Water in a Parched Land

ROGER & JULIE TATE Kitale, Kenya East Africa, 30200 rojuta@gmail.com

May 26, 2015 Dear Brothers and Sisters in Christ,

For many months, almost 6 in fact, we had no rain (Don't worry, this newsletter is NÓT a Kenyan weather report). Then the rain came sporadically in short showers. Then it came in downpours. Back when the rain was scarce the grass turned brown and basically disappeared. The ground just looked like barren dirt and I wondered if the grass would ever recover and grow back since I could see no trace of it. Once the downpours started I saw that the grass sprouted almost immediately, as if it was lying dormant in

the ground just awaiting the life giving water. I was amazed at how quickly the grass grew. In two weeks it grew long and green and covered the ground. I was even more amazed when I saw some of the crops the Kenyan farmers had planted. In just a couple of weeks I saw one of their plants (which is unknown to me) grow from nothing to four or five feet high. The rapid growth shocked, astonished and even amused me.

Now, before you get too bored, let me assure you that this newsletter is neither an agricultural nor a horticulturist report either. I know nothing about such things. It's just this: When I saw the rapid growth in the grass and the plants after the application of the rain water, I began to think and then I wondered why I don't see

- rapid growth in the groups and churches we start
- dramatic change in the lives of my Kenyan students I teach · more Christ-likeness
- in my own life I spend much of my time teaching the groups,

churches and students from the Word of God. I spend much time myself in God's Word in personal study and devotion. Like the rain that brings to life a dead plant and causes it to grow overnight and show immediate signs of change and development I expected that the Word of God and the Spirit of God would make immediate and rapid changes in the churches and lives of the Kenyan people. That may happen with some missionaries or pastors but it doesn't happen with me. And it frustrates, discourages and upsets me that it doesn't. I teach Christopher (one of our students) week in and week out but I see little forward spiritual growth. We teach and lead worship every week at Kefa's but the group doesn't grow. And it frustrates me that it doesn't. We pray, we study, we teach, we model, we point people to Jesus all with the hopes of seeing the Kingdom of Christ grow here in Kenya. However, the ground still looks barren instead

vibrant. I want to believe [see TATE page 6]

Dear Friends, We have a carpenter steady at work getting the interior of our Alpha motorhome ready for travel. The body work looks great and it won't be long before the motorhome is back on the road. In the meantime the team has been doing evangelistic outreach in local neighborhoods and the teams car-pool to get to the locations hauling their equipment in a small utility trailer. We will be very happy to have the motorhome fully repaired and back to work soon.

to a Muslim nation, Alysson, reports that the Lord is truly opening doors of evangelistic outreach for him and his team. This past month he was invited by the mayor of a town into a public school to present their skits which portray the gospel through pantomime and drama. The mayor was so impressed with the presentations that he asked the team to make the same presentation in his office to his administrative team. Please pray that the Lord will use the message that was shared to touch the hearts of these leaders. Of course, not everything is easy working in a culture so steeped in false religion. After the presentations in the mayor's office, Alysson was talking to some children in the street in front of the city offices when a Muslim man began to

Building Begins for Downtown Manaus Church Plant; Souls Saved; **Pray for True Disciples**

Dear Friends and Co-laborers.

We greet each of you in the name of the Lord Jesus Christ. We are so thankful for God's goodness and grace. We do not cease to be reminded, and Praise God the Father for providing unto us all things that pertain unto life and godliness, through the knowledge of the Lord Jesus Christ. He so graciously supplies our every need and much more; we want to always be grateful and gracious to others even as God has been to us.

There is an update on the new church plant in downtown Manaus that I mentioned in a previous edition. At the time I wrote, the team was planning and praying for the

building permit to be issued. The building permit was issued and building began immediately. As they get the building ready they are meeting at another location. On the Mother's Day Sunday service five people made public professions of faith in Jesus

Christ. During the week the team has been busy refurbishing and painting chairs to use in the new location. The roof is now on; the building on completion should seat three hundred persons.

Michael Samples, the new pastor at Tabernacle Baptist Church, is being richly blessed by our Lord Jesus. They are growing locally and very encouraged

about the doors God is opening to sow the gospel, make new disciples of Jesus and form local churches. Pray for all the mission efforts of Brazilian Baptists to spread the gospel in the highways and byways. Pray that God will give

rphatcher@gmail.com wisdom and that we will have open hearts to hear His bidding and precious instructions. Pray that God would bless in the making of thousands of true disciples and hundreds of churches to the glory and exaltation of God the Father and his Son, the Lord Jesus Christ.

Reaching People of All Ages; Facing Pantheism

JOHN MARK & JUDY HATCHER 4, rue d'Aspin 3 I I 70 Tournefeuille, France JMHatcher@aol.com

May 30, 2015 Dear Brothers and Sisters,

We hit the ground running after returning from the Conference hosted by Thompson Road Baptist Church and it had been a good month. am writing while waiting for the young people to arrive for the Youth

meeting here in our home this evening. We continue to be very encouraged by this part of the outreach here. God has given us open doors with a broad age range in the ministry here.

This week, one of the believers in Tournefeuille gave birth to their second

child, a baby girl. I am attaching some pictures of the baby shower given for her. This mother comes regularly accompanied by her unsaved husband and four year old son. The age range in our meetings in six different towns is quite evenly distributed over the entire spectrum of hu-man life. It is our desire to reach people of all ages and God is enabling us to do this.

There have been new ecople on a regular basis in our various meetings

A baby shower was given for a believer in Tournefeuille who just gave birth to a baby girl.

and this is also a good

thing to see.
Thank you, those who have been praying for J**** since the Spring Conference. I saw her last night for the first time since returning and she told me how much she and her children enjoyed

the meeting and Sun-day School. She volunteered that she would be returning. Please continue to pray for her and many others to whom we have open doors.

Last night, the choir in which I sing had a concert and while I was waiting for our entrance time Ì heard a group of the sing-ers near mean discussing how God is all of us and He is everything or in everything. This panthe-istic idea is rather popular among those who claim to

believe in "something". Many others readily express the fact that they are atheist. A majority of folks here find it ludicrous to believe that there is only one supreme, creator God and the only way to Him is through Jesus Christ, who is God. But, some believe.

Ask God to help us be consis-tent witnesses of Him and for the work of the Holy Spirit to draw sinners to the Savior.

Thank you for your

faithful support.

God Answers Prayers; Pray for True Believers

June 1, 2015

Dear Praying Friends, We are now halfway through the year of 2015, and there are many things to update you about. This will share ministry prog-ress, as well as prayer requests for current health

In a previous letter I mentioned that our daughter Camille has contracted amoeba. It is nearly impossible to prevent it completely, as ingesting just one drop of unfiltered water can trans-mit it. We do all we can to prevent it and stay healthy, such as watching where we eat, using water filters, drinking bottled water, etc, but sometimes those actions aren't enough and a person contracts it.

McKenna has also recently contracted it and so she has started medications to eradicate it. We are so thankful to have a good doctor here in Kitale who has been here for over 30 years, seems knowledgeable and provides good medications.

Right now we are in the "waiting stages" to see if these medications will eradicate the amoeba, or if we have to go to an IV stage, which is the last

resort.
We are praying that the regular medications will take affect and the IV will not be necessary for either of the girls. We would appreciate your prayers for our daughters at this time. A verse that comes to mind at this time that is comforting is 1 Peter 7, which says "Casting all your care upon him; for he careth for you." It is a daily battle to stay healthy here and we would appre-

we have been praying for friends for our daughters to play with. Recently, our daughters have begun playing with a couple Kenyan girls from a local children's home. Maggie and Daisy have been coming over

to spend time with our family on the weekends. All 4 girls have gotten along well and this has been a blessing for our family as well as Maggie and Daisy, so we are so thankful for them. We continue to pray that other missionaries with children would come. God has been faithful to answer prayer. In ministry news, the

group at Robinson is continuing along and we are proceeding through the foundational teachings. Recently I had the

opportunity to teach on "What does it mean to really follow Christ?" We looked at examples from the Scriptures of those who did not follow Christ for various reasons, including misperceptions such as following Jesus will make all my problems go away, following Jesus will make my life easier, following Jesus is for the weak, As I got to John 6 and explained that many people originally followed Jesus for the "loaves and fishes," (to have their bellies filled), there was some laughter, as many in the meeting knew that this is a real issue here in Kenya. I continued to

NATHAN & CARRIE RADFORD P.O. Box 4150 Kitale, Kenya East Africa, 30200

explain that others followed Jesus because they saw His signs and wanted to "get" something from Him. In the end, many disciples refused to follow Him and deserted Him. This was teaching that was

necessary for the people here to understand. We desire to have those who follow Jesus for the right reasons, not for what they will get, or miscon-

ceptions they have. We will continue, Lord willing, to teach the truth in love, trusting the Lord to work in His time and plan, and leaving the results with Him. My friend Roger Tate and I desire to be faithful, entrusting the results to the Lord. 1 Corinthians 4:2 says, "Moreover it is required in stewards, that a man be found faithful."

We thank you each so much for your heart for missions and your prayers and sacrificial giving. Thank you for your

faithfulness, and may the Lord bless you abundantly.

Until next month, Nathan and Carrie Radford

Ativa Thriving in **Transition**

June 4, 2015 Dear friends,

Thank you for loving and praying for us. We sure are grateful. As you know, we will be in the States as of July 10th for Stateside assignment and are making final transition preparations for our ministry in Manaus.
THE CHURCH

The Lord has blessed the church tremendously in every aspect. We continue to hold all our ministry related activities at the private school. The worship services on Sundays continue to grow in attendance. The children's club and the adolescents club on Saturdays are always packed and the kids love it. We have gained the parents' trust and already two couples have requested marriage/family counseling. Last Sunday we had more baptisms. The

new pastor is transitioning successfully and the ministry team is following

his leadership excitedly. THE PASTOR'S NETWORK GATHERING
This last month the

pastor's network met twice. It is exciting to see how connectivity ignites new partnerships and min-istry ideas. My brotherin-law, Michael Samples, spoke the first event and my Uncle David Hatcher spoke at the last meeting. We are always leave challenged to go out and work harder. There are always

people who need Jesus.
Sharing and Training The Lord has allowed me to speak at several churches this month. I have also preached at a leadership conference held by one of the churches in Manaus. This week I am in São Paulo speaking at a

national conference with

JUDSON & RAQUEL HATCHER (859) 317-1192 judsonhatcher@gmail.com

800 people enrolled. I speak twice on the sub-ject of church planting and will speak to a local church's leadership team two days after the confer-

ence.
Please pray for our family as we prepare to be in the US for a year. Spe-cifically, for Sarah, Laura, Benjamin and Melissa as they adapt to studying in and American school. Thankful for all you do. Also, pray for us to sell our car in Brazil before we travel, so we may purchase one in the US.

Grateful, Jud Hatcher

speak evil of Christianity and warn him not to speak of the cross of Christ. Also, the cost of living in that country is very high and he is living with a budget of bare essentials. He does not complain and shows a true spirit of servanthood.

My father's health continues to decline and my siblings and I share the responsibility of taking care of him. I have had some wonderful conversations with him during these days. He terribly misses his bride of 64 years, my mother, of course, but he still finds peace and com-fort in the Lord.

(from page 1)

We are presently in Brazil for a couple of weeks to take care of some projects that we had begun before our furlough, but still needed our attention. We found the church doing very well despite many political problems going on around them. Some of the church members have lost their jobs due to a general chaos in the political arena. Their newly ordained pastor, Alek, is doing a great job and has the total support of the church. Tonight we will have the privilege of visiting there for the first time since we left in early March. We are looking

forward to this privilege and the joy of being with eing with our brothers and sisters in Christ.

A couple of weeks ago I was blessed to be invited to speak at the Seventh Street Baptist Church in Cannelton, IN and the Richland Baptist Church in Livermore, KY. Both the churches and their dear pastors and families hosted me with generous love and attention. I am extremely grateful to both for their faithful concern and support.

Continue to remember my family and me in your prayers as we seek to please the Lord with our lives at this stage in our ministry. In Christ's love,

Family Life of John & Alta Hatcher as Missionaries to Brazil

by Alta Hatcher

I was saved when I was seven years old. When I was nine God called me to be a missionary, as my mother was telling a lady about a single missionary in Afri-When I was 10 years old a preacher in his sermon told parents to teach their children to pray about who God wanted them to marry before they were 10 or 12 years old because when they were older they would like to play ball or do something with a friend and they would marry a friend without it being God's will. I began to pray. During the Second World War, I was a student at Georgetown Baptist College. There were only 200 students and only nine men who were pastors with families. I stayed out of college after two years since the school where I had studied needed a third

grade teacher. When I returned to College the war had end-ed and there were now

2000 students in the College. Two weeks before returning to college I received a letter from John Hatcher saying he would meet me at the train station or bus station because he was interested in meeting me. He had just dedicated his life to be a missionary to Brazil and he had learned I was, also, called to be a missionary. We met and in six months we were married. John was pastor of a mission in Shelbyville, KY. After marrying, we worked there two years. Then John was called to be a missionary in eastern Kentucky. He was pastor three years of the Beattyville Baptist Church with six mission churches. It was there after three years of ministry he received a call to become the pastor of a new church in Alton, Illinois. After being at the new Church in Alton three vears the Lord touched John's heart that it was time for us to go to Brazil. We had four children under the age of six.

CONDITIONS IN

BRAZIL AT THAT TIME In 1955 there were no washing machines, refrigerators, stoves or beds, just hammocks. The only electric lights were in a few stores. In Manaus, Brazil there were about a dozen cars that were all

taxis. There were hand built buses that carried people, animals and produce. John had to accompany the things that we sent by ship to Brazil because a new law prohibited merchandise to be shipped alone. It took twenty-two days for the ship to get to Manaus, Brazil.

I took our four children on the plane. I had never ridden a plane before. The trip by plane took twenty-two hours.

were no schools in the interiors. We started a school because 80% of the people in Brazil could not read or write.

My job as a mother was to teach English to our five children. The principal of the school where I studied as a child gave me books for grade one through eight. After that, we ordered courses in English for the High School.

I hired help to take care of all the extra

The Hatcher Family (far right) with the Bratchers and Yorks.

Life was difficult. To buy meat we had to walk to the market at 5 o'clock in the morning. Vegetables came in by boat and were hard to find.

We took two orphan girls, ages 12 and 18 into our home. Some children were coming from the jungle to live with us because there

children, our family and to do the work so I could study all morning with our children. Later, when our children were all in school I walked the streets, visiting from door to door. People knew I was an American and they always invited me into their house. I always carried a Bible and taught them how to be saved and invited them to church.

John preached and taught the adults in the new mission churches we started. I taught the children in Sunday school. Also, I played the keyboard we carried with us. During school vacation each year we traveled on the rivers to start churches in the interior. The houses had dirt floors, and the houses were made of slim trees cut and tied together by wire. The roofs were palm leaves. There were no beds only hammocks. All the food was cooked outside on wood fires. We had to have someone to guide us as we walked through the forests. After 21 years we moved to southern Brazil.

We spent sixty years as missionaries in several parts of Brazil and we went from place to place starting churches. We planted about 60 churches in the 60 years we were there.

The Lord has blessed us. All of our children are missionaries. Our oldest, Lynn, and Ross, her husband, were missionaries in Nashville, TN, to exceptional children, has been with the Lord for six years. Ross, who carried on the work, died a year ago. They started work in churches for exceptional children in five States of the U.S.A

Paul and his wife, Wanda, have been missionaries in Brazil for 40 years. Under his

leadership the Tabernacle Baptist Church has made over 60 church plants.

Our son, David, is missionary pastor of the first church John and I started in Brazil. We left it in 1962 with 23 members. Today, on Sunday morning there are 5000 or 6000 in Sunday school and 5000 or 6000 in the Sunday night services. Penny, David's wife, takes care of the children's Sunday School classes as she plans lessons and trains teachers.

Our daughter, Kathy, was born in Brazil. She is married to a Brazilian. She and her husband. Odali Barros, had an orphanage in Garça (pronounced Garsa) with 150 children. Also, they started churches. Now they have moved to Manaus to start churches in the river villages.

Our son, John Mark, and his wife, Judy, are missionaries in France.

OUR THANKSGIVING

We thank God, also, that all of our 15 grandchildren are serving the Lord! Some as pastors and others are missionaries some of the granddaughters are married to

pastors or missionaries. We have 27 great grandchildren and are expecting two more soon. Our oldest great-grand-child is 12 years old. All of those four years old and older have already trusted Jesus as their Savior. We are so grateful to God for blessing us so much.

by John Mark Hatcher, missionary to France

We are grateful for the many conveniences available to us that facilitate communication worldwide. But, there is no better way to communicate than face to face.

Judy and I have lived and worked in France for 16 years. We are profoundly grateful for the faithful support that we receive from many people we have not met. But, we want to meet you. I think all the missionaries you support want to meet you personally. Why? New generations and new members in churches have a difficult time relating to missionaries they have never met. It is easier to understand the vision and passion of a missionary when you can personally talk to them and listen to them. The missionary better knows how to communicate with his supporters when he knows them personally. A missionary may be used by the Lord to help you reach out to folks in your community who need Christ. The missionary understands better how to pray for people he knows personally.

Making these personal contacts is not always easy because we cannot be away from the work we are called to do for long periods of time. The longest amount of time Judy and I have spent in the United States since moving to France was 11 weeks. So, it is important that we make the best use of these short visits to the USA if we are to meet are supporters.

Here is what you can do to make this happen:

- 1. When you see in our letters that we are going to be in the USA, contact us as
- soon as possible to set up a time to visit you or your church.

 2. Do not worry about not being able to give a big love offering. We know that churches are often strapped financially.
- 3. If you know of a car that is available for us to use, let us know. It is expensive and difficult to purchase a car for a few weeks and then resell it. It is much less expensive to pay for insurance (and even monthly car payments) on a car loaned to us. So, if you have a car that is not being used (even temporarily) that you could loan to us when we are in the USA, contact us or David Parks.

You are important as an integral part of what God is doing.

Founder's Day Offering

Give a special offering designated to BFM in honor of our founders.

For many years, we have remembered and honored our principal founders, Hafford Overbey and Z. E. Clark, by giving special offerings for the missionaries during the month of June. We call it our FOUNDER'S DAY OFFERING.

But, the Founder's Day Offering not only memorializes our original founders in 1942 – we are also honoring our ten faithful missionary families who are currently serving the Lord in Brazil, France, and Kenya – and who have also established on-going indigenous church-planting churches in Peru, Honduras, South Korea, and the Philippines.

Their support needs are great – and the supplies are low. We use the Founder's Day Offering to help supply our missionaries' monthly essential living and ministry support. And, these offerings will also help prevent our having to reduce the monthly commitments we have made to them due to a lack of General Fund supplies.

Here's what each of us can do:

PASTORS – we encourage you to observe a special Missions or Great Commission Emphasis Sunday and give your church the opportunity to give to the BFM General Fund. Emphasize Jesus' command to preach His Gospel to all nations. That is what our missionaries are doing. That is the original burden and vision that inspired the founding of BFM. We are continuing to perpetuate that vision and burden. That is what we are supporting when we give to BFM's General Fund. We will use these offerings to continue to supply our missionaries' on-going needs.

GIVING FRIENDS – if your church is not participating in our Founder's Day Offering, we encourage you to support your missionaries by giving a personal offering. You can visit our Donate/Support page to easily contribute through the options we have made available to you.

Of course, you can give as the Lord enables you to give, and no offering of any amount is insignificant. But what if every one of our missionaries' Giving Friends gave at least a \$70 offering in honor of the 70+ years our missionaries have been faithfully preaching the Gospel? But – please do give as the Lord impresses and enables you.

We are making available to you a number of PDFs that might be helpful as you promote Founder's Day. Go to our website www.baptistfaithmissions.org and click on the Faith Works Blog tab. When that page opens, find the search bar in the upper right hand corner and enter 'Founder's Day' and the links will appear to the PDFs.

Good Reports from Four Missions on Juruá River

MIKE & BEVERLY CREIGLOW Caixa Postal 24 Cruzeiro do Sul, Acre, Brazil 69980 mdcreig@hotmail.com June 1, 2015

Dear Brethren, The middle of last month I left for a long trip up the Juruá River. Zico (Francisco Nunes), who is our missions director at First Baptist, went with

The river has started its end of rainy season "retreat". It has gone down at least 30 feet already, but the rains still haven't stopped. It rained all day the day before our scheduled departure. Then, for good measure, it rained all day the day we had set for the trip. That was Saturday, May 16th. When I am out on the river, I don't mind too much if the rains catch me, but I hate leaving when it is raining, so we didn't leave until Sunday. The weather was cool and clear on Sunday.

About a half hour into the trip the engine quit on me. I had taken it out on Thursday to do a test run and all was working pretty good. It took me 45 minutes to repair. I had to pull off the carburetor, tear it all down, clean it then reassemble. After that it worked fine for the rest of

We had to go all the way to Thaumaturgo where they were expecting us for the evening service. The small open boat with 25hp motor took a long time. This leg was 190 miles. We finally got in at just before 6:00PM. We had a good service even though the electricity kept going off. The church is doing very well. They have bought lots on the corner beside their new building, lots and nice house across the street and a piece of land for their camp.

The next morning we went on up another 85 miles to Foz do Breu. We spent one night with the folks there, but because the river was going down so fast we decided to go ahead a make the visit to our 2 missionaries in Peru.

We spent two full days visiting our tiny group of believers in Tipisca, Peru. José Maia and family (Brazilians) serve there. We

also support a Peruvian family, Brother Eduardo. He, his wife and children are also Caxinauá Indians. We already have a building up, but not many believers. The little town only has about 300 people. There is an army outpost. The soldiers spend all their time and money on liquor and prostitutes. They are in the barracks most of the time and don't come to church. There are a few Peruvians who have government jobs. A few of these come to services. The bulk of the population is made up of Indians from four different tribes. There are a few Brazilians in the town, too. This means that 4 languages and 2 other dialects are spoken. As you can tell this is one tough field of service. We decided to not have regular services, but informal Bible studies while there. We had 5 nationalities sitting around the table in José Maia's kitchen. Songs

is fun, but daunting. José and family are still living in a primitive thatch covered house that was on the property when we bought it. It was built by an Indian. Now it is falling apart. He will be building soon. I am going to buy

were sung in 3 languages

and 3 musical styles. This

the roofing for them and am building him a trailer to haul the lumber out of the jungle. They are trying to break through to the village through daily work with the children and teens. José and Eduardo also have started visiting the tribes along the rivers. This is all slow, hard work. All I can say is, WOW! What missionaries!

On the way back downstream we spent another full day and night with the congregation at Foz do Breu on the Peruvian/Brazilian border. We don't have a missionary family there right now, but hope to fill this void soon. Pray with us about sending a missionary. The congregation is doing well

though. Further down river we stopped to visit our congregation and missionaries at Vila Triunfo. We were with them for 3 days. They now have electricity in the village. We were there for the installation of air conditioning in their wood frame building! How weird is that? The first night we held a couple's meeting with 27 couples. The next night there were regular services with 148 present. Then on Sunday we had 184 in the morning and 217 at night. There was one profession of faith and request for baptism. Fredson and Auriane are doing one great job. The village has been

transformed by the gospel. The village has cleaned up in just about every way. There may not be much they can do about the clouds of blood sucking gnats by day and voracious mosquitoes by night, though. My body is nicely dotted by tiny blood blisters, but so what else is new?

Zico and I travelled 970Km (606 miles) during our 9 day trip. We got to visit 4 of our missionaries in 4 locations. We were able to share the gospel to people of 5 different languages. One person was saved. We

didn't get rained on. Not a single drop. Even though the river was dropping so fast (7 feet one day) we didn't have to even take off our sandals one day. I can't remember the last time when I made this kind of trip that I didn't have to wade through all kinds of mud. We were in the

Bible study with five nationalities in Tipisca, Peru (Brazilians, Peruvians, Caxinauá, Ashaninka and one American)

June 3, 2015 this can be accomplished by prayer. So Dear friends here is a BIG prayer request: start praying for the seminary and all that God has and family, in store for this upcoming semester. We feel that this Seminary will be one of the What an amazways that Brasil can be reached with the ing (AWE-SÕME) month,

We no sooner got the Seminary classes finished than we began planning for the groups that are coming in June. We will be doing evangelism in the schools and catching up with some of our construction needs. What a blessing to have Churches coming down to assist with the ministries here in Brasil. AWESOME!! The repairs and construction projects involve painting two homes on the school property, putting a roof on the front porch of one of the houses, and working on some more room for Sunday School. It is good to have space problems. Our Sunday School has doubled in the last months. So we are out of space, as you can see in the photo, and we don't have enough seating either. By the way, we would like to give a shout out to Churches that have helped us with the purchase of new chairs. Thank you all so much. Not only are we out of space, our sound system is old and giving us continual problems. Please pray for help in this area. What we really need is new speakers, but you know what? Problems are good-they keep us on our knees, and looking up. We serve an AWESOME God!!!

We have our small groups back up and running since our return. We are seeing many new faces that are not involved in our regular Church services. We are using our small groups to minister to people that would not normally come to the Church; however, we are praying that after some time attending the small

Changing **Mission Fields**

May 26, 2015 Dear Brethren and

Friends: I think this is my first Mission Letter as old ninety year old. So, have a little patience, please. My ministry has changed from church planting to personal evangelism. My field is the big super markets. When Wanda or Paul go to buy things, I go to tell persons about the Gospel. There is a constant field of contacts among the employees and customers. I use a small tract called the three crosses. It is a drawing I made illustrating the message I heard when I trusted Jesus

as Savior.

In places where things and food stuffs are abounding, many people are hungering for or desiring something that money cannot buy. I sow the seed. It is the seed of God's Word. I ask Him to bless it. Sometimes I suggest to whom I am talking, "Maybe one day we will meet in Heaven, and you will say, 'Remember the day you told me about Jesus in the Supermarket?" Heaven will bring great joy for we will be with Jesus forever and we will see those He has saved to whom we sowed the Seed. "Lord, help us to be faithful in

groups they will want to come to the other services also.

We are planning many evangelistic and ministry projects in the coming months. Pray with us and for us as our goal is to win many souls for Christ.

We would love to have you all come and see what God is doing here in Caraguatatuba, Brasil. The light is on and the beans are on the stove. So come on down.

In His service, Aj and Barbara

that I'm doing things the way God wants me to. I want to believe that God's Word is like water to the parched ground. I want to believe that the Kenyan people are reachable and redeemable. Are these things true?

Psalm 143:6 - The answer, of course,

is YES. These things ARE true. God's Word IS like water on a parched ground and a parched people. The Kenyan people ARE reachable and redeemable. OH, GOD! Reach the Kenyan people! Do it in your way, with your Word and Spirit, in your timing and to your glory. Bring spiritual life and vibrancy to their thirsty souls. May they grow and be more like Jesus. Change them. Change me. Change my readers. In Jesus name, amen.

"Being confident of this very thing, that He who has begun a good work in you will complete it until the day of Jesus Christ." Philippians 1:6

Until next month, beloved. May God's peace and joy be with you. For the glory of God in East Africa,

Roger & Julie Tate (Emily, Amy, Josiah, & Chloe)
