June 27, 2015 Dear Fellow Servants,

It hardly seems possible that I last wrote you just 4 weeks ago. This has been a busy and blessed month and it seems to me as if 3 months have passed since my last

have passed since my last letter to you.

On Tuesday of this week our daughter Lydia gave birth to a beautiful daughter, our 11th grandchild. We are full and running over with God's blessings. I will insert here a few words from Lydia written the morning following Jeanette Miriam's birth: Jeanette: a form of John, meaning "God is gracious", also a bit of a family name for me. This name reminds

also a bit of a family name for me. This name reminds— us (and hopefully someday her) of the gracious gift of legacy she has. A legacy that

includes, but extends far be-yond the "Johns" in her famyond the Johns in her tamily line. A legacy not focused on great acts performed for God, but on God's great grace extended to those who go before her. Grace that has been extended in all seasons. been extended in all seasons. We want her to know this legacy, because we want her to know this God, whose

grace will carry her.

Miriam: the Hebrew form of "Mary", mother of Jesus.

A woman who surrendered herself to the will of God as his servant. Clueless, as she treasured the early events of her son's

life in her heart, what her surrender would mean. Bearing the weight of social stigma was only the beginning of the sword that would pierce her own soul as Simeon

prophesied. She was called to be a refugee, to face the fear of a twelve year old run-away, to be "pushed out" of her son's life on account of strangers, to watch her eldest child crucified surrounded by child crucified surrounded by lies. May our daughter some day have the faith to declare

herself fully surrendered to the will of God, even though she has no clue what His will

Judy was able to be there at the time of the birth and is staying 3 more weeks to help with the newborn and 3 other children. I am in France with the weeks scheduled tight and basking in the sunshine of God's grace though missing Judy tremendously.

Just as Jeanette was being born, I was at funeral in a town north of us. A brother of a man I discipled for

several years was killed in a several years was killed in a paragliding accident. The Religious structure was packed with people and many were standing outside the door. There were over 300 people-present in the middle of a work day. The man whose

Challenges in Kitale; Pray for Good Health & Wisdom

July 1, 2015 Dear praying friends,

Another month has come and gone, and there is much to update you on. We praise the Lord for His goodness, faithfulness, provisions, and guidance. What a mighty God we serve. Unto Him and Him alone belongs all the glory. There have been some health issues recently that we would like to ask you to pray for, as well

as ministry prayer requests.

Life in Kitale has been challenging lately, especially Life in Kitale has been challenging lately, especially with the public van station moving right downtown into the heartbeat of traffic, which causes much congestion, etc. We hope and pray that things will go back to normal in a few months once the new station is built. There have also been frequent power outages. Imagine doing something that is really important, only for the power to be cut off abruptly in the morning hours, and not returning until late evening. This has happened repeatedly and has been frustrating for all of us. Sometimes we have to boil water to take pan baths as the power is out so long we are unable to shower. However, Kenya is still better than neighboring countries, where there are even more frequent power outages. Part of the frustration is

so long we are unable to shower. However, Kenya is still better than neighboring countries, where there are even more frequent power outages. Part of the frustration is that we never seem to get a straight answer as to what is causing the outage and how long it will be out. It has been better the past few days, for which we thank the Lord, but please pray the power company would get to the root issue and not cut the power so frequently. Stable power is something we thoroughly enjoy while we are home on furlough. As someone has said "You do not know what you have until it is gone." How true.

Another of the main challenges with missionary life is the turnover rate among the missionary community. The mission field has people coming and going all the time, and it seems that we are always saying "goodbye." It feels at times like a "revolving door" of people coming and going all the time. People we have become close with and shared struggles with. I know this happens not just in Kenya, as I have heard it is the same on mission fields of other parts of the world as well. There is a family that has served their time in Kitale that we have grown close with who are now moving on and following the Lord elsewhere. We will definitely miss them and although it is hard to say goodbye, we trust the Lord will bring others, and we are thankful for the faithful

been here for many years. Transition is never easy, and when it comes to friendships, it is dif-ficult, but we trust the Lord to help us and as various families move on to where the Lord has 'A man that hath friends must shew himself friendly: and

called them. Proverbs 18:24 states

there is a friend that sticketh closer than a brother." Please pray for all the missionaries serving around the world, who struggle with these same issues. The Lord is faithful through it all, and we trust Him to provide in His time and plan.
In health news, both of our daughters have

NATHAN & CARRIE RADFORD P.O. Box 4150 Kitale, Kenya East Africa, 30200

contracted amoeba, as I have shared in previous newsletters. Amoeba is very common here in Kenya, although it is certainly not fun. I have had it myself two times, and know how it feels. Cami, especially, has been struggling with this for 7 months and has been on various medications but thus far none of them have eradicated the problem completely. Please pray for them and us as we are trusting God to help us with this issue. Also, I, Nathan, recently went to a dermatologist at a hospital in Eldoret and had some moles removed. There is a history of melanoma skin cancer in our family, so I need to get checked fairly regularly. Please pray for our family with these health issues. Our health is in His hands, and we trust Him each step of the way.

His hands, and we trust Him each step of the way.

In ministry news, it has been exciting to watch the spiritual growth of the prisoners at the Annex prison. I recently had the opportunity to teach on Pharaoh and the ten plagues of Egypt. My goal was to show the importance of having a soft heart before the Lord. It was interesting to watch the Bible come alive to the men as they heard of each plague that came upon the nation because of Pharaoh's

July 2, 2015

Dear Brethren, As soon as I arrived from my trip up the Juruá River in May I caught a flu that was going around. It started on a Tuesday night while recording the TV program. On Wednesday morning the lady from the health department came by to give us our flu shots. Bev took hers, but I was not able. It has now been over a month and it looks like I will be going to the doctor this afternoon. That is what the boss says. I had improved last week, but since Monday it has gotten much

Even though I have been very weak I have

been able to get a few things done.

One of the jobs that was urgent was build a trailer for missionary José Maia for the work in Tipisca, Peru. The river is going down fast and we needed to get the trailer and some building sup-plies to him while there is still a little water in the river. The trailer was finished last week and early this week I bought the last of the materials and got it all on a boat. I wasn't much help getting the stuff on the boat, so Pastor Ezi helped and we still had to hire some guys. Those 100lb bags of cement now

weigh about a ton! Also I was able to visit our works at Rodrigues Alves (up river) and Guajará, Amazonas (down stream). Bev went with me on the visit to Guajará. We held a baptism service

The materials that I produce for the church and the work got behind, also. There were a few days when my fever was so high I couldn't think straight. Much of that is caught up, but still have a way to go. I managed to preach

Friday night, Sunday night and Wednesday night at church. We had a huge crowd on Sunday and 2 more people were saved. There have been several more saved in other services, too. There were several more baptized on the 21st of June

Well I hope that by time you read this I will be well again. Pray for me anyway.

Pray and give also for our next big medical mission trip. On October 23-31 we will be going to the Huacapisteia River (a tributary of the Juruá River way up in Peru). There are 4 Ashaninka indian villages that we will visit. Besides all the fuel, food and medicine we will have to buy one more alu-minum canoe and motor to add to our fleet. Next month I will give you some numbers. Please pray and get ready to give to make this exciting mission trip happen.
Thanks for all of your

prayers and support. God bless you as much as He has us. In Christ,

Mike Creiglow

Things that Changed My Life For Christ: Soul Winner Pastor Arley Jones

JOHN & ALTA HATCHER 15905 Mercott Court Clermont FL 34714 229-529-8497 jhatcher l 925@gmail.com

When I was a young Christian one of my pas-

tors was Brother Arley Jones. He was pastor of the First Baptist Church of Alexandria, KY where my parents were members. The church was limited in the depression days and Brother Jones worked as traveling salesman of cookies and sweets. He rarely passed a hitch-hiker. He took the opportunity to witness of Jesus.

One day he picked up a young man. In a few minutes he told him about Jesus the Savior. Deeply touched, the man trusted Christ as Savior. In thirty

minutes or so he reached the place where the man was going. When Arley stopped to let him out, the hitch-hiker pulled out a 38 revolver and said, "When I asked for a ride my intention was to rob you or kill you and take your money. Jesus has changed my life and I want to thank you with all my heart.'

My life and ministry have felt a love for the lost and given me a desire to tell people about the Savior. Pastor Arley Jones' example was my principle

example.

refusal to listen to the Lord. We learned of pride and the dangers of pride. Proverbs 16:18 says "Pride goeth before destruction, and an haughty spirit before a fall." Please pray for this ministry and the teachings that are ahead of us, that the men would see the truth of the Word of God, obey it, and w it faithfully.

My friend Roger Tate and I are continuing to train and disciple men, as well as go

out ourselves into communities to start house churches We are meeting regularly, dis-cussing our thoughts about how the Lord is leading and comparing our experiences. We need wisdom from the Lord each step of the way. We can do nothing without Him. Proverbs 2:6 says "For the LORD giveth wisdom: out of his mouth cometh knowledge and understand-ing." We trust Him for wisdom for the most effective way to start churches in this culture. The Lord is faithful

and we desire His leading and guidance, not our own. May the Lord bless each of you abundantly. Thank you so much for your interest and heart for those around the world to be reached with the precious Gospel message. You each are such an important part of the ministry, and we thank the Lord for you so much.

Brazilian Pastor as he has been in the hospital with heart problems. The Doctors said that he had a heart attack, but when the dust settled, the problem was with his aortic valve. So the problem was with his aortic valve. So let me cut through all the exams, problems, doctors, etc, and get to the bottom line. He had surgery in Sao Paulo on the last of June and today is in the Intensive Care Unit doing GREAT. He is expected to be in the hospital for about 7 to 10 days if all goes well. Please keep Pastor Rosevaldo and his

family in your prayers.

About our month—we have been blessed with two groups from the States. Our first group of 39 was from Georgia and represented 3 Churches. They were able to do lots of work on the Church and the

school property. Window replacement, put up 3 more fans and installed emergency lights in the Church building. In addition, they did 3 Bible Schools in our area—one they did 3 Bible Schools in our area—one in our Church and 2 in the public schools here in the city. They also traveled to the Indian Village and did another Bible School with them. The Indian village is about 2½ hours from our city. These Indians need lots of help—physical and especially spiritual. Pray with us that more will accept Christ as their personal Savior. They serve many gods and we serve only One!!! We have established a good relationship with them because of several work projects with many American groups. work projects with many American groups. God is so AWESOME!

The second group helped with more of the maintenance needs and also did 3 Bible Schools. This group has adopted a remote school (up a holler) here in our city. It is a two-room school and, needless to say, it is a somewhat forgotten school when it comes to supplies and maintenance needs. We had two Bible Schools there and did some much needed painting on their walls around the school building. The principal was so excited to see us come. What a little work and a little elbow grease can accomplish! They are almost like the Indians—"out of sight, out of mind." God really knew what He was doing when He led us to this area. After the completion of the new subdivision about ½ mile down the road. just in Bible Schools there and did some much

about ½ mile down the road, just in Sunday School we have doubled our

attendance. How Great Thou Art! I would like to give a suggestion to all the Pastors in the Statesif you want to increase in your attendance,

just buy more chairs. The past two months we have had gifts to purchase new chairs and what an AWESOME blessing this has been. Our attendance before the chairs was around 60-80. This month

s around 60-80. This month we have averaged 105. God is good all the time—all the time God is good! Well I thought I would mention the chairs—because now we need to purchase more chairs! How AWESOME! We now have 85 chairs and 25+ white plastic chairs in our Sunday School areas. We are making do with areas. We are making do with this number, but if anyone out there would like to help

out there would like to help purchase more chairs!!!! (They cost 75 each.) What a sweet way to ask for more financial help with Church problems. And what a good problem to have. As you can tell by the numbers I have cited, we are not only out of seats but we are out of room to seat them. We are look-ing for a larger place for our Church

out of room to seat them. We are looking for a larger place for our Church. God is working in this area. Pray with us about this new building.

I am so glad that God is working where we are. There is much work and few laborers. Would you like to come and help? The doors are always open and the light is on out on the porch. Come on down and see your mission dollars at work.

empty body lay in the casket before us was 48 own with 2 teenage sons. I grieved at the empty pagan christianity displayed in the traditional re-ligious ceremony. I observed my friend who was with his family while not participating in the hopeless activities other than to help his mother as she got up and down to participate in various parts of the mass. I prayed that God would open the eyes of the family and draw them to Himself. I prayed that Jean-François would have the privilege of leading them to Christ. In last month's letter I mentioned that a

lady in the assembly at Tournefeuille had given birth to a baby girl. The day after I wrote was Sunday and the child's father insisted that they come to Sunday morning service on their way home from the hospital. This was a first for me. In over 40 years of pastoring, I do not remember anyone bringing their newborn child to church on the way home from the hospital. This father has attended regularly for several years. He asked that we sing a particular song of praise (not available in English) for this special Sunday. This young man lost one parent when he was 10 and the other when he was 13. They both claimed to be atheist. We

15. They both claimed to be atheist. We continue to pray for him.

In the last letter, I also mentioned that we were to have a Youth meeting later in the day. A young lady was here for the first time brought by one of the kids who comes to church here. On the way home she told the morther of the way home she told the mother of the youth who brought her that she felt like she was barg-

ing in because she did not believe in God. This opened the door for the mother to witness to her.

These are just a few of the inci-dents where we have seen God at work this month. We have had great Bible studies at all of our locations and new visitors who showed a real interest. Thank you for participating with us in what God is doing here.
The dividends are out of this world!

June 30, 2015 Dear Friends,

Charlene and I made a two week trip to Brazil this month. The trip was a tremendous encouragement and the Lord's hand was clearly with us at every moment. We had the privilege to ordain two young men to the Gospel ministry and they will be taking the oversight of two of our outreach teams. Marcos, one of the

returned from a year and a half of evangelism and church planting in India. The Lord blessed him greatly there and it is clear that he is called to be a minister of the Word. The other young man, Victor, has lead one of our Projeto Vida outreach teams on trips to the interior of Brazil where he and his wife, Fabiana, are highly respected and loved by their team members.

Alysson, our mission-to the Muslims in the Middle East has returned from his first trip there and reports that the Lord truly opened doors for sharing the Gospel. De-spite what we see on the news channels, the majority of the common citizens are hungry for truth and love. We know that they have been fed lies all their lives and that makes it difficult for them to have open minds to Christ, but God is glorifying Himself

greatly by bringing many of them to repentance and faith in Jesus Christ. Alysson will be returning to that field again soon, so we ask that you pray God's blessings on him. Alek Rossi is doing a

great job pastoring my former church in Curitiba, Brazil. We visited the services and we heard many great reports on his leadership from basically everyone who attends. The church continues to grow and we sensed real unity among the members.

Charlene and I have offered to help a local Baptist Church here in the Tampa, FL area as we also seek to help with the health needs of my father. We rotate with my siblings on a 24/7 schedule. I am thankful for this privi-lege. Thank you for your prayers and support.

In Christ's love, Bobby and Charlene

Fruit in Due Season; Unlikely Visitor

June 26, 2015 Dear Brothers and Sisters

in Christ, If you read my newsletter from last month. and I hope you did, then you read a little about my discouragement over not seeing as much spiritual growth in the disciples and churches I work with here in Kitale. I tried to end my newsletter on a higher note and show that God's work will be completed in each of his children, but when I finished my newsletter and hit the send button I was still discouraged. But God has a way of encouraging his children and he did just that for me this month in the form of a message from a pastor back home. Many, many months ago I received in the mail a message on CD. This was a message taught by Tom Teall, pastor of Calvary Baptist Church in West Branch, Michigan. The CD sat on my desk for a week or two before I got around to listening to it. I tried playing the disk on various devices but because the disk had gotten scratched somewhere I could never get it to play past the first minute. Because I could not get the message to play, it sat on my desk for the next couple of months...until last week. Last week Julie and I were looking for something to listen to, pulled out this message by Pastor Tom, popped it

He shall be like a tree Planted by the rivers of

That brings forth fruit in its season

Whose leaf also shall not wither And whatever he does shall

prosper.
I won't repeat the whole message here but I just wanted to point out that Pastor Tom spent a lot of time on that third line in the verse: "That brings forth fruit in its season". The point of his message was that fruit is seasonal. SEASONAL! In other words, you shouldn't expect to see all the fruit on all the trees at all times but that when the season is right (the season God has prepared) then the tree will bring forth the right fruit, in the right quantity and in the right quality. Pastor Tom's message encouraged me at the right time to press on and wait for the fruit that God will bring in his season. Be

looking for fruit, beloved. It will come. On a bit of a lighter note, let me ask you what has ever happened in one of your worship services that has held up or delayed the proceedings? Nathan and I were right in the middle of a worship/Bible study hour at the home where our group meets when a crazy chicken strutted in. This crazy chicken strutted right to my feet where it stopped, cocked its head to one side and stared directly into my eyes. When I didn't move the way the foolish fowl wanted me to, she jumped up into my lap and lept onto my shoulder. At this point I was just hoping

ROGER & JULIE TATE P.O. Box 96 Kitale, Kenya East Africa, 30200 rojuta@gmail.com

it would not release a bomb onto my shirt. The boneheaded bird then walked across the back of my chair and jumped onto Nathan's chair. Nathan hastily extricated himself from the chair before the brainless biddy could land on his head or in his lap. With Nathan's chair now free from its occupant the pesky poultry took up residence there. One of the Kenyan boys quickly removed the half-witted hen from the chair before it could nest down and lay its egg, which is what it wanted to do in the first place. The removal of the chicken allowed our Bible study to recommence and proceed. While being in Kenya I have now had worship services interrupted by a chicken, sheep, cow, dog and a snake. The young boy relieving his bladder in the corner of the church building never fazed anyone, though, and the preacher never missed a beat in delivering his message.

Until next month, beloved. May God's peace and joy be with you.

For the glory of God in East Africa,

Co-laborers, We greet each of you in the name of the Lord Jesus Christ. We are so thankful for God's goodness and grace. We do not cease to be reminded, and Praise God the Father for providing unto us all things that pertain unto life and godliness, through the knowledge of the Lord Jesus Christ. He so graciously supplies our every need and much more; we want to always be grateful and gracious to others even as God has

been to us. There is an update on the new church plant in downtown Manaus. I met with the team for

I visited one of the church-

es that was started as an underground church plant. They have since decided to expand as a formalized church. They are now renting a place to meet. It was a great joy to meet with them and speak. It also was very special to see that the entire original group is active in the work, and that new disciples are being added. I rejoice to see the transformation of people's lives by means of the gospel of Jesus Christ and their endeavors to reach their community with the Gospel.

I spent some time with our children and grandchildren. It's always great to be with them and enjoy their

company and see how the grandchil-dren are growing in stature and Christlikeness.

We thank God for

I arrived back from

Manaus two days ago on June 29th. Despite travel delays and resulting missed flights, all went well and I had a blessed time there.

We pray for you that your knowledge and remem-brance of our Lord, the only true God, may abundantly increase in wisdom and discernment, that your trust and faith in our Lord Jesus Christ may be steadfast always, and that the love of his Holy Spirit may fill and overflow in your every word and action, with thanksgiving to God though Jesus Christ our only Lord and Life. God bless each of you richly through Jesus Christ. Love, Paul and Wanda

July 9, 2015 Excitement is in the air! Our family is catching a

flight to the States tonight. The kids are enthusiastic with the idea of living and study-ing in America. Personally, with all the packing, ministry responsibilities, farewells, meetings and cleaning (yes, in that random order) I am exhausted. I must admit though, I love every moment. Would not trade it for anything. Being in the center of the Lord's will is delightful. Pardon my brevity, as I must return to wrapping things up THE CHURCH

amazingly it worked. And now I know why it never

worked before - because I

needed to listen to it last

His message was from Psalm 1:2 -

The church's leadership is fully transitioned – pastoral leadership, administrational and legal. The Lord has blessed the church with an incredible group of people. There is solid adult leadership and strategic outreach strategies in place to continue growing among all genera-tions – children, youth, young adults and married couples. Last Sunday, July

5th, was our last worship service as their pastor. Man, did I enjoy preaching. We cried, laughed, sang, prayed, ate, fellowshipped and took "selfies". It was a love overflow moment.

Pastors' Network On Tuesday, July 7th, we had our last "Pastor's Net-work Gathering" under my leadership. Let me tell you, it was a blast! The network's leadership was transitioned to a solid local church pastor - a dedicated man and dear friend of mine. Again, I cried, laughed, sang, prayed, ate, fellowshipped and took "selfies" with pastors and their wives. It too, was a love overflow moment. I sure do

enjoy preaching.

PRAYER REQUESTS Please, pray for us as we:

1) Travel and settle into our new home for the next year. 2) Purchase a car to use while in the States. 3) Get the kids' immuniza-

Sweet time of fellowship with Ativ

I am so thankful for the pastors who have contacted me via email with words of encouragement. I look forward to connecting with you.

Grateful always, Judson Hatcher

MISSIONARIES IN THE STATES ON FURLOUGH

BOBBY & CHARLENE WACASER: Bobby and Charlene are in the States for a few months and will be helping to care for Bobby's father, who is in declining health. Bobby is available for limited engagements. His email address is: bobbymichael_1@hotmail.com, You may also reach him via phone: 813.481.7007.

JUDSON & RAQUEL HATCHER FAMILY: Judson and Raquel Hatcher and their family will be in the States for a year's furlough. They are arriving mid-July and will be living at 1012 Balsam Drive, Lexington KY 40504. The phone number for the Furlough Home is 859.277.3716. Judson's email address is: judsonhatcher@gmail.com You can also contact him via cell number 859.544.9040 or through his Facebook: https://www.facebook.com/judsonhatcher

MOTE: they are in desperate need of a mini-van to travel in while they are Stateside. Do you have a vehicle you could loan them to use? It would be less expensive for them even to make the monthly payments and provide insurance for a vehicle than have to purchase one for the year they are. Get in touch with Jud if you can help them.
