John 17:20: Neither pray I for these alone, but for them also which shall believe on Me through their word...

Acts 8:4: Therefore they that were scattered abroad went everywhere preaching the word.

MOTEL ACCOMMODATIONS INFORMATION: We are still recommending the Quality Inn Northwest / 750 NEWTOWN COURT / LEXINGTON KY 40511 / 859.233.0561 Ask the desk attendant for Thompson Road Baptist Church event rates. Mike Clark said that if there is any question about these arrangements, ask for him personally. He is usually on-site from 6am - 2pm. ONE QUEEN BED room is \$55.00 + taxes. TWO DOUBLE BEDS room is \$62.00 + taxes. They offer continental breakfast on the premises, in-room coffeemaker, hairdryer, iron and ironing board, and high-speed internet access.

WE ENCOURAGE CHURCHES TO PAY YOUR PASTOR'S [AND HIS WIFE] TRAVEL EXPENSES TO ATTEND THIS CONFERENCE. It will give them the opportunity to enjoy what is always a much-needed physical and spiritual recharging for your church's ministry. We use these Conference occasions to highlight and update our missions partners concerning our missionaries' ministries and also stir up all of us to greater interest, investment, and involvement in our mutual missions endeavors. He will come back to you with a greater burden, zeal, and enthusiasm for missions.

Will you take the lead to ask your church to do this for your pastor, our missionaries, and your church?

SPECIAL NEEDS ACCOMMODATIONS: The Lord has blessed our church to make some much-needed upgrades and improvements to our facility to accommodate our own members and guests who suffer from physical mobility impairments. We have installed an elevator-lift to transport persons from one level to the other, and also we have completely renovated or constructed new restrooms [both male and female] to make them wheelchair accessible. These improvements will make all of our activities much more comfortable and accessible.

TRAVEL DIRECTIONS: GPS ADDRESS: 320 THOMPSON ROAD, LEXINGTON KY 40508: FROM SOUTH ON I-75: Get off at Exit 104 (Athens-Boonesborough). Turn west toward town. You will be on Athens-Boonesborough Road / Richmond Road Extension. As you approach Lexington, the road will become Richmond Road around Jacobson Park. Continue straight into Lexington. Richmond Road will become Main Street. You will pass the Rupp Arena / Lexington Convention Center on your left. Turn left at the next traffic light. This is Jefferson Street. Turn right in the middle of the overpass bridge onto Manchester. About one mile down Manchester, turn right on Thompson Road and come to the top of the hill.

FROM NORTH ON I-75 OR EAST / WEST ON I-64: I-75 and I-64 merge for a few miles on the north/northeast side of Lexington. Come to Exit 115 on 64/75. This is Newtown Pike (State Route 922). Turn south toward Lexington. Follow Newtown Pike until you come to Main Street. Go straight across Main Street onto Oliver Lewis Way. Turn right at the next traffic light onto Manchester / Old Frankfort Pike. Follow Manchester about one mile. Turn right on Thompson Road and come to the top of the hill.

If you choose to stay at Quality Inn, then follow the second set of directions above and Quality Inn will be on your left behind the Shell station just before you get to the New Circle Road interchange [1 mile from 64/75].

CHILDREN'S MISSIONS CONFERENCE SESSIONS: Every year we conduct sessions for the children [age 4 through grade 5] who attend our Conference services. My wife, Debbie, conducts these learning and activity sessions. Each year, we focus on a particular nation of the world, highlighting its culture and customs along with their need for the Gospel and opportunities to take the Gospel to those peoples. Our Children's Center is always set up with crafts and activities which engage the children's attention and interests in the missions lessons.

Dear Friends, March 6, 2015

I got one of those horrible painful calls this week. My youngest sister called to tell me that my eighty year old mother has been diagnosed with Leukemia. She also said that it is in a very advanced stage and that she doesn't have much time on earth. My mother knows Jesus and she is ready to go home to him, but I ask that you would pray for her to have the strength and grace to honor him in her final days in her pain and suffering. My dad has failing health also and the news about his bride of sixty-four years having a terminal illness has left him nearly without a will to live, himself. My wife, Charlene, and I will be taking a furlough to the US for some months to help my brothers and sisters out during this trying time for us all. All of our ministries here in Brazil are in the good hands of leaders and helpers we've prepared for just such a time as this.

Despite these weighty circumstances, we will continue our ministry partnerships with our Brazilian church, Projeto Vida and our young missionary to a Muslim country to the degree that it possible. In fact, we have a group of forty-eight teenagers arriving in just a few hours to spend a

week evangelizing in the local schools and public parks.

We will have the thrill of baptizing on this coming Sunday one of our first translator volunteers who recently surrendered his life to Christ. His name is Milton and he is 65 years old. When we met Milton 14 years ago he claimed to be an atheist. He loved to help us translate the gospel message every year when this group of youth comes, but just this winter, Milton sensed the Spirit of God speaking to him to repent and accept Jesus as his Lord and Savior. He did that and now he wants to be baptized and let everyone know that he is now a follower of Christ. We are so thrilled and thankful to God for His mercy and persistence to extend salvation, even when we first reject His love. Milton is my new brother!

Before we leave Brazil next week, I am planning to seek out three of my close friends who have come to church on many occasions and, with whom I have shared the gospel several times, to seriously consider surrendering their lives to Christ. We never know how long we have in this world or what events may take place affecting future opportunities to share Christ's message of salvation, so I don't want to leave these friends without making an extra effort to persuade them to trust Christ. I pray that their hearts will be receptive to His grace.

Charlene and I are so thankful to all of you who pray for us faithfully and give so that we may serve the Lord through Baptist Faith Missions. We trust that He will bless you both now and eternally for your faithfulness.

In Christ's love,
Bobby and Charlene Wacaser

GLENN ARCHER'S DAILY DEVOTIONS AND SERMONS

<http://glennarcher1.wix.com/archerweb>

Glenn Archer began his association with Baptist Faith Missions back in the early 1960s when he first came to Lexington Baptist College in Lexington KY and was introduced to some of the first missionaries to serve Christ in partnership with BFM.

He went on from there to support BFM in pastorates in West Virginia, Kentucky, and Missouri. He would later serve as a Director of BFM and also as our Treasurer. He maintained his active participation in all things BFM until his Homegoing to Heaven in February 2014.

Here is the text of a recent email from his daughter and son-in-law, Mark and Susan Poiles. We copy it here verbatim:

"Dear Friends, It is a privilege on this one-year anniversary of Brother Glenn Archer's passing to share with you his website. Before he passed away, Brother

Archer and I discussed publishing his devotions and sermons. The original idea was to publish a book and sell it. The proceeds would go to Baptist Faith Missions.

After prayer and further consideration, I have decided to publish his works on the web. The address is glennarcher1.wix.com/archerweb. A link has been provided on the site for donations to be given to BFM in his memory.

As you will read on the site, Brother Archer's wish was for the whole world to see his writings. It is my prayer that by the grace of God and your help, we will be able to make that wish come true through the means of the world wide web. Feel free to share this link. May Jesus be lifted up and God receive all the glory!"

Blessings!
Mark & Susan Poiles

Dear Brothers and Sisters, March 5, 2015

We hope this finds you enjoying the Lord's blessings. You are a blessing to us and the work of the Lord in France.

As mentioned in our last letter, Darrell and Shirley Messer were with us for a few days early in February. We certainly enjoyed visiting with them. Unfortunately, our winter school vacation started just as they arrived and our Sunday meeting was a record low for the last couple of years. Several of our regularly scheduled Bible studies and activities did not take place for the same reason, but the Messers were able to see some of what God is doing here.

Two days ago, Judy and I celebrated our 42nd wedding anniversary. It is hard to believe that it was really that long ago. When I was about ten years old, my mother encouraged us in one of our family devotional times to begin praying for the person God wanted us to marry. I began doing this on a regular basis and God certainly answered my prayers. As Christ and the apostle Paul tell us, some people

receive the gift of being able to serve the Lord as a single person. I am so grateful for several believers that I know who have committed their lives to the service of God as single people. The Lord created us and knows us intimately. He certainly knew that I would not be very effective alone. I am thankful beyond words for the life and ministry mate God gave me.

Last week we started a new Bible study in the neighboring department. We had intended on starting it two months ago but the host couple lost a newborn child and postponed the first meeting. I had met this couple last November when they arrived in our area with a job transfer. What a wonderful surprise we had for the kick off last Wednesday. Thinking that there would be perhaps 6 individuals present, we were thrilled to have a dozen. This new couple are great recruiters. Judy and I both delightfully await what God will do through this Bible study. Our other Bible studies are going well as are the Sunday meetings.

Dad turns 90 in April and we are planning to be in the US for just a few days to celebrate this event with Dad and the family and also to attend the Spring Missions Conference hosted by Thompson Rd. Baptist Church in Lexington, KY. It has been 6 years since we were last at this conference. I would love to see you there.

We pray that God will meet your needs and use you as His light where you live. Please pray for us.

Proclaiming the Good News in France,
John and Judy Hatcher

visiting the ancient wall city of Carcassonne with the Messers.

PLEASE PRAY FOR THE WACASER FAMILY

Bobby Wacaser's mother was diagnosed with advanced stages of Leukemia during the first week of March [see Bobby's newsletter in this issue]. At that time, she was given maybe two months to live. The Lord called her Home to Heaven just a few short days later. Bobby and Charlene were able to make immediate arrangements to fly back to Florida and be with her a few days before her death. Please continue to ask our Father to give them all His grace, peace, comfort, and strength during these times of adjustments.

PLEASE HELP US REIMBURSE THEM FOR THEIR FURLOUGH TRAVEL

When our missionaries return to the States for their furloughs, their travel expenses are reimbursed to them from the General Fund. Those General Fund monies are supplied from our Thanksgiving Offering. Airline tickets for the Wacasers cost \$2300.00. Please help us replace those funds by giving special offerings designated to the General Fund for 'Furlough Expenses'. Thank You!

Attendance At Servies Has Been Up ... Please Pray For The Nation Of Brazil ...

Cruzeiro do Sul, Acre Brazil
e-mail: mdcreig@hotmail.com

Dear Brethren, March 11, 2015

Two and a half months into 2015 and we have had only four days with no rain. Many of the river towns of our state have had the biggest floods in history. Thousands of families, not individuals, but families are out of their homes. Cruzeiro do Sul sits so high that we have not had as much trouble. It is wet beyond belief though. I can't mow our grass. I had some papaya trees that were producing, but have died and papaya is tropical and likes water!

The rains haven't hurt attendance that much though. At this point we are above last year's averages. Thirty-five new members were added by baptism. This was our first baptism this year. We also held the Lord's Supper for the first time. We have been praying and working diligently to get the church back in moral and spiritual shape to continue these important life activities. A few more have been saved and a few others added by letter. We still have a way to go to get back to normal, but by God's grace we will get there.

Since I fired my maintenance man, I have been working long hours trying to get all of the neglected work and repairs caught up. Things are shaping up nicely. It has been a challenge though to keep up preparing quality sermons, daily meditation sheets for the church, preparing lessons for membership classes, counseling, visitation and lessons for seminary classes while hanging doors and mopping floors. This week the Lord made sure I took a day off to rest. I caught some kind of bug and was so

sick for a while that I was balled up on the floor in the bathroom. That last sentence was probably more info than you really wanted.

Since we are into more detail than you want... A couple of weeks back I went to teach about security of the believer at one of our congregations way out in the bush. The congregation is past the church at Assis Brasil. After the asphalt ends I continued on a wet messy dirt road for a few more miles then turned right on an even narrower dirt road, then right again, narrower still. The congregation has over sixty members. After introducing the subject and reading the first two texts I became suddenly sick and had to excuse myself. I asked them to sing some songs. I rushed out into the bush to "recover". This all took me by surprise as I had been feeling great. For perhaps the first time in my many years on the mission field I did not have a wad of TP in my hip pocket. Well after my "recovery" I went back in and finished my lesson as if nothing had happened. The folks were very gracious and acted like they didn't even notice. This had never happened to me in 49 years of ministry. New experiences happen all the time in missions. Most are fun, others not so much.

Please pray for Brazil. You think the US is messed up? Take a look at Brazil. The socialist government of the past twelve years has managed to destroy all the gains made in the brief 8 year experiment with free markets that preceded the present administration. Besides the biggest corruption scandal in human history that is unfolding right now the country has been dragged relentlessly down the social reform path. Brazil is way "ahead" of the US on issues like abortion and gay marriage. Unrest is high and a potentially big nationwide protest is being planned for this coming Sunday. There are even many people calling for the return of the military regime! It's bad.

Thanks for all of your prayers and support. God bless you as much as He has us.

In Christ,
Mike Creiglow

Dear Friends and Co-laborers,

We greet each of you in the name of the Lord Jesus Christ. We are thankful for God's goodness and grace this new month. Praise God the Father for providing unto us all things that pertain unto life and godliness, through the knowledge of the Lord Jesus Christ. He supplies our every need and much more and we are so grateful to our God.

Wanda's mother, Mrs. Willa McGary came to live with us. She is the widow of pastor/missionary Wilford McGary, they were sent as missionaries to Kentucky's Appalachia in the early 50's and served there for thirty-five years. Well, on the forth of March Willa had her ninetieth birthday. Wanda planned a nice party and many of our old and new friends and brothers in Christ here in Florida came to rejoice with us. Willa and all who came enjoyed the food and fellowship. We are thankful for Mrs. Willa's life of service to the Lord; and no

doubt, one of her greatest joys and anticipations is the meeting of God's children in church. We pray for God's continual blessings on her life.

New mission starting in down town Manaus. Some years back we were able to purchase a vacant lot in the downtown area. Soon after, urban renewal took most of the land in the area - our lot not affected - and moved most of the people to other areas. Because of the uncertainty, we waited to see how the renewal would work out. Often, government projects in Brazil have a way of not getting finished, but this one was completed. The opportunity looks good and God has raised a team with a vision to reach the area. We are awaiting the building permit to get the construction underway. Pray for the permit and building to be finished as soon as possible; pray for the team, as they get started, to always have a heart to reach the lost and that the gospel seed will find fertile soil producing much fruit for the kingdom of heaven.

We pray for you that your remembrance and knowledge of our Lord, the only true God, may abundantly increase in wisdom and discernment, that your trust and faith in our Lord Jesus Christ may be steadfast always, and that the love of his Holy Spirit may fill and overflow in your every word and action, with thanksgiving to God though Jesus Christ our only Lord and Life.

Love,
Paul and Wanda Hatcher

Praise God For Good Reports From Brazil ... Thankful For Progress Of Printing Book ...

Dear Brethren and Friends: Feb. 9, 2015

We thank and praise the Lord for the wonderful month He has given Alta and me. We, also, thank Paul and Wanda for all the wonderful help they give each day to these two "oldies". Alta occupies much of her time writing letters of appreciation to those who send offerings and who pray for us.

I am still printing and binding the book, "Meet the Holy Spirit". I try to complete eight or ten books a week.

Since we are not active on the mission field in Brazil any longer, I want to say we will be eternally grateful for all who have given and prayed for us. Since we still receive our monthly offering from the regular fund of BFM, as long as there are funds available, we would like to encourage you to send your gifts to us to the Regular BFM Fund, as that will be a continuing benefit to us as well as others.

News from Brazil tells us how the works are continuing, growing and being blessed. Personal witnessing is the constant desire of my heart and I ask the Lord each day to open opportunities. It is a real joy to tell the lost about the Savior. Every sinner has to hear the Gospel before they can be saved!

The Lord willing, we plan to attend the Spring BFM Mission Conference at Thompson Road Baptist Church, April 27, 28, 29. Hope we will see you there.

Please note new E-Mail address above. God bless you. Alta and I thank each of you for your faithful giving and praying.

Dear Brethren and Friends: March 4, 2015
We cannot say, "Greetings from Brazil" any longer since we are living in the States,

but our hearts still beat with our love for the work and friends in Brazil. We do hear from some of them and the work is going, glowing and growing. Praise the Lord.

THE GROWTH OF OUR FIRST CHURCH PLANT IN BRAZIL
Our first church established in Brazil was in 1956. It was called the Chapada Baptist Church. It was begun with twenty-four members. It was located in the Boonies. It was difficult to get a taxi to take us. Manaus had about 70 to 80 thousands population. Today, the area is one of the principal business sections of Manaus, that now has a two million population. The Church changed its name to Nova Igreja Batista. Here are a few facts to show God's Blessings.

Last month they had three youth camps with a total of 1200 campers. Many were saved, along with other decisions. Seventy were baptized into the fellowship of the Church. The Sunday School had an average weekly attendance last month of five thousand eight hundred persons. There are about 550 people who work in the Sunday School. The first SS meets from 8:00-10:00 am; the second meets from 10:30-12:30.

AN EXCITING CONVERSION.
Last week there was a young lady who David witnessed to after service. A week before she had been inducted into the Muslim religion. David showed her Paul's counsel: "If anyone preach another Gospel than that you have received let him be accursed." She heard, the Holy Spirit opened her heart and she was saved. As they were going down the aisle three persons were sitting on the next to the last pew. David asked, "Did you want to talk to me?" They replied, "No, we are friends to this lady and we have been praying for her Salvation."

During the two night services the attendance is about 6,200. Praise God for His blessings on the Seed that is being sown! Keep praying and giving for His Work. We love you in the Lord,
John and Alta Hatcher

March 3, 2015

Dear praying friends,

We are now into the month of March, which is hard to believe. Here in Kenya, it is regularly around 70-90 degrees at this time of year. I know this is hard to believe, as there is so much snow right now all over the United States. These are times of the year that we miss, as when we are on furlough, we take our daughters outside to build snowmen, play in the snow, and have a good time. Soon, it will be rainy season here, where the rains come down regularly and heavily at times. I remember a few years ago when it rained so hard that even taxis and minivans were getting stuck in the mud on the road where we live. We hope each of you are enjoying this year of 2015.

As I mentioned before, my partner Roger Tate and I are starting a new group in an area of Kitale called Robinson. Robinson is a big area, and there are many to be reached. We have had many children coming to the meetings, as well as adults. One of the challenges we have had is how to minister to the children also, as we want them to receive Biblical teaching also. We have been using a book in Swahili to teach the kids the Bible, as we just finished on Noah and the flood. It has been encouraging to watch the children respond to the questions and see how they are learning the Word of God.

We praise the Lord for the faithful adults that have been coming also, and ask you to pray for them. At this point it is a Bible study group, where we are doing our best to teach them each week in Swahili many teachings from the Bible. We pray that if it would be the Lord's will, that this group would be organized into a church at a later point. Swahili three times a week in the

various ministries is exhausting and time consuming, so I would ask you to pray for me also as I prepare to attempt to teach weekly in the language.

The annex prison ministry is continuing along well. We just finished in the teachings of Noah and the ark. I did my best to teach the men that the vast majority in the days of Noah did not care about living for the Lord, pleasing Him, and how the ignored the warnings of God, which ultimately resulted in their death and punishment. Matthew 24:38 says "For as in the days that were before the flood they were eating and drinking, marrying and giving in marriage, until the day that Noe entered into the ark." They were doing their own thing, ignoring God's warnings. The thing I like about the Firm Foundations course are the visuals that come with many of the lessons. It is exciting to watch the men as they look at the Biblical photos during the lessons, and apply the truths to their lives.

Our children are continuing along well. McKenna is such a good student in school and learning many things. Camille will be starting school soon, so please pray for her as well. Please also pray for me as a father, as I try to teach them about the many truths of the Bible in an understandable way. I am responsible before God for the Biblical training of my family, so please pray for me as I desire to lead my family to follow the Lord and teach them from the Word of God.

In closing, please pray for safety while traveling. The traffic in Kitale has gotten significantly worse over the years. There are so many motorcycles everywhere, minivans that are impatient and overtaking when they should not be, people not paying attention as they walk through the roads, etc. It is a major challenge to drive here, but we thank the Lord for His protection as we travel. The roads are congested, but we thank the Lord each day for His watch care over us. This is simply to request your prayers for us as we travel here, knowing the Lord will help us. He has been so faithful.

God's blessings to you and have a wonderful month ahead.

Sincerely,

Nathan and Carrie Radford

Dear Brothers and Sisters in Christ,

I want to send a special thank you to all those who have helped with the adoption process for Chloe. Julie and I appreciate so much that so many would want to assist us in bringing Chloe into our family. We are currently grieved at the moratorium the Kenyan government has placed on foreign adoptions. This decision by the current cabinet is NOT taking into consideration the needs and welfare of the Kenyan children. We are praying the Kenyan government will quickly lift this moratorium and allow us to continue on with the adoption process. Please also be in much prayer for this as we truly believe God has led us to this decision in our lives and in our family. Chloe is thriving and doing so well physically and mentally. Her rapid physical development has amazed me and we thank God for taking such good care of her.

I thank God for my other children as well. They are all such a blessing to me. Emily is currently in Michigan where she would like to gain residency and continue her education. The state of Michigan is being somewhat difficult and this has caused her some delay. Amy is continuing at Rift Valley Academy where she is taking her eighth grade year. It is difficult having to hear of her drama that she deals with on a day by day basis. It seems all eighth grade girls have a lot of drama in their lives. Josiah is our only other child at home besides Chloe. He is still home schooled and will continue to be home schooled until September when he will also attend Rift Valley Academy as a boarding student. He is growing fast (he is second tallest in the family now, behind only me) and his voice is growing deeper. We don't have a little boy in the family any more.

We pray that God will continue to bless the ministries in Kitale. We have started a new home group that is progressing well. Each week we have a good number of people who gather for worship, prayer and Bible study. The host family is so faithful and generous in opening their home and in showing us love, kindness and hospitality. We are trying to share the love of Christ with all who come. You all can pray that we

KROGER COMMUNITY REWARDS

THIS ANNOUNCEMENT IS APPLICABLE ONLY TO THOSE READERS WHO LIVE AND SHOP WITHIN THE KROGER DISTRICT IMMEDIATELY AROUND LEXINGTON, KENTUCKY. Thanks to all of you who have tried to register your Kroger Plus account to benefit BFM as a Non-Profit beneficiary – only to discover that you are outside the benefits area. Otherwise, if you live around the Lexington-Louisville, Kentucky area, please read on...

All of you do not have Kroger stores in your locality – so this won't apply to every reader. And if you do, not all of you shop at Kroger. But, if you do, you most likely have a Kroger Plus card to scan when you make your purchases to take advantage of in-store discounts and fuel discount points.

Some of you have also been participating in the Kroger reloadable gift

card program. By depositing your money on the reloadable card and using the card to make your purchases, BFM received a 'commission' from those purchases.

Kroger has discontinued the use of the reloadable gift card. However, they have now made it easier to continue the benefit to your favorite Non-Profit Organization [BFM]. No extra steps. Simply register your Kroger Plus card online and choose BFM as your Non-Profit Organization. Then, use your Kroger Plus card as you always do and Kroger will direct the benefits to BFM.

We have posted all the instructions you need on our website. If you're going to shop at Kroger anyway – and still get all the present benefits of using your Kroger Plus card – then we encourage you to add BFM as a beneficiary also.

BFM BROCHURES

We now have TWO very attractive and informative professionally-produced brochures. We want you to help us get these promotional messages into the hands of anyone and everyone who is interested in the mission work the Lord is accomplishing through the missionaries who are supported by your offerings through BFM.

(1) The first of these brochures is one that will introduce you to BFM and inform you about the basic principles by which BFM functions.

(2) The second brochure is just now 'hot off the press.' This one is entitled "Caring for those who care for the world," and is designed to inform and explain just how essential the monthly General Fund is to the daily living and ministry needs of our missionaries.

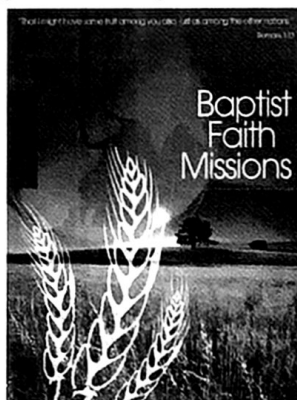

Both of them are full-color, either 6 or 8 pages 8 1/2 x 11 format, pictorial, and informa-

tive. Will you please help us distribute these brochures as widely as you can?

If you will send your name and mailing address to: Dave Parks, 3985 Boston Road, Lexington KY 40514, email: daveparks@twc.com, phone: 859.223.8374 – and tell us how many sets of these brochures you want – we will get them back to you by return shipping.

For now, you can access an electronic flip-through version of the new brochure by going to our website and clicking on the brochure cover. http://baptistfaithmissions.org/BFM_Blog/index.php

Again, please serve as ambassadors for your missionaries by helping us get either single-copy sets to interested persons or bundles to distribute in our churches. The brochures will 'speak for themselves' – for our missionaries.

WE ARE ISSUING AN URGENT CALL FOR ADDITIONAL THANKSGIVING OFFERINGS!

Our total accrued Thanksgiving Offering amount is \$42,275.84: \$32,590.39 contributed during November 2014 and \$7058.45 contributed during December 2014. No additional offerings were given during January 2015. Another \$2627 was contributed during February 2015. Please accept our missionaries' thanks to you who have contributed!

We need at least an additional \$10,000.00 just to bring us up to last year's total Thanksgiving Offering.

Last year's Thanksgiving Offering total was \$49,058.41, and even that amount fell two months short of lasting through 2014. AND, we couldn't fulfill several requests

HOW CAN I HELP OUR MISSIONARIES TO RECEIVE THEIR FULL FINANCIAL COMMITMENTS EACH MONTH? Is it worth \$1 a day?

Here is a simple way each one of us can help to assure that our missionaries receive the full measure of the already-modest commitments we have made to them each month. We are talking here about the Essential Maintenance Transactions that provide for their most basic living and ministry expenses like salary, housing and ministry expense allowances, hospitalization premiums, and the printing and distribution of their monthly newsletters.

EACH ONE OF US CAN GIVE \$1 A DAY TO WORLDWIDE MISSIONS THROUGH THE MISSIONARIES WHO ARE FINANCED THROUGH BFM.

We realize that many of you are already personally giving way over that amount. If you are, we thank you! And our missionaries thank you! You can see who are maintaining our missionaries' essential monthly needs by going right now to the Contributions pages and look at GENERAL FUND offerings.

But, our missionaries have so many more friends than these who are listed there! So, if you are not giving personally and regularly to the Baptist Faith Missions GENERAL FUND, then we encourage you to begin right now!

during the year for benefits which are supplied from the Thanksgiving Offering because we didn't have it to give.

So, let me appeal to you on behalf of our missionaries – with all the wisdom and passion God will grant me – to respond to their needs with as generous a Thanksgiving Offering as God will enable you to give.

If you are among those who have given to the Thanksgiving Offering, it is what it is because of your generosity. Thank You! Would God be leading you to give an additional offering?

If you have not contributed to this year's Thanksgiving Offering yet, would you ask the Lord if He wants you to be a part of the ministry that will be financed through these offerings?

2 Corinthians 9.8: And God is able to make all grace abound toward you; that ye, always having all sufficiency in all things, may abound to every good work...

Last year's total Thanksgiving Offering was given over six months, but I assure you, that's OK! Your Thanksgiving Offering doesn't have to be given during November or December! In fact, it will remain open for as long as you need it to be open!

We can afford to give \$1 a day – that is just \$30 a month – to help our missionaries carry the Gospel of Jesus Christ into all the world. We are talking about what we spend to get a cup of coffee at your local Speedway, convenience store, or McDonalds. Many of us probably spend more than \$1 every day without even thinking about it on far more temporary and less valuable pleasures – we consume it in a moment, and it is gone! When we give to finance our missionaries' ministries, we are saving people for eternity – remember that!

You can give this offering a number of ways: [1] You can give through your church's monthly offerings to the General Fund by asking your pastor/treasurer to simply add your personal contribution amount to the church's offering from their treasury. [2] Or, you can give your offerings personally and directly by mailing your check to our Treasurer: Pastor George Sledd, P.O. Box 471280, Lake Monroe FL 32747-1280. [3] Or, simpler yet, you can go to our website www.baptistfaithmissions.org and click on the DONATE/SUPPORT page where you can give online by following the prompts. You can give either a one-time gift, or you can set up your contribution to be an automatically recurring gift. **"For the administration of this service not only supplies the needs of the saints, but also is abounding through many thanksgivings to God..."** [2 Corinthians 9.12].

BFM - Our Purpose and Mission

Baptist Faith Missions assists Baptist churches to send God-called missionaries to fulfill church-planting missions in the nations of the world.

We believe that “essential Great Commission missions“ is to preach the Gospel, evangelize, baptize disciples, establish Baptist churches, and train the disciples to obey everything that our Lord Jesus Christ has commanded.

While we believe that all other outreach ministries and services may accomplish good works and meet worthwhile social and spiritual needs, we believe that our purpose, scope, and focus should concentrate on essential Great Commission Gospel missions.

PERSONAL NOTE OF APPEAL

From Giving Friends Who Wish To Remain Anonymous

To All Churches and BFM Contributors:

The Lord has laid this burden on our heart. We appreciate all the support the churches and individuals do for the missions. But we are asking each church and individual to go \$1.00 farther—that is—on a weekly basis add this \$1.00 more to your mission contribution. If a church with fifty members would do this, it would mean \$200.00 more per month and \$2,400.00 more per year.

Imagine what this would mean to the General Fund if sixty, seventy, eighty or one hundred members added the extra \$1.00 each week: **OUR GENERAL FUND COULD GROW BY \$120,000!**

Please pray and try to meet this goal over what you now contribute. If we each sacrifice something small, then God can do something mighty.

“THANK YOU! THANK YOU!” GIVING FRIENDS

Never a month goes by without our thanking God for all our faithful Giving Friends who contribute so regularly and sacrificially to our General Fund offerings. Also, hardly a month goes by without my speaking personally with some of you and having the opportunity to thank you personally for your participation in this missions ministry.

I was speaking with one of our dear supporters recently [you shall remain anonymous -but you know who you are]. She is a widow of very modest means, but she continues to live modestly on purpose so she can continue to give to missions.

And, when I thanked her for her long-time financial support for BFM, she told me, "I'll do without something else before I will NOT give to Baptist Faith Missions." May God increase her tribe!

God has blessed her - and God will bless her. And I pray also that God will use her example and testimony to challenge all of us to follow suit.

1 Samuel 25.17: Now, therefore, KNOW and CONSIDER WHAT YOU WILL DO.

And God is able to make all grace abound toward you,
that ye, *always having all sufficiency in all things,*
may abound to every good work.

TATE

(From Page Four)

would have people who faithfully come each week to worship God and hear the teaching from His Word. We do have some that come every week but many of the others are very sporadic. We would like to see God capture the hearts of these people that they might know Him, love Him and serve Him with all their hearts. What a blessing it is for us to be able to minister to these beloved Kenyan people and to teach them how to know Him and serve Him. Thank you, Lord, for these new people to minister to and, Lord, we pray that many more would come to know you as their Savior and Lord and that your kingdom would spread in this world and especially in Kitale, Kenya.

Until next month, beloved. May God's peace and joy be with you.

For the glory of God in East Africa,
Roger, Julie, Emily, Amy,
Josiah and Chloe Tate
