse to idea of a Savior who cared for them personally. As a result of the love interaction they observed within our church people, the Lord began changing their hearts. Now, they glow of happiness.

PASTORAL MENTORSHIP-I love mentoring new pastors. The Lord has blessed us with three men who He has placed in their hearts the desire for pastoral ministry. They have tight schedules during the week,

so I meet with each one individually. We plan, pray, read and discuss. It an encouragement to see how God is molding these men.

PASTOR'S GATHERING-Last year we began a monthly gathering called "Pastores Amigos" (Translated- Pastor Friends; or, Pastors who are friends). The monthly meeting starts in high gear with dinner at a

restaurant, praise music, prayer and solid preaching. I am sure you would love to participate with us, it's a blast. Attached are two pictures for you to see as well.

REVIVAL CONFERENCE-Ativa: uma Igreja Batista (translated - Ativa: a Baptist Church) is two years and a half now and we

held our first revival conference and invited a few other sister churches to join with us. It lasted three days, had a special guest speaker and an average attendance of 300 people per evening.

FACEBOOK-If you'd like see more, please add me on Facebook by going to www.facebook.com/judsonhatcher. It's a great communication tool. Continue to pray for us.

Thanks for praying,
Judson Hatcher

Dear Friends, October 3, 2014
I missed giving you a report last month on what's going on, so I'll try to get you caught up without making this letter too long.

In my last report, I mentioned that we were sending one of our young evangelists out into the jungle region where Brazil and French Guyana share a border. Alysso, our volunteer has now returned from that trip and has shared the experiences and results that he had while working there. In the course of one month the group went to several villages of Indian tribes and a few towns of small population. They were able to share the gospel in hospitals, public schools, public squares and in 67 homes. In all, they spoke to over 3390 persons and, of these, 750 made a profession of faith in Jesus. Alysso was so encouraged that now he wants to prepare to go to other regions as a missionary.

Our motorhomes are all running again and we have three teams out sharing the gospel as I write. During the last two months we took two of our teams to some neighboring towns to evangelize in the public schools and parks, as well as assisting some local churches with their missions training. Projeto Vida has gone through some very trying times, both financially and some health issues. Our leader of this ministry, Paulo Novaes, received a doctor's report that he has cirrhosis of the liver. He, of course, is concerned and is having to change his diet, his exercise program and was advised that he'd have to stop stressing. It is this last item that is the most difficult. There are over

fifty volunteers involved in this ministry and their well-being is a constant concern. Also, there are all the issues involved in maintaining four motorhomes equipped, fueled and running properly. Add to that, the relational issues between twelve people per motorhome living together in a small space for 3 weeks per month, nine months per year. These are stress-generating issues, to say the least. Please pray for Paulo that he may know how to fully surrender these issues to the Lord and not let them destroy his health.

We just went through a rough period with the death of my co-pastor's aunt. Glenda fought with breast cancer for nearly one year. She maintained a strong testimony to God's grace and love throughout the ordeal, but the Lord saw fit to take her home last Sunday. Many of you have had to suffer a similar battle, either from having cancer yourself, or accompanying a loved one who had it. You know how hard this battle can be. My co-pastor's family was strengthened by God's grace as a result of this battle and we have seen in many ways how trials truly serve for our growth and spiritual well-being. We rejoice that Glenda no longer suffers the pain and uncertainty of how to please the Lord in sickness, but we are saddened by the family's loss of their loved one.

Our church is experiencing encouraging growth, especially among our youth and children's ministries. I am amazed every week while I'm preaching to look out upon the congregation and see so many new faces of folks that I've never met. Even more exciting than this is that they return week after week and several have come seeking to be baptized as followers of Christ. Next week we will be scheduling a baptismal service for 6-7 converts. We are so thankful to the Lord for using us and blessing us with these signs of His power at work around us.

Thank you for your continued prayer and faithful giving so that we may continue to serve the Lord here in southern Brazil.

In Christ's love,
Bobby and Charlene Wacaser

Dear friends, October 5, 2014
Well, the dedication of our new meeting house for the Calvary Baptist Church here in Huánuco, Peru was a great success. We invited our sister Baptist churches to come and celebrate with us in the dedication on

Thursday 18th of September. The picture you see was taken a few minutes before we started and many more came in shortly after; packed out with many standing.

In just a few weeks we will organize the mission into an autonomous Baptist church on Saturday the 18th of October. Pastor George Sledd of our authorizing church will come down to oversee the proceedings. We are excited about this latest milestone in our ministry. I mentioned in last month's letter that the church needs to call a pastor before we can proceed with organization. Last Sunday, 28th of September, the mission voted NOT to call my assistant pastor, so we have allowed two weeks for prayer before we vote on another, younger, candidate. The church needs a pastor so, once organized, we can get their legal non-profit organization status they need to own the new property. We would very much appreciate your prayers in this matter.

This past month I had the unique experience of counseling with a fifty year old man from London, England. To make a long story short, he came to me in a severe

state of depression and left with the joy of Christ in his life. Andrew Lord, has been traveling around the world on a BMW motorcycle for the past seven years. He has been in India, Pakistan, all over the Middle East, Africa, and the past three years has traveled from Alaska, through Canada, the United States, Mexico, Central America, and now is in South America. Some missionary

friends (with a motorcycle ministry) met Andrew and recommended he come see me about his depression. Hope is the best therapy for depression and since the 2nd coming of Jesus is our "hope of glory" I

always present the gospel to non-believers that come for counseling. He has several more months to go traveling to Chile, Argentina and Bolivia, but now he knows

Christ and has peace. Remember Andrew in your prayers please. He has some very weighty decisions to make in the near future, and if you see him on the road somewhere, encourage him in his walk with Christ and tell him Sheridan says hello!

Last month I told you all about the Saints of Berea Baptist Church in Hiddenite, North Carolina calling me as their pastor. Anita and I are busy selling everything we have accumulated in thirty-two years on the mission field and making preparations for returning to the United States sometime in November. We are very excited about this new opportunity to serve our Lord with such a dedicated group of God's choicest Saints. I ask you to pray especially for us that our Lord will continue to give His peace and encouragement as we go through the difficulties of what personal things we must leave and what we can take. It is hard because so many little things have so many memories attached.

Being "In Christ" by God's grace,
Sheridan and Anita Stanton

cynical. We've just come to know that only about 5% of those we train will actually progress to do the work of the ministry out of love for the Lord Jesus Christ. So, we are taking the remaining 20% of the students and have continued the class with them. We will train them, teach them, and model for them the work of the ministry. 2015 THANKSGIVING OFFERING

Philippians 4:19

But my God shall supply all your need according to His riches in glory by Christ Jesus.

By the time you read this (in your October issue of the Mission Sheets), we will be in immediate need of your most generous Thanksgiving Offering...AT THIS MOMENT!

Because, at the moment of this writing [17 October], we have maybe just enough funds left over from last year's Thanksgiving Offering to carry us into mid-November. Then, we will be out of funds of any kind to carry us through December 2014 and on through 2015.

We will necessarily begin using Thanksgiving Offerings received this month – November – to finance our missionaries' support services.

Matthew 6:8

...for your Father knoweth what things ye have need of, before ye ask Him.

So, let me appeal to you on behalf of our missionaries – with all the wisdom and passion God will grant me – to respond to their needs with as generous a Thanksgiving Offering as God will enable you to give.

2 Corinthians 9:8

And God is able to make all grace abound toward you; that ye, always having all sufficiency in all things, may abound to every good work...

Last year's total Thanksgiving Offering was \$49,058.41. It was given over six months, but I assure you, that's OK! Your Thanksgiving Offering doesn't have to be given during November! In fact, it will remain open for as long as you need it to be open!

THE THANKSGIVING OFFERING SUPPLIES OUR MISSIONARIES' NEEDS THAT ARE NOT SUPPLIED FROM YOUR MONTHLY GENERAL FUND OFFERINGS.

Monthly General Fund Offerings

I know we have produced an attractive and informative brochure to explain how our Monthly General Fund Offering works. It is entitled "Caring for those who care for the world" and is available in PDF form on our website and also by requesting paper copies from the Executive Secretary. But, please allow me here to reiterate how we use your Monthly General Fund Offerings. The *Essential Maintenance Transactions [EMT]* that provide for their most basic living and ministry expenses are supplied from your Monthly General Fund Offerings. They include salary, housing and ministry expense allowances, hospitalization premiums, and Mission Sheets printing and distribution.

These total EMT disbursements add up to \$43,300.54 every month. Only one month last year [January] was the Monthly General Fund Offering sufficient to cover these disbursements. We supplied the following monthly deficits from February-March from the surplus received in January.

Extraordinary Estate Gift

Then, in April, we supplied the deficit in the Monthly General Fund from the remaining portion of the extraordinary estate gift Ernest and Helen Palmer had left BFM in 2013.

Founders Day Offerings

By that time, you were giving your Founders Day Offerings from June

through September. The special contributions you made to the Founders Day Offering [in addition to your faithful regular giving to the Monthly General Fund] supplied our missionaries' Essential Maintenance Transactions over the next four months.

I repeat, all of these every-month basic living and ministry expenses are not provided for from the Thanksgiving Offering; they are supplied from the Monthly General Fund Offerings.

And, in the event that the Monthly General Fund Offerings don't cover those Essential Maintenance Transactions – and we don't have other designated funds to use – then we must reduce those standard commitments we have made to the missionaries that month by the amount of the shortage of funds. It appears we will be faced with that undesirable necessity this month of November 2014.

BUT – THESE DISBURSEMENTS ARE NOT SUPPLIED FROM YOUR THANKSGIVING OFFERINGS. Let's get back to the Thanksgiving Offering now. The Thanksgiving Offering supplies all the commitments and benefits we provide to our missionaries throughout the year in addition to the Essential Maintenance Transactions we have noted above.

Those benefits include:

- furlough transportation expenses,
- children's education allowances,
- hospitalization deductible reimbursements,
- postage to mail the Mission Sheets,
- maintaining the Missionary Furlough Home in Lexington KY, and all the professional services and supplies that are required to maintain all the activities that go on here in the States to keep their ministries going.

And, let me note here that in 2014, [1] we didn't have the funds to disburse the Children's Education Allowance benefit, and [2] we had missionaries who didn't request reimbursement for their furlough transportation back to the States because they knew we didn't have the funds.

AND SO – WE NEED THE THANKSGIVING OFFERING TO SUPPLY ALL THE OTHER COMMITMENTS, BENEFITS, AND SERVICES THAT ARE NOT SUPPLIED BY OUR MONTHLY GENERAL FUND OFFERINGS. I repeat, last year's \$49,058.41 did not supply all the benefits we would have given during the year if we had received a larger Thanksgiving Offering – and what we did receive is now exhausted before the end of the year.

Like Paul in 2 Corinthians 9, we are praying to God supply our needs with the means to give a generous offering – and also that He will plant and infuse the Grace into our hearts to give us the purpose, the willingness, and the joy to sow and reap bountifully [verses 6-8].

That is, after all, the way God Himself gives – and the way Christ gave Himself.

2 Corinthians 9:15

Thanks be unto God for His unspeakable Gift.

KROGER COMMUNITY REWARDS

All of you do not have Kroger stores in your locality – so this won't apply to every reader. And if you do, not all of you shop at Kroger. But, if you do, you most likely have a Kroger Plus card to scan when you make your purchases to take advantage of in-store discounts and fuel discount points.

Some of you have also been participating in the Kroger reloadable gift card program. By depositing your money on the reloadable card and using the card to make your purchases, BFM received a 'commission' from those purchases.

Kroger has discontinued the use of the reloadable gift card. However, they have

now made it easier to continue the benefit to your favorite Non-Profit Organization [BFM]. No extra steps. Simply register your Kroger Plus card online and choose BFM as your Non-Profit Organization. Then, use your Kroger Plus card as you always do and Kroger will direct the benefits to BFM.

We have posted all the instructions you need on our website. If you're going to shop at Kroger anyway – and still get all the present benefits of using your Kroger Plus card – then we encourage you to add BFM as a beneficiary also.

Paul and Wanda's cell number is: 239-227-6551 and their email address is: rphatcher@gmail.com.

We encourage you to pray for them and correspond with them.

\$50,000.00 MONTHLY GENERAL FUND GOAL

Please continue to concentrate your giving to the General Fund which supplies the monthly commitments we have made to our missionaries. Without sufficient General Fund offerings, the base support for our missionaries' essential needs is deficient.

BFM BROCHURES

We now have TWO very attractive and informative professionally-produced brochures. We want you to help us get these promotional messages into the hands of anyone and everyone who is interested in the mission work the Lord is accomplishing through the missionaries who are supported by your offerings through BFM.

(1) The first of these brochures is one that will introduce you to BFM and inform you about the basic principles by which BFM functions.

(2) The second brochure is just now 'hot off the press.' This one is entitled "Caring for those who care for the world," and is designed to inform and explain just how essential the monthly General Fund is to the daily living and ministry needs of our missionaries.

Both of them are full-color, either 6 or 8 pages 8 1/2 x 11 format, pictorial, and informa-

tive. Will you please help us distribute these brochures as widely as you can?

If you will send your name and mailing address to: Dave Parks, 3985 Boston Road, Lexington KY 40514, email: daveparks@twc.com, phone: 859.223.8374 – and tell us how many sets of these brochures you want – we will get them back to you by return shipping.

For now, you can access an electronic flip-through version of the new brochure by going to our website and clicking on the brochure cover. http://baptistfaithmissions.org/BFM_Blog/index.php

Again, please serve as ambassadors for your missionaries by helping us get either single-copy sets to interested persons or bundles to distribute in our churches. The brochures will 'speak for themselves' – for our missionaries.

Please be planning to give a generous Thanksgiving Offering to help us supply our missionaries' needs. We must have a generous Thanksgiving Offering to finance the commitments and benefits we give our missionaries over the coming year.

Ask the Lord how generously He wants you to give. And, ask Him also to supply for you the offering He wants you to give. 2 Corinthians 9:8: "And God is able to make all grace abound toward you; that ye, always having all sufficiency in all things, may abound to every good work."

When Paul was on his way to visit the saints at Rome, he asked them to be prepared to help him financially so he could continue taking the Gospel on his journeys

beyond them. Romans 15:24: "Whosoever I take my journey into Spain, I will come to you: for I trust to see you in my journey, and to be brought on my way thitherward by you, if first I be somewhat filled with your company."

In other words, "When I come to Rome, please help me with your offerings to continue my missionary ministry on beyond you!"

We are pleading with you on behalf of our missionaries to please help them continue their missionary ministries on through 2015 with the Thanksgiving Offerings you will give during this giving season. Will you help us help them on their way?

We are making our website more and more our primary source of information for all things BFM. We are updating and refreshing it every few days — and more added features are on the way. We will be telling you more about them as we roll them out. I want to take this opportunity to recognize and thank Jason Estes for his personal contributions of time, expenses, and expertise to rebuild and host our website. And, also, I want to thank Sarah Wainright for her service posting our missionaries' newsletters [and all our other news and updates] and for adding a whole lot of color, variety, spiff, and attractiveness to her posts. Thanks, Jason and Sarah!

How to contribute to the missionaries who receive their support through BFM

- 1 - You can write and mail your checks to Baptist Faith Missions | George Sledd, Treasurer | P.O. Box 471280 | Lake Monroe FL 32747-1280 - gresledd@hotmail.com.
 - 2 - You can contribute online via debit or credit card. Go to our website: www.baptistfaithmissions.org and click on DONATE/SUPPORT page. Click the appropriate button and follow the prompts.
 - 3 - You may also enroll in an automatic recurring contribution program by going to the same DONATE/SUPPORT page on our website and follow the prompts.
- If your contribution is for a specific missionary or project, you should so designate it. The greatest need we have each month is for the General Fund to provide the essential commitments We have made to our missionaries to maintain their ministries.

Grand Total..... 53,921.76**WILL YOU GIVE AT LEAST \$1 A DAY FOR
WORLDWIDE MISSIONS?**

I know that many of you are giving much more than that - but if you are not giving a personal offering each month to our GENERAL FUND to help maintain our missionaries' essential needs, will you ask the Lord to supply you with a regular monthly offering of \$30 to our GENERAL FUND? Together we can provide them with the funds by which they can continue their daily ministries.

- Platt -

For the mountains shall depart

but
My kindness
shall not depart
from thee

neither shall the covenant of My peace
be removed.

- Isaiah 54:10 -

Let the people praise Thee, O God;
Let all the people praise Thee.
Then shall the earth yield her increase;
and God, even our own God, shall bless us.
God shall bless us; and

all the ends of the earth shall fear Him.
