## Thankful For Refreshing Winter Conference ... Praise God For Organization Of New Church ...

Paul and Wanda Hatcher 15905 Mercott Court Clermont, FL 34714 (239)227-6551 rphatcher@gmail.com http://rphatcher@gmail.com

February 05, 2015 Dear Friends and Co-laborers,

We greet each of you in the name of the Lord Jesus Christ. We are thankful for God's goodness and grace each new day. Praise God the Father for providing unto us all things that pertain unto life and godliness, through the knowledge of the Lord Jesus Christ.

The New Year has come. The days pass us by, but the Lord and Savior Jesus Christ remains the same. We are fully blessed by Him. How we are grateful for all His mercies and marvelous Grace. Our prayer is that each new day we will reflect more and more of His Love in us.

Our special thanks go to the Park Ridge Baptist Church and Pastor Ben Glover for hosting a great Winter Missions Conference in sunny Florida. The fellowship with pastors, fellow missionaries and dear brothers in Christ was refreshing. The messages encouraged God's people to serve out of a heart of faith and love. There were many testimonies of God working and saving people in various fields though the preaching of the gospel of Jesus Christ.

Thanks to the members of Park Ridge Baptist Church for all the hard work, wonderful meals and loving care for those attending.

The day after the conference, I left for Brazil. Thanks to all who prayed for my trip.

The first Sunday, we celebrated and organized Igreja Batista Nova Vida (New Life Baptist Church) in Manaus in the subdivision of Novo Aleixo. This mission started as bible studies and prayer groups in homes. The body organized with 65 charter members, of whom 12 were baptized that same night, and called Pastor Gustavo.

Saturday night, the deaf ministry had a special service. This service is lead by deaf for the deaf. They had a great service with 168 deaf attending. The Gospel was preached in sign language; and as the invitation was given, eight deaf persons accepted Jesus as Saviour. Four of them were baptized the following Sunday.

During the week, most of the time was invested in paper work to meet government requirements. Pray for the gospel to continue to have free access in Brazil. Pray, intercede, and give thanks for all men, for leaders, and for all that are in authority, that we may lead a quiet and peaceable life in all godliness and honesty.

We pray for you that your <u>remembrance</u> and <u>knowledge</u> of our Lord, the only true God, may abundantly increase in wisdom and discernment, that your <u>trust and faith</u> in our Lord Jesus Christ may be steadfast always, and that the <u>love of his Holy Spirit</u> may fill and overflow in your every word and action, with thanksgiving to God though Jesus Christ our only Lord and Life. Love, Paul and Wanda Hatcher

### Praise God For Saving Pokot People ... Blessed To Have Pastor Messer Visit ...

Roger and Julie Tate P. O. Box 96 Kitale, Kenya 30200 rojuta@gmail.com

February 12, 2015

Dear Brothers and Sisters in Christ, Wow! What an exciting month we've had here in Kenya. It's been exciting because it has revolved around the visit of Pastor Darrell Messer and his dear wife Shirley. Just in case you didn't know, Pastor Messer is one of the directors of BFM, but he also just happens to be my own pastor from my own church back in Bellbrook, Ohio. When my family moved to Ohio and started attending Emmanuel Baptist Church in Bellbrook back in 1980, Pastor Messer was already the pastor there; he and Shirley have been there ever since then. So needless to say, these people are very dear to my heart. They have been trying to get here to Kenya for a few years, but their plans up to now have always been thwarted. But, they arrived here in Kenya two weeks ago, and now as I write this report we are on the eve of them returning to Nairobi to catch a flight to France where they will visit BFM missionary John Hatcher.

We've packed a lot into the past two weeks. After a couple of days in Nairobi allowing them to catch up from jet-lag and allowing us to worship on Sunday in English, we headed home to Kitale. Their first morning in Kitale gave them a rude welcome to missionary life in Kenya as I looked at the water tank and, behold, NO WATER! While Pastor and I scrambled around town trying to jimmy up some way of getting water, I had visions of severe water rationing and what it might look like to our guests if we couldn't take showers or flush the toilet for two weeks. Welcome to Kenya Pastor and Shirley! Fortunately by early in the afternoon the water supply was flowing again and I could put that worry behind us for a while. Although the morning plans got trashed because of the lack of water, we were able to tour Kitale in the afternoon - walking through the market with its mounds of second hand clothes, piles of stinking fish, blaring music and stares from the Kenyan people who were not used to seeing that many Americans in one place. In the days to come we visited some of our Kenvan friends in their homes,

and spent a day at In-Step Children's Home as well as getting to see the ministries we are involved in. Here are some of our activities for the week: On Thursday, Pastor and I did some evangelism in town and started up a new Basic Christianity class for which we did get one student to attend. On Friday we attended one of our classes which one of our students taught. We have been trying to teach him how to effectively teach the Word of God. On Saturday we went to a new group that Nathan and I started which meets in the home of Kefa and Matilda. We had twenty-seven people attend the group that morning where we sang, worshipped God and studied God's Word together. Saturday afternoon we went to the prison where Nathan ministers. We were able to meet his men and hear them sing to us, and then we watched as Nathan taught them from the Word of God. Sunday found us worshipping with Pastor Kirui at Bethel Baptist Church and then fellowshipping together with the other Kitale missionaries later in the afternoon. Throughout the week Pastor and I ate lunch at my favorite dive of a restaurant in town, Mama Chiku's. I think Pastor has found a new favorite place to eat. I had a hard time convincing anyone else to join us there though. The highlight of the trip for me though, was when Pastor, Josiah and I were able to head up into the Kenyan bush and visit the Pokot people. The temperatures were oppressive, we slept in tents, ate rice and goat every day, and got filthy from the dust. But we preached a few times from the Word of God, encouraged the local ministers, met some new people, and showed the Jesus Film a couple of times the result of which was that a number of people professed faith in Christ. Pastor was even asked to help a local pastor with some baptisms. We went to the river, dug out a shallow spot in which the baptisms could take place, and did the baptisms. Thirty feet away were two dead crocodiles floating in the water. They had been killed by the locals some time earlier. It made me keep looking around to see if there were any other critters swimming around that we needed to be aware of.

We love Pastor and Shirley and have thoroughly enjoyed their visit. We will be sorry to see them go. Blessings to you both, Pastor and Shirley!

Until next month, beloved. May God's peace and joy be with you. For the glory of God in East Africa,

Roger, Julie, Emily, Amy, Josiah and Chloe Tate

And God is able to make all grace abound toward you, that ye, **always having all sufficiency in all things,** may abound to every good work:

### Praise God For Blessing Small Groups And Construction ... Pray For Brother Taking Care of Ministry In Our Absence ...

A. J. and Barbara Hensley Caixa Postal 1511 Caraguatatuba, Sao Paulo Brazil 11672-300 ajcaragua@gmail.com phone: 011-5512-3888-4189

Dear friends and family, Feb. 11, 2015 As you read this letter we will be in the Staes for a little while. We will be traveling to various of our supporting Churches to renew old friends and going to new Churches to gain new support as we have lost several of our supporting Churches this year.

We had a wonderful Christmas this year in our Church thanks to many of you there in the States. Your generous gifts made it possible for our children to receive gifts on Christmas day. It was an AWSOME sight to see when they received their presents. THANKS again! Many things that we are able to do here in Brasil would not be possible if it were not for your generous hearts.

We also had a wonderful Christmas at our home here in Brasil as both of our children, their spouses and children were able to be in Brasil with us. That was the first time in our nineteen years on the mission field that this was able to happen. God is so AWSOME!!Even though it was for only one week we were able to cram lots of things into those days.

Before we came to the States we had the end of year service at church and had a wonderful time with our church family. We also had our last Sunday School classes on the beach. Yes we took all the children to the beach and had their bible study there. We also had their breakfast on the beach. There were many people watching as our children sang children's hymns, recited their bible verses and sat to hear their bible stories. We then allowed them to wet their feet in the ocean. As you probably guessed feet were not the only thing that got wet. After this we went to the Vocational School Property and had a church wide lunch that also served as a party for Barbara and I as we were coming to the States.

Church is going great in Caraguatatuba with our Brasilian pastor Rosevaldo carrying on while we are in the States. Pray for the Church and the other ministries: vocational school, small groups, rehab group, prison ministry, Indian group, and seminary. Speaking of the Seminary, pray for the Seminary because when we get back to Brasil we will be taking it to 3 cities. DR. Derek Colman is bringing another Seminary professor and they will be teaching Old Testament Survey. This new professor is Dr. Raymond Edge of Bastrop Texas. An AWSOME addition to the Seminary! He attended Hebrew University in Jerusalem and also lived there for many years. His specialty is in the Dead Sea Scrolls.

Our schedule while here in the States is almost full. We start next week and will be on the road for five weeks. I have already gained almost eight pounds what will five weeks on the road and eating out with every one that we get to know on the road. The South is going to rise (grow) again.

One of the ministries that is blessing my heart at this time is the Small Groups Ministry.We have six Small Groups started in different neighborhoods surrounding our Church. We are experiencing a great excitement behind these groups. We have people coming who do not come to our Church. We are happy to say that now some of those same people are now visiting our Church.AWSOME! The one thing that I did not want to do in preparation for our trip to the States was to give over the leadership of my small group. We are meeting on a front porch on Tuesday nights. This group started with just one family and has grown to 19 in attendance. God is good!

In the area of our church building there is a lot of growth. The city has built 719 homes for low income families. This is going to be an awsome ministry field. Also right across the road in front of the Church is another construction project going on, it is an apartment building. It is turning out that we don't have to go to the field-the-field-incoming to us. Looking back at our establishing our Church, people were asking why this area? Well now we know, two new schools 719 new homes and an apartment complex of 120 apartments. We oftentimes think we are in control!

We will be trying to squeeze in some time to do some remodeling at Mrs. Reba's home. We will be staying with her on our off times.

Pray for our travels while we are here in the States. Also pray for our ministries as we are away from then there in Brasil. We will be going back in April so if you have some vacation time think about coming on down to see what God is doing in Brasil. In His service,

Aj and Barbara Hensley

## Praise God For Blessing Work In Ubim ... Pray As We Train Workers For Sister Work ...

Av. Victor Hugo Boaretto S/N Garca, Sao Paulo 17.400.000 Brasil e-mail: odali\_kathy@hotmail.com web: www.aohome.org

Dear Brother and Sisters, Feb. 10, 2015 Hope all is well with each of you and enjoying the blessing from our Lord and Savior. We are all doing great and in good health praise the Lord. This last year of 2014 was a time of getting settled in and adjusted to our home in the amazon. It is a little different than living in town. Just requires making plans when needing to go into town. But the weather in the middle of the jungle is for sure much cooler than in town.

The work in the community of Ubim is going well. We have a faithful group. We have been working with some adults that have come to us for help, some with health problems and some with family problems. This has open doors to talking to them about the Lord.

We have been working with the church near us that is a daughter of Tabernacle Baptist Church where Paul hatcher was

pastor. They have just finished their new church building. The church has stared several different ministries: Couples, Youth, and Sunday school. It has been great to see these ministries growing. The members that are there have had very little training. We want to help them in this area also by taking them to seminars and doing training in the church activities. Pray for them and for us and we put this in action.

In Garça things are doing great. The church I pastored that meets at the alpha and omega building is doing well they have just called a pastor. There are several people that live there. Most of them were teens form the home that have married and live there with the wife's. The young man who takes care of things there is one of the first boys we helped before we ever had the home. He was addicted to crack and a thief.

Today he is married and a father, minister of music and a lawyer. God works miracles!!!!!!! Thanks to all of you that have always supported our ministry. May God bless each of you.

We want to thank those who gave for the special offering for thanksgiving. It came is a good time. Got new tires and fixed Kathy's car. Thanks to all.

# Praise God For Visit From The Messers ... Thankful Camille Is Better From Sickness ...

Nathan and Carrie Radford P. O. Box 4150 Kitale, Kenya, East Africa 30200 email: naterad@yahoo.com

February 3, 2015 Dear praying friends,

We thank the Lord that He has brought us through another month, as He has watched over us, and been so faithful. We hope each of you are doing well as you follow and serve the Lord in the United States. This update will give a current report on the ministries here.

Currently, we have visitors from America here. Pastor Darrell Messer and his wife, Mrs. Shirley Messer, from Emmanuel Baptist Church in Bellbrook, Ohio, have come to visit here in Kenya and see what the Lord is doing. Pastor Messer has served faithfully as a Baptist Faith Missions board member for many years. They have come to visit the Tate familyand also to see some of our ministries, such as the church planting, prison ministry, and hospital ministry. This is their first time in Africa, and we pray that this trip will be informative about the challenges that we face on the mission field, and how to pray for us and the people of Kenya. It has been a joy to have them and please pray for their trip back to America in a few days.

The prison ministry is continuing along well. I just finished teaching on Adam and Eve, and the entrance of sin into the world. I did my best to show the results of sin and how sin separates us from God. We saw through the lesson that we are all sinners, and in need of a Savior. Romans 3:23 says, "For all have sinned, and come short of the glory of God." This is foundation teachings for the men to learn and please pray that the Lord would work in their hearts as the Gospel message is presented to them. It has been exciting to see the men coming faithfully and learning much from the Word of God.

My partner Roger Tate and I have been praying about another area to reach in Kitale

with church planting. We both agreed after prayer that a good area to start is called Robinson. There are many people in this area who need to be reached with the Gospel and taught how to follow the Lord. We just started last week with our first lesson, so please pray that the people would continue to come faithfully, and if it would be the Lord's will, that a church could be started in that area later. We trust the Lord with all these plans and lay them before Him. We can do nothing without Him. Psalm 37:5 says, "Commit thy way unto the LORD; trust also in him; and he shall bring it to pass." We are following by faith and trusting the Lord to work in His time and plan.

In family news, the girls are continuing along well. We appreciate your prayers for them for friends their age to play with. This is one of the major challenges here. Also, our daughter Camille has been complaining of stomach aches for several weeks. We went to a good doctor here in Kitale and got her good medicine. I just found out about this doctor a few weeks ago, as he is located in an area that I rarely go to. It is a blessing to know that a good doctor is nearby and able to diagnose well. Anyway, she finished with the medicine and we got her tested at a lab, and her tests came back negative for any parasites or other things. It is challenging here as the medical care is always a challenge, especially with little ones. A fever and chills here could mean different things, and sometimes you have to do your best to look up the symptoms online and try to diagnose yourself. These are just some of the challenges with living here, but we praise the Lord that Camille is doing well now.

That is the current report. Please keep us in your prayers, and thanks again for your cards, letters, emails, or other forms of encouragement. We love and appreciate all of you.

John and Alta Hatcher 15905 Mercott Court Clermont, FL 34714 e-mail: jhatcher1925@gmail.com February 9, 2015

Dear Brethren and Friends; We thank and praise the Lord for the wonderful month He has given Alta and me. We, also, thank Paul and Wanda for all the wonderful help they give each day to these two "oldies". Alta occupies much of her time writing letters of appreciation to those who send offerings and who pray for us.

Pray God Would Call Young Men For Service ... Since we are not active on the mission field in Brazil any longer, I want to say we will be eternally grateful for all who have given and prayed for us. Since we still receive our monthly offering from the regular fund of BFM, as long as there are funds available, we would like to encourage you to send your gifts to us to the Regular BFM Fund, as that will be a continuing benefit to us as well as others.

> News from Brazil tells us how the works are continuing, growing and being blessed. Personal witnessing is the constant desire of my heart and I ask the Lord each day to open opportunities. It is a real joy to tell the lost about the Savior. Every sinner has to hear the Gospel before they can be saved!

The Lord willing, we plan to attend the Spring BFM Mission Conference at Thompson Road Baptist Church, April 27,28,29. Hope we will see you there. Please note new E-Mail address above. God bless you. Alta and I thank each of you for your faithful giving and praying. John and Alta Hatcher

I am still printing and binding the book, "Meet the Holy Spirit". I try to complete eight or ten books a week.

## Attention: LBC ALUMNI ASSOCIATION MEMBERS

Blessed Time At Winter Mission's Conference ...

Dear Alumni,

The time has come, as we look forward to the soon return of Christ, to dissolve the LBC Alumni Association.

I decided to take this action in council with several alumni from different areas, and also to donate the Alumni Association treasury balance of \$169.40 to Baptist Faith Missions General Fund. This is a worthy group of missionaries whom the Alumni Association has supported in the past.

The several reasons for this action begin with the fact that Lexington Baptist College has been out of existence for sixteen years. Also, the age and health conditions of our Alumni members are important to consider. However, the greatest motivation in this decision is the soon return of Christ and the realization that many of our alumni are actively involved in many ministries throughout the world.

This is the time to focus on the future. But, there is a conflict sometimes between these aforementioned reasons and the ability of the fellowship to continue.

Thus we feel the need to support the future focus and to look forward to the fellowship around the Throne.

> Sincerely, Brother Michael Campbell jacknjackie@windstream.net

# **GLENNARCHER'S DAILY DEVOTIONS AND SERMONS**

http://glennarcher1.wix.com/archerweb Glenn Archer began his association with Baptist Faith Missions back in the early 1960s when he first came to Lexington Baptist College in Lexington KY and was introduced to some of the first missionaries to serve Christ in partnership with BFM.

He went on from there to support BFM in pastorates in West Virginia, Kentucky, and Missouri. He would later serve as a Director of BFM and also as our Treasurer. He maintained his active participation in all things BFM until his Homegoing to Heaven in February 2014.

Here is the text of a recent email from his daughter and son-in-law, Mark and Susan Poiles. We copy it here verbatim:

"Dear Friends, It is a privilege on this one-year anniversary of Brother Glenn Archer's passing to share with you his website. Before he passed away, Brother

Archer and I discussed publishing his devotions and sermons. The original idea was to publish a book and sell it. The proceeds would go to Baptist Faith Missions.

After prayer and further consideration, I have decided to publish his works on the web. The address is glennarcher1.wix.com/ archerweb . A link has been provided on the site for donations to be given to BFM in his memory.

As you will read on the site, Brother Archer's wish was for the whole world to see his writings. It is my prayer that by the grace of God and your help, we will be able to make that wish come true through the means of the world wide web. Feel free to share this link. May Jesus be lifted up and God receive all the glory!"

# Pray For Us And Our Tense Situations ... Praise God For Forty-Nine Years In Ministry ...

Michael and Beverly Creiglow Caixa Postal 24 69980-000 Cruzeiro do Sul, Acre Brazil e-mail: mdcreig@hotmail.com

Dear Brethren, February 10, 2015

The year is forty-one days old and we have had thirty-eight days of rain. Fortunately it hasn't hurt our crowds too much. Many people have been put out of their homes and there have been a few deaths because of the flooding across the state. We are concerned about having supplies cut off again this year. Even though there has been so much rain our attendance was actually up for January. We added three new families by letter and have had a few professions of faith.

February 1st was homecoming. There were 637 for the morning service and meal. We had our "almost like" faith promise pledge, too. This should bring in an extra \$4,000.00 per month for our extra outreach programs.

I know you would rather hear just uplifting news, but ..... This month I had to fire the guy who has worked with me in all the construction projects over the last five years. He was slacking and also playing loose with the truth. Then a week later I had to fire the man who has been my traveling buddy for the past seven or eight years. There were a bunch of little things that he has not corrected in his life. I had been warning him for years, literally. Then recently there were problems with the occasional beer and sex. These have not been easy things to handle.

There have been a bunch of other situations, just as tense, that I have been dealing with for weeks on end. Also, with the expansions of the programs at church, the workload has increased a ton. Yesterday

I got up at 6:00AM and started my Bible reading. Before I finished even a chapter I fell asleep in my chair. Bev has a lady from church that helps her a couple of days a week with the cleaning. When she arrived at 8 o'clock and saw me asleep in my chair she was alarmed and sure something really bad had happened. The only times she has ever seen me that way was when I broke 4 ribs and the last time I had malaria. Well I'm not sick, but I slept until 10:00AM then fell asleep again after lunch and slept another three hours. During my morning nap I even had a dream. I was standing in a room surrounded by people who needed my attention and instructions, but I was just standing there, sound asleep! So I guess that counts as double the rest. I was asleep in my sleep. This will all pass soon, I hope. I think we have turned the corner on the wave of unusual problems that we have had to deal with. Just keep praying. Good news is coming soon.

To put the smile back on your face I am sending a picture of me making noise with the accordion during the homecoming service. By the way, on January 29th I celebrated my forty-ninth year in the ministry and an accordion has been right there with me all the way. The accordions have had to be replaced at least three times. One of these days I will have to be replaced, too!

Thanks for all of your prayers and support. God bless you as much as He has us.

In Christ, Mike Creiglow

driver's classes. Apparently a bad thing, but not with God. My time spent in lock up, I mean, defensive driving class put me in contact with some people that the Lord wanted me to share Gospel with that I would not ordinarily come into contact with. Through the class interaction and discussion, several opportunities arose that allowed me to share my testimony of coming to know Christ and also to present the Gospel to our teacher and other classmates. Without even asking them come, the teacher and one other fellow inmate asked me for our church's address and the times of services. I hope and pray that they go, but I already thank God for the opportunity to share His word and love. I had a meeting this week with Alysson, the young man who will be going on a twomonth missionary journey this spring. He is in intensive training for how to evangelize in a Muslim nation. I will have to leave the name of his destination blank for security purposes. I may have already said too much in the past, but I pray for his safe journey and prosperous efforts to share the Gospel there. He is extremely bold and courageous and trusts the Lord completely. Please keep him in your prayers as he seeks to honor the Lord where He is not preached. Projeto Vida is starting its public school outreach ministries again next week. That is, if public schools start back up. Between state and national politics and misappropriation of funds, the public school teachers and administration haven't been

All of you do not have Kroger stores in your locality - so this won't apply to every reader. And if you do, not all of you shop at Kroger. But, if you do, you most likely have a Kroger Plus card to scan when you make your purchases to take advantage of in-store discounts and fuel discount points.

Some of you have also been participating in the Kroger reloadable gift card program. By depositing your money on the reloadable card and using the card to make your purchases, BFM received a 'commission' from those purchases.

Kroger has discontinued the use of the reloadable gift card. However, they have

now made it easier to continue the benefit to your favorite Non-Profit Organization [BFM]. No extra steps. Simply register your Kroger Plus card online and choose BFM as your Non-Profit Organization. Then, use your Kroger Plus card as you always do and Kroger will direct the benefits to BFM.

We have posted all the instructions you need on our website. If you're going to shop at Kroger anyway - and still get all the present benefits of using your Kroger Plus card - then we encourage you to add BFM as a beneficiary also.

# **BFM BROCHURES**

We now have TWO very attractive and informative professionally-produced brochures. We want you to help us get these promotional messages into the hands of anyone and everyone who is interested in the mission work the Lord is accomplishing through the missionaries who are supported by your offerings through BFM.

(1) The first of these brochures is one that will introduce you to BFM and inform you about the basic principles by which BFM functions.

(2) The second brochure is just now 'hot off the press.' This one is entitled "Caring for those who care for the world," and is designed to inform and explain just how essential the monthly General Fund is to the daily living and ministry needs of our missionaries.

Both of them are full-color, either 6 or 8 pages 8 1/2 x 11 format, pictorial, and informa-

tive. Will you please help us distribute these brochures as widely as you can?

If you will send your name and mailing address to: Dave Parks, 3985 Boston Road, Lexington KY 40514, email: daveparks@twc.com , phone: 859.223.8374 - and tell us how many sets of these brochures you want - we will get them back to you by return shipping.

For now, you can access an electronic flip-through version of the new brochure by going to our website and clicking on the brochure cover. http:// baptistfaithmissions.org/BFM\_Blog/ index.php

Again, please serve as ambassadors for your missionaries by helping us get either single-copy sets to interested persons or bundles to distribute in our churches. The brochures will 'speak for themselves' - for our missionaries.

PRAY FOR YOUR BAPTIST FAITH MISSIONS

#### Dear Friends,

February 8, 2015 When I went to renew my Brazilian

driver's license recently, I got an unpleasant surprise. Before I could renew it, I would have to go through a 30 hour defensive driving course. This punishment was the fruit of a good deed to a needy friend. I had loaned my old spare pickup truck to the husband of one of my church members. He had recently arrived from Germany and didn't have a job and needed transportation to get out looking for work. He wasn't aware that our city has speed radars scattered about and in just a few weeks he had accumulated enough violations to have his driver's license suspended. Except it wasn't his that got suspended, it was mine. Usually the driver is responsible for these fines and the ensuing points against one's driving record, but in our case, the fines were sent to my old address and the time frame allowed to transfer those points to his license had already expired before we even knew that he'd gotten them. So, off I went to defensive

#### CALL FOR ADDITIONAL THANKSGIVING OFFERINGS!

Our total accrued Thanksgiving Offering amount is \$39,648.84: \$32,590.39 contributed during November 2014 and \$7058.45 contributed during December 2014. No additional offerings were given during January. We need at least an additional \$10,000 just to bring us up to last year's total Thanksgiving Offering.

Last year's Thanksgiving Offering total was \$49,058.41, and it fell two months short of lasting through 2014. We are praying and hoping that many others of you are planning to contribute also. AND, we couldn't fulfill several requests during the year for benefits which are supplied from the Thanksgiving Offering because we didn't have it to give.

So, let me appeal to you on behalf of our missionaries - with all the wisdom and passion God will grant me - to respond to their needs with as generous a Thanksgiving Offering as God will enable you to give.

If you are among those who have given to the Thanksgiving Offering, it is what it is because of your generosity. Thank You! Would God be leading you to give an additional offering?

If you have not contributed to this year's Thanksgiving Offering yet, would you ask the Lord if He wants you to be a part of the ministry that will be financed through these offerings?

2 Corinthians 9.8: And God is able to

make all grace abound toward you; that ye, always having all sufficiency in all things, may abound to every good work ...

Last year's total Thanksgiving Offering was given over six months, but I assure you, that's OK! Your Thanksgiving Offering doesn't have to be given during November or December! In fact, it will remain open for

as long as you need it to be open! HOW CAN I HELP OUR MISSIONARIES TO RECEIVE THEIR FULL FINANCIAL COMMITMENTS EACH MONTH? Is it worth \$1 a day?

Here is a simple way each one of us can help to assure that our missionaries receive

the full measure of the already-modest commitments we have made to them each month. We are talking here about the Essential Maintenance Transactions that provide for their most basic living and ministry expenses like salary, housing and ministry expense allowances, hospitalization premiums, and the printing and distribution of their monthly newsletters EACH ONE OF US CAN GIVE \$1 A

DAY TO WORLDWISE MISSIONS THROUGH THE MISSIONARIES WHO ARE FINANCED THROUGH BFM. We realize that many of you are already personally giving way over that amount. If you are, we thank you! And our missionaries thank you! You can see who are maintaining our missionaries' essential monthly needs by going right now to the Contributions pages and look at GENERAL FUND offerings.

But, our missionaries have so many more friends than these who are listed there! So, if you are not giving personally and regularly to the Baptist Faith Missions GENERAL FUND, then we encourage you to begin right now!

We can afford to give \$1 a day - that is just \$30 a month - to help our missionaries carry the Gospel of Jesus Christ into all the world. We are talking about what we spend to get a cup of coffee at your local Speedway, convenience store, or McDonalds. Many of us probably spend more than \$1 every day without even thinking about it on far more temporary and less valuable pleasures - we consume it in a moment, and it is gone! When we give to finance our missionaries' ministries, we are saving people for eternity - remember that!

You can give this offering a number of ways: [1] You can give through your church's monthly offerings to the General Fund by asking your pastor/treasurer to simply add your personal contribution amount to the church's offering from their treasury. [2] Or, you can give your offerings personally and directly by mailing your check to our Treasurer: Pastor George Sledd, P.O. Box 471280, Lake Monroe FL 32747-1280. [3] Or, simpler yet, you can go to our website www.baptistfaithmissions.org and click on the DONATE/SUPPORT page where you can give online by following the prompts. You can give either a one-time gift, or you can contribute manually every month, or you can set up your contribution to be an automatically recurring gift. "For the administration of this service not only supplies the needs of the saints, but also is abounding through many thanksgivings to God ... " [2 Corinthians 9.12].

CHARLES D. LYBROOK | September 21, 1938 - November 2, 2014 FORMER DIRECTOR OF BFM

We have received notice that some of the pastors, preachers, and other friends of Pastor Lybrook did not receive word or news of his going Home to Heaven on 11/2/14. Notices were posted at that time on BFM's Facebook regarding his death and memorial service arrangements – but for those who missed the announcements, we wish to ask your continuing prayers for his wife, Phyllis, and their family. Phyllis Lybrook's telephone number is: 606-932-0118 - or you may FB-message the Lybrook family through Debbie Evan Lybrook: https://www.facebook.com/debbie.lybrook?fref=ts

button and follow the prompts. 3 - You may also enroll in an automatic recurring contribution program by going to the same DONATE/SUPPORT page on our website and follow the prompts.

If your contribution is for a specific missionary or project, you should so designate it. The greatest need we have each month is for the General Fund to provide the essential mmitments We have made to our missionaries to maintain their ministries

### Thankful For Ten Year Resident Card ... Praise God For Opportunity To Share Gospel In Paris...

and Judy Hatcher 4, rue d'Aspin 31170 Tournefeuille, France Phone: 011-33-534-517-539 E-mail: JMHatcher@aol.com February 5, 2015

Dear Brothers and Sisters,

We hope this finds you well. Your faithful support reflects your faith in God whose grace is evident every day. In a couple of days we will be blessed with the arrival of Darrell and Shirley Messer. Since we are having unusually cold weather they will have a bit of adjustment to make. They are stopping by here on their return from the tropical climate of Kenya where they have been visiting the Tates and Radfords our fellow missionaries. Modern travel is certainly easier than the way Paul and his companions traveled.

A few hours of travel can land you in a place that is very different from your place of departure. However, this past month shows us that a few hours can bring many surprises even if you are not traveling. The 7th of January was my birthday, just two days after I last wrote you. Little did I know as I was typing the letter to you how outstanding my birthday would be this year. On that day I received a notice from the Prefecture that I had been granted a ten years resident card. It has been ten years since we first applied for this card for which we then, in theory, were qualified. The granting of this status now means that we can avoid several days of navigating the administrative corridors each year. We hope to get Judy's card later this year. Yes, it is a separate process.

The other event, more shocking, on my recent birthday, was the breaking news of the mass murders that took place in Paris. This became the subject of many conversations and has opened doors for sharing the gospel. Society here is very fractured and those in leadership scramble to find solutions. The attempted solutions,

however, have led to more deeply embedded divisions. The need of the gospel and its application to the everyday lives of believers becomes more evident against the backdrop of animosity resulting from sinful behavior and rejection of the true God Who is love.

This is underscored by research done recently here that shows that 80% of French young men who have joined the jihad movement and become warriors (There have been a surprising number of these and it is often on the news) are from mainline atheist families. It would seem that these young men are seeking a reason to live and in so doing are caught up in radical movements which claim to be doing God's will.

Last week, just before our Bible study in Mazere started we heard about an incident that illustrates the hatred of human behavior. A young man about twelve years old who comes to this meeting had been threatened with death by a schoolmate because he represents "the other side." His mother was quite worried about the safety of her son. Last night, I heard a wonderful ending to this story. In this Bible study we are studying the Sermon on the Mount. The

command to "love your enemies" was imprinted on this young man's heart and without saying anything to anyone he went back to school and told his "enemy" that he loved him. They have become friends though they live in different "camps." Wouldn't it be wonderful if we, God's children, really applied this principle daily?

Well, this is a glimpse of what has been happening here. Thank you for faithful support that enables us to announce the Good News from our wonderful Creator and Savior.

### "THANK YOU! THANK YOU!" **GIVING FRIENDS**

Never a month goes by without our thanking God for all our faithful Giving Friends who contribute so regularly and sacrificially to our General Fund offerings. Also, hardly a month goes by without my speaking personally with some of you and having the opportunity to thank you personally for your participation in this missions ministry.

I was speaking with one of our dear supporters recently [you shall remain anonymous -but you know who you are]. She is a widow of very modest means, but she continues to live modestly on purpose so she can continue to give to missions.

And, when I thanked her for her long-time financial support for BFM, she told me, "I'll do without something else before I will NOT give to Baptist Faith Missions." May God increase her tribe!

God has blessed her - and God will bless her. And I pray also that God will use her example and testimony to challenge all of us to follow suit.

1 Samuel 25.17: Now, therefore, KNOW and CONSIDER WHAT YOU WILL DO.

And God is able to make all grace abound toward you that ye always having all sufficiency in all things, may abound to every good work

paid for months and are threatening to strike if they don't get paid soon and with raises. Most private schools will start on schedule, but our main venue is in the public school system and it's also where we reach many more people. We know that the Lord is in control of this situation and we'll be praying that He'll open the doors when He sees fit. Keep us in your prayers In Christ's love, Bobby and Charlene Wacaser
