Dear Brothers & Sisters, We rejoice in the Lord that all is well here and we pray that all is well with each of you. Kathy got back from her trip to the US to see her her trip to the US to see her parents and our children. She had a great time. She really enjoyed the BFM conference in Lexington.

We are really excited with what God is doing here. I have been pastoring the church for a little over a month. God is really

over a month. God is really working and the people are responding. Before, when services were over the members of the church would leave immediately. It has been wonderful to see them change and just enjoy hanging around and having fellowship. We praise God for this. There were some

children that were coming to church with some members of the church. After a while the mother started coming. Then this month the father Then this month the father came. The father got saved after the second time he came. Kathy and I went to visit them. I asked him why he started coming to church. He said that we started to notice a difference in his children so he wanted to children, so he wanted to see what made the differ-ence. Last Sunday night I did not have an appeal for salva-tion at the end of service, but as soon as service was over the children's mother came to me and said she wanted to be saved. Praise God! At the next midweek service I asked if anyone wanted to be saved and the lady made a public decision. Also another man got saved this month. This last month we have averaged 66 in church. Last Sunday we had 10 people baptized. What a blessing!

The youth group is doing great! We have had to drive two cars to take them to church. Last Sunday night we had to drive 3 cars. We are praying that God will next midweek service I asked

Two weeks before the group arrived we had a group of men putting in the foundation. The group that came arrived here on the 9th of July. They stayed here at our place. They started putting up the building on Monday and had walls up, windows in and lights and fans ready to use in four fans ready to use in four days. They worked hard and did a great job. On Sunday we had an inauguration service. The building was full and 3 people were saved. Kathy and a group of young people are having a children's program Saturday afternoon. The first day they had 63 The first day they had 63 kids. Then on Saturday night and Wednesday night we have services. The response has been great. Pray that God will continue to open doors in this city, MU-TIRÃO. We want to thank Tabernacle Baptist Church for the lot where the building was built. Also thanks to ludson Hatcher who gave to Judson Hatcher who gave our name to the group that wanted to build a church.

We have talked to the people in Garça these days. They are really excited with their new pastor. They are doing some remodeling in the area where the church meets. It is really great to see how happy they are. Please continue to pray

about the court hearing about the closing of Alpha and Omega because of the accusations that the kids were mistreated. Pray that God will give the Lawyers wisdom as they gather infor-mation they need. We thank those that have already been praying for us. In Christ,

Missionaries in for Annual Conference; 84 Preachers & Wives Meet for Teaching and Fellowship

One of two baptism groups from the past month at First Baptist of Cruzeiro do Sul.

August 6, 2015
Dear Brethren,
The recovery from the flu has been slow, but I am almost back to normal. We have a new building going up at camp and I have been able to help the crew with that. I went up a couple of days in my jeep and helped haul lumber from out of the jungle. I was even able to help carry some of the beams. The trailer was only able to get so far and we had to carry some very heavy stuff for a couple hundred yards out of the woods. So I guess I am back to the usual self.

We have had a good month at First Baptist. We have

I am back to the usual self.

We have had a good month at First Baptist. We have held 2 baptism services a month apart. There were 15 and 12 baptized. A good many more have been saved. Attendance has been really good for summer time. In fact one Sunday night we had an overflow crowd in which many could not get into the building. We have been needing to expand for years. God will make that happen in due time. Right now construction is a little far out there as the economy has really gone south. At least we have our new prop-

least we have our new property waiting for the right moment.

This month was our annual missions conference. We had most of our missionaries in from the fields. We had three of our men who work in Peru, who managed to get all the way here. José Maia is our Brazilian missionary who

works in Tipisca, Peru.

Eduardo, who is a Peruvian citizen from the Caxinauá tribe, came in. Then, for the first time, Laureano, who is a Peruvian from the Ashaninka tribe came in. It was so good to have Larucano. I had not seen him for 2 or 3 so good to have Latucano. I had not seen film for 2 of 3 years. He is one of our first converts from the days when I first started going across the border (about 15 years ago). He takes care of 4 preaching points at the mouth of the Huacapisteia River and up the same river. These are the villages we plan to visit with our medical mission team in October.

Our newest mis-sionary family came in, too. Idelvaldo and family were approved last year and were sent to the city of Jordão 5 months ago They have already had a few people saved. They started meeting in a space in a public school. Then they moved to a covered area at their rented house. Now

mdcreig@hotmail.com they have spruced up
a "store front" and have a nice big sign up front.
They are having about 40 people in services. We already have property to build our first church

building. Jordáo is one of the 22 "county seats" in the state of Acre. Our goal is to have a solid church planted in every one of them. We have already gotten to seven!

Last Saturday morning we held our annual preacher's meeting. There were 84 present. The men had 3 solid hours of practical classes on 5 differ-

classes on 5 difference topics. It went by so fast. I taught just one of these and had 2 more ready if there had been time. The wives also got together for a lecture from Dr. Suiane. Suiane is one of our medical doctors who goes along on our medical mission trips. She just concluded another missions course and followed that with a month long practical internship in

August 07, 2015 Dear Friends and Co-laborers.

Co-laborers,
We greet each of you
in the name of the Lord
Jesus Christ. We are so
thankful for God's goodness and grace. We do
not cease to be reminded,
and Praise God the and Praise God the Father for providing unto us all things that pertain unto life and godliness, through the knowledge of the Lord Jesus Christ. He so graciously sup plies our every need and much more; we want to always be grateful and gra-cious to others even as God has been to us. There is an update on the

new church plant in down-town Manaus. The building is almost complete and plans are being made to start having services the last Sunday of August. The final painting and refurbishing of chairs is under way and all are excited about what God is doing and especially thankful for the provision that the Tabernacle Baptist Church of Manaus has made to complete the project. Pray that many will saved and added to the church.

Much to Pray About: New Group Meeting in Home, Opportunity to Teach at Bible College

ROGER & JULIE TATE P.O. Box 96 Kitale, Kenya East Africa, 30200 rojuta@gmail.com

July 28, 2015 Dear Brothers and Sisters in Christ,

In many of my monthly reports I often-times ask you to pray for us and our ministry here in Kenya

This month I want to relate to you the items that I, myself, am fervently praying for concerning our Kenyan ministry.

That way you can join me and send your prayers up with mine for the things we are working on

here.

First and foremost (ie, the main priority of our ministering here in Kenya), is the starting and forming of new New Testament churches here in the city (town) of Kitale where we live. We are currently working with a new group that meets in the house of Kefa and Matilda and we have been working with this group for a few months. It has has its ebbs and flows, its many victors who have come for a week or two and visitors who have come for a week or two and then left. The ones who have remained appear then left. The ones who have remained appear solid and seem like they want to really serve the Lord and see the work grow. This is how I am praying for this group: That they might grow spiritually and know Jesus and follow Him on the same road He is walking, that they might reach out to their village with the love and gospel of Jesus Christ, that they might mature enough to be organized into a church, that they would stand on the Word of God instead of on the whims

of God instead of on the whims of God instead of on the whims of man, that they would be the hands and feet of Jesus to the villages around them, that they would be led and strengthened in all things by the Holy Spirit, depending upon Him for all things, instead of the missionaries.

For your enjoyment I have

For your enjoyment I have included a humorous picture of me and a little girl named Blessed who attends the meetings. Blessed is an orphaned girl who has been taken in by Kefa and Matilda (something which is very unusual in this culture) and I think she has taken a liking to me. Anyway, please don't look

at the picture and think that Roger has lost his mind. Let me explain. I have been teaching the last couple of weeks on the wise use of offerings and on how the early churches used the collections they took up. I showed them that most of the times the early churches in the NT took up collections, the money was used to help the poor and needy or to send missionar-ies along on their way. As an illustration, I decided that I would act out a conversation between a husband and wife on offerings and giving and how they would like to see a church utilizing the money they donated. To make the illustration memorable to my audience, I purchased some hair in town and whenever I was talking as "the wife" I put the hair on, moved to an adjacent seat and talked in a talking as "the wife" I put the hair on, moved to an adjacent seat and talked in a high, falsetto voice. Then, when I talked as "the husband", I removed the hair, moved back to my seat and talked in my normal voice. The "conversation" proceeded in this way until my point was made. Blessed got a kick out of me wearing this hair and later put it on herself. Then I put the hair back on myself and snapped the picture you see. I think it's funny and cute. Julie thinks I look like a hippie and a druggic.

The second item that I am fervently praying about is my ministry up in "the bush" with the Pokot people. I have been praying a lot about this but it seems that at the time God has put things on hold. I think God has things only on a temporary hold and I believe He will once again soon open things back up for me to be able to get back to some of these remote.

back to some of these remote people and vil-lages and spread the gospel and the kingdom of Christ there. The man I work with up there wants us to

visit a very remote village behind the mountains where the people still wear animal skins for clothes and have never heard about Jesus before. I pray that we will be able to reach this village, that we will have boldness to preach about God's love and salvation,

that the village would trust in Jesus as Lord and Savior and that a congregation of Jesus would be started in that place.

The last ministry item that I am specifically and fervently praying about concerns a small, lo-cal Bible college located here in our town. I have been invited to teach a class at this college and have accepted the invitation. The class I will be teaching is hermeneutics (How to interpret the Bible). This is an extremely important subject in Kenna as many of the pastors, teachers and Bible). This is an extremely important subject in Kenya as many of the pastors, teachers and leaders in the churches know very little about properly interpreting the Bible and end up teaching anything and everything except what the Bible actually teaches. I am thrilled to be able to teach on this topic and hopefully help some of these local, Kenyan pastors teach their people from the Bible in a profitable way. I pray that God would lead me in my own study, that the students would grasp the concepts of Bible interpretation, that they would learn to love God's Word and want to teach its life giving principles to others, and as a result that many people would hear God's Word, that they would be saved, and grow to maturity as followers of the Lord Jesus Christ.

Until next month, beloved.

e Lord Jesus Christ.
Until next month, beloved.
May God's peace and joy be with you.

The month of July has been one full of many things This month we have had tw groups: one from Georgia and one from South Caro lina. With them we did Bible schools at the Church and

schools at the Church and with the Indian children. While at the Indian village, we were able to deliver food boxes to each family. With one group we were asked by one of the children to pray with him as he felt that he was demon-possessed. So we all eathered 'round. So we all gathered 'round and each one of us prayed

God Changes the Heart of an Atheist; Neighborhood Dinner; **Evidence of God at Work in New Disciples**

JOHN MARK & JUDY HATCHER 4, rue d'Aspin 3 I I 70 Tournefeuille, France JMHatcher@aol.com

August 1, 2015

Dear Fellow Servants,
We hope that you are
enjoying the Lord's blessings
this summer. Many of you
are busy with Vacation Bible School and Youth and Family camps. The effort invested in these summer ministries is well worth it. During our lifetime we have seen many come to Christ and mature spiritually through Christian camps and evangelistic outreach to youth.

The month of July was quite busy which makes me

happy. On the 4th of July, the annual neighborhood dinner was held. We are very grateful for this gathering because it gives us the opportunity to build relationships, get acquainted with folks and witness. These usually start at about 6pm and continue to 1 or 2 o'clock in the morning. And at the end there is the

clean up. This year I had the opportunity to communicate our reason for believing with two neighbors. One of these is a professed atheist and the other is an agnostic. This is not the exception in France. Our yard is bordered by four

other yards. Three of these four immediate neighbors are atheist. However, we have a cordial rela tionship with

We sow in hope. According to Christ, our behavior is essential in communicating the gospel to these folks. Jesus said, "Let your light so

shine before men, that they may see your good works and glorify your Father in heaven." Good works in this context does not seem to

refer to church activities, but serving others for Jesus sake. Daily, we must ask ourselves, 'How can I show the love of Christ to this (or that) individual in my actions?"

The apostle Paul seems to mean relationsh this in the counsel to "walk circumspectly, not as fools

but as wise, re-deeming the time, because the days are evil."

Several years ago a new neigh-bor informed us that she was an

atheist. A little while later she said, "You know I don't believe in God. but we feel so good when you and Judy are around. And...we did share meals

together quite often. These usually included at least one other family. Often, this lady's husband would say to everyone at the table, "I have

About four years after
meeting them, she invited
us to help her celebrate
her 50th birthday along with about 70 or 80 people from all over France. Just as everyone was getting ready to dig in, she stopped them and pointing to Judy and me, said, "These are some of our best friends. He is a pastor. John, please say a few word Unexpectedly, she called on me to share the gospel with her friends. Not too long before they moved to a neighboring town, she came running over, knocked on the

door to tell us, "I want you door to tell us, "I want you to know that I now believe in God and that He has worked personally in my life." From atheism to this point in her life was a stretch of about 10 years. We love what we are doing in France.

Evidence of God at work in new disciples has also been a part of the blessings this month. Many years ago ludy and I started

She has grown in the Lord. She started to invite people she met to the Bible study. Some of them are now saved. She now sees

herself as a missionary to this spiritually needy area. About a dozen persons come to the Bible study and she has individual Bibles studies with others. While she

Helping to take care of my father has been quite a different experience from my mission routine of the last 30 years, to say the least. First, I can say that it is a privilege and, in an ironic way, a joy to do it. I'm sad that he has lost so much of the indepen-dence and strength that he always displayed, but I truly am thankful for the oppor-tunity to spend large blocks of time in close conversation about the really important matters of life. He has shared with me his testimony of his conversion to Christ and the thoughts and conversations that he and our mother had about how to raise me and

my 7 siblings. His strength continues to decline, but his spirit is at peace with God's will for his remaining time Charlene and will be making another trip back to Brazil in September to renew our permanent visas because they will expire before the end of the year. We are scheduling our trip in such

help to our ministry partners there. I will be teaching at the mission training school of Projeto Vida and will also do some intensive training at our former church. We are looking forward to seeing our Brazilian family for a couple

of weeks during that visit.
Projeto Vida had a very
busy month of ministry. The Alpha bus, though not quite 100% complete, was back on the highways and took a team of missionaries two states away to aid the minis-tries of several local churches. The team was very helpful in teaching and encouraging the

youth of those churches to heed the call to go to the lost

The Logos team was busy in the public schools both near Curitiba and in the state of Minas Gerais, about 15 hours away. This group had the privilege of being instrumental in bringing ove 500 people to make a public

profession of faith in Jesus Christ. One of the missionar-ies had the privilege to lead an older couple who had been Catholics all their lives to a personal relationship with Christ. They knew a lot about Jesus, but they had never known how to KNOW Lesus Afers bearing the gos-Jesus. After hearing the gos-pel clearly both the man and his wife surrendered their lives to the Lord and were immediately overwhelmed with joy and thankfulness. There was another man

who seemed irreligious who was angry at God because he blamed Him for his son having walked away from the family.

that prodigal son by walk-ing away from God, but that God, like the caring father in the parable patiently and lovingly waits for his lost children to come home. The man understood and embraced the message and surrendered his life to Christ also and was full of gratitude to the missionary for sharing God's word with him. We are so thankful for our faithful mission teams and to God for guiding and sustaining them. We also thank you for your faithful prayers and sup-port so that we may continue this outreach. Prison Ministry Thriving; Pray for Robinson

August 1, 2015
Dear praying friends,
It is hard to believe that

we are already in the month of August. Where has the time in the past year gone? It seems to pass faster and faster each year. Time is one of the most important eifer facmost important gifts from God that we have, and how we need to use it wisely for

His honor and glory.
We thank the Lord for
the opportunities each day
that He gives us to serve Him. Service is a privilege. I think of Matthew 20:27-28, which say "And whosoever will be chief among you, let him be your servant: Even as the Son of man came not to be ministered unto, but to minister, and to give His life a ransom for many." What greater example could there be, than our Lord and Savior? Considering all that He has done for us, how could it not be a privilege to serve

Please pray for the Annex rison ministry, as I am at the time of renewal of the prison permit. A permit is needed through the govern-ment to continue with this ministry, and I am praying ministry, and I am praying that the Lord will provide this permit in His time and plan. My thoughts have always been to be faithful to this ministry as long as the Lord would have me there. I believe by faith that the permit will be renewed. the permit will be renewed, and would appreciate your prayers as I am in the renewal process. It is all in His hands

and I trust Him. The studies are continuing along well, and we are nearly done with the Old Testament and get-ting ready to move into the New Testament. The men who have been coming seem to be very dedicated and have a heart for the Word of God, a heart for the word of God, which is a definite encour-agement. Many of them face many challenges, yet they are faithful to come and study the Word of God. One of my favorite verses on the Bible is Psalm 119:89, which says "For ever, O Lord, Thy word is settled in heaven." What a comforting verse to cling to throughout our lives.

The village ministry in Robinson is continuing along well. It has been challenging, as many who were coming at the beginning have fallen away. This is to be expected, as it happens anywhere. I think of John 6, where so many were following the Lord for the loaves and fishes and not to truly follow Him. I have been praying that the Lord would bring those who would be there for the right reasons, and Lord willing, to be a good foundation for a future church plant.

My partner Roger Tate and I agree that we need to bring further teachings and do visitation, share the Gos-pel faithfully, and pray for the Lord's will to be done in the Lord's will to be done in the Robinson area. We would appreciate your prayers also to this end. We desire to be faithful, and leave the results in the Lord's hands, trusting

Him each step of the way.

We are currently teaching
the group on offerings and
the Biblical uses that we see
in the Scriptures. It has been
good and has brought many
questions. As we continue in
the teachings of the Word,
and pray for His will to be
done, may we serve together and pray for FIIs will to be done, may we serve together in a spirit of love and unity. John 13:35 says "By this shall all men know that ye are my disciples, if ye have love one to another."

Thank you to much

Thank you so much to each one who writes, sends letters, or emails. We appreciate each of you so much. Homesickness is a real challenge that missionaries face, and each caring act is greatly appreciated. Thank you also for your faithful prayer and financial support, and for the faithful example of service that each of you are to us. May God abundantly bless you as you serve Him, wherever He leads. Blessings,

Nathan and Carrie Radford

"...for all things come from You, and of Your own have we given You. - 1 Chronicles 29:14 -

Thank you for giving.

HENSLEY (from page 2)

Well, we have been looking for a way to accommodate this growth. We had made all the arrangements to cover the driveway beside our building so we could use it for Sunday School classes. The very day that we were getting ready to start the construction, the owner of the building appeared. He informed us that he did not want this construction done on his property. I asked him if he would like to sell his property and he said that he would not. He was with a friend and this friend owned the land behind so I asked if he would like to sell his land, but he did not. What I was not aware of was the owner of the building next door was close by and when these two men left, he approached me and said, "My building is for sale." And through the AWESOME grace of God, we are now the owner of a new church building!

We have used the visitors to tear down

walls, beat up concrete, smash down win-dows, and all the other demo jobs that you can imagine. We are looking forward to

At the end of the day, the biggest obstacle to evangelism is Christians who don't share the Gospel.

God has provided a new building for the church in Caraguatatuba with lots of work to be done.

having church in our new building shortly. We may have to move in on concrete floors,

We may have to move in on concrete floors, unpainted walls, and many other things in the process of being finished, but God is so good – no, He is AWESOME! When you see where He is working, go join Him - you will be amazed at what He will do through you.

In the midst of all this, Barbara has had to go to the States. Her mother, Reba Baker, fell and broke her hip. She is now in a nursing home doing physical therapy and Barb will stay with her through September. Pray that all goes well with the therapy and Mrs. Reba can get back home to her house.

If you have not been to see what God

If you have not been to see what God can do with your mission dollars, well come on down. We will treat you so many different ways you will have to like at least one of them. Come see what God is doing in

Caragua. In His Service, AJ & Barb Hensley
